CASE NO. 24-CI-000197

**RECEIVER'S INITIAL INVENTORY
AND REPORT**

18
19 David P. Stapleton, the court-appointed receiver (“Receiver”) for the above-entitled action,
20 respectfully submits the following Initial Inventory and Report.

21 **I. Appointment**

22 On August 8, 2024, the Order Appointing Receiver and Issuing Preliminary Injunction (the
23 “Order”) was entered with this Court. Attached hereto as **Exhibit “A”** is a copy of the Order.
24 Pursuant to the Order, the Oath of Receiver was filed on August 12, 2024, and the Receiver’s Bond
25 was filed on August 14, 2024. A copy of the Oath and Bond of Receiver are attached as **Exhibit**
26 **“B.”**

28 ///

1 **II. Background and Takeover**

2 The Defendants (aka “Obligors”) stipulated with Golden State Farm Credit (“GSFC”) and
3 Bank of America (“BofA”) to appoint a receiver. The Plaintiffs are secured lenders with respect to
4 multiple loans made to the Obligors. The Obligors did not have the financial stability, or the
5 working capital required to continue operations and to maintain the collateral (“Collateral”) in good
6 condition and working order to process and market the inventory, nor did they have the ability to
7 readily liquidate the Collateral in an orderly fashion. Such operation, maintenance and care are
8 essential to preserving the value of a great deal of the Collateral, given its agricultural nature, as
9 well as requirements to maintain reliable irrigation and to conduct the impending harvest season.
10 The Collateral includes a critical harvest of millions of pounds of walnuts. The Receiver was
11 appointed to implement the necessary agricultural management and to carry out critical operations
12 so as to maintain the value and condition of much of the Collateral so as to avoid it becoming
13 severely degraded.

14 Upon effectuation of the Order, the Receiver contacted the representatives of the Obligors,
15 GSFC and BofA to discuss the Receiver’s role and to schedule a visit to inspect and inventory the
16 collateral of the receivership estate which consists of the following:

- 17 • Andersen & Sons Shelling, Inc. (“Andersen Shelling”), which handles processing,
18 value-added services, storage, packing, and shipping products.
- 19 • Andersen & Sons Ranch, Inc. (“Andersen Ranch”), which mainly focuses on
20 growing, harvesting, hulling and drying walnuts, almonds and prunes.
- 21 • A&M Farming, LLC (“A&M Farming”), which owns farmland.
- 22 • J.B. Cusick Company, Inc. (“J.B. Cusick”), which operates a food product
23 brokerage company.
- 24 • Farmers Hill Investments, LLC (“Farmers Hill”), which is a holding company with
25 50% ownership in a building in Chico, CA and 50% ownership in A Butter World,
26 LLC.
- 27 • A Butter World, LLC (“ABW”), which produces and packages nut butters.

1 Andersen Shelling, Andersen Ranch, A&M Farming, J.B. Cusick, Farmers Hill and ABW
2 hereinafter collectively referred to as the “Receivership Entities” or the “Companies.”

3 Immediately following the appointment of the Receiver, the Receiver began collecting the
4 necessary documentation to understand the collateral of the receivership estate, the business, and
5 the current and projected operating income and expenses.

6 On August 8, 2024, the Receiver met with Andersen & Son’s representatives, including Pat
7 Andersen, Mike Andersen, Gregg Kelley and Craig Enders at the facility and company
8 headquarters in Vina, California (the “Vina HQ”) to conduct initial interviews to understand: (i)
9 the current state of the business and ongoing operations; (ii) in-shell walnut, work-in-process
10 (“WIP”) and finished goods (“FGI”) inventory; (iii) pending accounts receivable (“A/R”); (iv) the
11 collateral of all lenders including the facilities, installed equipment, farm equipment, rolling stock
12 and ranch properties; (v) critical accounts payable (“A/P”); (vi) the status of the 2024 harvest, huller
13 processing and crop purchase contracts; and (vii) other pressing issues. The Receiver toured the
14 property and inspected the machinery, equipment, and inventory on-site. Attached as **Exhibit “C”**
15 are the photos of the receivership estate.

16 The Receiver immediately notified key stakeholders including growers, vendors, and
17 customers via electronic and physical mail that the company was in receivership. The Receiver also
18 immediately took physical possession of the facilities and confirmed the presence of 24-hour
19 security at the Vina HQ.

20 Over the following weeks, the Receiver maintained an on-site presence at the Vina HQ and
21 completed critical items, including but not limited to, meeting with department heads – specifically
22 accounting and finance, administration, inventory operations and supply chain, ranch operations
23 and systems / network – to discuss the critical items for each group. The Receiver also worked on
24 a staff reduction in force (“RIF”) plan and retention issues.

25 **III. Collateral**

26 The receivership estate consists of four key general categories of assets: (1) real property,
27 including approximately 42 ranch properties (with trees and crop included), and the real property
28 where the Vina HQ is situated with its approximately 900,000 square feet of processing and

1 production lines such as a walnut huller, a walnut shelling line, a pasteurization line, oil roasting
2 line and retail packaging lines, among others; (2) walnut, almond, cashew and other nut inventory
3 in various forms including in-shell, WIP and FGI; (3) various fixed assets including the equipment
4 related to the above-mentioned processing lines, forklifts, farm equipment, rolling stock and
5 various other items used in the ranch and shelling operations, bins, farm products, supplies, and
6 miscellaneous furniture and fixtures; and (4) accounts receivable (“A/R”) and cash (collectively,
7 the “Receivership Estate”). The Receiver’s team performed a physical inventory on-site. Attached
8 as **Exhibit “D”** is a summary of the inventory as of the date of the Receiver’s appointment.
9 Attached as **Exhibit “E”** is a summary of the equipment assets as of the date of the Receiver’s
10 appointment.

11 ***2023 Inventory***

12 The 2023 goods inventory is comprised of products in various forms from raw in-shell
13 walnuts to work-in-process (“WIP”) in a multitude of states and finished retail packaged product.
14 Sales of the retail packaged product have continued to the major customers who placed purchase
15 orders prior to the Receiver’s appointment. To liquidate the remaining raw WIP, and finished retail
16 product, the Receiver worked with BofA to interview potential brokers and selected Hilco
17 Wholesale Solutions (“Hilco”) as its sales agent. The Receiver’s staff has continued to work with
18 Hilco to compile a report on the saleable inventory and establish the process for accepting and
19 approving sales. The following is a summary of the estimated inventory on hand as of the
20 Receiver’s appointment: Some of the 2023 crop is stored at multiple off-site warehouses. Andersen
21 Shelling leases warehouse space from Turlock Freezer Storage, 4928 Marguerite Avenue – East
22 Space, also known as the “East Space”, and Wright Brothers Development, LLC, also known as
23 “South Avenue”. The Receiver obtained the related warehouse agreements and is currently
24 negotiating and assessing options for selling the crop and packing materials stored at these off-site
25 warehouses. Turlock Freezer Storage and East Space sent the Receiver a demand letter on August
26 9th, 2024. The Receiver has been working to resolve these demands on behalf of Andersen Shelling.

13 Grand Total	60,330,918	\$ 48,242,932

14 ***2024 Inventory***

15 The Receiver estimates that the 2024 harvest of walnuts produced by Andersen Ranch will
16 total approximately seven million pounds of walnuts. The Receiver expects to officially execute an
17 agreement with a third-party walnut farming and hulling operation the same week of this report to
18 manage the harvest and huller operations for the 2024 crop. The Receiver has also entered into a
19 purchase contract with a walnut processor to purchase the 2024 raw in-shell walnut inventory.

20 The Receivership Estate also consists of approximately 32,000 storage bins for both nuts
21 and prunes, some of which are currently full with prior year inventory. The Receiver is in the
22 process of selling all available bins before the harvest begins, which is discussed in later sections.

23 **IV. Operations & Budget**

24 Based on interviews with key stakeholders and employees, the Receiver has organized
25 winddown operations into four key phases: (1) converting inventory in work-in-progress ("WIP")
26 form to finished goods to sell to large retailers; (2) liquidating remaining inventory; (3) harvesting
27 and hulling 2024 crop; and (4) preserving the facilities and equipment for a turnkey sale to a
28 prospective new operator. Please refer to the related entity-specific sections below.

Budget, Funding & Cash Reporting

The Receiver worked with the Defendants and the company accountant to obtain the

¹On Hand Quantity listed in pounds, except for Retail, which is listed in cases or eaches.

² The Receiver has not verified the accuracy of the IFS Inventory Cost Value. It is a system generated figure from the company's ERP system and may not be reflective of the inventory's liquidation value.

1 necessary information to compile a 13+ week budget for both Andersen Shelling and Andersen
2 Ranch entities. The Receiver communicated with the Plaintiffs regarding the preparation of the
3 budget and with representatives of the Defendants to forecast future expenditures. On a weekly
4 basis, the Receiver issues funding requests to the Plaintiffs based on the immediate cash needs to
5 continue operations.

6 ***Staffing & RIFs***

7 Upon appointment, there were 136 employees across Andersen Shelling and Andersen
8 Ranch. Since his appointment, the Receiver has effectuated several RIFs, collectively terminating
9 70 employees over the last 30 days based on reduced needs in various departments, to preserve
10 cash. The Receiver has retained key employees across all entities for ongoing needs related to
11 accomplishing the WIP conversion process, the inventory liquidation process, the 2024 harvest and
12 hulling operation, turnkey sale efforts and various wind-down tasks. The current employee
13 headcount is 66. The Receiver will continue to assess which employees need to be retained to fulfill
14 the Receiver's objectives.

15 **V. Sheller Operations**

16 ***WIP and Finished Goods***

17 The Receiver has supported WIP conversion by ensuring proper insurance, utilities and
18 staffing to complete the process. Since the WIP conversion of inventory was for the benefit of the
19 secured lender BofA, the Receiver has passed all direct costs related to these efforts to BofA to
20 fund.

21 ***Status of Inventory & Fumigation***

22 At the start of the Receivership, the Receiver interviewed multiple operating employees
23 regarding the status of the nut collateral. From these interviews, as well as touring the facility to
24 view the inventory, it was made clear that the walnuts were in need of fumigation and had been
25 showing significant signs of insect damage. The Receiver quickly received approval from BofA to
26 engage a fumigation team to treat the inventory. The fumigation began on September 11, 2024.

27 ///

28 ///

1 **VI. Ranch Operations**

2 ***Walnut Harvest & Huller Operations***

3 After developing budgets and discussions with GSFC and key employees, the Receiver
4 determined that a third-party farmer should harvest and operate the huller for the 2024 walnut crop.
5 The Receiver solicited multiple bids to contract out the harvest and huller operations from separate
6 local farming operations. With GSFC’s approval, the Receiver determined the best contract farming
7 operator for Andersen Ranch and expects to officially execute an agreement with the third-party
8 operator the same week of this report. This will enable the Andersen’s to complete the 2024 harvest
9 and operate the huller, a critical operation for the North Valley community.

10 ***Almond & Prune Harvest***

11 The Receiver has also finalized plans to: (a) harvest and hull Andersen Ranch’s 2024
12 almond crop with a third-party; and (b) harvest and dry Andersen Ranch’s 2024 prune crop with a
13 third-party. The Receiver has also finalized the purchase contracts for the almond and prune crop
14 to processors in the 30 days since his appointment.

15 ***Ranch Leases***

16 Andersen Ranch has multiple ranch and orchard leases with Gary W. and Sandra S. Finch
17 Family Trust, Westover Company LLC, Mead Brothers Partnership and Mead Orchards, Inc. The
18 Receiver has spoken with the related lessors to understand the current balance(s) owed and plans
19 for the 2024 harvest. This work will be ongoing.

20 ***Turnkey Sale***

21 For the turnkey sale, the Receiver separately engaged Hilco Corporate Finance to sell the
22 facilities and equipment. The Receiver met with Hilco representatives on-site on August 9, 2024,
23 to review the confidential information memorandum prior to distribution to prospective buyers.
24 Hilco frequently updates the Receiver on the status of the turnkey sale.

25 ***Property and Land Sales***

26 The Receiver interviewed and selected AG-LAND Investment Brokers, a local real estate
27 brokerage with deep agriculture expertise, to sell multiple real estate parcels. The properties are
28 listed on various industry leading digital marketing platforms.

1 **VII. JB Cusick Operations**

2 During August 2024, the Receiver reviewed JB Cusick historic financial statements,
3 analyzed accounts payable and receivable, and interviewed the executive team. The Receiver
4 contacted JB Cusick’s external accountants and tax preparers and responded to numerous inquiries
5 from growers and other creditors. The Receiver immediately gained online access to the company
6 bank accounts.

7 After consulting with the JB Cusick management team, the Receiver determined that JB
8 Cusick would not likely generate positive cash flow by continuing to operate. The Receiver began
9 the process of closing JB Cusick during August 2024. Employees have been terminated and final
10 checks issued. Insurance coverage has been confirmed and certain policies will be cancelled as
11 soon as practicable. The Receiver will focus on collecting the JB Cusick accounts receivable and
12 managing the company shut down. JB Cusick books and records will be transferred to then overseen
13 by the Receiver at the Vina HQ.

14 **VIII. A Butter World Operations**

15 During August 2024, the Receiver performed a physical inventory of the product at ABW
16 in Building 9. The Receiver has engaged Hilco, as mentioned above, to actively sell the inventory
17 at ABW. Please refer to the Sales and A/R section below for additional details regarding the sale
18 of this inventory.

19 **IX. Sales and A/R**

20 As of the date of the Receiver’s appointment, the Receivership Entities had a significant
21 A/R balance outstanding. Since this time, a substantial portion has been collected and additional
22 sales have been made. See below for an A/R roll forward summary as well as additional sales detail.

23

24	Beginning AR, 8/8/24	\$ 17,705,699
	Sales	5,641,685
25	Collections	(9,150,813)
	Adjustments	(447,215) ³
26	Ending AR, 8/31/24	\$ 13,749,357

27

28 ³ Adjustments include sales allowances as well as invoice timing differences.

1 ***Finished Goods***

2 As part of the WIP conversion process, the Receiver worked with BofA representatives to
3 draft a letter to confirm approximately \$5.2 million in sales to Sam’s Club.

4 ***Raw Inventory***

5 As of the date of the Receiver’s appointment, the Receivership Estate had approximately
6 1.7 million pounds of raw prune inventory on hand. Since then, the Receiver has worked to sell all
7 prune inventory to a single buyer for a total of \$861,101, net of all storage costs and outstanding
8 payables owed. Additionally, since the date of the Receiver’s appointment, the Receiver has closed
9 sales totaling approximately \$1.8 million and \$400,000 in sales of in-shell walnuts and organic in-
10 shell walnuts, respectively. The Receiver is working to finalize approximately \$225,0000 in cashew
11 sales, which are currently pending testing as of the date of this report.

12 ***Crop Bins***

13 The Receiver has been working with nearly 20 different buyers to effectuate a sales process
14 for nut and prune storage bins. Of the approximately 32,000 storage bins, the Receiver has sold
15 2,000 and has six (6) bids currently outstanding for the remaining bins. The Receiver is working to
16 gather additional offers from various buyers in an effort to ensure maximum value is received from
17 these assets before the 2024 harvest begins. Though the Receiver is collecting bids on all bin
18 inventory, approximately a third of the bins are currently full of crop, which slightly complicates
19 the sale of these assets, or at the very least impacts the speed at which they can be picked up by the
20 buyer.

21 **X. Cash**

22 At the time of the appointment of the Receiver, the Andersen entities had pre-existing bank
23 accounts at JP Morgan Chase, BofA, and U.S. Bank. The Receiver was able to change the signing
24 authority and to gain access to the bank accounts at JP Morgan Chase, BofA, and U.S. Bank. The
25 Receiver has established a receivership bank account at City National Bank to accept funding into
26 this account to pay future expenses.

27 The Order authorizes the Receiver to issue receiver’s certificates to GSFC or BofA to pay
28 for the reasonable and necessary operating expenses, administrative expenses, repair costs,

1 professional fees and other expenses of the Receivership Estate, including the processing of farm
2 products and other non-real property Collateral. To date, the Receiver has issued Receiver's
3 Certificates as listed in the cash summary chart below.

4 Below is a summary of cash from inception of the receivership through August 31st, 2024:
5 Attached as **Exhibit "F"** is a summary of cash receipts and disbursements of the Receivership
6 Estate since inception of the Receivership through August 31, 2024.

7		
8	Beginning Cash, 8/8/24	\$ 2,091,415
9	Cash Receipts	
10	Sales	9,442,087
11	Receiver's Certificates	2,082,809
12	Total Cash Receipts	11,524,896
13	Cash Disbursements	
14	Payroll	(660,326)
15	Receiver and Receiver's Counsel	(250,000)
16	Employee Benefits	(101,816)
17	Supplies	(105,859)
18	Utilities	(92,921)
19	Other	(320,700)
20	Total Disbursements	<u>(1,547,118)</u>
21	BofA LOC Adjustment	(9,895,943)
22	Ending Cash, 8/31/24	<u><u>\$ 2,188,745</u></u>

23 **XI. Books and Records**

24 The financial records are primarily stored within IFS for Andersen Shelling or Sage
25 Accounting System for Andersen Ranch, both of which are backed up on local servers. The
26 company also has redundant off-site back-ups. The Receiver received credentials to all key systems
27 used by the Defendants, including Paylocity for payroll, IFS/Sage for inventory tracking and
28 accounting as well as access to on-site security cameras.

Additionally, the Receiver visited the secondary office, located in Chico, California, to
understand and determine the retention needs of all physical documents stored there. The Receiver
is making a plan to secure and store all necessary documents appropriately.

1 **XII. Insurance**

2 Pursuant to the Order, the Receiver confirmed the existing insurance coverage, including
3 general liability, crop and recall insurance, for the Collateral and the remainder of the Receivership
4 Estate. The Receiver will provide copies of the certificates of insurance in a future report.

5 **XIII. Litigation**

6 Since the Receiver’s appointment, the Receiver has become aware of no less than 18 actions
7 now pending against just one of the receivership entities, namely Andersen Shelling. Taking these
8 claims at face value, they evidence more than \$29.3 million in claimed debt. The Receiver does not
9 have complete information regarding the substance of the lawsuits against Andersen Shelling or
10 their procedural status. The Receiver believes that no legal counsel is defending the lawsuits. The
11 Receiver is also aware of additional threatened claims for non-payment that could become future
12 litigation. As a result, the Receiver filed a motion to request a 90-day stay of any litigation to avoid
13 potentially irreparable harm to the Receivership Estate. This motion was rejected on September 4,
14 2024.

15 **XIV. Taxes**

16 According to the Order, the Receiver and the Receivership Estate shall have no
17 responsibility for filing federal or state income tax returns.

18 The Receiver confirmed payroll taxes are being remitted during the Receivership period.

19 **XV. Legal Fees and Expenses**

20 According to the Order, the Receiver was authorized to retain the law firm of Pachulski
21 Stang Ziehl & Jones LLP (“PSZJ”) as Receiver’s legal counsel. PSZJ’s fees and expenses for
22 August 2024 were \$241,112. The Receiver, through this report, is delivering the invoice for these
23 fees and expenses to all parties on the service list and intends to pay this invoice from the funds of
24 the receivership estate. Attached as **Exhibit “G”** is a copy of PSZJ’s invoice.

25 **XVI. Receiver’s Fees and Expenses**

26 The Receiver’s fees and expenses for August 2024 were \$413,699. The Receiver, through
27 this report, is delivering the invoice for these fees and expenses to all parties on the service list and
28 intends to pay this invoice from the funds of the receivership estate under the terms of the Order.

1 Attached as **Exhibit "H"** is a copy of the Receiver's invoice.

14 Andersen Irrevocable Trust A, dated July 24, 2019, J. B. Cusick Company, Inc., Farmers Hill
15 Investments, LLC, and A Butter World, LLC (each an “**Obligor**” and collectively the
16 “**Obligors**”) on the other hand, (ii) Plaintiffs’ *ex parte* application for approval of the Stipulation
17 and appointment of a **Receiver**, as defined below, and (iii) all other oral and documentary
18 evidence presented to the Court in connection with the Stipulation; and

19 Plaintiffs, Bank of America and Obligors having stipulated to the form and content of this
20 Order and the terms hereof, it appears to the Court that this is a proper case for the appointment of
21 a receiver and for issuance of a preliminary injunction as set forth below;

22 THEREFORE, IT IS HEREBY ORDERED AS FOLLOWS:

23 **I. ORDERS REGARDING RECEIVER**

24 **A. APPOINTMENT OF RECEIVER**

25 David Stapleton (“**Receiver**”) shall be and hereby is confirmed and appointed as Receiver
26 to take and hold possession, custody and control of the Receivership Estate, as defined and
27 described below. Pursuant to Code of Civil Procedure, Section 567, upon the issuance of this
28 Order the Receiver shall file his oath and post a bond or undertaking in the amount of \$5,000.

1 **B. COMPENSATION OF RECEIVER**

2 The Receiver's compensation shall be based on hourly charges for time spent on the
3 receivership by the Receiver and his staff. The hourly rate for the Receiver's time shall be \$550
4 per hour. The Receiver's staff shall be billed out at reasonable hourly rates customarily charged
5 by the Receiver for each staff member's time. The Receiver is authorized to use agents who are
6 employees of Stapleton Group, Inc. and to retain third party agents and consultants to assist with
7 performing the duties described herein.

8 **C. POWERS AND DUTIES OF RECEIVER**

9 Subject to the terms and limitations herein (including certain consent rights), the Receiver
10 shall have all the powers, duties and authority provided to a Court-appointed receiver by law, and
11 shall operate, manage, control, conduct, care for, preserve, maintain, and liquidate: the real and
12 personal property described on Exhibit A hereto that the Obligors pledged as collateral to secure
13 the Obligors' indebtedness to GSFC and, in some cases as further described below, Bank of
14 America (the "**Collateral**"), as evidenced by the documents identified on Exhibit A, and which
15 are attached to the Declaration of Robert Faris, Jr. ("**Faris Dec.**") in support of Plaintiffs' *ex parte*
16 application as Exhibit Nos. 1-3, 5-23 and 27-29. GSFC's real property collateral is referred to as
17 the "**GSFC Real Property Collateral.**"

18 As indicated on Exhibit A hereto, Defendant Bank of America also holds a lien or security
19 interest in or upon certain Collateral, as do certain other lienholders presently known to GSFC.
20 That portion of the Collateral that secures Andersen Shelling's indebtedness to Bank of America
21 under Bank of America's asset-based loan ("**ABL**") and in or upon which GSFC has a junior lien
22 or security interest as evidenced by the documents attached to the Faris Dec. as Exhibit Nos. 4, 9,
23 27 and 28 and the Uniform Commercial Code filing search results attached to the Faris Dec. as
24 Exhibit No. 5, which includes accounts receivable, inventory, and all other non-real property of
25 Andersen Shelling other than equipment, as well as Parcel 7 (as defined below) is collectively
26 referred to herein as the "**Bank of America ABL Collateral**" as evidenced by documents
27 attached to the Faris Dec. as Exhibit Nos. 4, 5, 9, 27 and 28. Bank of America also has a lien or
28 security interest in or upon the real property identified on Exhibit A (the "**Bank of America**

1 **Real-Property Collateral,”** and together with the Bank of America ABL Collateral, the “**Bank**
2 **of America Collateral”**).

3 As between Bank of America and GSFC, (i) Bank of America has a senior lien or security
4 interest in or upon the Bank of America ABL Collateral and GSFC has a junior lien or security
5 interest in or upon the Bank of America ABL Collateral; (ii) GSFC has a senior lien or security
6 interest in or upon the Bank of America Real-Property Collateral other than with respect to one
7 parcel as specified on Exhibit A upon which GSFC does not have a lien or security interest
8 (“**Parcel 7**”); and (iii) GSFC has a senior lien or security interest in or upon Andersen Shelling’s
9 equipment other than with respect to certain equipment subject to agreements with equipment
10 lessors and purchase money financing lenders. The perfection and priority of GSFC’s and Bank
11 of America’s liens is evidenced by the documents attached to the Faris Dec. as Exhibit Nos. 1-3,
12 5-23 and 27-29.

13 The Collateral (including but not limited to the rents, revenues, profits, and proceeds
14 thereof) and all other tangible and intangible property of Andersen Shelling, Andersen and Sons
15 Ranch, Inc., A & M Farming, LLC, J. B. Cusick Company, Inc., Farmers Hill Investments, LLC,
16 and A Butter World, LLC, related thereto, are hereinafter referred to collectively as the
17 “**Receivership Estate.**”

18 In particular, although without limitation, the Receiver shall have the following powers
19 and responsibilities:

20 1. The Receiver shall be authorized and empowered to enter, gain access to, and take
21 possession of the Receivership Estate, to manage the Receivership Estate and to do all things
22 which the Receiver deems, in his business judgment, necessary to protect, operate and preserve
23 the Receivership Estate.

24 2. The Receiver shall further be authorized and empowered to take the actions
25 described below; *provided, however*, that notwithstanding anything to the contrary in this Order
26 (expressly including, but not limited to, paragraphs I.C.1-38, I.E, and II.3):

27 a. with respect to the Bank of America ABL Collateral, the Receiver
28 shall obtain Bank of America’s written approval prior to operating, preserving and liquidating the

1 Bank of America ABL Collateral or incurring costs to be paid from the Bank of America ABL
2 Collateral (including from the proceeds, profits, rents, or revenues thereof) and shall cooperate
3 with Bank of America to cause the liquidation of the Bank of America ABL Collateral;

4 b. the direct costs and expenses of the preservation, liquidation, sale
5 and disposition of the Bank of America ABL Collateral shall be paid from the Bank of America
6 ABL Collateral (including the proceeds, profits, rents, and revenues thereof) or otherwise funded
7 by Bank of America in accordance with paragraph I.C.32; and

8 c. the other general expenses of the Receivership Estate and the direct
9 costs and expenses of the preservation, liquidation, sale, and disposition of any other Collateral
10 shall be paid from Collateral other than Bank of America ABL Collateral (including the proceeds,
11 profits, rents, and revenues thereof) or otherwise funded by GSFC in accordance with paragraph
12 I.C.32.

13 3. The Receiver shall be authorized to take possession of and collect copies of all
14 records of any accounts, chattel paper, and general intangibles of every kind hereafter arising out
15 of the Receivership Estate as the Receiver deems, in his business judgment, necessary for the
16 proper administration of the Receivership Estate, including taking possession of all accounts
17 containing deposits constituting a portion of or related to the Collateral. Additionally, any person
18 in possession of usernames, passwords, security questions to access any systems/online portals, or
19 similar platforms related to accounting functions or sales and vendor requirements necessary to
20 operate the Obligors' business, permits, licenses, and other property of the Receivership Estate
21 shall turn over the same to the Receiver.

22 4. To the extent permitted by applicable law, the Receiver is authorized to take
23 possession of all of (a) the Obligors' books and records, ledgers, financial statements, financial
24 reports and all other business records (including all banking records and statements, budgets, rent
25 rolls, sales records, personnel records, real estate tax bills, construction and other bonds,
26 governmental agency permits and approvals, building permits, plans, surveys, architectural,
27 contractor and subcontractor agreements, and architectural and engineering drawings for the
28 buildings and improvements) in each case (i) to the extent pertaining to the Collateral, and within

1 Obligors' possession or reasonable control and (ii) excluding attorney-client privileged
2 documents and communications (including, without limitation communications with Keller
3 Benvenuti Kim LLP, ArentFox Schiff LLP, or Knapp Petersen Clarke, as applicable), but said
4 books and records and information shall promptly be made available to Obligors and their agents,
5 servants, employees and representatives, and all persons or entities acting under or in concert with
6 Obligors, upon Obligors' written request, and Obligors shall be permitted to retain a copy of all
7 such books, records, and information provided to the Receiver; and (b) the income, rents or
8 profits generated by the Collateral, and the remainder of the Receivership Estate, wherever
9 located, in each case as the Receiver deems, in his business judgment, necessary for the proper
10 administration, management, or control of the Receivership Estate.

11 5. Subject to the limitations set forth herein, without further Court order, the Receiver
12 is authorized and empowered to sell, liquidate, lease, transfer, collect, convey and otherwise
13 dispose of property included in the Receivership Estate, and to execute any documents necessary
14 to effectuate the sale, lease, transfer, conveyance or other disposition of property included in the
15 Receivership Estate:

16 a. All or any portion of the Collateral, other than the Bank of America
17 ABL Collateral, pursuant to Code of Civil Procedure, Section 568.5, only with written approval
18 of GSFC and upon proper statutory notice as required for such sale or other disposition.

19 b. With respect to the Bank of America ABL Collateral, only with
20 written approval of Bank of America.

21 c. GSFC shall not oppose any sale of the ABL Collateral that Bank of
22 America has approved.

23 d. Bank of America shall not oppose any sale of the GSFC Real
24 Property Collateral that GSFC has approved.

25 e. To the extent that the lien priority of any third party in any part of
26 the Collateral is senior in priority to the rights and interests of both GSFC and Bank of America
27 based upon undisputed filings or recordings in the applicable public lien records or a final, non-
28 appealable determination by this Court (each such third party a "**Senior Creditor**"), the Receiver

1 will obtain such Senior Creditor's consent to any sale or transfer of such Collateral and will pay
2 the proceeds of such sale or transfer to such Senior Creditor to the extent of and in accordance
3 with the priority of its interests prior to paying any proceeds to GSFC and Bank of America, as
4 applicable.

5 f. The Obligors shall not be entitled to oppose any such sale of any
6 Collateral proposed by the Receiver and approved by GSFC or Bank of America, as applicable.

7 g. Additionally, the Receiver shall be authorized, without further
8 Court approval, to enter into contracts reasonably necessary for and arising in connection with the
9 preservation, sale, liquidation or disposition of the Collateral, and to pay for the reasonable and
10 necessary costs and expenses arising from sales of Collateral out of the funds of the Receivership
11 Estate or the proceeds of the sale thereof, and may authorize payment of net sales proceeds to
12 GSFC, Bank of America or Senior Creditors, as applicable, based upon lien priority to satisfy the
13 Obligors' Secured Obligations (defined below) to GSFC, Bank of America or any Senior
14 Creditor, according to the applicable lien priority. For purposes of this Order, "**Secured**
15 **Obligations**" means, collectively, all amounts payable by the Obligors to GSFC, Bank of
16 America or a Senior Creditor, as applicable, under the applicable loan documents including
17 principal, interest, default interest, costs, fees and expenses, including attorney's fees, all on the
18 terms and to the extent set forth in the applicable loan documents. If any creditor asserts in good
19 faith that it holds a senior lien or other senior interest in the Collateral, the Receiver shall be
20 authorized to (i) ascertain the priority of such liens, including commencing or defending any
21 judicial action with respect to such claims, (ii) sell the affected Collateral without further
22 objection or hearing using the provisions of this Order, (iii) make payments to Bank of America,
23 GSFC or any Senior Creditors having a lien on such Collateral from proceeds of the Collateral in
24 accordance with their respective lien priorities, to the extent determinable by the Receiver and not
25 otherwise in dispute, and (iv) segregate proceeds in an amount and to the extent sufficient to
26 satisfy the senior lien or senior interest alleged in good faith by such creditor, pending the agreed
27 or judicial resolution of such priority dispute.

28 h. Any sale pursuant to this Order is a "transfer pursuant to court order" and

1 is therefore exempted from the disclosure provisions of the California Civil Code.

2 i. As to that real property Collateral that is identified by parcel nos. APN
3 079-270-008-000, APN 079-250-009-000, and APN 079-250-010-000 as described on Exhibit A
4 hereto (the “**Andersen Residence Properties**”), the Receiver shall not sell or transfer the
5 Andersen Residence Properties.

6 6. Without limitation of the foregoing, the Receiver shall, at GSFC’s written election,
7 cause the conveyance of all or any portion of Collateral that is real property (together with all
8 personal property and intangible property in connection therewith, but specifically excluding
9 Bank of America ABL Property and the Andersen Residence Properties) to GSFC or its designee
10 pursuant to a deed-in-lieu of foreclosure agreement, a grant deed-in-lieu of foreclosure, a bill of
11 sale, a general assignment and such other documents as may be required in connection with such
12 conveyance (each in form and substance approved by GSFC), or by such other method approved
13 by GSFC; *provided* that such a conveyance shall not alter or affect Bank of America’s liens
14 relating to such property. Any such transfer of property to GSFC or its designee shall not
15 constitute an independent action against the Obligors that would trigger the “One Action Rule,”
16 as codified under California Code of Civil Procedure, Section 726, subdivision (a), consistent
17 with applicable law, including California Code of Civil Procedure 564, subdivision (d), and
18 pursuant to written agreements and waivers previously executed and delivered by the Obligors to
19 GSFC. Prior to or upon closing of any conveyance at GSFC’s request (whether a marketed sale
20 or a conveyance to GSFC or its designee in lieu of foreclosure), GSFC shall ensure that all
21 administrative fees and expenses reasonably incurred by the Receiver and his counsel that are
22 compensable pursuant to Section I.E. of this Order, below, are brought current.

23 7. Upon any such conveyance of Collateral that is real property to GSFC or its
24 designee (which shall not include Bank of America ABL Collateral or the Andersen Residence
25 Properties), such portion of the Collateral shall no longer be considered part of the Receivership
26 Estate. In connection therewith, the Receiver shall cooperate with GSFC in causing, and make all
27 reasonable efforts to cause, an extended title insurance policy, to the extent such policy is
28 available, to be issued to GSFC or its designee insuring the Collateral or such portion of the

1 Collateral, together with such other matters that may be required by GSFC in connection with
2 such conveyance. The Obligors shall not be entitled to oppose any such transfer of Collateral that
3 is real property to GSFC or its designee as proposed by the Receiver and approved by GSFC,
4 except for any transfer of the Andersen Residence Properties.

5 8. The Receiver is authorized to engage such sales brokerage firm(s) as the Receiver
6 deems, in his business judgment, to be necessary to the effective marketing of the Collateral,
7 subject to GSFC's approval thereof, and as GSFC may approve, and to pay for such brokerage
8 services out of the proceeds of the sale of the Collateral or funds provided by GSFC pursuant to
9 section I.C.32, and to enter into sales listing agreement(s) without further order of this Court;
10 *provided* that with respect to the Bank of America ABL Collateral, Bank of America shall have
11 such approval rights and payment obligations rather than GSFC. Such authorization shall
12 include, in the Receiver's discretion, continuing the retention of Hilco Corporate Finance LLC
13 pursuant to its existing contract with Obligors for the purpose of marketing the Obligors' business
14 operations.

15 9. The Receiver is authorized and empowered to take all steps reasonably necessary
16 and appropriate to obtain or preserve entitlements or permits required for the maintenance,
17 operation, or repair of the Receivership Estate; to effect such repairs as he deems, in his business
18 judgment, to be necessary to protect, operate and preserve the Collateral; to employ licensed
19 contractors and other vendors or professionals to undertake or continue any and all reasonably
20 necessary or desirable work for remediation of any issues related to the Collateral; and to hire
21 such agents and service providers as the Receiver deems necessary and appropriate in connection
22 therewith.

23 10. The Receiver is directed to engage, as farm manager for the Collateral, such farm
24 manager as the Receiver may propose and GSFC may approve.

25 11. The Receiver is authorized and empowered to retain the law firm of Pachulski
26 Stang Ziehl & Jones LLP ("**PSZJ**") or such other law firms as the Receiver shall deem necessary,
27 as Receiver's legal counsel, without further application to the Court. The Receiver shall pay
28 PSZJ at its usual and customary rates for work actually and reasonably performed in connection

1 with the Receiver's performance of his duties under this Order, from any funds being held in the
2 Receivership Estate, with such payments subject to final approval by this Court, as detailed
3 further, below.

4 12. The Receiver shall be authorized and empowered to enter into such contracts for
5 furnishing services, work, labor, and materials as may be reasonably necessary to protect,
6 preserve, manage, control, operate, remediate, lease, complete, maintain, and sell the Collateral,
7 with such costs to be borne by the Receivership Estate, as detailed in paragraph 32, below.

8 13. The Receiver is further authorized and empowered with the right to execute and
9 prepare all documents, including but not limited to environmental waste manifests and related
10 documents, and to perform all acts, either in the name of the Obligors subject to the written
11 approval of the Obligors, or, otherwise, in the name of the Receivership Estate, which are
12 reasonably necessary or related to preserving, protecting, managing, leasing, operating,
13 completing, selling, or controlling any portion of the Receivership Estate.

14 14. The Receiver is authorized and empowered with the right to demand, collect and
15 receive all monies, funds, and payments hereafter arising from the Receivership Estate, including
16 the right to demand and collect all rents, proceeds and revenues generated by the Collateral.

17 15. The Obligors shall promptly deliver copies to the Receiver of any and all mail
18 received by the Obligors after the date of execution of this Order to the extent same relates in any
19 manner to any portion of the Receivership Estate including the Collateral. The Obligors may
20 retain the originals of any mail forwarded pursuant to this provision. The Receiver is authorized
21 to open all mail addressed to Obligors at the real property Collateral or at the Obligors' United
22 States Post Office box business addresses, and to direct the U.S. Postal Service to forward all
23 such mail addressed to Obligors to the Receiver's office. The Receiver is authorized to make
24 copies of such mail, and then forward it to the Obligors at the addresses provided by the Obligors
25 for service, or to such other address as the Obligors or their authorized agent(s) may direct, in
26 writing. Upon written notice by an Obligor or its authorized representative(s), the Receiver shall
27 turn over or destroy any such original mail addressed to such Obligor at the real property
28 Collateral or the Obligor's United States Post Office box business address that is unrelated to the

1 administration of the Receivership Estate. Upon written notice by the Obligors, the Receiver
2 shall promptly provide copies of any correspondence with, or disclosures to, employees or tenants
3 regarding environmental matters or other business related to the Receivership Estate.

4 16. The Receiver is authorized to (a) employ agents, managers, employees, appraisers,
5 security guards, clerks, accountants, investigators, technical experts, contractors, attorneys
6 (pursuant to the California Rules of Court and any applicable rules of the Court), and consultants
7 to administer the Receivership Estate and to protect the Receivership Estate as he shall deem
8 reasonably necessary; (b) purchase materials, supplies, and services and, to pay for them at the
9 usual and reasonable arms' length rates and prices out of the proceeds of the Receivership Estate;
10 and (c) compromise debts and to do all things and incur all obligations ordinarily incurred in
11 similar circumstances, provided that the Receiver is not obligated to pay pre-receivership debts
12 other than Secured Obligations in connection with the disbursement of the proceeds of Collateral.
13 No risk or obligation incurred by said Receiver shall be at personal risk or obligation of the
14 Receiver, but all such risks and obligations shall be the risks and obligations of the Receivership
15 Estate.

16 17. The Receiver is authorized to negotiate with government agencies regarding,
17 among other things, completion of any repairs to the Collateral and the satisfaction of the
18 conditions and obligations related to the issuance of any Certificates of Occupancy for any
19 Collateral that is real property, if applicable. The Receiver is authorized to assume and utilize
20 any pre-existing licenses or permits associated with the Collateral. The Receiver may also enter
21 into agreements with relevant local and state government to use or extend any such permits
22 currently in place pertaining to the Collateral, with GSFC's (or, with respect to the Bank of
23 America ABL Collateral, Bank of America's) approval and upon written notice to the Obligors.

24 18. The Receiver is authorized to negotiate with title insurance companies relating to
25 lien removal for the Collateral, including mechanic's liens, producer's liens and other liens not
26 authorized by GSFC (or, with respect to the Bank of America ABL Collateral, Bank of America)
27 and relating to obtaining endorsements, title insurance or other insurance which may be
28 reasonably necessary for the Collateral.

1 19. The Receiver shall confirm the existing insurance coverage for the Collateral and
2 the remainder of the Receivership Estate, and he shall promptly report any evidence or findings to
3 GSFC, Bank of America, and Obligor. If there is insufficient insurance coverage on the
4 Collateral, as determined by GSFC in its reasonable discretion, the Receiver shall have forty-five
5 (45) business days after the entry of this Order to procure and thereafter maintain said insurance
6 (excluding earthquake and flood insurance) on the Collateral, provided that the Receiver has
7 funds available to do so, and if the Receiver is lacking adequate funds it shall promptly obtain
8 them through issuance of receivership certificates as authorized in paragraph 32, below, and
9 provided further that the Obligor will be named insureds on all general liability policies related
10 to the Collateral. Procurement of insurance by the Receiver shall not act to cure any event of
11 default, nor shall it act as a waiver of any remedies that GSFC or Bank of America may have
12 against the Obligor, for any failure by the Obligor to properly maintain insurance coverage.
13 The Receiver shall have the right to keep the Obligor's insurance policies in place conditioned on
14 the Receivership Estate's payment of premiums from the date of the Receiver's appointment
15 onward. The provisions of paragraph II.3 of the Preliminary Injunction below shall also apply.
16 Any liability for claims arising from an inability to obtain insurance for the Real Estate Collateral
17 shall be the responsibility of the Receivership Estate, and not of the Receiver or any other party.

18 20. The Receiver shall not be responsible for payment of any utility bills, unpaid
19 payroll expenses, or other unpaid invoices for services or utilities incurred by the Obligor, or
20 provided for the benefit of the Collateral, prior to the Receiver's taking possession of the
21 Collateral. No utility or other vendor may terminate service or the provision of other goods or
22 services to the Collateral that is real property as a result of the non-payment of pre-receivership
23 obligations, without prior order of this Court. The Receivership Estate shall not be responsible
24 for refunding tenant security deposits, if any, that have not been turned over to the Receiver.
25 However, the Receiver may, in his reasonable discretion, refund such tenant security deposits,
26 and pay costs and expenses incurred prior to the Receiver's appointment if the Receiver
27 determines that payment of such items is necessary for the preservation, operation, care and
28 maintenance of the Collateral, or otherwise in the best interests of the Receivership Estate.

1 21. The Receiver is authorized to establish bank accounts for the acceptance and
2 deposit of monies and funds collected and received in connection with the Receiver's
3 administration of the Receivership Estate at any institution the Receiver deems appropriate,
4 provided that any funds on deposit at said financial institution are insured by an agency of the
5 United States government. David Stapleton, President of Stapleton Group, Inc., David Kieffer, its
6 Senior Managing Director, and Jacob Diiorio, its Managing Director, shall each be the authorized
7 signatories on the accounts. The Receiver shall maintain and use the Obligors' existing bank
8 accounts for funds that are Bank of America ABL Collateral (including the proceeds, profits,
9 rents, and revenues thereof) and the Receiver shall operate in accordance with Bank of America's
10 loan documents and pre-receivership practices except as modified by this Order; *provided* that if
11 other creditors assert in good faith a senior lien or other senior interest in or upon the Bank of
12 America ABL Collateral, Bank of America shall reserve an amount sufficient to satisfy such
13 senior lien or senior interest pending further order of the Court. The Receiver shall have the sole
14 discretion to remove signers and maintain appropriate administrative access to any and all of
15 Obligors' bank accounts to perform the cash management duties of the receivership; *provided* that
16 with respect to bank accounts of individual Obligors that are solely used for personal and
17 household use ("**Personal Bank Accounts**"), the Receiver shall not remove or add signers.
18 Personal Bank Accounts shall not be used for the deposit of proceeds of Collateral or other
19 income from the business operations of Obligors, or otherwise used in such business operations.

20 22. Upon entry of this Order, the Receiver will be empowered to use the tax
21 identification numbers of such Obligor(s) to report any income, revenues, monies, or other funds
22 arising from the Collateral. The Receiver shall provide the applicable Obligors with written
23 notice prior to the Receiver's use of any of such Obligors' tax identification numbers in
24 connection with the administration of the Receivership Estate for any purpose, including but not
25 limited to any purpose not specified in this paragraph. The Receiver shall be entitled, but not
26 required, to notify applicable local, state and federal taxing authorities of the commencement of
27 the receivership, and to communicate with said authorities on behalf of the Receivership Estate.

28 23. The Receiver is authorized to negotiate, make, enter into, or modify any and all

1 contracts or agreements affecting any part or all of the Receivership Estate including, without
2 limitation, any and all leases affecting the Receivership Estate, and to the extent permitted by the
3 terms thereof, to immediately terminate any existing contract, agreement, or instrument which is
4 not deemed by the Receiver, in his business judgment, to be commercially reasonable or
5 beneficial to the operation or value of the Receivership Estate.

6 24. The Receiver is authorized to (a) apply for, obtain, and pay for any lawful license,
7 permit, variance or other governmental approval or fee that the Receiver reasonably believes to be
8 necessary for the construction, operation, repair, maintenance, and preservation of the
9 Receivership Estate; (b) confirm the existence of, and, to the extent permitted by law, exercise the
10 privileges of, any existing license, permit, variance, or governmental approval relating to the
11 Collateral; and (c) do all things reasonably necessary to protect and maintain those licenses,
12 permits, variances, and approvals, including, but not limited to permits and approvals from the
13 Counties of Tehama, Butte or Glenn or relevant municipal authorities.

14 25. If reasonably necessary in the Receiver's business judgment, with the approval of
15 GSFC, the Receiver is authorized to engage the services of one or more environmental
16 consultants and to perform noninvasive and invasive environmental inspections of the Collateral.
17 The results of any environmental inspections by the Receiver shall be promptly shared by the
18 Receiver with GSFC, Bank of America (to the extent that Bank of America has an interest in the
19 property), and Obligors and shall be kept confidential by the Receiver, GSFC, Bank of America,
20 and Obligors, except same may be (i) shared by the foregoing on a need-to-know basis and with
21 instructions to keep the same confidential with each party's advisers, agents and representatives
22 or (ii) used and disclosed by the Obligors, GSFC or their affiliates in connection with any judicial
23 or regulatory proceeding or investigation. The Receiver may pay for such services from the funds
24 of the Receivership Estate. Any liability arising therefrom shall be the sole risk and obligation of
25 the Receivership Estate, and not a personal liability of the Receiver or any other party.

26 26. Plaintiffs and the Receiver are not a "Builder" as defined in California Civil Code
27 Sections 911 and 936, and are not subject to California Civil Code Section 895, *et seq.*

28 27. The Receiver may, at his discretion, without further Court order, take over,

1 institute, defend, prosecute, intervene in, or seek a blanket stay of, any lawsuits and proceedings
2 related to the Receivership Estate, any entity holding an interest in the assets that are part of the
3 Receivership Estate, or the Receiver, including, but not limited to, the issuance of subpoenas,
4 conducting and participating in discovery, taking depositions, the pursuit of contempt actions, and
5 otherwise pursue all remedies available by law to ensure compliance with the Receiver's authority
6 granted herein, in this state or in other states and countries, as may be reasonably necessary in the
7 Receiver's business judgment to protect the Receivership Estate. Without limiting the generality
8 of the foregoing, with respect to any litigation pending at the time of entry of this Order, the
9 Receiver may retain existing counsel, retain new counsel, or both, subject to the California Rules
10 of Court and any applicable rules of this Court.

11 28. Any individual or entity seeking to initiate legal action against the Receiver or
12 legal action that in any way, whether directly or indirectly, affects the Receivership Estate –
13 including, but not limited to, the initiation of a lawsuit, claim, proceeding, recordation of notices
14 of lis pendens, mechanics' or other liens – must first obtain leave from this Court by way of
15 noticed motion. To the extent such individual or entity fails to do so, the Receiver is authorized
16 to appear in such proceeding to obtain a dismissal of the action.

17 29. The Receiver is authorized to pay and discharge out of funds in the Receivership
18 Estate all of the reasonable and necessary expenses of the Receivership Estate and the reasonable
19 costs and expenses of operation, maintenance, repair, completion, and all other aspects of the
20 Receivership Estate and all business conducted thereon, incurred from the time of the Receiver's
21 appointment forward, including all taxes, governmental assessments, and charges in the nature
22 thereof lawfully imposed upon the Receivership Estate. Additionally, the Receiver may, in his
23 sole discretion, pay other reasonable and customary costs and expenses actually incurred prior to
24 the Receiver's appointment if payment of such items is necessary for the preservation, operation,
25 care, repair, and maintenance of the Receivership Estate.

26 30. The Receiver shall authorize, approve, and pay all reasonable and necessary
27 expenditures from the funds available in the Receivership Estate, if any, including, but not limited
28 to, reasonable and necessary expenses related to leasing, management, operations, security,

1 repair, completion, maintenance, processing and sale of the Collateral.

2 31. Upon receipt by the Receiver of a copy of a recorded Trustee's Deed Upon
3 Foreclosure, or notice from GSFC that GSFC has accepted a deed in lieu of foreclosure, the
4 Receiver shall turn over possession, custody, and control of any subject portion of the Collateral
5 (which shall not include any Bank of America ABL Collateral) affected by such instrument to
6 GSFC, its designee, or the successful purchaser (whichever is applicable) without further order of
7 this Court. The Receiver shall then be divested of possession, custody, and control of such
8 portion of the Collateral and all other portions of the Receivership Estate related thereto, and, to
9 the fullest extent permitted by existing law, the Receiver shall have no further liability as to such
10 portion of the Receivership Estate; provided, however, that discharge of the Receiver shall require
11 a Court order after a properly noticed motion approving the Receiver's Final Account and Report
12 and exoneration of any Receiver's bond or undertaking. Prior to or upon closing of a sale of the
13 Obligors' business operations, or sale or transfer of any portion of the Collateral that is real
14 property, Plaintiffs shall ensure that all costs of administration incurred by the Receiver and his
15 counsel that are compensable pursuant to Section I.E. of this Order, below, are paid current.

16 32. To the extent that funds coming into the Receivership Estate are insufficient to pay
17 for the reasonable and necessary operating expenses, administrative expenses, repair costs,
18 professional fees, and other expenses of the Receivership Estate, including the processing of farm
19 products and other non-real property Collateral, the Receiver is authorized to obtain financing
20 from Bank of America or GSFC on the terms set forth in this Order, without further Court order
21 to obtain funding advances from GSFC or Bank of America and to issue one or more receiver's
22 certificates to GSFC or Bank of America in an amount to be determined by GSFC or Bank of
23 America. For the avoidance of doubt, GSFC and Bank of America may, but are not required to,
24 provide such financing in their sole discretion. Such certificates shall be issued on no less
25 favorable economic terms, including repayment terms such as an interest rate, and terms and
26 timing of repayment, as set forth in the current loan documents between Plaintiffs and Obligors or
27 Bank of America and Obligors, respectively, related to the Collateral for protective advances. All
28 such receiver's certificates are issued under the authority of this Court and the liens created by

1 them shall have the same priority as GSFC's existing liens on the Collateral and Bank of
2 America's existing liens on the Bank of America Collateral, as applicable. GSFC, Bank of
3 America or the Receiver may record any such receiver's certificates with the Tehama County
4 Clerk and Recorder so as to afford notice to all parties interested in any of the Collateral. The
5 failure to record any receiver's certificates shall not have any adverse impact on the priority
6 afforded such receiver's certificates and advances as set forth in this paragraph. In the event that
7 GSFC or Bank of America (or both) decline to fund one or more receivership certificates, the
8 Receiver may, by *ex parte* motion filed with the Court, seek an order of the Court accepting the
9 Receiver's resignation and immediately relieving him of his duties. Upon the entry of any such
10 order, the Receiver shall be entitled to seek his discharge and the exoneration of his bond by
11 follow-up noticed motion containing a final account and report, or by stipulation among the
12 parties to this litigation and an order approving such stipulation entered by this Court.

13 33. The Receiver, or any party to this action, may from time to time, upon legally
14 required notice to all parties or, if deemed necessary in the movant's sole discretion, on an *ex*
15 *parte* basis, make application to this Court for further orders instructing the Receiver or for
16 additional powers on the part of the Receiver to allow it to carry out his duties as described
17 herein. This Court shall have continuing jurisdiction to hear all issues arising out of or related to
18 the receivership and the Receiver, whether arising before or after termination of the receivership.

19 34. Except as otherwise required by law, the Receiver and the Receivership Estate
20 shall have no responsibility for filing federal or state income tax returns. The responsibility for
21 such filings shall remain exclusively with the Obligor.

22 35. If any of the Obligors file or are the subject of a bankruptcy case during the
23 receivership, Obligors, GSFC, or the Receiver shall, upon discovering the existence of the
24 bankruptcy case, promptly give notice of the bankruptcy case to the Court and to all other parties
25 (including the Receiver if applicable).

26 36. Without the Obligors' prior written approval, any agreement or contract (whether
27 with a governmental authority or otherwise) entered into or any action taken by, on behalf of or at
28 the direction of the Receiver will be in the name of and attributed to the Receivership Estate and

1 not the Obligors, and the Obligors, their affiliates, or any of their respective direct or indirect
2 members, partners, managers, shareholders, officers, directors, employees, agents or
3 representatives will not have any liability therefor or in connection therewith except as expressly
4 set forth in the current loan documents between Plaintiffs and Obligors or this Order.

5 37. Notwithstanding anything to the contrary herein, the Obligors shall not be required
6 hereby to take any action to the extent it would conflict with applicable law.

7 38. If the Receiver transfers any Collateral or any Bank of America Collateral to
8 GSFC or Bank of America, as applicable, GSFC or Bank of America may enforce its remedies
9 under applicable law and its loan documents. Nothing in this Order abridges, waives, modifies,
10 alters, or shall be deemed to abridge, waive, modify, or alter, GSFC or Bank of America's
11 respective rights and remedies under applicable law or its loan documents.

12 **D. RECEIVER NOT PERSONALLY LIABLE**

13 Except with respect to an act of gross negligence or willful misconduct, Receiver and all
14 of his principals, directors, shareholders, employees, agents, attorneys, and those acting under his
15 direction and control shall have quasi-judicial immunity for all acts taken in connection with or
16 related to the administration of the Receivership Estate. This quasi-judicial immunity shall fully
17 protect the Receiver and his principals, shareholders, directors, employees, agents, attorneys, and
18 those acting under his direction and control from any liability whatsoever arising from or related
19 to, without limitation, the various environmental safety laws and regulations of the United States,
20 California, or any municipal or other agency therein. Except for acts of gross negligence or
21 willful misconduct, in undertaking the acts and assuming the responsibilities authorized by this
22 Order, the debts incurred by the Receiver are solely the debts of the Receivership Estate and shall
23 in no way be considered personal to any of the Receiver's employees, agents, attorneys, or those
24 acting under his direction and control. The Receiver shall be permitted and is hereby authorized
25 to contract with and work on property and other matters of Plaintiffs or the Obligors; and upon
26 conclusion of this Receivership, the Receiver may continue or commence new work on all or any
27 portion of the Collateral now constituting part of the Receivership Estate on such terms as the
28 then-current owner(s) of the Collateral may approve.

1 **E. REPORTING AND PAYMENT OF RECEIVER'S FEES AND EXPENSES**

2 The Receiver shall, within thirty (30) business days of his qualification hereunder, file in
3 the above-captioned action an inventory of all property and accounts of which he shall have taken
4 possession pursuant to this Order, shall promptly file a supplemental inventory of subsequently
5 obtained property, if any, and he shall file periodic accountings on at least a monthly basis
6 thereafter, copies of which shall be promptly provided to Plaintiffs, Bank of America, and the
7 Obligors.

8 The Receiver shall provide monthly reports to the parties pursuant to California Rule of
9 Court 3.1182; such reports shall not be filed with the Court unless the Court so orders. The
10 Receiver shall also keep accurate and complete records of:

- 11 i. Andersen Shelling's Accounts (as defined in the Bank of America Loan
12 Documents), including all payments and collections thereon and a detailed aged
13 trial balance of all Accounts as of the end of the preceding week, specifying each
14 Account's account debtor name and address, amount, invoice date and due date,
15 showing any discount, allowance, credit, authorized return or dispute, and
16 including such proof of delivery, copies of invoices and invoice registers, copies of
17 related documents, repayment histories, status reports and other information as
18 Bank of America may reasonably request (the "**Account Records**"); and
19 ii. Andersen Shelling's Inventory (as defined in the Bank of America Loan
20 Documents), including costs and daily withdrawals and additions (the "**Inventory**
21 **Records**", and together with Accounts Reports, the "**ABL Records**").

22 Beginning on the day that is seven calendar days after his appointment, the Receiver shall
23 provide weekly reports to Bank of America of sales, inventory, collection, reconciliation and
24 other reports regarding the ABL Records. Nothing in this Order is intended to waive, or shall be
25 deemed to waive, any reporting requirements of Andersen Shelling under the Bank of America
26 Loan Documents. provided that the Receiver and Bank of America shall cooperate to ensure that
27 the actual expense of any such reporting is allocated to Bank of America's share of the Collateral.

28 The Receiver shall provide Bank of America and its employees, representatives,

1 appraisers, and advisors reasonable access to Andersen Shelling's books, records, and other
2 information as shall be required by Bank of America and to make available, without restriction,
3 Receiver's and Andersen Shelling's employees, accountants and agents for discussions with Bank
4 of America and Bank of America's employees, representatives, appraisers and advisors. The
5 Receiver shall also permit Bank of America and its employees, representatives, appraisers, and
6 advisors from time to time, subject to one business day's notice and during normal business hours
7 at times and places convenient for the Receiver to visit and inspect the properties of Andersen
8 Shelling, inspect, audit and make extracts from Andersen Shelling's books and records. For the
9 avoidance of doubt, the cost of collecting and providing reports regarding the ABL Records and
10 providing access to Bank of America as provided herein may be charged against the Bank of
11 America ABL Collateral (including the proceeds, profits, rents, and revenues thereof) or
12 otherwise funded by Bank of America in accordance with paragraph I.C.32.

13 The Receiver shall prepare monthly interim statements ("**Receiver's Interim**
14 **Statements**") reflecting the Receiver's reasonable fees, costs, and expenses actually incurred in
15 accordance with the terms of this Order for said period in the operation and administration of the
16 Receivership Estate, pursuant to California Rule of Court 3.1183. Upon completion of a
17 Receiver's Interim Statement and service by electronic mail of said statement to the parties'
18 attorneys of record and any other representatives or agents designated by the parties, if Plaintiffs,
19 Bank of America and Obligors do not provide written objection to such statement, supported by a
20 factual or legal basis for any objection, within ten (10) business days of service of the statement,
21 the Receiver shall pay from the funds of the Receivership Estate, if any, the amount of said
22 statement. Receiver, Obligors, Bank of America and Plaintiffs may agree on up to ten (10) days'
23 additional time for review prior to Receiver's payment of such statements. Any challenges or
24 objections to the Receiver's statements shall be made, in writing, and if not resolved by the
25 parties informally shall be brought to the attention of the Court, on noticed motion or *ex parte*
26 application, by the Receiver or the objecting party, for resolution. If the Receivership Estate has
27 insufficient funds to pay any such amount, Plaintiffs or Bank of America shall have the option but
28 not obligation to pay all or any portion of any such statement in order to protect and preserve their

1 interest in the Collateral, and to add such amounts to the debt secured by the Collateral, pursuant
2 to Paragraph I.C.32 above. Despite the periodic payment of the Receiver's fees and
3 administrative expenses, such fees and expenses shall be submitted to the Court for its approval
4 and confirmation in the form of either a noticed interim request for fees, a stipulation among the
5 parties, or the Receiver's Final Account and Report, and such payments are subject to
6 disgorgement until the Court's approval of the Receiver's Final Account and Report.

7 **II. PRELIMINARY INJUNCTION**

8 **IT IS FURTHER ORDERED** that (i) Pursuant to California Code of Civil Procedure,
9 Section 529, subdivision (a), Plaintiffs shall either post a bond or undertaking or deposit cash with
10 the Court in the total sum of \$10,000 as an undertaking, and (ii) the Obligors and all other
11 Defendants (referred to from time to time in this Section II as the "**Enjoined Parties**" and each of
12 them an "**Enjoined Party**"), are ordered and directed to, and shall, do as follows during the
13 pendency of this action:

14 1. Turnover of Assets: The Enjoined Parties shall turn over to the Receiver the
15 possession and management of the Collateral and all other property of the Receivership Estate in
16 the possession, custody, or control of, or otherwise available to, any Enjoined Party.

17 2. Turnover of Licenses, Permits and Taxpayer ID Number: The Enjoined Parties
18 shall turn over to the Receiver originals or copies of all documents which pertain to all licenses,
19 permits, or government approvals relating to the Collateral in the possession, custody, or control
20 of, or otherwise available to, any Enjoined Party, and shall promptly advise the Receiver of the
21 Obligors' Federal Taxpayer Identification Numbers to be held in confidence and utilized only as
22 specified hereinabove.

23 3. Notification of Insurance: Paragraph I.C.19 above is incorporated herein by this
24 reference. In addition to the obligations set forth therein, the Enjoined Parties shall promptly
25 advise the Receiver as to the nature and extent of insurance coverage for the Collateral and for the
26 Obligors and their operations. The Obligors shall, within thirty (30) days after the entry of this
27 Order, name the Receiver and any property or business manager retained by the Receiver (as
28 specified by the Receiver) as additional insureds on the insurance policy(ies) for the period that

1 the Receiver shall be in possession of the Receivership Estate, any premium therefor shall be
2 borne and advanced by the Receivership Estate. The Enjoined Parties are prohibited from
3 canceling, reducing, or modifying any and all insurance coverage currently in existence with
4 respect to the Receivership Estate or the Obligors and their operations except to the extent such
5 action may become necessary due to the Receiver's failure to pay premiums as required under
6 paragraph I.C.19 above.

7 4. Agreements: The Enjoined Parties shall turn over to the Receiver copies or
8 originals in the possession, custody, or control of, or otherwise available to, any Enjoined Party of
9 all leases, licenses, repair contracts, or other agreements of any kind whatsoever, whether
10 currently in effect or lapsed, which relate or related to the Collateral.

11 5. Monies: The Enjoined Parties shall, within five (5) business days after entry of
12 this Order, turn over to the Receiver all unapplied monies or funds of any type in the account or
13 accounts (as well as the accounts themselves, including all account numbers and other identifying
14 information) of any Enjoined Party relating to the Collateral or any other portion of the
15 Receivership Estate.

16 6. Information Regarding Tenant Payments, If Any: The Enjoined Parties shall
17 cooperate with the Receiver in: (i) providing to the Receiver a weekly report showing the identity
18 of tenants at the real property Collateral who made rent payments during the prior week, if any,
19 and the amount of each tenant's payment, along with the names of the party on whose behalf each
20 payment was made (the "**Tenant Information**"), to the extent that the Tenant Information is in
21 the possession, custody or control of, or is otherwise available to, any Enjoined Party, until the
22 transition described in the following clause has been completed, and (ii) arranging for the
23 transition of responsibility for providing Tenant Information to the Receiver so that the Receiver
24 can obtain the Tenant Information directly without the involvement of the Enjoined Parties. The
25 Enjoined Parties may comply with their obligations hereunder by, among other things, instructing
26 any bank that has the Tenant Information to redirect the Tenant Information to the Receiver.

27 **IT IS FURTHER ORDERED** that during the pendency of this action, the Enjoined
28 Parties:

1 7. Commission of Waste: Shall not commit, by any intentional act, any waste of any
2 property of the Receivership Estate or any act in violation of law involving the property of the
3 Receivership Estate, or remove, transfer, encumber, or otherwise dispose of any of the Collateral
4 or any other part of the Receivership Estate.

5 8. Collection of Accounts Receivable: Shall not collect, receive, discount, or in any
6 other way divert or use any of the accounts receivable or other items included in the Receivership
7 Estate.

8 9. Interference With Receiver: Shall not directly or indirectly interfere in any
9 manner with the discharge of the Receiver's duties under this Order or the Receiver's possession,
10 preservation, operation, processing, repair, or maintenance of the Collateral or any related
11 litigation; provided that nothing in this Order prohibits or restrains the Obligors from petitioning
12 the Court with respect to any act or omission undertaken or threatened by the Receiver; and,
13 provided further, that the Receiver shall keep the Obligors reasonably and promptly informed of
14 any material updates with respect to any litigation involving or relating to the Collateral; and
15 Obligors shall not:

16 a. Interfere with the Receiver's collection of rents, income, proceeds or
17 accounts receivable or sales of goods, crops, supplies or equipment used in Obligors' business
18 operations included within the Receivership Estate.

19 b. Dissipate, remove, or secrete any property, inventory, goods, crops
20 produced on plants, grown or to be grown, products of crops in their unmanufactured state,
21 supplies or equipment used in farming or shelling operations included within the Receivership
22 Estate, including, but not limited to (i) contacting any payor of any rents, income, proceeds or
23 accounts receivable included within the Receivership Estate, (ii) demanding payment from any
24 payor of any rents, income, proceeds or accounts receivable included within the Receivership
25 Estate, (iii) cashing any check or other instrument used in paying any rents, income, proceeds or
26 accounts receivable included within the Receivership Estate, (iv) removing any funds from any
27 bank account located at any financial institution which constitute collections of rents, proceeds or
28 accounts receivable included within the Receivership Estate, and (v) refusing to allow or

1 prohibiting, either directly or indirectly, Plaintiffs, Bank of America or the Receiver from
2 accessing all books and records of the Obligors related to any portion of the Receivership Estate.

3 10. Transfer or Encumbrance of the Collateral: Shall not expend, disburse, transfer,
4 assign, sell, convey, devise, pledge, mortgage, create a security interest in, encumber,
5 hypothecate, conceal, or in any other manner whatsoever deal in or dispose of the Obligors'
6 books and records, to the extent relating to the Receivership Estate, or the whole or any part of
7 the Receivership Estate, including, but not limited to, rents, proceeds or accounts receivable to the
8 extent included therein, without prior Court Order.

9 11. Preservation of Property or Plaintiffs' Interest: Shall not do any act which will, or
10 which will tend to, impair, defeat, divert, prevent, or prejudice the preservation of the Plaintiffs'
11 interest in the Collateral or any other portion of the Receivership Estate, including rents, income,
12 proceeds or accounts receivable or sales of goods, crops, supplies or equipment used in Obligors'
13 business operations to the extent included therein.

14 12. Preservation of Property or Bank of America's Interest: Shall not do any act
15 which will, or which will tend to, impair, defeat, divert, prevent, or prejudice the preservation of
16 Bank of America's interest in the Bank of America ABL Collateral or any other portion of the
17 Receivership Estate, including rents, income, proceeds or accounts receivable or sales of goods,
18 crops, supplies or equipment used in Obligors' business operations to the extent included therein.

19 **III. FINAL ACCOUNT AND REPORT AND FURTHER INSTRUCTIONS**

20 **IT IS FURTHER ORDERED THAT** the following provisions shall also apply to this
21 receivership:

22 1. Receiver's Final Account and Report: Not later than forty-five (45) days
23 after the receivership terminates, the Receiver shall file, serve, and set for hearing his Final
24 Account and Report. Notice must be given to Plaintiffs, Bank of America, the Obligors, and all
25 other persons of whom the Receiver is aware who have potential claims against the Receivership
26 Estate and all other parties entitled to notice under governing law. Notwithstanding the
27 termination of the receivership, GSFC and Bank of America shall retain all rights in connection
28 with their respective loan documents with Obligors, and termination of the receivership will not

1 waive, modify, amend or terminate any of the rights of GSFC or Bank of America pursuant to the
2 terms of such loan documents. The motion to approve the Final Account and Report and for
3 discharge of the Receiver shall contain the following:

4 a. A declaration under penalty of perjury by the Receiver.

5 b. A summary of receivership accounting which shall include the total
6 revenues received, the total expenditures identified and enumerated by major categories, and the
7 net amount of any surplus or deficit, together with evidence of necessary supporting facts.

8 c. A declaration under penalty of perjury from the Receiver or a
9 representative of the Plaintiffs or any of them containing evidence of the basis for the termination
10 of the receivership (e.g., trustee sale including a copy of the Trustee's Deed, judicial foreclosure,
11 transfer by deed in lieu of foreclosure, or sale as to real property Collateral), and admissible
12 evidence to support an order for the distribution of any surplus, or payment of any deficit, in the
13 Receivership Estate.

14 2. Further Instructions; Retention of Jurisdiction: Plaintiffs, Bank of
15 America, Obligors, or the Receiver may at any time apply to this Court, on noticed motion or, if
16 necessary, *ex parte*, for further or other instructions and for further powers necessary to enable the
17 Receiver to perform his duties properly. This Court shall have and maintain jurisdiction to hear
18 any such applications and to resolve any disputes or unresolved issues, known or unknown,
19 whether now existing or hereafter arising, relating to the Receiver or the Receivership Estate.

20 3. Additional Procedural Matters. As stipulated by Plaintiffs, Bank of
21 America and Obligors and pursuant to the Court's inherent powers, including but not limited to
22 Tehama County Superior Court Local Rules 7 and 8, and the Court finding good cause therefor,
23 the deadline for Plaintiffs to serve process in this matter IS HEREBY STAYED until such future
24 date as the Court may order and accordingly no Defendants will be required to respond to the
25 Complaint until such time, upon service of process.

26 4. Notice of Entry of Order: Plaintiffs' counsel shall serve notice of entry of
27 this Order on all Defendants.

				<p>or hire of a vessel, or (ii) records that evidence a right to payment arising out of the use of a credit card or charge card of information contained on or for use with the card. If a transaction is evidenced by records that include an instrument or series of instruments, the group of records taken together constitutes chattel paper. The definition of chattel paper includes electronic chattel paper. Debtor agrees that it will assist Lender in obtaining control of electronic chattel paper by (i) creating a single authoritative copy of the record(s) existing which is unique and identifiable, (ii) ensuring that the authoritative copy identifies the Lender as the assignee of the record(s), and (iii) ensuring that the authoritative copy is communicated to and maintained by the Lender or its designated custodian. Copies or revisions that add or change an identified assignee of the authoritative copy can be made only with the participation of the Lender. Debtor agrees that each copy or authoritative copy and any copy of a copy shall be readily identifiable as a copy that is not the authoritative copy, and any revision of any authoritative copy is readily identifiable as an authorized or unauthorized revision. "Instruments" consist of all negotiable instruments and other writings owned or acquired by the Debtor that evidence a right to the payment of a monetary obligation, and are of a type that in the ordinary course of business are transferred by delivery with all necessary endorsements or assignments. Instruments are not themselves security agreements or leases. The term does not include investment property, letters of credit, or writings that evidence a right to payment arising out of the use of a credit or charge card or information contained on or for use with the card.</p>

BOND OF RECEIVER
C.C.P. SECTION 567
CASE NO.: 24CI000197

KNOW ALL MEN BY THESE PRESENTS:

THAT WE, David Stapleton as Principal, and SureTec Insurance Company, a corporation duly organized and existing under the laws of the State of Texas and duly authorized to execute bonds and undertakings as sole surety, as Surety, are held and firmly bound unto the State of California, in the sum of Five Thousand Dollars (\$ 5,000.00) Dollars, lawful money of the United States, for the payment of which well and truly to be made, we bind ourselves, our heirs, executors, administrators, and successors and assigns, jointly and severally, firmly by these presents.

THE CONDITION OF THE ABOVE OBLIGATION IS SUCH THAT:

WHEREAS, By an order of the Superior Court of the County of TEHAMA on the 8th of August, 2024 in the above entitled action, the above bounden David Stapleton was appointed Receiver therein and was directed, before entering upon the discharge of his duties as such Receiver, to execute a bond according to law in said sum above named.

NOW THEREFORE, if the said David Stapleton shall faithfully discharge the duties of Receiver in the action and obey the orders of the court therein, then this obligation shall be void; otherwise to remain in full force and effect.
