Dear Valued Laminates Customer:

Over the last few years, there have been substantial changes in the market for enhanced packaging which have affected our business for laminated products. In order to secure long-term sustainability, the Laminates division of API Americas Inc. is actively engaged in a sale process. To facilitate this sale, API Americas Inc. has filed for protection under Chapter 11 of the US Bankruptcy Code.

While we conclude the sales process, we will continue normal operations, providing you with an uninterrupted supply of products and service of the same high quality you have come to expect. Your normal Laminates division contacts remain unchanged, and we expect a seamless transition to our new ownership.

Thank you for your understanding and continued trust. We look forward to furthering our relationship into the future.

Sincerely,
