February 3, 2020

Dear Valued Foils Customer:

It is with great disappointment that I must inform you that Foils Americas will be winding down its operations. API Americas Inc. filed for protection under Chapter 11 of the US Bankruptcy Code on February 2, 2020 to facilitate an orderly liquidation of the Foils business.

During the wind-down process, we will be fulfilling existing customer orders where possible from our current inventory. Please contact your sales representative to discuss the status of your order. Unfortunately, if existing orders cannot be completed with our current inventory, we will not be able to fulfill them.

In the next week, Foils America will provide a listing of products in inventory in our Foils finishing locations, including quantities and prices, that will be available for sale on a Cash-In-Advance basis, for orders that can be completed by mid-February.

For additional information about the Chapter 11 process, please refer to the claims agent's website at [www.cases.stretto.com/API](http://www.cases.stretto.com/API).

Thank you for your understanding and for doing business with Foils Americas.

Sincerely,

A handwritten signature in black ink, appearing to read "Ken Bean", written in a cursive style.

Ken Bean, Director of Operations - Foils
