Subject to this Court’s approval of this application, Deloitte & Touche is willing to serve as the Debtors’ audit services provider to perform the services described above under the terms of the Engagement Agreements.

#### **Professional Compensation**

11. Deloitte & Touche’s retention by the Debtors is conditioned upon its ability to be retained in accordance with its terms and conditions of employment, including the proposed compensation arrangements set forth in the Engagement Agreements.

12. Subject to Court approval, and in compliance with the applicable provisions of the Bankruptcy Code, the Bankruptcy Rules, the Bankruptcy Local Rules, and such other procedures as may be established by order of the Court, the Debtors will compensate Deloitte & Touche in accordance with the terms and conditions of the Engagement Agreements, in relevant part, provides for the following compensation structure.

13. Pursuant to the terms of the Base Audit Engagement Letter, Deloitte & Touche estimates that its fees for this engagement will be \$880,000, plus expenses. Based on the anticipated timing of the work, Deloitte & Touche's fees will be billed approximately as follows:

<b>Invoice Date</b>	<b>Amount</b>
April 30, 2020	\$130,000
May 28, 2020	\$125,000
July 6, 2020	\$125,000
September 7, 2020	\$125,000
October 29, 2020	\$125,000
January 4, 2021	\$125,000
February 1, 2021	\$125,000

14. With respect to the Base Audit Engagement Letter, reasonable and necessary expenses, including travel, report production, delivery services, and other expenses incurred in providing Deloitte & Touche's services, will be included in the total amount billed, which expenses will not exceed five percent of professional fees billed.

15. Pursuant to the terms of the 401(k) Plan Audit Engagement Letter, Deloitte & Touche agrees to bill the Debtors periodically with respect to audit services performed thereunder, except for the Out-of-Scope Services. Deloitte & Touche will bill the Debtors for such services as follows:

<b>Invoice Date</b>	<b>Amount</b>
May 2020	\$25,000
At report issuance	\$5,000

16. In the event that there are any overruns with respect to the base audit services to be performed by Deloitte & Touche under the Engagement Agreements, Deloitte & Touche will bill the Debtors a fixed hourly rate of \$150 per hour for such services.

17. Deloitte & Touche may conduct audit procedures or provide similar services beyond those anticipated in the scope of the base audit services contemplated at the respective times the Engagement Agreements were signed (collectively, the “Out-of-Scope Services”). To the extent Deloitte & Touche undertakes such services under either of the Engagement Agreements, fees for the Out-of-Scope Services will be billed to the Debtors at the following hourly rates:

<b>Professional Level</b>	<b>Hourly Rates</b>
Partner / Principal / Managing Director	\$800
Senior Manager	\$695
Manager	\$610
Senior	\$510
Staff	\$405

18. In addition to the fees set forth above, actual, reasonable and necessary expenses, including travel, report production, delivery services, and other expenses incurred in providing the services will be included in the total amount billed. Deloitte & Touche intends to file interim and final fee applications for the allowance of compensation for the services rendered and reimbursement of expenses incurred in accordance with the applicable provisions of the Bankruptcy Code, the Bankruptcy Rules, the Local Rules, and any other applicable procedures and orders of the Court, including the order granting this application (to the extent compliance is not waived), as well as any applicable guidelines issued by the U.S. Trustee.

**Payments to Deloitte & Touche Prior to the Petition Date**

19. Deloitte & Touche provided prepetition services to the Debtors. In the ninety (90) days prior to the Petition Date, the Debtors paid Deloitte & Touche approximately \$565,800 for services rendered. As of the Petition Date, no amounts were outstanding with respect to invoices issued by Deloitte & Touche.

20. Some services incidental to the tasks to be performed by Deloitte & Touche in these chapter 11 cases may be performed by personnel now employed by or associated with affiliates of Deloitte & Touche, such as Deloitte Transactions and Business Analytics LLP, Deloitte Financial Advisory Services LLP, Deloitte Tax LLP, and Deloitte Consulting, and/or their respective subsidiaries, including subsidiaries located outside of the United States.

21. In particular, Deloitte & Touche may subcontract a portion of attest services to its indirect subsidiary, Deloitte & Touche Assurance & Enterprise Risk Services India Private Limited (“Deloitte & Touche India”). In such case, a specifically assigned team of personnel from Deloitte & Touche India assists in such services under the supervision, and with the input, of personnel of Deloitte & Touche. The hourly rates charged to the clients by Deloitte & Touche for services performed by Deloitte & Touche India personnel are comparable to the rates charged for similar services by Deloitte & Touche, but do not directly correlate with the hourly rates attributed to such services by Deloitte & Touche India. The connections of Deloitte & Touche India (along with the connections of Deloitte & Touche and its other affiliates) to the potential parties in interest searched by Deloitte & Touche are set forth on Schedule 2 attached to the Horak Declaration.

22. Deloitte & Touche has received no promises regarding compensation in these chapter 11 cases other than in accordance with the Bankruptcy Code and as set forth in the Horak Declaration. Deloitte & Touche has no agreement with any nonaffiliated or unrelated entity to share any compensation earned in the chapter 11 cases.

#### **Applications for Compensation**

23. Deloitte & Touche intends to apply for compensation for professional services rendered and reimbursement of expenses incurred in connection with these chapter 11 cases, subject to the Court’s approval and in compliance with applicable provisions of the Bankruptcy Code, the Bankruptcy Rules, the Bankruptcy Local Rules, any applicable guidelines established

by the U.S. Trustee (the “U.S. Trustee Guidelines”), and any other applicable procedures and orders of the Court, including any order approving the application and consistent with the proposed compensation set forth in the application and Engagement Agreements. Deloitte & Touche has agreed to accept as compensation such sums as may be allowed by the Court and understands that fee awards are subject to approval by the Court.

24. The Debtors request that Deloitte & Touche be permitted to submit monthly invoices for services rendered and expenses incurred under the Engagement Agreements. Such invoices will contain reasonable detail consistent with any rules, guidelines, and/or administrative orders promulgated by the Court that apply to these chapter 11 cases. The Debtors request authority to pay such invoices, after appropriate review, in a manner consistent with the payment of other retained professionals in these chapter 11 cases and consistent with any administrative orders, if any, that would apply to interim payments. All payments rendered pursuant to Deloitte & Touche’s retention by the Debtors must be approved by an order of this Court and based upon the filing by Deloitte & Touche of appropriate interim and final applications for allowance of compensation and reimbursement of expenses.

**No Duplication of Services**

25. The Debtors believe that the services provided by Deloitte & Touche will not unnecessarily duplicate or overlap with the services that other professionals will be providing to the Debtors in these chapter 11 cases. The Debtors will coordinate with Deloitte & Touche and the Debtors’ other professionals to minimize unnecessary duplication of efforts among the Debtors’ professionals.

**Deloitte & Touche's Disinterestedness**

26. As set forth in the Horak Declaration, to the best of the Debtors' knowledge, Deloitte & Touche is a "disinterested person" as that term is defined in section 101(14) of the Bankruptcy Code, as modified by section 1107(b) of the Bankruptcy Code.

27. Further, to the best of the Debtors' knowledge, except as set forth in the Horak Declaration: (a) neither Deloitte & Touche, nor any partner, principal, or managing director of Deloitte & Touche that is anticipated to provide the services for which Deloitte & Touche is to be retained (the "Engagement Partners/Principals/Managing Directors") holds any interest adverse to the Debtors and (b) Deloitte & Touche has no relationship to the Debtors, their significant creditors, certain other significant parties in interest, or to the attorneys that are known to be assisting the Debtors in these chapter 11 cases, except as stated herein or in any attachment hereto.

28. As set forth in the Horak Declaration, if any new material facts of relationships are discovered or arise, Deloitte & Touche will promptly file a supplemental disclosure with the Court.

**Basis for Relief**

29. The Debtors submit that the retention of Deloitte & Touche under the terms described herein is appropriate under sections 327(a) and 1107(b) of the Bankruptcy Code. Section 327(a) of the Bankruptcy Code empowers a debtor in possession, with the Court's approval, to employ professionals "that do not hold or represent an interest adverse to the estate, and that are disinterested persons, to represent or assist" the debtor in possession in carrying out its duties under the Bankruptcy Code. 11 U.S.C. § 327(a).

30. For the reasons set forth in the Horak Declaration, Deloitte & Touche does not "hold or represent an interest adverse to the estate." Moreover, Deloitte & Touche is a "disinterested person" within the meaning of section 101(14) of the Bankruptcy Code. As demonstrated in the Horak Declaration, Deloitte & Touche satisfies this standard.

31. Bankruptcy Rule 2014 requires that an application for retention include:

[S]pecific facts showing the necessity for the employment, the name of the [firm] to be employed, the reasons for the selection, the professional services to be rendered, any proposed arrangement for compensation, and, to the best of the applicant's knowledge, all of the [firm's] connections with the debtor, creditors, any other party in interest, their respective attorneys and accountants, the United States trustee, or any person employed in the office of the United States trustee.

Fed. R. Bankr. P. 2014(a). Additionally, Bankruptcy Local Rule 2014-1 requires an entity seeking approval of employment under section 327(a) of the Bankruptcy Code to file a motion, supporting affidavit, and proposed order. All of those requirements have been satisfied by this application, the Horak Declaration, and the Order.

32. Furthermore, section 1107(b) of the Bankruptcy Code provides that “a person is not disqualified for employment under section 327 of this title by a debtor in possession solely because of such person's employment by or representation of the debtor before the commencement of the case.” 11 U.S.C. § 1107(b). Deloitte & Touche's prepetition relationship with the Debtors therefore does not preclude Deloitte & Touche's retention as the Debtors' postpetition audit services provider.

33. Employment of Deloitte & Touche effective *nunc pro tunc* to the Petition Date is warranted under the circumstances of these chapter 11 cases. Deloitte & Touche has provided, and will continue to provide, valuable services to the Debtors. *See, e.g., In re Ark. Co.*, 798 F.2d 645, 648 (3d Cir. 1986) (collecting cases) (“[T]he bankruptcy courts have the power to authorize retroactive employment of counsel and other professionals under their broad equity power.”). While providing these valuable services since the Petition Date, Deloitte & Touche has been working diligently to undertake its connections checking processes in order to be able to submit the Horak Declaration in support of this application. To the best of the Debtors' knowledge, approval of this application will not prejudice any parties in interest, because, among other things,

the services provided by Deloitte & Touche will assist the Debtors in their compliance with their audit requirements, which is certainly in the best interest of the Debtors' estates and their creditor constituencies.

**Notice**

34. The Debtors will provide notice of this application to the following parties or their counsel: (a) the U.S. Trustee for the Southern District of Texas; (b) the holders of the 30 largest unsecured claims against the Debtors (on a consolidated basis); (c) the administrative agent under the Debtors' prepetition revolving credit facility; (d) the lenders under the Debtors' prepetition revolving credit facility; (e) the indenture trustee for the Debtors' unsecured notes; (f) the ad hoc committee of noteholders; (g) Deloitte & Touche; (h) the United States Attorney's Office for the Southern District of Texas; (i) the Internal Revenue Service; (j) the United States Securities and Exchange Commission; (k) the Environmental Protection Agency and similar state environmental agencies for states in which the Debtors conduct business; (l) the state attorneys general for states in which the Debtors conduct business; and (m) any party that has requested notice pursuant to Bankruptcy Rule 2002. The Debtors submit that, in light of the nature of the relief requested, no other or further notice need be given.

WHEREFORE, the Debtors respectfully request that the Court enter the Order, granting the relief requested herein and such other relief as the Court deems appropriate under the circumstances.

Houston, Texas  
June 3, 2020

Respectfully Submitted,

I am duly authorized to make and submit this declaration (the "Declaration") on behalf of Deloitte & Touche in accordance with section 327(a) of title 11 of the United States Code (the "Bankruptcy Code") and Rule 2014(a) of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules") in support of the *Application of Debtors for Authority to Employ and Retain Deloitte & Touche LLP as Independent Auditor for the Debtors Effective Nunc Pro Tunc to the Petition Date* (the "Application").<sup>2</sup>

---

<sup>1</sup> The debtors in these chapter 11 cases, along with the last four digits of each debtor's federal tax identification number, are: Whiting Canadian Holding Company Unlimited Liability Corporation (3662); Whiting Petroleum Corporation (8515); Whiting US Holding Company (2900); Whiting Oil and Gas Corporation (8829); and Whiting Resources Corporation (1218). The location of the debtors' service address is: 1700 Lincoln Street, Suite 4700, Denver, Colorado 80203.

<sup>2</sup> Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to them in the Application.

2. The Debtors seek to retain Deloitte & Touche pursuant to the terms and conditions set forth in: (a) that certain engagement letter, dated April 7, 2020, to provide independent audit services with respect to the Debtors' financial statements for the period ending December 31, 2020 (the "Base Audit Engagement Letter"), (b) that certain engagement letter, dated May 11, 2020, to perform limited scope audit services with respect to the 401(k) Employee Savings Plan of Whiting Petroleum Corporation (the "401(k) Plan Audit Engagement Letter" and together with the Base Audit Engagement Letter, the "Engagement Agreements"), and (c) granting related relief. Copies of the Engagement Agreements are attached to the order as **Exhibit 1**.

3. The statements set forth in this Declaration are based upon my personal knowledge, information and belief, and/or client matter records kept in the ordinary course of business that were reviewed by me or other personnel of Deloitte & Touche or its affiliates.

#### **Deloitte & Touche's Qualifications**

4. Deloitte & Touche is a public accounting firm with offices across the United States. Deloitte & Touche has significant experience in providing audit services in large and complex bankruptcies and restructurings, including numerous large chapter 11 cases in this district. Such experience renders Deloitte & Touche well-qualified and able to provide services to the Debtors during the pendency of these chapter 11 cases (the "Chapter 11 Cases"). Deloitte & Touche services fulfill an important need and are not met by the Debtors' other professionals.

5. Since approximately 2003, Deloitte & Touche has provided certain prepetition professional services to the Debtors. By virtue of providing such services to the Debtors, Deloitte & Touche is familiar with the books, records, financial information, and other data maintained by the Debtors and is qualified to provide independent audit services to the Debtors. Accordingly, Deloitte & Touche is well-qualified and able to provide services to the Debtors in a cost-effective,

efficient, and timely manner, given Deloitte & Touche's preexisting knowledge of the Debtors' business.

**Disinterestedness**

6. Subject to the foregoing, to the best of my information, knowledge, and belief based on reasonable inquiry: (a) neither I, Deloitte & Touche, nor any partner, principal, or managing director of Deloitte & Touche that is anticipated to provide the services for which Deloitte & Touche is to be retained (the "Engagement Partners/Principals/Managing Directors") holds any interest adverse to the Debtors and (b) Deloitte & Touche has no relationship to the Debtors, their significant creditors, certain other significant parties in interest, or to the attorneys that are known to be assisting the Debtors in these Chapter 11 Cases, except as stated herein or in any attachment hereto.

7. In connection with its proposed retention by the Debtors, Deloitte & Touche undertook a search to determine and to disclose whether it or its affiliates is or has been employed by or has other relationships with the Debtors or their affiliates, subsidiaries, directors, or officers, or any of the Debtors' significant creditors, customers, equity security holders, professionals, or other entities with significant relationships with the Debtors, whose specific names were provided to Deloitte & Touche by the Debtors (the "Potential Parties-in-Interest"), listed on **Schedule 1** attached hereto. To check upon and disclose possible relationships with significant Potential Parties-in-Interest in the Chapter 11 Cases, Deloitte & Touche researched its client databases and performed reasonable due diligence to determine whether it or its affiliates had any relationships with the Debtors or significant Potential Parties-in-Interest.

8. Deloitte & Touche and/or its affiliates have relationships with thousands of clients, some of which may be creditors of the Debtors or other Potential Parties-in-Interest. Accordingly,

Deloitte & Touche and/or its affiliates have had, currently have, and/or may have in the future banking or other relationships with such parties, or provided, may currently provide, and/or may provide in the future professional services in matters unrelated to the Chapter 11 Cases to certain of the Potential Parties-in-Interest. From time to time, Deloitte & Touche and its affiliates have provided, or may currently provide services, and/or likely will continue to provide services to certain creditors of the Debtors and various other parties potentially adverse to the Debtors in matters unrelated to these chapter 11 cases, except as set forth herein or in the attachments hereto. Additionally, certain significant Potential Parties-in-Interest have or may have provided goods or services, may currently provide goods or services, and/or may in the future provide goods or services to Deloitte & Touche and/or its affiliates and the Engagement Partners/Principals/Managing Directors in matters unrelated to the Chapter 11 Cases. A listing of such parties is attached to this Declaration as **Schedule 2**.

9. Deloitte & Touche believes that the relationships described herein or reflected on **Schedule 2** have no bearing on the services for which Deloitte & Touche's retention is being sought by the Debtors in the Chapter 11 Cases. Furthermore, such relationships do not impair Deloitte & Touche's disinterestedness, and Deloitte & Touche does not represent an adverse interest in connection with the Chapter 11 Cases.

10. Despite the efforts described above to identify and disclose Deloitte & Touche's connections with the significant Potential Parties-in-Interest in the Chapter 11 Cases, because Deloitte & Touche is a nationwide firm with many employees, Deloitte & Touche is unable to state with certainty that every client relationship or other connection has been disclosed. In this regard, if Deloitte & Touche discovers additional material information that it determines requires disclosure, it will file a supplemental disclosure promptly with the Court.

11. To the best of my knowledge, based on the internal search discussed above, Deloitte & Touche has determined that certain relationships should be disclosed as follows:

- a. Deloitte & Touche and/or its affiliates provide services in matters unrelated to the Chapter 11 Cases to certain of the Debtors' largest unsecured creditors and other Potential Parties-in-Interest or their affiliates listed on **Schedule 2**.
- b. Law firms identified on **Schedule 2**, including Baker Hughes LLP; Bryan Cave Leighton Paisner LLP; Fox Rothschild LLP; Gordon & Rees LLP; Greenberg Traurig LLP; Hogan Lovells US LLP; Jackson Walker LLP; Kirkland & Ellis LLP; Paul, Weiss, Rifkind, Wharton & Garrison LLP; Pierce Atwood LLP; Simpson Thatcher Bartlett LLP; Snell & Wilmer LLP; Stikeman Elliott LLP; and Stinson LLP, have provided, currently provide, and may in the future provide legal services to Deloitte & Touche or its affiliates in matters unrelated to the Chapter 11 Cases, and/or Deloitte & Touche or its affiliates have provided, currently provide, and may in the future provide services to such firms or their clients.
- c. In the ordinary course of its business, Deloitte & Touche and its affiliates have business relationships in unrelated matters with its principal competitors, which together with their affiliates may be Potential Parties-in-Interest in the Chapter 11 Cases. For example, from time to time, Deloitte & Touche and one or more of such entities may work on assignments for the same client or may otherwise engage each other for various purposes.
- d. Certain financial institutions or their respective affiliates (including AIG Asset Management (US) LLC; Allianz Global Investors US LLC; American Family Mutual Insurance Company; Bank of America, N.A.; Barclays PLC; Bank of Nova Scotia; Branch Banking and Trust Company; Capital One, National Association; Citigroup Global Markets, Inc.; HSBC Trinkaus Und Burkhardt AG; ING Capital LLC; JPMorgan Chase Bank, N.A.; Keybank National Association, SunTrust Bank; TD Asset Management, Inc.; U.S. Bank, National Association; Wells Fargo Bank, National Association) listed on **Schedule 2** (i) are lenders to an affiliate of Deloitte & Touche (Deloitte & Touche is a guarantor of such indebtedness) and/or (ii) have financed a portion of the capital and/or capital loan requirements of various partners and principals, respectively, of Deloitte & Touche and its affiliates. In addition, certain institutions or their respective affiliates, including AIG Asset Management (US) LLC; CIBC Global Asset Management Inc.; Goldman Sachs Asset Management; Invesco Trimark; Investec Asset Management Ltd.; JPMorgan Asset Management; JPMorgan Investment Management, Inc.; JPMorgan Securities, LLC; State Street Corporation – SSGA Funds Management, Inc.; T. Rowe Price Associates Inc.; Vanguard Group; and Voya Investment Management LLC, provide asset management services, and/or have a similar role with respect to investments of, certain pension, benefit and similar funds sponsored by affiliates of Deloitte & Touche.

- e. Deloitte & Touche and/or certain of its affiliates have provided, continue to provide and may in the future provide services to BlackRock Advisors, LLC and BlackRock Investment Management and certain of their subsidiaries and/or affiliates, which is a party to the restructuring support agreement with the Debtors, in matters unrelated to the Chapter 11 Cases.
- f. Certain Potential Parties-in-Interest may be adverse to and/or involved in litigation matters with Deloitte & Touche or its affiliates in connection with matters unrelated to the Chapter 11 Cases.
- g. Deloitte & Touche has provided and continues to provide audit services to certain Potential Parties-in-Interest and/or their affiliates, in matters unrelated to the Chapter 11 Cases. In its capacity as independent auditor, Deloitte & Touche also provides such clients with ordinary course auditing services and conducts typical audit procedures that may arise from such Potential Parties-in-Interests' business arrangements with the Debtors.
- h. Deloitte & Touche has performed and continues to perform professional services for Whiting US Trust II, an entity formed by the Debtors and one that is unrelated to the Chapter 11 Cases.
- i. Deloitte Consulting LLP ("Deloitte Consulting"), an affiliate of Deloitte & Touche, and certain of its affiliates, have provided and will continue to provide services to the Executive Office of the United States Trustee in matters unrelated to the Chapter 11 Cases.

12. Furthermore, through reasonable inquiry, I do not believe there is any connection between the personnel of Deloitte & Touche or its affiliates who are anticipated to provide services to the Debtors and the United States Bankruptcy Judge presiding in the Chapter 11 Cases, the United States Trustee for Region 7, the Assistant United States Trustee for the Southern District of Texas, and the attorney therefor assigned to the Chapter 11 Cases.

13. Except as may be disclosed herein, to the best of my knowledge, information, and belief, Deloitte & Touche and the Engagement Partners/Principals/Managing Directors do not hold or represent any interest adverse to the Debtors, and I believe that Deloitte & Touche and the Engagement Partners/Principals/Managing Directors are "disinterested persons" as that term is defined in section 101(14) of the Bankruptcy Code, as modified by section 1107(b) of the Bankruptcy Code.

**Scope of Services**

14. Deloitte & Touche has agreed to perform independent audit services for the Debtors in accordance with the terms and conditions set forth in the Engagement Agreements, as follows:

- (a) ***Base Audit Engagement Letter.*** Pursuant to the terms and conditions of the Base Audit Engagement Letter, Deloitte & Touche: (a) will perform an integrated audit in accordance with the standards of the Public Company Accounting Oversight Board (“PCAOB”) (United States) (the “PCAOB Standards”) to express opinions on (i) whether the Debtors’ financial statements for the period ended December 31, 2020 are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (ii) the effectiveness of the Debtors’ internal control over financial reporting, as of December 31, 2020, based on the criteria established in *Internal Control – Integrated Framework* issued by the Committee of Sponsoring Organizations of the Treadway Commission; and (b) will review the Debtors’ condensed consolidated interim financial information in accordance with the PCAOB Standards for each of the quarters in the year ending December 31, 2020, prepared for the submission to the Securities and Exchange Commission.
  
- (b) ***401(k) Plan Audit Engagement Letter.*** Pursuant to the terms and conditions of the 401(k) Plan Audit Engagement Letter, Deloitte & Touche will perform a limited-scope audit for the 401(k) Employee Savings Plan of Whiting Petroleum Corporation (the “Plan”) in accordance with auditing standards generally accepted in the United States of America (“generally accepted auditing standards”) and the method of compliance permitted by 29 CFR 2520.103-8 of the U.S. Department of Labor’s (“DOL”) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA) (“Limited-Scope Election”), and express an opinion on whether the form and content of the information included in the Plan’s financial statements and supplemental schedules required by the DOL for the year ended December 31, 2019, other than that derived from the information certified by the trustee, are presented in compliance with the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA.

15. Deloitte & Touche respectfully requests that its retention be made effective *nunc pro tunc* to the Petition Date so that Deloitte & Touche may be compensated for services it has provided before this Application is considered by the Court. Deloitte & Touche has provided services to the Debtors in advance of approval of the Application in anticipation that its retention would be approved as of the Petition Date. Deloitte & Touche submits that these circumstances are of a nature warranting retroactive approval.

**Professional Compensation**

16. Deloitte & Touche's retention by the Debtors is conditioned upon its ability to be retained in accordance with its terms and conditions of employment, including the proposed compensation arrangements, set forth in the Engagement Agreements.

17. Pursuant to the terms of the Base Audit Engagement Letter, Deloitte & Touche agrees to bill the Debtors periodically with respect to audit services performed thereunder, except for the Out-of-Scope Services (defined below). Deloitte & Touche estimated that its fees for such services would be approximately \$880,000, to be periodically billed to the Debtors, as follows:

Invoice Date	Amount
April 30, 2020	\$130,000
May 28, 2020	\$125,000
July 6, 2020	\$125,000
September 7, 2020	\$125,000
October 29, 2020	\$125,000
January 4, 2021	\$125,000
February 1, 2021	\$125,000

18. Pursuant to the terms of the 401(k) Plan Audit Engagement Letter, Deloitte & Touche agrees to bill the Debtors periodically with respect to audit services performed thereunder, except for the Out-of-Scope Services. Deloitte & Touche will bill the Debtors for such services as follows:

Invoice Date	Amount
May 2020	\$25,000
At report issuance	\$5,000

19. In the event that there are any overruns with respect to the base audit services to be performed by Deloitte & Touche under the Engagement Agreements, Deloitte & Touche will bill the Debtors a fixed hourly rate of \$150 per hour for such services.

20. Deloitte & Touche may conduct audit procedures or provide similar services beyond those anticipated in the scope of the base audit services contemplated at the respective times the Engagement Agreements were signed (collectively, the “Out-of-Scope Services”). To the extent Deloitte & Touche undertakes such services under either of the Engagement Agreements, fees for the Out-of-Scope Services will be billed to the Debtors at the following hourly rates:

<b>Professional Level</b>	<b>Hourly Rates</b>
Partner / Principal / Managing Director	\$800
Senior Manager	\$695
Manager	\$610
Senior	\$510
Staff	\$405

21. In addition to the fees set forth above, actual, reasonable and necessary expenses, including travel, report production, delivery services, and other expenses incurred in providing Deloitte & Touche’s services will be included in the total amount billed.

22. Deloitte & Touche intends to file interim and final fee applications for the allowance of compensation for the services rendered and reimbursement of expenses incurred in accordance with the applicable provisions of the Bankruptcy Code, the Bankruptcy Rules, the Local Rules, and any other applicable procedures and orders of the Court, including the order granting this Application (to the extent compliance is not waived), as well as any applicable guidelines issued by the U.S. Trustee.

**Payments to Deloitte & Touche Prior to the Petition Date**

23. Deloitte & Touche provided prepetition services to the Debtors. In the ninety (90) days prior to the Petition Date, the Debtors paid Deloitte & Touche approximately \$565,800 for services rendered. As of the Petition Date, no amounts were outstanding with respect to invoices

issued by Deloitte & Touche.

24. Some services incidental to the tasks to be performed by Deloitte & Touche in the Chapter 11 Cases may be performed by personnel now employed by or associated with affiliates of Deloitte & Touche, such as Deloitte Transactions and Business Analytics LLP, Deloitte Financial Advisory Services LLP, Deloitte Tax LLP, and Deloitte Consulting, and/or their respective subsidiaries, including subsidiaries located outside of the United States.

25. In particular, Deloitte & Touche may subcontract a portion of attest services to its indirect subsidiary, Deloitte & Touche Assurance & Enterprise Risk Services India Private Limited (“Deloitte & Touche India”). In such case, a specifically assigned team of personnel from Deloitte & Touche India assists in such services under the supervision, and with the input, of personnel of Deloitte & Touche. The hourly rates charged to the clients by Deloitte & Touche for services performed by Deloitte & Touche India personnel are comparable to the rates charged for similar services by Deloitte & Touche, but do not directly correlate with the hourly rates attributed to such services by Deloitte & Touche India. The connections of Deloitte & Touche India (along with the connections of Deloitte & Touche and its other affiliates) to the Potential Parties in Interest searched by Deloitte & Touche are set forth on Schedule 2 attached hereto.

26. Deloitte & Touche has received no promises regarding compensation in the Chapter 11 Cases other than in accordance with the Bankruptcy Code and as set forth in this Declaration. Deloitte & Touche has no agreement with any nonaffiliated or unrelated entity to share any compensation earned in the Chapter 11 Cases.

#### **Efforts to Avoid Duplication of Services**

27. Deloitte & Touche understands that the Debtors have retained and may retain additional professionals during the term of the Engagement Letter. Deloitte is mindful of the need

to avoid duplication of services, and, during the term of the Engagement Letter, Deloitte will work cooperatively with the Debtors to avoid the unnecessary duplication of services.

**Record Keeping Requirements**

28. Deloitte & Touche will apply for compensation and reimbursement of expenses in compliance with the applicable provisions of the Bankruptcy Code, the Bankruptcy Rules, the Local Rules, the UST Guidelines, and any other applicable procedures or orders of the Court. Deloitte & Touche's fee applications for allowance of its compensation and expenses will be paid by the Debtors as authorized by the Court.

29. Deloitte & Touche will maintain records in support of any fees incurred in connection with the services it performs in the Chapter 11 Cases by category and nature of the services rendered, and will provide time records setting forth in summary format reasonably detailed descriptions of those services rendered on behalf of the Debtors, the time expended in providing those services, and the individuals who provide professional services on behalf of the Debtors. Deloitte & Touche will file reasonably detailed time records for services in one-tenth (1/10) hour increments, in accordance with the UST Guidelines. Deloitte & Touche will also maintain records of any actual and necessary costs and expenses incurred in connection with the services discussed above. Deloitte & Touche intends to apply for compensation for professional services rendered and reimbursement of reasonable and documented out-of-pocket expenses incurred in connection with the Chapter 11 Cases, subject to the Court's approval and in compliance with applicable provisions of the Bankruptcy Code, the Bankruptcy Rules, the Local Rules, and any other applicable procedures and orders of the Court, including any order granting this Application (to the extent compliance is not waived).

4. In the event that the rates of compensation for the services increase from the rates disclosed for services in the Application, Deloitte & Touche will file a supplemental declaration with the Court describing such increased rates and serve upon the Debtors and the U.S. Trustee at least ten (10) business days prior to the effective date of such increases, which supplemental declaration shall explain the basis for the requested rate increases in accordance with section 330(a)(3)(F) of the Bankruptcy Code and indicate whether the Debtors have received notice of an approved the proposed rate increase. The United States Trustee retains all rights to object to any rate increase on all applicable grounds including, but not limited to, the reasonableness standard provided for in section 330 of the Bankruptcy Code and all rates and rate increases are subject to review by the Court.

5. Notwithstanding anything to the contrary in the Application or the Engagement Agreements, with respect to the services performed under the Engagement Agreements from the Petition Date through the effective date of the Plan, this Court retains exclusive jurisdiction over all matters arising out of or pertaining to Deloitte & Touche's engagement until such jurisdiction is relinquished.

6. The Debtors and Deloitte & Touche are authorized to take all actions necessary to effectuate the relief granted pursuant to this Order in accordance with the Application.

7. The Debtors will coordinate with Deloitte & Touche and the Debtors' other professionals to minimize unnecessary duplication of efforts among the Debtors' professionals.

The Audit Committee of Whiting Petroleum Corporation

Ms. Correne S. Loeffler  
Chief Financial Officer  
Whiting Petroleum Corporation  
1700 Lincoln, Suite 4700  
Denver, Colorado 80203

Dear Mr. Doty and Ms. Loeffler:

Deloitte & Touche LLP ("D&T" or "we" or "us") is pleased to serve as the independent registered public accounting firm for Whiting Petroleum Corporation (the "Company" or "you" or "your"). Mr. Paul Horak will be responsible for the services that we perform for the Company hereunder.

In addition to the audit and review services we are engaged to provide under this engagement letter, we would also be pleased to assist the Company on issues as they arise throughout the year. Hence, we hope that you will call Mr. Horak whenever you believe D&T can be of assistance. This assistance will require approval by the Company's audit committee (the "Audit Committee") in accordance with its preapproval policies and procedures.

The services to be performed by D&T pursuant to this engagement are subject to the terms and conditions set forth herein and in the accompanying appendices. Such terms and conditions shall be effective as of the date of the commencement of such services.

## **Audit of Financial Statements and the Effectiveness of Internal Control over Financial Reporting**

Our engagement is to perform an integrated audit in accordance with the standards of the Public Company Accounting Oversight Board ("PCAOB") (United States) (the "PCAOB Standards"). The objectives of an integrated audit conducted in accordance with the PCAOB Standards are the expression of opinions on (1) the fairness of the presentation of the Company's consolidated financial statements for the year ending December 31, 2020 (the "financial statements"), in conformity with accounting principles generally accepted in the United States of America ("generally accepted accounting principles"), in all material respects, and (2) the effectiveness of the Company's internal control over financial reporting as of December 31, 2020, based on the criteria established in *Internal Control – Integrated Framework* issued by the Committee of Sponsoring Organizations of the Treadway Commission (the "COSO Framework").

Appendix A contains a description of an integrated audit in accordance with the PCAOB Standards.

Our ability to express any opinion or to issue any report as a result of this engagement and the wording thereof will, of course, be dependent on the facts and circumstances at the date of our reports. If, for any reason, we are unable to complete our audit or are unable to form or have not formed any opinion, we may decline to express any opinion or decline to issue any report as a result of this engagement. If we are unable to complete our audit, or if any report to be issued by D&T as a result of this engagement requires modification, the reasons for this will be discussed with the Audit Committee and the Company's management.

## **Reviews of Interim Financial Information**

We will also perform a review of the Company's condensed consolidated interim financial information (the "interim financial information") in accordance with the PCAOB Standards ("interim review") for each of the quarters in the year ending December 31, 2020, prepared for submission to the Securities and Exchange Commission ("SEC"). The objective of an interim review is to provide us with a basis for communicating whether we are aware of any material modifications that should be made to the interim financial information for it to conform with generally accepted accounting principles. The objective of an interim review is also to provide us with a basis for determining whether we are aware of any material modifications that, in our judgment, should be made to management's disclosures about changes in internal control over financial reporting that have materially affected or are reasonably likely to materially affect the Company's internal control over financial reporting for management's certifications to be accurate and to comply with the requirements of Section 302 of the Sarbanes-Oxley Act of 2002 and related SEC rules and regulations.

Appendix A also contains a description of an interim review in accordance with the PCAOB Standards.

If we become aware of material modifications that should be made to the interim financial information for it to conform with generally accepted accounting principles, or if we become aware of deficiencies in internal control over financial reporting so significant that they would preclude management's preparation of interim financial information in conformity with generally accepted accounting principles, we may be precluded from completing any of our reviews. If, for any reason, we are unable to complete any of our interim reviews, the reasons for this will be discussed with the Audit Committee and the Company's management.

## **Management's Responsibilities**

Appendix B describes management's responsibilities.

## **Audit Committee's Responsibility and Auditor Communications**

As the independent registered public accounting firm of the Company, we acknowledge that the Audit Committee is directly responsible for the appointment, compensation, and oversight of our work, and accordingly, except as otherwise specifically noted, we will report directly to the Audit Committee. You have advised us that the services to be performed under this engagement letter, including, where applicable, the use by D&T of affiliates or related entities as subcontractors in connection with this engagement, have been approved by the Audit Committee in accordance with the Audit Committee's established preapproval policies and procedures.

Under the PCAOB Standards and SEC Rule 2-07 of Regulation S-X, we are required to communicate with the Audit Committee about various matters in connection with our audit and interim reviews. Appendix C describes such communications.

## Fees

We estimate that our fees for this engagement will be \$880,000, plus expenses. Based on the anticipated timing of the work, our fees will be billed approximately as follows:

<b>Invoice Date</b>	<b>Amount</b>
April 30, 2020	\$130,000
May 28, 2020	125,000
July 6, 2020	125,000
September 7, 2020	125,000
October 29, 2020	125,000
January 4, 2021	125,000
February 1, 2021	125,000

We anticipate sending invoices according to the above schedule, and payments are due 30 days from the date of the invoice. Engagement-related expenses will be billed in addition to the fees and will be stated separately on the invoices.

To the extent that certain circumstances, as listed in Appendix D, arise during this engagement, our fee estimate also may be significantly affected, and additional fees may be necessary. We will notify you promptly of any circumstances we encounter that could significantly affect our estimate and discuss with you any additional fees, as necessary.

## **Inclusion of D&T Reports or References to D&T in Other Documents or Electronic Sites**

If the Company intends to publish or otherwise reproduce in any document any report issued as a result of this engagement, or otherwise make reference to D&T in a document that contains other information in addition to the audited financial statements (e.g., in a periodic filing with the SEC or other regulator, in a debt or equity offering circular, or in a private placement memorandum), thereby associating D&T with such document, the Company agrees that its management will provide D&T with a draft of the document to read and obtain our approval for the inclusion or incorporation by reference of any of our reports, or the reference to D&T, in such document before the document is printed and distributed. The inclusion or incorporation by reference of any of our reports in any such document would constitute the reissuance of such reports. The Company also agrees that its management will notify us and obtain our approval prior to including any of our reports on an electronic site.

Our engagement to perform the services described herein does not constitute our agreement to be associated with any such documents published or reproduced by or on behalf of the Company. Any request by the Company to reissue any report issued as a result of this engagement, to consent to any such report's inclusion or incorporation by reference in an offering or other document, or to agree to any such report's inclusion on an electronic site will be considered based on the facts and circumstances existing at the time of such request.

The estimated fees outlined herein do not include any procedures that would need to be performed in connection with any such request. Should D&T agree to perform such procedures, fees for such procedures would be subject to the mutual agreement of the Company and D&T.

\* \* \* \* \*

The parties acknowledge and agree that D&T is being engaged under this engagement letter to provide only the services described herein. Should the Company or the Audit Committee request, and should D&T agree to provide, services (including audit services) beyond those described herein, such services will constitute a separate engagement and will be governed by a separate engagement letter.

This engagement letter, including Appendices A through F attached hereto and made a part hereof, constitutes the entire agreement between the parties with respect to this engagement and supersedes any other prior or contemporaneous agreements or understandings between the parties, whether written or oral, relating to this engagement.

If the above terms are acceptable and the services described are in accordance with your understanding, please sign the copy of this engagement letter in the space provided and return it to us.

Yours truly,

#### Components of an Integrated Audit

An integrated audit includes the following:

- Examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements
- Inquiring directly of the Audit Committee regarding (1) its views about fraud risks in the Company, (2) whether it has knowledge of any actual, suspected, or alleged fraud affecting the Company, and (3) whether it is aware of tips or complaints regarding the Company's financial reporting (including those received through any internal whistleblower program, if such program exists) and, if so, its responses to such tips and complaints

- Evaluating the overall financial statement presentation
- Examining, on a test basis, evidence supporting the design and operating effectiveness of internal control over financial reporting
- Evaluating the effectiveness of internal control over financial reporting

An integrated audit does not include the performance of any procedures with respect to financial information in an interactive data format using eXtensible Business Reporting Language ("XBRL"). Any procedures that the Company requests D&T to perform related to any such XBRL interactive data would be described in a separate engagement letter.

#### Reasonable Assurance

The PCAOB Standards require that we plan and perform the audit to obtain reasonable, rather than absolute, assurance about (1) whether the financial statements are free of material misstatement, whether caused by error or fraud, and (2) whether effective internal control over financial reporting was maintained in all material respects. However, because of the characteristics of fraud, a properly planned and performed audit may not detect a material misstatement or material weakness. Accordingly, there is some risk that a material misstatement of the financial statements or a material weakness in internal control over financial reporting would remain undetected. Also, an integrated audit is not designed to detect error or fraud that is immaterial to the financial statements or deficiencies in internal control over financial reporting that, individually or in combination, are less severe than a material weakness.

## **Inherent Limitations of Internal Control over Financial Reporting**

Because of the inherent limitations of internal control over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal control over financial reporting to future periods are subject to the risk that the internal control may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

## **Interim Reviews**

An interim review is substantially less in scope than an audit in accordance with the PCAOB Standards, the objective of which is to express an opinion on the financial statements taken as a whole. Accordingly, an interim review will not result in the expression of an opinion concerning the fairness of the presentation of the interim financial information in conformity with generally accepted accounting principles and cannot be relied on to reveal all significant matters that would be disclosed in an audit.

An interim review consists principally of applying analytical procedures to pertinent financial data and making inquiries of, and evaluating responses from, certain management personnel of the Company who have responsibility for financial and accounting matters. An interim review also includes obtaining sufficient knowledge of the Company's business and its internal control as they relate to the preparation of both annual and interim financial information to (1) identify the types of potential material misstatements in the interim financial information and consider the likelihood of their occurrence, and (2) select the inquiries and analytical procedures that will provide us with a basis for communicating whether we are aware of any material modifications that should be made to the interim financial information for it to conform with generally accepted accounting principles. An interim review is not designed to provide assurance on internal control or to identify control deficiencies.

An interim review does not include the performance of any procedures with respect to interim financial information in an interactive data format using XBRL.

An interim review also includes procedures, principally observation and inquiries, relating to management's disclosures about changes in internal control over financial reporting to provide us with a basis for communicating whether we are aware of any modifications that, in our judgment, should be made to such disclosures for management's certifications to be accurate and to comply with the requirements of Section 302 of the Sarbanes-Oxley Act of 2002 and related SEC rules and regulations. These procedures are substantially less in scope than an audit of internal control over financial reporting in accordance with the PCAOB Standards. Accordingly, an interim review cannot be relied on to reveal all significant matters that would be disclosed in an audit of internal control over financial reporting, and we will not express an opinion on the effectiveness of internal control over financial reporting.

## APPENDIX B

### MANAGEMENT'S RESPONSIBILITIES

This Appendix B is part of the engagement letter dated April 7, 2020, between Deloitte & Touche LLP and Whiting Petroleum Corporation and acknowledged and agreed to by the Audit Committee of Whiting Petroleum Corporation.

#### **Financial Statements and the Effectiveness of Internal Control over Financial Reporting**

Management is responsible for the preparation, fair presentation, and overall accuracy of the financial statements and interim financial information, including disclosures, in conformity with generally accepted accounting principles. The assessment of the effectiveness of internal control over financial reporting to comply with Section 404 of the Sarbanes-Oxley Act of 2002 and related SEC rules and regulations is also the responsibility of management. In this regard, management has the responsibility for, among other things:

- Selecting and applying the accounting policies
- Establishing and maintaining effective internal control over financial reporting and informing D&T of all deficiencies in the design or operation of internal control over financial reporting identified as part of management's evaluation, including separately disclosing to D&T all such deficiencies that management believes to be significant deficiencies or material weaknesses in internal control over financial reporting
- Informing D&T of significant changes in the design or operation of the Company's internal control over financial reporting that occurred during each fiscal quarter or subsequent to the date being reported on
- Identifying and ensuring that the Company complies with the laws and regulations applicable to its activities and informing us of any known or possible material violations of such laws or regulations
- Adjusting the financial statements to correct material misstatements relating to accounts or disclosures, and affirming to D&T in the representation letter that the effects of any uncorrected misstatements aggregated by us are immaterial, both individually and in the aggregate, to the financial statements taken as a whole
- Providing D&T with (1) access to all information of which management and, where appropriate, the Audit Committee are aware that is relevant to the preparation and fair presentation of the financial statements, such as records, documentation, and other matters, (2) additional information that we may request from management and, where appropriate, the Audit Committee for the purpose of our audit, and (3) unrestricted access to personnel within the Company from whom we determine it necessary to obtain evidence

#### **Management's Representations**

We will make specific inquiries of the Company's management about the representations embodied in the financial statements and management's assessment of the effectiveness of the Company's internal control over financial reporting. In addition, we will request that

management provide us with the written representations the Company is required to provide to its independent registered public accounting firm under the PCAOB Standards. The responses to those inquiries and the written representations of management are part of the evidential matter that D&T will rely on in forming its opinions. We will also request a similar representation letter as part of our interim reviews.

## **Process for Obtaining Preapproval of Services**

Management is responsible for the coordination of obtaining the preapproval of the Audit Committee, in accordance with the Audit Committee's preapproval process, for any services to be provided by D&T to the Company.

## **Program and Subscription Services**

D&T makes available to clients and nonclients various educational and informational programs, seminars, tools, and related services, such as live programs, webcasts (including the Dbriefs webcast series), podcasts, websites, database subscriptions (including some that provide access to D&T proprietary information and tools that offer technical support and advice), checklists, research reports, surveys, published books and other materials, applications, local office seminars, Technical Library, and CXO conferences (collectively, "programs and subscriptions"). D&T may provide these programs and subscriptions free of charge, for a nominal fee, or for a fee at prevailing market rates. In some instances, D&T may include complimentary rooms or meals as part of programs or seminars. Any programs and subscriptions requested by the Company or its affiliates and the related fees (if any) would be subject to the mutual agreement of the Company or its affiliates, as applicable, and D&T and may be described in a separate written agreement. The Company hereby confirms that any use or receipt by the Company or its affiliates of these programs and subscriptions is approved by the Audit Committee in accordance with the Audit Committee's established preapproval policies and procedures.

## **Independence Matters**

In connection with our engagement, D&T, management, and the Audit Committee will assume certain roles and responsibilities in an effort to assist D&T in maintaining independence and ensuring compliance with the securities laws and regulations. D&T will communicate to its partners, principals, and employees that the Company is an attest client. Management of the Company will ensure that the Company, together with its subsidiaries and other entities that comprise the Company for purposes of the financial statements, has policies and procedures in place for the purpose of ensuring that neither the Company nor any such subsidiary or other entity will act to engage D&T or accept from D&T any service that either has not been subjected to their preapproval process or that under SEC or other applicable rules would impair D&T's independence. All potential services are to be discussed with Mr. Horak.

In connection with the foregoing, the Company agrees to furnish to D&T and keep D&T updated with respect to (1) a corporate tree that identifies the legal names of the Company's affiliates, including affiliates as defined in SEC Rule 2-01(f)(4) of Regulation S-X, (e.g., parents, subsidiaries, investors, or investees), together with the ownership relationship among such entities, and (2) any equity or debt securities of the Company and its affiliates (including, without limitation, tax-advantaged debt of such entities that is issued through governmental authorities) that are available to individual investors (whether through stock, bond, commodity, futures or similar markets in or outside of the United States, or equity, debt, or any other securities offerings), together with related securities identification information (e.g., ticker symbols or CUSIP®, ISIN®, or Sedol® numbers). The Company acknowledges and consents that such information may be treated by D&T as being in the public domain.

Management will coordinate with D&T to ensure that D&T's independence is not impaired by hiring former or current D&T partners, principals, or professional employees for certain positions. Management of the Company will ensure that the Company, together with its subsidiaries and other entities that comprise the Company for purposes of the financial statements, also has policies and procedures in place for purposes of ensuring that D&T's independence will not be impaired by hiring a former or current D&T partner, principal, or professional employee in an accounting role or financial reporting oversight role that would cause a violation of securities laws and regulations. Any employment opportunities with the Company for a former or current D&T partner, principal, or professional employee should be discussed with Mr. Horak and approved by the Audit Committee before entering into substantive employment conversations with the former or current D&T partner, principal, or professional employee, if such opportunity relates to serving (1) as chief executive officer, controller, chief financial officer, chief accounting officer, or any equivalent position for the Company or in a comparable position at a significant subsidiary of the Company; (2) on the Company's board of directors; (3) as a member of the Audit Committee; or (4) in any other position that would cause a violation of securities laws and regulations.

For purposes of the preceding five paragraphs, "D&T" shall mean Deloitte & Touche LLP and its subsidiaries; Deloitte Touche Tohmatsu Limited, its member firms, the affiliates of Deloitte & Touche LLP, Deloitte Touche Tohmatsu Limited and its member firms; and, in all cases, any successor or assignee.

## APPENDIX C

### COMMUNICATIONS WITH THE AUDIT COMMITTEE

This Appendix C is part of the engagement letter dated April 7, 2020, between Deloitte & Touche LLP and Whiting Petroleum Corporation and acknowledged and agreed to by the Audit Committee of Whiting Petroleum Corporation.

#### **Independence Communications**

We have the responsibility to comply with the rules and standards of the PCAOB and the securities laws and regulations administered by the SEC regarding auditor independence. To demonstrate compliance with those requirements and in accordance with PCAOB Ethics and Independence Rule 3526, *Communication with Audit Committees Concerning Independence* ("Rule 3526"), we will describe to the Audit Committee, in writing, all relationships between D&T and the Company, its affiliates, or persons in "financial reporting oversight roles" (as defined in SEC Rule 2-01 of Regulation S-X) at the Company, that may reasonably be thought to bear on our independence and affirm to the Audit Committee in such communication whether we are independent of the Company within the meaning of the rules and standards of the PCAOB and the securities laws and regulations administered by the SEC. We also will discuss our independence with the Audit Committee in accordance with Rule 3526. For purposes of this paragraph, "D&T" shall mean Deloitte & Touche LLP and its subsidiaries; Deloitte Touche Tohmatsu Limited, its member firms, the affiliates of Deloitte & Touche LLP, Deloitte Touche Tohmatsu Limited and its member firms; and, in all cases, any successor or assignee.

#### **Other Communications Arising from the Audit or Interim Reviews**

##### ***Fraud and Illegal Acts***

We will report directly to the Audit Committee any fraud of which we become aware that involves senior management and any fraud (whether caused by senior management or other employees) of which we become aware that causes a material misstatement of the financial statements. We will report to senior management any fraud perpetrated by lower level employees of which we become aware that does not cause a material misstatement of the financial statements; however, we will not report such matters directly to the Audit Committee, unless otherwise directed by the Audit Committee.

We will inform the appropriate level of management of the Company and determine that the Audit Committee is adequately informed with respect to illegal acts that have been detected or have otherwise come to our attention during the course of our audit, unless the illegal acts are clearly inconsequential.

##### ***Internal Control Matters***

We will communicate in writing to management and the Audit Committee all material weaknesses (as defined in the PCAOB Standards) identified during the audit. We will also communicate in writing to the Audit Committee all significant deficiencies (as defined in the PCAOB Standards) identified during the audit. If we conclude that the oversight of the Company's external financial reporting and internal control over financial reporting by the Audit Committee is ineffective, we will also communicate that conclusion in writing to the Company's board of directors.

In addition, we will communicate to management in writing all deficiencies in internal control over financial reporting (i.e., those deficiencies in internal control over financial reporting that

are of a lesser magnitude than material weaknesses) identified during the audit and inform the Audit Committee when such communication has been made. When making this communication, we will not repeat information about deficiencies that has been included in previously issued written communications, whether those communications were made by us, internal auditors, or others within the Company.

### ***Other Matters***

We will communicate matters required by PCAOB Auditing Standard 1301, *Communications with Audit Committees*, and SEC Rule 2-07 of Regulation S-X prior to the Company filing our report or consent with the SEC.

In addition, at the request of the Audit Committee, we will provide the Audit Committee with a report in connection with the New York Stock Exchange Corporate Governance Listing Standards.

### ***Interim Reviews***

At the Audit Committee's request, we will not issue a written review report upon completion of our interim reviews; however, we will communicate to management and, if appropriate, the Audit Committee matters that cause us to believe that (1) material modifications should be made to the interim financial information for it to conform with generally accepted accounting principles, (2) modifications to management's disclosures about changes in internal control over financial reporting are necessary for management's certifications to be accurate and to comply with the requirements of Section 302 of the Sarbanes-Oxley Act of 2002 and related SEC rules and regulations, or (3) the Company filed the Form 10-Q before the completion of our review. When conducting our interim reviews, we will also determine whether any other matters required by regulations or the PCAOB Standards as they relate to interim financial information have been identified. If such matters have been identified, we will communicate them to the Audit Committee prior to the filing of interim financial information with the SEC.

## **APPENDIX D**

### **CIRCUMSTANCES AFFECTING TIMING AND FEE ESTIMATE**

This Appendix D is part of the engagement letter dated April 7, 2020, between Deloitte & Touche LLP and Whiting Petroleum Corporation and acknowledged and agreed to by the Audit Committee of Whiting Petroleum Corporation.

The fees estimated for the engagement are based on certain assumptions. Circumstances may arise during the engagement that may significantly affect the targeted completion dates or our fee estimate. As a result, changes to the fees may be necessary. Such circumstances include but are not limited to the following:

#### **Facilitation of the Engagement**

1. Changes to the timing of the engagement at the Company's request. Changes to the timing of the engagement usually require reassignment of personnel used by D&T in the performance of services hereunder. However, because it is often difficult to reassign individuals to other engagements, D&T may incur significant unanticipated costs.
2. All requested information, including documentation of the Company's internal control over financial reporting, is not (a) provided by the Company on the date requested, (b) completed in a format acceptable to D&T, (c) mathematically correct, or (d) in agreement with the appropriate Company records (e.g., general ledger accounts, completed trial balance). D&T will provide the Company with a separate listing of required schedules, information requests, and the dates such items are needed.
3. Significant delays in responding to our requests for information, such as reconciling variances, providing requested supporting documentation (e.g., invoices, contracts, and other documents), or responding to our inquiries of Company management.
4. Deterioration in the quality of the Company's accounting records during the current-year engagement in comparison with the prior-year engagement.
5. A completed trial balance, referenced to the financial statements and interim financial information, is not provided timely by the Company's personnel.
6. Draft financial statements or interim financial information with appropriate supporting documentation are not prepared accurately and timely by the Company's personnel.
7. Electronic files in an appropriate format and containing the information requested are not provided by the Company on the date requested for our use in performing file interrogation. D&T will provide the Company with a separate listing of the required files and the dates the files are needed.
8. The engagement team, while performing work on the Company's premises, is not provided with access to the Internet for purposes of conducting the engagement.
9. The agreed-upon level of support by the Company's internal audit department is not provided or is not suitable for our purposes.

**Significant Issues or Changes**

10. Significant deficiencies or material weaknesses in the design or operating effectiveness of the Company's internal control over financial reporting are identified during our audit that result in either an expansion of the scope of our testing procedures related to internal control over financial reporting and/or an expansion of our audit procedures on the related financial statement accounts.
11. A significant level of proposed audit adjustments is identified during our engagement.
12. A significant number of drafts of the financial statements or interim financial information are submitted for our review, or we identify a significant level of deficiencies in the draft financial statements or interim financial information.
13. Significant new issues or changes as follows:
  - a. Significant new accounting issues.
  - b. Significant changes in accounting policies or practices from those used in prior years.
  - c. Significant events or transactions not contemplated in our budget.
  - d. Significant changes in the Company's financial reporting process or Information Technology systems.
  - e. Significant changes in the Company's personnel, their responsibilities, or their availability.
  - f. Significant changes in auditing standards.
  - g. Significant changes in the Company's use of specialists, or the specialists or their work product does not meet the qualifications required by the PCAOB Standards for our reliance upon their work.
14. Changes in audit scope caused by events that are beyond our control.

**Payment for Services Rendered**

15. Without limiting its rights or remedies, D&T may halt or terminate its services entirely if payment is not received within 30 days of the date of the invoice.

## APPENDIX E

### GENERAL BUSINESS TERMS

This Appendix E is part of the engagement letter to which these terms are attached (the engagement letter, including its appendices, the "engagement letter") dated April 7, 2020, between Deloitte & Touche LLP and Whiting Petroleum Corporation and acknowledged and agreed to by the Audit Committee of Whiting Petroleum Corporation.

1. Independent Contractor. D&T is an independent contractor and D&T is not, and will not be considered to be, an agent, partner, fiduciary, or representative of the Company or the Audit Committee.
2. Survival. The agreements and undertakings of the Company and the Audit Committee contained in the engagement letter will survive the completion or termination of this engagement.
3. Assignment and Subcontracting. Except as provided below, no party may assign any of its rights or obligations (including, without limitation, interests or claims) relating to this engagement without the prior written consent of the other parties. The Company and the Audit Committee hereby consent to D&T subcontracting a portion of its services under this engagement to any affiliate or related entity, whether located within or outside of the United States. Professional services performed hereunder by any of D&T's affiliates or related entities shall be invoiced as professional fees, and any related expenses shall be invoiced as expenses, unless otherwise agreed.
4. Severability. If any term of the engagement letter is unenforceable, such term shall not affect the other terms, but such unenforceable term shall be deemed modified to the extent necessary to render it enforceable, preserving to the fullest extent permissible the intent of the parties set forth herein.
5. Force Majeure. No party shall be deemed to be in breach of the engagement letter as a result of any delays or non-performance directly or indirectly resulting from circumstances or causes beyond its reasonable control, including, without limitation, fire, epidemic or other casualty, act of God, strike or labor dispute, war or other violence, or any law, order or requirement of any governmental agency or authority.
6. Confidentiality. To the extent that, in connection with this engagement, D&T comes into possession of any confidential information of the Company, D&T shall not disclose such information to any third party without the Company's consent, using at least the same degree of care as it employs in maintaining in confidence its own confidential information of a similar nature, but in no event less than a reasonable degree of care. The Company and the Audit Committee hereby consent to D&T disclosing such information (1) as may be required by law or regulation, or to respond to governmental inquiries, or in accordance with applicable professional standards or rules, or in connection with litigation or arbitration pertaining hereto; (2) to the extent such information (i) is or becomes publicly available other than as the result of a disclosure in breach hereof, (ii) becomes available to D&T on a nonconfidential basis from a source that D&T believes is not prohibited from disclosing such information to D&T, (iii) is already known by D&T without any obligation of confidentiality with respect thereto, or (iv) is developed by D&T independently of any disclosures made to D&T hereunder; or (3) to contractors providing administrative, infrastructure, and other support services to D&T and subcontractors providing services in connection with this engagement, in each case, whether located within or outside of the United States, provided that such contractors and subcontractors have agreed to be bound by confidentiality obligations similar to those in this paragraph.

To the extent that any information obtained by D&T from or on behalf of the Company or its employees in connection with the performance of services under the engagement letter relates to a resident of Massachusetts and constitutes "Personal Information" as defined in 201 CMR 17.02 (as may be amended), D&T shall comply with the obligations of 201 CMR 17.00 et. seq. (as may be amended), entitled "Standards for the Protection of Personal Information of Residents of the Commonwealth," with respect to such information.

7. Dispute Resolution. Any controversy or claim between the parties arising out of or relating to the engagement letter or this engagement (a "Dispute") shall be resolved by mediation or binding arbitration as set forth in the Dispute Resolution Provision attached hereto as Appendix F and made a part hereof.

## APPENDIX F

### DISPUTE RESOLUTION PROVISION

This Appendix F is part of the engagement letter dated April 7, 2020, between Deloitte & Touche LLP and Whiting Petroleum Corporation and acknowledged and agreed to by the Audit Committee of Whiting Petroleum Corporation.

This Dispute Resolution Provision sets forth the dispute resolution process and procedures applicable to the resolution of Disputes and shall apply to the fullest extent of the law, whether in contract, statute, tort (such as *negligence*), or otherwise.

Mediation: All Disputes shall be first submitted to nonbinding confidential mediation by written notice to the parties, and shall be treated as compromise and settlement negotiations under the standards set forth in the Federal Rules of Evidence and all applicable state counterparts, together with any applicable statutes protecting the confidentiality of mediations or settlement discussions. If the parties cannot agree on a mediator, the International Institute for Conflict Prevention and Resolution ("CPR"), at the written request of a party, shall designate a mediator.

Arbitration Procedures: If a Dispute has not been resolved within 90 days after the effective date of the written notice beginning the mediation process (or such longer period, if the parties so agree in writing), the mediation shall terminate and the Dispute shall be settled by binding arbitration to be held in New York, New York. The arbitration shall be solely between the parties and shall be conducted in accordance with the CPR Rules for Non-Administered Arbitration that are in effect at the time of the commencement of the arbitration, except to the extent modified by this Dispute Resolution Provision (the "Rules").

The arbitration shall be conducted before a panel of three arbitrators. Each of the Company and Deloitte & Touche LLP shall designate one arbitrator in accordance with the "screened" appointment procedure provided in the Rules, and the two party-designated arbitrators shall jointly select the third in accordance with the Rules. No arbitrator may serve on the panel unless he or she has agreed in writing to enforce the terms of the engagement letter (including its appendices) to which this Dispute Resolution Provision is attached and to abide by the terms of this Dispute Resolution Provision. Except with respect to the interpretation and enforcement of these arbitration procedures (which shall be governed by the Federal Arbitration Act), the arbitrators shall apply the laws of the State of New York (without giving effect to its choice of law principles) in connection with the Dispute. The arbitrators may render a summary disposition relative to all or some of the issues, provided that the responding party has had an adequate opportunity to respond to any such application for such disposition. Discovery shall be conducted in accordance with the Rules.

All aspects of the arbitration shall be treated as confidential, as provided in the Rules. Before making any disclosure permitted by the Rules, a party shall give written notice to all other parties and afford such parties a reasonable opportunity to protect their interests. Further, judgment on the arbitrators' award may be entered in any court having jurisdiction.

Costs: Each party shall bear its own costs in both the mediation and the arbitration; however, the parties shall share the fees and expenses of both the mediators and the arbitrators equally.

Mr. Chris Edwards  
Vice President of Human Resources  
Whiting Petroleum Corporation  
1700 Broadway Street, Suite 2300  
Denver, CO 80290

Dear Ms. Loeffler and Mr. Edwards:

Deloitte & Touche LLP ("D&T" or "we" or "us") is pleased to serve as independent auditors for the 401(k) Employee Savings Plan of Whiting Petroleum Corporation (the "Plan" or "you" or "your"). Ms. Janice Bausch will be responsible for the services that we perform for the Plan hereunder.

In addition to the audit services we are engaged to provide under this engagement letter, we would also be pleased to assist the Plan on issues as they arise throughout the year. Hence, we hope that you will call Ms. Bausch whenever you believe D&T can be of assistance.

The services to be performed by D&T pursuant to this engagement are subject to the terms and conditions set forth herein and in the accompanying appendices. Such terms and conditions shall be effective as of the date of the commencement of such services.

### **Limited-Scope Audit of Financial Statements**

Our engagement is to perform a limited-scope audit in accordance with auditing standards generally accepted in the United States of America ("generally accepted auditing standards") and the method of compliance permitted by 29 CFR 2520.103-8 of the U.S. Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA) ("Limited-Scope Election"). The objective of a limited-scope audit conducted in accordance with generally accepted auditing standards and the Limited-Scope Election is to express an opinion on whether the form and content of the information included in the Plan's financial statements and supplemental schedules required by the DOL for the year ended December 31, 2019, other than that derived from the information certified by the trustee, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Because of the significance of the information that we will not audit, we will be unable to express, and will not express, an opinion on the financial statements and supplemental schedules as a whole.

Appendix A contains a description of the auditor's responsibilities and a description of a limited-scope audit in accordance with generally accepted auditing standards and the Limited-Scope Election.

As part of our limited-scope audit, we will perform certain procedures directed at considering the Plan's compliance with applicable Internal Revenue Code (IRC) requirements for tax-exempt status, including reading the Plan's latest tax determination letter from the Internal Revenue Service (IRS). As we conduct our limited-scope audit, we may become aware that events affecting the Plan's tax status may have occurred. Similarly, we may become aware that events affecting the Plan's compliance with the requirements of ERISA may have occurred. We will inform management of any

instances of tax or ERISA noncompliance that come to our attention during the course of our audit. Management should recognize, however, that our limited-scope audit is not designed to, nor is it intended to, determine the Plan's overall compliance with applicable provisions of the IRC or ERISA.

**D&T Reports**

We expect to issue a written report upon the completion of our limited-scope audit. Our ability to express an opinion or to issue any report as a result of this engagement and the wording thereof will, of course, be dependent on the facts and circumstances at the date of our report. If, for any reason, we are unable to complete our limited-scope audit or are unable to form or have not formed an opinion for reasons other than the nature of the limited-scope audit, we may decline to express an opinion or decline to issue any report as a result of this engagement. If we are unable to complete our limited-scope audit, or if any report to be issued by D&T as a result of this engagement requires modification, the reasons for this will be discussed with the 401(k) Committee of Whiting Petroleum Corporation (the "401(k) Committee") and Plan management ("management").

**Form 5500**

We will not prepare or review the Plan's Form 5500 to be filed with the DOL; however, the audited financial statements of the Plan are required to be filed with the Form 5500. Generally accepted auditing standards require that we read the Form 5500 prior to its filing. The purpose of this procedure is to consider whether such information or the manner of its presentation is materially inconsistent with the information or the manner of its presentation in the financial statements. This procedure is not sufficient or intended for purposes of ensuring that the Plan's Form 5500 is complete or accurately prepared. In the event that our report is issued prior to our having read the Form 5500, management agrees not to attach such report to the financial statements included with the Plan's Form 5500 filing until we have read the completed Form 5500.

**Management's Responsibilities**

Appendix B describes management's responsibilities

**Responsibility of the 401(k) Committee**

As independent auditors of the Plan, we acknowledge that the 401(k) Committee is directly responsible for the appointment, compensation, and oversight of our work, and accordingly, except as otherwise specifically noted, we will report directly to the 401(k) Committee. You have advised us that the services to be performed under this engagement letter, including, where applicable, the use by D&T of affiliates or related entities, have been approved by the 401(k) Committee in accordance with the 401(k) Committee's established preapproval policies and procedures.

**Communications with the 401(k) Committee**

Appendix C describes various matters that we are required by generally accepted auditing standards to communicate with the 401(k) Committee and management.

**Fees**

We estimate that our fees for this engagement will be \$30,000, plus expenses. Subject to any applicable Bankruptcy Court (as defined below) orders, rules or procedures, based on the anticipated timing of the work, our fees will be billed approximately as follows:

<b>Invoice Date</b>	<b>Amount</b>
May 2020	\$25,000

At report issuance	\$5,000
--------------------	---------

Subject to any applicable Bankruptcy Court orders, rules or procedures, we anticipate sending invoices according to the above schedule, and payments are due upon receipt. In addition, subject to any applicable Bankruptcy Court orders, rules or procedures, actual engagement-related expenses will be billed in addition to the fees and will be stated separately on the invoices.

Our continued service on this engagement is dependent upon payment of our invoices in accordance with these terms. Our estimated fees are based on certain assumptions, including (1) timely and accurate completion of the requested entity participation schedules and additional supporting information, (2) no inefficiencies during the audit process or changes in scope caused by events that are beyond our control, (3) the effectiveness of internal control over financial reporting throughout the period under audit, (4) a minimal level of audit adjustments (recorded or unrecorded), and (5) no changes to the timing or extent of our work plans. We will notify you promptly of any circumstances we encounter that could significantly affect our estimate and discuss with you any additional fees, as necessary.

### **Chapter 11 Proceeding**

With respect to Services performed prior to the date of the Plan Sponsor's (as defined below) emergence from its Chapter 11 proceeding, D&T expects to apply for compensation for professional services rendered and for reimbursement of expenses incurred, in accordance with applicable provisions of title 11 of the United States Code (the "Bankruptcy Code"), the Federal Rules of Bankruptcy Procedure, the applicable local rules of bankruptcy procedure (the "Local Rules") and the United States Trustee Guidelines for Reviewing Applications for Compensation and Reimbursement of Expenses Filed under Bankruptcy Code § 330. In such event, payment of fees and reimbursement of expenses will be subject to ultimate allowance and approval by the Bankruptcy Court. However, in the interim, the Plan Sponsor will ask the Bankruptcy Court for approval to allow D&T to submit invoices to the Plan Sponsor for prompt payment in accordance with the Local Rules or practices of the Bankruptcy Court regarding monthly payment of professional fees and expenses. Accordingly, D&T will provide the Plan Sponsor with an invoice on a periodic basis, with the invoice due and payable pursuant to the payment procedures adopted by the Bankruptcy Court in the Plan Sponsor's Chapter 11 proceeding. If applicable, payment of these invoices will be made by the Plan Sponsor on an interim basis subject to approval and allowance upon application to and order by the Bankruptcy Court.

The Plan Sponsor agrees that it will promptly seek the Bankruptcy Court's approval of this engagement and the engagement letter. The notice and other supporting documents (collectively, the "Application") submitted to the Bankruptcy Court seeking its approval of this engagement letter must be satisfactory to D&T in all respects. In addition to D&T's other rights or remedies hereunder, D&T may, in its sole discretion and without any liability arising there from, terminate this engagement in the event that (a) a third party objects or threatens to object, or D&T reasonably believes that a third party may object, in the form of an objection or otherwise, to D&T's retention by the Plan Sponsor on the terms and conditions set forth in this engagement letter, (b) a final order authorizing the employment of D&T is not issued by the Bankruptcy Court on or before sixty (60) days from the filing date of the Plan Sponsor's Chapter 11 petition on the terms and conditions set forth herein, or on such other terms and conditions as are satisfactory to D&T, or (c) the Application is denied by the Bankruptcy Court. In such event, the Plan Sponsor hereby agrees to withdraw or amend, promptly upon D&T's request, any Application filed or to be filed with the Bankruptcy Court to retain D&T's services in the Chapter 11 proceeding.

For purposes of this Engagement Letter, together with the General Business Terms and Appendix A attached hereto, "Bankruptcy Court" shall mean the United States Bankruptcy Court with which the Plan Sponsor has filed a Chapter 11 petition.

**Inclusion of D&T Reports or References to D&T in Other Documents or Electronic Sites**

If the Plan or Whiting Petroleum Corporation (“the Plan Sponsor”) intends to publish or otherwise reproduce in any document any report issued as a result of this engagement, or otherwise make reference to D&T in a document that contains other information in addition to the audited financial statements (e.g., in a periodic filing with a regulator, including the electronic filing of the Form 5500 to the DOL), thereby associating D&T with such document, the Plan and the Plan Sponsor agree that their management will provide D&T with a draft of the document to read and obtain our approval for the inclusion or incorporation by reference of any of our reports, or the reference to D&T, in such document before the document is printed and distributed. The inclusion or incorporation by reference of any of our reports in any such document would constitute the reissuance of such reports. The Plan and the Plan Sponsor also agree that their management will notify us and obtain our approval prior to including any of our reports on an electronic site.

Our engagement to perform the services described herein does not constitute our agreement to be associated with any such documents published or reproduced by or on behalf of the Plan or the Plan Sponsor. Any request by the Plan or the Plan Sponsor to reissue any report issued as a result of this engagement, to consent to any such report’s inclusion or incorporation by reference in an offering or other document, or to agree to any such report’s inclusion on an electronic site will be considered based on the facts and circumstances existing at the time of such request. The estimated fees outlined herein do not include any procedures that would need to be performed in connection with any such request. Should D&T agree to perform such procedures, fees for such procedures would be subject to the mutual agreement of the Plan and D&T.

**Access to Working Papers by Regulators**

We may be requested or required by a regulator of the Plan, including but not limited to the DOL or the IRS (each, a “Regulator”) to provide access to working papers related to this engagement. In the event of any such request or requirement, we will notify you prior to providing such access unless applicable law or regulation prohibits such notice. The working papers for this engagement are the property of D&T and constitute D&T’s confidential information. We may request confidential treatment of our working papers. Access to our working papers will be provided under the supervision of D&T’s personnel and upon request we may provide copies of working papers to a Regulator. The Plan hereby consents, where consent is required, to D&T providing access to working papers and copies thereof to a Regulator. Fees for professional services relating to such access, plus related expenses, will be billed in addition to the estimated fees outlined herein.

\* \* \* \* \*

The parties acknowledge and agree that D&T is being engaged under this engagement letter to provide only the services described herein. Should the Plan or the 401(k) Committee request, and should D&T agree to provide, services (including audit services) beyond those described herein, such services will constitute a separate engagement and will be governed by a separate engagement letter.

This engagement letter, including Appendices A through E attached hereto and made a part hereof, constitutes the entire agreement between the parties with respect to this engagement and supersedes any other prior or contemporaneous agreements or understandings between the parties, whether written or oral, relating to this engagement.

If the above terms are acceptable and the services described are in accordance with your understanding, please sign the copy of this engagement letter in the space provided and return it to us.

Yours truly,

*Deloitte & Touche LLP*

## APPENDIX A

### **AUDITOR'S RESPONSIBILITIES AND DESCRIPTION OF A LIMITED-SCOPE AUDIT PERFORMED IN ACCORDANCE WITH GENERALLY ACCEPTED AUDITING STANDARDS AND THE LIMITED-SCOPE ELECTION**

This Appendix A is part of the engagement letter dated May 14, 2020, between Deloitte & Touche LLP, the 401(k) Employee Savings Plan of Whiting Petroleum Corporation, and Whiting Petroleum Corporation and approved by the 401(k) Committee of Whiting Petroleum Corporation.

#### **Auditor's Responsibilities**

Our responsibilities under generally accepted auditing standards and the Limited-Scope Election include forming and expressing an opinion about whether the form and content of the information included in the financial statements and supplemental schedules that have been prepared by management with the oversight of the 401(k) Committee are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. The limited-scope audit of the financial statements does not relieve management or the 401(k) Committee of their responsibilities.

#### **Limited-Scope Audit**

Generally accepted auditing standards require that we plan and perform the audit, except with respect to information certified by the trustee, to obtain reasonable, rather than absolute, assurance about whether the financial statements as a whole are free from material misstatement, whether caused by fraud or error. However, because of the inherent limitations of an audit, together with the inherent limitations of internal control, an unavoidable risk exists that some material misstatements may not be detected, even though the audit is properly planned and performed in accordance with generally accepted auditing standards. We have no responsibility to plan and perform the audit to obtain reasonable assurance that misstatements, whether caused by fraud or error, that are not material to the financial statements as a whole are detected.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on our judgment, including the assessment of the risks of material misstatement of the financial statements, whether caused by fraud or error. In making those risk assessments, we consider internal control over non-investment areas relevant to the Plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. In addition, we will subject the supplemental schedules that accompany the financial statements to the auditing procedures applied to our audit of the financial statements and certain additional procedures.

Management has elected the method of compliance permitted by the Limited-Scope Election. As permitted under the Limited-Scope Election, management has instructed us not to perform, and we will not perform, any auditing procedures with respect to the following information certified by the trustee, except for comparing the following information certified by the trustee with such information included in the Plan's financial statements and supplemental schedules:

1. Investment Assets and Schedule of Assets Held at End of Year as of December 31, 2019.
2. Investment Income, Investment-Related Expenses and, as applicable, Schedule of Reportable Transactions, Schedule of Loans or Fixed Income Obligations, and Schedule of Leases in Default or Classified as Uncollectible for the year ended December 31, 2019.

**APPENDIX B****MANAGEMENT'S RESPONSIBILITIES**

This Appendix B is part of the engagement letter dated May 14, 2020, between Deloitte & Touche LLP, the 401(k) Employee Savings Plan of Whiting Petroleum Corporation, and Whiting Petroleum Corporation and approved by the 401(k) Committee of Whiting Petroleum Corporation.

**Financial Statements**

Management is responsible for the preparation, fair presentation, and overall accuracy of the financial statements in accordance with accounting principles generally accepted in the United States of America ("generally accepted accounting principles"). In this regard, management has the responsibility for, among other things:

- Selecting and applying the accounting policies
- Designing, implementing, and maintaining effective internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error
- Identifying and ensuring that the Plan complies with the laws and regulations applicable to its activities (including the tax-qualified status of the Plan) and informing us of all instances of identified or suspected noncompliance with such laws or regulations
- Providing us with (1) access to all information of which management is aware that is relevant to the preparation and fair presentation of the financial statements, such as records, documentation, and other matters, (2) additional information that we may request from management for the purpose of our limited-scope audit, and (3) unrestricted access to personnel within the Plan and Plan Sponsor from whom we determine it necessary to obtain audit evidence

Management is also responsible for (1) preparing the supplemental schedules in accordance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, (2) including our report on the supplemental schedules in any document that contains such information and that indicates that D&T has reported on such information, and (3) presenting the supplemental schedules with the audited financial statements.

**Management's Representations**

We will make specific inquiries of management about the representations embodied in the financial statements and supplemental schedules. In addition, we will request that management provide us with the written representations the Plan is required to provide to its independent auditors under generally accepted auditing standards. The responses to those inquiries and the written representations of management are part of the evidential matter that D&T will rely on in forming its opinion.

**Process for Obtaining Preapproval of Services**

Management is responsible for the coordination of obtaining the preapproval of the 401(k) Committee, in accordance with the 401(k) Committee's preapproval process, for any services to be provided by D&T to the Plan.

## **Program and Subscription Services**

D&T makes available to clients and nonclients various educational and informational programs, seminars, tools, and related services, such as live programs, webcasts (including the Dbriefs webcast series), podcasts, websites, database subscriptions (including some that provide access to D&T proprietary information and tools that offer technical support and advice), checklists, research reports, surveys, published books and other materials, applications, local office seminars, Technical Library, and CXO Conferences (collectively, "programs and subscriptions"). D&T may provide these programs and subscriptions free of charge, for a nominal fee, or for a fee at prevailing market rates. In some instances, D&T may include complimentary rooms or meals as part of programs or seminars. Any programs and subscriptions requested by the Plan and the related fees (if any) would be subject to the mutual agreement of the Plan and D&T and may be described in a separate written agreement. The Plan hereby confirms that any use or receipt by the Plan of these programs and subscriptions is approved by the 401(k) Committee in accordance with the 401(k) Committee's established preapproval policies and procedures.

## **Independence Matters**

In connection with our engagement, D&T, management, working together with management of the Plan Sponsor, and the 401(k) Committee will assume certain roles and responsibilities in an effort to assist D&T in maintaining independence and ensuring compliance with the securities laws and regulations. D&T will communicate to its partners, principals, and employees that the Plan is an attest client. Management, working together with management of the Plan Sponsor, will ensure that the Plan and the Plan Sponsor have policies and procedures in place for the purpose of ensuring that neither the Plan nor the Plan Sponsor will not act to engage D&T or accept from D&T any service that either has not been subjected to their preapproval process or that under SEC or other applicable rules would impair D&T's independence. All potential services are to be discussed with Paul Horak, Lead Client Service Partner.

In connection with the foregoing paragraph, the Plan agrees to furnish to D&T and keep D&T updated with respect to a corporate tree that identifies the legal names of the Plan's affiliates, as defined in *AICPA Code of Professional Conduct* Interpretation No. 101-18 (e.g., parents, subsidiaries, investors, or investees) ("Plan Affiliates"), together with the ownership relationship among such entities. Such information will be maintained in a database accessible by D&T in connection with their compliance with AICPA or other applicable independence rules.

Management, working together with management of the Plan Sponsor, will coordinate with D&T to ensure that D&T's independence is not impaired by hiring former or current D&T partners, principals, or professional employees for certain positions. Management, working together with management of the Plan Sponsor, will ensure that the Plan and the Plan Sponsor also have policies and procedures in place for purposes of ensuring that D&T's independence will not be impaired by hiring a former or current D&T partner, principal, or professional employee in an accounting role or financial reporting oversight role that would cause a violation of securities laws and regulations. Any employment opportunities with the Plan or the Plan Sponsor for a former or current D&T partner, principal, or professional employee should be discussed with Paul Horak and approved by the 401(k) Committee before entering into substantive employment conversations with the former or current D&T partner, principal, or professional employee, if such opportunity relates to serving (1) as chief executive officer, controller, chief financial officer, chief accounting officer, or any equivalent position for the Plan or the Plan Sponsor, or in a comparable position at a significant subsidiary of the Plan; (2) on the board of directors of the Plan Sponsor or the Plan; (3) as a member of the 401(k) Committee; or (4) in any other position that would cause a violation of securities laws and regulations.

For purposes of the preceding sections entitled "Independence Matters," "Process for Obtaining Preapproval of Services," and "Program and Subscription Services," "D&T" shall mean Deloitte & Touche LLP and its subsidiaries; Deloitte Touche Tohmatsu Limited, its member firms, the affiliates of Deloitte & Touche LLP, Deloitte Touche Tohmatsu Limited and its member firms; and, in all cases, any successor or assignee.

## APPENDIX C

### COMMUNICATIONS WITH THE 401(K) COMMITTEE

This Appendix C is part of the engagement letter dated May 14, 2020, between Deloitte & Touche LLP, the 401(k) Employee Savings Plan of Whiting Petroleum Corporation, and Whiting Petroleum Corporation and approved by the 401(k) Committee of Whiting Petroleum Corporation.

We are responsible for communicating with the 401(k) Committee significant matters related to the limited-scope audit that are, in our professional judgment, relevant to the responsibilities of the 401(k) Committee in overseeing the financial reporting process.

In connection with the foregoing, we will communicate to the 401(k) Committee any fraud we identify or suspect that involves (1) management, (2) employees of the Plan who have significant roles in internal control, or (3) other employees of the Plan when the fraud results in a material misstatement of the financial statements. In addition, we will communicate with the 401(k) Committee any other matters related to fraud that are, in our professional judgment, relevant to their responsibilities. We will communicate to management any fraud perpetrated by lower-level employees of which we become aware that does not result in a material misstatement of the financial statements; however, we will not communicate such matters to the 401(k) Committee, unless otherwise directed by the 401(k) Committee.

We will also communicate to the 401(k) Committee matters involving the Plan's noncompliance with laws and regulations (including noncompliance with laws and regulations that we believe may be prohibited transactions with parties in interest, or other violations of ERISA rules and regulations) that have come to our attention during the course of our audit, other than when such matters are clearly inconsequential.

In addition, we will communicate in writing to management and the 401(k) Committee any significant deficiencies or material weaknesses in internal control (as defined in generally accepted auditing standards) that we have identified during the limited-scope audit, including those that were remediated during the audit.

Generally accepted auditing standards do not require us to design procedures for the purpose of identifying other matters to communicate with the 401(k) Committee. However, we will communicate to the 401(k) Committee matters required by AICPA AU-C 260, *The Auditor's Communication with Those Charged with Governance*.

## APPENDIX D

### GENERAL BUSINESS TERMS

This Appendix D is part of the engagement letter to which these terms are attached (the engagement letter, including its appendices, the "engagement letter") dated May 14, 2020, between Deloitte & Touche LLP, the 401(k) Employee Savings Plan of Whiting Petroleum Corporation, and Whiting Petroleum Corporation and approved by the 401(k) Committee of Whiting Petroleum Corporation.

1. **Independent Contractor.** D&T is an independent contractor and D&T is not, and will not be considered to be, an agent, partner, fiduciary, or representative of the Plan, the Plan Sponsor, or the 401(k) Committee.
2. **Survival.** The agreements and undertakings of the Plan, the Plan Sponsor, and the 401(k) Committee contained in the engagement letter will survive the completion or termination of this engagement.
3. **Assignment and Subcontracting.** Except as provided below, no party may assign any of its rights or obligations (including, without limitation, interests or claims) relating to this engagement without the prior written consent of the other parties. The Plan, the Plan Sponsor, and the 401(k) Committee hereby consent to D&T subcontracting a portion of its services under this engagement to any affiliate or related entity, whether located within or outside of the United States. Professional services performed hereunder by any of D&T's affiliates or related entities shall be invoiced as professional fees, and any related expenses shall be invoiced as expenses, unless otherwise agreed.
4. **Severability.** If any term of the engagement letter is unenforceable, such term shall not affect the other terms, but such unenforceable term shall be deemed modified to the extent necessary to render it enforceable, preserving to the fullest extent permissible the intent of the parties set forth herein.
5. **Force Majeure.** No party shall be deemed to be in breach of the engagement letter as a result of any delays or non-performance directly or indirectly resulting from circumstances or causes beyond its reasonable control, including, without limitation, fire, epidemic or other casualty, act of God, strike or labor dispute, war or other violence, or any law, order or requirement of any governmental agency or authority.
6. **Confidentiality.** To the extent that, in connection with this engagement, D&T comes into possession of any confidential information of the Plan, D&T shall not disclose such information to any third party without the Plan's and Plan Sponsor's consent, using at least the same degree of care as it employs in maintaining in confidence its own confidential information of a similar nature, but in no event less than a reasonable degree of care. The Plan, Plan Sponsor, and the 401(k) Committee hereby consent to D&T disclosing such information (1) as may be required by law or regulation, or to respond to governmental inquiries, or in accordance with applicable professional standards or rules, or in connection with litigation or arbitration pertaining hereto; (2) to the extent such information (i) is or becomes publicly available other than as the result of a disclosure in breach hereof, (ii) becomes available to D&T on a nonconfidential basis from a source that D&T believes is not prohibited from disclosing such information to D&T, (iii) is already known by D&T without any obligation of confidentiality with respect thereto, or (iv) is developed by D&T independently of any disclosures made to D&T hereunder; or (3) to contractors providing administrative, infrastructure, and other support services to D&T and subcontractors providing services in connection with this engagement, in each case, whether located within or outside of the United States, provided that such contractors and subcontractors have agreed to be bound by confidentiality obligations similar to those in this paragraph. To the extent that any information obtained by D&T from or on behalf of the Plan or its participants in connection with the performance of services under the engagement letter relates to a resident of Massachusetts and constitutes "Personal Information" as defined in 201 CMR 17.02 (as may be amended), D&T shall

comply with the obligations of 201 CMR 17.00 et. seq. (as may be amended), entitled "Standards for the Protection of Personal Information of Residents of the Commonwealth," with respect to such information.

7. **Dispute Resolution.** Any controversy or claim between the parties arising out of or relating to the engagement letter or this engagement (a "Dispute") shall be resolved by mediation or binding arbitration as set forth in the Dispute Resolution Provision attached hereto as Appendix E and made a part hereof.

## APPENDIX E

### DISPUTE RESOLUTION PROVISION

This Appendix E is part of the engagement letter dated May 14, 2020, between Deloitte & Touche LLP, the 401(k) Employee Savings Plan of Whiting Petroleum Corporation, and Whiting Petroleum Corporation and approved by the 401(k) Committee of Whiting Petroleum Corporation.

This Dispute Resolution Provision sets forth the dispute resolution process and procedures applicable to the resolution of Disputes and shall apply to the fullest extent of the law, whether in contract, statute, tort (such as *negligence*), or otherwise.

**Mediation:** All Disputes shall be first submitted to nonbinding confidential mediation by written notice to the parties, and shall be treated as compromise and settlement negotiations under the standards set forth in the Federal Rules of Evidence and all applicable state counterparts, together with any applicable statutes protecting the confidentiality of mediations or settlement discussions. If the parties cannot agree on a mediator, the International Institute for Conflict Prevention and Resolution ("CPR"), at the written request of a party, shall designate a mediator.

**Arbitration Procedures:** If a Dispute has not been resolved within 90 days after the effective date of the written notice beginning the mediation process (or such longer period, if the parties so agree in writing), the mediation shall terminate, and the Dispute shall be settled by binding arbitration to be held in New York, New York. The arbitration shall be solely between the parties and shall be conducted in accordance with the CPR Rules for Non-Administered Arbitration that are in effect at the time of the commencement of the arbitration, except to the extent modified by this Dispute Resolution Provision (the "Rules").

The arbitration shall be conducted before a panel of three arbitrators. The Plan and the Plan Sponsor, on one hand, and Deloitte & Touche LLP, on the other hand, shall designate one arbitrator in accordance with the "screened" appointment procedure provided in the Rules, and the two party-designated arbitrators shall jointly select the third in accordance with the Rules. No arbitrator may serve on the panel unless he or she has agreed in writing to enforce the terms of the engagement letter (including its appendices) to which this Dispute Resolution Provision is attached and to abide by the terms of this Dispute Resolution Provision. Except with respect to the interpretation and enforcement of these arbitration procedures (which shall be governed by the Federal Arbitration Act), the arbitrators shall apply the laws of the State of New York (without giving effect to its choice of law principles) in connection with the Dispute. The arbitrators may render a summary disposition relative to all or some of the issues, provided that the responding party has had an adequate opportunity to respond to any such application for such disposition. Discovery shall be conducted in accordance with the Rules.

All aspects of the arbitration shall be treated as confidential, as provided in the Rules. Before making any disclosure permitted by the Rules, a party shall give written notice to all other parties and afford such parties a reasonable opportunity to protect their interests. Further, judgment on the arbitrators' award may be entered in any court having jurisdiction.

**Costs:** Each party shall bear its own costs in both the mediation and the arbitration; however, the parties shall share the fees and expenses of both the mediators and the arbitrators equally.

## **DISCLOSURE**

From time to time, Deloitte USA LLP, Deloitte LLP and their respective subsidiaries (collectively, “we”, “us” or “Company”) may be required by law to provide to you certain written notices or disclosures related to the use of DocuSign and/or electronic signatures (“Disclosures”). Described below are the terms and conditions for providing to you such Disclosures electronically through the DocuSign, Inc. (DocuSign) electronic signing system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to these terms and conditions, please confirm your agreement by clicking the 'I agree' checkbox.

### **Getting paper copies**

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after signing session and, if you elect to create a DocuSign signer account, you may access them for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.0000 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

### **Withdrawing your consent**

If you decide to receive Disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required Disclosures only in paper format. How you must inform us of your decision to receive future Disclosures in paper format and withdraw your consent to receive Disclosures electronically is described below.

### **Consequences of changing your mind**

If you elect to receive required Disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required Disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper Disclosures. To indicate to us that you are changing your mind, you must withdraw your consent using the DocuSign 'Withdraw Consent' form on the signing page of a DocuSign envelope instead of signing it. This will indicate to us that you have withdrawn your consent to receive required Disclosures electronically from us and you will no longer be able to use the DocuSign system to receive required Disclosures electronically from us or to sign electronically documents from us.

### **All Disclosures will be sent to you electronically**

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all Disclosures that are required to be provided or made available to you. To reduce the chance of you inadvertently not receiving any Disclosures, we prefer to provide all of the required Disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the Disclosures electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the Disclosures electronically from us.

### **How to contact Deloitte:**

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive Disclosures electronically as follows:

**To advise Deloitte of your new e-mail address**

To let us know of a change in your e-mail address where we should send Disclosures electronically to you, you must send an email message to us at [Deloitte Global eSignature Support](#) and in the body of such request you must state: your previous e-mail address and your new e-mail address. We do not require any other information from you to change your email address. In addition, you must notify DocuSign, Inc. to arrange for your new email address to be reflected in your DocuSign account by following the process for changing e-mail in the DocuSign system.

**To request paper copies from Deloitte**

To request delivery from us of paper copies of the Disclosures previously provided by us to you electronically, you must send us an e-mail to [Deloitte Global eSignature Support](#) and in the body of such request you must state your e-mail address, full name, US Postal address, and telephone number.

**To withdraw your consent with Deloitte**

To inform us that you no longer want to receive future Disclosures in electronic format you may:

- i. decline to sign a document from within your DocuSign session, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may;
- ii. send us an e-mail to [Deloitte Global eSignature Support](#) and in the body of such request you must state your e-mail, full name, US Postal Address, and telephone number. We do not need any other information from you to withdraw consent. The consequences of your withdrawing consent for online documents will be that transactions may take a longer time to process.
