

Royalty Owners FAQs

ROYALTY OWNERS

1. What does this mean for royalty owners?

- We expect operations to continue as normal throughout this court-supervised process.
- Upon entering the Chapter 11 process, Whiting petitioned the court to consider several “first day” motions. These include the ability to continue to make payments to mineral interest owners (including both royalty owners and JIB operators) on undisputed amounts when due in the ordinary course of business.
- Importantly, the judge approved the Royalty Motion on a final basis meaning you can expect your royalty relationship with Whiting to continue without disruption. We appreciate your continued support and look forward to continuing to work together so we can achieve our mutual success.

2. Can I cash my royalty checks issued prior to the bankruptcy filing?

- As part of the first day motions, the Company asked for authorization to pay and our banks to honor any outstanding royalty checks issued before the Chapter 11 filing. If your checks are not honored, please contact your normal Whiting representative or the Company’s dedicated restructuring hotline (800) 330-2531.

3. Will my contacts remain the same?

- Yes. You can continue to reach out to your normal contacts.

4. How can I obtain more information?

- There is a dedicated call center which can be reached at (800) 330-2531 and a website at cases.stretto.com/whitingpetroleum to answer your questions regarding the restructuring.
