

Neiman Marcus | Group

August 26, 2020

NMG Retirees:

On Aug. 21, we communicated through the filing of our Plan Supplement that Neiman Marcus Group's supplemental retiree medical benefit plan would be eliminated upon emergence.

We are pleased to announce this will be reversed and the company will not eliminate the retiree medical benefit plans. Instead, NMG will assume these plans.

As a reminder and as previously communicated, there has been no change or impact to the NMG qualified retirement plans, including pension or 401K plans.

Regards,

Eric Severson
Chief People & Belonging Officer
Neiman Marcus Group
