CLASS SETTLEMENT AGREEMENT

This Class Settlement Agreement (this “Settlement Agreement,” “Settlement,” or “Agreement”), dated as of December 2, 2020, is entered into by and between (a) Nanette Kearney, Krister Johnson, and Sandra Shorago (each a “Customer Class Representative,” and collectively, the “Customer Class Representatives”), on behalf of themselves and in their capacity as representatives of the Customer Class (as that term is defined herein), and (b) Galileo Learning, LLC (“Galileo” or the “Debtor”), on behalf of itself and in its capacity as the debtor in possession and representative of the Estate (as that term is defined herein), and is effective on the Effective Date (as that term is defined herein). The Customer Class Representatives and the Debtor are referred to collectively as the “Parties” and individually as a “Party.”

1. INTERPRETATION

- 1.1. **Defined Terms.** Except as otherwise defined in this Agreement, or the context otherwise requires, all capitalized terms that appear in this Agreement, when used in this Agreement, shall have the respective meanings set forth in Exhibit A hereto.
- 1.2. **Rules of Interpretation.** The following rules of interpretation shall apply in interpreting this Agreement:
 - (a) Unless otherwise specified, any reference to a “Section” or an “Exhibit” is a reference to a section of or an exhibit to this Agreement, respectively;
 - (b) Any Exhibit is incorporated into this Agreement and deemed to be included in and part of this Agreement;
 - (c) Whenever the context so requires, (1) any term stated in the singular or the plural (e.g., it/its or they/their) includes both the singular and the plural, and (2) any term stated in the masculine, feminine, or neuter gender (e.g., he/his, she/her, or it/its) includes the masculine, feminine, and neuter genders;
 - (d) Unless otherwise specified, the phrase “under this Agreement” or any similar word or phrase (e.g., “of this Agreement,” “in this Agreement,” “hereunder,” “hereof,” “herein,” etc.) refers to this Agreement in its entirety, rather than to only a particular portion or portions of this Agreement;
 - (e) Any caption or heading to a Section or an Exhibit is inserted only as a matter of convenience and for reference and is not intended to (1) be part of this Agreement, (2) define, limit, extend, or describe the scope of this Agreement, or (3) otherwise affect the interpretation or construction of this Agreement;
 - (f) Any use of “include,” “includes,” or “including” is without limitation, whether stated or not;

- (g) Unless otherwise specified, any reference to an agreement, contract, instrument, release, or other document being in a particular form or on particular terms and conditions means that such document shall be substantially in that form or substantially on those terms and conditions; and
- (h) Unless otherwise specified, any reference to an existing document, schedule, or exhibit means such document, schedule, or exhibit, as it may have been or may be amended, restated, supplemented, or otherwise modified from time to time.

2. RECITALS

- 2.1. From late 2019 to early 2020, thousands of individuals paid money to or for the benefit of Galileo as deposits for Galileo's in-person camp programs scheduled for 2020 and other goods and services offered in connection with those camp programs. However, due to the Covid-19 pandemic and the governmental orders and directives in response thereto, in April 2020, Galileo canceled all of its camp programs and was unable to, and did not, provide refunds to any individuals.
- 2.2. On April 23, 2020, Nanette Kearney, on behalf of herself and others similarly situated, filed a class action complaint against Galileo, its affiliate Galileo Learning Franchising LLC, and its principal Glen Tripp in the United States District Court for the Northern District of California, commencing the Civil Case.
- 2.3. On May 6, 2020, Galileo filed a voluntary petition under chapter 11 of the Bankruptcy Code in the Court, commencing the Chapter 11 Case, which is being jointly administered with the chapter 11 case of Galileo Learning Franchising LLC. The Civil Case remains pending but has been stayed due to the automatic stay.
- 2.4. In its first-day motions filed in the Chapter 11 Case, Galileo acknowledged that "some 10,585 families . . . had paid, in the aggregate, approximately \$11,636,780 . . . in 'tuition' for this Summer's programs."
- 2.5. On May 20, 2020, the Court entered the Summer 2020 Settlement Order in the Chapter 11 Case, which authorized Galileo to present the Summer 2020 Settlement Offer to the Customers. Under the Summer 2020 Settlement Offer, a Customer had until June 26, 2020, to elect the Credit Option or Coupon Option, if they so desired, or the Customer could make no election and retain their monetary Claim. Galileo estimates that (a) 4,054 Customers holding Claims totaling \$4,497,008.15 timely elected the Credit Option in response to the Summer 2020 Settlement Offer, and (b) 1,090 Customers holding Claims totaling \$1,075,299.29 timely elected the Coupon Option in response to the Summer 2020 Settlement Offer.
- 2.6. Some Customers sought a return or refund of some or all of their money paid to Galileo by pursuing a chargeback through their payment issuer. Those who were refunded all of their money by their payment issuer would be made whole and no longer hold any Claim, while those who were refunded less than all of their money would still hold a Claim but in a reduced amount. Galileo estimates that, as of

November 13, 2020, (a) 1,229 Customers, who had held Claims totaling \$1,561,873.75, received all of their money back through a chargeback, (b) 63 Customers, who had held Claims totaling \$104,867.28, received some of their money back through a chargeback (with those chargebacks totaling \$73,065.63 and those Customers' remaining Claims then totaling \$31,801.65), and (c) 17 Customers, who had held Claims totaling \$26,613.75, received back, through a chargeback, more than what they had originally paid (with those chargebacks totaling \$34,395.71 and those Customers then altogether owing Galileo \$7,781.96).

2.7. On August 5, 2020, Nanette Kearney, on behalf of herself and others similarly situated, filed the *Class Representative's Motion for Order Applying Civil Rule 23 to Claims Administration Process and Authorizing Filing of Class Proof of Claim* in the Chapter 11 Case, at docket no. 148.

2.8. On October 13, 2020, Nanette Kearney, Sandra Shorago, and Krister Johnson, on behalf of themselves and others similarly situated, filed the *Supplement to Class Representative's Motion for Order Applying Civil Rule 23 to Claims Administration Process and Authorizing Filing of Class Proof of Claim* in the Chapter 11 Case, at docket no. 202.

2.9. On November 9, 2020, the Court entered the Class Certification Order in the Chapter 11 Case, which (a) made Civil Rule 23, via Bankruptcy Rule 7023, via Bankruptcy Rule 9014(c), applicable to the claims administration process in the Chapter 11 Case, (b) certified the Customer Class as a "mandatory" class under Civil Rule 23(b)(1)(B), (c) designated the three Customer Class Representatives as the representatives of the Customer Class, (d) appointed the Class Counsel as co-counsel for the Customer Class, and (e) authorized the Customer Class Representatives to file a class proof of claim on behalf of the Customer Class.

2.10. Following the entry of the Class Certification Order, Galileo provided the Customer Class Representatives certain information regarding the Customers and their Claims. Based upon that information, the Customer Class Representatives estimate that, as of November 13, 2020,

- (a) Approximately 1,246 Customers formerly holding Claims totaling approximately \$1,588,487.50 are Made-Whole Customers (i.e., excluded from the Customer Class); and
- (b) Approximately 9,250 Customers holding Claims totaling approximately \$9,923,582.30 are Customer Class Members (i.e., included in the Customer Class), out of which
 - (1) Approximately 4,054 Customers holding Claims totaling approximately \$4,497,008.15 previously made a timely election of the Credit Option in response to the Summer 2020 Settlement Offer,

- (2) Approximately 1,090 Customers holding Claims totaling approximately \$1,075,299.29 previously made a timely election of the Coupon Option in response to the Summer 2020 Settlement Offer, and
- (3) Approximately 4,106 Customers holding Claims totaling approximately \$4,351,274.86 did not previously make a timely election of the Credit Option or Coupon Option in response to the Summer 2020 Settlement Offer.

Accordingly, the Customer Class Representatives estimate that the amount of the Customer Class Representative Claim is approximately \$9,923,582.30, which is comprised of approximately 9,250 individual Customer Class Member Claims.

- 2.11. On November 18, 2020, the Customer Class Representatives filed the Class Proof of Claim in the Chapter 11 Case, asserting the Customer Class Representative Claim in the amount of \$9,923,582.30, of which \$9,740,318.10 is asserted to be a priority unsecured claim under § 507(a)(7) of the Bankruptcy Code and \$183,264.20 is asserted to be a nonpriority unsecured claim.
- 2.12. Throughout the pendency of the Chapter 11 Case, the Class Counsel and Debtor's Counsel have engaged in extensive, arms'-length negotiations to reach an accord, whereby the Customer Class Members could receive the best possible treatment on account of their Customer Class Member Claims given the present circumstances and Galileo could avoid the cessation of its business and liquidation of its assets through a conversion of the Chapter 11 Case to one under chapter 7 of the Bankruptcy Code. The Parties acknowledge that in the event of such conversion, each Customer Class Member would recover significantly less than the amount of their Customer Class Member Claim.
- 2.13. The Parties have agreed to settle the claims, disputes, and issues relating to the Customer Class and the treatment of the Customer Class Member Claims in accordance with the terms of this Agreement, subject to the Court's Final Approval of this Agreement and confirmation of the Plan.

3. SETTLEMENT TERMS AND CONDITIONS

- 3.1. **Recitals.** The recitals under Section 2 hereof are incorporated by this reference as though fully set forth herein and shall constitute a part of this Agreement.
- 3.2. **Approval and Effectiveness of Settlement.**
 - 3.2.1. **Effective Date.** This Agreement shall become binding and effective on the first Business Day after which each of the following conditions has been satisfied (the "Effective Date"):
 - (a) Each Party has executed and delivered this Agreement;

- (b) The Court has granted Preliminary Approval of this Agreement and entered the Preliminary Approval Order in the Chapter 11 Case, in a form and in substance reasonably satisfactory to the Parties;
- (c) The Court has granted Final Approval of this Agreement and entered the Final Approval Order in the Chapter 11 Case, in a form and in substance reasonably satisfactory to the Parties;
- (d) The Final Approval Order has become a Final Order;
- (e) The Debtor has filed the Plan in the Chapter 11 Case, in a form and in substance consistent with this Agreement;
- (f) The Court has confirmed the Plan and entered the Confirmation Order in the Chapter 11 Case; and
- (g) The Confirmation Order has become a Final Order.

Notwithstanding the foregoing, the Parties shall comply in good faith with all obligations set forth herein that arise prior to the Effective Date in order to effectuate and implement this Agreement on and after the Effective Date.

- 3.2.2. **Binding Effect.** This Agreement shall be binding upon and inure to the benefit of the Debtor, Estate, Customer Class Representatives, Customer Class Members, and their respective successors, transferees, heirs, and assigns, including the Reorganized Debtor or any other entity into which the Debtor may reorganize.
- 3.2.3. **Exclusion of Made-Whole Customers.** A Made-Whole Customer is not or no longer considered a member of the Customer Class. Accordingly, nothing contained in this Agreement shall be construed as granting or conferring any rights or benefits to any Made-Whole Customers.
- 3.2.4. **Absence of Court Approval.** If the Court (a) declines to grant Preliminary or Final Approval of all material terms of this Agreement or (b) orders that Preliminary or Final Approval of this Agreement is conditioned upon material alterations to this Agreement to which the Parties do not agree, this Agreement shall be deemed null and void, and the Parties shall have no further obligations under this Agreement, with all rights expressly reserved by the Parties. For the avoidance of doubt, material alterations include changes to the benefits provided to the Customer Class Members or the timeframe for making any Settlement Disbursements.
- 3.2.5. **Minor Alterations.** The Court may make minor alterations to the terms of this Agreement that the Court deems necessary to grant Preliminary or

Final Approval thereof, and the Court, in its discretion, may hear argument from the Parties regarding any minor alterations or may make any minor alterations without further input from the Parties. Any minor alterations to this Agreement by the Court shall be reflected in the Preliminary Approval Order or Final Approval Order, as applicable, and deemed incorporated into this Agreement and immediately effective, unless otherwise specified by the Court. For the avoidance of doubt, minor alterations include changes to the procedure of settlement administration, the form and manner of notice to the Customer Class Members regarding this Agreement, or the timeframe for seeking Final Approval.

3.3. Settlement Treatment Provided to Customer Class Members.

3.3.1. Prior Election Made.

3.3.1.1. **Prior Election of Credit Option.** A Customer Class Member who previously made a timely election of the Credit Option in response to the Summer 2020 Settlement Offer shall, in full satisfaction, discharge, exchange, and release of their Customer Class Member Claim, continue to receive and retain the rights and benefits of the Credit Option, the terms and conditions of which are set forth in the Summer 2020 Settlement Order, and on the Effective Date, the Reorganized Debtor shall assume all of the Debtor's obligations in connection therewith.

3.3.1.2. **Prior Election of Coupon Option.** A Customer Class Member who previously made a timely election of the Coupon Option in response to the Summer 2020 Settlement Offer shall, in full satisfaction, discharge, exchange, and release of their Customer Class Member Claim, continue to receive and retain the rights and benefits of the Coupon Option, the terms and conditions of which are set forth in the Summer 2020 Settlement Order, and on the Effective Date, the Reorganized Debtor shall assume all of the Debtor's obligations in connection therewith.

3.3.1.3. **Disclosure Regarding Benefits.** For the avoidance of doubt, any Customer Class Member who previously made a timely election of the Credit Option in response to the Summer 2020 Settlement Offer is not entitled to receive the same rights and benefits of the Credit Option now offered to an Electing Customer Class Member under this Agreement (as set forth in **Exhibit B** hereto), and any Customer Class Member who previously made a timely election of the Coupon Option in response to the Summer 2020 Settlement Offer is not entitled to receive the same rights and benefits of the Coupon Option now offered to an Electing Customer Class Member under this Agreement (as set forth in **Exhibit C** hereto). The rights and

benefits of the Credit Option and Coupon Option offered under the Summer 2020 Settlement Offer are as set forth in the Summer 2020 Settlement Order.

3.3.2. **No Prior Election Made.**

3.3.2.1. **Available Treatment Options.** An Electing Customer Class Member (i.e., a Customer Class Member who did not previously make a timely election of the Credit Option or Coupon Option in response to the Summer 2020 Settlement Offer) shall elect one of the following three Treatment Options in full satisfaction, discharge, exchange, and release of their Customer Class Member Claim:

- (a) The Credit Option, as set forth in **Exhibit B** hereto;
- (b) The Coupon Option, as set forth in **Exhibit C** hereto; or
- (c) The Deferred Cash Payment Option, as set forth in **Exhibit D** hereto.

3.3.2.2. **Election of Treatment Option.** An Electing Customer Class Member has made a timely and effective election of a Treatment Option if

- (a) The Electing Customer Class Member completed and executed the Settlement Response Form, in which they marked the appropriate box for their elected Treatment Option; and
- (b) The Electing Customer Class Member returned the Settlement Response Form to the Settlement Administrator in an authorized manner, such that it was actually received by the Settlement Response Deadline.

3.3.2.3. **Failure to Make Election.** An Electing Customer Class Member who has not made a timely and effective election of any Treatment Option shall be deemed to have elected the Deferred Cash Payment Option.

3.3.3. **Tax Consequences.** In the Customer Class Notice, notice shall be given advising each Customer Class Member to seek their own personal tax advice regarding (a) any potential tax consequences of receiving the Credit, Coupon, or Deferred Cash Payments and (b) if applicable, any potential tax consequences from the reduction or adjustment in their rights and benefits to the Credit, Coupon, or Deferred Cash Payments to account for the Administrative Costs, Class Counsel Fee Award, and Service

Awards. **For the avoidance of doubt, the Debtor, Debtor's Counsel, Customer Class Representatives, and Class Counsel have not made, and are not making in connection with this Agreement, any representations regarding possible tax consequences relating to the Credit, Coupon, or Deferred Cash Payments, and the Debtor, Debtor's Counsel, Customer Class Representatives, and Class Counsel shall not be held responsible for any such tax consequences.**

3.4. Plan-Related Provisions Affecting Customer Class Members.

- 3.4.1. **Incorporation of Settlement.** The Debtor shall incorporate this Agreement in the Plan by reference but need not attach a copy of this Agreement as an exhibit to the Plan.
- 3.4.2. **Conflicting Provisions.** Except to the extent waived by the Customer Class Representatives in writing, the Debtor shall not file or propose an iteration of the Plan in the Chapter 11 Case that conflicts or is inconsistent with this Agreement. To the extent that there is any conflict or inconsistency between the provisions of this Agreement and the provisions of the Plan Document (i.e., the Plan, without incorporating this Agreement or any provision hereof), the provisions of this Agreement shall control.
- 3.4.3. **Allowed Customer Class Representative Claim.** The Debtor shall not file an objection to the Class Proof of Claim or otherwise object to the allowance of the Customer Class Representative Claim in the Chapter 11 Case, except to the extent that the Customer Class Representative Claim is considered to be inconsistent with the following provisions:
 - (a) For pre-confirmation purposes (including Plan-voting purposes), the Customer Class Representative Claim is an Allowed Customer Class Representative Claim in the estimated amount of \$9,923,582.30, of which \$9,740,318.10 is a priority unsecured claim under § 507(a)(7) of the Bankruptcy Code and \$183,264.20 is a nonpriority unsecured claim; and
 - (b) For post-confirmation purposes (including Plan-compliance or Plan-performance purposes), the Customer Class Representative Claim is an Allowed Customer Class Representative Claim in the amount equal to the aggregate amount of all Allowed Customer Class Member Claims.
- 3.4.4. **Effect of Filed Proofs of Claim.** To the extent that a Customer Class Member has filed a Proof of Claim on account of their Customer Class Member Claim in the Chapter 11 Case, such Customer Class Member Claim shall (a) be deemed duplicative of the corresponding portion of the Customer Class Representative Claim for Plan-related purposes and (b) not be individually or separately placed in a class under the Plan

(except to the extent that such Customer Class Member Claim is considered part of the Customer Class Representative Claim that is already placed in a class under the Plan).

3.4.5. **Plan Classification.** The Plan shall place the Customer Class Representative Claim in a single class, and no other Claims shall be placed in that class (except to the extent that a Customer Class Member Claim is considered to be a separate Claim). To the extent that the Court requires that the Customer Class Representative Claim be bifurcated and that the bifurcated portions thereof be placed into two separate subclasses under the Plan, the single class under the Plan shall be deemed to be two separate subclasses (with each subclass containing the appropriate bifurcated portion of the Customer Class Representative Claim), and a ballot voted in the single class by the Customer Class Representatives shall be deemed to be a ballot voted in each subclass.

3.4.6. **Plan Treatment.** In the class containing the Customer Class Representative Claim, the Plan shall provide that a Customer Class Member, as an individual holder of a Customer Class Member Claim (that comprises part of the Customer Class Representative Claim), shall receive, on account of such Customer Class Member Claim, the applicable treatment provided in this Agreement.

3.4.7. **Plan Disbursements to Junior Creditors.** Until and unless all Deferred Cash Payments have been made and all Customer Class Members who elected the Deferred Cash Payment Option have otherwise received the maximum recovery permitted under this Agreement, the Reorganized Debtor shall not make any Plan Disbursements to any holder of a Claim on account thereof, to the extent that such Claim is (a) junior in priority to the portion of the Customer Class Representative Claim that constitutes a priority unsecured claim under § 507(a)(7) of the Bankruptcy Code and (b) not a Customer Class Member Claim. Notwithstanding the foregoing, the Reorganized Debtor may, in its discretion, make Plan Disbursements to the holders of a Claim in the class under the Plan consisting of nonpriority unsecured claims held primarily by trade creditors if

- (x) Such Plan Disbursements are made no earlier than May 1, 2024;
- (y) At the time that such Plan Disbursements are made, each Customer Class Member who elected the Deferred Cash Payment Option has already received Deferred Cash Payments in the aggregate amount equal to 75.0% of their Effective Date Principal; and

(z) The aggregate amount of such Plan Disbursements does not exceed the lesser of (1) 50.0% of the allowed Claims in such class under the Plan or (2) \$200,000.

The language in this Section shall be expressly included in the Plan.

3.4.8. **Plan Voting.** In the class containing the Customer Class Representative Claim, the Plan shall provide that (a) the Customer Class Representatives, as the representative holders of the Customer Class Representative Claim, shall be entitled to vote on the Plan, via a single, joint ballot, on account of the Customer Class Representative Claim (and all Customer Class Member Claims), and (b) no Customer Class Members shall be entitled to individually or separately vote on the Plan on account of their Customer Class Member Claim.

3.4.9. **Plan Acceptance and Consent.** If the Plan is in a form and in substance consistent with this Agreement, the Customer Class Representatives shall vote to accept the Plan and provide their affirmative consent to the Plan's treatment of the Customer Class Representative Claim (and all Customer Class Member Claims) to the extent that such treatment is deemed different than the treatment otherwise required under § 1129(a)(9)(B) of the Bankruptcy Code.

3.5. **Payments to Customer Class Representatives.**

3.5.1. **Service Award.** Each Customer Class Representative shall receive, in addition to the Treatment Option elected on account of their Customer Class Member Claim, a Service Award on account of their services as a designated representative of the Customer Class. Subject to the approval of the Court, the Customer Class Representatives will request that the Service Awards be allowed in the following amounts:

(a) For Nanette Kearney, in an amount not to exceed \$10,000; and

(b) For Sandra Shorago and Krister Johnson, in an amount not to exceed \$5,000 (for each).

The Debtor shall not object to the allowance of the above requested Service Awards.

3.5.2. **Service Payments.** The Settlement Administrator shall make the Service Payments to the Customer Class Representatives in accordance with the Disbursement Schedule and subject to the Disbursement Priority Scheme. No taxes will be deducted or withheld from any Service Payments, and the Reorganized Debtor shall instead issue a Form 1099 to each Customer Class Representative, with respect to the Service Payments received thereby.

3.6. **Payments to Class Counsel.**

- 3.6.1. **Class Counsel Fee Award.** The Class Counsel shall receive the Class Counsel Fee Award on account of their services as the appointed co-counsel for the Customer Class. Subject to the approval of the Court, the Class Counsel will request that the Class Counsel Fee Award be allowed in an amount of not to exceed \$600,000 (representing approximately 6.05% of the estimated aggregate amount of the Customer Class Member Claims held by all Customer Class Members and approximately 13.79% of the estimated aggregate amount of the Customer Class Member Claims held by the Electing Customer Class Members). The Debtor shall not object to the allowance of the above requested Class Counsel Fee Award.
- 3.6.2. **Class Counsel Fee Payments.** The Settlement Administrator shall make the Class Counsel Fee Payments to the Class Counsel in accordance with the Disbursement Schedule and subject to the Disbursement Priority Scheme. No taxes will be deducted or withheld from any Class Counsel Fee Payments, and the Reorganized Debtor shall instead issue a Form 1099 to the Class Counsel, with respect to the Class Counsel Fee Payments received thereby.

3.7. **Settlement Administrator.**

- 3.7.1. **Appointment.** The Settlement Administrator shall be appointed by the Court in the Preliminary Approval Order, provided that such appointment is conditioned upon the Settlement Administrator agreeing to be bound by this Agreement with respect to the performance of the duties and services and the compensation set forth herein.
- 3.7.2. **Selection.** The Parties will request that the Court appoint Atticus Administration, Inc. (“Atticus”) as the Settlement Administrator. To the extent necessary, the Parties shall execute a joint retention agreement with Atticus, provided that such joint retention agreement is not inconsistent with the terms set forth in this Agreement. In the event that Atticus is not appointed by the Court as the Settlement Administrator, or is unable to administer the Settlement on the terms set forth herein, the Parties will request that the Court appoint another third party as the Settlement Administrator mutually agreeable to the Parties.
- 3.7.3. **Duties.** The Settlement Administrator shall administer the Settlement established by this Agreement, subject to monitoring by the Class Counsel and the Debtor or Reorganized Debtor, as applicable. The Class Counsel, Debtor, and Reorganized Debtor shall cooperate with the Settlement Administrator in connection with the performance of its duties and services set forth in this Agreement or any other function or service necessary to administer the Settlement.

3.7.3.1. **Pre-Effective Date Duties.** Prior to the Effective Date, the Settlement Administrator shall be responsible for, without limitation, (a) establishing the Customer Database; (b) establishing the Settlement Website; (c) replicating all Customer Website Data from the Customer Database to the Settlement Website; (d) creating an online version of the Settlement Response Form on the Settlement Website; (e) responding to inquiries from the Customer Class Members, as appropriate; (f) receiving, processing, and evaluating the Settlement Response Forms; and (g) collecting, updating, and storing all applicable Supplemental Customer Data in the Customer Database.

3.7.3.2. **Post-Effective Date Duties.** On and after the Effective Date, the Settlement Administrator shall be responsible for, without limitation, (a) receiving funds from the Reorganized Debtor on account of Settlement Disbursements to be made on a Disbursement Date; (b) assessing and confirming with the Reorganized Debtor how those funds are to be allocated; (c) printing and mailing checks to the Class Counsel, Customer Class Representatives, or Customer Class Members with respect to their applicable Settlement Disbursements; (d) providing all applicable Reporting Data to the Reorganized Debtor for its periodic reports; (e) collecting, updating, and storing all applicable Customer Treatment Data in the Customer Database on a quarterly basis; (f) responding to inquiries from the Customer Class Member, as appropriate; and (g) all other tasks necessary to administer the Settlement and agreed to in writing by the Parties and the Settlement Administrator.

3.7.4. **Administrative Costs.** The Settlement Administrator shall be compensated for all Administrative Costs charged or incurred by the Settlement Administrator through the date on which all Settlement Disbursements have been made under this Agreement; provided, however, that in no event shall the aggregate compensation paid to the Settlement Administrator under this Agreement exceed \$100,000 or such other amount mutually agreeable to the Parties and Settlement Administrator and approved by an Order of the Court. For the avoidance of doubt, the fees that may qualify as Administrative Costs include the Settlement Administrator's agreed-upon fees for performing the duties or services set forth in Sections 3.7.3.1 or 3.7.3.2 hereof, and the costs or expenses that may qualify as Administrative Costs include the Settlement Administrator's actual costs to (a) maintain the Customer Database, (b) maintain the Settlement Website, and (c) print and mail the checks with respect to any Settlement Disbursements.

3.7.5. **Administrative Payments.** The Administrative Payments to the Settlement Administrator shall be made on the Disbursement Dates in accordance with the Disbursement Schedule and subject to the Disbursement Priority Scheme, and each Administrative Payment shall be made by the Settlement Administrator deducting for itself, from the funds received from the Reorganized Debtor on account of the Settlement Disbursements, the following applicable amount of funds:

- (a) For the Administrative Payment to be made on the first Disbursement Date, in the amount equal to the Administrative Costs charged or incurred by the Settlement Administrator through the first Disbursement Date; or
- (b) For the Administrative Payment to be made on any Disbursement Date thereafter, in the amount equal to the Administrative Costs charged or incurred by the Settlement Administrator from the day after the immediately preceding Disbursement Date through the applicable Disbursement Date.

Notwithstanding the foregoing, in no event shall the Settlement Administrator be entitled to receive Administrative Payments in the aggregate that exceed the maximum aggregate compensation permitted under Section 3.7.4 hereof.

3.8. **Settlement Disbursements Made by Settlement Administrator.**

3.8.1. **Obligations of the Reorganized Debtor.** All Settlement Disbursements (i.e., all Administrative Payments, Class Counsel Fee Payments, Service Payments, and Deferred Cash Payments) shall be funded from the cash of the Reorganized Debtor and constitute the Reorganized Debtor's obligations under this Agreement.

3.8.2. **Delivery of Funds to Settlement Administrator.** Whenever the Settlement Administrator is obligated to make Settlement Disbursements on a Disbursement Date, the Reorganized Debtor shall deliver funds to the Settlement Administrator in the amount equal to the Disbursable Amount corresponding to the applicable Disbursement Date, such that the funds are received by the Settlement Administrator by no later than the date that is 14 days prior to such Disbursement Date. Upon the Settlement Administrator's receipt of such funds in the full Disbursable Amount and written confirmation from the Reorganized Debtor agreeing with the Settlement Administrator's assessment of how the funds are to be allocated, (a) the Reorganized Debtor shall be deemed to have satisfied its obligations with respect to any Settlement Disbursements required to be made on the applicable Disbursement Date, and (b) the Settlement Administrator shall thereafter be solely responsible for disbursing such

Settlement Disbursements, made out of such funds received, in accordance with this Agreement.

3.8.3. **Incomplete Funds.** If the Settlement Administrator, by a Disbursement Date, has only received funds in an amount less than the corresponding Disbursable Amount from the Reorganized Debtor, the Settlement Administrator shall (a) immediately provide notice of its receipt of incomplete funds to the Class Counsel and (b) temporarily be excused from making any Settlement Disbursements required to be made on such Disbursement Date until the date that is 14 days after the Settlement Administrator's receipt of funds in the full Disbursable Amount.

3.8.4. **Disbursement Schedule.** The Settlement Administrator shall make Settlement Disbursements on the Disbursement Dates and in the corresponding Disbursable Amounts in accordance with the following Disbursement Schedule:

- (a) On the date that is 14 days after the Effective Date, the Settlement Administrator shall make Settlement Disbursements in the aggregate amount equal to the greater of (1) 6.0% of the Effective Date Principal Pool or (2) \$200,000;
- (b) On October 1, 2021, the Settlement Administrator shall make Settlement Disbursements in the aggregate amount equal to the greater of (1) 12.5% of the Effective Date Principal Pool or (2) \$375,000;
- (c) On October 1, 2022, the Settlement Administrator shall make Settlement Disbursements in the aggregate amount equal to the greater of (1) 12.5% of the Effective Date Principal Pool or (2) \$375,000;
- (d) If the Annual Net Income for the calendar year 2022 is greater than \$1,750,000, then on May 1, 2023, the Settlement Administrator shall make Settlement Disbursements in the aggregate amount equal to 20.0% of the Annual Net Income for the calendar year 2022;
- (e) On October 1, 2023, the Settlement Administrator shall make Settlement Disbursements in the aggregate amount equal to the greater of (1) 12.5% of the Effective Date Principal Pool or (2) \$425,000;

- (f) If the Annual Net Income for the calendar year 2023 is greater than \$1,750,000, then on May 1, 2024, the Settlement Administrator shall make Settlement Disbursements in the aggregate amount equal to 20.0% of the Annual Net Income for the calendar year 2023;
- (g) On October 1, 2024, the Settlement Administrator shall make Settlement Disbursements in the aggregate amount equal to the balance of the Principal Pool as of such date, plus the accrued Administrative Costs as of such date;
- (h) On April 30, 2025, the Settlement Administrator shall make Settlement Disbursements in the aggregate amount equal to the balance of the Interest Pool as of such date, plus the accrued Administrative Costs as of such date; and
- (i) If a Financing Event occurs prior to April 30, 2025, then on the date that is 60 days after the closing of such Financing Event, the Settlement Administrator shall make Settlement Disbursements in the aggregate amount equal to the lesser of (1) 20.0% of the net proceeds received by the Reorganized Debtor in connection with the Financing Event or (2) \$1,000,000.

3.8.5.

Disbursement Priority Scheme. Whenever the Settlement Administrator is obligated to make Settlement Disbursements on a Disbursement Date, the corresponding Disbursable Amount shall be allocated between the Settlement Disbursements in accordance with the following Disbursement Priority Scheme:

- (a) First, for the Administrative Payment, in the applicable amount set forth in Section 3.7.5 hereof;
- (b) Second, for the Class Counsel Fee Payment, in an amount equal to the lesser of (1) the balance of the Class Counsel Fee Award or (2) the remainder of the Disbursable Amount;
- (c) Third, for the Service Payments, in an amount equal to the lesser of (1) the balance of the Service Awards or (2) the remainder of the Disbursable Amount; and
- (d) Fourth, for the Deferred Class Payments.

3.8.6.

Prepayment. Nothing contained in this Agreement shall be construed as prohibiting the prepayment of the remaining Deferred Cash Payments ahead of the Disbursement Schedule, except that any such prepayment may be made only if (a) the prepayment is of all remaining Deferred Cash Payments owed to all Customer Class Members who elected the Deferred Cash Payment Option, with each such Customer Class Member receiving

a final lump-sum payment equal to the balances of their Principal and Interest as of the proposed prepayment date (i.e., no partial prepayment), and (b) on account of such prepayment, the Settlement Administrator has received funds from the Reorganized Debtor in an amount equal to the aggregate balances of the Principal Pool and Interest Pool as of the proposed prepayment date, plus the accrued Administrative Costs as of the proposed prepayment date. In the event of such prepayment, for reporting and compliance purposes, (y) the date on which the Settlement Administrator mailed out the final lump-sum payments shall be deemed a Disbursement Date, and (z) the amount of the funds required to be received by the Settlement Administrator on account of such prepayment shall be deemed the corresponding Disbursable Amount.

3.8.7. **Periodic Reporting.** By no later than the date that is 28 days after each Disbursement Date (regardless of whether Settlement Disbursements were obligated to be made on such Disbursement Date), the Reorganized Debtor, with the assistance of the Settlement Administrator, shall prepare and deliver to the Class Counsel a periodic written report containing the Reporting Data (described in **Exhibit E** hereto) regarding the applicable Disbursement Date and the period preceding such Disbursement Date.

3.9. **Customer Data.**

3.9.1. **Customer Database.** As soon as practicable after the execution of this Agreement, the Debtor and Settlement Administrator shall jointly establish the Customer Database. The Customer Database shall be maintained by the Settlement Administrator until the date that is one year after the later of (a) the first date after which all Credits and Coupons have expired under this Agreement or (b) the first date after which all Settlement Disbursements have been made under this Agreement, unless further extended by an Order by the Court for good cause.

If the Debtor has obtained a current or proper mailing address for the Customer Class Member within 14 days after the Customer Class Service Deadline, the Debtor, through the Claims Agent, shall promptly re-mail the Customer Class Notice to the Customer Class Member at such mailing address and update the information in the Customer Database accordingly. In this regard, each Party waives any and all benefits and rights that it may have under section 1654 of the California Civil Code, which provides,

Exhibit B

Exhibit B
Credit Option

If an Electing Customer Class Member elects the Credit Option, the following terms and conditions shall apply:

1. **Credit.** On the Effective Date, the Customer Class Member shall receive, in full satisfaction, discharge, exchange, and release of their Customer Class Member Claim, a Credit issued by the Reorganized Debtor as follows:
 - 1.1. **Dollar Value.** Unless otherwise specified, the dollar value of the Credit shall be equal to 92.4% of the Customer Class Member's Allowed Customer Class Member Claim.
 - 1.2. **Use.** The Credit may be used to purchase any in-person camp programs, online or virtual camp programs, or other products or services offered by the Reorganized Debtor or an affiliate using the "Camp Galileo" or similar marks. The full value of the Credit need not be used in a single purchase or transaction.
 - 1.3. **Transferability.** The Credit may be transferred one time to any third party, including a family member or friend of the Customer Class Member, effective upon the Reorganized Debtor's receipt of written notice of such transfer given by the Customer Class Member.
 - 1.4. **Expiration.** The Credit is valid from the Effective Date until December 31, 2025.
 - 1.5. **Scholarship Recipients.** If the Customer Class Member was a 2020 scholarship recipient (i.e., they specifically applied for and were awarded a scholarship from the Debtor for the summer 2020 season), the dollar value of the Credit shall be equal to 92.4% of the full retail price of the 2020 camp programs, products, and services previously purchased by the Customer Class Member, notwithstanding the fact that the purchase of such camp programs, products, and services was at a discounted scholarship price. For the avoidance of doubt, this section does not apply to the Customer Class Member who received a discount based upon their or their family member's status as a military employee, federal, state, or local government employee, school employee, teacher, or non-profit employee.
2. **Priority Enrollment.** In each calendar year in which the Credit remains valid, the Reorganized Debtor shall offer priority enrollment in any in-person camp programs to the Customer Class Member eligible to use the Credit therewith, provided that the Customer Class Member purchases and enrolls in the in-person camp program by the later of (a) January 31 of the applicable calendar year or (b) the date that is 14 days after the opening of enrollment for the applicable calendar year.
3. **No Initial Price Increase.** With respect to the Customer Class Member eligible to use the Credit, the Reorganized Debtor shall not increase the retail price of any in-person

camp programs that are identical or similar to the 2020 camp program previously purchased by the Customer Class Member until the later of (a) the date that is six months after the reopening of in-person camp programs within the county in which the 2020 camp program previously purchased by the Customer Class Member was set to take place or (b) December 31, 2021.

4. **Unavailability of Local Camp Programs.** If the Reorganized Debtor, at any time within the two-year period following the Effective Date, fails to offer an in-person camp program that is (a) age-appropriate for the child of the Customer Class Member and (b) located within a ten-mile radius of where the 2020 camp program previously purchased by the Customer Class Member was set to take place, the Customer Class Member may elect to switch from the Credit Option to the Deferred Cash Payment Option, effective upon the Reorganized Debtor's receipt of written notice of such election given by the Customer Class Member. In the event of a switched election under this section, the terms and conditions of the Deferred Cash Payment Option, as set forth in Exhibit D to this Agreement, shall apply as of the effective date of such election, except to the extent modified by the following:

- (x) The Customer Class Member shall not be entitled to receive any Deferred Cash Payments that were scheduled to be made on any Disbursement Dates preceding the effective date of such election;
- (y) The Principal owed to the Customer Class Member as of the effective date of such election shall be equal to 100.0% of their Allowed Customer Class Member Claim less (1) the total dollar value of the Credit so far used and (2) their Pro Rata Share of all Administrative Payments, Class Counsel Fee Payments, and Service Payments made prior to the effective date of such election; and
- (z) Interest shall begin accruing on the Principal on the effective date of such election.

5. **Delivery of Credit.** On the Effective Date, the Reorganized Debtor shall deliver instructions on how to use the Credit by email to the Customer Class Member at the email address provided in their Settlement Response Form.

6. **Disclosure Regarding Reduced Benefits.** For the avoidance of doubt, the Electing Customer Class Member who elects the Credit Option under this Agreement is not entitled to receive the same rights and benefits of the Credit Option previously offered under the Summer 2020 Settlement Offer (which the Electing Customer Class Member did not timely respond to). In comparison, the rights and benefits of the Credit Option offered under this Agreement, including the dollar value of the Credit, have been proportionately reduced or adjusted to take into account the Electing Customer Class Member's share of the Administrative Costs, Class Counsel Fee Award, and Service Awards. Based upon the estimated or requested amounts of the Administrative Costs, Class Counsel Fee Award, and Service Awards, each Electing Customer Class Member's share is estimated to be approximately 15–16% of their Customer Class Member Claim. However, in the event that the Court approves the Administrative Costs, Class Counsel

Fee Award, or Service Awards in a reduced amount, the percentage rate used to calculate the dollar value of the Credit provided in the Credit Option under this Agreement (i.e., 92.4%) may be increased in a proportionate manner to complement any such reduction, which will be reflected in the Preliminary Approval Order or Final Approval Order, as applicable.

Exhibit C

Exhibit C
Coupon Option

If an Electing Customer Class Member elects the Coupon Option, the following terms and conditions shall apply:

1. **Coupon.** On the Effective Date, the Customer Class Member shall receive, in full satisfaction, discharge, exchange, and release of their Customer Class Member Claim, a Coupon issued by the Reorganized Debtor as follows:
 - 1.1. **Use.** The Coupon may be redeemed an unlimited amount of times, and each redemption of the Coupon provides a 42.0% discount off of the retail price of any in-person camp programs, online or virtual camp programs, or other products or services offered by the Reorganized Debtor or an affiliate using the “Camp Galileo” or similar marks.
 - 1.2. **Non-Transferability.** The Coupon cannot be transferred to any third party, but the Coupon may be used for the benefit of any child in the Customer Class Member’s family.
 - 1.3. **Expiration.** The Coupon is valid from the Effective Date until December 31, 2025.
2. **Priority Enrollment.** In each calendar year in which the Coupon remains valid, the Reorganized Debtor shall offer priority enrollment in any in-person camp programs to the Customer Class Member eligible to redeem the Coupon therewith, provided that the Customer Class Member purchases and enrolls in the in-person camp program by the later of (a) January 31 of the applicable calendar year or (b) the date that is 14 days after the opening of enrollment for the applicable calendar year.
3. **No Initial Price Increase.** With respect to the Customer Class Member eligible to redeem the Coupon, the Reorganized Debtor shall not increase the retail price of any in-person camp programs that are identical or similar to the 2020 camp program previously purchased by the Customer Class Member until the later of (a) the date that is six months after the reopening of in-person camp programs within the county in which the 2020 camp program previously purchased by the Customer Class Member was set to take place or (b) December 31, 2021.
4. **Unavailability of Local Camp Programs.** If the Reorganized Debtor, at any time within the two-year period following the Effective Date, fails to offer an in-person camp program that is (a) age-appropriate for the child of the Customer Class Member and (b) located within a ten-mile radius of where the 2020 camp program previously purchased by the Customer Class Member was set to take place, the Customer Class Member may elect to switch from the Coupon Option to the Deferred Cash Payment Option, effective upon the Reorganized Debtor’s receipt of written notice of such election given by the Customer Class Member. In the event of a switched election under this

section, the terms and conditions of the Deferred Cash Payment Option, as set forth in Exhibit D to this Agreement, shall apply as of the effective date of such election, except to the extent modified by the following:

- (x) The Customer Class Member shall not be entitled to receive any Deferred Cash Payments that were scheduled to be made on any Disbursement Dates preceding the effective date of such election;
- (y) The Principal owed to the Customer Class Member as of the effective date of such election shall be equal to 100.0% of their Allowed Customer Class Member Claim less (1) the total dollar value of the discounts so far received from redeeming the Coupon, and (2) their Pro Rata Share of all Administrative Payments, Class Counsel Fee Payments, and Service Payments made prior to the effective date of such election; and
- (z) Interest shall begin accruing on the Principal on the effective date of such election.

5. **Delivery of Coupon.** On the Effective Date, the Reorganized Debtor shall deliver instructions on how to redeem the Coupon by email to the Customer Class Member at the email address provided in their Settlement Response Form.

6. **Disclosure Regarding Reduced Benefits.** For the avoidance of doubt, the Electing Customer Class Member who elects the Coupon Option under this Agreement is not entitled to receive the same rights and benefits of the Coupon Option previously offered under the Summer 2020 Settlement Offer (which the Electing Customer Class Member did not timely respond to). In comparison, the rights and benefits of the Coupon Option offered under this Agreement, including the discount rate of the Coupon, have been proportionately reduced or adjusted to take into account the Electing Customer Class Member's share of the Administrative Costs, Class Counsel Fee Award, and Service Awards. Based upon the estimated or requested amounts of the Administrative Costs, Class Counsel Fee Award, and Service Awards, each Electing Customer Class Member's share is estimated to be approximately 15–16% of their Customer Class Member Claim. However, in the event that the Court approves the Administrative Costs, Class Counsel Fee Award, or Service Awards in a reduced amount, the percentage rate of the discount of the Coupon provided in the Coupon Option under this Agreement (i.e., 42.0%) may be increased in a proportionate manner to complement any such reduction, which will be reflected in the Preliminary Approval Order or Final Approval Order, as applicable.

Exhibit D

Exhibit D
Deferred Cash Payment Option

If an Electing Customer Class Member elects the Deferred Cash Payment Option, the following terms and conditions shall apply:

1. **Deferred Cash Payments.** The Customer Class Member shall receive, in full satisfaction, discharge, exchange, and release of their Customer Class Member Claim, Deferred Cash Payments from the Reorganized Debtor as follows:
 - 1.1. **Maximum Dollar Recovery.** The aggregate amount of the Deferred Cash Payments that the Customer Class Member is entitled to receive on account of their Customer Class Member Claim shall be based upon the Principal and the Interest owed to the Customer Class Member, as well as the applicable reductions to the Principal on account of the Administrative Payments, Class Counsel Fee Payments, and Service Payments made; provided, however, that in no event shall the Customer Class Member be entitled to receive Deferred Cash Payments in the aggregate that exceed an amount equal to 85.0% of their Allowed Customer Class Claim, plus the accrued Interest as specifically provided herein.
 - 1.2. **Principal and Interest.** The Principal as of the Effective Date shall be equal to 100.0% of the Customer Class Member's Allowed Customer Class Member Claim, and the Interest shall accrue on the Principal from the Effective Date at the annual rate of 5.0%, charged on the basis of a 12-month year and a 30-day month.
 - 1.3. **Payment Schedule.** The Settlement Administrator shall make the Deferred Cash Payments to the Customer Class Member on the Disbursement Dates in accordance with the Disbursement Schedule and subject to the Disbursement Priority Scheme.
 - 1.4. **Payment Amounts.** Whenever a Deferred Cash Payment must be made to the Customer Class Member on a Disbursement Date, the amount of such Deferred Cash Payment shall be equal to the Customer Class Member's Pro Rata Share of the Net Disbursable Amount corresponding to such Disbursement Date.
 - 1.5. **Application of Payments.** Any Deferred Cash Payment made to the Customer Class Member shall be applied in the following manner:
 - (a) First, to the balance of the Principal, and
 - (b) Second, if the balance of the Principal has been reduced to zero, to the balance of the Interest.
 - 1.6. **Reduced Principal.** Any Administrative Payment, Class Counsel Fee Payment, or Service Payment made by the Settlement Administrator shall have the effect of reducing the balance of the Principal by an amount equal to the Customer Class

Member's Pro Rata Share of such Administrative Payment, Class Counsel Fee Payment, or Service Payment made, as applicable; provided, however, that in no event shall the aggregate amount of all such reductions to the balance of the Principal exceed 16.0% of the Effective Date Principal.

2. **Limited Right to Switch Election.** The Customer Class Member may elect to switch from the Deferred Cash Payment Option to the Credit Option or Coupon Option at any time through August 15, 2021, effective upon the Reorganized Debtor's receipt of written notice of such election given by the Customer Class Member. In the event of a switched election under this section, the terms and conditions of the Credit Option, as set forth in Exhibit B to this Agreement, or the terms and conditions of the Coupon Option, as set forth in Exhibit C to this Agreement, as applicable, shall apply as of the effective date of such election, except to the extent modified by the following:
 - (a) With respect to the Credit Option, the dollar value of the Credit as of the effective date of such election shall be equal to 92.4% of the Customer Class Member's Allowed Customer Class Member Claim, less the total amount of the Deferred Cash Payments so far made to the Customer Class Member; and
 - (b) With respect to the Credit Option or Coupon Option, the Customer Class Member may not begin using the Credit or redeeming the Coupon, as applicable, until January 1, 2022.
3. **Negotiation of Checks.** Any check issued to the Customer Class Member with respect to a Deferred Cash Payment shall be null and void if not negotiated within 150 days after the date of issuance thereof. Upon the expiration of such 150-day period, (a) the Deferred Cash Payment owed to the Customer Class Member shall be deemed satisfied to the extent of the amount represented by the voided check, and (b) the cash represented by such voided check shall (1) irrevocably revert to the Settlement Administrator for the benefit of the other Customer Class Members eligible to receive Deferred Cash Payments and (2) be added to the Net Disbursable Amount of the cash for the Deferred Cash Payments to be disbursed to such other Customer Class Members on the immediately following Disbursement Date.
4. **Delivery of Checks.** Any check issued to the Customer Class Member with respect to a Deferred Cash Payment shall be delivered by first-class mail to the following address:
 - (a) To the mailing address provided in the Customer Class Member's Settlement Response Form returned to the Settlement Administrator;
 - (b) If no Settlement Response Form was returned, to the most current mailing address that the Debtor had on file for the Customer Class Member as of the Effective Date; or

(c) If the Customer Class Member, at any time following the Effective Date, gave written notice of their updated contact information to the Settlement Administrator or Reorganized Debtor, to the mailing address provided in such written notice.

5. **Undeliverable Checks.** If a check issued to the Customer Class Member with respect to a Deferred Cash Payment was mailed to the Customer Class Member but returned as undeliverable, the Settlement Administrator shall promptly use all reasonable and cost-effective methods to locate a current or proper mailing address for the Customer Class Member, including running a name and last-known-address search through a national database and contacting the Customer Class Member at the most current email address and telephone number that the Reorganized Debtor or Settlement Administrator has on file for the Customer Class Member. If the Settlement Administrator has obtained a current or proper mailing address for the Customer Class Member within 150 days after the date of issuance of such check, the Settlement Administrator shall promptly re-mail the check to the Customer Class Member at such mailing address and update the information in the Customer Database accordingly.

6. **Disclosure Regarding Reduced Benefits.** For the avoidance of doubt, the Electing Customer Class Member who elects the Deferred Cash Payment Option under this Agreement is not entitled to receive Deferred Cash Payments in the aggregate equal to 100.0% of their Allowed Customer Class Member Claim, plus the applicable accrued Interest. The rights and benefits of the Deferred Cash Payment Option, including the maximum dollar recovery, have been proportionately reduced or adjusted to take into account the Electing Customer Class Member's share of the Administrative Costs, Class Counsel Fee Award, and Service Awards. Based upon the estimated or requested amounts of the Administrative Costs, Class Counsel Fee Award, and Service Awards, each Electing Customer Class Member's share is estimated to be approximately 15–16% of their Customer Class Member Claim. However, in the event that the Court approves the Administrative Costs, Class Counsel Fee Award, or Service Awards in a reduced amount, (a) the percentage rate of the maximum dollar recovery provided in the Deferred Cash Payment Option (i.e., 85.0%) and (b) the percentage rate of the maximum reduction to the Principal on account of the Administrative Payments, Class Counsel Fee Payments, and Service Payments made (i.e., 16.0%) may be adjusted in a proportionate manner to complement any such reduction, which will be reflected in the Preliminary Approval Order or Final Approval Order, as applicable.
