11. The Committee requires the services of AlixPartners to provide financial advisory and bankruptcy consulting services, as further detailed below. The Committee is familiar with the professional standing and reputation of AlixPartners. The Committee understands and recognizes that AlixPartners has a wealth of experience in providing financial advisory services in restructurings and reorganizations across the United States and has exemplary qualifications to perform the services required by the Committee in these cases. AlixPartners is able to represent the Committee in a cost-effective, efficient and timely manner and has been performing such services since the Retention Date.

#### **ALIXPARTNERS' DISINTERESTEDNESS**

12. To the best of the Committee's knowledge, information, and belief and except to the extent disclosed herein and in the McGlynn Declaration, AlixPartners: (a) is a "disinterested person" within the meaning of section 101(14) of the Bankruptcy Code; (b) has no connection with the Debtors, their creditors, or other parties in interest, or the attorneys or accountants of the foregoing, or the U.S. Trustee or any person employed in the Office of the U.S. Trustee; and (c) does not hold any interest adverse to the Committee.

13. To the extent that any new relevant facts or relationships bearing on the matters described herein during the period of AlixPartners' retention are discovered or arise, the Committee is advised that AlixPartners will use reasonable efforts to file promptly a supplemental declaration.

### **SCOPE OF SERVICES**

14. AlixPartners has begun to provide assistance to the Committee in accordance with the terms and conditions set forth in the McGlynn Declaration and in the Engagement Letter.

15. AlixPartners will work closely with Lowenstein Sandler to ensure that there will be no duplication of efforts or unnecessary overlap in the services to be provided by AlixPartners and those that have been provided or which will be provided by the Committee's other professionals. It is presently anticipated that AlixPartners will provide advice to and assist the Committee in evaluating and implementing strategic and tactical options through the bankruptcy and restructuring process. A general list of tasks AlixPartners may perform is as follows:

- Review and evaluate the Debtors' current financial condition, business plans and cash and financial forecasts, and periodically report to the Committee regarding the same.
- Review the Debtors' cash management, tax sharing and intercompany accounting systems, practices and procedures.
- Review and investigate: (i) related party transactions, including those between the Debtors and non-debtor subsidiaries and affiliates (including, but not limited to, shared services expenses and tax allocations) and (ii) selected other pre-petition transactions.
- Identify and/or review potential preference payments, fraudulent conveyances and other causes of action that the various Debtors' estates may hold against third parties, including each other.
- Analyze the Debtors' assets and claims, and assess potential recoveries to the various creditor constituencies under different scenarios.
- Evaluate any proposed sale process and related bids and participate in any meetings with bidders or auction, as required.

- Assist in the development and/or review of the Debtors' plan of reorganization and disclosure statement.
- Review and evaluate court motions filed or to be filed by the Debtors or any other parties-in-interest, as appropriate.
- Render expert testimony and litigation support services, including e-discovery services, as requested from time to time by the Debtors and their counsel, regarding any of the matters to which AlixPartners is providing services.
- Attend Committee meetings and court hearings as may be required in the role of advisors to the Committee.

16. Assist with such other matters as may be requested that fall within AlixPartners' expertise and that are mutually agreeable. AlixPartners' decision to accept this engagement to advise and assist the Committee is contingent upon its ability to be retained in accordance with the terms and conditions of employment set forth in the Engagement Letter, compensated for its services, and reimbursed for the out-of-pocket expenses it incurs in accordance with its customary billing practices, including any indemnification provisions outlined in the Engagement Letter, as modified by the Proposed Order to comply with the practices and requirements of this Court.

#### **TERMS OF RETENTION AND COMPENSATION**

17. AlixPartners is not owed any amounts with respect to prepetition fees and expenses in connection with these cases.

18. The McGlynn Declaration and the Engagement Letter set forth the terms and conditions of AlixPartners' employment, its staffing and approach, and its billing practices. AlixPartners has requested that the Committee seek this Court's approval of such matters with the filing of this Application.

19. AlixPartners charges fees based on actual hours expended to perform its services at standard hourly rates established for each employee, as adjusted annually. It is the customary

practice of AlixPartners to bill clients for travel time consistent with guidelines of the jurisdiction. For this jurisdiction, therefore, AlixPartners will apply a 50% discount rate to non-working travel time billed. Fees reflect economies resulting from the use of paraprofessional and support personnel to develop schedules and analyses, input computer data, perform research, work on fee applications, and other activities necessary to the efficient administration of a case. Billing rates are generally representative of prevailing market rates, as awarded by other courts in similar circumstances, based on the customary compensation charged by comparably skilled practitioners in bankruptcy and non-bankruptcy engagements. Subject to this Court's approval, and as described in the McGlynn Declaration and Engagement Letter, the Committee requests that AlixPartners be entitled to receive compensation at its normal hourly rates.

20. AlixPartners will also maintain records in support of any fees (in 1/10th of an hour increments), costs, and expenses incurred in connection with services rendered in these chapter 11 cases. Records will be arranged by category and nature of the services rendered and will include reasonably detailed descriptions of those services provided on behalf of the Committee.

21. AlixPartners does not seek a success fee in connection with this engagement.

22. AlixPartners' current standard hourly rates for 2020, subject to periodic adjustments, are as follows:

<b>Title</b>	<b>Hourly Rate</b>
Managing Director	\$1,000 – \$1,195
Director	\$800 – \$950
Senior Vice President	\$645 – \$735
Vice President	\$470 – \$630
Consultant	\$175 – \$465

Paraprofessional	\$295 – \$315
------------------	---------------

23. AlixPartners reviews and revises its billing rates on January 1 of each year. Changes in applicable hourly rates will be noted on the invoices for the first time period in which the revised rates became effective. Prior to its revision of billing rates, AlixPartners will file a supplemental affidavit with the Court and provide ten business days' notice to the United States Trustee, the Committee, and any other official committee.

24. In addition to compensation for professional services rendered by AlixPartners' Personnel, AlixPartners will seek reimbursement for reasonable and necessary expenses incurred in connection with these chapter 11 cases, including transportation costs, lodging, and meals. Expenses will be billed at actual cost.

25. To the extent AlixPartners requires services of its international divisions or personnel from specialized practices, the standard hourly rates for that international division or specialized practice will apply.

26. To the extent AlixPartners uses the services of independent contractors (the "Contractors") in these chapter 11 cases, AlixPartners shall: (a) pass through the cost of such Contractors to the Debtors at the same rate that AlixPartners pays the Contractors; (b) seek reimbursement for actual costs only; (c) ensure that the Contractors are subject to the same conflict checks as required for AlixPartners; and (d) file with the Court such disclosures required by Bankruptcy Rule 2014.

27. AlixPartners intends to apply to the Court for allowance of compensation and reimbursement of expenses, including on a monthly, interim and final basis, pursuant to 11 U.S.C. § 330, Bankruptcy Rule 2016, Local Rule 2016-1, the *Amended Guidelines for Fees and Disbursements for Professionals in the Southern District of New York*, updated June 17, 2013 (the

“Local Guidelines”), and any other applicable orders of the Court or provisions of the Bankruptcy Code, the Bankruptcy Rules, and the Local Rules.

28. Neither Lowenstein Sandler, the members of the Committee, nor any of their agents are or shall be responsible for the payment of AlixPartners’ fees and costs arising out of the engagement described and referenced herein, regardless of whether or not AlixPartners is paid in full from the Debtors’ estates.

29. AlixPartners negotiated the terms and conditions of the Engagement Letter at arm’s length and in good faith. Notwithstanding anything to the contrary in the Engagement Letter, AlixPartners has agreed to certain modifications to its standard indemnification and limitations on liability provisions as reflected in the Proposed Order attached hereto as **Exhibit A**. The Committee and AlixPartners believe that the indemnification language proposed therein complies with this Court’s requirements for similar engagements of other professionals in these chapter 11 cases. AlixPartners has been retained with similar or more expanded indemnification language in other representations in this district and other jurisdictions.

5. Notwithstanding anything to the contrary in the Application, the Engagement Letter or the General Terms and Conditions (collectively, the "Engagement Terms") are modified as follows:

- a. Section 10 of the General Terms and Conditions is inapplicable.
- b. All requests for payment of indemnity, contribution or reimbursement pursuant to the Engagement Terms shall be made by means of an application (interim or final as the case may be) and shall be subject to review by the Court to ensure that payment of such indemnity, contribution or reimbursement conforms to the Engagement Terms (as modified and restated by this Order) and is reasonable based upon the circumstances of the litigation or settlement in respect of which indemnity, contribution or reimbursement is sought; provided,

c. In the event that AlixPartners seeks reimbursement from the Debtors for attorneys' fees in connection with a request for payment of indemnity, contribution or reimbursement pursuant to the Engagement Terms (as modified and restated by this Order), the invoices and supporting time records from such attorneys shall be included in AlixPartners' application (interim or final as the case may be) and such invoices and time records shall be subject to the Fee Guidelines and the approval of the Court under the standards of sections 330 and 331 of the Bankruptcy Code without regard to whether such attorney has been retained under section 327 of the Bankruptcy Code and without regard to whether such attorneys' services satisfy section 330(a)(3)(C) of the Bankruptcy Code;

e. In no event shall AlixPartners be entitled to indemnification, contribution, exoneration, reimbursement of attorneys' fees or expenses, limitation on liability or allocation or apportionment of damages, indemnified or exonerated if the Debtors or representatives of the estates assert a claim, to the extent the Court determines by final order that such claim for indemnity arose out of AlixPartners's own bad-faith, self-dealing, breach of fiduciary duty, gross negligence, or willful misconduct on the part of AlixPartners; and

f. Any limitation of liability pursuant to the terms and conditions set forth in the Agreements, or otherwise, are hereby eliminated for the duration of these Chapter 11 Cases.

7. AlixPartners will not seek to use affiliates, independent contractors, subcontractors or subsidiaries of AlixPartners to perform services under the Engagement Letter without separate Court approval.

8. AlixPartners is authorized to keep reasonably detailed time records in 1/10th of an hour increments and will submit, with any interim or final fee application, together with the time records, a narrative summary, by project category, of services rendered and will identify each professional rendering services, the category of services rendered and the amount of compensation requested.

9. AlixPartners has a wealth of experience in providing financial advisory services in restructurings and reorganizations across the United States and has exemplary qualifications to perform the services required by the Committee in these cases. AlixPartners is able to represent the Committee in a cost-effective, efficient and timely manner and has been performing such services since the Retention Date.

10. I, Kathryn McGlynn, the Managing Director who will be responsible for this engagement, have more than 19 years of professional experience as a financial advisor in distressed and bankrupt situations, with a primary focus on advising unsecured creditor committees. I have advised debtors, senior lenders, and unsecured creditors on all aspects of distressed and bankrupt situations, including financial and operational restructurings, asset sales, and liquidations across a variety of industries. I earned a B.S. with honors at the University of Texas at Austin.

#### **SCOPE OF SERVICES**

11. AlixPartners has begun to provide assistance to the Committee in accordance with the terms and conditions set forth in this declaration and in the Engagement Letter.

12. AlixPartners will work closely with Lowenstein Sandler LLP (“Lowenstein Sandler”) to ensure that there will be no duplication of efforts or unnecessary overlap in the services to be provided by AlixPartners and those that have been provided or which will be provided by the Committee’s other professionals. It is presently anticipated that AlixPartners will provide advice to and assist the Committee in evaluating and implementing strategic and tactical options through the bankruptcy and restructuring process. A general list of tasks AlixPartners may perform is as follows:

- Review and evaluate the Debtors' current financial condition, business plans and cash and financial forecasts, and periodically report to the Committee regarding the same.
- Review the Debtors' cash management, tax sharing and intercompany accounting systems, practices and procedures.
- Review and investigate: (i) related party transactions, including those between the Debtors and non-debtor subsidiaries and affiliates (including, but not limited to, shared services expenses and tax allocations) and (ii) selected other pre-petition transactions.
- Identify and/or review potential preference payments, fraudulent conveyances and other causes of action that the various Debtors' estates may hold against third parties, including each other.
- Analyze the Debtors' assets and claims, and assess potential recoveries to the various creditor constituencies under different scenarios.
- Evaluate any proposed sale process and related bids and participate in any meetings with bidders or auction, as required.
- Assist in the development and/or review of the Debtors' plan of reorganization and disclosure statement.
- Review and evaluate court motions filed or to be filed by the Debtors or any other parties-in-interest, as appropriate.
- Render expert testimony and litigation support services, including e-discovery services, as requested from time to time by the Debtors and their counsel, regarding any of the matters to which AlixPartners is providing services.
- Attend Committee meetings and court hearings as may be required in the role of advisors to the Committee.

13. AlixPartners' decision to accept this engagement to advise and assist the Committee is contingent upon its ability to be retained in accordance with the terms and conditions of employment set forth in the Engagement Letter, compensated for its services, and reimbursed for the out-of-pocket expenses it incurs in accordance with its customary billing practices, including any indemnification provisions outlined in the Engagement Letter, as modified by the Proposed Order to comply with the practices and requirements of this Court.

**TERMS OF RETENTION AND COMPENSATION**

14. AlixPartners is not owed any amounts with respect to prepetition fees and expenses in connection with these cases.

15. This Declaration and the Engagement Letter set forth the terms and conditions of AlixPartners' employment, its staffing and approach, and its billing practices. AlixPartners has requested that the Committee seek this Court's approval of such matters with the filing of this Application.

16. AlixPartners charges fees based on actual hours expended to perform its services at standard hourly rates established for each employee, as adjusted annually. It is the customary practice of AlixPartners to bill clients for travel time consistent with guidelines of the jurisdiction. For this jurisdiction, therefore, AlixPartners will apply a 50% discount rate to non-working travel time billed. Fees reflect economies resulting from the use of paraprofessional and support personnel to develop schedules and analyses, input computer data, perform research, work on fee applications, and other activities necessary to the efficient administration of a case. Billing rates are generally representative of prevailing market rates, as awarded by other courts in similar circumstances, based on the customary compensation charged by comparably skilled practitioners in bankruptcy and non-bankruptcy engagements. Subject to this Court's approval, and as described in this Declaration and Engagement Letter, the Committee requests that AlixPartners be entitled to receive compensation at its normal hourly rates.

17. AlixPartners will also maintain records in support of any fees (in 1/10th of an hour increments), costs, and expenses incurred in connection with services rendered in these chapter 11 cases. Records will be arranged by category and nature of the services rendered and will include reasonably detailed descriptions of those services provided on behalf of the Committee.

18. AlixPartners does not seek a success fee in connection with this engagement.

19. AlixPartners' current standard hourly rates for 2020, subject to periodic adjustments, are as follows:

<b>Title</b>	<b>Hourly Rate</b>
Managing Director	\$1,000 – \$1,195
Director	\$800 – \$950
Senior Vice President	\$645 – \$735
Vice President	\$470 – \$630
Consultant	\$175 – \$465
Paraprofessional	\$295 – \$315

20. AlixPartners reviews and revises its billing rates on January 1 of each year. Changes in applicable hourly rates will be noted on the invoices for the first time period in which the revised rates became effective. Prior to its revision of billing rates, AlixPartners will file a supplemental affidavit with the Court and provide ten business days' notice to the United States Trustee, the Committee, and any other official committee.

21. In addition to compensation for professional services rendered by AlixPartners' Personnel, AlixPartners will seek reimbursement for reasonable and necessary expenses incurred in connection with these chapter 11 cases, including transportation costs, lodging, and meals. Expenses will be billed at actual cost.

22. AlixPartners uses titles to designate different employee levels. AlixPartners' VP and SVP roles are internal titles assigned to employees to differentiate experience levels and do not indicate any sort of interim officer role with the Debtors. The VPs and SVPs that are currently providing services in these Chapter 11 Cases work on tasks associated with, but not limited to,

analyzing Debtors' liquidity situation and cash flow forecasting, reviewing and augmenting process for sale of any assets, investigating related party transactions and potential causes of action, reviewing and evaluating any motions filed with the court, as appropriate, and assisting in the development of the plan of reorganization.

23. To the extent AlixPartners requires services of its international divisions or personnel from specialized practices, the standard hourly rates for that international division or specialized practice will apply.

24. AlixPartners does not intend to use the services of independent contractors in these Chapter 11 Cases. In the event that AlixPartners intends to use the services of an independent contractor, AlixPartners will file a supplemental declaration and proposed order on presentment approving AlixPartners' use of these contractors. approving AlixPartners' use of these contractors.

25. AlixPartners intends to apply to the Court for allowance of compensation and reimbursement of expenses, including on a monthly, interim and final basis, pursuant to 11 U.S.C. § 330, Bankruptcy Rule 2016, Local Rule 2016-1, and the *Amended Guidelines for Fees and Disbursements for Professionals in the Southern District of New York*, updated June 17, 2013 (the "Local Guidelines"), and any other applicable orders of the Court or provisions of the Bankruptcy Code, the Bankruptcy Rules, and the Local Rules.

26. Neither Lowenstein Sandler, the members of the Committee, nor any of their agents are or shall be responsible for the payment of AlixPartners' fees and costs arising out of the engagement described and referenced herein, regardless of whether or not AlixPartners is paid in full from the Debtors' estates.

27. AlixPartners negotiated the terms and conditions of the Engagement Letter at arm's length and in good faith. Notwithstanding anything to the contrary in the Engagement Letter, AlixPartners has agreed to certain modifications to its standard indemnification and limitations on liability provisions as reflected in the Proposed Order attached to the Application as **Exhibit A**. The Committee and AlixPartners believe that the indemnification language proposed therein complies with this Court's requirements for similar engagements of other professionals in these chapter 11 cases. AlixPartners has been retained with similar or more expanded indemnification language in other representations in this district and other jurisdictions.

**AlixPartners' Disinterestedness**

28. In connection with its proposed retention by the Committee in these chapter 11 cases, AlixPartners undertook a lengthy review to determine whether it had any conflicts or other relationships that might cause it not to be disinterested or to hold or represent an interest adverse to these chapter 11 cases. Specifically, AlixPartners obtained from the Debtors and/or their representatives the names of individuals and entities that may be parties in interest in these chapter 11 cases ("Potential Parties in Interest")<sup>4</sup>. Such parties are listed on **Schedule 1** attached hereto. A search was performed for connections to the Potential Parties in Interest as to AlixPartners Holdings, LLP ("Holdings"), AlixPartners' parent company, and each of Holdings' U.S. and non-U.S. subsidiaries. Results are disclosed for connections to Potential-Parties-in-Interest. In addition, an email is sent to all of their professionals inquiring of any potential connections.

29. Based on that review, AlixPartners represents that, to the best of its knowledge, AlixPartners knows of no fact or situation that would represent a conflict of interest for

---

<sup>4</sup> Due to the volume of Potential Parties in Interest in these chapter 11 cases, AlixPartners conflicts checking process (as further described below) is ongoing. The disclosures herein reflect any connections to Potential Parties in Interest that AlixPartners has identified as of the date of filing this Declaration. AlixPartners will promptly supplement its disclosures when it processes the remainder of Potential Parties in Interest and has drafted corresponding disclosures.

AlixPartners with regard to these chapter 11 cases. Unless otherwise noted, references to AP in the disclosures below collectively refer to AlixPartners, Holdings, and each of their subsidiary affiliates. AlixPartners wishes to disclose the following:

- The equity capital of Holdings is owned individually by: (i) the Managing Directors of AlixPartners; (ii) Lakeview Capital Holdings, Inc., the Jay Alix Living Trust and other affiliates of Jay Alix (collectively the “Lakeview Parties”); (iii) affiliates of each of (a) Caisse de dépôt et placement du Québec (“CDPQ”), (b) Investcorp Holdings B.S.C. (“IVC”), and (c) Public Sector Pension Investment Board (“PSP Investments”); and (iv) other individuals and trusts. Neither CDPQ, nor IVC, nor the Lakeview Parties, nor PSP Investments (collectively, the “Investors”), nor any Managing Director, other individual or trust separately owns a majority of the equity capital of Holdings directly or indirectly or separately controls the Boards (as defined herein) of either Holdings or AlixPartners. None of the Investors own any of the bank or other debt of AlixPartners.

CDPQ is an institutional investor that manages funds primarily on behalf of a number of Quebec-based public pension and insurance plans. As one of Canada’s leading institutional fund managers, CDPQ invests globally in major financial markets, private equity, infrastructure and real estate.

IVC is a leading global provider and manager of alternative investment products.

The Lakeview Parties and related entities are entities owned or controlled by Jay Alix that, among other things, make investments on behalf of Mr. Alix and his family.

PSP Investments is a Canadian Crown corporation established in 1999 to manage employer and employee contributions made after April 1, 2000 to the Canadian Federal Public Service, the Canadian Forces and the Royal Canadian Mounted Police pension funds. It is also responsible for contributions made after March 1, 2007 to the Canadian Reserve Force Pension Fund. PSP Investments manages a diversified global portfolio composed of investments in public financial markets, private equity, infrastructure, natural resources, real estate and private debt.

Designees of the Investors or their subsidiaries serve as some of the members of the Boards of Directors of each of AlixPartners and Holdings (collectively, the “Boards”). In addition to their investments in Holdings, all of the Investors have substantial investments unrelated to AP. Accordingly, as a precautionary matter, AP maintains information barriers designed to prevent confidential client information, including the names of clients likely to be involved in reorganization proceedings under the Bankruptcy Code, from being shared with the Investors or their designees on the Boards.

To that end, no material nonpublic information about the Debtors has been or will be furnished by AP to the Investors, the InvestCos (as defined below) or their Board designees, and AP will continue to abide by its confidentiality obligations to the Debtors. AP operates independently of the Investor Conflicts Parties (as defined below), and does

not share employees, officers or other management with any such Investor Conflicts Parties (as defined below). AP and each of the Investor Conflicts Parties have separate offices in separate buildings, use separate Internet email addresses, and do not otherwise share IT systems. No personnel of the Investor Conflicts Parties work on AlixPartners client matters or have access to AlixPartners client information or client files or client personnel. No AP executive or employee is a director, officer or employee of any Investor. Each Investor is governed by its own board of directors or similar body and managed by its own management team. Each Investor is independent of each other Investor.

AlixPartners has searched the names of the Debtors and the list of Potential Parties in Interest against the names of (i) the Investors, (ii) the subsidiaries of the Investors that either hold a direct position in Holdings or hold a direct position in the entity that holds a direct position in Holdings (collectively, the “InvestCos”), and (iii) the subsidiaries of the Investors that hold, directly or indirectly, positions in the respective InvestCos. In addition, AlixPartners has searched and/or will request each Investor to search the names of the Debtors against the companies that the InvestCos have a direct greater than 10% investment in (collectively, with (i) – (iii) the “Investor Conflicts Parties”). AlixPartners has determined, to the best of its knowledge based solely on that search, that there are no connections with the Investor Conflicts Parties that require disclosure other than as noted herein. Because of the information barriers described above, the sheer size of the investment portfolios of the Investor Conflicts Parties, and any applicable securities laws, prior to the Petition Date, AlixPartners was unable to further investigate any potential or actual connections between the Investor Conflicts Parties and the Debtors and the Potential Parties in Interest. To the extent any potential or actual connections are discovered after the Petition Date, if there exists a material connection, AlixPartners will promptly supplement this disclosure. Notwithstanding the foregoing, AlixPartners’ conflicts check did not and will not extend to entities owned by mutual funds in which an Investor Conflicts Party has an interest; entities owned by separate accounts managed by non-affiliates for an Investor Conflicts Party; entities owned by private equity funds in which an Investor Conflicts Party has a limited partnership interest managed by non-affiliates (even though the particular Investor Party may be represented on the limited partner advisory board or investor committee and even though the particular Investor Conflicts Party may have a passive interest in the general partner); entities where any of the Investor Conflicts Parties serves as general partner or investment manager holding interests representing, directly or indirectly, 10% or less. Nor does it or will it necessarily include indirect investments, such as businesses owned or investments made by an Investor Conflicts Party’s portfolio company(ies), or passive investments held or managed by any of the Investor Conflicts Parties. In addition, because of the sheer size of the investments of the Investors and their respective affiliates and subsidiaries, except as described herein, AlixPartners’ conflicts check did not and it will not necessarily include any other affiliates or subsidiaries owned, directly or indirectly, by each Investor, or any investments made by such other affiliates or subsidiaries, nor will it include, to the extent applicable, any depositors of the Investors.

Although AlixPartners has performed a conflicts check of the Investor Conflicts Parties as set forth above, as a result of, among other things, the sheer size of the investments of the Investor Conflicts Parties, one or more of the Investor Conflicts Parties may, in the ordinary course and from time to time, hold, control and/or manage loans to, or investments in, the

Debtors and/or Potential Parties in Interest and/or may trade debt and/or equity securities in the Debtors and/or Potential Parties in Interest. In addition, one or more of the Investor Conflicts Parties may also have had, currently have, or may in the future have business relationships or other connections with the Debtors or other Potential Parties in Interest. To the extent AlixPartners learns of material business relationships or other material connections that are not included herein, AlixPartners will promptly file a supplemental disclosure.

Other than as specifically noted herein, AlixPartners has not undertaken to determine the existence, nature, and/or full scope of any business relationships or connections that the Investor Conflicts Parties may have with the Potential Parties in Interest, the Debtors and their affiliates, or these chapter 11 cases.

Further, AlixPartners may have had, currently have or may in the future have business relationships with, among other entities, portfolio companies of the Investors and portfolio companies of private equity funds in which they are limited partners, in matters unrelated to the Debtors or their affiliates in these chapter 11 cases. Based on, among other things, the business separation between each of the Investor Conflict Parties and AlixPartners, the contractual client confidentiality obligations of AlixPartners and the information barriers referred to above, AlixPartners believes that it does not hold or represent an interest adverse to the estate with respect to the engagement.

- AP interacts with U.S. Bankruptcy Court judges and representatives of the U.S. Trustee Program regularly in its capacity as a professional consulting firm that offers turnaround and restructuring services.
- AP has issued debt in the form of a USD-denominated senior secured term loan, and a Euro-denominated senior secured term loan (collectively, the “Term Loans”), as well as a Revolving Credit Facility.

Deutsche Bank serves as the Administrative Agent for the Term Loans and the Revolving Credit Facility and as such manages all trading of the Term Loans and Revolving Credit Facility between investors. Many of the holders of the Term Loans are pools organized by banks, mutual fund management companies and other fund managers (collectively, “Fund Managers”) who pool debt instruments issued by multiple / different borrowers and offer interests in the pools to investors. The identities of the investors in the pools cannot be ascertained by AlixPartners. The Term Loans are actively traded. Thus, the list of Fund Managers and other investors directly holding the Term Loans can become outdated quickly. On a monthly basis, AlixPartners reviews the list of investors in the Term Loans for the purpose of making relationship disclosures in chapter 11 cases. As of the last monthly report, no Fund Manager or other investor in the Term Loans held greater than 10% of either the US-denominated or Euro-denominated Term Loans. 30. Holdings and its subsidiaries do not have any investment affiliates that are a part of the Holdings enterprise, however for clarification, as set forth in paragraph 31 below Holdings is owned by, among others, the Investors.

31. To clarify, AlixPartners has one database where its relationships are stored for all AlixPartners entities from the top level parent company Holdings, to all of its controlled affiliates, including AlixPartners. The process for the preparation of a disclosure report is as follows: upon receipt of a potential parties in interest list, all such parties are input to the database. A report of the “hits” is generated and our conflicts team reviews those “hits” for connections. Where there are connections, a disclosure is drafted. After the conflicts team completes the draft disclosures,

they are reviewed by an attorney that works on bankruptcy matters. The attorney coordinates with the conflicts team to finalize the disclosures and they are then inserted into the draft retention pleadings and reviewed by the engagement Managing Director. The pleadings are thereafter filed with the Court. Separately, a bankruptcy paralegal in the Firm uses the disclosure report and the parties in interest list to draft a firmwide email for each bankruptcy filing. This email is sent to every Firm employee as well as the members of the Board of Directors of Holdings. The firmwide email requires each recipient to review the attached file that includes the parties in interest and corresponding disclosures, and asks that every recipient: (a) contact the legal department in the event that they have a connection or relationship with an interested party that is not included in our disclosures; (b) if they have a connection or relationship with an interested party that is included in our disclosures, confirm that it is accurately described; (c) contact Legal if they own securities of the Debtors. Members of the legal team review all email responses and drafts any further supplemental disclosures that are needed for filing.

32. For clarification, the equity capital of Holdings, which includes the subsidiaries AlixPartners, LLP, AlixPartners International, Inc., and all other affiliates is owned by the following investors:

- (i) Current and former Managing Directors of AlixPartners;
- (ii) Lakeview Parties;
- (iii) CDPQ;
- (iv) IVC;
- (v) PSP Investments; and
- (vi) other individuals and trusts.

33. The Board of Holdings has no involvement in the delivery of client services (other than the few members of the Board who are employees of AlixPartners.) The non-employee Board members do not have access to client files.

34. AlixPartners can take positions, or advise on positions, adverse to the Potential Parties in Interest listed on Schedule 1, attached hereto.

35. AlixPartners and its affiliates are advisors and crisis managers providing services and advice in many areas, including restructuring and distressed debt. As part of its diverse practice, AlixPartners appears in numerous cases, proceedings, and transactions involving many different attorneys, accountants, investment bankers, and financial consultants, some of whom may represent claimants and parties in interest in these chapter 11 cases. Further, AlixPartners has in the past, and may in the future, be represented by various attorneys and law firms, some of whom may be involved in these chapter 11 cases. In addition, AlixPartners has been in the past, and likely will be in the future, engaged in matters unrelated to the Debtors or these chapter 11 cases in which it works with or in opposition to other professionals involved in these chapter 11 cases. Moreover, AlixPartners might have referred work to other professionals who are retained in these chapter 11 cases. Likewise, certain such professionals who are retained in these chapter 11 cases might have referred work to AlixPartners. To the best of my knowledge, information, and belief, insofar as I have been able to ascertain after reasonable inquiry, none of these business relationships constitute interests adverse to these chapter 11 cases.

36. From time to time, AlixPartners has provided services, and likely will continue to provide services, to certain creditors of the Debtors and various other parties adverse to the Debtors in matters wholly unrelated to these chapter 11 cases. As described herein, however, AlixPartners has undertaken a detailed search to determine, and to disclose, whether it is providing or has

provided services to any significant creditor, equity security holder, insider or other party in interest in such unrelated matters.

37. To the best of my knowledge, information and belief, insofar as I have been able to ascertain after reasonable inquiry, none of AlixPartners' personnel (a) have any connection with the U.S. Trustee, or any employee in the Office of the U.S. Trustee; or (b) are related or connected to any United States Bankruptcy Judge for the Southern District of New York, except as otherwise set forth herein.

38. To the best of my knowledge, none of the members of the engagement team or AP is a direct holder of any of the Debtors' securities. It is possible that members of the engagement team or certain of AlixPartners employees, managing directors, board members, equity holders, or an affiliate of any of the foregoing, may own interests in mutual funds or other investment vehicles (including various types of private funds) that own the Debtors' or other parties in interest's debt or equity securities or other financial instruments, including bank loans and other obligations. Typically, the holders of such interests have no control over investment decisions related to such investment funds or financial instruments. AlixPartners' policy prohibits its employees from personally trading in the Debtors' securities.

39. To the best of my knowledge, information and belief, insofar as I have been able to ascertain after reasonable inquiry, AlixPartners has not been retained to assist any entity or person other than the Committee on matters relating to, or in direct connection with, these chapter 11 cases. AlixPartners will continue to provide professional services to entities that may be creditors or equity security holders of the Debtors or other parties in interest in these chapter 11 cases, provided that such services do not relate to, or have any direct connection with, these chapter 11 cases.

40. Certain of AlixPartners' employees, managing directors, board members, equity holders, or an affiliate of any of the foregoing may have financial accounts or insurance relationships with a potential party in interest.

41. Despite the efforts described above to identify and disclose the connections that AlixPartners has with parties in interest in these chapter 11 cases, because the Debtors form a large enterprise with numerous creditors and other relationships, AlixPartners is unable to state with certainty that every client relationship or other connection has been identified and disclosed.

42. In accordance with section 504 of the Bankruptcy Code and Bankruptcy Rule 2016, neither I nor AlixPartners has entered into any agreements, express or implied, with any other party in interest, including the Debtors, any creditor, or any attorney for such party in interest in these chapter 11 cases, (a) for the purpose of sharing or fixing fees or other compensation to be paid to any such party in interest or its attorneys for services rendered in connection therewith, (b) for payment of such compensation from the assets of the estates in excess of the compensation allowed by the Court pursuant to the applicable provisions of the Bankruptcy Code, or (c) for payment of compensation in connection with these chapter 11 cases other than in accordance with the applicable provisions of the Bankruptcy Code.

43. Accordingly, except as otherwise set forth herein, insofar as I have been able to determine, neither I, AlixPartners nor any AlixPartners' personnel holds or represents any interest adverse to the Committee, Debtors or their estates, and AlixPartners is a "disinterested person" as that term is defined in section 101(14) of the Bankruptcy Code, as modified by section 1107(b) of the Bankruptcy Code, in that AlixPartners and its professionals and employees who will work on the engagement:

- (a) are not creditors, equity security holders, or insiders of the Debtors;

- (b) were not, within two years before the Petition Date, a director, officer or employee of the Debtors; and
- (c) do not have an interest materially adverse to the interest of the Debtors' estate or any class of creditors or equity security holders, by reason of any direct or indirect relationship to, connection with, or interest in, the Debtors, or for any other reason.

44. If AlixPartners discovers additional information that requires disclosure, AlixPartners will promptly file a supplemental disclosure with the Court as required by Bankruptcy Rule 2014. AlixPartners reserves the right to supplement this Declaration in the event that AlixPartners discovers any facts bearing on matters described in this Declaration regarding AlixPartners' employment by the Committee.

Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge and belief.

**Re: Agreement for Financial Advisory and Consulting Services**

Dear Mr. Eliasson:

This letter, together with the attached Schedules and General Terms and Conditions, sets forth the agreement (“Agreement”) between AlixPartners, LLP (“AlixPartners”) and the Official Committee of Unsecured Creditors (the “Committee”) of Century 21 Department Stores LLC and certain of its affiliates and subsidiaries (the “Company”), for the engagement of AlixPartners to provide financial advisory and consulting services to the Committee with respect to the Company’s Chapter 11 reorganization cases currently pending before the United States Bankruptcy Court for the Southern District of New York (the “Bankruptcy Court”).

All defined terms shall have the meanings ascribed to them in this letter and in the attached Schedule(s) and General Terms and Conditions. The Committee and AlixPartners are each a “party,” and together the “parties.”

**Objectives and Tasks**

AlixPartners will provide advice to and assist the Committee in evaluating and implementing strategic and tactical options through the bankruptcy and restructuring process. A general list of tasks AlixPartners will likely perform is as follows:

- Review and evaluate the Company’s current financial condition, business plans and cash and financial forecasts, and periodically report to the Committee regarding the same.
- Review the Company’s cash management, tax sharing and intercompany accounting systems, practices and procedures.
- Review and investigate: (i) related party transactions, including those between the Company and non-debtor subsidiaries and affiliates (including, but not limited to, shared services expenses and tax allocations) and (ii) selected other pre-petition transactions.

- Evaluate any proposed sale process and related bids and participate in any meetings with bidders or auction, as required.
- Assist in the development and/or review of the Company's plan of reorganization and disclosure statement.
- Review and evaluate court motions filed or to be filed by the Company or any other parties-in-interest, as appropriate.

- Attend Committee meetings and court hearings as may be required in the role of advisors to the Committee.
- Assist with such other matters as may be requested that fall within AlixPartners' expertise and that are mutually agreeable.

In addition, the Committee acknowledges and agrees it may be necessary and appropriate for AlixPartners to review certain information with the Company or its advisors for accuracy and validity before submitting its Work Product to the Committee.

**Staffing**

David MacGreevey and Kathryn McGlynn will be the managing directors responsible for the overall engagement, assisted by a staff of consultants at various levels who have a wide range of skills and abilities related to this type of assignment. In addition, AlixPartners has relationships with, and may periodically use, independent contractors with specialized skills and abilities to assist in this engagement.

We will periodically review the staffing levels to determine the proper mix for this assignment. We will only use the necessary staff required to complete the requested or planned tasks.

### **Processing, Personal Data and Data Subjects**

In connection with this Agreement, AlixPartners will not be receiving any Personal Data subject to the General Data Protection Regulation ((*EU* 2016/679) (the "GDPR") or any applicable legislation implementing any provisions of the GDPR as may be enacted time to time (together the "Data Protection Legislation").

**AlixPartners, LLP**  
**General Terms and Conditions**

These General Terms and Conditions (“Terms”) are incorporated into the Agreement to which these Terms are attached. In case of conflict between the wording in the letter and/or schedule(s) and these Terms, the wording of the letter and/or schedule(s) shall prevail

### Section 1. Committee Responsibilities

The Committee will undertake responsibilities as set forth below:

1. Use all reasonable efforts to cause the Company to provide AlixPartners with (i) reliable and accurate detailed information, materials, and documentation concerning the Company; and (ii) access to management and other representatives of the Company as reasonably requested by AlixPartners.
2. Make decisions and take future actions, as the Committee determines in its sole discretion, on any recommendations made by AlixPartners in connection with this Agreement.

AlixPartners' delivery of the services and the fees charged are dependent on (i) the Committee's timely and effective completion of its responsibilities; and (ii) timely decisions and approvals made by the Committee's management.

### Section 2. Billing, Payments and Taxes

**Billing and Payments.** All payments to be made to AlixPartners shall be due and payable upon delivery of invoice via check or wire transfer to AlixPartners' bank account, as shown on the invoice. All amounts invoiced are based on services rendered and expenses incurred to date, and are not contingent upon future services or Work Product (as defined below), or the outcome of any case or matter. "Fees," as used in this Agreement, shall include all amounts payable by the Company to AlixPartners in accordance with Schedule 1, including any success fee or break fee, but excluding reimbursable expenses.

**Taxes.** AlixPartners' fees are exclusive of taxes or similar charges, which shall be the responsibility of the Company (other than taxes imposed on AlixPartners' income generally). If AlixPartners' fees are subject to any taxes, such as State sales tax, Goods and Services Tax/Harmonized Sales Tax or Value Added Tax, then AlixPartners will include such taxes on its invoices as separate line items.

### Section 3. Relationship of the Parties

The parties intend that an independent contractor relationship will be created by the Agreement. As an independent contractor, AlixPartners will have complete and exclusive charge of the management and operation of its business, including hiring and paying the wages and other compensation of all its employees and agents, and paying all bills, expenses and other charges incurred or payable with respect to the operation of its business. AlixPartners will be responsible for all employment, withholding, income and other taxes incurred in connection with the operation and conduct of its business. Nothing in this Agreement is intended to create, nor shall be deemed or construed to create a fiduciary or agency relationship between AlixPartners and the Committee.

AlixPartners is providing advisory and consulting services only, and will not make decisions for the Committee. While AlixPartners may from time to time suggest options available to the Committee, the ultimate decision as to such options rests with the Committee, and AlixPartners makes no promise or guarantee about the outcome of the Committee's matters.

AlixPartners is not an accounting firm and does not give accounting advice or guidance. While AlixPartners' work may involve analysis of accounting, business and other related records, this engagement does not constitute an audit in accordance with either generally accepted auditing standards or the standards of the Public Company Accounting Oversight Board or any other similar governing body.

AlixPartners is not authorized to practice law or provide legal advice. No services provided under this Agreement are intended to be, nor should be construed to be, legal services.

### Section 4. Confidentiality

Each party shall use reasonable efforts, but in no event less effort than it would use to protect its own confidential information, to keep confidential all non-public confidential or proprietary information obtained from the other party during the performance of AlixPartners' services hereunder (the "Confidential Information"), and neither party will disclose any Confidential Information to any other person or entity, except as may be required by the Bankruptcy Court order or otherwise agreed in writing. "Confidential Information" includes non-public confidential and proprietary data, plans, reports, schedules, drawings, accounts, records, calculations, specifications, flow sheets, computer programs, source or object codes, results, models or any work product relating to the business of the Committee members, the Company or AlixPartners' subsidiaries, distributors, affiliates, vendors, customers, employees, contractors and consultants.

The foregoing is not intended to prohibit, nor shall it be construed as prohibiting, AlixPartners from making such disclosures of Confidential Information that AlixPartners reasonably believes are required by law or any regulatory requirement or authority to clear client conflicts. AlixPartners may also disclose Confidential Information to its partners, directors, officers, employees, independent contractors and agents who have a need to know the Confidential Information as it relates to the services being provided under this Agreement, provided AlixPartners is responsible for any breach of these confidentiality obligations by any such parties. AlixPartners may make reasonable disclosures of Confidential Information to third parties, such as the Committee's suppliers and/or vendors, in connection with the performance of AlixPartners' obligations and assignments hereunder, provided AlixPartners reasonably believes that such third party is bound by confidentiality obligations. In addition, AlixPartners will have the right to disclose to any person that it provided services to the Committee and a general description of such services, but shall not provide any other information about its involvement with the Committee. The obligations of the parties under this Section 4 shall survive the end of any engagement between the parties for a period of three (3) years.

Work Product (as defined in Section 5) may contain AlixPartners proprietary information or other information that is deemed to be Confidential Information for purposes of this Agreement, and the parties may not want to make public. Therefore, the parties acknowledge and agree that (i) all information (written or oral), including advice and Work Product (as defined in Section 5), generated by AlixPartners in connection with this engagement is intended solely for the benefit and use of the Committee in connection with this Agreement, and (ii) no such information shall be used for any other purpose or disseminated to any third parties, or, quoted or referred to with or without attribution to AlixPartners at any time in any manner or for any purpose without AlixPartners' prior approval (not to be unreasonably withheld or delayed), except as required by law. The Committee may not rely on any draft or interim Work Product.

#### **Section 5. Intellectual Property**

All analyses, final reports, presentation materials, and other work product (other than any Engagement Tools, as defined below) that AlixPartners creates or develops specifically for the Committee and delivers to the Committee as part of this engagement (collectively known as "Work Product") shall be owned by the Committee and shall constitute Committee Confidential Information as defined above. AlixPartners may retain copies of the Work Product and any Confidential Information necessary to support the Work Product subject to its confidentiality obligations in this Agreement. In addition, the Committee acknowledges and agrees that before submitting its Work Product to the Committee, it may be necessary and appropriate for AlixPartners to review certain information with the Company or its advisors for accuracy and validity.

All methodologies, processes, techniques, ideas, concepts, know-how, procedures, software, tools, templates, models, utilities and other intellectual property that AlixPartners has created, acquired or developed or will create, acquire or develop (collectively, "Engagement Tools"), are, and shall be, the sole and exclusive property of AlixPartners. The Committee shall not acquire any interest in the Engagement Tools other than a limited, worldwide, perpetual, non-transferable license to use the Engagement Tools to the extent they are contained in the Work Product.

The Committee acknowledges and agrees, except as otherwise set forth in this Agreement, that any Engagement Tools provided to the Committee are provided "as is" and without any warranty or condition of any kind, express, implied or otherwise, including, implied warranties of merchantability or fitness for a particular purpose.

#### **Section 6. Framework of the Engagement**

The Committee acknowledges that it is retaining AlixPartners solely to assist and advise the Committee as described in the Agreement. This engagement shall not constitute an audit, review or compilation, or any other type of financial statement reporting engagement.

#### **Section 7. Indemnification and Other Matters**

The Committee agrees to use its best efforts, through the application for retention of AlixPartners, to have the Company provide an indemnification to AlixPartners Parties (defined below), whereby:

The Company shall indemnify, hold harmless and defend AlixPartners and its affiliates and its and their partners, directors, officers, employees and agents (collectively, the "AlixPartners Parties") from and against all claims, liabilities, losses, expenses and damages arising out of or in connection with the engagement of AlixPartners that is the subject of the Agreement. The Company shall pay damages and expenses as incurred, including reasonable legal fees and disbursements of counsel. If, in the opinion of counsel, representing both parties in the matter covered by this indemnification creates a potential conflict of interest, the AlixPartners Parties may engage separate counsel to represent them at the Company's expense.

The Company's indemnification obligations in this Section 7 shall be primary to, and without allocation against, any similar indemnification obligations that AlixPartners may offer to its personnel generally.

AlixPartners is not responsible for any third-party products or services separately procured by the Committee. The Committee's sole and exclusive rights and remedies with respect to any such third party products or services are against the third-party vendor and not against AlixPartners, whether or not AlixPartners is instrumental in procuring such third-party product or service.

#### **Section 8. Governing Law and Arbitration**

The Agreement is governed by and shall be construed in accordance with the laws of the State of New York with respect to contracts made and to be performed entirely therein and without regard to choice of law or principles thereof.

Any controversy or claim arising out of or relating to the Agreement, or the breach thereof, shall be settled by arbitration. Each party shall appoint one non-neutral arbitrator. The two party arbitrators shall select a third arbitrator. If within 30 days after their appointment the two party arbitrators do not select a third arbitrator, the third arbitrator shall be selected by the American Arbitration Association (AAA). The arbitration shall be conducted in New York, New York under the AAA's Commercial Arbitration Rules, and the arbitrators shall issue a reasoned award. The arbitrators may award costs and attorneys' fees to the prevailing party. Judgment on the award rendered by the arbitrators may be entered in any court having jurisdiction thereof.

Notwithstanding the foregoing, either party may proceed directly to a court of competent jurisdiction to enforce the terms of this Agreement for

any claim in connection with (i) the non-payment of Fees or expenses due under this Agreement, or (ii) the non-performance of obligations under Section 7.

In any court proceeding arising out of this Agreement, the parties hereby waive any right to trial by jury.

#### Section 9. Termination and Survival

The Agreement may be terminated at any time by written notice by one party to the other; provided, however, that notwithstanding such termination AlixPartners will be entitled to any Fees and expenses due under the provisions of the Agreement (for fixed fee engagements, fees will be pro rata based on the amount of time completed). Such payment obligation shall inure to the benefit of any successor or assignee of AlixPartners.

Sections 2, 4, 5, 7, 8, 9, 10, 11, 12, 13 and 14 of these Terms, the provisions of Schedule 1 and the obligation to pay accrued fees and expenses shall survive the expiration or termination of the Agreement.

#### Section 10. Limitation of Liability

THE ALIXPARTNERS PARTIES SHALL NOT BE LIABLE TO THE COMMITTEE, THE COMMITTEE MEMBERS, THE COMPANY, OR ANY PARTY ASSERTING CLAIMS ON BEHALF OF THE COMPANY, EXCEPT FOR DIRECT DAMAGES FOUND IN A FINAL DETERMINATION TO BE THE DIRECT RESULT OF THE GROSS NEGLIGENCE, BAD FAITH, SELF-DEALING OR INTENTIONAL MISCONDUCT OF ALIXPARTNERS. THE ALIXPARTNERS PARTIES SHALL NOT BE LIABLE FOR INCIDENTAL, CONSEQUENTIAL OR SPECIAL DAMAGES, LOST PROFITS, LOST DATA, REPUTATIONAL DAMAGES, PUNITIVE DAMAGES OR ANY OTHER SIMILAR DAMAGES UNDER ANY CIRCUMSTANCES, EVEN IF THEY HAVE BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. THE ALIXPARTNERS PARTIES' AGGREGATE LIABILITY, WHETHER IN TORT, CONTRACT, OR OTHERWISE, IS LIMITED TO THE AMOUNT OF FEES PAID TO ALIXPARTNERS FOR SERVICES UNDER THIS AGREEMENT (OR IF THE CLAIM ARISES FROM AN ADDENDUM TO THIS AGREEMENT, UNDER THE APPLICABLE ADDENDUM) (THE "LIABILITY CAP"). The Liability Cap is the total limit of the AlixPartners Parties' aggregate liability for any and all claims or demands by anyone pursuant to this Agreement, including liability to the Committee members, to any other parties hereto, and to any others making claims relating to the work performed by AlixPartners pursuant to this Agreement. Any such claimants shall allocate any amounts payable by the AlixPartners Parties among themselves as appropriate, but if they cannot agree on the allocation it will not affect the enforceability of the Liability Cap. Under no circumstances shall the aggregate of all such allocations or other claims against the AlixPartners Parties pursuant to this Agreement exceed the Liability Cap.

#### Section 11. General

**Equitable Remedies.** Each party acknowledges and agrees that money damages alone may not be an adequate remedy for a breach of the Agreement. Each party agrees that the non-breaching party shall have the right to seek a restraining order and/or an injunction for any breach of the Agreement. If any provision of the Agreement is found to be invalid or unenforceable, then it shall be deemed modified or restricted to the extent and in the manner necessary to render the same valid and enforceable.

**Severability.** If any portion of the Agreement shall be determined to be invalid or unenforceable, the remainder shall be valid and enforceable to the maximum extent possible.

**Entire Agreement.** This Agreement, including the letter, the Terms and the schedule(s), contains the entire understanding of the parties relating to the services to be rendered by AlixPartners and supersedes any other communications, agreements, understandings, representations, or estimates among the parties (relating to the subject matter hereof) with respect to such services. The Agreement, including the letter, the Terms and the schedule(s), may not be amended or modified in any respect except in a writing signed by the parties. AlixPartners is not responsible for performing any services not specifically described herein or in a subsequent writing signed by the parties.

**Related Matters.** If an AlixPartners Party is required by applicable law, legal process or government action to produce information or testimony as a witness with respect to this Agreement, the Committee shall reimburse AlixPartners for any professional time and expenses (including reasonable external and internal legal costs and e-discovery costs) incurred to respond to the request, except in cases where an AlixPartners Party is a party to the proceeding or the subject of the investigation.

AlixPartners will have the right to obtain independent legal counsel to obtain advice with respect to its services under this engagement. The Committee will reimburse AlixPartners' for the reasonable fees and expenses of such independent legal counsel.

**Joint and Several.** If more than one party signs this Agreement, the liability of each party shall be joint and several. In addition, in the event more than one entity is included in the definition of Company under this Agreement, the Company shall cause each other entity which is included in the definition of Company to be jointly and severally liable for the Company's liabilities and obligations set forth in this Agreement.

**Third-Party Beneficiaries.** The AlixPartners Parties shall be third-party beneficiaries with respect to Section 7 hereof.

**Notices.** All notices required or permitted to be delivered under the Agreement shall be sent, if to AlixPartners, to:

AlixPartners, LLP

2000 Town Center, Suite 2400  
Southfield, MI 48075  
Attention: General Counsel

and if to the Committee, to its retained counsel. All notices under the Agreement shall be sufficient only if delivered by overnight mail. Any notice shall be deemed to be given only upon actual receipt.

### Section 12. Bankruptcy Related Matters

The Committee shall apply promptly to the Bankruptcy Court for approval of the Committee's retention of AlixPartners under the terms of the Agreement. The form of retention application and proposed order shall be reasonably acceptable to AlixPartners. AlixPartners shall have no obligation to provide services unless AlixPartners' retention under the terms of the Agreement is approved by a final order of the Bankruptcy Court reasonably acceptable to AlixPartners. The Committee shall assist, or cause their counsel to assist, with filing, serving and noticing of papers related to AlixPartners' fee and expense matters.

The Committee and AlixPartners agree that the Bankruptcy Court shall have exclusive jurisdiction over any and all matters arising under or in connection with this Agreement.

AlixPartners will have the right to obtain independent legal counsel to obtain advice with respect to its services under this engagement. The Committee will reimburse AlixPartners' for the reasonable fees and expenses of such independent legal counsel.

AlixPartners acknowledges that, during the pendency of any Bankruptcy Court approved retention, the indemnification provisions and Liability Cap set forth above may be subject to modification as stated within the Bankruptcy Court's retention order.

If AlixPartners finds it desirable to augment its consulting staff with independent contractors (an "I/C") in this case, (i) AlixPartners will file, and require the I/C to file, 2014 affidavits indicating that the I/C has reviewed the list of the interested parties in this case, disclosing the I/C's relationships, if any, with the interested parties and indicating that the I/C is disinterested; (ii) the I/C must remain disinterested during the time that AlixPartners is involved in providing services on behalf of the Committee; and (iii) the I/C must represent that he/she will not work for the Committee or other parties in interest in this case during the time AlixPartners is involved in providing services to the Committee. AlixPartners' standard practice is to charge for an I/C's services at the rate equal to the compensation provided by AlixPartners to such I/C.

### Section 13. Data Protection

All capitalized terms used in this Section and not otherwise defined in this Agreement shall have the meanings given to them in the General Data Protection Regulation ((EU) 2016/679) (the "GDPR") and all applicable legislation implementing any provisions of the GDPR as may be enacted from time to time (together the "Data Protection Legislation").

The parties acknowledge and agree that, in performing services pursuant to this Agreement, AlixPartners may from time to time be required to Process certain Personal Data on behalf of the Committee. In such cases: (1) the Committee will ensure that it is lawfully permitted to transfer the Personal Data to AlixPartners for the purposes of AlixPartners performing services under this Agreement; and (2) AlixPartners shall (i) act as the Committee's Processor for the purposes of the Data Protection Legislation; (ii) only Process such Personal Data in accordance with the Committee's written instructions (including when making an international transfer of Personal Data) unless required to do so by law; (iii) implement appropriate technical and organisational measures to reasonably protect that Personal Data against unauthorized or unlawful Processing and accidental, unauthorized or unlawful loss, destruction, alteration, damage, disclosure or access; and (iv) obtain commitments from all AlixPartners' personnel who have access to and/or Process such Personal Data to keep such Personal Data confidential.

If AlixPartners is Processing Personal Data relating to individuals located in the EU or otherwise subject to the Data Protection Legislation, (x) AlixPartners and the Committee shall each comply with all relevant provisions of the Data Protection Legislation, and (y) the nature and extent of such Processing shall be set out in the GDPR Data Protection Schedule of this Agreement. AlixPartners shall, in relation to any Personal Data processed by AlixPartners in connection with this Agreement: (1) at the Committee's cost, assist the Committee in complying with its obligations as the Controller (or as Processor, as the case may be) of the Personal Data, to respond to requests from Data Subjects exercising their rights set out in Articles 12 to 22 of the GDPR; (2) notify the Committee without undue delay on becoming aware of a Personal Data Breach; (3) upon termination or expiration of this Agreement, at the written direction of the Committee either delete or return any Personal Data and any copies thereof to the Committee (except to the extent AlixPartners is required by law to retain such Personal Data, and except for Personal Data located on AlixPartners' disaster recovery or backup systems where it will be destroyed upon the normal expiration of the backup files); and (4) maintain appropriate records to demonstrate compliance with this Section.

AlixPartners is part of an international business, headquartered in the United States of America ("US"). AlixPartners may in the ordinary course of its business, including the performance of the services under this Agreement, transfer Personal Data received outside the US to its US-based affiliates. AlixPartners' US-based affiliates are certified under the EU-US Privacy Shield framework and any transfer of Personal Data from outside the US to its US-based affiliates will be transferred subject to, and in accordance with, the Privacy Shield requirements. AlixPartners' entities located in the EU have also entered into standard data protection clauses (in accordance with Article 46.2 (c) of the GDPR) with their non-EU-based affiliates. The Committee acknowledges and agrees that AlixPartners, as reasonably required for the performance of the services pursuant to this Agreement, be permitted to transfer Personal Data to its affiliates, subject to, and in accordance with, the Privacy Shield requirements and/or the aforementioned standard data protection clauses. Except as allowed above, AlixPartners shall not transfer any Personal Data received in the EU and subject to the Data Protection Legislation outside of the European Economic Area without the prior written consent of the Committee.

The Committee consents to AlixPartners appointing third party Processors of Personal Data under this Agreement. AlixPartners confirms that it will enter into a written agreement with any third-party Processor prior to supplying them with the Personal Data, incorporating terms which are substantially similar to those set forth in this Section. As between the Committee and AlixPartners, AlixPartners shall remain fully liable for all acts or omissions of any third-party Processor appointed by AlixPartners pursuant to this paragraph.
