PLEASE TAKE NOTICE OF THE FOLLOWING:

On May 15, 2023, Vice Group Holding Inc. and its debtor affiliates, as debtors and debtors in possession (collectively, the “Debtors”) in the above-captioned chapter 11 cases (the “Chapter 11 Cases”), filed with the United States Bankruptcy Court for the Southern District of New York (the “Court”) the *Debtors’ Motion for Entry of an Order (I) Establishing Bidding, Noticing, and Assumption and Assignment Procedures, (II) Authorizing and Approving the Debtors’ Entry into the Stalking Horse Agreement (III) Approving the Sale of Substantially all of the Debtors’ Assets and (IV) Granting Related Relief* [ECF No. 16] (the “Motion”), seeking an order (the “Bidding Procedures Order”), among other things, seeking an order (the “Bidding Procedures Order”), among other things, (a) approving certain bidding procedures (the “Bidding Procedures”) in connection with the sale or sales of substantially all of the Debtors’ assets (the “Assets”) pursuant to section 363 of the Bankruptcy Code (the “Sale”), including certain dates and deadlines thereunder for the Sale process; and (b) authorizing procedures (such procedures, the “Assumption and Assignment Procedures”) to facilitate the fair and orderly assumption, assumption and assignment, and rejection of certain executory contracts (the “Contracts”) or unexpired leases (the “Leases”) of the Debtors.²

On May 30, 2023, the Court, entered the Bidding Procedures Order [ECF No. 80]. Pursuant to the Bidding Procedures Order, the Debtors hereby provide notice (this “Assumption and Assignment Notice”) that they are seeking to assume and assign to Vice Acquisition HoldCo, LLC (the “Stalking Horse Bidder”) ³, or, if the Stalking Horse Bidder is not the Successful Bidder at the Auction (if any), any other Successful Bidder(s), the Contracts or Leases listed on **Exhibit A** attached hereto (each, an “Assigned Contract”).

You are receiving this Assumption and Assignment Notice because you may be a counterparty to a Contract or Lease (a “Counterparty”) that may be assumed and assigned to the Successful Bidder in connection with the Sale.

² Capitalized terms not otherwise defined herein shall have the meaning ascribed to such terms in the Motion or the Bidding Procedures.

³ A copy of the Stalking Horse Agreement was filed with the Court on May 19, 2023, at ECF No. 58 (as may be amended or modified pursuant to the terms thereof, the “Stalking Horse Agreement,” and such bid memorialized therein, the “Stalking Horse Bid”).

If the Debtors assume and assign to the Successful Bidder(s) an Assigned Contract to which you are a party, on the closing date of the Sale, or as soon thereafter as practicable, such Successful Bidder will pay you the amount the Debtors' records reflect is owing for **pre-bankruptcy filing arrearages** as set forth on **Exhibit A** (the "Cure Cost"). The Debtors' records reflect that all postpetition amounts owing under your Assigned Contract have been paid and will continue to be paid in the ordinary course until the assumption and assignment of the Assigned Contract, and that other than the Cure Cost, there are no other defaults under the Assigned Contract.

The Debtors' inclusion of a Contract or Lease as an Assigned Contract on **Exhibit A** is not a guarantee that such Contract or Lease will ultimately be assumed and assigned to any Successful Bidder. Should it be determined that an Assigned Contract will not be assumed and assigned, the Debtors shall notify such party to the Assigned Contract in writing of such decision.

Notwithstanding anything to the contrary herein, the proposed assumption and assignment of each of the Assigned Contracts listed on **Exhibit A** hereto (a) shall not be an admission as to whether any such Assigned Contract was executory or unexpired as of the Petition Date or remains executory or unexpired postpetition within the meaning of Bankruptcy Code section 365; and (b) shall be subject to the Debtors', the Stalking Horse Bidder's, or any Successful Bidder(s)'s right to conduct further confirmatory diligence with respect to the Cure Cost of each Assigned Contract and to modify such Cure Cost accordingly. In the event that the Debtors or any Successful Bidder determine that your Cure Cost should be modified, you will receive a notice pursuant to the Assumption and Assignment Procedures below, which will provide for additional time to object to such modification.

I. Assumption and Assignment Procedures

The Assumption and Assignment Procedures set forth below regarding the assumption and assignment of the Assigned Contracts that may be assumed by the Debtors and assigned to the Successful Bidder(s) in connection with the Sale shall govern the assumption and assignment of all of the Assigned Contracts, subject to the payment of any Cure Costs:

(a) **Cure Costs and Adequate Assurance of Future Performance.** The payment of the applicable Cure Costs by any party, as applicable, shall (i) effect a cure of all monetary defaults existing thereunder and (ii) compensate for any actual pecuniary loss to such Counterparty resulting from such default.

(b) **Additions.** The Debtors may also designate additional executory contracts or unexpired leases as agreements to be assumed by the Debtors and assigned to a Successful Bidder (the "Additional Assigned Contracts") until one (1) business day before the closing of the Sale. Following the addition of an Additional Assigned Contract, the Debtors shall as soon as reasonably practicable thereafter serve an Assumption and Assignment Notice on each of the counterparties to such Additional Assigned Contracts and their counsel of record, if any, indicating (i) that the Debtors intend to assume and assign the Counterparty's Contract or Lease, as applicable, to the Successful Bidder(s), and (ii) the corresponding Cure Cost. The Debtors shall provide any counterparties to such Additional Assigned Contracts an opportunity to be heard, if necessary, with

respect to the assumption and assignment of their Assigned Contract if no other notice was received by such Counterparty prior to the Sale Hearing.

(c) **Eliminations.** The Debtors may remove any Contract or Lease, as applicable, to be assumed by the Debtors and assigned to the Successful Bidder (the “Eliminated Agreements”) until one (1) business day before the closing of the Sale. Following the removal of an Eliminated Agreement, the Debtors shall as soon as reasonably practicable thereafter serve a notice (a “Removal Notice”) on each of the impacted counterparties and their counsel of record, if any, indicating that the Debtors no longer intend to assign the Contract or Lease, as applicable, to the Successful Bidder(s) in connection with the Sale.

(d) **Supplemental Contract Assumption Notice.** Although the Debtors intend to make a good faith effort to identify all Assigned Contracts that may be assumed and assigned in connection with the Sale, the Debtors may discover certain executory contracts inadvertently omitted from the Assigned Contracts list or the Successful Bidder(s) may identify other Contracts or Leases that they desire to have assumed and assigned in connection with the Sale. Accordingly, the Debtors reserve the right, but only in accordance with the Stalking Horse Agreement or the purchase and sale agreement with the Successful Bidder(s) (the “Successful Bidder Purchase Agreement”), as applicable, or as otherwise agreed by the Debtors and the Successful Bidder(s), at any time before the deadline for designation of additional Assigned Contracts or removal of potentially Assigned Contracts set forth in the Stalking Horse Agreement or the Successful Bidder Purchase Agreement, to (i) supplement the list of Assigned Contracts with previously omitted executory contracts, (ii) remove Assigned Contracts from the list of executory contracts ultimately selected as Assigned Contracts that a Successful Bidder proposes be assumed and assigned to it in connection with the Sale, or (iii) modify the previously stated Cure Cost associated with any Assigned Contracts. In the event the Debtors exercise any of these reserved rights, the Debtors will promptly serve a supplemental notice of contract assumption (a “Supplemental Assumption and Assignment Notice”) on each of the counterparties to such contracts and their counsel of record, if any; provided, however, the Debtors may not add an executory contract to the list of Assigned Contracts that has been previously rejected by the Debtors by order of the Court. Each Supplemental Assumption and Assignment Notice will include the same information with respect to listed Assigned Contracts as was included in the Assumption and Assignment Notice, or in the event of a removal, the information required in a Removal Notice. Any Supplemental Assumption and Assignment Notice will be served as soon as reasonably practicable following the Successful Bidder’s identification of any such omissions, removals, or modifications to any Assigned Contracts.

(e) **Objections.** Objections, if any, to the proposed assumption and assignment or the Cure Cost proposed with respect thereto, must (i) be in writing; (ii) comply with the Bankruptcy Code, the Bankruptcy Rules, and the Local Rules; (iii) state, with specificity, the legal and factual bases thereof; (iv) if a Cure Objection that pertains to the proposed Cure Costs, state the cure amount alleged to be owed to the objecting Counterparty, together with the appropriate documentation including the cure amount the Counterparty believes is required to cure defaults under the relevant Contract or Lease; (v) include any appropriate documentation in support thereof; and (vi) be filed with the Court and served on, so actually be received by, the Objection Recipients

(as defined below) by the applicable deadlines below or such deadline as set forth in the applicable Supplemental Assumption and Assignment Notice.

- (i) Cure Objection Deadline. Any objection to the Cure Cost, to assumption and assignment of an Assigned Contract, or adequate assurance of must be filed with the Bankruptcy Court on or before **June 16, 2023, at 4:00 p.m. (prevailing Eastern Time)** (the “Cure Objection Deadline”), or such deadline set forth in the **applicable Supplemental Assumption Notice**, and served on: the Debtors, c/o VICE, 49 S 2nd St, Brooklyn, NY 11249 (Attn: Maria Harris (maria.harris@vice.com)); (ii) the Debtors’ counsel, Togut, Segal & Segal LLP, One Penn Plaza, Suite 3335, New York, NY 10119 (Attn: Kyle J. Ortiz (kortiz@teamtogut.com) and Brian F. Moore (bmoore@teamtogut.com)); (iii) special counsel for the Debtors, Shearman & Sterling LLP 599, Lexington Avenue, Lexington Ave, New York, NY 10022 (Attn: Fredric Sosnick (fsosnick@shearman.com), Christopher Forrester (chris.forrester@shearman.com), and Ian E. Roberts (ian.roberts@shearman.com)); (iv) entities on the Master Service List (which may be obtained at the Debtors’ case management website at <https://cases.stretto.com/vice/>); (v) counsel to the Stalking Horse Bidder, Gibson, Dunn & Crutcher LLP, 333 South Grand Avenue Los Angeles, California 90071 (Attn: David Feldman (DFeldman@gibsondunn.com), Michael S. Neumeister (mneumeister@gibsondunn.com), and Tommy Scheffer (tscheffer@gibsondunn.com)) (collectively, the “Cure Objection Recipients”); and (vi) counsel to the Committee Pachulski Stang Ziehl & Jones LLP, 780 Third Avenue, 34th Floor, New York, NY 10017 (Attn: Robert J. Feinstein (rfeinstein@pszjlaw.com) and Bradford J. Sandler (bsandler@pszjlaw.com)).
- (ii) Auction Results Objection Deadline. If the Debtors hold an Auction and if a Successful Bidder that is not the Stalking Horse Bidder prevails at the Auction, as soon as reasonably practicable after selecting such Successful Bidder(s), the Debtors will file (but not serve) and cause to be published on the Case Website a notice of results of the Auction (the “Notice of Auction Results”). Upon the filing of any Notice of Auction Results, objections *solely* to the identity of the Successful Bidder(s), changes to the Stalking Horse Agreement, or adequate assurance of future performance if the Successful Bidder is not the Stalking Horse Bidder (each, an “Auction Results Objection”) may be made. Any Auction Results Objection must be served on (A) counsel for the Debtors and (B) the Successful Bidder(s) and its counsel, if any (collectively, the “Auction Results Objection Recipients,” and together with the Cure Objection Recipients, the “Objection Recipients”), so as to be received at or prior to the Sale Hearing (the “Auction Results Objection Deadline”); provided, however, that the Cure Objection Deadline shall not be extended.

(f) Any party failing to timely file an objection to (i) the proposed Cure Cost, (ii) the proposed assumption and assignment of an Assigned Contract or Additional Assigned Contract listed on the Assumption and Assignment Notice or a Supplemental Assumption and Assignment Notice, or (iii) the amendment of the Assigned Contracts and releases of the Causes of Action and other rights of recovery as set forth in this Assumption and Assignment Notice; is deemed to have consented to (A) such Cure Cost, (B) the assumption and assignment of such Assigned Contract or Additional Assigned Contract (including the adequate assurance of future payment), and (C) the related relief requested in the Motion. Such party shall be forever barred and estopped from objecting to the Cure Cost, the assumption and assignment of the Assigned Contract, or Additional Assigned Contract, adequate assurance of future performance, or the related relief requested herein and in the Motion, whether applicable law excuses such Counterparty from accepting performance by, or rendering performance to, the Successful Bidder(s), and from asserting any additional cure or other amounts against the Debtors and the Successful Bidder(s) with respect to such party's Assigned Contract or Additional Assigned Contract.

(g) If a Cure Objection or Auction Results Objection, as applicable, filed by the Cure Objection Deadline or Auction Results Objection Deadline, as applicable, cannot otherwise be resolved by the parties prior to the Sale Hearing, such objections and all issues regarding the Cure Cost amount to be paid or the adequate assurance of future performance, as applicable, shall be determined by the Court at the Sale Hearing, or at a later hearing on a date to be scheduled by the Debtors in their discretion, and in consultation with the Successful Bidder(s).

II. Additional Information

Unless otherwise provided in the Sale Order, the Debtors shall have no liability or obligation with respect to defaults relating to the Assigned Contracts arising, accruing, or relating to a period on or after the effective date of assignment.
