Debtors.¹

Chapter 11

Case No. 23-10738 (JPM)

(Joint Administered)

**DISCLOSURE AND ACCOUNTING NOTES REGARDING DEBTORS' SCHEDULES
OF ASSETS AND LIABILITIES AND STATEMENTS OF FINANCIAL AFFAIRS**

On May 15, 2023 (the “Petition Date”), Vice Group Holding Inc. and its debtor affiliates, as debtors and debtors in possession (each a “Debtor,” collectively, the “Debtors,” and together with their non-debtor affiliates, the “Company”), commenced voluntary cases (the “Chapter 11 Cases”) under chapter 11 of title 11 of the United States Code (the “Bankruptcy Code”) in the United States Bankruptcy Court for the Southern District of New York (the “Bankruptcy Court”). On May 30, 2023 (the “Additional Petition Date”), Debtor Goldie Films, Inc. also commenced a case by filing a chapter 11 petition.²

The Debtors continue to operate their businesses and manage their properties as debtors and debtors in possession, pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. The Chapter 11 Cases have been consolidated for procedural purposes only and are being jointly administered under case number 23-10738 (JPM).

The Schedules of Assets and Liabilities (the “Schedules”) and Statements of Financial Affairs (the “Statements” or “SOFAs”) were prepared pursuant to Bankruptcy Code section 521 and Rule 1007 of the Federal Rules of Bankruptcy Procedure by the Debtors’ management using unaudited information available as of the Petition Date.

(1241). The location of the Debtors’ service address for purposes of these chapter 11 cases is: 49 South 2nd Street, Brooklyn, NY 11249.

² As used herein, the terms “Petition Date,” “Debtors,” and “Chapter 11 Cases” are inclusive of the Additional Petition Date, Goldie Films, Inc., and its chapter 11 case, respectively. As of the date herein, the joint administration of the Goldie Films, Inc. chapter 11 case together with the other Chapter 11 Cases is pending approval.

These *Disclosure and Accounting Notes Regarding the Debtors' Schedules of Assets and Liabilities and Statements of Financial Affairs* (these “Disclosure and Accounting Notes”) are incorporated by reference in, and comprise an integral part of, each of the Debtors’ Schedules, sub-Schedules, Statements, sub-Statements, exhibits, and continuation sheets, and should be referred to in connection with any review of the Schedules and Statements. Disclosure of information in one Schedule, sub-Schedule, Statement, sub-Statement, exhibit, or continuation sheet, even if incorrectly placed, shall be deemed to be disclosed in the correct Schedule, Statement, exhibit, or continuation sheet.

1. Basis of Presentation. The Company historically prepared consolidated unaudited quarterly and consolidated audited annual financial statements, which included all of the Debtors and affiliated non-Debtor entities. Unlike the consolidated financial statements, the Schedules and Statements generally reflect the assets and liabilities of each Debtor on a non-consolidated basis. Accordingly, the amounts listed in the Schedules and Statements will likely differ, at times materially, from the consolidated financial reports prepared historically by the Company.

Although the Schedules and Statements may, at times, incorporate information prepared in accordance with United States generally accepted accounting principles (“GAAP”), the Schedules and Statements neither purport to represent nor reconcile to financial statements otherwise prepared and/or distributed by the Debtors in accordance with GAAP or otherwise.

2. Reporting Date. Each Debtor operates on a fiscal year ending on December 31 annually. All asset and liability information, except where otherwise noted, is provided as of the Petition Date.

3. Currency. All amounts are reflected in U.S. dollars, which the Company uses as its reporting currency. Unless otherwise noted, the Debtors used conversion rates provided by Xignite Inc. as of the Petition Date. One significant exception is the value of prepetition transfers, which were valued using the conversion rates as of the date of such transfer.

4. Totals. All totals included in the Schedules and Statements represent totals of all known amounts. To the extent there are unknown or undetermined values, these will not be listed in the totals.

5. Asset Presentation and Valuation. The Debtors’ assets are presented at values consistent with their books and records. These values do not purport to represent the ultimate value that would be received in the event of a sale and may not represent economic value as determined by an appraisal or other valuation technique. As it would be prohibitively expensive and an inefficient use of estate assets for the Debtors to obtain current economic valuations for all of their assets, unless otherwise noted, the carrying value of the Debtors’ assets as reported on their books (*i.e.*, net book value), rather than their current economic value, is reflected on the Schedules and Statements.

6. Intercompany Transactions. Net intercompany balances between a given Debtor and other Company entities as of April 30, 2023 are reported on such Debtor’s Schedules in response

to Question AB77 (Other property of any kind not already listed) for net intercompany receivables and Schedule E/F for any net intercompany payables.

7. Creditor Facilities. Although there may be multiple parties that hold a portion of the debt comprising the Debtors' prepetition credit facilities and notes, only the administrative agents and indenture trustees, as applicable, have been listed for purposes of reporting such debt on Schedules D, E/F, and H.

8. Confidentiality and Redactions. In accordance with the Bankruptcy Court's *Order (I) Authorizing the Debtors to Prepare a Consolidated List of Creditors; (II) Authorizing the Debtors to File a Consolidated List of the Debtors' Thirty Largest Unsecured Creditors; (III) Authorizing the Debtors to Redact Certain Personally Identifiable Information; (IV) Approving the Form and Manner of Notifying Creditors of Commencement; and (V) Granting Related Relief* [Docket No. 53], the home addresses of the Debtors' former employees (including directors and officers) and independent contractors that are individuals have been listed as confidential and may be provided upon request. For current employees (including directors and officers), the addresses displayed are the respective Debtors' office addresses.

9. First Day Orders. The Bankruptcy Court has entered orders (each, a "First Day Order") authorizing the Debtors to pay, in whole or in part, various outstanding prepetition claims, including but not limited to, certain claims relating to the Debtors' employees' wages and compensation, commissions, severance, benefits, and reimbursable business expenses (not exceeding the \$15,150 cap under sections 507(a)(4) and 507(a)(5) of the Bankruptcy Code per employee); insurance obligations; critical and foreign vendors; and pre-petition taxes and fees. Given that certain of these claims have been paid or are anticipated to be paid in accordance with the First Day Orders, such claims may not be listed in the Schedules, notwithstanding that such claims existed as of the Petition Date or may otherwise be listed as "unknown" or "to be determined."

10. Intellectual Property Rights. Value associated with intellectual property internally generated or created, including enhancements to previously acquired intellectual property, are not reflected herein. Exclusion of certain intellectual property shall not be construed to be an admission that such intellectual property rights have been abandoned, have been terminated, or otherwise have expired by their terms, or have been assigned or otherwise transferred pursuant to a sale, acquisition, or other transaction. Conversely, inclusion of certain intellectual property shall not be construed to be an admission that such intellectual property rights have not been abandoned, have not been terminated, or otherwise have not expired by their terms, or have not been assigned or otherwise transferred pursuant to a sale, acquisition, or other transaction. The Debtors have made every effort to attribute intellectual property to the rightful Debtor owner; however, in some instances, intellectual property owned by one Debtor may, in fact, be owned by another. Accordingly, the Debtors reserve all of their rights with respect to the legal status of any and all intellectual property rights.

11. Liens. The inclusion on Schedule D of creditors is not an acknowledgement of the validity, extent, or priority of any liens, and the Debtors reserve their right to challenge such liens and the underlying claims on any ground whatsoever. A careful review of the applicable agreements and

other relevant documents is necessary for a complete description of the collateral and the nature, extent and priority of any liens. Nothing in these Disclosure and Accounting Notes or the Schedules and Statements shall be deemed a modification or interpretation of the terms of such agreements or an acknowledgment of same. Certain liens may have been inadvertently marked as disputed but had previously been acknowledged in an order of the Court as not being disputed by the Debtors. It is not the Debtors' intent that the Schedules be construed to supersede any orders entered by the Bankruptcy Court.

Schedules of Assets and Liabilities

Schedule A/B Notes.

- **General.** Each Debtor's assets in Schedule A/B are listed at net book value as of the Petition Date, unless otherwise noted, and may not necessarily reflect the market or recoverable value of these assets as of the Petition Date. Assets that are fully depreciated are not listed on Schedule A/B. Assets and liabilities are recorded when known. Subject to paragraph 10 above, fixed and intangible assets are depreciated over the life of the asset as determined by the Debtor based on internal accounting policies.
- **Schedule A/B, Part 1 – Cash and Cash Equivalents.** The reported bank balances (including investments and overnight accounts) and cash on hand include cash held in various currencies, converted into U.S. dollars as of the Petition Date.
- **Schedule A/B, Part 4 – Investments; Non-Publicly Traded Stock and Interests in Incorporated and Unincorporated Businesses, including any Interest in an LLC, Partnership, or Joint Venture.** Ownership interests in subsidiaries, partnerships, joint ventures, and investments in non-publicly traded securities have been listed in Schedule A/B, Part 4 in undetermined amounts because the fair market value of such ownership is dependent on numerous variables and factors.
- **Schedule A/B, Part 10 – Intangibles and Intellectual Property, Items 59-66.** The Debtors report intellectual property assets with an undetermined value. The Debtors have not listed or assigned any value for their goodwill.

Schedule D Notes.

- Except as specifically stated herein, lessors of real property and equipment, utility companies, and any other parties which may hold security deposits or other security interests, have not been listed on Schedule D. The Debtors have also not listed on Schedule D any parties whose claims may be secured through rights of setoff, deposits, advance payments or inchoate statutory lien rights.
- The amounts outstanding under the Debtors' prepetition secured credit facilities and secured notes reflect the approximate balance as of the Petition Date.
- The descriptions provided on Schedule D, including the descriptions of the underlying collateral, are intended only as a summary. Reference to the applicable loan agreements

and related documents is necessary for a complete description of the collateral and the nature, extent and priority of any liens.

- Schedule D does not include beneficiaries of letters of credit. Although the claims of these parties may be secured by a letter of credit, the Debtors' obligations under the letters of credit run to the issuers thereof and not to the beneficiaries thereof.

Schedule E/F Notes.

- The claims listed on Schedule E/F arose or were incurred on various dates. In certain instances, the date on which a claim arose may be unknown or subject to dispute. Although reasonable efforts have been made to determine the dates upon which such claims were incurred or arose, the exact fixing of each such date would be unduly burdensome and cost-prohibitive. Consequently, the Debtors have not listed a date for all claims set forth on Schedule E/F.
- Amounts for the Debtors' trade claims set forth on Schedule E/F reflect the payables owed as of the Petition Date based on the Debtors' books and records as of May 14, 2023. Amounts paid under the First Day Orders have been deducted from the Petition Date trade accounts payable to the extent that such payment information was reflected in the Debtors' books and records as of July 7, 2023.
- All asserted or potential litigation-related claims referenced in Schedule E/F are contingent, unliquidated, and disputed, unless otherwise indicated.

Schedule G Notes.

- In some cases, the same contract counterparty appears multiple times in a Debtor's Schedule G. This multiple listing is generally intended to reflect distinct agreements between the applicable Debtor and such counterparty, however, due to the magnitude of data, it is possible that a multiple listing may be the result of duplicates.
- To the extent that a Debtor is a licensee or lessee pursuant to an executory contract or unexpired lease and is also a sublessor or sub licensor pursuant to a different executory contract or unexpired lease concerning the same property, each such executory contract or unexpired lease (as the case may be) will be listed separately on the Debtor's Schedule G.
- Certain of the contracts, agreements, and leases listed on Schedule G may have been entered into by more than one of the Debtors. Further, in certain instances, the specific Debtor obligor to certain of the executory contracts could not be specifically ascertained. In such cases, the Debtors have made their best efforts to determine the correct Debtor's Schedule G on which to list such executory contract.

Statement of Financial Affairs

Statement Question 1 and 2 – Revenue. The net sales for the 2023 stub period are as of April 30, 2023.

Statement Question 3 – 90 Day Payments. Payments to insiders within the 90 days prior to the Petition Date listed in response to SOFA 4 are not also listed in response to SOFA 3. However, payments made to the Debtors’ bankruptcy case professionals within the 90 days prior to the Petition Date that are listed in response to SOFA 11 are also listed in response to SOFA 3. SOFA 3 excludes payments made to employees for compensation but includes transfers made to third-party administrators to compensate employees. Payments other than wages made to non-insider employees are shown on an aggregate basis by date.

Statement Question 4 – Payments to Insiders. SOFA 4 includes only those payments made to insiders on behalf of the respective Debtor during the one year preceding the Petition Date. For the purposes of SOFA 4, the Debtors deemed “insiders” to include all employees with a job level of grade 10 or higher on the Company’s internal rating system who report directly to the Company’s Chief Executive Officer. Certain employees who are nominally a director or officer of a Debtor entity, but who have a job level of grade 9 or lower or do not report directly to the Company’s Chief Executive Officer were not deemed “insiders” for purposes of SOFA 4.

Statement Question 7 – Legal Actions. The Debtors have not included workers’ compensation claims in response to this question because the Debtors maintain that this disclosure would be in violation of certain laws including HIPAA (Health Insurance Portability and Accountability Act of 1996) and, for certain foreign jurisdictions could constitute a breach of federal/local privacy laws.

Statement Question 16 – Personally Identifiable Information. The Company’s privacy policies are disclosed on the Company’s website at https://vice-web-statics-cdn.vice.com/privacy-policy/en_us/page/privacy-policy.html.

Statement Questions 28 and 29 – Directors and Officers. For purposes of SOFA 28, each Debtor listed the names of all of its current officers and directors. For purposes of SOFA 29, each Debtor listed the names of all of its former officers and directors that it employed within the one year prior to the Petition Date.

Statement Question 30 – Payments, Distributions, or Withdrawals to Insiders. Refer to SOFA 4 for this item.
