THESE STATEMENTS ARE NECESSARILY SPECULATIVE, NOT GUARANTEES, AND ARE SUBJECT TO RISKS, UNCERTAINTIES AND CHANGES IN CIRCUMSTANCES THAT ARE DIFFICULT TO PREDICT, AND SIGNIFICANT CONTINGENCIES, MANY OF WHICH ARE BEYOND THE DEBTORS' CONTROL. MANY FACTORS COULD CAUSE THE DEBTORS' ACTUAL RESULTS TO DIFFER MATERIALLY AND ADVERSELY FROM ANY OF THESE FORWARD-LOOKING STATEMENTS. THE DEBTORS CONSIDER ALL STATEMENTS REGARDING ANTICIPATED OR FUTURE MATTERS, INCLUDING THE FOLLOWING, TO BE FORWARD-LOOKING STATEMENTS:

- THE DEBTORS' INTENTION TO COMMENCE THE CHAPTER 11 CASES;

- THE DEBTORS' ABILITY TO REDUCE THEIR OVERALL FINANCIAL LEVERAGE AND ADDRESS THEIR DEBT SERVICE OBLIGATIONS
- THE DEBTORS' ABILITY TO DISCHARGE OR SETTLE CLAIMS DURING THE CHAPTER 11 CASES;
- THE EFFECTIVENESS OF THE DEBTORS' RISK MANAGEMENT ACTIVITIES;

- THE DEBTORS' FINANCIAL STRATEGIES, CONDITION, REVENUES, CASH FLOWS, EXPENSES, BUDGET, AND PROJECTIONS;
- THE DEBTORS' ABILITY TO MAINTAIN RELATIONSHIPS WITH THIRD PARTIES AS A RESULT OF THE CHAPTER 11 CASES OR OTHER FAILURE OF SUCH PARTIES TO COMPLY WITH THEIR CONTRACTUAL OBLIGATIONS;

- THE DEBTORS' CUSTOMERS' RESPONSES TO THE CHAPTER 11 CASES;
- THE DEBTORS' LIMITED ACCESS TO CAPITAL RESOURCES, INCLUDING THE AVAILABILITY, TIMING, AND TERMS OF SUCH CAPITAL RESOURCES;
- THE DEBTORS' ABILITY TO SATISFY FUTURE CASH OBLIGATIONS OR TO COMPLY WITH THE TERMS AND CONDITIONS OF ITS FINANCING ARRANGEMENTS;
- THE EFFECTS OF GOVERNMENTAL REGULATION ON THE DEBTORS' BUSINESS;

- OTHER GENERAL ECONOMIC AND POLITICAL CONDITIONS IN THE UNITED STATES AND INTERNATIONALLY, INCLUDING THOSE RESULTING FROM RECESSIONS, POLITICAL EVENTS, ACTS OR THREATS OF TERRORISM, AND MILITARY CONFLICTS.

THESE FACTORS SHOULD NOT BE CONSTRUED AS EXHAUSTIVE AND SHOULD BE READ IN CONJUNCTION WITH THE ADDITIONAL INFORMATION AND DISCUSSION OF OTHER RISKS IDENTIFIED IN THIS DISCLOSURE STATEMENT. THE DEBTORS UNDERTAKE NO OBLIGATION TO (AND EXPRESSLY DISCLAIM ANY OBLIGATION TO) UPDATE OR REVISE ANY FORWARD-LOOKING STATEMENTS INCLUDED IN THIS DISCLOSURE STATEMENT AS A RESULT OF NEW INFORMATION, FUTURE EVENTS, OR OTHERWISE, UNLESS INSTRUCTED TO DO SO BY THE BANKRUPTCY COURT.

THE PROJECTIONS AND FORWARD-LOOKING INFORMATION CONTAINED HEREIN AND ATTACHED HERETO ARE ONLY ESTIMATES, AND THE TIMING AND AMOUNT OF ACTUAL DISTRIBUTIONS TO HOLDERS OF CLAIMS AMONG OTHER THINGS, MAY BE AFFECTED BY MANY FACTORS THAT CANNOT BE PREDICTED. ## I. INTRODUCTION.

Pretium Packaging, L.L.C. and certain of its affiliates, as prospective debtors and debtors in possession (collectively, the “Debtors”, and together with their non-Debtor affiliates, the “Company” or “Pretium”), intend to implement certain restructuring and recapitalization transactions (the “Restructuring Transactions”) pursuant to the Plan, attached hereto as Exhibit A and incorporated herein by reference, and that certain Restructuring Support Agreement, dated December 30, 2025, by and among the Company and the Consenting Stakeholders (as may be amended, supplemented, or otherwise modified from time to time, and including all schedules, exhibits, and annexes thereto, the “Restructuring Support Agreement”), attached hereto as Exhibit B. The Debtors submit this Disclosure Statement pursuant to section 1125 of the Bankruptcy Code to Holders of Class 4 First Lien Tranche A-1 Claims and Class 5 Second Lien Claims against the Debtors to solicit their votes to accept or reject the Plan. The Plan constitutes a separate chapter 11 plan for each of the Debtors. The rules of interpretation set forth in Article I.B of the Plan govern the interpretation of this Disclosure Statement.

**THE DEBTORS AND THE CONSENTING STAKEHOLDERS THAT HAVE EXECUTED THE RESTRUCTURING SUPPORT AGREEMENT BELIEVE THAT THE RESTRUCTURING TRANSACTIONS AND COMPROMISES CONTEMPLATED BY THE RESTRUCTURING TRANSACTIONS ARE FAIR AND EQUITABLE, MAXIMIZE THE VALUE OF THE DEBTORS’ ASSETS, AND PROVIDE THE BEST RECOVERY TO STAKEHOLDERS. AT THIS TIME, THE DEBTORS BELIEVE THAT THE RESTRUCTURING TRANSACTIONS REPRESENT THE BEST AVAILABLE OPTION FOR ACCOMPLISHING THE DEBTORS’ OVERALL RESTRUCTURING OBJECTIVES. THE DEBTORS STRONGLY RECOMMEND THAT YOU VOTE TO ACCEPT THE PLAN.**

## II. PRELIMINARY STATEMENT.

Pretium commences these chapter 11 cases to implement a highly consensual recapitalization transaction in partnership with its primary equity sponsor and lenders holding approximately 88.6 percent of the outstanding First Lien Tranche A-1 Term Loans and 81.2 percent of the outstanding Second Lien Term Loans (collectively, the “Consenting Lenders”) through a prepackaged chapter 11 plan of reorganization. As further described herein, the proposed transaction is expected to reduce the Company’s funded debt by approximately \$900 million, raise new debt and equity financing, and ensure the Company is well capitalized at emergence, all while paying general unsecured creditors in full or reinstating their claims. With the support of its key stakeholders, Pretium will have the financial flexibility to complete its operational turnaround and a strong foundation for long-term success and growth.

Pretium is a leading designer and manufacturer of rigid packaging, including plastic bottles, jars, closures, trays, and other containers. Founded in 1992 and based in St. Louis, Missouri, the Company has grown to become one of the largest rigid packaging manufacturers in North America. With an extensive catalog of custom and stock containers, decades of technical expertise, and a vertically integrated operating platform, Pretium provides full-service solutions, from design and engineering to production and distribution, to thousands of customers in the food and beverage, nutrition and wellness, household and commercial chemicals, healthcare, and personal care industries. As of the date of this Disclosure Statement, Pretium operates twenty-four advanced manufacturing facilities across the United States, Canada, Mexico, Ireland, and the Netherlands, and employs approximately 3,000 workers globally.

Despite its strong foundation and industry-leading platform, Pretium has faced significant headwinds over the last several years. In particular, industry-wide normalization of customer demand in the wake of the COVID-19 pandemic led to reduced order flow and lower plant utilization. These headwinds were compounded by persistent high inflation, supply chain disruptions, and other operational

challenges. In response, the Company implemented measures to enhance efficiency, improve liquidity, and integrate its global acquisitions. While these efforts proved successful, the Company ultimately determined that its operational enhancements needed to be coupled with a comprehensive recapitalization of its balance sheet to enable it to execute on its long-term business plan. To that end, the Company began engaging with its key stakeholders in the first half of 2025 regarding potential capital structure solutions.

As of the Voting Record Date, the Company has approximately \$1,835.7 million of outstanding principal amount of funded debt obligations, consisting of approximately:

- \$59.3 million under the ABL Facility;
- \$337.6 million of First Lien Tranche A Term Loans;
- \$1,237.4 million of First Lien Tranche A-1 Term Loans; and
- \$201.4 million of Second Lien Term Loans.

As further described herein, the Company has spent significant time over the past several months working with its key economic stakeholders, including (a) its primary equity sponsor Clearlake Capital Group, L.P. (together with certain of its affiliates, “Clearlake” or the “Sponsor”) and (b) an ad hoc group of lenders (the “Ad Hoc Group”)<sup>1</sup> to explore strategic alternatives that maximize value for stakeholders and best position the Company for success.

On December 30, 2025, the Company entered into the Restructuring Support Agreement with lenders holding approximately 83.6 percent of the First Lien Tranche A-1 Term Loans and 75.6 percent of the Second Lien Term Loans (the “Initial Consenting Lenders”) and Clearlake, in its capacity as the Company’s primary equity sponsor and New Money Investor, documenting the Restructuring Transactions.

The key terms of the Restructuring Transactions, as reflected in the Restructuring Support Agreement and the Plan, include the following:

- the Company will raise a DIP ABL Facility with a \$100 million revolving line of credit, which will provide liquidity for the Chapter 11 Cases together with the DIP Term Loans, refinance all prepetition ABL Claims, and, on the Effective Date, be either paid in full in Cash or, at the Debtors’ election, be refinanced by the Exit ABL Facility set forth in the Exit ABL Commitment Letter attached to this Disclosure Statement as Exhibit G;
- the Company will raise up to \$533.5 million of new money DIP Term Loans from the Holders of First Lien Tranche A-1 Claims, fully backstopped by the Backstop Parties in accordance with the Backstop Commitment Letter attached hereto as Exhibit H, the outstanding principal amount of which will, on the Effective Date, convert on a cashless, dollar-for-dollar basis into the Exit First-Out Term Loans;
- in addition to the opportunity to fund the DIP Term Loans and the Exit First-Out Term Loans, Holders of First Lien Tranche A-1 Claims will receive (i) First Lien New Equity equal to 72.5 percent of New Equity in the Reorganized Debtors, subject to dilution as set forth in the Plan and (ii) approximately \$500 million of Exit Second-Out Term Loans;

---

<sup>1</sup> The Ad Hoc Group comprises lenders holding First Lien Tranche A Term Loans, First Lien Tranche A-1 Term Loans, and Second Lien Term Loans and is represented by Milbank LLP and Moelis & Company.

- as consideration for the Holders of the First Lien Tranche A-1 Claims to participate in the funding of the DIP Term Loans and the Exit First-Out Term Loans, they will receive the Participation Premium equal to 10 percent of the aggregate committed amount, payable in New Equity, which will dilute the First Lien New Equity;
- as consideration for the Backstop Parties to backstop 100 percent of the DIP Term Loans and the Exit First-Out Term Loans, they will receive the Backstop Premium equal to 11.5 percent of the aggregate backstop commitment payable in New Equity, in accordance with the Backstop Commitment Letter attached hereto as Exhibit H, which will dilute the First Lien New Equity;
- Holders of First Lien Tranche A Claims will receive payment in full in cash with proceeds of the DIP Term Loans when the DIP Term Loans are funded;
- Holders of the Second Lien Claims will receive approximately \$5.8 million of cash and Second Lien New Equity equal to 5.6 percent of New Equity;
- the New Money Investor will make a \$50 million New Money Investment in exchange for New Money New Equity equal to 21.9 percent of New Equity;
- General Unsecured Claims will be paid in full in the ordinary course of business or otherwise Unimpaired; and
- Existing Interests in Poseidon Parent L.P., the ultimate parent entity of the Debtors, will be canceled without distribution.

In accordance with the Restructuring Support Agreement, the Company commenced solicitation of the Plan on January 25, 2026 and intend to commence Chapter 11 Cases on or around January 28, 2026 to implement the Restructuring Transactions by consummating the Plan. With strong support from the Sponsor and the Consenting Lenders, the Debtors intend to confirm the Plan and emerge from these Chapter 11 Cases on an expedited timeline<sup>2</sup> and resume normal operation with a deleveraged balance sheet and significant cash on hand to execute their go-forward business plan, drive future growth, and maximize value for all stakeholders. During these Chapter 11 Cases, the Debtors expect to continue operating in the ordinary course, with minimal disruption, if any, to customers, vendors, and employees.

The Restructuring Transactions are in the best interest of the Debtors and their estates and represent the best and most value-maximizing path forward for all their stakeholders. Moreover, it is in the best interest of all stakeholders that the Debtors proceed swiftly to consummate the Restructuring Transactions in accordance with the milestones set forth in the Restructuring Support Agreement and avoid substantial administrative costs and disruption to the business and instill confidence in the Debtors' customers, vendors, and employees that the chapter 11 process will not debilitate the business, but rather will maximize value for all of the Company's stakeholders. Consummation of the Restructuring Transactions will provide the Company with a right-sized capital structure, enhanced liquidity, and provide the financial flexibility to continue investing in automation, innovation, and sustainable packaging solutions, positioning the Company for long-term success.

---

<sup>2</sup> Under the Restructuring Support Agreement, the Debtors are required to obtain interim and final approval of the debtor-in-possession financing within three business days and thirty-five days of the Petition Date, respectively, confirm the Plan within sixty days of the Petition Date, and, subject to regulatory approval, emerge within thirty days of confirmation.

**For these reasons, the Debtors strongly recommend that Holders of Claims entitled to vote on the Plan vote to accept the Plan.**

**III. QUESTIONS AND ANSWERS REGARDING THIS DISCLOSURE STATEMENT, THE RESTRUCTURING TRANSACTIONS, AND THE PLAN.**

**A. What is chapter 11?**

Chapter 11 is the principal business reorganization chapter of the Bankruptcy Code. In addition to permitting debtor rehabilitation, chapter 11 promotes equality of treatment for similarly situated creditors and equity holders, subject to the priority of distributions prescribed by the Bankruptcy Code.

The commencement of a chapter 11 case creates an estate that comprises all of the legal and equitable interests of the debtor as of the date the chapter 11 case is commenced. The Bankruptcy Code provides that a debtor may continue to operate its business and remain in possession of its property as a “debtor in possession” until a chapter 11 plan is consummated.

Consummating a chapter 11 plan is the principal objective of a chapter 11 case. A bankruptcy court’s confirmation of a plan binds the debtor, any person acquiring property under the plan, any creditor or equity holder of the debtor, and any other entity as may be ordered by the bankruptcy court. Subject to certain limited exceptions, the order issued by a bankruptcy court confirming a plan provides for the treatment of the debtor’s liabilities in accordance with the terms of the confirmed plan.

**B. Why are the Debtors sending me this Disclosure Statement?**

The Debtors are seeking the requisite stakeholder approvals to consummate the Restructuring Transactions by confirming a chapter 11 plan of reorganization. Before soliciting acceptances of the Plan, section 1125 of the Bankruptcy Code requires the Debtors to prepare a disclosure statement containing adequate information of a kind, and in sufficient detail, to enable a hypothetical reasonable investor to make an informed judgment regarding acceptance of the Plan and to share such disclosure statement with all Holders of Claims whose votes on the Plan are being solicited. This Disclosure Statement is being distributed in accordance with these requirements.

**C. Why are votes being solicited prior to Bankruptcy Court approval of the Disclosure Statement?**

By sending this Disclosure Statement and soliciting votes on the Plan prior to approval by the Bankruptcy Court, the Debtors are preparing to seek Confirmation of the Plan shortly after commencing the Chapter 11 Cases. The Debtors will ask the Bankruptcy Court to approve this Disclosure Statement together with Confirmation of the Plan at the same hearing, which may be scheduled shortly after the commencement of the Chapter 11 Cases, all subject to the Bankruptcy Court’s approval and availability.

**D. Am I entitled to vote on the Plan?**

Your ability to vote on, and your distribution under, the Plan, if any, depends on what type of Claim or Interest you hold and whether you held that Claim or Interest as of the Voting Record Date (as defined herein). Each category of Holders of Claims or Interests, as set forth in Article III of the Plan pursuant to sections 1122(a) and 1123(a)(1) of the Bankruptcy Code, is referred to as a “Class.” Each Class’s respective voting status is set forth below:

Class	Claims and Interests	Status	Voting Rights
Class 1	Other Secured Claims	Unimpaired	Not Entitled to Vote (Presumed to Accept)
Class 2	Other Priority Claims	Unimpaired	Not Entitled to Vote (Presumed to Accept)
Class 3	ABL Claims	Unimpaired	Not Entitled to Vote (Presumed to Accept)
Class 4	First Lien Tranche A-1 Claims	Impaired	Entitled to Vote
Class 5	Second Lien Claims	Impaired	Entitled to Vote
Class 6	General Unsecured Claims	Unimpaired	Not Entitled to Vote (Presumed to Accept)
Class 7	Intercompany Claims	Unimpaired / Impaired	Not Entitled to Vote (Presumed to Accept) / Not Entitled to Vote (Deemed to Reject)
Class 8	Intercompany Interests	Unimpaired / Impaired	Not Entitled to Vote (Presumed to Accept) / Not Entitled to Vote (Deemed to Reject)
Class 9	Existing Interests	Impaired	Not Entitled to Vote (Deemed to Reject)
Class 10	Section 510(b) Claims	Impaired	Not Entitled to Vote (Deemed to Reject)

**E. What will I receive from the Debtors if the Plan is consummated?**

The following chart provides a summary of the anticipated recovery to Holders of Allowed Claims or Allowed Interests under the Plan. Any estimates of Claims or Interests in this Disclosure Statement may vary from the final amounts allowed by the Bankruptcy Court, or otherwise. Your ability to receive distributions under the Plan depends upon the ability of the Debtors to obtain Confirmation and meet the conditions necessary to consummate the Plan.

Each Holder of an Allowed Claim or Allowed Interest, as applicable, shall receive under the Plan the treatment described below in full and final satisfaction, settlement, release, and discharge of and in exchange for such Holder’s Allowed Claim or Allowed Interest, except to the extent different treatment is agreed to by the Debtors or the Reorganized Debtors, with the consent of the Required Consenting Stakeholders, as applicable, and the Holder of such Allowed Claim or Allowed Interest, as applicable. #### **F. What is the Participation Premium?**

The Participation Premium representing 23.4 percent of New Equity, subject to dilution by the MIP Equity, shall be issued to the DIP Term Loan Lenders as consideration of their participation in funding the DIP Term Loans and the Exit First-Out Term Loans.

#### **G. What is the Backstop Premium?**

The Backstop Premium shall be issued to the Backstop Parties as consideration of their agreement to provide the Backstop Commitments in accordance with the Backstop Commitment Letter. The Backstop Premium, together with the Participation Premium, shall dilute the First Lien New Equity.

#### **H. What are the First Lien Cash Out Option and the Second Lien Cash Out Option?**

To the extent it is available, the First Lien Cash Out Option means the potential right of each Holder of an Allowed First Lien Tranche A-1 Claim to receive, subject to the Cash Out Option Investment Cap, Cash in an amount equal to the Cash value of its Pro Rata share of First Lien New Equity based on the Cash Out Value, in lieu of its Pro Rata Share of First Lien New Equity. To the extent it is available, the Second Lien Cash Out Option means the potential right of each Holder of an Allowed Second Lien Claim to receive, subject to the Cash Out Option Investment Cap, Cash in an amount equal to the Cash value of its Pro Rata share of Second Lien New Equity based on the Cash Out Value, in lieu of its Pro Rata share of Second Lien New Equity.

The availability of the First Lien Cash Out Option and the Second Lien Cash Out Option and the Cash Out Value will be determined by the Required Consenting Stakeholders on the day that is 21 days prior to the anticipated Effective Date.

<sup>10</sup> Notwithstanding anything to the contrary in the Plan, a Section 510(b) Claim, if any such Claim exists, may only become Allowed by Final Order of the Bankruptcy Court.

If the First Lien Cash Out Option and the Second Lien Cash Out Option are available, the Debtors will distribute additional materials to Holders of First Lien Tranche A-1 Claims and Holders of Second Lien Claims that will allow them to elect the First Lien Cash Out Option and the Second Lien Cash Out Option, respectively.

For additional detail regarding the First Lien Cash Out Option and the Second Lien Cash Out Option, see Article IV.B.d.ii of this Disclosure Statement.

**I. Are any regulatory approvals required to consummate the Plan?**

Certain aspects of the Restructuring Transactions may trigger regulatory filing and approval requirements in certain international jurisdictions where the Company operates. To the extent any such regulatory approvals or other authorizations, consents, rulings, or documents are necessary to Consummate the Plan, it is a condition precedent to the Effective Date that they be obtained. Under the Restructuring Support Agreement, to the extent the Company and the Required Consenting Stakeholders have otherwise complied with the terms of the Restructuring Support Agreement and the Definitive Documents and all other events and actions necessary for the Consummation of the Restructuring Transaction to have occurred, other than the receipt of regulatory or other approval of a government entity or unit necessary for such Consummation, the milestone for the Effective Date shall be automatically extended for one additional three-month period. See Article VIII.A.5 of this Disclosure Statement, entitled “Risk Factors,” for a discussion of such risks.

**J. What happens to my recovery if the Plan is not confirmed or does not go effective?**

In the event that the Plan is not confirmed or does not go effective, there is no assurance that the Debtors will be able to reorganize their businesses. It is possible that any alternative may provide Holders of Claims with less than they would have received pursuant to the Plan. For a more detailed description of the consequences of an extended Chapter 11 Case, or of a liquidation scenario, see Article X.B of this Disclosure Statement, entitled “Best Interests of Creditors/Liquidation Analysis,” and the Liquidation Analysis attached hereto as Exhibit C.

**K. If the Plan provides that I get a distribution, do I get it upon Confirmation or when the Plan goes effective, and what is meant by “Confirmation,” “Effective Date,” and “Consummation?”**

“Confirmation” of the Plan refers to approval of the Plan by the Bankruptcy Court. Confirmation of the Plan does not guarantee that you will receive the distribution indicated under the Plan. After Confirmation of the Plan by the Bankruptcy Court, there are conditions that need to be satisfied or waived before the Plan can go effective. Initial distributions to Holders of Allowed Claims will only be made on the date the Plan becomes effective—the “Effective Date”—or as soon as reasonably practicable thereafter, as specified in the Plan. The Effective Date is the date on which (i) all conditions precedent set forth in Article IX of the Plan have been satisfied or waived in accordance with Article IX.B of the Plan and (ii) the Plan is declared effective by the Debtors. “Consummation” of the Plan refers to the occurrence of the Effective Date. See Article X.A of this Disclosure Statement, entitled “Requirements for Confirmation of the Plan,” for an overview of the conditions precedent to Consummation of the Plan. ANY BALLOT RECEIVED AFTER THE VOTING DEADLINE THAT IS OTHERWISE IN COMPLIANCE WITH THE SOLICITATION AND VOTING PROCEDURES PROVIDED IN ARTICLE IX OF THIS DISCLOSURE STATEMENT OR THE DIRECTIONS AND REQUIREMENTS SET FORTH IN YOUR BALLOT WILL NOT BE COUNTED WITH RESPECT TO VOTING ON THE PLAN WITHOUT THE CONSENT OF THE DEBTORS.

**L. What are the sources of Cash and other consideration required to fund the Plan?**

The Debtors and the Reorganized Debtors, as applicable, shall fund distributions under the Plan with: (1) the Debtors' Cash on hand as of the Effective Date, (2) the proceeds of the Exit Facilities, the New Money Investment, and the Cash Out Option Investment, and (3) the New Money Investor Wind Down Investment, if any.

**M. Are there risks to owning the New Equity upon the Debtors' emergence from chapter 11?**

Yes. *See Article VIII* of this Disclosure Statement, entitled "Risk Factors," for a discussion of such risks.

**N. Is there potential litigation related to the Plan?**

Parties in interest may object to the approval of this Disclosure Statement and may object to Confirmation of the Plan, which objections potentially could give rise to litigation. *See Article VIII.D.7* of this Disclosure Statement, entitled "The Reorganized Debtors May Be Adversely Affected by Potential Litigation, Including Litigation Arising Out of the Chapter 11 Cases."

The Debtors' operations are subject to various federal, state, and local laws and regulations. The Debtors may be required to make large expenditures to comply with such regulations. Failure to comply with these laws and regulations may result in the suspension or termination of operations and subject the Debtors to administrative, civil, and criminal penalties, which could have a material adverse effect on the business, financial condition, results of operations, and cash flows of the Reorganized Debtors. *See Article VIII.D.6* of this Disclosure Statement, entitled "The Debtors' Business is Subject to Various Laws and Regulations That Can Adversely Affect the Cost, Manner, or Feasibility of Doing Business."

In the event that it becomes necessary to confirm the Plan over the rejection of certain Classes, the Debtors may seek confirmation of the Plan notwithstanding the dissent of such rejecting Classes. The Bankruptcy Court may confirm the Plan pursuant to the "cramdown" provisions of the Bankruptcy Code, which allow the Bankruptcy Court to confirm a plan that has been rejected by an impaired Class if it determines that the Plan satisfies section 1129(b) of the Bankruptcy Code. *See Article X.E* of this Disclosure Statement, entitled "Confirmation Without Acceptance by All Impaired Classes."

**O. What is the Management Incentive Plan and how will it affect the distribution I receive under the Plan?**

On the Effective Date, the MIP Equity shall be reserved. As defined in the Plan, MIP Equity means up to 8 percent of the fully-diluted New Equity, reserved pursuant to the Management Incentive Plan. The terms and conditions of the Management Incentive Plan, including with respect to the form, terms, allocation, and vesting of the MIP Equity or other equity-based awards, shall be determined at the discretion of the New Board within 120 days of the Effective Date.

**P. Will there be releases and exculpation granted to parties in interest as part of the Restructuring Transactions?**

Yes, the Plan proposes to release the Released Parties and to exculpate the Exculpated Parties. The Debtor Release, Third-Party Release, and exculpation provisions included in the Plan are an integral part of the Debtors' overall restructuring efforts and were an essential element of the negotiations among the Debtors and their key constituents in obtaining their support for the Plan.

The Released Parties and the Exculpated Parties have made substantial and valuable contributions to the Debtors' restructuring through efforts to negotiate and implement the Restructuring Transactions, which will maximize and preserve the going-concern value of the Debtors for the benefit of all parties in interest. Accordingly, each of the Released Parties and the Exculpated Parties warrants the benefit of the release and exculpation provisions.

The Debtors believe that the releases and exculpations in the Plan are necessary and appropriate and meet the requisite legal standard promulgated by the United States Court of Appeals for the Third Circuit. Moreover, the Debtors will present evidence at the Confirmation Hearing to demonstrate the basis for and propriety of the Plan's release and exculpation provisions. The full text of the Debtor Release, the Third-Party Release, the exculpation provisions, the injunction provisions, and the related definitions are copied in pertinent part in Article IV.B.2 of this Disclosure Statement, entitled "Settlement, Release, Injunction, and Related Provisions." For more detail, see Article VIII of the Plan, entitled "Settlement, Release, Injunction, and Related Provisions."

**ALL HOLDERS OF CLAIMS OR INTERESTS WHO: (I) VOTE TO ACCEPT THE PLAN OR (II) ARE DEEMED TO ACCEPT THE PLAN WHO DO NOT AFFIRMATIVELY OPT OUT OF THE RELEASES PROVIDED BY THE PLAN BY CHECKING THE BOX ON THE APPLICABLE NOTICE OF NON-VOTING STATUS INDICATING THAT THEY DO NOT GRANT THE RELEASES PROVIDED IN THE PLAN; (III) VOTE TO REJECT THE PLAN OR ARE DEEMED TO REJECT THE PLAN WHO DO NOT AFFIRMATIVELY OPT OUT OF THE RELEASES PROVIDED BY THE PLAN BY CHECKING THE BOX ON THE APPLICABLE BALLOT OR NOTICE OF NON-VOTING STATUS INDICATING THAT THEY DO NOT GRANT THE RELEASES PROVIDED IN THE PLAN; OR (IV) ARE ENTITLED TO VOTE ON THE PLAN BUT ABSTAIN FROM VOTING ON THE PLAN AND WHO DO NOT AFFIRMATIVELY OPT OUT OF THE RELEASES PROVIDED BY THE PLAN BY CHECKING THE BOX ON THE APPLICABLE BALLOT INDICATING THAT THEY DO NOT GRANT THE RELEASES PROVIDED IN THE PLAN, WILL BE DEEMED TO HAVE CONCLUSIVELY, ABSOLUTELY, UNCONDITIONALLY, IRREVOCABLY, AND FOREVER RELEASED ALL CLAIMS AND CAUSES OF ACTION AGAINST THE RELEASED PARTIES, INCLUDING THE DEBTORS. YOUR FAILURE TO OPT OUT OF THE RELEASES PROVIDED BY THE PLAN IN ACCORDANCE WITH THE DISCLOSURE STATEMENT ORDER WILL RESULT IN YOUR IRREVOCABLE RELEASE OF ALL RELEASED CLAIMS AGAINST THE RELEASED PARTIES.**

**Q. Does the Plan preserve any Causes of Action?**

The Plan provides for the retention of all Causes of Action other than those that are expressly waived, relinquished, exculpated, released, compromised, or settled.

In accordance with section 1123(b) of the Bankruptcy Code, but subject to Article VIII of the Plan, each Reorganized Debtor, as applicable, shall retain and may enforce all rights to commence and pursue, as appropriate, any and all Causes of Action of the Debtors, whether arising before or after the Petition Date, including any actions specifically enumerated in the Schedule of Retained Causes of Action, and the Reorganized Debtors' rights to commence, prosecute, or settle such Causes of Action shall be preserved notwithstanding the occurrence of the Effective Date, other than the Causes of Action released by the Debtors pursuant to the releases and exculpations contained in the Plan, including in Article VIII of the Plan, which shall be deemed released and waived by the Debtors and the Reorganized Debtors as of the Effective Date.

The Reorganized Debtors may pursue such retained Causes of Action, as appropriate, in accordance with the best interests of the Reorganized Debtors. **No Entity (other than the Released Parties) may rely on the absence of a specific reference in the Plan, the Plan Supplement, or this Disclosure Statement to any Cause of Action against it as any indication that the Debtors or the Reorganized Debtors, as applicable, will not pursue any and all available Causes of Action of the Debtors against it.** The Debtors and the Reorganized Debtors expressly reserve all rights to prosecute any and all Causes of Action against any Entity, except as otherwise expressly provided in the Plan, including Article VIII of the Plan. The Reorganized Debtors may settle any such Causes of Action without any further notice to or action, order, or approval of the Bankruptcy Court. If there is any dispute regarding the inclusion of any Cause of Action on the Schedule of Retained Causes of Action that remains unresolved by the Debtors or Reorganized Debtors, as applicable, and the objecting party for thirty (30) days, such objection shall be resolved by the Bankruptcy Court. Unless any Causes of Action of the Debtors against an Entity are expressly waived, relinquished, exculpated, released, compromised, or settled in the Plan or a Final Order, the Reorganized Debtors expressly reserve all Causes of Action for later adjudication, and, therefore, no preclusion doctrine, including the doctrines of res judicata, collateral estoppel, issue preclusion, claim preclusion, estoppel (judicial, equitable, or otherwise), or laches, shall apply to such Causes of Action upon, after, or as a consequence of the Confirmation or Consummation.

The Reorganized Debtors reserve and shall retain such Causes of Action of the Debtors notwithstanding the rejection or repudiation of any Executory Contract or Unexpired Lease during the Chapter 11 Cases or pursuant to the Plan. In accordance with section 1123(b)(3) of the Bankruptcy Code, any Causes of Action that a Debtor may hold against any Entity shall vest in the Reorganized Debtors, except as otherwise expressly provided in the Plan, including Article VIII of the Plan. The applicable Reorganized Debtors, through their authorized agents or representatives, shall retain and may exclusively enforce any and all such Causes of Action. The Reorganized Debtors shall have the exclusive right, authority, and discretion to determine and to initiate, file, prosecute, enforce, abandon, settle, compromise, release, withdraw, or litigate to judgment any such Causes of Action and to decline to do any of the foregoing without the consent or approval of any third party or further notice to or action, order, or approval of the Bankruptcy Court.

#### **R. What is the deadline to vote on the Plan?**

The Voting Deadline with respect to the Plan is March 2, 2026, at 5:00 p.m. (prevailing Eastern Time), subject to Bankruptcy Court approval.

#### **S. How do I vote for or against the Plan?**

Detailed instructions regarding how to vote on the Plan are contained on the ballots distributed to Holders of Claims that are entitled to vote on the Plan (the “Ballots”). For your vote to be counted, your Ballot must be properly completed, executed, and delivered as directed, so that the Ballot containing your vote is actually received by the Solicitation Agent on or before the Voting Deadline. See Article IX of this Disclosure Statement, entitled “Solicitation, Voting, and Related Matters,” for more information.

#### **T. Why is the Bankruptcy Court holding a Confirmation Hearing?**

Section 1128(a) of the Bankruptcy Code requires the Bankruptcy Court to hold a hearing on Confirmation of the Plan and recognizes that any party in interest may object to Confirmation of the Plan. Shortly after the commencement of the Chapter 11 Cases, the Debtors will request that the Bankruptcy Court schedule the Confirmation Hearing, at which time the Debtors will seek, among other things, Confirmation of the Plan. At the Confirmation Hearing, the Debtors will also seek Bankruptcy Court approval of this Disclosure Statement pursuant to section 1125 of the Bankruptcy Code as containing

adequate information of a kind, and in sufficient detail, to enable a hypothetical reasonable investor to make an informed judgment regarding acceptance of the Plan and that the Debtors shared this Disclosure Statement with all Holders of Claims whose votes on the Plan are being solicited. All parties in interest will be served notice of the time, date, and location of the Confirmation Hearing once scheduled. The Confirmation Hearing may be adjourned from time to time without further notice.

**U. What is the purpose of the Confirmation Hearing?**

The purpose of the Confirmation Hearing is to seek approval of the Plan and this Disclosure Statement. If so approved, the Bankruptcy Court will have held that this Disclosure Statement has provided the Voting Classes with adequate information to make an informed decision as to whether to vote to accept or reject the Plan in accordance with section 1125(a)(1) of the Bankruptcy Code.

The confirmation of a plan of reorganization by a bankruptcy court binds the debtor, any issuer of securities under a plan of reorganization, any person acquiring property under a plan of reorganization, any creditor or equity interest holder of a debtor, and any other person or entity as may be ordered by the bankruptcy court in accordance with the applicable provisions of the Bankruptcy Code. Subject to certain limited exceptions, the order issued by the bankruptcy court confirming a plan of reorganization discharges a debtor from any debt that arose before the confirmation of such plan of reorganization and provides for the treatment of such debt in accordance with the terms of the confirmed plan of reorganization.

**V. What is the effect of the Plan on the Debtors' ongoing businesses?**

The Debtors will seek to reorganize under chapter 11 of the Bankruptcy Code. As a result, the occurrence of the Effective Date of the Plan means that the Debtors will **not** be liquidated or forced to go out of business. Following Confirmation, the Plan will be consummated on the Effective Date, which is a date that is the first Business Day after the Confirmation Date on which (1) no stay of the Confirmation Order is in effect and (2) all conditions to Consummation have been satisfied or waived. *See Article IX* of the Plan. On or after the Effective Date, and unless otherwise provided in the Plan, the Reorganized Debtors may operate their businesses and, except as otherwise provided by the Plan, may use, acquire, or dispose of property and compromise or settle any Claims, Interests, or Causes of Action without supervision or approval by the Bankruptcy Court and free of any restrictions of the Bankruptcy Code or Bankruptcy Rules. Additionally, upon the Effective Date, all actions contemplated by the Plan will be deemed authorized and approved.

**W. How will the Reorganized Debtors be governed?**

The corporate governance of the Reorganized Debtors will be set forth in the New Organizational Documents. The substantially final form of the New Organizational Documents will be included in the Plan Supplement. Significant provisions related to the governance of New Premium are set forth in the Governance Term Sheet, attached as Exhibit D to the Restructuring Support Agreement.

Assuming that the Effective Date occurs, Holders of Allowed Claims that receive distributions representing a substantial percentage of the aggregate outstanding shares of New Equity may be in a position to influence matters requiring approval by the Holders of New Equity, including, among other things, the election of directors and the approval of a change of control of the Reorganized Debtors, in all instances in accordance with the Governance Term Sheet and the New Organizational Documents.

On the Effective Date, the term of the current members of the board of directors of the Debtors shall expire, such current directors shall be deemed to have resigned, and all of the members for the initial term of the New Board shall be appointed in accordance with the New Organizational Documents.

**Y. Do the Debtors recommend voting in favor of the Plan?**

Yes. The Debtors believe that the Restructuring Transactions provide for a larger distribution to the Debtors' stakeholders than would otherwise result from any other available alternative. The Debtors believe that the Restructuring Transactions (as set forth in the Plan), which contemplate a significant deleveraging of the Debtors' balance sheet and will allow them to emerge from chapter 11 expeditiously, is in the best interest of all Holders of Claims or Interests, and that any other alternatives (to the extent they exist) fail to realize or recognize the value inherent under and pursuant to the Plan.

**Z. Who supports the Plan?**

The Restructuring Support Agreement and the Plan are supported by the Company, the Sponsor, and Holders of approximately 88.6 percent of the outstanding First Lien Tranche A-1 Term Loans and 81.2 percent of the outstanding Second Lien Term Loans.

**IV. THE DEBTORS' RESTRUCTURING SUPPORT AGREEMENT AND PLAN.**

**A. Restructuring Support Agreement.**

On December 30, 2025, the Debtors and the Consenting Stakeholders entered into the Restructuring Support Agreement. The Debtors have since further documented the terms of the Restructuring Transactions contemplated thereby, including in the Plan, and have commenced solicitation of votes on the Plan.

The Restructuring Support Agreement and the Plan represent significant steps in the Debtors' restructuring process. Pursuant to the Restructuring Support Agreement, the Restructuring Transactions are broadly supported by stakeholders across the Debtors' capital structure. The Restructuring Support

Agreement will allow the Debtors to proceed expeditiously through chapter 11 to a successful emergence. The Restructuring Transactions contemplated by the Restructuring Support Agreement and the Plan will eliminate approximately \$900 million of the Debtors' funded debt obligations and ensure the company is well capitalized on the Effective Date, including at least \$50 million of new equity capital from the New Money Investor. With a substantially deleveraged balance sheet and ample go-forward liquidity, the Reorganized Debtors will be well positioned to implement their business plan and achieve long-term success.

**B. The Plan.**

The Plan contemplates the following key terms, among others described herein and therein:

**1. Means for Implementation of the Plan.**

**a. General Settlement of Claims and Interests.**

To the greatest extent permissible under the Bankruptcy Code, and in consideration for the classification, distributions, releases, and other benefits provided under the Plan, upon the Effective Date, the provisions of the Plan shall constitute a good faith compromise and settlement of all Claims, Interests, Causes of Action, and controversies released, settled, compromised, discharged, satisfied, or otherwise resolved pursuant to the Plan. To the greatest extent permissible under the Bankruptcy Code, the Plan shall be deemed a motion to approve the good faith compromise and settlement of all such Claims, Interests, Causes of Action, and controversies pursuant to Bankruptcy Rule 9019, and the entry of the Confirmation Order shall constitute the Bankruptcy Court's approval of such compromise and settlement under section 1123 of the Bankruptcy Code, as well as a finding by the Bankruptcy Court that such settlement and compromise is fair, equitable, reasonable, and in the best interests of the Debtors, their Estates, and Holders of Claims against and Interests in the Debtors. Subject to Article VI of the Plan, all distributions made to Holders of Allowed Claims and Allowed Interests (as applicable) in any Class are intended to be and shall be final.

**b. Restructuring Transactions.**

On or before the Effective Date, with the consent of the Required Consenting Stakeholders (to the extent set forth in the Restructuring Support Agreement or the applicable Definitive Documents), the applicable Debtors or the Reorganized Debtors shall enter into and shall take any actions, including the actions set forth in the Restructuring Steps Memorandum, as may be necessary or appropriate to effect the Restructuring Transactions, which may include: (1) the execution and delivery of appropriate agreements or other documents of merger, amalgamation, consolidation, restructuring, conversion, disposition, transfer, arrangement, continuance, dissolution, sale, purchase, or liquidation containing terms that are consistent with the terms of the Plan, the Plan Supplement, the Restructuring Support Agreement, and that satisfy the applicable requirements of applicable law and any other terms to which the applicable Entities may agree; (2) the execution and delivery of appropriate instruments of transfer, assignment, assumption, or delegation of any asset, property, right, liability, debt, or obligation on terms consistent with the terms of the Plan, the Plan Supplement, and the Restructuring Support Agreement, and having other terms for which the applicable Entities may agree; (3) the execution, delivery, and filing, if applicable, of appropriate certificates or articles of incorporation, formation, reincorporation, merger, consolidation, conversion, amalgamation, arrangement, continuance, or dissolution pursuant to applicable state or provincial law; (4) the execution and delivery of the New Equity Documents and any certificates or articles of incorporation, bylaws, or such other applicable formation, organizational, governance, or constitutive documents (if any) of each Reorganized Debtor (including all actions to be taken, undertakings to be made, and obligations to be incurred and fees and expenses to be paid by the Debtors and/or the Reorganized Debtors, as applicable),

and the issuance, distribution, reservation, or dilution of the New Equity, as applicable and as set forth in the Plan, including pursuant to the New Equity Subscription Agreement; (5) the execution and delivery of the Exit Facility Documents (including all actions to be taken, undertakings to be made, and obligations to be incurred and fees and expenses to be paid by the Debtors and/or the Reorganized Debtors, as applicable); (6) the reservation of equity under the Management Incentive Plan to the participants in the Management Incentive Plan; and (7) all other actions that the applicable Entities determine to be necessary, including making filings or recordings that may be required by applicable law in connection with the Plan. The Confirmation Order shall, and shall be deemed to, pursuant to sections 363 and 1123 of the Bankruptcy Code, authorize, among other things, all actions as may be necessary or appropriate to effect any transaction described in, contemplated by, or necessary to effectuate the Plan, including the Restructuring Transactions.

Notwithstanding anything to the contrary set forth in the Plan, the treatment of Claims, distributions, and other transactions contemplated in the Plan including, without limitation, the funding of the Exit Facilities, if any, may, at the election of the applicable participating parties, be effectuated by netting or other forms of cashless implementation.

**c. The Reorganized Debtors.**

On the Effective Date, the New Board shall be established in accordance with the Governance Term Sheet, and the Reorganized Debtors shall adopt their New Organizational Documents. The Reorganized Debtors shall be authorized to adopt any other agreements, documents, and instruments and to take any other actions contemplated under the Plan as necessary to consummate the Plan, in each case consistent with the Restructuring Steps Memorandum. Cash payments to be made pursuant to the Plan will be made by the Debtors or Reorganized Debtors. The Debtors and Reorganized Debtors will be entitled to transfer funds between and among themselves as they determine to be necessary or appropriate to enable the Debtors or Reorganized Debtors, as applicable, to satisfy their obligations under the Plan. Except as set forth in the Plan or the Restructuring Steps Memorandum, any changes in intercompany account balances resulting from such transfers will be accounted for and settled in accordance with the Debtors' historical intercompany account settlement practices and will not violate the terms of the Plan.

From and after the Effective Date, the Reorganized Debtors, subject to any applicable limitations set forth in any post-Effective Date agreement, including the Exit Facility Documents, shall have the right and authority without further order of the Bankruptcy Court to raise additional capital and obtain additional financing, subject to the New Organizational Documents, as the boards of directors or boards of managers of the applicable Reorganized Debtors deem appropriate.

**d. Sources of Consideration for Plan Distributions.**

The Debtors and the Reorganized Debtors, as applicable, shall fund distributions under the Plan with: (1) the Debtors' Cash on hand as of the Effective Date; (2) the proceeds of the Exit Facilities, the New Money Investment, and the Cash Out Option Investment; and (3) the New Money Investor Wind Down Investment, if any.

**i. Exit Facilities.**

On and as of the Effective Date, the Reorganized Debtors shall enter into the Exit Facilities, pursuant to the Exit Facility Documents and the Restructuring Steps Memorandum.

Solely to the extent the Debtors reasonably determine, ten (10) Business Days prior to the anticipated Effective Date, they will not satisfy the Minimum Liquidity Condition on the Effective Date, after accounting for satisfaction in full in cash of all (a) closing costs in connection with the occurrence of

the Effective Date and (b) DIP ABL Claims or ABL Claims, as applicable (in each case, excluding Letters of Credit and all Bank Product Obligations) (collectively, the “Exit Funding Need”), (i) immediately before the occurrence of the Effective Date, the Debtors shall draw, and the DIP Term Loan Lenders shall fund, additional DIP Term Loans in a principal amount equal to such shortfall subject to the Liquidity Shortfall Funding Cap, which, together with the then-outstanding principal amount of the DIP Term Loans, shall be used to satisfy the Exit Funding Need and be converted to Exit First-Out Term Loans on the Effective Date in accordance with Article II.B of the Plan; and (ii) the principal amount of the Exit Second-Out Term Loans shall be reduced by the Exit Second-Out Adjustment, if any; *provided* that if the Liquidity Shortfall Funding Cap is met prior to satisfaction of the Exit Funding Need, the Debtors shall pay down the ABL Claims in accordance with Article III.B.3 of the Plan or DIP ABL Claims in accordance with Article II.B of the Plan to the extent required to meet any “minimum excess availability” requirement under the Exit ABL Facility in accordance with the Exit ABL Commitment Letter, accounting for “qualified cash” allowance under such facility, and the Minimum Liquidity Condition shall be reduced on a dollar for dollar basis to the Debtors’ pro forma Cash on hand. The DIP Term Loan Lenders shall not be obligated to fund the Debtors in excess of the lower of (x) the maximum principal amount of the DIP Term Loan Facility, including the Liquidity Shortfall Funding Cap and (y) the amount necessary to satisfy the Minimum Liquidity Condition, after giving effect to satisfaction of the Exit Funding Need; *provided, further*, that notwithstanding the foregoing, (i) in no event shall the treatment set forth in Article II.B of the Plan of the DIP ABL Claims or Article III.B.3 of the Plan of the ABL Claims be modified without the consent of the applicable DIP ABL Agent, DIP ABL Lenders, ABL Agent, or ABL Lenders, and (ii) this paragraph shall not be modified without the consent of the DIP ABL Agent or the ABL Agent (as applicable).

To the extent that the Exit ABL Facility is not available on the Effective Date in accordance with the Exit ABL Commitment Letter, the Debtors shall satisfy the treatment of DIP ABL Claims set forth in Article II.B of the Plan and/or Allowed ABL Claims set forth in Article III.B.3 of the Plan (as applicable) with sources of considerations acceptable to the Required Consenting Stakeholders; *provided* that notwithstanding the foregoing or anything else to the contrary in the Plan, in no event shall the treatment set forth in Article II.B of the Plan of the DIP ABL Claims or Article III.B.3 of the Plan of the ABL Claims be modified without the consent of the applicable DIP ABL Agent, DIP ABL Lenders, ABL Agent, or ABL Lenders.

To the extent applicable, Confirmation of the Plan shall be deemed (i) approval of the Exit Facilities (including the transactions and related agreements contemplated thereby, and all actions to be taken, undertakings to be made, and obligations to be incurred and fees and expenses to be paid by the Debtors or the Reorganized Debtors, as applicable, in connection therewith), including the Liquidity Shortfall Funding Amount and the Exit Second-Out Adjustment, if any, to the extent not approved by the Bankruptcy Court previously, and (ii) authorization for the Debtors or the Reorganized Debtors, as applicable, to, without further notice to or order of the Bankruptcy Court, (A) execute and deliver those documents and agreements necessary or appropriate to pursue or obtain the Exit Facilities, including the Exit Facility Documents, and incur and pay any fees and expenses in connection therewith, and (B) act or take action under applicable law, regulation, order, or rule or vote, consent, authorization, or approval of any Person, subject to such modifications as the Debtors or the Reorganized Debtors, as applicable, may deem to be necessary to consummate the Exit Facilities.

As of the Effective Date, all of the Liens and security interests to be granted in accordance with the Exit Facility Documents: (i) shall be deemed to be granted; (ii) shall be legal, valid, binding, automatically perfected, non-avoidable, and enforceable Liens on, and security interests in, the applicable collateral specified in the Exit Facility Documents; (iii) shall not be subject to avoidance, recharacterization, or equitable subordination for any purposes whatsoever; and (iv) shall not constitute preferential transfers, fraudulent transfers, or fraudulent conveyances under the Bankruptcy Code or any applicable non-bankruptcy law. As of the Effective Date, the Exit Facility Agents for the benefit of the applicable lenders

under the Exit Facility Documents shall have a valid, binding, perfected, non-avoidable, and enforceable lien on and security interest in the collateral and with priority specified in the Exit Facility Documents, and valid, binding, non-avoidable, and enforceable guarantee from each guarantor specified in the Exit Facility Documents. To the extent provided in the Exit Facility Documents, the Exit Facility Agents or holder(s) of Liens under the Exit Facility Documents are authorized to file with the appropriate authorities mortgages, financing statements, and other documents, and to take any other action in order to evidence, validate, and perfect such Liens or security interests. The guarantees, mortgages, pledges, Liens, and other security interests granted to secure the obligations arising under the Exit Facility Documents have been granted in good faith, for legitimate business purposes, and for reasonably equivalent value as an inducement to the lenders thereunder to extend credit thereunder and shall be deemed to not constitute a fraudulent conveyance or fraudulent transfer and shall not otherwise be subject to avoidance, recharacterization, or subordination for any purposes whatsoever and shall not constitute preferential transfers or fraudulent conveyances under the Bankruptcy Code or any applicable nonbankruptcy Law, and the priorities of such Liens and security interests shall be as set forth in the Exit Facility Documents. The Reorganized Debtors and the Persons and Entities granted such Liens and security interests shall be authorized to make all filings and recordings, and to obtain all governmental approvals and consents necessary to establish and perfect such Liens and security interests under the provisions of the applicable state, federal, or other Law that would be applicable in the absence of the Plan and the Confirmation Order (it being understood that perfection shall occur automatically by virtue of the entry of the Confirmation Order and any such filings, recordings, approvals, and consents shall not be required), and will thereafter cooperate to make all other filings and recordings that otherwise would be necessary under applicable law to give notice of such Liens and security interests to third parties.

ii. **New Equity.**

On the Effective Date, New Premium shall issue the New Equity in accordance with the Restructuring Steps Memorandum. The issuance of the New Equity, including the MIP Equity, by the Reorganized Debtors shall be authorized without the need for any further corporate action or without any further action by the Holders of Claims or Interests. The Reorganized Debtors shall be authorized to issue a certain number of shares, units, or equity interests (as the case may be based on how the New Equity is denominated and the identity of New Premium issuing such shares, units, or equity interests) of New Equity required to be issued under the Plan and pursuant to their New Organizational Documents and otherwise consistent with the Restructuring Support Agreement (and the exhibits thereto).

All of the shares, units, or equity interests (as the case may be based on how the New Equity is denominated) of New Equity issued pursuant to the Plan shall be duly authorized, validly issued, fully paid, and non-assessable. Each distribution and issuance referred to in Article VI of the Plan shall be governed by the terms and conditions set forth in the Plan and the New Organizational Documents applicable to such distribution or issuance and by the terms and conditions of the instruments evidencing or relating to such distribution or issuance, which terms and conditions shall bind each Entity receiving such distribution or issuance. Any Entity's acceptance of New Equity shall be deemed as its agreement to the applicable New Organizational Documents, as the same may be amended or modified from time to time following the Effective Date in accordance with their terms. As a condition to receiving the New Equity, all recipients of the First Lien New Equity and the Second Lien New Equity shall be required to execute and deliver the New Investor Agreement; *provided, however,* that acceptance of such New Equity constitutes deemed acceptance and consent to the terms of the New Investor Agreement, without the need for execution by any party thereto. For the avoidance of doubt, the Reorganized Debtors may waive the requirement to receive an executed signature page to the New Investor Agreement. The New Investor Agreement will be effective as of the Effective Date, and, as of such date, will be deemed to be valid, binding, and enforceable in accordance with its terms, and each holder of New Equity will be bound thereby in all respects.

The New Equity will be distributed as follows: (i) the New Money Equity, representing 21.9 percent of New Equity, subject to dilution by the MIP Equity only, will be distributed to the New Money Investor on account of the New Money Investment in accordance with the New Equity Subscription Agreement; (ii) the First Lien New Equity, representing 72.5 percent of New Equity, and subject to dilution by the Participation Premium, the Backstop Premium, and the MIP Equity, will be distributed to the Holders of Allowed First Lien Tranche A-1 Claims in accordance with Article III.B of the Plan; (iii) the Second Lien New Equity, representing 5.6 percent of New Equity, subject to dilution by the MIP Equity only, will be distributed to the Holders of the Allowed Second Lien Claims in accordance with Article III.B of the Plan; (iv) the Participation Premium, representing 23.4 percent of New Equity will be distributed to the DIP Term Loan Lenders in accordance with the DIP Term Loan Documents and the Plan; and (v) the Backstop Premium will be distributed to the Backstop Parties in accordance with the DIP Term Loan Documents. As illustrated below, the Participation Premium and Backstop Premium shall together dilute the First Lien New Equity, but they shall not dilute the New Money Equity or the Second Lien New Equity, and they shall be subject to dilution by the MIP Equity.

	<u>Pre-Dilution</u>	<u>Post-Dilution</u>	
		Backstop and Participation Premiums	MIP Equity <sup>11</sup>
First Lien New Equity	72.5%	22.2%	20.4%
Second Lien New Equity	5.6%	5.6%	5.2%
New Money Equity	21.9%	21.9%	20.1%
Backstop Premium	--	26.9%	24.7%
Participation Premium	--	23.4%	21.5%
MIP Equity	--	--	8.0%
<b>Total</b>	<b>100.0%</b>	<b>100.0%</b>	<b>100.0%</b>

In respect of the Cash Out Option Investment, the Cash Out Option Investors may make a proposal in respect of the First Lien Cash Out Option and/or the Second Lien Cash Out Option to the Holders of Allowed First Lien Tranche A-1 Claims and Allowed Second Lien Claims on the Cash Out Option Offer Date. If such a proposal is made, within 10 days thereafter, each Holder of an Allowed First Lien Tranche A-1 Claim or an Allowed Second Lien Claim may elect the First Lien Cash Out Option or the Second Lien Cash Out Option, in lieu of receiving its Pro Rata share of the First Lien New Equity or the Second Lien New Equity, respectively. If a Holder of an Allowed First Lien Tranche A-1 Claim or an Allowed Second Lien Claim makes such an election, then, subject to the Cash Out Option Investment Cap, in lieu of its Pro Rata share of First Lien New Equity or Second Lien New Equity, it will receive Cash in an amount equal to the value of such First Lien New Equity or Second Lien New Equity based on the Cash Out Value.

In the event that the aggregate effect of all First Lien Cash Out Options and Second Lien Cash Out Options would cause the Cash Out Option Investment to exceed the Cash Out Option Investment Cap, the Cash distributed to each Holder of a First Lien Tranche A-1 Claim and/or Second Lien Claim who has elected the First Lien Cash Out Option and/or the Second Lien Cash Out Option, as applicable, shall be reduced on a Pro Rata basis such that the aggregate Cash Out Option Investment is reduced to the Cash Out Option Investment Cap. On account and in lieu of such reduced Cash distribution, each such Holder shall retain First Lien New Equity or Second Lien New Equity that is equal in value to such reduced Cash distribution based on the Cash Out Value.

<sup>11</sup> These figures are rounded for representation purposes.

To the extent applicable, Confirmation of the Plan shall be deemed (i) approval of (A) the issuance of New Money Equity to the New Money Investor pursuant to the New Equity Subscription Agreement (including the transactions and related agreements contemplated thereby and all actions to be taken, undertakings to be made, and obligations to be incurred and fees and expenses to be paid by the Debtors or the Reorganized Debtors, as applicable, in connection therewith), (B) the Cash Out Option Investors' purchase of Cash Out Option Equity through the Cash Out Option Investment, (C) the issuance of the Backstop Premium to the Backstop Parties in accordance with the Backstop Commitment Letter, and (D) the issuance of the Participation Premium to the DIP Term Loan Lenders in accordance with the DIP Term Loan Documents, each to the extent not approved by the Bankruptcy Court previously, and (ii) authorization for the Debtors or the Reorganized Debtors, as applicable, to, without further notice to or order of the Bankruptcy Court, (A) execute and deliver those documents and agreements necessary or appropriate to pursue or obtain the New Money Investment and, if applicable, the Cash Out Option Investment, and incur and pay any fees and expenses in connection therewith, and (B) act or take action under applicable Law, regulation, order, or rule or vote, consent, authorization, or approval of any Person, subject to such modifications as the Debtors or the Reorganized Debtors, as applicable, may deem to be necessary to consummate the New Money Investment and, if applicable, the Cash Out Option Investment, and effectuate the Backstop Commitment Letter.

**iii. New Money Investor Wind-Down Investment.**

In addition to the New Money Investment, the New Money Investor shall be responsible for funding, whether arising prior to or after the Effective Date, the following costs and amounts with respect to Premium Parent (the "Premium Parent Wind-Down Costs and Distributions"): (1) any distributions required to be made under the Plan on account of any Allowed Claims in respect of Premium Parent; and (2) all wind-down costs of Premium Parent, including, without limitation, (a) the costs and expenses of preparing and filing tax returns and other required filings, (b) U.S. Trustee Quarterly Fees, (c) any reasonable and documented fees and expenses of Professionals and other advisors incurred in connection with the wind-down of Premium Parent, and (d) any other expenses associated with the dissolution, liquidation, or case closing of Premium Parent (including, for the avoidance of doubt, any Transaction Expenses of the New Money Investor incurred in connection with such matters); *provided* that any costs or expenses incurred in connection with an action taken on behalf of all or nearly all Debtors collectively, rather than Premium Parent individually, including the closing of the Chapter 11 Cases in accordance with Article XII.M of the Plan, shall not constitute Premium Parent Wind-Down Costs and Distributions; *provided further* that, in the aggregate, the Debtors and Reorganized Debtors shall fund up to the first \$350,000 of the Premium Parent Wind-Down Costs and Distributions, and the New Money Investor shall fund the amount by which the Premium Parent Wind-Down Costs and Distributions exceed \$350,000 (the "New Money Investor Wind-Down Investment"), if any.

The Debtors or Reorganized Debtors, as applicable, shall make all distributions and payments contemplated by the Plan in respect of Premium Parent in accordance with Article VI of the Plan through the Disbursing Agent. On the Effective Date and on a quarterly basis thereafter until all Premium Parent Wind-Down Costs and Distributions have been paid in full, the New Money Investor shall pay to the Reorganized Debtors the New Money Investor Wind-Down Investment, if any.

Upon request by the Ad Hoc Group, the Debtors or Reorganized Debtors shall provide the Ad Hoc Group Advisors with an accounting of Premium Parent Wind-Down Costs and Distributions and any New Money Investor Wind-Down Investment.

**e. Corporate Existence.**

Except as otherwise provided in the Plan, the Confirmation Order, the Plan Supplement, or any agreement, instrument, or other document incorporated therein, each Debtor shall continue to exist after the Effective Date as a separate corporate entity, limited liability company, partnership, or other form, as the case may be, with all the powers of a corporation, limited liability company, partnership, or other form, as the case may be, pursuant to the applicable law in the jurisdiction in which each applicable Debtor is incorporated or formed and pursuant to the respective certificate of incorporation and bylaws (or other formation or organization documents) in effect prior to the Effective Date, except to the extent such certificate of incorporation and bylaws (or other formation or organization documents) are amended under the Plan or otherwise, in each case, consistent with the Restructuring Support Agreement (which are incorporated in the Plan pursuant to Article I.H), and to the extent such documents are amended in accordance therewith, such documents are deemed to be amended pursuant to the Plan and require no further action or approval (other than any requisite filings required under applicable state, provincial, or federal law). After the Effective Date, the respective certificate of incorporation and bylaws (or other formation or organization documents) of one or more of the Reorganized Debtors may be amended or modified on the terms therein without supervision or approval by the Bankruptcy Court and free of any restrictions of the Bankruptcy Code or Bankruptcy Rules.

On or after the Effective Date, one or more of the Reorganized Debtors may be disposed of, dissolved, wound down, or liquidated without supervision or approval by the Bankruptcy Court and free of any restrictions of the Bankruptcy Code or Bankruptcy Rules.

**f. Vesting of Assets in the Reorganized Debtors.**

Except as otherwise provided in the Confirmation Order, the Plan, the Plan Supplement, or any agreement, instrument, or other document incorporated therein, or entered into in connection therewith or pursuant thereto, on the Effective Date, all property in each Estate, all Causes of Action, and any property acquired by any of the Debtors pursuant to the Plan shall vest in each respective Reorganized Debtor, free and clear of all Liens, Claims, charges, or other encumbrances. On and after the Effective Date, except as otherwise provided in the Plan, each Reorganized Debtor may operate its business and may use, acquire, or dispose of property and compromise or settle any Claims, Interests, or Causes of Action without supervision or approval by the Bankruptcy Court and free of any restrictions of the Bankruptcy Code or Bankruptcy Rules. For the avoidance of doubt, no Reorganized Debtor (including any Reorganized Debtor ultimately being wound down and liquidated in connection with the Restructuring Transactions) shall be treated as being liable on any Claim that is discharged pursuant to the Plan.

**g. Directors and Officers of the Reorganized Debtors.**

As of the Effective Date, the term of the current members of the board of directors of the Debtors shall expire, such current directors shall be deemed to have resigned, and all of the directors for the initial term of the New Board shall be appointed in accordance with the New Organizational Documents. To the extent known, the identity of the members of the New Board will be disclosed in the Plan Supplement or prior to the Confirmation Hearing, consistent with section 1129(a)(5) of the Bankruptcy Code. In subsequent terms, the directors shall be selected in accordance with the New Organizational Documents. Each director and officer of the Reorganized Debtors shall serve from and after the Effective Date pursuant to the terms of the applicable New Organizational Documents and other constituent documents.

**h. Management Incentive Plan.**

On the Effective Date, the MIP Equity shall be reserved. The terms and conditions of the Management Incentive Plan, including with respect to the form, terms, allocation, and vesting of the MIP Equity or other equity-based awards, shall be determined at the discretion of the New Board within 120 days of the Effective Date.

**V. THE DEBTORS' CORPORATE HISTORY, BUSINESS OPERATIONS, AND PREPETITION ORGANIZATIONAL AND CAPITAL STRUCTURE.**

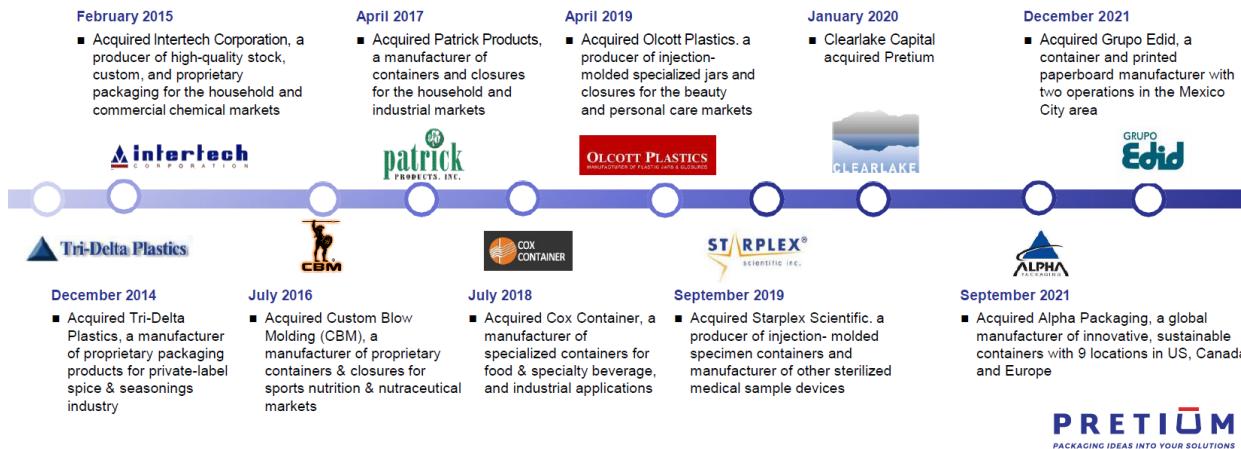

**A. Pretium's Corporate History and Business Operations.**

**1. Pretium's Corporate History.**

Since its founding in 1992, the Company recognized that proximity to customers, agility in operation and production, and responsiveness to shifting market demands were essential to delivering premium, specialized packaging solutions. To that end, throughout its history, Pretium's growth has been driven by a disciplined strategy designed to expand its geographic reach, strengthen its technological capabilities, and diversify its end-market exposure through both organic and inorganic initiatives, including a series of targeted acquisitions intended to build scale while maintaining operational flexibility.

Clearlake acquired the Company in 2020. Since the acquisition, Clearlake's ownership has provided additional resources, management expertise, and strategic guidance for the Company to drive manufacturing excellence, digital transformation, and sustainability while continuing to acquire strategic assets. Under Clearlake's management, the Company implemented advanced automation and data-driven manufacturing systems, unified its digital infrastructure across twenty-four facilities, and accelerated its sustainability initiatives, including the use of post-consumer resins and bioresins and reducing the weight of its products.

In 2021, the Company completed its strategic acquisition of Alpha Packaging, Inc. (“Alpha”) a St. Louis, Missouri-based manufacturer of rigid plastic containers with nine facilities in the United States and abroad. This acquisition established the Company as a global platform with manufacturing operations spanning the United States, Canada, and Europe, provided complementary capabilities across North America, and broadened its sustainable, specialty packaging offerings. That same year, Pretium also acquired Grupo Edid, which expanded the Company's product line to include thin-wall injection-molded containers, printed paperboard, and micro-corrugated packaging and served as the Company's entry point into Mexico.

## 2. Pretium's Business Operations.

Pretium is a vertically integrated designer and manufacturer of rigid plastic packaging solutions serving customers across a diverse range of end markets. Pretium primarily services customers with short-to medium-run production volumes that require specialized packaging solutions and a high degree of operational flexibility, including private label brands and high-growth, emerging brands. Through its targeted approach, the Company has established strong ties to customers in diverse, growing, and recession-resilient end markets. The Company manages customer relationships and sales, product design, and engineering in-house, and manufactures its products through a network of automated production facilities in North America and Europe.

### a. Pretium's Solutions and Products.

Pretium provides both custom and stock solutions that strategically leverage its full-service capabilities from design to manufacturing for customers serving diverse markets.

*Custom Solutions.* Depending on the level of customization its customers need, Pretium offers either a brand-focused approach where it develops exclusive customer-specific solutions through a collaborative process that balances design, carbon footprint, and cost or a market-focused approach where it develops proprietary solutions based on its knowledge of end market trends to address the needs of a broader set of customers on a non-exclusive basis. Under the brand-focused approach, the customer owns the mold; under the market-focused approach, Pretium retains the mold and associated intellectual property.

*Stock Solutions.* Pretium also has thousands of off the-shelf packaging products and product combinations in inventory that are available for direct purchase by both customers and distribution partners. These brand agnostic products are suitable for a wide variety of uses across various industries and provide readily available, market-tested, and reasonably flexible solutions for customers focusing on speed to market. Pretium owns the stock product molds.

Through strategic innovation, expansion, and diversification for more than thirty years, Pretium has accumulated extensive technical acumen, end market expertise, and proprietary capabilities. Today,

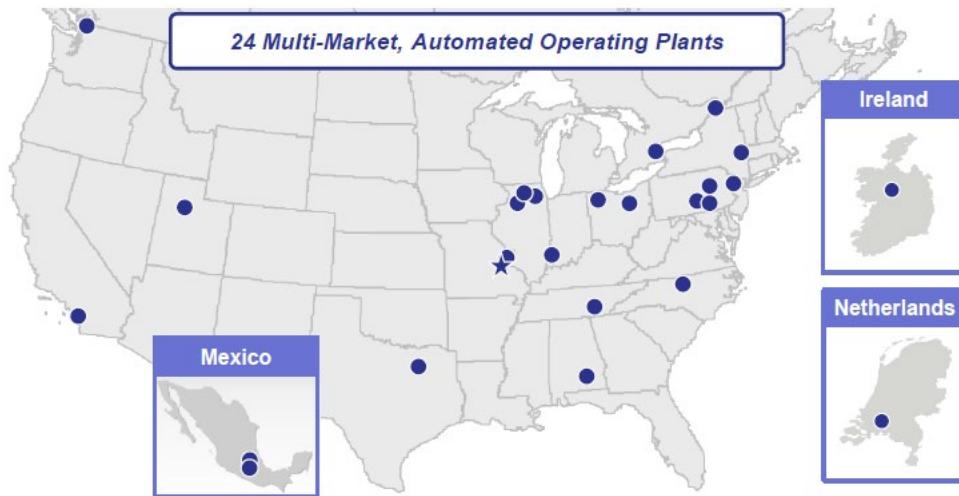

the Company owns more than 3,000 active molds and produces packaging for more than 8,900 active SKUs. For all of its solutions—both custom and stock—Pretium produces a wide array of products.

*Rigid Packaging.* Pretium primarily designs, engineers, and manufactures rigid, reusable plastic bottles, jars, trays, and other containers from the following materials:

- *polypropylene (“PP”):* thermoplastic that offers high rigidity, heat resistance, and durability for packaging caps, closures, and specialty containers; widely used for products such as vials, funnels, spice jars, and specimen containers;
- *clarified polypropylene (“CP”):* a transparent form of PP with improved clarity and stiffness, suitable for applications requiring a glass-like appearance and heat resistance; typically used for bottles and cannisters containing personal care products such as creams, lotions, and gels;
- *high-density polyethylene (“HDPE”):* provides durability and chemical and impact resistance for food, household, and industrial applications; typically used for products such as large chemical containers, milk gallons and other beverage bottles, coffee ground containers, and cosmetic bottles;
- *post-consumer recycled HDPE (“HDPE PCR”):* a form of HDPE that incorporates recycled resin content for sustainability objectives or regulatory requirements while maintaining comparable performance; generally used to manufacture similar products as HDPE;
- *polyethylene terephthalate (“PET”):* lightweight thermoplastic that offers clarity, rigidity, and moisture resistance, suitable for beverage and personal-care packaging; typically used for products such as condiment and beverage bottles and ready-to-eat packaging; and
- *post-consumer recycled polyethylene terephthalate (“PET PCR”):* a form of PET that utilizes recycled PET resin for sustainability objectives or regulatory requirements while maintaining comparable performance; generally used to manufacture similar products as PET.

*Cardboard and Paperboard Packaging.* Pretium’s Ediprint division, acquired from Grupo Edid in 2021 and based in Mexico, manufactures and prints cardboard and paperboard packaging products ranging from coffee sleeves and cookie boxes to healthcare packaging and shipping containers for diverse consumer and industrial uses. The division also provides a full suite of package finishing and assembly services, including varnish applications, hot stamping, and corrugated and micro corrugated splicing.

**b. Pretium's Operating Plants.**

As of the date of this Disclosure Statement, Pretium currently operates twenty-four automated production plants across North America and Europe. The majority of these facilities are located within the United States, including the Company's Hillsborough, New Jersey manufacturing facility,<sup>12</sup> with additional operations in Canada, Mexico, Ireland, and the Netherlands. Most of the Company's revenue is derived from its North American operations. These plants are designed to support both short-run and medium-run production volumes, allowing Pretium to serve a broad range of regional and national customers efficiently. At the same time, Pretium maintains open capacity to meet customer demand on short notice.

The Company has made significant capital investments to automate production lines across all facilities, build innovation centers, and upgrade its technology and data analytics capabilities. The Company's automation of full-line processes, such as take outs, case packing, and palletizing—implemented across more than 60 percent of its production lines—has yielded measurable cost savings and efficiency gains and quickly produced returns on investment. Pretium's manufacturing operations also utilize collaborative robots, accumulation tables, and vision inspection systems, each of which has improved labor efficiency and production reliability.

In addition to its production plants, Pretium operates dedicated innovation facilities that support product design, prototyping, and mold development. The Company's innovation center in Aurora, Illinois, provides dedicated space for customer collaboration and design coordination. The Company's Cleveland, Ohio innovation lab—located within one of Pretium's operating plants—enables it to introduce new molds and product designs more quickly and cost-effectively while avoiding disruption to active production lines.

Collectively, these investments in manufacturing, automation, and innovation have positioned the Company with a scalable, technologically advanced manufacturing platform capable of supporting customer needs across multiple markets and geographies.

<sup>12</sup> The Company's New Jersey Operations span more than 180,000 square feet across three manufacturing sites and two warehouses. New Jersey serves as the Company's center of excellence for the spice and seasoning end market.

The Second Lien Term Loans are guaranteed by certain Loan Parties pursuant to that certain Second Lien Subsidiary Guaranty, dated as of October 1, 2021, and amended, supplemented, restated, or otherwise modified from time to time, by and among the guarantors party thereto and the Second Lien Agent. Pursuant to the First Lien/Second Lien Intercreditor Agreement and the ABL/Term Loan Intercreditor Agreement, as applicable, the Second Lien Secured Parties have second-priority liens on the Term Priority Collateral and third-priority liens on the ABL Priority Collateral.

**VI. EVENTS LEADING TO THE CHAPTER 11 CASES.**

**A. Industry Headwinds and Operational Challenges.**

The period from 2022 through 2023 was marked by significant volatility in the rigid packaging sector. In 2020 and 2021, material shortages, supply chain disruption, and extended lead times spurred by the COVID-19 pandemic prompted customers to overorder packaging as a precautionary measure. Following these unprecedented demand surges, customer purchasing behavior normalized and widespread inventory destocking began in 2022 and 2023. Once supply conditions such as freight reliability and resin availability stabilized, customers across nearly all end markets drew down safety stocks accumulated during 2020 and 2021, resulting in volume declines across many packaging categories. This trend was particularly pronounced among private-label, emerging-brand, and distributor customers—segments that have historically represented a meaningful portion of Pretium’s business. These industry-wide dynamics reduced

the Company's order volumes and led to lower utilization rates across multiple plants and increased unit production costs due to diminished fixed-cost absorption.

In addition, since March 2022, the Federal Reserve has raised its benchmark short-term rate eleven times, reaching a target federal funds rate of 5.25 percent to 5.5 percent in July 2023, the highest level since 2001. While the Federal Reserve has since lowered the benchmark short-term rate to between 3.75 percent to 4.00 percent, the rate is markedly higher than any corresponding short-term rate over the last ten years. These high interest rates have had an immediate and continuing material impact on the Company's cash interest expense, as all of the Company's funded debt bears floating rates tied to USD SOFR.

Moreover, the industry-wide demand reset and the increased interest expense coincided with the Company's effort to integrate the Alpha business following the 2021 acquisition and amplified transitional disruption. While the acquisition materially expanded the Company's scale and broadened its footprint by adding nine new locations across the United States, Canada, and Europe, integrating Alpha required a multi-year process of facility consolidations, system harmonization, workforce alignment, planning migrations, and significant non-recurring expenditures.

In response, Pretium initiated corrective actions that have produced positive results. In 2024, Pretium appointed a new management team led by Chief Executive Officer James Rooney to advance the integration of the Alpha acquisition and improve operational efficiency. Under this new leadership, Pretium streamlined its organizational structure, enhanced operational oversight, and optimized its cost base. In 2025, these initiatives have begun to yield positive results, including more stable operations, improved service levels, and an expanded customer base.

#### **B. The October 2023 Liability Management Transaction.**

In 2023, to enhance near-term liquidity in light of the industry turbulence and operational challenges at the time, the Company engaged Kirkland & Ellis LLP ("Kirkland"), as legal advisor, and Evercore Inc. ("Evercore"), as investment banker, to explore potential capital structure solutions. In October 2023, Pretium executed a consensual liability management transaction (the "2023 LMT") with its lenders through the Third First Lien Amendment, among other documents. Through the 2023 LMT the Company (a) raised \$325 million of First Lien Tranche A Term Loans from the holders of the first lien term loans existing immediately prior to the consummation of the 2023 LMT (the "Legacy First Lien Term Loans") and (b) purchased the Legacy First Lien Term Loans at a sale price of 93.6 percent of face value for First Lien Tranche A-1 Term Loans (*i.e.*, every \$100 of Legacy First Lien Term Loans was purchased with \$93.60 of First Lien Tranche A-1 Term Loans).

99.8 percent of the Holders of the Legacy First Lien Term Loans participated in the 2023 LMT. As a result, the Company captured approximately \$83 million of discount and obtained more than \$200 million of liquidity.

#### **C. The Restructuring Transactions.**

Beginning in July 2025, Pretium took a proactive approach to address its liquidity challenges and balance sheet by engaging with key stakeholders to explore potential solutions. With the assistance of Kirkland and Evercore, the Company held initial discussions with the Ad Hoc Group regarding a transaction to further enhance liquidity and extend the runway for the operational turnaround. As liquidity pressures intensified and discussions progressed into the fall, however, it became apparent that a more comprehensive balance sheet restructuring was required to sufficiently deleverage the capital structure. As the Company

prepared to execute on this more holistic reorganization, it also retained FTI Consulting, Inc. (“FTI,” and together with Kirkland and Evercore, the “Advisors”) as financial advisor.

Throughout the fall of 2025, the Company and the Ad Hoc Group engaged in extensive, arm’s-length negotiations on a comprehensive value-maximizing restructuring transaction. As negotiations advanced and liquidity tightened, Pretium, after consultation with its Advisors, elected to withhold the interest payment due on November 12, 2025 under the Second Lien Credit Agreement and to enter into the five-business-day grace period with respect to interest payment defaults. On November 19, 2025, the Company and the requisite First Lien Secured Parties and Second Lien Secured Parties entered into the Fourth First Lien Amendment and the Second Second Lien Amendment, respectively, whereby the requisite lenders agreed that the withheld interest payment would not constitute an event of default under the First Lien Credit Agreement and the Second Lien Credit Agreement, respectively, until the earlier of (a) November 26, 2025 (later extended), or (b) to the extent a restructuring support agreement was executed, the termination of such restructuring support agreement.

Thereafter, on December 30, 2025, the Company, the Sponsor, and the Initial Consenting Lenders, including the Ad Hoc Group, executed the Restructuring Support Agreement, which memorialized the key terms of the Restructuring Transactions to be implemented through the Plan. Following execution of the Restructuring Support Agreement, the Company worked to garner support from other key constituents and, on January 25, 2026, distributed the solicitation materials to Holders of Claims entitled to vote on the Plan.

#### **D. The ABL Amendments.**

In parallel with negotiating the Restructuring Transactions contemplated under the Restructuring Support Agreement, the Company also engaged with its ABL Lenders regarding forbearance, liquidity enhancement, and a potential debtor-in-possession ABL facility. Through a series of amendments to the ABL Credit Agreement, the ABL Lenders agreed to forebear from exercising remedies in connection with the Company’s withheld interest payment, allow the Company uninterrupted access to the ABL Facility prepetition, and provide a debtor-in-possession ABL facility during the Chapter 11 Cases to refinance the existing ABL Facility, which may roll into an Exit ABL Facility for the reorganized Company in accordance with the Plan and the Exit ABL Commitment Letter attached to this Disclosure Statement as Exhibit G.

Taken together, the Restructuring Support Agreement and the ABL Amendments reflect months of intensive, arm’s-length negotiations and a substantial compromise among the Company, the Sponsor and New Money Investor, and the Consenting Lenders. These transactions provide the best available path to address Pretium’s overleveraged capital structure, enhance liquidity, and preserve the value of the enterprise as a going concern.

The Restructuring Transactions to be implemented through these Chapter 11 Cases will provide the Debtors with enhanced liquidity and a deleveraged capital structure, providing relief to the Company and a strong foundation for the go-forward business. The reorganized Company will be better able to serve its customers, vendors, and employees, and will be provided with a stable platform for future growth and investment.

## **VII. MATERIAL DEVELOPMENTS AND ANTICIPATED EVENTS RELATING TO THE RESTRUCTURING TRANSACTIONS AND POTENTIAL CHAPTER 11 CASES.**

### **A. Milestones.<sup>15</sup>**

As part of the Restructuring Support Agreement, the Debtors agreed to the following milestones, each of which may be extended or waived with the consent of the Required Consenting Stakeholders, to ensure an orderly, timely implementation of the Restructuring Transactions:

- By no later than five Business Days after the Company commences solicitation of the Plan, the Petition Date shall have occurred;
- By no later than three Business Days after the Petition Date, the Bankruptcy Court shall have entered the Interim DIP Order;
- By no later than thirty-five days after the Petition Date, the Bankruptcy Court shall have entered the Final DIP Order;
- No later than sixty days after the Petition Date, the Confirmation Order and all other related relief required to be obtained from the Bankruptcy Court to implement the Restructuring Transactions shall have been entered and/or granted, as applicable, by the Bankruptcy Court; and
- No later than thirty days after the Confirmation Date, the Effective Date shall have occurred, *provided, however,* that such date shall be automatically extended for one additional three-month period, solely to the extent that the Company and Required Consenting Stakeholders have otherwise complied with the terms of the Restructuring Support Agreement and the Definitive Documents and all other events and actions necessary for the occurrence of the Restructuring Transactions have occurred, other than the receipt of regulatory or other approval of a government entity or unit necessary for the occurrence of the Restructuring Transactions.

### **B. First Day Relief.**

On the Petition Date, along with their voluntary petitions for relief under chapter 11 of the Bankruptcy Code (the “Petitions”), the Debtors intend to file several motions (the “First Day Pleadings”) designed to facilitate the administration of the Chapter 11 Cases and minimize disruption to the Debtors’ operations, by, among other things, facilitating the continuation of the Debtors’ relationships with employees, vendors, and customers in the ordinary course following the commencement of the Chapter 11 Cases. In such event, the First Day Pleadings, and all orders for relief granted in the Chapter 11 Cases, can be viewed free of charge at <https://cases.stretto.com/Pretium>.

## **VIII. RISK FACTORS.**

**Before taking any action with respect to the Plan, Holders of Claims should read and consider carefully the risk factors set forth below, as well as the other information set forth in this Disclosure Statement, the Plan, and the documents delivered together herewith, referred to, or incorporated by reference in this Disclosure Statement, including other documents filed with the Bankruptcy Court**

---

<sup>15</sup> Capitalized terms used but not defined in this **Article VII.A** shall have the meaning ascribed to such terms in the Restructuring Support Agreement.

**in the Chapter 11 Cases. The risk factors should not be regarded as constituting the only risks present in connection with the Debtors' business or the restructuring and consummation of the Plan. Each of the risk factors discussed in this Disclosure Statement may apply equally to the Debtors and the Reorganized Debtors, as applicable and as context requires.**

**A. Bankruptcy Law Considerations.**

The occurrence or non-occurrence of any or all of the following contingencies, and any others, could affect distributions available to Holders of Allowed Claims under the Plan but will not necessarily affect the validity of the vote of the Impaired Classes to accept or reject the Plan or necessarily require a re-solicitation of the votes of Holders of Claims in such Impaired Classes.

**1. The Restructuring Support Agreement May Be Terminated.**

The Restructuring Support Agreement contains provisions that give the Restructuring Support Parties (collectively or individually, as applicable) the ability to terminate the Restructuring Support Agreement upon the occurrence of certain events or if certain conditions are not satisfied. To the extent that events giving rise to termination of the Restructuring Support Agreement occur, the Restructuring Support Agreement may terminate prior to the Confirmation or Consummation of the Plan—or prior to the chapter 11 filings—which could result in the loss of support for the Plan by important creditor constituencies and could result in the loss of use of the DIP Facilities and/or cash collateral by the Debtors under certain circumstances. Any such loss of support could adversely affect the Debtors' ability to confirm and consummate the Plan. In the event that the Restructuring Support Agreement is terminated, the Debtors may seek a non-consensual restructuring alternative, including a potential liquidation of their assets.

**2. The Debtors May Consider All Available Restructuring Alternatives if the Restructuring Transactions are Not Implemented, and Such Alternatives May Result in Lower Recoveries for Holders of Claims Against and Interests in the Debtors.**

In accordance with their fiduciary duties, the Debtors will continue to evaluate all restructuring alternatives and are expressly permitted to do under the Restructuring Support Agreement. Currently, they believe the Restructuring Transactions outlined in the Plan and the Restructuring Support Agreement represent the best available means of implementing a needed comprehensive restructuring of their business. If the Restructuring Transactions are not implemented or if required by the Debtors' fiduciary duties, the Debtors will consider all available restructuring alternatives, including filing an alternative chapter 11 plan, commencing section 363 sales of the Debtors' assets, seeking to implement an alternative transaction out of court, commencing or otherwise converting their chapter 11 cases to cases under chapter 7 of the Bankruptcy Code, and any other transaction that would maximize the value of the Debtors' Estates. The terms of any Alternative Restructuring Proposal may be less favorable to Holders of Claims against and Interests in the Debtors than the terms of the Plan as described in this Disclosure Statement.

Any material delay in the Confirmation of the Plan, the Chapter 11 Cases, or the determination of the Bankruptcy Court not to confirm the Plan would add substantial expense and uncertainty to the process.

The uncertainty surrounding a prolonged restructuring would have other adverse effects on the Debtors. For example, it would adversely affect: (a) the Debtors' ability to raise additional capital; (b) the Debtors' liquidity; (c) how the Debtors' business is viewed by regulators, investors, lenders, and credit ratings agencies; (d) the Debtors' enterprise value; and (e) the Debtors' business relationship with customers and vendors.

**3. Parties in Interest May Object to the Plan's Classification of Claims and Interests.**

Section 1122 of the Bankruptcy Code provides that a plan may place a claim or an equity interest in a particular class only if such claim or equity interest is substantially similar to the other claims or equity interests in such class. The Debtors believe that the classification of the Claims and Interests under the Plan complies with the requirements set forth in the Bankruptcy Code because the Debtors created Classes of Claims and Interests each encompassing Claims or Interests, as applicable, that are substantially similar to the other Claims or Interests, as applicable, in each such Class. Nevertheless, there can be no assurance that the Bankruptcy Court will reach the same conclusion.

**4. The Conditions Precedent to the Effective Date of the Plan May Not Occur.**

As more fully set forth in Article IX of the Plan, the Effective Date of the Plan is subject to a number of conditions precedent. If such conditions precedent are not met or waived, the Effective Date will not take place.

**5. Governmental Regulatory Approval May Not Occur or May be Delayed.**

The Debtors may require regulatory approval to Consummate the Plan and the Restructuring Transactions. There is a risk that such regulatory approval may not be obtained or may take longer to obtain than anticipated and, as a result, the Consummation of the Plan may not occur and the Company may be forced to pursue alternative restructuring transactions.

**6. The Bankruptcy Court May Find the Solicitation of Acceptances Inadequate.**

Usually, votes to accept or reject a plan of reorganization are solicited after the filing of a petition commencing a chapter 11 case. Nevertheless, a debtor may solicit votes prior to the commencement of a chapter 11 case in accordance with sections 1125(g) and 1126(b) of the Bankruptcy Code and Bankruptcy Rule 3018(b). Sections 1125(g) and 1126(b) of the Bankruptcy Code and Bankruptcy Rule 3018(b) require that: (a) solicitation comply with applicable non-bankruptcy law; (b) the plan of reorganization be transmitted to substantially all creditors and other interest holders entitled to vote; and (c) the time prescribed for voting is not unreasonably short.

In addition, Bankruptcy Rule 3018(b) provides that a holder of a claim or interest that has accepted or rejected a plan before the commencement of the case under the Bankruptcy Code will not be deemed to have accepted or rejected the plan if the court finds after notice and a hearing that the plan was not transmitted in accordance with reasonable solicitation procedures. Section 1126(b) of the Bankruptcy Code provides that a holder of a claim or interest that has accepted or rejected a plan before the commencement of a case under the Bankruptcy Code is deemed to have accepted or rejected the plan if (i) the solicitation of such acceptance or rejection was in compliance with applicable non-bankruptcy law, rule or regulation governing the adequacy of disclosure in connection with such solicitation or (ii) there is no such law, rule, or regulation, and such acceptance or rejection was solicited after disclosure to such holder of adequate information (as defined by section 1125(a) of the Bankruptcy Code). While the Debtors believe that the requirements of sections 1125(g) and 1126(b) of the Bankruptcy Code and Bankruptcy Rule 3018(b) will be met, there can be no assurance that the Bankruptcy Court will reach the same conclusion.

**7. The Debtors May Fail to Satisfy Vote Requirements.**

If votes are received in number and amount sufficient to enable the Bankruptcy Court to confirm the Plan, the Debtors intend to seek, as promptly as practicable thereafter, Confirmation of the Plan. In the

event that sufficient votes are not received, the Debtors may seek to confirm an alternative chapter 11 plan or transaction. There can be no assurance that the terms of any such alternative chapter 11 plan or other transaction would be similar or as favorable to the Holders of Allowed Claims as those proposed in the Plan and the Debtors do not believe that any such transaction exists or is likely to exist that would be more beneficial to the Estates than the Plan. Moreover, an alternative plan or transaction could result in the termination of the Restructuring Support Agreement and the loss of support by the Consenting Stakeholders.

#### **8. The Debtors May Not Be Able to Secure Confirmation of the Plan.**

Section 1129 of the Bankruptcy Code sets forth the requirements for confirmation of a chapter 11 plan, and requires, among other things, a finding by the Bankruptcy Court that: (i) such plan “does not unfairly discriminate” and is “fair and equitable” with respect to any non-accepting classes; (ii) confirmation of such plan is not likely to be followed by a liquidation or a need for further financial reorganization unless such liquidation or reorganization is contemplated by the plan; and (iii) the value of distributions to non-accepting holders of claims or interests within a particular class under such plan will not be less than the value of distributions such holders would receive if the debtors were liquidated under chapter 7 of the Bankruptcy Code.

There can be no assurance that the requisite acceptances to confirm the Plan will be received. Even if the requisite acceptances are received, there can be no assurance that the Bankruptcy Court will confirm the Plan. A non-accepting holder of an Allowed Claim might challenge either the adequacy of this Disclosure Statement or whether the balloting procedures and voting results satisfy the requirements of the Bankruptcy Code or Bankruptcy Rules. Even if the Bankruptcy Court determines that this Disclosure Statement, the balloting procedures, and voting results are appropriate, the Bankruptcy Court could still decline to confirm the Plan if it finds that any of the statutory requirements for Confirmation are not met. If a chapter 11 plan of reorganization is not confirmed by the Bankruptcy Court, it is unclear whether the Debtors will be able to reorganize their business and what, if anything, holders of Allowed Claims or Interests would ultimately receive.

The Debtors, subject to the terms and conditions of the Plan and the Restructuring Support Agreement (including the requirement that the Plan be in form and substance reasonably acceptable to the Required Consenting Stakeholders), reserve the right to modify the terms and conditions of the Plan as necessary for Confirmation. Any such modifications could result in less favorable treatment of any non-accepting class of Claims or Interests, as well as any class junior to such non-accepting class, than the treatment currently provided in the Plan. Such a less favorable treatment could include a distribution of property with a lesser value than currently provided in the Plan or no distribution whatsoever under the Plan.

#### **9. The Debtors May Not Be Able to Secure Nonconsensual Confirmation Over Certain Impaired Non-Accepting Classes.**

In the event that any impaired class of claims or interests does not accept a chapter 11 plan, a bankruptcy court may nevertheless confirm a plan at the proponents’ request if at least one impaired class (as defined under section 1124 of the Bankruptcy Code) has accepted the plan (with such acceptance being determined without including the vote of any “insider” in such class), and, as to each impaired class that has not accepted the plan, the bankruptcy court determines that the plan “does not discriminate unfairly” and is “fair and equitable” with respect to the dissenting impaired class(es). *See Article X.E* of this Disclosure Statement, entitled “Confirmation Without Acceptance by All Impaired Classes.” The Debtors believe that the Plan satisfies these requirements, and the Debtors may request such nonconsensual Confirmation in accordance with subsection 1129(b) of the Bankruptcy Code. Nevertheless, there can be

no assurance that the Bankruptcy Court will reach this conclusion. In addition, the pursuit of nonconsensual Confirmation or Consummation of the Plan may result in, among other things, increased expenses relating to professional compensation.

**10. Even if the Restructuring Transactions Are Successful, the Debtors Will Face Continued Risk Upon Consummation.**

Even if the Plan is consummated, the Debtors will continue to face a number of risks, including certain risks that are beyond their control, such as further deterioration or other changes in economic conditions, changes in the industry, potential revaluing of their assets due to chapter 11 proceedings, changes in demand for the Debtors' products, and increasing expenses. *See Article VIII.D* of this Disclosure Statement, entitled "Risks Related to the Debtors' and the Reorganized Debtors' Business." Some of these concerns and effects typically become more acute when a case under the Bankruptcy Code continues for a protracted period without indication of how or when the case may be completed. As a result of these risks and others, there is no guarantee that a chapter 11 plan of reorganization reflecting the Plan will achieve the Debtors' stated goals.

In addition, at the outset of the Chapter 11 Cases, the Bankruptcy Code provides the Debtors with the exclusive right to propose the Plan and prohibits creditors and others from proposing a plan. The Debtors will have retained the exclusive right to propose the Plan upon filing their Petitions. If the Bankruptcy Court terminates that right, however, or the exclusivity period expires, there could be a material adverse effect on the Debtors' ability to achieve confirmation of the Plan to achieve the Debtors' stated goals.

Furthermore, even if the Debtors' debts are reduced and/or discharged through the Plan, the Debtors may need to raise additional funds through public or private debt or equity financing or other means to fund the Debtors' businesses after the completion of the proceedings related to the Chapter 11 Cases. Adequate funds may not be available when needed or may not be available on favorable terms.

**11. The Chapter 11 Cases Could Be Converted to Cases under Chapter 7 of the Bankruptcy Code.**

If the Bankruptcy Court finds that it would be in the best interest of creditors and/or the debtor in a chapter 11 case, the Bankruptcy Court may convert a chapter 11 bankruptcy case to a case under chapter 7 of the Bankruptcy Code. In such event, a chapter 7 trustee would be appointed or elected to liquidate the debtor's assets for distribution in accordance with the priorities established by the Bankruptcy Code. The Debtors believe that liquidation under chapter 7 would result in significantly smaller distributions being made to creditors than those provided for in a chapter 11 plan because of (i) the likelihood that the assets would have to be sold or otherwise disposed of in a disorderly fashion over a short period of time, rather than reorganizing or selling the business as a going concern at a later time in a controlled manner, (ii) additional administrative expenses involved in the appointment of a chapter 7 trustee, and (iii) additional expenses and Claims, some of which would be entitled to priority, that would be generated during the liquidation, including Claims resulting from the rejection of Unexpired Leases and other Executory Contracts in connection with cessation of operations.

**12. One or More of the Chapter 11 Cases May Be Dismissed.**

If the Bankruptcy Court finds that the Debtors have incurred substantial or continuing loss or diminution to the estate and lack of a reasonable likelihood of rehabilitation of the Debtors or the ability to effectuate substantial Consummation of a confirmed plan, or otherwise determines that cause exists, the Bankruptcy Court may dismiss one or more of the Chapter 11 Cases. In such event, the Debtors would be

unable to confirm the Plan with respect to the applicable Debtor or Debtors, which may ultimately result in significantly smaller distributions to creditors than those provided for in the Plan.

**13. The Debtors May Object to the Amount or Classification of a Claim.**

Except as otherwise provided in the Plan, the Debtors reserve the right to object to the amount or classification of any Claim under the Plan, subject to the terms of the Restructuring Support Agreement. The estimates set forth in this Disclosure Statement cannot be relied upon by any Holder of a Claim where such Claim is subject to an objection. Any Holder of a Claim that is subject to an objection thus may not receive its expected share of the estimated distributions described in this Disclosure Statement.

**14. The Total Amount of Allowed Administrative and Priority Claims May be Higher than Anticipated by the Debtors.**

The Debtors anticipate that they will have sufficient Cash, including from proceeds of the DIP ABL Facility and the DIP Term Loan Facility, to pay all Allowed Administrative Claims pursuant to the Plan. Nevertheless, the amount of Cash the Debtors ultimately retain prior to and following the Effective Date may be lower than anticipated. Additionally, Allowed Administrative Claims, Professional Fee Claims, and Priority Tax Claims may be higher than anticipated. Accordingly, there is a risk that the Debtors will not be able to pay in full in cash all Administrative Claims, DIP Claims, Professional Fee Claims, and Priority Tax Claims on the Effective Date as is required to confirm a chapter 11 plan of reorganization. In that instance, the Effective Date and prerequisite terms could be delayed and/or modified.

**15. The Effective Date May Not Occur.**

Although the Debtors believe that the Effective Date may occur quickly after the Confirmation Date, there can be no assurance as to such timing or as to whether the Effective Date will, in fact, occur. As more fully set forth in Article IX of the Plan, the Effective Date of the Plan is subject to a number of conditions precedent. If such conditions precedent are not waived or met, the Effective Date will not take place.

**16. Releases, Injunctions, and Exculpation Provisions May Not Be Approved.**

Article VIII of the Plan provides for certain releases, injunctions, and exculpations, including a release of Liens and third-party releases that may otherwise be asserted against the Debtors, Reorganized Debtors, or Released Parties, as applicable. The releases, injunctions, and exculpations provided in the Plan are subject to objection by parties in interest and may not be approved. If the releases are not approved, certain Released Parties may withdraw their support for the Plan.

The releases provided to the Released Parties and the exculpation provided to the Exculpated Parties are necessary to the success of the Debtors' reorganization. The Released Parties and Exculpated Parties have made significant contributions to the Debtors' reorganizational efforts that are important to the success of the Plan and have agreed to make further contributions, including by agreeing to reductions in the amounts of their Claims against the Debtors' Estates and facilitating a critical source of post-emergence liquidity, but only if they receive the full benefit of the Plan's release and exculpation provisions. The Plan's release and exculpation provisions are an inextricable component of the Restructuring Support Agreement and Plan and the significant deleveraging and financial benefits that they embody.

**17. The Debtors May Seek to Amend, Waive, Modify, or Withdraw the Plan at Any Time Prior to Its Confirmation.**

The Debtors reserve the right, prior to the Confirmation or substantial Consummation thereof, subject to the provisions of Section 1127 of the Bankruptcy Code, applicable law, and the Restructuring Support Agreement, to amend the terms of the Plan or waive any conditions thereto if and to the extent such amendments or waivers are necessary or desirable to consummate the Plan. The potential impact of any such amendment or waiver on the Holders of Claims and Interests cannot presently be foreseen but may include a change in the economic impact of the Plan on some or all of the proposed Classes or a change in the relative rights of such Classes. All Holders of Claims and Interests will receive notice of such amendments or waivers required by applicable law and the Bankruptcy Court. If, after receiving sufficient acceptances but prior to Confirmation of the Plan, the Debtors seek to modify the Plan, the previously solicited acceptances will be valid only if (i) all Classes of adversely affected creditors and interest Holders accept the modification in writing or (ii) the Bankruptcy Court determines, after notice to designated parties, that such modification was *de minimis* or purely technical or otherwise did not adversely change the treatment of Holders accepting Claims and Interests or is otherwise permitted by the Bankruptcy Code.

**18. The Debtors Cannot Predict the Amount of Time Spent in Bankruptcy for the Purpose of Implementing the Plan, and a Lengthy Bankruptcy Proceeding Could Disrupt the Debtors' Businesses, as Well as Impair the Prospect for Reorganization on the Terms Contained in the Plan.**

Although the prepackaged Plan is designed to minimize the length of the Chapter 11 Cases, it is impossible to predict with certainty the amount of time that the Debtors may spend in bankruptcy, and the Debtors cannot be certain that the Plan will be confirmed. Even if confirmed on a timely basis, a bankruptcy proceeding to confirm the Plan could itself have an adverse effect on the Debtors' businesses. There is a risk, due to uncertainty about the Debtors' futures that, among other things: (a) employees could be distracted from performance of their duties or more easily attracted to other career opportunities; (b) key customers may choose to switch to a competitor; and (c) suppliers, vendors, or other business partners could terminate their relationship with the Debtors or demand financial assurances or enhanced performance, any of which could impair the Debtors' prospects.

Even if the Plan is timely confirmed, the Debtors may need additional time to satisfy or seek the waiver of the conditions precedent to the Effective Date of the Plan, including to obtain the applicable regulatory approval. A lengthy bankruptcy proceeding also would involve additional expenses and divert the attention of management from the operation of the Debtors' businesses.

The disruption that the bankruptcy process would have on the Debtors' businesses could increase with the length of time it takes to complete the Chapter 11 Cases. If the Debtors are unable to obtain Confirmation of the Plan on a timely basis, because of a challenge to the Plan or otherwise, the Debtors may be forced to operate in bankruptcy for an extended period of time while they try to develop a different plan of reorganization that can be confirmed. A protracted bankruptcy case could increase both the probability and the magnitude of the adverse effects described above.

**19. The Restructuring Support Agreement, the DIP ABL Credit Agreement, and the DIP Term Loan Credit Agreement Contain Significant Conditions and Milestones That May Be Difficult to Satisfy.**

There are certain material conditions that must be satisfied under the Restructuring Support Agreement, the DIP ABL Credit Agreement, and the DIP Term Loan Credit Agreement, including the timely satisfaction of milestones in the Chapter 11 Cases. The ability to timely complete such milestones

is subject to risks and uncertainties, many of which are beyond the Debtors' control. As discussed further in the Restructuring Support Agreement, a copy of which is attached hereto as **Exhibit B**, failure to meet any of the milestones without the written consent of the Required Consenting First Lien Tranche A-1 Lenders (as defined in the Restructuring Support Agreement) shall amount to a breach of the Restructuring Support Agreement subject to customary cure provisions, including, but not limited to, termination of the Restructuring Support Agreement. Likewise, failure to meet any of the milestones under the DIP ABL Credit Agreement or DIP Term Loan Credit Agreement, as applicable, without the written consent of the Required DIP ABL Lenders or Required DIP Term Loan Lenders, respectively, shall amount to an event of default under the DIP Credit Agreement subject to customary cure provisions, including, but not limited to, termination, reduction, or restriction of any further DIP Loan Commitment (as defined in the Restructuring Support Agreement).

**B. Risks Related to Recoveries under the Plan.**

**1. Projections and Other Forward-Looking Statements Are Not Assured, and Actual Results May Vary.**

Certain of the information contained in this Disclosure Statement is, by nature, forward-looking, and contains estimates and assumptions that might ultimately prove to be incorrect, and contains projections which may be materially different from actual future experiences. There are uncertainties associated with any projections and estimates, and they should not be considered assurances or guarantees of the amount of funds or the amount of Claims in the various Classes that might be allowed.

**2. The Reorganized Debtors May Not Be Able to Achieve Their Projected Financial Results.**

The Reorganized Debtors may not be able to achieve their projected financial results. The Financial Projections (as defined herein) set forth in this Disclosure Statement represent the Debtors' management team's best estimate of the Debtors' future financial performance, which is necessarily based on certain assumptions regarding the anticipated future performance of the Reorganized Debtors' operations, as well as the United States and world economies in general, and the industry segments in which the Debtors operate in particular. While the Debtors believe that the Financial Projections contained in this Disclosure Statement are reasonable, there can be no assurance that they will be realized. If the Debtors do not achieve their projected financial results, the value of the New Equity may be negatively affected and the Debtors may lack sufficient liquidity to continue operating as planned after the Effective Date. Moreover, the financial condition and results of operations of the Reorganized Debtors from and after the Effective Date may not be comparable to the financial condition or results of operations reflected in the Debtors' historical financial statements.

**3. The New Equity is Subject to Dilution.**

The New Equity will be distributed as follows: (i) the New Money Equity, representing 21.9 percent of New Equity, subject to dilution by the MIP Equity only, will be distributed to the New Money Investor on account of the New Money Investment in accordance with the New Equity Subscription Agreement; (ii) the First Lien New Equity, representing 72.5 percent of New Equity, and subject to dilution by the Participation Premium, the Backstop Premium, and the MIP Equity, will be distributed to the Holders of Allowed First Lien Tranche A-1 Claims in accordance with Article III.B of the Plan; (iii) the Second Lien New Equity, representing 5.6 percent of New Equity, and subject to dilution by the MIP Equity only, will be distributed to the Holders of the Allowed Second Lien Claims in accordance with Article III.B of the Plan; (iv) the Participation Premium, representing 23.4 percent of New Equity will be distributed to the DIP Term Loan Lenders in accordance with the DIP Term Loan Documents and the Plan; and (v) the

Backstop Premium will be distributed to the Backstop Parties in accordance with the Backstop Commitment Letter and the Plan. Together, the Participation Premium and Backstop Premium shall dilute the First Lien New Equity, but they shall not dilute the New Money Equity or the Second Lien New Equity, and they shall be subject to dilution by the MIP Equity.

**4. Certain Significant Holders of Shares of New Equity May Have Substantial Influence Over the Reorganized Debtors Following the Effective Date.**

Assuming that the Effective Date occurs, Holders of Claims who receive distributions representing a substantial percentage of the aggregate outstanding shares of the New Equity may be in a position to influence matters requiring approval by the Holders of shares of New Equity, including, among other things, the election of directors, pursuant to the terms of the New Organizational Documents (including the New Equity Subscription Agreement). The Holders may have interests that differ from those of the other Holders of shares of New Equity and may vote in a manner adverse to the interests of other Holders of shares of New Equity. This concentration of ownership may facilitate or may delay, prevent, or deter a change of control of the Reorganized Debtors and consequently impact the value of the shares of New Equity. Such actions by Holders of a significant number of shares of New Equity may have a material adverse impact on the Reorganized Debtors' businesses, financial condition, and operating results.

**5. Estimated Valuations of the Debtors and the New Equity, and Estimated Recoveries to Holders of Allowed Claims Are Not Intended to Represent Potential Market Values.**

The Debtors' estimated recoveries to Holders of Allowed Claims are not intended to represent the market value of the Debtors' securities. The estimated recoveries are based on numerous assumptions (the realization of many of which will be beyond the control of the Debtors), including: (i) the successful reorganization of the Debtors; (ii) an assumed date for the occurrence of the Effective Date; (iii) the Debtors' ability to achieve the operating and financial results included in the Financial Projections; (iv) the Debtors' ability to maintain adequate liquidity to fund operations; (v) the assumption that capital and equity markets remain consistent with current conditions; and (vi) the Debtors' ability to maintain critical existing customer relationships, including relationships with key customers.

**6. The Terms of the New Organizational Documents Are Subject to Change Based on Negotiation and the Approval of the Bankruptcy Court.**

Significant provisions related to the corporate governance of New Premium are set forth in the Governance Term Sheet, attached as Exhibit D to the Restructuring Support Agreement. Nevertheless, the terms of the New Organizational Documents are subject to change based on ongoing negotiations between the Debtors and certain Consenting Stakeholders and the results of such negotiations may affect the rights of equity holders in the Reorganized Debtors following the Effective Date. The substantially final form of the New Organizational Documents will be included in the Plan Supplement.

**7. Certain Tax Implications may Result from the Plan.**

Holders of Allowed Claims should carefully review Article XII of this Disclosure Statement, entitled "Certain United States Federal Income Tax Consequences of the Plan," to determine how certain tax implications of the Plan and the Chapter 11 Cases may affect the Debtors, the Reorganized Debtors, and certain Holders of Claims, as well as certain tax implications of owning and disposing of the consideration to be received pursuant to the Plan.

## **8. The Debtors May Not Be Able to Accurately Report Their Financial Results.**

The Debtors have established internal controls over financial reporting. However, internal controls over financial reporting may not prevent or detect misstatements or omissions in the Debtors' financial statements because of their inherent limitations, including the possibility of human error, and the circumvention or overriding of controls or fraud. Therefore, even effective internal controls can provide only reasonable assurance with respect to the preparation and fair presentation of financial statements. If the Debtors fail to maintain the adequacy of their internal controls, the Debtors may be unable to provide financial information in a timely and reliable manner within the time periods required for the Debtors' financial reporting under applicable law or otherwise. Any such difficulties or failure could materially adversely affect the Debtors' business, results of operations, and financial condition. Further, the Debtors may discover other internal control deficiencies in the future and/or fail to adequately correct previously identified control deficiencies, which could materially adversely affect the Debtors' businesses, results of operations, and financial condition.

## **9. Contingencies Could Affect Distributions to Holders of Allowed Claims.**

The distributions available to Holders of Allowed Claims under the Plan can be affected by a variety of contingencies, including, without limitation, whether the Bankruptcy Court orders certain Allowed Claims to be subordinated to other Allowed Claims. The occurrence of any and all such contingencies, which could affect distributions available to Holders of Allowed Claims under the Plan, will not affect the validity of the vote taken by the Impaired Classes to accept or reject the Plan or require any sort of re-vote by the Impaired Classes.

The estimated Claims and creditor recoveries set forth in this Disclosure Statement are based on various assumptions, and the actual Allowed amounts of Claims may significantly differ from the estimates. Should one or more of the underlying assumptions ultimately prove to be incorrect, the actual Allowed amounts of Claims may vary from the estimated Claims contained in this Disclosure Statement. Moreover, the Debtors cannot determine with any certainty at this time, the number or amount of Claims that will ultimately be Allowed. Such differences may materially and adversely affect, among other things, the percentage recoveries to Holders of Allowed Claims under the Plan.

## **C. Risks Related to the Offer and Issuance of Securities Under the Plan.**

### **1. The Debtors Do Not Intend to Register the Offer or Sale of the New Equity and Holders of the New Equity May Be Restricted in Their Ability to Transfer or Sell Their Securities.**

The New Equity will not be registered under the Securities Act or any state securities laws and, subject to the discussion below and the discussion in Article XI of this Disclosure Statement entitled "Certain Securities Law Matters," unless so registered, may not be re-offered or re-sold except pursuant to an exemption from the registration requirements of the Securities Act and applicable state securities laws. In addition, the Reorganized Debtors do not expect to be subject to the reporting requirements promulgated under U.S. federal securities Law, and Holders of the New Equity will not be entitled to any information except as expressly required in the applicable New Organizational Documents.

If shares of New Equity issued under the Plan are issued pursuant to section 1145(a)(1) of the Bankruptcy Code, such securities may be resold by the Holders thereof without registration under the Securities Act unless the Holder is an "underwriter," as defined in section 1145(b) of the Bankruptcy Code with respect to such securities; *provided, however,* shares of such securities will not be freely tradeable if, at the time of transfer, the Holder is an "affiliate" of the Reorganized Debtors as defined in Rule 144(a)(1)

under the Securities Act or had been such an “affiliate” within ninety (90) days of such transfer. Such affiliate Holders would only be permitted to sell such securities without registration if they are able to comply with an applicable exemption from registration, including Rule 144 under the Securities Act. Resales by Holders who receive New Equity pursuant to the Plan that are deemed to be “underwriters” would not be exempted by section 1145 of the Bankruptcy Code from registration under the Securities Act or applicable law. Such Holders would only be permitted to sell such securities without registration if they are able to comply with an applicable exemption from registration, including Rule 144 under the Securities Act.

Any New Equity that cannot be issued in reliance on the exemption set forth in section 1145 of the Bankruptcy Code, including the Management Incentive Plan and New Equity offered prior to the Petition Date, will be offered, issued, and distributed in reliance upon section 4(a)(2) of the Securities Act, Regulation D or Rule 701 promulgated thereunder, Regulation S under the Securities Act, and/or other available exemptions from registration, will be considered “restricted securities,” will bear customary legends and transfer restrictions, and may not be transferred except pursuant to an effective registration statement or under an available exemption from the registration requirements of the Securities Act and subject to any restrictions on the transferability of such New Equity Interests in the New Organizational Documents. Generally, Rule 144 of the Securities Act would permit the resale of restricted securities received by a person after a specified holding period if current information regarding the issuer is publicly available and, under certain circumstances, volume limitations, manner of sale requirements and certain other conditions are met. These conditions vary depending on whether the issuer is a reporting issuer and whether the holder of the restricted securities is an “affiliate” of the issuer. A non-affiliate who has not been an affiliate of the issuer during the preceding three months may resell restricted securities of an issuer that does not file reports with the United States Securities and Exchange Commission pursuant to Rule 144 after a one-year holding period. An affiliate may resell restricted securities of an issuer that does not file reports with the United States Securities and Exchange Commission under Rule 144 after such holding period, as well as other securities without a holding period, but only if certain current public information regarding the issuer is available at the time of the sale and only if the affiliate also complies with the volume, manner of sale and notice requirements of Rule 144. The Debtors do not intend to make publicly available the requisite information regarding the Debtors, and, as a result, even after the holding period, Rule 144 will not be available for resales of such New Equity by affiliates of the issuer. Restricted securities (as well as other securities held by affiliates) may be resold without holding periods under other exemptions from registration, including Rule 144A under the Securities Act and Regulation S under the Securities Act, but only in compliance with the conditions of such exemptions from registration.

Recipients of the New Equity are advised to consult with their own legal advisors as to the availability of any exemption from registration under the Securities Act and any applicable Blue-Sky Laws for resales of New Equity.

*See Article XI* of this Disclosure Statement, entitled “Certain Securities Law Matters,” for additional details.

## **2. The New Organizational Documents May Contain Restrictions on Transfer of the New Equity.**

The New Organizational Documents will contain contractual restriction on holders’ ability to transfer the New Equity. In addition, to the extent the New Equity is issued pursuant to Section 4(a)(2) under the Securities Act (or another exemption from registration), such securities will be deemed “restricted securities” (as defined under the Securities Act and the rules promulgated thereunder). Such securities may not be sold, exchanged, assigned, or otherwise transferred unless they are registered, or an exemption from registration applies, under the Securities Act. In addition, the New Equity is not expected to be registered

under any local or state securities Laws. The Debtors make no representation regarding the right of any holder of New Equity Interest to freely transfer or resell the New Equity. Resale restrictions and other restrictions on transfer are discussed in more detail in Article XI.C of this Disclosure Statement, entitled “Resales of New Equity; Definition of ‘Underwriter’ Under Section 1145(b) of the Bankruptcy Code.”

### **3. A Liquid Trading Market for the Shares of New Equity May Not Develop.**

The Debtors do not expect to list the New Equity on a national securities exchange, and even if they make such an application in the future, the Debtors make no assurance that they will be able to obtain this listing or, even if the Debtors do, that liquid trading markets for shares of New Equity will develop. The liquidity of any market for New Equity will depend upon, among other things, the number of Holders of shares of New Equity, the Debtors’ financial performance, and the market for similar securities, none of which can be determined or predicted. Accordingly, there can be no assurance that an active trading market for the New Equity will develop, nor can any assurance be given as to the liquidity or prices at which such securities might be traded. In the event an active trading market does not develop, the ability to transfer or sell shares of New Equity may be substantially limited, and the price for shares of the New Equity may decline or may be considered unfavorable. You may be required to bear the financial risk of your ownership of the New Equity indefinitely.

In addition, the Reorganized Debtors do not expect to apply to be subject to the reporting requirements of the Securities Act, and Holders of the New Equity will not be entitled to any information except as expressly required by the New Organizational Documents. As a result, the information which the Debtors are required to provide in order to issue the New Equity may be less than the Debtors would be required to provide if the New Equity were registered. Among other things, the Debtors may not be required to provide: (i) separate financial information for any subsidiary; (ii) selected annual audited financial data; (iii) selected quarterly financial data; (iv) certain information about the Debtors’ disclosure controls and procedures and their internal controls over financial reporting; and (v) certain information regarding the Debtors’ executive compensation policies and practices and historical compensation information for their executive officers. This lack of information could impair your ability to evaluate your ownership and the marketability of the New Equity.

## **D. Risks Related to the Debtors’ and the Reorganized Debtors’ Businesses.**

### **1. The Reorganized Debtors May Not Be Able to Generate Sufficient Cash to Service All of Their Indebtedness.**

The Reorganized Debtors’ ability to make scheduled payments on, or refinance their debt obligations, depends on the Reorganized Debtors’ financial condition and operating performance, which are subject to prevailing economic, industry, and competitive conditions and to certain financial, business, legislative, regulatory, and other factors beyond the Reorganized Debtors’ control. The Reorganized Debtors may be unable to maintain a level of cash flow from operating activities sufficient to permit the Reorganized Debtors to pay the principal, premium, if any, and interest and/or fees on their indebtedness, including, without limitation, obligations under the Exit Term Loan Facility upon emergence. In addition, if the Reorganized Debtors need to refinance their debt, obtain additional financing, or sell assets or equity, they may not be able to do so on commercially reasonable terms, if at all.

### **2. The Debtors Will Be Subject to the Risks and Uncertainties Associated with the Chapter 11 Cases.**

For the duration of the Chapter 11 Cases, the Debtors’ ability to operate, develop, and execute a business plan, and continue as a going concern, will be subject to the risks and uncertainties associated with

bankruptcy. These risks include the following: (i) ability to develop, confirm, and consummate the Restructuring Transactions specified in the Plan; (ii) ability to obtain Bankruptcy Court approval with respect to motions filed in the Chapter 11 Cases from time to time; (iii) ability to maintain relationships with suppliers, vendors, service providers, customers, employees, and other third parties; (iv) ability to maintain contracts that are critical to the Debtors' operations; (v) ability of third parties to seek and obtain Bankruptcy Court approval to terminate contracts and other agreements with the Debtors; (vi) ability of third parties to seek and obtain Bankruptcy Court approval to terminate or shorten the exclusivity period for the Debtors to propose and confirm a chapter 11 plan, to appoint a chapter 11 trustee, or to convert the Chapter 11 Cases to chapter 7 proceedings; and (vii) the actions and decisions of the Debtors' creditors and other third parties who have interests in the Chapter 11 Cases that may be inconsistent with the Debtors' plans.

These risks and uncertainties could affect the Debtors' business and operations in various ways. For example, negative events associated with the Chapter 11 Cases could adversely affect the Debtors' relationships with suppliers, service providers, customers, employees, and other third parties, which in turn could adversely affect the Debtors' operations and financial condition. Also, the Debtors need the prior approval of the Bankruptcy Court for transactions outside the ordinary course of business, which may limit the Debtors' ability to respond timely to certain events or take advantage of certain opportunities. Because of the risks and uncertainties associated with the Chapter 11 Cases, the Debtors cannot accurately predict or quantify the ultimate impact of events that occur during the Chapter 11 Cases that may be inconsistent with the Debtors' plans.

### **3. Operating in Bankruptcy for a Long Period of Time May Harm the Debtors' Businesses.**

While the Debtors intend for the chapter 11 process to be short, the Debtors' future results will be dependent upon the successful Confirmation and Consummation of the Plan. A long period of operations under Bankruptcy Court protection could have a material adverse effect on the Debtors' business, financial condition, results of operations, and liquidity. So long as the proceedings related to the Chapter 11 Cases continue, senior management will be required to spend a significant amount of time and effort dealing with the reorganization instead of focusing exclusively on business operations. A prolonged period of operating under Bankruptcy Court protection also may make it more difficult to retain management and other key personnel necessary to the success and growth of the Debtors' business. In addition, the longer the proceedings related to the Chapter 11 Cases continue, the more likely it is that customers and suppliers will lose confidence in the Debtors' ability to reorganize their business successfully and will seek to establish alternative commercial relationships.

So long as the proceedings related to the Chapter 11 Cases continue, the Debtors will be required to incur substantial costs for professional fees and other expenses associated with the administration of the Chapter 11 Cases. If the chapter 11 proceedings last longer than anticipated, the Debtors may require debtor-in-possession financing to fund the Debtors' operations. If the Debtors are unable to obtain final approval of debtor-in-possession financing on favorable terms or at all, or if the Debtors are unable to fully draw on the availability under the DIP ABL Facility or DIP Term Loan Facility, the chances of successfully reorganizing the Debtors' business may be seriously jeopardized, the likelihood that the Debtors will instead be required to liquidate or sell their assets may be increased, and, as a result, creditor recoveries may be significantly impaired.

Furthermore, the Debtors cannot predict the ultimate amount of all settlement terms for the liabilities that will be subject to a plan of reorganization. Even after a plan of reorganization is approved and implemented, the Reorganized Debtors' operating results may be adversely affected by the possible

reluctance of prospective lenders and other counterparties to do business with a company that recently emerged from bankruptcy protection.

#### **4. Financial Results May Be Volatile and May Not Reflect Historical Trends.**

The Financial Projections attached hereto as **Exhibit D** are based on assumptions that are an integral part of the projections, including Confirmation and Consummation of the Plan in accordance with its terms, the anticipated future performance of the Debtors, industry performance, general business and economic conditions, and other matters, many of which are beyond the control of the Debtors and some or all of which may not materialize.

In addition, unanticipated events and circumstances occurring after the date hereof may affect the actual financial results of the Debtors' operations. These variations may be material and may adversely affect the value of the New Equity and the ability of the Debtors to make necessary payments. Because the actual results achieved may vary from projected results, perhaps significantly, the Financial Projections should not be relied upon as a guarantee or other assurance of the actual results that will occur. The information included in this Disclosure Statement does not necessarily conform to the information, including with respect to the Financial Projections, that would be required if the Solicitation was made pursuant to a registration statement filed with the SEC or another securities regulator.

Further, during the Chapter 11 Cases, the Debtors expect that their financial results will continue to be volatile as restructuring activities and expenses and Claims assessments significantly impact the Debtors' consolidated financial statements. As a result, the Debtors' historical financial performance likely will not be indicative of their financial performance after the Petition Date. In addition, if the Debtors emerge from the Chapter 11 Cases, the amounts reported in subsequent consolidated financial statements may materially change relative to historical consolidated financial statements, including as a result of revisions to the Debtors' operating plans pursuant to a plan of reorganization. The Debtors may be required to adopt "fresh start" accounting in accordance with Accounting Standards Codification 852 ("Reorganizations") in which case their assets and liabilities will be recorded at fair value as of the fresh start reporting date, which may differ materially from the recorded values of assets and liabilities on the Debtors' consolidated balance sheets. The Debtors' financial results after the application of fresh start accounting may be different from historical trends. The Financial Projections contained herein do not currently reflect the impact of "fresh start" accounting.

#### **5. The Reorganized Debtors May Not Be Able to Implement the Business Plan.**

While the Debtors believe that consummation of the Plan will put them in a strong position to implement their go-forward business plan, various factors beyond the Reorganized Debtors' control may hinder or prevent their successful implementation of the business plan. In particular, the Reorganized Debtors' successful implementation of the business plan depends significantly on maintaining and growing their customer base. Given the nature of the Debtors' customer arrangements, there can be no assurance that the Reorganized Debtors will maintain and grow their customer base. The erosion of the Reorganized Debtors' customer base may materially and adversely affect their operating results and hinder or prevent their successful implementation of the business plan.

#### **6. The Debtors' Business is Subject to Various Laws and Regulations That Can Adversely Affect the Cost, Manner, or Feasibility of Doing Business.**

The Debtors' operations are subject to various federal, state, and local laws and regulations. The Debtors may be required to make large expenditures to comply with such regulations. Failure to comply with these laws and regulations may result in the suspension or termination of operations and subject the

Debtors to administrative, civil, and criminal penalties, which could have a material adverse effect on the business, financial condition, results of operations, and cash flows of the Reorganized Debtors.

**7. The Reorganized Debtors May Be Adversely Affected by Potential Litigation, Including Litigation Arising Out of the Chapter 11 Cases.**

In the future, the Reorganized Debtors may become parties to litigation. In general, litigation can be expensive and time consuming to bring or defend against. Such litigation could result in settlements or damages that could significantly affect the Reorganized Debtors' financial results. It is also possible that certain parties will commence litigation with respect to the treatment of their Claims under the Plan. It is not possible to predict the potential litigation that the Reorganized Debtors may become party to, nor the final resolution of such litigation. The impact of any such litigation on the Reorganized Debtors' businesses and financial stability, however, could be material.

**8. The Loss of Key Personnel Could Adversely Affect the Debtors' Operations.**

The Debtors' operations are dependent on a group of key management personnel, including the Debtors' executive officers, and reliable employee base. The Debtors' recent liquidity issues and the Chapter 11 Cases have created distractions and uncertainty for key management personnel and employees. As a result, the Debtors have experienced and may continue to experience increased levels of employee attrition. Because competition for experienced personnel in the imaging and materials industry can be significant, the Debtors may be unable to find acceptable replacements with comparable skills and experience and the loss of such key management personnel could adversely affect the Debtors' ability to operate their businesses. In addition, a loss of key personnel or material erosion of employee morale at the corporate and/or field levels could have a material adverse effect on the Debtors' ability to meet customer and counterparty expectations, thereby adversely affecting the Debtors' businesses and the results of operations.

**9. Deteriorations in Business Relationships May Impact the Ability to Source Raw Materials.**

The Debtors' success depends in part on their ability to source various raw materials and supplies necessary to manufacture the Debtors' products. These are sourced from a broad range of suppliers. As a result, the Debtors' business depends on maintaining productive business relationships with their global and dispersed network of third-party suppliers. The Debtors' operations could be disrupted if such business relationships decline, for whatever reason, or if such suppliers go out of business or are unable to provide parts to the Debtors as they have on a historical basis. There is a risk that economic conditions could lead to financial, operational, production, labor, regulatory, or quality assurance difficulties that could result in a reduction or interruption in the Debtors' raw materials and supplies.

**10. The Debtors Could Fail to Retain or Attract Customers, Which Would Adversely Affect the Debtors' Business and Financial Results.**

The Debtors' future revenue is dependent in large part upon the retention and growth of their existing customer base. Existing customers may purchase fewer of the Debtors' products and new customers may avoid purchasing products from the Debtors, which could have a material adverse effect on the Debtors' business and results of operations. There can be no assurance that the Debtors will be able to retain their current customers.

A variety of factors could affect the Debtors' ability to successfully retain and attract customers, including the level of demand for their products, content, the quality of the Debtors' customer service, and the Debtors' ability to update their products desired by customers. Further, the industry in which the

Debtors operate in a highly competitive and the Debtors may not be able to compete effectively. The Debtors' revenue comes from the sale of the Debtors' products. It is impossible to predict with perfect accuracy what market demand for such offerings will be.

## **IX. SOLICITATION, VOTING, AND RELATED MATTERS.**

This Disclosure Statement is being distributed to Holders of Claims in Class 4 and Class 5 in connection with the solicitation of votes to accept or reject the Plan. This Disclosure Statement is accompanied by the Ballots to be used for voting on the Plan.

### **A. Holders of Claims Entitled to Vote on the Plan.**

Under the provisions of the Bankruptcy Code, not all Holders of claims against or interests in a debtor are entitled to vote on a chapter 11 plan. The table in Article III.D of this Disclosure Statement, entitled "Am I entitled to vote on the Plan?," provides a summary of the status and voting rights of each Class (and, therefore, of each Holder within such Class absent an objection to the Holder's Claim or Interest) under the Plan.

As shown in the table, the Debtors are soliciting votes to accept or reject the Plan only from Holders of Claims in Class 4 and Class 5 (collectively, the "Voting Classes"). The Holders of Claims in the Voting Classes are Impaired under the Plan and may, if the Plan is Confirmed and Consummated, receive a distribution under the Plan. Accordingly, Holders of Claims in the Voting Classes have the right to vote to accept or reject the Plan.

The Debtors are **not** soliciting votes on the Plan from Holders of Claims or Interests in Classes 1, 2, 3, 6, 7, 8, 9, or 10 (the "Non-Voting Classes").

### **B. Voting Record Date.**

Subject to Bankruptcy Court approval, the Voting Record Date is January 16, 2026 (the "Voting Record Date"). The Voting Record Date is the date on which it will be determined which Holders of Claims in the Voting Classes are entitled to vote to accept or reject the Plan and whether Claims have been properly assigned or transferred under Bankruptcy Rule 3001(e) such that an assignee or transferee, as applicable, can vote to accept or reject the Plan as the Holder of a Claim.

### **C. Voting on the Plan.**

Subject to Bankruptcy Court approval, the Voting Deadline is March 2, 2026 at 5:00 p.m. (prevailing Eastern Time). In order to be counted as votes to accept or reject the Plan, all ballots must be properly executed, completed, and delivered as directed, so that your ballot containing your vote is actually received by the Solicitation Agent on or before the Voting Deadline. Ballots and consent forms may be delivered to the Solicitation Agent by one of the following methods:

**D. Ballots Not Counted.**

**No ballot will be counted toward Confirmation of the Plan if, among other things:** (1) it is illegible or contains insufficient information to permit the identification of the Holder of the Claim; (2) it was transmitted by means other than as specifically set forth in the Ballots; (3) it was cast by an entity that is not entitled to vote on the Plan; (4) it was sent to any person or entity other than the Solicitation Agent; (5) it is unsigned; or (6) it is not clearly marked to either accept or reject the Plan or it is marked both to accept and reject the Plan. **Please refer to your Ballot for additional requirements with respect to voting to accept or reject the Plan.**

**ANY BALLOT RECEIVED AFTER THE VOTING DEADLINE THAT IS OTHERWISE IN COMPLIANCE WITH THE SOLICITATION AND VOTING PROCEDURES PROVIDED IN ARTICLE IX OF THIS DISCLOSURE STATEMENT OR THE DIRECTIONS AND REQUIREMENTS SET FORTH IN YOUR BALLOT WILL NOT BE COUNTED WITH RESPECT TO VOTING ON THE PLAN WITHOUT THE CONSENT OF THE COMPANY.**

**X. CONFIRMATION OF THE PLAN.**

**A. Requirements for Confirmation of the Plan.**

Among the requirements for Confirmation of the Plan pursuant to section 1129 of the Bankruptcy Code are: (1) the Plan is in the “best interests” of Holders of Claims or Interests; (2) the Plan is feasible; and (3) the Plan is accepted by all Impaired Classes of Claims or Interests, or if rejected by an Impaired Class, the Plan “does not discriminate unfairly” and is “fair and equitable” as to the rejecting Impaired Class.

At the Confirmation Hearing, the Bankruptcy Court will determine whether the Plan satisfies all of the requirements of section 1129 of the Bankruptcy Code. The Debtors believe that: (1) the Plan satisfies, or will satisfy, all of the necessary statutory requirements of chapter 11 for Confirmation; (2) the Debtors have complied, or will have complied, with all of the necessary requirements of chapter 11 for Confirmation; and (3) the Plan has been proposed in good faith.

**B. Best Interests of Creditors/Liquidation Analysis.**

Often called the “best interests” test, section 1129(a)(7) of the Bankruptcy Code requires that a bankruptcy court find, as a condition to confirmation, that a chapter 11 plan provides, with respect to each impaired class, that each holder of a claim or interest in such impaired class either (1) has accepted the plan or (2) will receive or retain under the plan property of a value that is not less than the amount that the non-accepting holder would receive or retain if the debtors liquidated under chapter 7.

Attached hereto as Exhibit C and incorporated herein by reference is a liquidation analysis (the “Liquidation Analysis”) prepared by the Debtors with the assistance of the Debtors’ advisors and reliance upon the valuation methodologies utilized by the Debtors’ advisors. As reflected in the Liquidation Analysis, the Debtors believe that liquidation of the Debtors’ business under chapter 7 of the Bankruptcy Code would result in substantial diminution in the value to be realized by Holders of Claims or Interests as compared to distributions contemplated under the Plan. Consequently, the Debtors and their management believe that Confirmation of the Plan will provide a substantially greater return to Holders of Claims or Interests than would a liquidation under chapter 7 of the Bankruptcy Code.

If the Plan is not confirmed, and the Debtors fail to propose and confirm an alternative plan of reorganization, the Debtors’ business may be liquidated pursuant to the provisions of a chapter 11 liquidating plan. In liquidations under chapter 11, the Debtors’ assets could be sold in an orderly fashion over a more extended period of time than in a liquidation under chapter 7. Thus, a chapter 11 liquidation may result in larger recoveries than a chapter 7 liquidation, but the delay in distributions could result in lower present values received and higher administrative costs. Any distribution to holders of Claims or Interests (to the extent Holders of Interests would receive distributions at all) under a chapter 11 liquidation plan would most likely be substantially delayed. Most importantly, the Debtors believe that any distributions to creditors in a chapter 11 liquidation scenario would fail to capture the significant going concern value of their business, which is reflected in the New Equity to be distributed under the Plan. Accordingly, the Debtors believe that a chapter 11 liquidation would not result in distributions as favorable as those under the Plan.

**C. Feasibility.**

Section 1129(a)(11) of the Bankruptcy Code requires that confirmation of a plan of reorganization is not likely to be followed by the liquidation, or the need for further financial reorganization of the debtor, or any successor to the debtor (unless such liquidation or further reorganization is proposed in such plan of reorganization).

To determine whether the Plan meets this feasibility requirement, the Debtors, with the assistance of their advisors, have analyzed their ability to meet their respective obligations under the Plan. As part of this analysis, the Debtors have prepared the Financial Projections attached hereto as Exhibit D and incorporated herein by reference. Creditors and other interested parties should review Article VIII of this Disclosure Statement, entitled “Risk Factors,” for a discussion of certain factors that may affect the future financial performance of the Reorganized Debtors.

Based upon the Financial Projections, the Debtors believe that they will be a viable operation following the Chapter 11 Cases and that the Plan will meet the feasibility requirements of the Bankruptcy Code.

**D. Acceptance by Impaired Classes.**

The Bankruptcy Code requires, as a condition to confirmation, except as described in the following section, that each class of claims or interests impaired under a plan, accept the plan. A class that is not “impaired” under a plan is deemed to have accepted the plan and, therefore, solicitation of acceptances with respect to such a class is not required.<sup>16</sup>

Section 1126(c) of the Bankruptcy Code defines acceptance of a plan by a class of impaired claims as acceptance by holders of at least two-thirds in dollar amount and more than one-half in number of allowed claims in that class, counting only those claims that have *actually* voted to accept or to reject the plan. Thus, a class of Claims will have voted to accept the Plan only if two-thirds in amount and a majority in number of the Allowed Claims in such Class that actually vote on the Plan cast their ballots in favor of acceptance.

Section 1126(d) of the Bankruptcy Code defines acceptance of a plan by a class of impaired interests as acceptance by holders of at least two-thirds in amount of allowed interests in that class, counting only those interests that have *actually* voted to accept or to reject the plan. Thus, a Class of Interests will have voted to accept the Plan only if two-thirds in amount of the Allowed Interests in such class that actually vote on the Plan cast their Ballots in favor of acceptance.

Pursuant to Article III.E of the Plan, if a Class contains Claims or Interests that are eligible to vote and no Holders of Claims or Interests eligible to vote in such Class vote to accept or reject the Plan, the Holders of such Claims or Interests in such Class shall be deemed to have accepted the Plan.

**E. Confirmation Without Acceptance by All Impaired Classes.**

Section 1129(b) of the Bankruptcy Code allows a bankruptcy court to confirm a plan even if all impaired classes have not accepted it; *provided* that the plan has been accepted by at least one impaired class. Pursuant to section 1129(b) of the Bankruptcy Code, notwithstanding an impaired class’s rejection or deemed rejection of the plan, the plan will be confirmed, at the plan proponent’s request, in a procedure commonly known as a “cramdown” so long as the plan does not “discriminate unfairly” and is “fair and equitable” with respect to each class of claims or interests that is impaired under, and has not accepted, the plan.

If any Impaired Class rejects the Plan, the Debtors reserve the right to seek to confirm the Plan utilizing the “cramdown” provision of section 1129(b) of the Bankruptcy Code. To the extent that any Impaired Class rejects the Plan or is deemed to have rejected the Plan, the Debtors may request Confirmation of the Plan, as it may be modified from time to time, under section 1129(b) of the Bankruptcy Code. The Debtors reserve the right to alter, amend, modify, revoke, or withdraw the Plan or any Plan Supplement document, including the right to amend or modify the Plan or any Plan Supplement document to satisfy the requirements of section 1129(b) of the Bankruptcy Code.

---

<sup>16</sup> A class of claims is “impaired” within the meaning of section 1124 of the Bankruptcy Code unless the plan (a) leaves unaltered the legal, equitable, and contractual rights to which the claim or equity interest entitles the holder of such claim or equity interest or (b) cures any default, reinstates the original terms of such obligation, compensates the holder for certain damages or losses, as applicable, and does not otherwise alter the legal, equitable, or contractual rights to which such claim or equity interest entitles the holder of such claim or equity interest.

## **1. No Unfair Discrimination.**

The “unfair discrimination” test applies to classes of claims or interests that are of equal priority and are receiving different treatment under a plan. The test does not require that the treatment be the same or equivalent, but that treatment be “fair.” In general, bankruptcy courts consider whether a plan discriminates unfairly in its treatment of classes of claims or interests of equal rank (e.g., classes of the same legal character). Bankruptcy courts will take into account a number of factors in determining whether a plan discriminates unfairly. A plan could treat two classes of unsecured creditors differently without unfairly discriminating against either class.

## **2. Fair and Equitable Test.**

The “fair and equitable” test applies to classes of different priority and status (e.g., secured versus unsecured) and includes the general requirement that no class of claims receive more than 100 percent of the amount of the allowed claims in the class. As to a dissenting class, the test sets different standards depending upon the type of claims or interests in the class. The Debtors believe that the Plan satisfies the “fair and equitable” requirement, notwithstanding the fact that certain Classes are deemed to reject the Plan. There is no Class receiving more than a 100 percent recovery and no junior Class is receiving a Distribution under the Plan until all senior Classes have received a 100 percent recovery or agreed to receive a different treatment under the Plan.

### **a. Unsecured Claims.**

The condition that a plan be “fair and equitable” to a non-accepting class of unsecured claims includes the requirement that either: (i) the plan provides that each holder of a claim of such class receive or retain on account of such claim property of a value, as of the effective date, equal to the amount of such claim; or (ii) the holder of any claim or any interest that is junior to the claims of such class will not receive or retain any property under the plan on account of such junior claim or junior interest, subject to certain exceptions.

### **b. Interests.**

The condition that a plan be “fair and equitable” to a non-accepting class of interests, includes the requirements that either: (i) the plan provides that each holder of an interest in that class receives or retains under the plan on account of that interest property of a value, as of the effective date, equal to the greater of: (A) the allowed amount of any fixed liquidation preference to which such holder is entitled, (B) any fixed redemption price to which such holder is entitled, or (C) the value of such interest; or (ii) the holder of any interest that is junior to the interests of such class will not receive or retain any property under the plan on account of such junior interest.

## **F. Valuation of the Reorganized Debtors.**

The Plan provides for the distribution of the New Equity to certain Holders of Claims upon Consummation of the Restructuring Transactions contemplated by the Plan. Accordingly, Evercore Inc. (“Evercore”), the Company’s investment banker, performed an analysis of the estimated implied equity value of the Debtors as of an assumed Effective Date (the “Valuation Analysis”) at the Debtors’ request. Based on the Valuation Analysis, which is attached hereto as Exhibit E, the total enterprise value of the Reorganized Debtors is estimated to be between approximately \$1,041 million and \$1,430 million.

The Valuation Analysis, including the procedures followed, assumptions made, qualifications, and limitations on review undertaken, should be read in conjunction with Article VIII of this Disclosure

Statement entitled “Risk Factors” and the Financial Projections attached hereto as **Exhibit D**. Evercore makes no representations as to changes to such data and information that may have occurred since the date of the Valuation Analysis.

## **XI. CERTAIN SECURITIES LAW MATTERS.**

### **A. New Equity.**

As discussed herein, the Plan provides for the offer, issuance, sale, and distribution of New Equity to certain Holders of Claims against the Debtors. The Debtors believe that the class of New Equity will be “securities,” as defined in section 2(a)(1) of the Securities Act, section 101 of the Bankruptcy Code and any applicable Blue-Sky Law. Any New Equity issued under the Plan will be issued (i) to the fullest extent permitted and applicable, without registration under the Securities Act or similar federal, state, or local laws in reliance on the exemption set forth in section 1145 of the Bankruptcy Code or (ii) to the extent section 1145 of the Bankruptcy Code is not permitted or applicable, pursuant to other exemptions under the Securities Act.

The following discussion of the issuance and transferability of the New Equity relates solely to matters arising under U.S. federal and state securities laws. The rights of holders of New Equity, including the right to transfer New Equity, will also be subject to any restrictions in the New Organizational Documents to the extent applicable. Recipients of the New Equity are advised to consult with their own legal advisors as to the availability of any exemption from registration under the Securities Act and any applicable Blue-Sky Laws.

### **B. Exemption from Registration Requirements; Issuance of New Equity Under the Plan.**

The Debtors believe that the issuance of the New Equity (other than the New Equity issued under the Management Incentive Plan) will be exempt from federal registration requirements under section 1145 of the Bankruptcy Code, except in certain limited circumstances as explained in more detail in this Disclosure Statement and/or the Plan. For the avoidance of doubt, any securities that may not be issued to persons pursuant to section 1145 of the Bankruptcy Code are expected to be issued in reliance upon the exemption from registration set forth in section 4(a)(2) of the Securities Act, Regulation D or Rule 701 promulgated thereunder, Regulation S under the Securities Act, and/or other available exemptions from registration.

Section 1145 of the Bankruptcy Code provides, among other things, that Section 5 of the Securities Act and any other applicable U.S. state or local law requirements for the registration of issuance of a security do not apply to the offering, issuance, distribution, or sale of stock, options, warrants or other securities by a debtor if (1) the offer or sale occurs under a plan of reorganization of the debtor, (2) the recipients of the securities hold a claim against, an interest in, or claim for administrative expense against, the debtor or an affiliate thereof participating in the plan of reorganization, and (3) the securities are (i) issued in exchange for a claim against, interest in, or claim for an administrative expense against a debtor or an affiliate thereof participating in the plan of reorganization, or (ii) issued principally in such exchange and partly for cash or property. The Debtors believe that all shares of New Equity (other than the New Equity issued under the Management Incentive Plan) issued after the Petition Date in exchange for the Claims described above satisfy the requirements of section 1145(a) of the Bankruptcy Code.

The New Equity offered prior to the Petition Date and the New Equity issued under the Management Incentive Plan will be offered, issued, and distributed in reliance upon section 4(a)(2) of the Securities Act, Regulation D or Rule 701 promulgated thereunder, Regulation S under the Securities Act, and/or other available exemptions from registration, will be considered “restricted securities,” and may not

be transferred except pursuant to an effective registration statement under the Securities Act or an available exemption therefrom.

Accordingly, no registration statement will be filed under the Securities Act or any state securities laws with respect to the initial offer, issuance, and distribution of any New Equity. Recipients of the New Equity are advised to consult with their own legal advisors as to the availability of any exemption from registration under the Securities Act and any applicable Blue-Sky Laws. As discussed below, the exemptions provided for in section 1145(a) of the Bankruptcy Code do not apply to an entity that is deemed an “underwriter” as such term is defined in section 1145(b) of the Bankruptcy Code.

**C. Resales of New Equity; Definition of “Underwriter” Under Section 1145(b) of the Bankruptcy Code.**

**1. Resales of New Equity Issued Pursuant to Section 1145 of the Bankruptcy Code.**

The New Equity (other than the New Equity offered prior to the Petition Date or issued under the Management Incentive Plan) to the extent offered, issued, and distributed pursuant to section 1145 of the Bankruptcy Code, (i) will not be “restricted securities” as defined in Rule 144(a)(3) under the Securities Act, and (ii) will be transferable without registration under the Securities Act in the United States by the recipients thereof that are not, and have not been within ninety (90) days of such transfer, an “affiliate” of the Debtors as defined in Rule 144(a)(1) under the Securities Act, subject to the provisions of section 1145(b)(1) of the Bankruptcy Code relating to the definition of an “underwriter” in section 1145(b) of the Bankruptcy Code, and compliance with applicable securities laws and any rules and regulations of the SEC or state or local securities laws, if any, applicable at the time of any future transfer of such securities or instruments.

Section 1145(b)(1) of the Bankruptcy Code defines an “underwriter” as one who, except with respect to “ordinary trading transactions” of an entity that is not an “issuer”: (1) purchases a claim against, interest in, or claim for an administrative expense in the case concerning the debtor, if such purchase is with a view to distribution of any security received or to be received in exchange for such claim or interest; (2) offers to sell securities offered or sold under a plan for the holders of such securities; (3) offers to buy securities offered or sold under a plan from the holders of such securities, if such offer to buy is (a) with a view to distribution of such securities and (b) under an agreement made in connection with the plan, with the consummation of the plan, or with the offer or sale of securities under the plan; or (4) is an issuer of the securities within the meaning of section 2(a)(11) of the Securities Act. In addition, a Person who receives a fee in exchange for purchasing an issuer’s securities could also be considered an underwriter within the meaning of section 2(a)(11) of the Securities Act.

The definition of an “issuer” for purposes of whether a Person is an underwriter under section 1145(b)(1)(D) of the Bankruptcy Code, by reference to section 2(a)(11) of the Securities Act, includes as “statutory underwriters” all “affiliates,” which are all Persons who, directly or indirectly, through one or more intermediaries, control, are controlled by, or are under common control with, an issuer of securities. The reference to “issuer,” as used in the definition of “underwriter” contained in section 2(a)(11) of the Securities Act, is intended to cover “Controlling Persons” of the issuer of the securities. “Control,” as defined in Rule 405 of the Securities Act, means the possession, directly or indirectly, of the power to direct or cause the direction of the management and policies of a Person, whether through the ownership of voting securities, by contract, or otherwise. Accordingly, an officer or director of a reorganized debtor or its successor under a plan of reorganization may be deemed to be a “Controlling Person” of the debtor or successor, particularly if the management position or directorship is coupled with ownership of a significant percentage of the reorganized debtor’s or its successor’s voting securities. In

addition, the legislative history of section 1145 of the Bankruptcy Code suggests that a creditor who owns 10 percent or more of a class of voting securities of a reorganized debtor may be presumed to be a “Controlling Person” and, therefore, an underwriter.

Resales of the New Equity pursuant to the Plan by entities deemed to be “underwriters” (which definition includes “Controlling Persons”) are not exempted by section 1145 of the Bankruptcy Code from registration under the Securities Act or other applicable law. Under certain circumstances, holders of such New Equity who are deemed to be “underwriters” may be entitled to resell their New Equity pursuant to the limited safe harbor resale provisions of Rule 144 of the Securities Act. Generally, Rule 144 of the Securities Act would permit the public sale of “control” securities received by such Person if the requirements for sales of such control securities under Rule 144 have been met, including that current information regarding the issuer is publicly available and volume limitations, manner of sale requirements, and certain other conditions are met. Whether any particular Person would be deemed to be an “underwriter” (including whether the Person is a “Controlling Person”) with respect to the New Equity would depend upon various facts and circumstances applicable to that Person. Accordingly, the Debtors express no view as to whether any Person would be deemed an “underwriter” with respect to such New Equity and, in turn, whether any Person may freely trade such New Equity under the federal securities laws. The Debtors do not intend to make publicly available the requisite information regarding the Debtors, and, as a result, Rule 144 will not be available for resales of such New Equity by Persons deemed to be underwriters or otherwise.

**IN VIEW OF THE COMPLEX, SUBJECTIVE NATURE OF THE QUESTION OF WHETHER A RECIPIENT OF SECURITIES MAY BE AN UNDERWRITER OR AN AFFILIATE OF THE REORGANIZED DEBTORS AND THE HIGHLY FACT SPECIFIC NATURE OF THE AVAILABILITY OF EXEMPTIONS FROM REGISTRATION UNDER THE SECURITIES ACT, INCLUDING THE EXEMPTIONS AVAILABLE UNDER SECTION 1145 OF THE BANKRUPTCY CODE AND RULE 144 UNDER THE SECURITIES ACT, NONE OF THE DEBTORS OR THE REORGANIZED DEBTORS MAKE ANY REPRESENTATIONS CONCERNING THE ABILITY OF ANY PERSON TO TRADE IN SECURITIES TO BE DISTRIBUTED PURSUANT TO THE PLAN. ACCORDINGLY, POTENTIAL RECIPIENTS OF NEW EQUITY ARE URGED TO CONSULT THEIR OWN COUNSEL CONCERNING WHETHER THEY MAY FREELY TRADE SUCH SECURITIES.**

**2. Resales of New Equity Issued Pursuant to Section 4(a)(2) of the Securities Act, Regulation D or Rule 701 promulgated thereunder, and/or Regulation S under the Securities Act.**

To the extent the exemption set forth in section 1145(a) of the Bankruptcy Code is unavailable (including with respect to New Equity offered prior to the Petition Date or issued under the Management Incentive Plan), New Equity will be offered, issued, and distributed in reliance upon section 4(a)(2) of the Securities Act, Regulation D or Rule 701 promulgated thereunder, Regulation S under the Securities Act, and/or other available exemptions from registration, will be considered “restricted securities,” and may not be transferred except pursuant to an effective registration statement under the Securities Act or an available exemption therefrom and pursuant to applicable state securities laws.

Generally, Rule 144 of the Securities Act provides a limited safe harbor for the public resale of restricted securities if certain conditions are met. These conditions vary depending on whether the issuer is a reporting issuer and whether the holder of the restricted securities is an “affiliate” of the issuer. Rule 144 defines an affiliate as “a person that directly, or indirectly through one or more intermediaries, controls, or is controlled by, or is under common control with, such issuer.” A non-affiliate who has not been an affiliate of the issuer during the preceding three months may resell restricted securities of an issuer

that does not file reports with the SEC pursuant to Rule 144 after a one-year holding period. An affiliate may resell restricted securities of an issuer that does not file reports with the SEC under Rule 144 after such holding period, as well as other securities without a holding period, but only if certain current public information regarding the issuer is available at the time of the sale and only if the affiliate also complies with the volume, manner of sale, and notice requirements of Rule 144. The Debtors do not intend to make publicly available the requisite information regarding the Debtors, and, as a result, even after the holding period, Rule 144 may not be available for resales of such New Equity by affiliates of the Debtors. Restricted securities (as well as other securities held by affiliates) may be resold without holding periods under other exemptions from registration, including Rule 144A under the Securities Act and Regulation S under the Securities Act, but only in compliance with the conditions of such exemptions from registration.

In addition, in connection with resales of any New Equity offered, issued and distributed pursuant to Regulation S under the Securities Act: (i) the offer or sale, if made prior to the expiration of the one-year distribution compliance period (six months for a reporting issuer), may not be made to a U.S. person or for the account or benefit of a U.S. person (other than a distributor); and (ii) the offer or sale, if made prior to the expiration of the applicable one-year or six-month distribution compliance period, is made pursuant to the following conditions: (A) the purchaser (other than a distributor) certifies that it is not a U.S. person and is not acquiring the securities for the account or benefit of any U.S. person or is a U.S. person who purchased securities in a transaction that did not require registration under the Securities Act; and (B) the purchaser agrees to resell such securities only in accordance with the provisions of Regulation S, pursuant to registration under the Securities Act, or pursuant to an available exemption from registration; and agrees not to engage in hedging transactions with regard to such securities unless in compliance with the Securities Act.

All New Equity issued in reliance upon section 4(a)(2) of the Securities Act, Regulation D or Rule 701 promulgated thereunder, Regulation S under the Securities Act, and/or other available exemptions from registration, will bear a restrictive legend. Each certificate or book-entry interest representing, or issued in exchange for or upon the transfer, sale or assignment of, any New Equity issued in reliance upon section 4(a)(2) of the Securities Act, Regulation D or Rule 701 promulgated thereunder, Regulation S under the Securities Act, and/or other available exemptions from registration, shall be stamped or otherwise imprinted with a legend in substantially the following form:

**“THE SECURITIES REPRESENTED BY THIS CERTIFICATE WERE ORIGINALLY ISSUED ON [DATE OF ISSUANCE], HAVE NOT BEEN REGISTERED UNDER THE UNITED STATES SECURITIES ACT OF 1933, AS AMENDED (THE “ACT”), OR ANY OTHER APPLICABLE STATE SECURITIES LAWS, AND MAY NOT BE SOLD OR TRANSFERRED IN THE ABSENCE OF AN EFFECTIVE REGISTRATION STATEMENT UNDER THE ACT OR AN AVAILABLE EXEMPTION FROM REGISTRATION.”**

The Reorganized Debtors will reserve the right to require certification, legal opinions, or other evidence of compliance with Rule 144 as a condition to the removal of such legend or to any resale of the New Equity issued in reliance upon section 4(a)(2) of the Securities Act, Regulation D or Rule 701 promulgated thereunder, Regulation S under the Securities Act, and/or other available exemptions from registration. The Reorganized Debtors will also reserve the right to stop the transfer of any such New Equity if such transfer (x) is not effected in compliance with Rule 144 or in compliance with another applicable exemption from registration (including section 1145 of the Bankruptcy Code) or (y) would otherwise make the Debtors subject to the periodic reporting requirements under the Exchange Act.

Notwithstanding anything to the contrary in this Disclosure Statement, no Entity shall be entitled to require a legal opinion regarding the validity of any transaction contemplated by the Plan or this

Disclosure Statement, including, for the avoidance of doubt, whether the New Equity is exempt from the registration requirements of section 5 of the Securities Act.

In addition to the foregoing restrictions, the New Equity will also be subject to any applicable transfer restrictions contained in the New Organizational Documents.

**PERSONS WHO RECEIVE SECURITIES UNDER THE PLAN ARE URGED TO CONSULT THEIR OWN LEGAL ADVISOR WITH RESPECT TO THE RESTRICTIONS APPLICABLE UNDER THE FEDERAL OR STATE SECURITIES LAWS AND THE CIRCUMSTANCES UNDER WHICH SECURITIES MAY BE SOLD IN RELIANCE ON SUCH LAWS. THE FOREGOING SUMMARY DISCUSSION IS GENERAL IN NATURE AND HAS BEEN INCLUDED IN THIS DISCLOSURE STATEMENT SOLELY FOR INFORMATIONAL PURPOSES. THE DEBTORS MAKE NO REPRESENTATIONS CONCERNING, AND DO NOT PROVIDE, ANY OPINIONS OR ADVICE WITH RESPECT TO THE SECURITIES OR THE BANKRUPTCY MATTERS DESCRIBED IN THIS DISCLOSURE STATEMENT. IN LIGHT OF THE UNCERTAINTY CONCERNING THE AVAILABILITY OF EXEMPTIONS FROM THE RELEVANT PROVISIONS OF FEDERAL AND STATE SECURITIES LAWS, WE ENCOURAGE EACH RECIPIENT OF SECURITIES AND PARTY IN INTEREST TO CONSIDER CAREFULLY AND CONSULT WITH ITS OWN LEGAL ADVISORS WITH RESPECT TO ALL SUCH MATTERS. BECAUSE OF THE COMPLEX, SUBJECTIVE NATURE OF THE QUESTION OF WHETHER A SECURITY IS EXEMPT FROM THE REGISTRATION REQUIREMENTS UNDER THE FEDERAL OR STATE SECURITIES LAWS OR WHETHER A PARTICULAR RECIPIENT OF NEW EQUITY MAY BE AN UNDERWRITER, WE MAKE NO REPRESENTATION CONCERNING THE ABILITY OF A PERSON TO DISPOSE OF THE SECURITIES ISSUED UNDER THE PLAN.**

## **XII. CERTAIN UNITED STATES FEDERAL INCOME TAX CONSEQUENCES OF THE PLAN.**

### **A. Introduction.**

The following discussion is a summary of certain U.S. federal income tax consequences of the Consummation of the Plan to the Debtors, the Reorganized Debtors, and to certain Holders (which, solely for purposes of this discussion, means the beneficial owners for U.S. federal income tax purposes) of Claims in the Voting Classes. This summary is based on the IRC, the U.S. Treasury Regulations promulgated thereunder (the “Treasury Regulations”), judicial decisions and authorities, published administrative rules, positions and pronouncements of the U.S. Internal Revenue Service (the “IRS”), and other applicable authorities (collectively, “Applicable Tax Law”), all as in effect on the date of this Disclosure Statement and all of which are subject to change or differing interpretations, possibly with retroactive effect. Due to the lack of definitive judicial and administrative authority in a number of areas, substantial uncertainty may exist with respect to some of the tax consequences described below. No opinion of counsel has been obtained, and the Debtors do not intend to seek a ruling or determination from the IRS as to any of the tax consequences of the Plan discussed below. The discussion below is not binding upon the IRS or the courts. No assurance can be given that the IRS would not assert, or that a court would not sustain, a different position than any position discussed herein.

This discussion does not purport to address all aspects of U.S. federal income taxation that may be relevant to the Debtors, the Reorganized Debtors, or certain Holders of Claims in light of their individual circumstances. This discussion does not address tax issues with respect to Holders of Claims subject to special treatment under the U.S. federal income tax laws (including, for example, banks, brokers, mutual funds, governmental authorities or agencies, pass-through entities (including subchapter S corporations),

beneficial owners of pass-through entities, dealers and traders in securities, insurance companies, financial institutions, tax-exempt organizations, controlled foreign corporations, passive foreign investment companies, small business investment companies, Persons who are related to the Debtors within the meaning of the IRC, Persons liable for alternative minimum tax, U.S. Holders whose functional currency is not the U.S. dollar, U.S. Holders who prepare “applicable financial statements” (as defined in section 451 of the IRC), Persons using a mark-to-market method of accounting, Holders of Claims who are themselves in bankruptcy, regulated investment companies, and those holding, or who will hold, any property described herein as part of a hedge, straddle, conversion, or other integrated transaction). This summary does not address any aspect of state, local, estate, gift, or non-U.S. taxation or U.S. federal non-income tax considerations (including estate or gift tax or the Medicare tax imposed on certain net investment income). This summary assumes that a Holder of a Claim holds only Claims in a single Class and holds such Claims as “capital assets” within the meaning of section 1221 of the IRC (generally, property held for investment). This summary also assumes that the various debt and other arrangements to which the Debtors and the Reorganized Debtors are or will be a party will be respected for U.S. federal income tax purposes in accordance with their form, that none of the Allowed Claims is treated as a “short-term” debt instrument or a “contingent payment debt instrument” for U.S. federal income tax purposes, that the Claims constitute Interests in the Debtors “solely as a creditor” for purposes of section 897 of the IRC, and that the New Equity will be treated as stock of a corporation for U.S. federal income tax purposes. This summary does not discuss differences in tax consequences to Holders of Claims that act or receive consideration in a capacity other than any other Holder of a Claim of the same Class or Classes, and the tax consequences for such Holders may differ materially from those described below. This summary does not address the U.S. federal income tax consequences to Holders of Allowed Claims (i) that hold 10 percent or more of the equity of the Debtors or that will hold 10 percent or more of the equity of the Reorganized Debtors after receiving the distributions contemplated by the Plan or (ii) (A) whose Claims are Unimpaired or otherwise entitled to payment in full in Cash under the Plan, (B) that are deemed to reject the Plan, or (C) that are otherwise not entitled to vote to accept or reject the Plan. This summary also does not address the U.S. federal income tax consequences to Holders that are not Holders of Class 4 or Class 5 Claims.

For purposes of this discussion, a “U.S. Holder” is a Holder of a Claim in the Voting Classes that for U.S. federal income tax purposes is: (i) an individual who is a citizen or resident of the United States; (ii) a corporation created or organized under the laws of the United States, any state thereof or the District of Columbia; (iii) an estate the income of which is subject to U.S. federal income taxation regardless of the source of such income; or (iv) a trust (A) if a court within the United States is able to exercise primary jurisdiction over the trust’s administration and one or more “United States persons” (within the meaning of section 7701(a)(30) of the IRC) has authority to control all substantial decisions of the trust or (B) that has a valid election in effect under applicable Treasury Regulations to be treated as a “United States person” (within the meaning of section 7701(a)(30) of the IRC). For purposes of this discussion, a “Non-U.S. Holder” is any Holder of a Claim that is not a U.S. Holder other than any partnership (or other entity treated as a partnership or other pass-through entity for U.S. federal income tax purposes).

If a partnership (or other entity treated as a partnership or other pass-through entity for U.S. federal income tax purposes) is a Holder of a Claim, the tax treatment of a partner (or other beneficial owner) generally will depend upon the status of the partner (or such beneficial owner) and the activities of the partner (or such beneficial owner) and the partnership (or other pass-through entity). Partners (or other beneficial owners) of partnerships (or other pass-through entities) that are Holders of Claims are urged to consult their respective tax advisors regarding the U.S. federal income tax consequences of the Plan.

**CIRCUMSTANCES PERTAINING TO A HOLDER OF A CLAIM. ALL HOLDERS OF CLAIMS ARE URGED TO CONSULT THEIR OWN TAX ADVISORS FOR THE U.S. FEDERAL, STATE, LOCAL, AND NON-U.S. INCOME, ESTATE, AND OTHER TAX CONSEQUENCES OF THE PLAN.**

**B. Certain U.S. Federal Income Tax Consequences of the Plan to the Debtors and Reorganized Debtors.**

**1. Characterization of the Restructuring Transactions.**

The transactions undertaken pursuant to the Plan are expected to be treated as a recapitalization of the existing Debtors (the “Recapitalization Transaction”). As a result, it is not expected that the Debtors will currently recognize gain or loss as a result of the Restructuring Transactions other than as a result of cancellation of indebtedness income (“COD Income”). The Debtors will be subject to the rules discussed below with respect to COD Income and the limitations on net operating losses (“NOLs”), deferred deductions under section 163(j) of the IRC (“163(j) Deductions”), and other tax attributes.

**2. Cancellation of Debt and Reduction of Tax Attributes.**

As a result of the Restructuring Transactions, the Debtors are expected to recognize COD Income. In such case, the U.S. tax attributes of the Debtors may, depending on certain factors, be reduced by the amount of such COD Income excluded from U.S. federal taxable income under section 108 of the IRC.

In general, absent an exception, a taxpayer will realize and recognize COD Income upon satisfaction of its outstanding indebtedness for total consideration less than the amount of such indebtedness. The amount of COD Income, in general, is the excess of (i) the adjusted issue price of the indebtedness satisfied over (ii) the sum of (A) the amount of any Cash, (B) the issue price of any new indebtedness issued by the debtor, and (C) the fair market value of the New Equity and any other consideration, in each case, given in satisfaction of such indebtedness at the time of the exchange. Unless an exception or exclusion applies, COD Income constitutes U.S. federal taxable income like any other item of taxable income.

Under section 108 of the IRC, however, a taxpayer will not be required to include any amount of COD Income in gross income if the taxpayer is under the jurisdiction of a court in a case under chapter 11 of the Bankruptcy Code and the discharge of debt occurs pursuant to that proceeding. Instead, as a consequence of such exclusion, a taxpayer-debtor must reduce its tax attributes by the amount of COD Income that it excluded from gross income pursuant to section 108 of the IRC. Such reduction in tax attributes occurs only after the taxable income (or loss) for the year in which the debt exchange occurs has been determined. In general, tax attributes will be reduced in the following order: (i) NOLs and NOL carryforwards; (ii) general business credit carryovers; (iii) minimum tax credit carryovers; (iv) capital loss carryovers; (v) tax basis in assets (but not below Asset Tax Basis Floor (as defined below)); (vi) passive activity loss and credit carryovers; and (vii) foreign tax credits carryovers. 163(j) Deductions are not subject to reduction under these rules. Alternatively, a debtor with COD Income may elect first to reduce the basis of its depreciable assets pursuant to section 108(b)(5) of the IRC (which can include a reduction in the basis of a partnership interest, but only if the “inside” basis of assets in the partnership are also reduced), though it has not been determined whether the Debtors will make this election. Any excess COD Income over the amount of available tax attributes will generally not give rise to U.S. federal income tax and will generally have no other U.S. federal income tax impact. Where a taxpayer-debtor joins in the filing of a consolidated U.S. federal income tax return, applicable Treasury Regulations require, in certain circumstances, that certain tax attributes of other members of the group also be reduced.

The aggregate tax basis of the Debtors in their assets is not required to be reduced below the amount of indebtedness (determined on an entity-by-entity basis) that the relevant entity will be subject to immediately after the cancellation of debt giving rise to COD Income (the “Asset Tax Basis Floor”). Generally, all of an entity’s obligations that are treated as debt under general U.S. federal income tax principles (including intercompany debt treated as debt for U.S. federal income tax purposes) are taken into account in determining an entity’s Asset Tax Basis Floor.

The exact amount of any COD Income (if any) that will be realized by the Debtors will not be determinable until the Consummation of the Plan because the amount of COD Income will depend, in part, on the fair market value of the New Equity, the issue price of the Exit Second-Out Term Loans and any other consideration given in satisfaction of any Allowed Claims, none of which can be determined until after the Consummation of the Plan. Accordingly, the Debtors are currently unable to determine the precise effect that the COD Income exclusion rules will have on the Debtors and their U.S. federal income tax attributes.

### **3. Limitation on 163(j) Deductions and Other Tax Attributes.**

After giving effect to the reduction in tax attributes pursuant to excluded COD Income described above, the Reorganized Debtors’ ability to use any remaining tax attributes post-emergence will be subject to certain limitations under sections 382 and 383 of the IRC.

#### **a. General Section 382 and 383 Annual Limitation.**

Under sections 382 and 383 of the IRC, if a corporation undergoes an “ownership change,” the amount of any remaining NOL carryforwards, tax credit carryforwards, net unrealized built-in losses (“NUBILs”), 163(j) Deductions, and possibly certain other attributes (potentially including losses and deductions that have accrued economically but are unrecognized as of the date of the ownership change and cost recovery deductions) of the Debtors allocable to periods prior to the Effective Date (collectively, “Pre-Change Losses”) that may be utilized to offset future taxable income generally are subject to an annual limitation. For this purpose, if a corporation (or consolidated group) has a NUBIL at the time of an ownership change (taking into account most assets and items of “built-in” income and deductions), then generally built-in losses (including amortization or depreciation deductions attributable to such built-in losses) recognized during the following five years (up to the amount of the original NUBIL) will be treated as Pre-Change Losses and similarly will be subject to the annual limitation. In general, a corporation’s (or consolidated group’s) net unrealized built-in loss will be deemed to be zero unless it is greater than the lesser of (i) \$10,000,000 or (ii) 15 percent of the fair market value of its assets (with certain adjustments) before the ownership change.

The rules of section 382 of the IRC are complicated, but as a general matter, the Debtors anticipate that the issuance of New Equity pursuant to a Restructuring Transaction will result in an “ownership change” of the Debtors for these purposes, and that the Reorganized Debtors’ use of the Pre-Change Losses will be subject to limitation unless an exception to the general rules of section 382 of the IRC (described below) applies.

#### **b. General Section 382 Annual Limitation.**

In general, the amount of the annual limitation to which a corporation that undergoes an “ownership change” would be subject (the “382 Limitation”) is equal to the product of (i) the fair market value of the stock of the corporation immediately before the “ownership change” (with certain adjustments), and (ii) the “long-term tax-exempt rate” (which is the highest of the adjusted federal long-term rates in effect for any month in the three-calendar-month period ending with the calendar month in which the ownership change

occurs, currently 3.51 percent for changes that occur in January 2026). The 382 Limitation may be increased to the extent that the Reorganized Debtors recognize certain built-in gains in their assets during the five-year period following the ownership change (the “Recognition Period”) or are treated as recognizing built-in gains pursuant to the safe harbors provided in IRS Notice 2003-65. If a loss corporation has a NUBIL immediately prior to the ownership change, certain losses recognized during the Recognition Period also would be subject to the annual limitation and thus may reduce the amount of post-change losses and deductions that could be used by the loss corporation during the Recognition Period. Section 383 of the IRC applies a similar limitation to capital loss carryforwards and tax credits. Any unused limitation may be carried forward, thereby increasing the annual limitation in the subsequent taxable year.

Notwithstanding the rules described above, unless the special 382(l)(5) Exception (described below) applies, if the corporation or consolidated group does not continue its historic business or use a significant portion of its historic assets in a new business for at least two years after the ownership change, the annual limitation resulting from the ownership change is reduced to zero, thereby precluding any utilization of the corporation’s Pre-Change Losses (other than any increases due to recognized built-in gains). As discussed below, however, special rules may apply in the case of a corporation that experiences an ownership change as the result of a bankruptcy proceeding.

#### **c. Special Bankruptcy Exceptions.**

Special rules may apply in the case of a corporation that experiences an “ownership change” as a result of a bankruptcy proceeding. An exception to the foregoing annual limitation rules generally applies when so-called “qualified creditors” of a debtor corporation in chapter 11 receive, in respect of their claims, at least 50 percent of the vote and value of the stock of the debtor corporation (or a controlling corporation if also in chapter 11) as reorganized pursuant to a confirmed chapter 11 plan (the “382(l)(5) Exception”). If the requirements of the 382(l)(5) Exception are satisfied, a debtor’s Pre-Change Losses would not be limited on an annual basis, but, instead, Pre-Change Losses would be reduced by the amount of any interest deductions claimed by the debtor during the three taxable years preceding the effective date of the plan of reorganization and during the part of the taxable year prior to and including the effective date of the plan of reorganization in respect of all debt converted into stock pursuant to the reorganization. If the 382(l)(5) Exception applies and the Reorganized Debtors undergo another “ownership change” within two years after the Effective Date, then the Reorganized Debtors’ Pre-Change Losses thereafter would be effectively eliminated in their entirety. If the Reorganized Debtors were to undergo another “ownership change” after the expiration of this two-year period, the resulting 382 Limitation would be determined under the regular rules for ownership changes under sections 382 and 383 of the IRC.

Where the 382(l)(5) Exception is not applicable to a corporation in bankruptcy (either because the debtor corporation does not qualify for it or the debtor corporation otherwise elects not to utilize the 382(l)(5) Exception), another exception will generally apply (the “382(l)(6) Exception”). Under the 382(l)(6) Exception, the 382 Limitation will be calculated by reference to the lesser of (i) the value of the debtor corporation’s new stock (with certain adjustments) immediately after the ownership change or (ii) the value of such debtor corporation’s assets (determined without regard to liabilities) immediately before the ownership change. This differs from the ordinary rule that requires the fair market value of a debtor corporation that undergoes an “ownership change” to be determined before the events giving rise to the ownership change. The 382(l)(6) Exception also differs from the 382(l)(5) Exception in that, under it, a debtor corporation is not required to reduce its Pre-Change Losses by the amount of interest deductions claimed within the prior three-year period, and a debtor corporation may undergo a change of ownership within two years without automatically triggering the elimination of its Pre-Change Losses. Rather, the resulting limitation would be determined under the regular rules for ownership changes under sections 382 and 383 of the IRC.

The Debtors have not determined whether the 382(l)(5) Exception will be available or, if it is available, whether the Reorganized Debtors will elect out of its application so that the 382(l)(6) Exception applies. Whether the Reorganized Debtors take advantage of the 382(l)(6) Exception or the 382(l)(5) Exception, the Reorganized Debtors' use of their Pre-Change Losses after the Effective Date may be adversely affected if a subsequent "ownership change" within the meaning of section 382 of the IRC were to occur after the Effective Date.

**C. Certain U.S. Federal Income Tax Consequences of the Plan to U.S. Holders of Allowed Claims Entitled to Vote.**

The U.S. federal income tax consequences to U.S. Holders of Claims will depend, in part, on whether, for U.S. federal income tax purposes, (a) the Claim surrendered constitutes a "security" of a Debtor, and (b) the consideration received constitutes stock or a "security" of the same entity against which the Claim is asserted (or, an entity that is a "party to a reorganization" with such entity).

Neither the IRC nor the Treasury Regulations define the term "security." Whether a debt instrument constitutes a "security" is determined based on all relevant facts and circumstances, but most authorities have held that the length of the term of a debt instrument at initial issuance is an important factor in determining whether such instrument is a security for U.S. federal income tax purposes. These authorities have indicated that a term of less than five years is evidence that the instrument is not a security, whereas a term of ten years or more is evidence that the instrument is a security. There are numerous other factors that could be taken into account in determining whether a debt instrument is a security, including the security for payment, the creditworthiness of the obligor, the subordination or lack thereof with respect to other creditors, the right to vote or otherwise participate in the management of the obligor, the convertibility of the instrument into an equity interest of the obligor, whether payments of interest are fixed, variable, or contingent, and whether such payments are made on a current basis or accrued.

**DUE TO THE INHERENTLY FACTUAL NATURE OF THE DETERMINATION, IF RELEVANT BASED ON THE FORM OF THE RESTRUCTURING TRANSACTIONS, U.S. HOLDERS ARE URGED TO CONSULT THEIR OWN TAX ADVISORS REGARDING THE STATUS OF THEIR CLAIMS OR THE CONSIDERATION RECEIVED UNDER THE PLAN AS "SECURITIES" FOR U.S. FEDERAL INCOME TAX PURPOSES.**

**1. Consequences to U.S. Holders of Class 4 Claims of the Restructuring Transactions.**

Pursuant to the Plan and as described above, in exchange for full and final satisfaction, compromise, settlement, release, and discharge of their Claims, each Holder of a Class 4 Claim will receive its Pro Rata share of (i) the Exit Second-Out Term Loans and (ii)(A) the First Lien New Equity or, at its election and solely to the extent the Cash Out Option Investment is available, (B) the First Lien Cash Out Option.

The entity issuing the Exit Second-Out Term Loans under the Plan is the same entity as the Debtor against which the Class 4 Claims are asserted, but the entity issuing the New Equity under the Plan is not the same entity as the Debtor against which the Class 4 Claims are asserted (or an entity that is a "party to a reorganization" with such Debtor). Accordingly, if both the First Lien Tranche A-1 Claims and the Exit Second-Out Term Loans constitute "securities," then a U.S. Holder of such a Claim is expected to be treated as receiving its distribution under the Plan in a transaction treated as a "recapitalization" for U.S. federal income tax purposes, with the receipt of the New Equity and Cash (if any) treated as "boot" in such recapitalization. A U.S. Holder of such Claim should not recognize loss, but should recognize gain to the extent of the lesser of (a) the sum of the fair market value of the New Equity received and the amount of Cash received (if any), and (b) (i) the sum of (1) the fair market value of the New Equity received, (2) the

amount of Cash received (if any), and (3) the issue price of the Exit Second-Out Term Loans received (determined as discussed below under “—U.S. Federal Income Tax Consequences to U.S. Holders of Ownership and Disposition of the Exit Second-Out Term Loans —Original Issue Discount”), minus (ii) the U.S. Holder’s adjusted tax basis in its First Lien Tranche A-1 Claim. In general, a U.S. Holder would obtain an initial tax basis in its share of the Exit Second-Out Term Loans received in the exchange equal to its adjusted tax basis in its existing Claim surrendered (excluding any amounts attributable to accrued but untaxed interest on the applicable existing Claim), increased by the amount of any gain recognized pursuant to such exchange and decreased by the fair market value of the New Equity received and the amount of Cash received (if any). A U.S. Holder’s holding period for its interest in the Exit Second-Out Term Loans received should include the holding period for the Claim exchanged therefor. A U.S. Holder’s initial basis in the New Equity would equal its fair market value, and such U.S. Holder’s holding period with respect to the New Equity would begin the day after the Effective Date.

If either the First Lien Tranche A-1 Claims or the Exit Second-Out Term Loans do not constitute “securities,” then, other than with respect to any amounts received that are attributable to accrued but unpaid interest, each U.S. Holder of a First Lien Tranche A-1 Claim will be treated as receiving its distribution under the Plan in a taxable exchange under section 1001 of the IRC. Other than with respect to any amounts received that are attributable to accrued but unpaid interest, the U.S. Holder should recognize gain or loss in an amount equal to the difference, if any, between (a) the sum of (i) the issue price of the Exit Second-Out Term Loan received, (ii) the fair market value of the New Equity received, and (iii) the amount of Cash received (if any), and (b) the U.S. Holder’s adjusted tax basis in its Claim. The character of any such gain or loss as capital or ordinary will be determined by a number of factors including the tax status of the U.S. Holder, whether the Claim constitutes a capital asset in the hands of the U.S. Holder, whether and to what extent the U.S. Holder had previously claimed a bad-debt deduction with respect to its Claim, and the potential application of the accrued interest and market discount rules discussed below. If any such recognized gain or loss is capital in nature, it generally would be long-term capital gain if the U.S. Holder held its Claim for more than one year at the time of the exchange. The holding period for the New Equity received in the exchange should begin on the day following the date the U.S. Holder receives such New Equity. A U.S. Holder should obtain a tax basis in the Exit Second-Out Term Loan equal to its issue price and in the New Equity equal to the fair market value of such property.

U.S. Holders should consult their own tax advisers regarding the treatment of the Restructuring Transactions for U.S. federal income tax purposes.

## **2. Consequences to U.S. Holders of Class 5 Claims of the Restructuring Transactions.**

Pursuant to the Plan and as described above, in exchange for full and final satisfaction, compromise, settlement, release, and discharge of their Claims, each Holder of a Class 5 Claim will receive (i) its Pro Rata share of the Second Lien New Equity or, at its election and solely to the extent the Cash Out Option Investment Cap is available, the Second Lien Cash Out Option; and (ii) its Pro Rata share of the Second Lien Cash Recovery.

The entity issuing the New Equity under the Plan is not the same entity as the Debtor against which the Class 5 Claims are asserted (or an entity that is a “party to a reorganization” with such Debtor). Accordingly, the exchange of any Class 5 Claims by a U.S. Holder is expected to be treated as a taxable exchange pursuant to section 1001 of the IRC. In that case, a U.S. Holder of a Class 5 Claim is expected to recognize gain or loss equal to (i) the sum of (A) the fair market value of the New Equity received, (B) the amount of any Cash received with respect to the Second Lien Cash Out Option, and (C) the amount of its share of the Second Lien Cash Recovery less (ii) the U.S. Holder’s adjusted tax basis in its Claim. The adjusted tax basis of a U.S. Holder’s Claims generally will equal such U.S. Holder’s actual or deemed

purchase price for such Claims, reduced in the event that such U.S. Holder claimed a bad debt deduction with respect to such Claims, increased by any original issue discount previously accrued and any market discount previously included in income, and reduced by any amortizable bond premium previously amortized and any payments previously received that do not constitute “qualified stated interest.” Any gain or loss recognized by a U.S. Holder from the exchange will generally be capital gain or loss, except to the extent described below under “Accrued Interest” and “Market Discount.” If recognized gain or loss is capital gain or loss, it would generally constitute long-term capital gain or loss if the U.S. Holder has held such Claim for longer than one year. Non-corporate taxpayers are generally subject to a reduced U.S. federal income tax rate on net long-term capital gains. The deductibility of capital losses is subject to certain limitations. A U.S. Holder should obtain a tax basis in any New Equity received equal to the fair market value of the New Equity as of the date such New Equity is distributed to such U.S. Holder. The holding period for any such New Equity should begin on the day following the receipt of such New Equity.

The treatment of the exchange to the extent a portion of the consideration received is allocable to accrued but unpaid interest or market discount, which differs from the treatment described above, is discussed below.

### 3. Accrued Interest.

To the extent that the fair market value of the New Equity and the amount of cash received by a U.S. Holder on an exchange of its Allowed Claim under the Plan are attributable to accrued but unpaid interest on such Allowed Claim, the receipt of such amount generally should be taxable to the U.S. Holder as ordinary income (to the extent such amount was not previously included in the gross income of such U.S. Holder), and such amount will be excluded from the U.S. Holder’s calculation of gain or loss on such exchange. Conversely, a U.S. Holder of an Allowed Claim may be able to deduct a loss to the extent that any accrued interest on such debt instruments constituting such Allowed Claim was previously included in the U.S. Holder’s gross income but was not paid in full by the Debtors. Such loss may be ordinary, but the tax law is unclear on this point.

If the fair market value of the consideration received by a U.S. Holder of an Allowed Claim under the Plan is not sufficient to fully satisfy all principal and interest on its Allowed Claim, the extent to which such consideration will be attributable to accrued interest is unclear. Under the Plan, the aggregate consideration distributed to U.S. Holders will be allocated first to the principal amount of the Allowed Claim, with any excess allocated to accrued but unpaid interest, if any, on such U.S. Holder’s Allowed Claims. Certain legislative history indicates that an allocation of consideration between principal and interest provided in a chapter 11 plan of reorganization is binding for U.S. federal income tax purposes, and certain case law generally indicates that a final payment on a distressed debt instrument that is insufficient to repay outstanding principal and interest will be allocated first to principal, rather than interest. Certain Treasury Regulations, however, allocate payments first to any accrued but unpaid interest. The IRS could take the position that the consideration received by the U.S. Holder should be allocated in some way other than as provided in the Plan. ***U.S. Holders of Allowed Claims are urged to consult their own tax advisors regarding the proper allocation of the consideration received under the Plan.***

### 4. Market Discount.

Under the “market discount” provisions of the IRC, some or all of any gain realized by a U.S. Holder of an Allowed Claim, who exchanges such Allowed Claim under the Plan may be treated as ordinary income (instead of capital gain), to the extent of the amount of “market discount” on such exchanged Allowed Claim. In general, a debt instrument is considered to have been acquired with “market discount” if it is acquired other than on original issue and if the adjusted tax basis in the debt instrument is less than (i) the sum of all remaining payments to be made on the debt instrument, excluding “qualified

stated interest” or (ii) in the case of a debt instrument issued with original issue discount (“OID”), its adjusted issue price, by at least a *de minimis* amount (equal 1/4 of 1 percent of the sum of all remaining payments to be made on the debt instrument, excluding qualified stated interest, multiplied by the remaining number of complete years to maturity).

Any gain allocated to a U.S. Holder in connection the taxable disposition of an Allowed Claim (determined as described above) that was acquired with market discount should be treated as ordinary income to the extent of the market discount that accrued thereon while the Allowed Claim was considered to be held by the U.S. Holder (unless the U.S. Holder elected to include market discount in income as it accrued). To the extent that a U.S. Holder exchanges any Allowed Claim that was acquired with market discount in a tax-deferred transaction for other property, any market discount that accrued on such Allowed Claim (*i.e.*, up to the time of the exchange), but was not recognized by such U.S. Holder, is carried over to the property received therefor and any gain recognized on the subsequent sale, exchange, redemption, or other disposition of such property will be treated as ordinary income to the extent of such accrued, but not recognized, market discount. ***U.S. Holders should consult their own tax advisors concerning the application of the market discount rules to their Allowed Claim.***

## **5. Limitations on Capital Losses.**

A U.S. Holder who recognizes capital losses as a result of the exchanges under the Plan will be subject to limits on the use of such capital losses. For a non-corporate U.S. Holder, capital losses may be used to offset any capital gains (without regard to holding periods), and also ordinary income to the extent of the lesser of (i) \$3,000 annually (\$1,500 for married individuals filing separate returns) or (ii) the excess of the capital losses over the capital gains. A non-corporate U.S. Holder may carry over unused capital losses and apply them against future capital gains and a portion of their ordinary income for an unlimited number of years. For corporate holders, capital losses may only be used to offset capital gains. A corporate U.S. Holder that has more capital losses than may be used in a tax year may carry back unused capital losses to the three years preceding the capital loss year or may carry over unused capital losses for the five years following the capital loss year.

## **6. U.S. Federal Income Tax Consequences to U.S Holders of Owning and Disposing of the Exit Second-Out Term Loans.**

The following discussion assumes that the “contingent payment debt instrument” (“CPDI”) rules do not apply to the Exit Second-Out Term Loans. The U.S. Holders should consult their own tax advisors regarding the application of these rules.

### **a. Payments of Interest (including OID).**

Stated interest paid to a U.S. Holder will be includible in the U.S. Holder’s gross income as ordinary interest income at the time interest is received or accrued in accordance with the U.S. Holder’s regular method of tax accounting for U.S. federal income tax purposes. If the “stated redemption price at maturity” of the Exit Second-Out Term Loans exceeds the “issue price” of such Loans by an amount equal to or greater than a statutorily defined *de minimis* amount, then such Loans will be considered to be issued with OID for U.S. federal income tax purposes. The stated redemption price at maturity of the Exit Second-Out Term Loans is the total of all payments due on such Loans other than payments of “qualified stated interest.” In general, qualified stated interest is stated interest that is payable unconditionally in cash or in property (other than debt instruments of the issuer) at least annually at a single fixed rate (or at certain qualifying floating rates).

Because interest on the Exit Second-Out Term Loans is not unconditionally payable in cash at least annually, the Exit Second-Out Term Loans will be treated as issued with OID. As a result, a U.S. Holder generally (i) will be required to include the OID in gross income as ordinary interest income as it accrues on a constant yield to maturity basis over the term of the Exit Second-Out Term Loans in advance of the receipt of the cash attributable to such OID and regardless of the holder's method of accounting for U.S. federal income tax purposes, but (ii) will not be required to recognize additional income upon the receipt of any Cash payment on the Exit Second-Out Term Loans that is attributable to previously accrued OID that has been included in its income.

**b. Issue Price.**

As a general matter, and subject to the "investment unit" rules discussed below, in determining the "issue price" of the Exit Second-Out Term Loans, (a) if the Exit Second-Out Term Loans are "publicly traded," then the trading value of the Exit Second-Out Term Loans determines its issue price; (b) if the Exit Second-Out Term Loans are not "publicly traded," but the First Lien Tranche A-1 Claim exchanged therefore is "publicly traded," the trading value of the First Lien Tranche A-1 Claim exchanged therefore determines its issue price (unless such trading values represent mere indicative quotes and a position is established that demonstrates that such indicative quote materially misrepresented the fair market value of such property); and (c) if neither the Exit Second-Out Term Loans nor the First Lien Tranche A-1 Claims exchanged therefor are "publicly traded," the issue price of the Exit Second-Out Term Loan would be its stated redemption price at maturity.

Where, as here, U.S. Holders that receive debt instruments also receive other property (e.g., New Equity) in exchange for their Claims, the "investment unit" rules may apply to the determination of the "issue price" for any such debt instrument received in exchange for their Claims. In general, if all of the components (other than cash) of the "investment unit" are publicly traded, then the issue price of the investment unit, as a whole, is determined as the aggregate of the fair market value of each of the components of the investment unit; the issue price of the investment unit is then allocated to each of the investment unit's components on the basis of each component's fair market value; and that allocation determines the issue price of the debt components of the investment unit.

In the event that none of the components of the investment unit are publicly traded, but the Claim being exchanged is publicly traded, then the trading price of the Claim being exchanged will determine the issue price of the investment unit, with the same allocation process described above ultimately determining the issue price of any debt component of the investment unit.

In the event that some, but not all, of the property composing the investment unit is publicly traded, then the application of the investment unit rules is unclear. If the Claims being exchanged for the investment unit are publicly traded prior to the exchange, the trading value of such Claims may set the issue price for the investment unit, consistent with the rules described above. Alternatively, if the new debt instrument is publicly traded, the trading price of the new debt instrument may control the issue price of the new debt instrument, without regard to the potential application of the investment unit rules.

The Debtors have not yet determined how they will apply the investment unit rules to the circumstances presented here. An issuer's allocation of the issue price of an investment unit generally is binding on all U.S. Holders of the investment unit unless a U.S. Holder explicitly discloses a different allocation on a timely filed income tax return for the taxable year that includes the acquisition date of the investment unit.

**c. Acquisition Premium or Amortizable Bond Premium on Exit Second-Out Term Loans**

If a U.S. Holder's initial tax basis in the Exit Second-Out Term Loans is greater than the issue price of such debt but less than the stated principal amount of such debt, such Exit Second-Out Term Loans will have an "acquisition premium." Under the acquisition premium rules, the amount of OID that must be included in gross income with respect to the applicable Exit Second-Out Term Loans for any taxable year will be reduced by the portion of the acquisition premium properly allocable to that year. Alternatively, if a U.S. Holder's initial tax basis in the Exit Second-Out Term Loan exceeds its stated principal amount, the U.S. Holder will be considered to have acquired the Exit Second-Out Term Loan with "amortizable bond premium" and will not be required to include any OID in income. A U.S. Holder may generally elect to amortize the bond premium over the remaining term of the Exit Second-Out Term Loan on a constant yield method as an offset to stated interest when includable in income under such Holder's regular accounting method. If a U.S. Holder elects to amortize bond premium, such Holder must reduce its tax basis in the Exit Second-Out Term Loan by the amount of the premium used to offset stated interest. If a U.S. Holder does not elect to amortize the bond premium, that premium will decrease the gain or increase the loss otherwise recognized on disposition of the Exit Second-Out Term Loan. If a U.S. Holder's initial tax basis in the Exit Second-Out Term Loan is less than the issue price of such debt, see the "market discount" discussion above.

**d. Sale, Taxable Exchange or other Taxable Disposition.**

Upon the disposition of the Exit Second-Out Term Loans by sale, exchange, retirement, redemption or other taxable disposition, a U.S. Holder will generally recognize gain or loss equal to the difference, if any, between (a) the amount realized on the disposition (other than amounts attributable to accrued but untaxed interest, which will be taxed as ordinary interest income to the extent not previously so taxed) and (b) the U.S. Holder's adjusted tax basis in the Exit Second-Out Term Loans. The calculation of a U.S. Holder's adjusted tax basis in the Exit Second-Out Term Loans is discussed above. A U.S. Holder's adjusted tax basis will generally be increased by any accrued OID previously included in such U.S. Holder's gross income and decreased by any payments on the Exit Second-Out Term Loans other than qualified stated interest. A U.S. Holder's gain or loss will generally constitute capital gain or loss and will be long-term capital gain or loss if the U.S. Holder has held the Exit Second-Out Term Loans for longer than one year. Non-corporate taxpayers are generally subject to a reduced federal income tax rate on net long-term capital gains. The deductibility of capital losses is subject to certain limitations.

**7. U.S. Federal Income Tax Consequences to U.S. Holders of Owning and Disposing of New Equity.**

**a. Dividends on New Equity.**

Any distributions made on account of the New Equity will constitute dividends for U.S. federal income tax purposes to the extent of the current or accumulated earnings and profits of the Reorganized Debtors as determined under U.S. federal income tax principles. "Qualified dividend income" received by an individual U.S. Holder is subject to preferential tax rates. To the extent that a U.S. Holder receives distributions that exceed such current and accumulated earnings and profits, such distributions will be treated first as a non-taxable return of capital reducing the U.S. Holder's basis in its shares of the New Equity. Any such distributions in excess of the U.S. Holder's basis in its shares (determined on a share-by-share basis) generally will be treated as capital gain.

Subject to applicable limitations, distributions treated as dividends paid to U.S. Holders that are corporations generally will be eligible for the dividends-received deduction so long as there are sufficient

earnings and profits. However, the dividends-received deduction is only available if certain holding period requirements are satisfied. The length of time that a shareholder has held its stock is reduced for any period during which the shareholder's risk of loss with respect to the stock is diminished by reason of the existence of certain options, contracts to sell, short sales, or similar transactions. In addition, to the extent that a corporation incurs indebtedness that is directly attributable to an investment in the stock on which the dividend is paid, all or a portion of the dividends-received deduction may be disallowed.

**b. Sale, Redemption, or Repurchase of New Equity.**

Unless a non-recognition provision applies, U.S. Holders generally will recognize capital gain or loss upon the sale, redemption, or other taxable disposition of the New Equity. Such capital gain generally will be long-term capital gain if at the time of the sale, exchange, retirement, or other taxable disposition, the U.S. Holder has a holding period in the New Equity of more than one year. Long-term capital gains of an individual taxpayer generally are taxed at preferential rates. The deductibility of capital losses is subject to certain limitations as described above. Under the recapture rules of section 108(e)(7) of the IRC, a U.S. Holder may be required to treat gain recognized on the taxable disposition of the New Equity as ordinary income if such U.S. Holder took a bad debt deduction with respect to its Claims or recognized an ordinary loss on the exchange of its Claims for New Equity.

**D. Certain U.S. Federal Income Tax Consequences of the Plan to Non-U.S. Holders of Claims.**

The following discussion assumes that the Debtors will undertake the Restructuring Transactions as contemplated by the Plan and as described above, and includes only certain U.S. federal income tax consequences of the Plan to Non-U.S. Holders of Claims in the Voting Classes. The following discussion also assumes that the "contingent payment debt instrument" rules do not apply to the Exit Second-Out Term Loans. The rules governing the U.S. federal income tax consequences to Non-U.S. Holders are complex. Each Non-U.S. Holder is urged to consult its own tax advisor regarding the U.S. federal, state, local, non-U.S., and non-income tax consequences of the consummation of the Plan to such Non-U.S. Holder and the ownership and disposition of the New Equity.

**1. U.S. Federal Income Tax Consequences to Non-U.S. Holders of the Restructuring Transactions.**

Whether a Non-U.S. Holder realizes gain or loss on the exchange of any Allowed Claims and the amount of such gain or loss is generally determined in the same manner as set forth above in connection with U.S. Holders holding the same class of Claims. Any gain realized by a Non-U.S. Holder of an Allowed Claim on the exchange of its Allowed Claims (other than any gain attributable to accrued but unpaid interest (or original issue discount, if any), which will be taxable in the same manner as described below in "Accrued Interest") generally will not be subject to U.S. federal income taxation unless (i) the Non-U.S. Holder is an individual who was present in the United States for 183 days or more during the taxable year in which the Restructuring Transactions occur and certain other conditions are met or (ii) such gain is effectively connected with the conduct by such Non-U.S. Holder of a trade or business in the United States (and, if an applicable income tax treaty applies, such gain is attributable to a permanent establishment maintained by such Non-U.S. Holder in the United States).

If the first exception applies, the Non-U.S. Holder generally will be subject to U.S. federal income tax at a rate of 30 percent (or at a reduced rate or exemption from tax under an applicable income tax treaty) on the amount by which such Non-U.S. Holder's capital gains allocable to U.S. sources exceed capital losses allocable to U.S. sources during the taxable year of the exchange. If the second exception applies, the Non-U.S. Holder generally will be subject to U.S. federal income tax with respect to any gain realized

on the exchange if such gain is effectively connected with the Non-U.S. Holder's conduct of a trade or business in the United States in the same manner as a U.S. Holder. In addition, if such a Non-U.S. Holder is a corporation, it may be subject to a branch profits tax equal to 30 percent (or such lower rate provided by an applicable income tax treaty) of its effectively connected earnings and profits for the taxable year, subject to certain adjustments.

## 2. Accrued Interest.

Subject to the discussion of backup withholding and FATCA below, interest paid by the Debtors (which, for purposes of this discussion of Non-U.S. Holders, includes OID, if any, and accrued but unpaid interest, including in each case any such amounts received by a Non-U.S. Holder under the Plan in respect thereof) that is not effectively connected with a U.S. trade or business carried on by the Non-U.S. Holder will generally qualify for the so-called "portfolio interest exemption" and, therefore, will not be subject to U.S. federal income tax or withholding, *provided* that:

- the Non-U.S. Holder does not own, actually or constructively, a 10 percent or greater interest in the Debtors within the meaning of section 871(h)(3) of the IRC and Treasury Regulations thereunder;
- the Non-U.S. Holder is not a controlled foreign corporation related to Debtors, actually or constructively through the ownership rules under section 864(d)(4) of the IRC;
- the Non-U.S. Holder is not a bank that is receiving the interest on an extension of credit made pursuant to a loan agreement entered into in the ordinary course of its trade or business; and
- the beneficial owner gives the Debtors an appropriate IRS Form W-8 (or suitable substitute or successor form or such other form as the IRS may prescribe) that has been properly completed and duly executed establishing its status as a Non-U.S. Holder.

If not all of these conditions are met, the Non-U.S. Holder will generally be subject to U.S. federal income tax and withholding at a 30 percent rate on such payments, unless an applicable income tax treaty reduces or eliminates such withholding and the Non-U.S. Holder claims the benefit of that applicable income tax treaty by providing an appropriate IRS Form W-8 (or a suitable substitute or successor form or such other form as the IRS may prescribe) that has been properly completed and duly executed. For purposes of providing a properly executed IRS Form W-8BEN or W-8BEN-E, special procedures are provided under applicable Treasury Regulations for payments through qualified foreign intermediaries or certain financial institutions that hold customers' securities in the ordinary course of their trade or business. As described above in more detail under the heading "*Certain U.S. Federal Income Tax Consequences of the Plan to U.S. Holders—Accrued Interest*," under the Plan, the aggregate consideration to be distributed in respect of Allowed Claims will be allocated first to the principal amount of such Allowed Claims, with any excess allocated to accrued but unpaid interest on such Allowed Claims, if any. The IRS could take the position that the consideration received by a Non-U.S. Holder should be allocated in some way other than as provided in the Plan. Non-U.S. Holders of Allowed Claims should consult their own tax advisors regarding the proper allocation of the consideration received by them under the Plan.

If interest income allocable to a Non-U.S. Holder is effectively connected with a trade or business in the United States ("ECI") carried on by the Non-U.S. Holder, the Non-U.S. Holder will be required to pay U.S. federal income tax on that interest on a net income basis generally in the same manner as a U.S. Holder (and the 30 percent withholding tax described above will not apply, *provided* the appropriate statement is provided to Debtors) unless an applicable income tax treaty provides otherwise. To claim an exemption from withholding, such Non-U.S. Holder will be required to provide a properly executed IRS Form W-8ECI

(or suitable substitute or successor form or such other form as the IRS may prescribe). If a Non-U.S. Holder is eligible for the benefits of any applicable income tax treaty between the United States and its country of residence, any interest income that is ECI will be subject to U.S. federal income tax in the manner specified by the applicable income tax treaty if the Non-U.S. Holder claims the benefit of the applicable income tax treaty by providing an appropriate IRS Form W-8 (or a suitable substitute or successor form or such other form as the IRS may prescribe) that has been properly completed and duly executed. In addition, a corporate Non-U.S. Holder may, under certain circumstances, be subject to an additional branch profits tax at a 30 percent rate, or, if applicable, a lower applicable income tax treaty rate, on its effectively connected earnings and profits attributable to such interest (subject to adjustments).

The certifications described above must be provided to the applicable withholding agent prior to the payment of interest and, as applicable, must be updated periodically. Non-U.S. Holders that do not timely provide the applicable withholding agent with the required certification, but that qualify for a reduced rate under an applicable income tax treaty, may obtain a refund of any excess amounts withheld by timely filing an appropriate claim for refund with the IRS. Non-U.S. Holders should consult their tax advisors regarding their entitlement to benefits under any applicable income tax treaty.

### **3. U.S. Federal Income Tax Consequences to Non-U.S. Holders of Disposing of Exit Second-Out Term Loans.**

A Non-U.S. Holder will generally not be subject to U.S. federal income tax on any gain realized on a sale, exchange, retirement, redemption or other taxable disposition of the portion of the Exit Second-Out Term Loans (other than any amount representing accrued but unpaid interest on the loan) unless

- the gain is ECI (and, if required by an applicable income tax treaty, is attributable to a U.S. permanent establishment that such Non-U.S. Holder maintains in the United States); or
- in the case of a Non-U.S. Holder who is a nonresident alien individual, such Non-U.S. Holder is present in the United States for 183 or more days in the taxable year of disposition and certain other requirements are met.

If a Non-U.S. Holder falls under the first of these exceptions, unless an applicable income tax treaty provides otherwise, the Non-U.S. Holder will generally be taxed on the net gain derived from the disposition of such portion of the Exit Second-Out Term Loans under the graduated U.S. federal income tax rates that are applicable to U.S. Holders and, if the Non-U.S. Holder is a foreign corporation, it may also be subject to the branch profits tax described above. If an individual Non-U.S. Holder falls under the second of these exceptions, the Non-U.S. Holder generally will be subject to U.S. federal income tax at a rate of 30 percent (unless a lower treaty rate applies) on the amount by which such Non-U.S. Holder's capital gains allocable to U.S. sources exceeds such Non-U.S. Holder's capital losses allocable to sources within the United States for the taxable year of the disposition.

### **4. U.S. Federal Income Tax Consequences to Non-U.S. Holders of Owning and Disposing of New Equity.**

#### **a. Dividends on New Equity.**

Any distributions made with respect to New Equity (other than certain distributions of stock of the Reorganized Debtors) will constitute dividends for U.S. federal income tax purposes to the extent of the current or accumulated earnings and profits of the Reorganized Debtors as determined under U.S. federal income tax principles (and thereafter first as a return of capital which reduces such Non-U.S. Holder's basis in such New Equity and then, generally, capital gain). Except as described below, dividends paid

with respect to New Equity that are not effectively connected with a Non-U.S. Holder's conduct of a U.S. trade or business (or, if an applicable income tax treaty applies, are not attributable to a permanent establishment maintained by such Non-U.S. Holder in the United States) will be subject to U.S. federal withholding tax at a rate of 30 percent (or at a reduced rate or exemption from tax under an applicable income tax treaty). A Non-U.S. Holder generally will be required to satisfy certain IRS certification requirements in order to claim a reduction of or exemption from withholding under an applicable income tax treaty by filing IRS Form W-8BEN or W-8BEN-E, as applicable (or suitable substitute or successor form or such other form as the IRS designates), upon which the Non-U.S. Holder certifies, under penalties of perjury, its status as a non-U.S. person and its entitlement to the lower applicable income tax treaty rate or exemption from tax with respect to such payments. Dividends paid with respect to New Equity that are effectively connected with a Non-U.S. Holder's conduct of a U.S. trade or business (and, if an applicable income tax treaty applies, are attributable to a permanent establishment maintained by such Non-U.S. Holder in the United States) generally will be subject to U.S. federal income tax in the same manner as a U.S. Holder, and a Non-U.S. Holder that is a corporation for U.S. federal income tax purposes may also be subject to a branch profits tax with respect to such Non-U.S. Holder's effectively connected earnings and profits that are attributable to the dividends at a rate of 30 percent (or at a reduced rate or exemption from tax under an applicable income tax treaty).

If New Premium is considered a "U.S. real property holding corporation" ("USRPHC"), distributions to a Non-U.S. Holder will generally be subject to withholding by New Premium at a rate of 15 percent to the extent they are not treated as dividends for U.S. federal income tax purposes. In the event the New Equity is regularly traded on an established securities market, withholding would not be required if the Non-U.S. Holder does not directly or indirectly own (and has not directly or indirectly owned) more than 5 percent of the aggregate fair market value of the class of interests that includes New Equity during a specified testing period. Exceptions to such withholding may also be available to the extent a Non-U.S. Holder furnishes a certificate qualifying such Non-U.S. Holder for a reduction or exemption of withholding pursuant to applicable Treasury Regulations. Although the Debtors have not conducted a formal analysis, the Debtors currently consider it unlikely, based on the Debtors' current business plans and operations, that Poseidon Investment Intermediate, Inc. is, or that New Premium will become in the future, a "USRPHC".

**b. Sale, Redemption, or Repurchase of New Equity.**

A Non-U.S. Holder generally will not be subject to U.S. federal income tax with respect to any gain realized on the sale or other taxable disposition (including a Cash redemption) of New Equity unless:

- such Non-U.S. Holder is an individual who is present in the United States for 183 days or more in the taxable year of disposition;
- such gain is effectively connected with such Non-U.S. Holder's conduct of a U.S. trade or business (and, if an applicable income tax treaty applies, such gain is attributable to a permanent establishment maintained by such Non-U.S. Holder in the United States); or
- the issuer of such New Equity is or has been during a specified testing period a USRPHC.

If the first exception applies, the Non-U.S. Holder generally will be subject to U.S. federal income tax at a rate of 30 percent (or at a reduced rate or exemption from tax under an applicable income tax treaty) on the amount by which such Non-U.S. Holder's capital gains allocable to U.S. sources exceed capital losses allocable to U.S. sources during the taxable year of disposition of the New Equity. If the second exception applies, the Non-U.S. Holder generally will be subject to U.S. federal income tax with respect to such gain in the same manner as a U.S. Holder, and a Non-U.S. Holder that is a corporation for U.S. federal income tax purposes may also be subject to a branch profits tax with respect to earnings and profits

effectively connected with a U.S. trade or business that are attributable to such gains at a rate of 30 percent (or at a reduced rate or exemption from tax under an applicable income tax treaty).

If the third exception applies, a Non-U.S. Holder of New Equity generally will be subject to U.S. federal income tax on any gain recognized on the disposition of all or a portion of the New Equity under the Foreign Investment in Real Property Tax Act and the Treasury Regulations thereunder. Taxable gain from a disposition of an interest in a USRPHC (generally equal to the difference between the amount realized and the Non-U.S. Holder's adjusted tax basis in such interest) would be treated as effectively connected with such Non-U.S. Holder's conduct of a U.S. trade or business. A Non-U.S. Holder would also be subject to withholding tax equal to 15 percent of the amount realized on the disposition and generally required to file a U.S. federal income tax return. The amount of any such withholding may be allowed as a credit against the Non-U.S. Holder's U.S. federal income tax liability and may entitle the Non-U.S. Holder to a refund if the Non-U.S. Holder properly and timely files a tax return with the IRS. In the event the New Equity is regularly traded on an established securities market, withholding would not be required if the Non-U.S. Holder does not directly or indirectly own (and has not directly or indirectly owned) more than 5 percent of the aggregate fair market value of the class of interests that includes New Equity during a specified testing period. Exceptions to such withholding may also be available to the extent a Non-U.S. Holder furnishes a certificate qualifying such Non-U.S. Holder for a reduction or exemption of withholding pursuant to applicable Treasury Regulations.

## 5. FATCA.

Under legislation commonly referred to as the Foreign Account Tax Compliance Act (“FATCA”), foreign financial institutions and certain other foreign entities must report certain information with respect to their U.S. account holders and investors or be subject to withholding at a rate of 30 percent on the receipt of “withholdable payments.” For this purpose, “withholdable payments” are generally U.S.-source payments of fixed or determinable, annual or periodical income, and, subject to the paragraph immediately below, also include gross proceeds from the sale of any property of a type which can produce U.S.-source interest or dividends. FATCA withholding will apply even if the applicable payment would not otherwise be subject to U.S. federal nonresident withholding.

FATCA withholding rules that would have applied to payments of gross proceeds from the sale or other disposition of any stock, debt instrument, or other property that can produce U.S.-source dividends or interest have been effectively suspended under proposed Treasury Regulations, which can be relied on until final regulations become effective. Nonetheless, there can be no assurance that a similar rule will not go into effect in the future.

Each Non-U.S. Holder should consult its own tax advisor regarding the possible impact of FATCA withholding rules on such Non-U.S. Holder.

**BOTH U.S. HOLDERS AND NON-U.S. HOLDERS ARE URGED TO CONSULT THEIR TAX ADVISORS REGARDING THE POSSIBLE IMPACT OF THESE RULES ON SUCH HOLDERS' EXCHANGE OF ANY OF ITS CLAIMS PURSUANT TO THE PLAN AND ON ITS OWNERSHIP OF NEW EQUITY.**

## E. Information Reporting and Back-Up Withholding.

The Debtors, the Reorganized Debtors, and applicable withholding agents will withhold all amounts required by law to be withheld from payments to Holders of Claims, whether in connection with distributions under the Plan or in connection with payments made on account of consideration received pursuant to the Plan, and will comply with all applicable information reporting requirements. The IRS may

make the information returns reporting payments and withholding available to the tax authorities in the country in which a Non-U.S. Holder is resident. In general, information reporting requirements may apply to payments made to a Holder of a Claim under the Plan. Additionally, under the backup withholding rules, a Holder may be subject to backup withholding (currently at a rate of 24 percent) with respect to payments made pursuant to the Plan unless such Holder: (i) comes within certain exempt categories (which generally include corporations) and, when required, demonstrates that fact; or (ii) timely provides a correct U.S. taxpayer identification number and certifies under penalty of perjury that such number is correct and that the Holder is not subject to backup withholding (generally in the form of a properly executed IRS Form W-9 for a U.S. Holder, and, for a Non-U.S. Holder, in the form of a properly executed applicable IRS Form W-8 (or otherwise establishes such Non-U.S. Holder's eligibility for an exemption)). Backup withholding is not an additional tax but is, instead, an advance payment that may be refunded to the extent it results in an overpayment of tax; *provided* that the required information is timely provided to the IRS.

In addition, from an information reporting perspective, Treasury Regulations generally require disclosure by a taxpayer on its U.S. federal income tax return of certain types of transactions in which the taxpayer participated, including, among other types of transactions, certain transactions that result in the taxpayer's claiming a loss in excess of specified thresholds. Holders subject to the Plan are urged to consult their tax advisors regarding these regulations and whether the transactions contemplated by the Plan would be subject to these regulations and require disclosure on the Holders' tax returns.

**THE U.S. FEDERAL INCOME TAX CONSEQUENCES OF THE PLAN ARE COMPLEX. THE FOREGOING SUMMARY DOES NOT DISCUSS ALL ASPECTS OF U.S. FEDERAL INCOME TAXATION THAT MAY BE RELEVANT TO A PARTICULAR HOLDER IN LIGHT OF SUCH HOLDER'S CIRCUMSTANCES AND INCOME TAX SITUATION. ALL HOLDERS OF CLAIMS AND INTERESTS ARE URGED TO CONSULT WITH THEIR TAX ADVISORS AS TO THE PARTICULAR TAX CONSEQUENCES TO THEM OF THE TRANSACTIONS CONTEMPLATED BY THE PLAN, INCLUDING THE APPLICABILITY AND EFFECT OF ANY STATE, LOCAL OR NON-U.S. TAX LAWS, AND OF ANY CHANGE IN APPLICABLE TAX LAWS.**

### **XIII. RECOMMENDATION.**

In the opinion of the Debtors, the Plan is preferable to all other available alternatives and provides for a larger distribution to the Debtors' creditors than would otherwise result in any other scenario. Accordingly, the Debtors recommend that Holders of Claims entitled to vote on the Plan vote to accept the Plan and support Confirmation of the Plan.

## **INTRODUCTION**

Pretium Packaging, L.L.C. and the above-captioned debtors and debtors in possession (collectively, the “Debtors”) propose this joint prepackaged chapter 11 plan of reorganization (as amended, supplemented, or otherwise modified from time to time, this “Plan”) for the resolution of the outstanding Claims against, and Interests in, the Debtors. Although proposed jointly for administrative purposes, this Plan constitutes a separate Plan for each Debtor for the resolution of outstanding Claims and Interests pursuant to the Bankruptcy Code. The Debtors are the proponents of this Plan within the meaning of section 1129 of the Bankruptcy Code.

Reference is made to the accompanying *Disclosure Statement for the Joint Prepackaged Chapter 11 Plan of Reorganization of Pretium Packaging, L.L.C. and Its Debtor Affiliates*. Holders of Claims against or Interests in the Debtors may refer to the Disclosure Statement for a discussion of the Debtors’ history, business, properties and operations, valuation, projections, risk factors, a summary and analysis of this Plan and the transactions contemplated thereby, and certain related matters.

From and after the Effective Date, the Reorganized Debtors, subject to any applicable limitations set forth in any post-Effective Date agreement, including the Exit Facility Documents, shall have the right and authority without further order of the Bankruptcy Court to raise additional capital and obtain additional financing, subject to the New Organizational Documents, as the boards of directors or boards of managers of the applicable Reorganized Debtors deem appropriate.

*D. Sources of Consideration for Plan Distributions.*

The Debtors and the Reorganized Debtors, as applicable, shall fund distributions under this Plan with: (1) the Debtors' Cash on hand as of the Effective Date, (2) the proceeds of the Exit Facilities, the New Money Investment, and the Cash Out Option Investment, and (3) the New Money Investor Wind Down Investment, if any.

*1. Exit Facilities.*

On and as of the Effective Date, the Reorganized Debtors shall enter into the Exit Facilities, pursuant to the Exit Facility Documents and the Restructuring Steps Memorandum.

Solely to the extent the Debtors reasonably determine, ten (10) Business Days prior to the anticipated Effective Date, they will not satisfy the Minimum Liquidity Condition on the Effective Date, after accounting for satisfaction in full in cash of all (a) closing costs in connection with the occurrence of the Effective Date and (b) DIP ABL Claims or ABL Claims, as applicable (in each case, excluding Letters of Credit and all Bank Product Obligations) (collectively, the "Exit Funding Need"), (i) immediately before the occurrence of the Effective Date, the Debtors shall draw, and the DIP Term Loan Lenders shall fund, additional DIP Term Loans in a principal amount equal to such

shortfall subject to the Liquidity Shortfall Funding Cap, which, together with the then-outstanding principal amount of the DIP Term Loans, shall be used to satisfy the Exit Funding Need and be converted to Exit First-Out Term Loans on the Effective Date in accordance with Article II.B hereof; and (ii) the principal amount of the Exit Second-Out Term Loans shall be reduced by the Exit Second-Out Adjustment, if any; *provided* that if the Liquidity Shortfall Funding Cap is met prior to satisfaction of the Exit Funding Need, the Debtors shall pay down the ABL Claims in accordance with Article III.B.3 hereof or DIP ABL Claims in accordance with Article II.B hereof to the extent required to meet any “minimum excess availability” requirement under the Exit ABL Facility in accordance with the Exit ABL Commitment Letter, accounting for “qualified cash” allowance under such facility, and the Minimum Liquidity Condition shall be reduced on a dollar for dollar basis to the Debtors’ pro forma Cash on hand. The DIP Term Loan Lenders shall not be obligated to fund the Debtors in excess of the lower of (x) the maximum principal amount of the DIP Term Loan Facility, including the Liquidity Shortfall Funding Cap and (y) the amount necessary to satisfy the Minimum Liquidity Condition, after giving effect to satisfaction of the Exit Funding Need; *provided, further*, that notwithstanding the foregoing, (i) in no event shall the treatment set forth in Article II.B of the DIP ABL Claims or Article III.B.3 of the ABL Claims be modified without the consent of the applicable DIP ABL Agent, DIP ABL Lenders, ABL Agent, or ABL Lenders, and (ii) this paragraph shall not be modified without the consent of the DIP ABL Agent or the ABL Agent (as applicable).

To the extent that the Exit ABL Facility is not available on the Effective Date in accordance with the Exit ABL Commitment Letter, the Debtors shall satisfy the treatment of DIP ABL Claims set forth in Article II.B and/or Allowed ABL Claims set forth in Article III.B.3 (as applicable) with sources of considerations acceptable to the Required Consenting Stakeholders; *provided* that notwithstanding the foregoing or anything else to the contrary in this Plan, in no event shall the treatment set forth in Article II.B of the DIP ABL Claims or Article III.B.3 of the ABL Claims be modified without the consent of the applicable DIP ABL Agent, DIP ABL Lenders, ABL Agent, or ABL Lenders.

To the extent applicable, Confirmation of this Plan shall be deemed (a) approval of the Exit Facilities (including the transactions and related agreements contemplated thereby, and all actions to be taken, undertakings to be made, and obligations to be incurred and fees and expenses to be paid by the Debtors or the Reorganized Debtors, as applicable, in connection therewith), including the Liquidity Shortfall Funding Amount, the Exit Second-Out Adjustment, if any, to the extent not approved by the Bankruptcy Court previously, and (b) authorization for the Debtors or the Reorganized Debtors, as applicable, to, without further notice to or order of the Bankruptcy Court, (i) execute and deliver those documents and agreements necessary or appropriate to pursue or obtain the Exit Facilities, including the Exit Facility Documents, and incur and pay any fees and expenses in connection therewith, and (ii) act or take action under applicable law, regulation, order, or rule or vote, consent, authorization, or approval of any Person, subject to such modifications as the Debtors or the Reorganized Debtors, as applicable, may deem to be necessary to consummate the Exit Facilities.

As of the Effective Date, all of the Liens and security interests to be granted in accordance with the Exit Facility Documents: (a) shall be deemed to be granted; (b) shall be legal, valid, binding, automatically perfected, non-avoidable, and enforceable Liens on, and security interests in, the applicable collateral specified in the Exit Facility Documents; (c) shall not be subject to avoidance, recharacterization, or equitable subordination for any purposes whatsoever; and (d) shall not constitute preferential transfers, fraudulent transfers, or fraudulent conveyances under the Bankruptcy Code or any applicable non-bankruptcy law. As of the Effective Date, the Exit Facility Agents for the benefit of the applicable lenders under the Exit Facility Documents shall have a valid, binding, perfected, non-avoidable, and enforceable lien on and security interest in the collateral and with priority specified in the Exit Facility Documents, and valid, binding, non-avoidable, and enforceable guarantee from each guarantor specified in the Exit Facility Documents. To the extent provided in the Exit Facility Documents, the Exit Facility Agents or holder(s) of Liens under the Exit Facility Documents are authorized to file with the appropriate authorities mortgages, financing statements, and other documents, and to take any other action in order to evidence, validate, and perfect such Liens or security interests. The guarantees, mortgages, pledges, Liens, and other security interests granted to secure the obligations arising under the Exit Facility Documents have been granted in good faith, for legitimate business purposes, and for reasonably equivalent value as an inducement to the lenders thereunder to extend credit thereunder and shall be deemed to not constitute a fraudulent conveyance or fraudulent transfer and shall not otherwise be subject to avoidance, recharacterization, or subordination for any purposes whatsoever and shall not constitute preferential transfers or fraudulent conveyances under the Bankruptcy Code or any applicable nonbankruptcy Law, and the priorities of such Liens and security interests shall be as set forth in the Exit Facility Documents. The Reorganized

Debtors and the Persons and Entities granted such Liens and security interests shall be authorized to make all filings and recordings, and to obtain all governmental approvals and consents necessary to establish and perfect such Liens and security interests under the provisions of the applicable state, federal, or other Law that would be applicable in the absence of this Plan and the Confirmation Order (it being understood that perfection shall occur automatically by virtue of the entry of the Confirmation Order and any such filings, recordings, approvals, and consents shall not be required), and will thereafter cooperate to make all other filings and recordings that otherwise would be necessary under applicable law to give notice of such Liens and security interests to third parties.

2. New Equity.

On the Effective Date, New Premium shall issue the New Equity in accordance with the Restructuring Steps Memorandum. The issuance of the New Equity, including the MIP Equity, by the Reorganized Debtors shall be authorized without the need for any further corporate action or without any further action by the Holders of Claims or Interests. The Reorganized Debtors shall be authorized to issue a certain number of shares, units, or equity interests (as the case may be based on how the New Equity is denominated and the identity of New Premium issuing such shares, units, or equity interests) of New Equity required to be issued under this Plan and pursuant to their New Organizational Documents and otherwise consistent with the Restructuring Support Agreement (and the exhibits thereto).

All of the shares, units, or equity interests (as the case may be based on how the New Equity is denominated) of New Equity issued pursuant to this Plan shall be duly authorized, validly issued, fully paid, and non-assessable. Each distribution and issuance referred to in Article VI hereof shall be governed by the terms and conditions set forth in this Plan and the New Organizational Documents applicable to such distribution or issuance and by the terms and conditions of the instruments evidencing or relating to such distribution or issuance, which terms and conditions shall bind each Entity receiving such distribution or issuance. Any Entity's acceptance of New Equity shall be deemed as its agreement to the applicable New Organizational Documents, as the same may be amended or modified from time to time following the Effective Date in accordance with their terms. As a condition to receiving the New Equity, all recipients of the First Lien New Equity and the Second Lien New Equity shall be required to execute and deliver the New Investor Agreement; *provided, however,* that acceptance of such New Equity constitutes deemed acceptance and consent to the terms of the New Investor Agreement, without the need for execution by any party thereto. For the avoidance of doubt, the Reorganized Debtors may waive the requirement to receive an executed signature page to the New Investor Agreement. The New Investor Agreement will be effective as of the Effective Date, and, as of such date, will be deemed to be valid, binding, and enforceable in accordance with its terms, and each holder of New Equity will be bound thereby in all respects.

The New Equity will be distributed as follows: (i) the New Money Equity, representing 21.9 percent of New Equity, subject to dilution by the MIP Equity only, will be distributed to the New Money Investor on account of the New Money Investment in accordance with the New Equity Subscription Agreement; (ii) the First Lien New Equity, representing 72.5 percent of New Equity, subject to dilution by the Participation Premium, the Backstop Premium, and the MIP Equity, will be distributed to the Holders of Allowed First Lien Tranche A-1 Claims in accordance with Article III.B hereof; (iii) the Second Lien New Equity, representing 5.6 percent of New Equity, subject to dilution by the MIP Equity only, will be distributed to the Holders of the Allowed Second Lien Claims in accordance with Article III.B hereof; (iv) the Participation Premium, representing 23.4 percent of New Equity will be distributed to the DIP Term Loan Lenders in accordance with the DIP Term Loan Documents and this Plan; and (v) the Backstop Premium will be distributed to the Holders of Backstop Parties in accordance with the DIP Term Loan Documents. Together, the Participation Premium and Backstop Premium shall dilute the First Lien New Equity, but they shall not dilute the New Money Equity or the Second Lien New Equity, and they shall be subject to dilution by the MIP Equity.

In respect of the Cash Out Option Investment, the Cash Out Option Investors may make a proposal in respect of the First Lien Cash Out Option and/or the Second Lien Cash Out Option to the Holders of Allowed First Lien Tranche A-1 Claims and Allowed Second Lien Claims on the Cash Out Option Offer Date. If such a proposal is made, within 10 days thereafter, each Holder of an Allowed First Lien Tranche A-1 Claim or an Allowed Second Lien Claim may elect the First Lien Cash Out Option or the Second Lien Cash Out Option, in lieu of receiving its Pro Rata share of the First Lien New Equity or the Second Lien New Equity, respectively. If a Holder of an Allowed First Lien Tranche A-1 Claim or an Allowed Second Lien Claim makes such an election, then, subject to the Cash Out Option Investment Cap, in lieu of its Pro Rata share of First Lien New Equity or Second Lien New Equity, it will receive

Cash in an amount equal to the value of such First Lien New Equity or Second Lien New Equity based on the Cash Out Value.

In the event that the aggregate effect of all First Lien Cash Out Options and Second Lien Cash Out Options would cause the Cash Out Option Investment to exceed the Cash Out Option Investment Cap, the Cash distributed to each Holder of a First Lien Tranche A-1 Claim and/or Second Lien Claim who has elected the First Lien Cash Out Option and/or the Second Lien Cash Out Option, as applicable, shall be reduced on a Pro Rata basis such that the aggregate Cash Out Option Investment is reduced to the Cash Out Option Investment Cap. On account and in lieu of such reduced Cash distribution, each such Holder shall retain First Lien New Equity or Second Lien New Equity that is equal in value to such reduced Cash distribution based on the Cash Out Value.

To the extent applicable, Confirmation of this Plan shall be deemed (a) approval of (i) the issuance of New Money Equity to the New Money Investor pursuant to the New Equity Subscription Agreement (including the transactions and related agreements contemplated thereby and all actions to be taken, undertakings to be made, and obligations to be incurred and fees and expenses to be paid by the Debtors or the Reorganized Debtors, as applicable, in connection therewith), (ii) the Cash Out Option Investors' purchase of Cash Out Option Equity through the Cash Out Option Investment, (iii) the issuance of the Backstop Premium to the Backstop Parties in accordance with the Backstop Commitment Letter, and (iv) the issuance of the Participation Premium to the DIP Term Loan Lenders in accordance with the DIP Term Loan Documents, each to the extent not approved by the Bankruptcy Court previously, and (b) authorization for the Debtors or the Reorganized Debtors, as applicable, to, without further notice to or order of the Bankruptcy Court, (i) execute and deliver those documents and agreements necessary or appropriate to pursue or obtain the New Money Investment and, if applicable, the Cash Out Option Investment, and incur and pay any fees and expenses in connection therewith, and (ii) act or take action under applicable Law, regulation, order, or rule or vote, consent, authorization, or approval of any Person, subject to such modifications as the Debtors or the Reorganized Debtors, as applicable, may deem to be necessary to consummate the New Money Investment and, if applicable, the Cash Out Option Investment, and effectuate the Backstop Commitment Letter.

### 3. New Money Investor Wind-Down Investment.

In addition to the New Money Investment, the New Money Investor shall be responsible for funding, whether arising prior to or after the Effective Date, the following costs and amounts with respect to Pretium Parent (the "Pretium Parent Wind-Down Costs and Distributions"): (1) any distributions required to be made under this Plan on account of any Allowed Claims in respect of Pretium Parent; and (2) all wind-down costs of Pretium Parent, including, without limitation, (a) the costs and expenses of preparing and filing tax returns and other required filings, (b) U.S. Trustee Quarterly Fees, (c) any reasonable and documented fees and expenses of Professionals and other advisors incurred in connection with the wind-down of Pretium Parent, and (d) any other expenses associated with the dissolution, liquidation, or case closing of Pretium Parent (including, for the avoidance of doubt, any Transaction Expenses of the New Money Investor incurred in connection with such matters); *provided* that any costs or expenses incurred in connection with an action taken on behalf of all or nearly all Debtors collectively, rather than Pretium Parent individually, including the closing of the Chapter 11 Cases in accordance with Article XII.M, shall not constitute Pretium Parent Wind-Down Costs and Distributions; *provided further* that, in the aggregate, the Debtors and Reorganized Debtors shall fund up to the first \$350,000 of the Pretium Parent Wind-Down Costs and Distributions, and the New Money Investor shall fund the amount by which the Pretium Parent Wind-Down Costs and Distributions exceed \$350,000 (the "New Money Investor Wind-Down Investment"), if any.

The Debtors or Reorganized Debtors, as applicable, shall make all distributions and payments contemplated by this Plan in respect of Pretium Parent in accordance with Article VI through the Disbursing Agent. On the Effective Date and on a quarterly basis thereafter until all Pretium Parent Wind-Down Costs and Distributions have been paid in full, the New Money Investor shall pay to the Reorganized Debtors the New Money Investor Wind-Down Investment, if any.

Upon request by the Ad Hoc Group, the Debtors or Reorganized Debtors shall provide the Ad Hoc Group Advisors with an accounting of Pretium Parent Wind-Down Costs and Distributions and any New Money Investor Wind-Down Investment.

*E. Corporate Existence.*

Except as otherwise provided in this Plan, the Confirmation Order, the Plan Supplement, or any agreement, instrument, or other document incorporated therein, each Debtor shall continue to exist after the Effective Date as a separate corporate entity, limited liability company, partnership, or other form, as the case may be, with all the powers of a corporation, limited liability company, partnership, or other form, as the case may be, pursuant to the applicable law in the jurisdiction in which each applicable Debtor is incorporated or formed and pursuant to the respective certificate of incorporation and bylaws (or other formation or organization documents) in effect prior to the Effective Date, except to the extent such certificate of incorporation and bylaws (or other formation or organization documents) are amended under this Plan or otherwise, in each case, consistent with the Restructuring Support Agreement (which are incorporated herein pursuant to Article I.H), and to the extent such documents are amended in accordance therewith, such documents are deemed to be amended pursuant to this Plan and require no further action or approval (other than any requisite filings required under applicable state, provincial, or federal law). After the Effective Date, the respective certificate of incorporation and bylaws (or other formation or organization documents) of one or more of the Reorganized Debtors may be amended or modified on the terms therein without supervision or approval by the Bankruptcy Court and free of any restrictions of the Bankruptcy Code or Bankruptcy Rules.

On or after the Effective Date, one or more of the Reorganized Debtors may be disposed of, dissolved, wound down, or liquidated without supervision or approval by the Bankruptcy Court and free of any restrictions of the Bankruptcy Code or Bankruptcy Rules.

*F. Vesting of Assets in the Reorganized Debtors.*

Except as otherwise provided in the Confirmation Order, this Plan, the Plan Supplement, or any agreement, instrument, or other document incorporated therein, or entered into in connection therewith or pursuant thereto, on the Effective Date, all property in each Estate, all Causes of Action, and any property acquired by any of the Debtors pursuant to this Plan shall vest in each respective Reorganized Debtor, free and clear of all Liens, Claims, charges, or other encumbrances. On and after the Effective Date, except as otherwise provided in this Plan, each Reorganized Debtor may operate its business and may use, acquire, or dispose of property and compromise or settle any Claims, Interests, or Causes of Action without supervision or approval by the Bankruptcy Court and free of any restrictions of the Bankruptcy Code or Bankruptcy Rules. For the avoidance of doubt, no Reorganized Debtor (including any Reorganized Debtor ultimately being wound-down and liquidated in connection with the Restructuring Transactions) shall be treated as being liable on any Claim that is discharged pursuant to this Plan.

*G. Cancellation of Existing Securities and Agreements.*

On the Effective Date, except to the extent otherwise provided in this Plan or the Confirmation Order (including to the extent any DIP ABL Claim or ABL Claim is refinanced and/or converted into the Exit ABL Facility in accordance with the provisions herein), all notes, instruments, certificates, and other documents evidencing Claims or Interests (including Existing Interests) shall be canceled, and all present and future obligations and liabilities, actions, suits, accounts or demands, covenants, and indemnities (both actual and contingent) of the Debtors and any non-Debtor Affiliates thereunder or in any way related thereto, shall be deemed satisfied in full, released, canceled, discharged, and of no force or effect, without any need for further action or approval by the Bankruptcy Court or for a Holder to take further action, and the Agents shall be released from all duties thereunder.

Holders of or parties to such canceled instruments, Existing Interests, and other documentation will have no rights arising from or relating to such instruments, Interests, and other documentation, or the cancellation thereof, except the rights provided for or reserved pursuant to this Plan. Notwithstanding anything to the contrary herein, but subject to any applicable provisions of Article VI hereof, the ABL Documents, First Lien Documents, Second Lien Documents, and DIP Documents shall continue in effect after the Effective Date to the extent necessary to, and solely for the purposes of, (a) allowing Holders of Allowed Claims arising under the ABL Documents, First Lien Documents, Second Lien Documents, and DIP Documents to receive distributions under this Plan on account of such Claims, if any, (b) allowing and preserving the rights of the Agents to receive and make distributions on account of the Allowed Claims arising under the ABL Documents, First Lien Documents, Second Lien Documents, and DIP Documents pursuant to this Plan, (c) permitting the Agents to appear and be heard in the Chapter 11 Cases or in any proceeding in the Bankruptcy Court or any other court, including to enforce any obligation (if any) owed to such Agents or their

respective Holders of Allowed Claims under this Plan in accordance with the ABL Documents, First Lien Documents, Second Lien Documents, and DIP Documents, as applicable, and (d) permitting the Agents to perform any functions that are necessary to effectuate the foregoing; *provided, however,* that (1) the preceding proviso shall not affect the discharge of Claims or Interests and the releases pursuant to the Bankruptcy Code, the Confirmation Order, or this Plan, or result in any expense or liability to the Debtors or Reorganized Debtors, as applicable, except as expressly provided for in this Plan, and (2) except as otherwise provided in this Plan, the terms and provisions of this Plan shall not modify any existing contract or agreement that would in any way be inconsistent with distributions under this Plan. The Agents shall be discharged and shall have no further obligation or liability except as provided in this Plan and Confirmation Order, and after the performance by the Agents and their representatives and professionals of any obligations and duties required under or related to this Plan or Confirmation Order, the Agents shall be relieved of and released from any obligations and duties arising thereunder. For the avoidance of doubt, nothing in this Article V.G modifies section 524(e) of the Bankruptcy Code.

*H. Corporate Action.*

On or before the Effective Date, as applicable, all actions contemplated under this Plan (including the Restructuring Steps Memorandum and the other documents contained in the Plan Supplement) shall be deemed authorized and approved in all respects, including: (1) adoption or assumption, as applicable, of the Compensation and Benefits Programs; (2) selection of the directors and officers for the Reorganized Debtors; (3) the issuance and distribution of the New Equity; (4) implementation of the Restructuring Transactions; (5) entry into the Exit Facility Documents, as applicable; (6) entry into the New Equity Documents; (7) adoption of the New Organizational Documents; (8) the reservation of the MIP Equity; (9) the rejection, assumption, or assumption and assignment, as applicable, of Executory Contracts and Unexpired Leases; and (10) all other acts or actions contemplated by this Plan or reasonably necessary or appropriate to consummate this Plan or the Restructuring Transactions (whether to occur before, on, or after the Effective Date). On the Effective Date, all matters provided for in this Plan involving the corporate structure of the Debtors or the Reorganized Debtors, and any corporate, partnership, limited liability company, or other governance action required by the Debtors or the Reorganized Debtor, as applicable, in connection with this Plan shall be deemed to have occurred and shall be in effect, without any requirement of further action by the Security holders, members, directors, or officers of the Debtors or the Reorganized Debtors, as applicable. On or (as applicable) prior to the Effective Date, the appropriate officers of the Debtors or the Reorganized Debtors, as applicable, shall be authorized and (as applicable) directed to issue, execute, and deliver the agreements, documents, Securities, and instruments contemplated under this Plan (or necessary or desirable to effect the transactions contemplated under this Plan) in the name of and on behalf of the Reorganized Debtors, including the New Equity, the New Equity Documents, the Exit Facility Documents, and any and all other agreements, documents, Securities, and instruments relating to the foregoing. The authorizations and approvals contemplated by this Article IV.H shall be effective notwithstanding any requirements under non-bankruptcy law.

*I. New Organizational Documents.*

On or immediately prior to the Effective Date, the New Organizational Documents shall be automatically adopted by the applicable Reorganized Debtors and shall supersede any existing organizational documents. To the extent required under this Plan or applicable non-bankruptcy law, each of the Reorganized Debtors will file its New Organizational Documents with the applicable Secretaries of State and/or other applicable authorities in its respective state or country of organization if and to the extent required in accordance with the applicable laws of the respective state or country of organization. The New Organizational Documents will (a) authorize the issuance of the New Equity, and (b) prohibit the issuance of non-voting equity Securities, to the extent required under section 1123(a)(6) of the Bankruptcy Code.

On the Effective Date, New Premium shall enter into and deliver the New Investor Agreement to each Holder of New Equity, which shall become effective and binding in accordance with their terms and conditions upon the parties thereto without further notice to or order of the Bankruptcy Court, act or action under applicable Law, regulation, order, or rule or the vote, consent, authorization or approval of any Entity. Holders of New Equity shall be deemed to have executed the New Investor Agreement and be parties thereto, without the need to deliver signature pages thereto.

*J. Indemnification Obligations.*

All indemnification provisions currently in place consistent with applicable law (whether in the by-laws, certificates of incorporation or formation, limited liability company agreements, other organizational documents, board resolutions, indemnification agreements, employment contracts, or otherwise) as of the Petition Date for the current and former directors, officers, managers, employees, attorneys, accountants, investment bankers, and other professionals of the Debtors, as applicable, shall, to the fullest extent permitted by applicable law, be Reinstituted and remain intact, irrevocable, and shall survive the Effective Date on terms no less favorable to such current and former directors, officers, managers, employees, attorneys, accountants, investment bankers, and other professionals of the Debtors than the indemnification provisions in place prior to the Effective Date.

*K. Directors and Officers of the Reorganized Debtors.*

As of the Effective Date, the term of the current members of the board of directors of the Debtors shall expire, such current directors shall be deemed to have resigned, and all of the directors for the initial term of the New Board shall be appointed in accordance with the New Organizational Documents. To the extent known, the identity of the members of the New Board will be disclosed in the Plan Supplement or prior to the Confirmation Hearing, consistent with section 1129(a)(5) of the Bankruptcy Code. In subsequent terms, the directors shall be selected in accordance with the New Organizational Documents. Each director and officer of the Reorganized Debtors shall serve from and after the Effective Date pursuant to the terms of the applicable New Organizational Documents and other constituent documents.

*L. Effectuating Documents; Further Transactions.*

On and after the Effective Date, the Reorganized Debtors, and their respective officers, directors, members, or managers (as applicable), are authorized to and may issue, execute, deliver, file, or record such contracts, Securities, instruments, releases, and other agreements or documents and take such actions as may be necessary or appropriate to effectuate, implement, and further evidence the terms and conditions of this Plan, the Exit Facility Documents entered into, and the Securities issued pursuant to this Plan in the name of and on behalf of the Reorganized Debtors, without the need for any approvals, authorization, or consents except for those expressly required pursuant to this Plan.

*M. Certain Securities Law Matters.*

The offering, issuance and distribution of any New Equity before the Petition Date and any New Equity issuable in the form of MIP Equity shall be exempt from the registration requirements of the Securities Act in reliance upon section 4(a)(2) of the Securities Act, Regulation D promulgated thereunder, and/or in reliance on Regulation S under the Securities Act.

The offering, issuance and distribution of New Equity (other than MIP Equity) after the Petition Date shall be exempt from, among other things, the registration requirements of Section 5 of the Securities Act and any other applicable U.S., state, or local law requiring registration prior to the offering, issuance, distribution, or sale of securities in accordance with, and pursuant to, section 1145 of the Bankruptcy Code, and to the extent such exemption is not available, then such New Equity will be offered, issued and distributed under the Plan pursuant to section 4(a)(2) of the Securities Act, Regulation D or Rule 701 promulgated thereunder, Regulation S under the Securities Act, and/or other available exemptions from registration.

The shares of New Equity to be issued under this Plan on account of Allowed Claims in accordance with, and pursuant to, section 1145 of the Bankruptcy Code will be freely transferable under the Securities Act by the recipients thereof that are not, and have not been within 90 days of such transfer, an “affiliate” of the Debtors as defined in Rule 144(a)(1) under the Securities Act, subject to: (a) the provisions of section 1145(b)(1) of the Bankruptcy Code relating to the definition of an underwriter in section 1145(b) of the Bankruptcy Code, and compliance with applicable securities laws and any rules and regulations of the United States Securities and Exchange Commission or state or local securities laws, if any, applicable at the time of any future transfer of such Securities or instruments; and (b) any restrictions on the transferability of such New Equity in the New Organizational Documents.

The shares of New Equity (including the New Money Equity and MIP Equity) that may be issued pursuant to the exemption from registration set forth in section 4(a)(2) of the Securities Act, Regulation D promulgated thereunder, Regulation S under the Securities Act, and/or other available exemptions from registration will be considered “restricted securities,” will bear customary legends and transfer restrictions, and may not be transferred except pursuant to an effective registration statement or under an available exemption from the registration requirements of the Securities Act and subject to any restrictions on the transferability of such New Equity in the New Organizational Documents.

Recipients of the New Equity are advised to consult with their own legal advisors as to the availability of any exemption from registration under the Securities Act and any applicable Blue-Sky Laws for resales of New Equity.

The Reorganized Debtors need not provide any further evidence other than this Plan or the Confirmation Order to any Entity (including DTC or any transfer agent for the New Equity) with respect to the treatment of the New Equity to be issued under this Plan under applicable securities laws. DTC and any transfer agent for the New Equity shall be required to accept and conclusively rely upon this Plan and Confirmation Order in lieu of a legal opinion regarding whether the New Equity to be issued under this Plan are exempt from registration and/or eligible for DTC book-entry delivery, settlement, and depository services (to the extent applicable). Notwithstanding anything to the contrary in this Plan, no Entity (including DTC and any transfer agent for the New Equity) may require a legal opinion regarding the validity of any transaction contemplated by this Plan, including, for the avoidance of doubt, whether the New Equity to be issued under this Plan are exempt from registration and/or eligible for DTC book-entry delivery, settlement and depository services.

The Reorganized Debtors (i) shall emerge from these Chapter 11 Cases as a private company on the Effective Date and the New Equity shall not be listed on a public stock exchange, (ii) shall not be voluntarily subjected to any reporting requirements promulgated by the United States Securities and Exchange Commission, and (iii) shall not be required to list the New Equity on a recognized U.S. stock exchange, except in each case (if at all), as otherwise may be required pursuant to the New Organizational Documents.

*N. Section 1146 Exemption.*

To the fullest extent permitted by section 1146(a) of the Bankruptcy Code, any transfers (whether from a Debtor to a Reorganized Debtor or to any other Person) of property under this Plan or pursuant to: (1) the issuance, distribution, transfer, or exchange of any debt, equity Security, or other interest in the Debtors or the Reorganized Debtors, including the New Equity; (2) the Restructuring Transactions; (3) the creation, modification, consolidation, termination, refinancing, and/or recording of any mortgage, deed of trust, or other security interest, or the securing of additional indebtedness by such or other means; (4) the making, assignment, or recording of any lease or sublease; (5) the grant of collateral as security for the Reorganized Debtors’ obligations under and in connection with the Exit Facilities or (6) the making, delivery, or recording of any deed or other instrument of transfer under, in furtherance of, or in connection with, this Plan, including any deeds, bills of sale, assignments, or other instrument of transfer executed in connection with any transaction arising out of, contemplated by, or in any way related to this Plan, shall not be subject to any document recording tax, stamp tax, conveyance fee, intangibles or similar tax, mortgage tax, real estate transfer tax, personal property transfer tax, sales or use tax, mortgage recording tax, Uniform Commercial Code filing or recording fee, regulatory filing or recording fee, or other similar tax or governmental assessment, and upon entry of the Confirmation Order, the appropriate state or local governmental officials or agents shall forego the collection of any such tax or governmental assessment and accept for filing and recordation any of the foregoing instruments or other documents without the payment of any such tax, recordation fee, or governmental assessment. All filing or recording officers (or any other Person with authority over any of the foregoing), wherever located and by whomever appointed, shall comply with the requirements of section 1146(a) of the Bankruptcy Code, shall forego the collection of any such tax or governmental assessment, and shall accept for filing and recordation any of the foregoing instruments or other documents without the payment of any such tax or governmental assessment.

*O. Director and Officer Liability Insurance.*

Notwithstanding anything in this Plan to the contrary, the Reorganized Debtors shall be deemed to have assumed all of the Debtors’ D&O Liability Insurance Policies pursuant to section 365(a) of the Bankruptcy Code effective as of the Effective Date. Entry of the Confirmation Order will constitute the Bankruptcy Court’s approval

of the Reorganized Debtors' foregoing assumption of each of the unexpired D&O Liability Insurance Policies. Notwithstanding anything to the contrary contained in this Plan, Confirmation of this Plan shall not discharge, impair, or otherwise modify any indemnity obligations assumed by the foregoing assumption of the D&O Liability Insurance Policies, and each such indemnity obligation will be deemed and treated as an Executory Contract that has been assumed by the Debtors under this Plan as to which no Proof of Claim need be Filed.

In addition, after the Effective Date, none of the Reorganized Debtors shall terminate or otherwise reduce the coverage under any D&O Liability Insurance Policies (including any "tail policy") in effect on or after the Petition Date, with respect to conduct occurring prior thereto, and all directors and officers of the Debtors who served in such capacity at any time prior to the Effective Date shall be entitled to the full benefits of any such policy for the full term of such policy, to the extent set forth therein, regardless of whether such directors and officers remain in such positions after the Effective Date.

*P. Management Incentive Plan.*

On the Effective Date, the MIP Equity shall be reserved. The terms and conditions of the Management Incentive Plan, including with respect to the form, terms, allocation, and vesting of the MIP Equity or other equity-based awards, shall be determined at the discretion of the New Board within 120 days of the Effective Date.

*Q. Preservation of Causes of Action.*

In accordance with section 1123(b) of the Bankruptcy Code, but subject to Article VIII hereof, each Reorganized Debtor, as applicable, shall retain and may enforce all rights to commence and pursue, as appropriate, any and all Causes of Action of the Debtors, whether arising before or after the Petition Date, including any actions specifically enumerated in the Schedule of Retained Causes of Action, and the Reorganized Debtors' rights to commence, prosecute, or settle such Causes of Action shall be preserved notwithstanding the occurrence of the Effective Date, other than the Causes of Action released by the Debtors pursuant to the releases and exculpations contained in this Plan, including in Article VIII hereof, which shall be deemed released and waived by the Debtors and the Reorganized Debtors as of the Effective Date.

The Reorganized Debtors may pursue such retained Causes of Action, as appropriate, in accordance with the best interests of the Reorganized Debtors. **No Entity (other than the Released Parties) may rely on the absence of a specific reference in this Plan, the Plan Supplement, or the Disclosure Statement to any Cause of Action against it as any indication that the Debtors or the Reorganized Debtors, as applicable, will not pursue any and all available Causes of Action of the Debtors against it. The Debtors and the Reorganized Debtors expressly reserve all rights to prosecute any and all Causes of Action against any Entity, except as otherwise expressly provided in this Plan, including Article VIII hereof.** The Reorganized Debtors may settle any such Causes of Action without any further notice to or action, order, or approval of the Bankruptcy Court. If there is any dispute regarding the inclusion of any Cause of Action on the Schedule of Retained Causes of Action that remains unresolved by the Debtors or Reorganized Debtors, as applicable, and the objecting party for thirty (30) days, such objection shall be resolved by the Bankruptcy Court. Unless any Causes of Action of the Debtors against an Entity are expressly waived, relinquished, exculpated, released, compromised, or settled in this Plan or a Final Order, the Reorganized Debtors expressly reserve all Causes of Action, for later adjudication, and, therefore, no preclusion doctrine, including the doctrines of res judicata, collateral estoppel, issue preclusion, claim preclusion, estoppel (judicial, equitable, or otherwise), or laches, shall apply to such Causes of Action upon, after, or as a consequence of the Confirmation or Consummation.

The Reorganized Debtors reserve and shall retain such Causes of Action of the Debtors notwithstanding the rejection or repudiation of any Executory Contract or Unexpired Lease during the Chapter 11 Cases or pursuant to this Plan. In accordance with section 1123(b)(3) of the Bankruptcy Code, any Causes of Action that a Debtor may hold against any Entity shall vest in the Reorganized Debtors, except as otherwise expressly provided in this Plan, including Article VIII hereof. The applicable Reorganized Debtors, through their authorized agents or representatives, shall retain and may exclusively enforce any and all such Causes of Action. The Reorganized Debtors shall have the exclusive right, authority, and discretion to determine and to initiate, file, prosecute, enforce, abandon, settle, compromise, release, withdraw, or litigate to judgment any such Causes of Action and to decline to do any of the

foregoing without the consent or approval of any third party or further notice to or action, order, or approval of the Bankruptcy Court.

## **ARTICLE V.**

### **TREATMENT OF EXECUTORY CONTRACTS AND UNEXPIRED LEASES**

#### *A. Assumption and Rejection of Executory Contracts and Unexpired Leases.*

On the Effective Date, except as otherwise provided in Article V.H.1 and elsewhere herein, all Executory Contracts or Unexpired Leases not otherwise assumed or rejected will be deemed assumed by the applicable Reorganized Debtor in accordance with the provisions and requirements of sections 365 and 1123 of the Bankruptcy Code, other than those that are: (1) identified on the Rejected Executory Contracts and Unexpired Leases Schedule; (2) previously expired or terminated pursuant to their own terms; (3) have been previously assumed or rejected by the Debtors pursuant to a Final Order; (4) are the subject of a motion to reject that is pending on the Effective Date; or (5) have an ordered or requested effective date of rejection that is after the Effective Date, in the case of (1) and (3) through (5), with the consent of the Required Consenting Stakeholders.

Entry of the Confirmation Order shall constitute an order of the Bankruptcy Court approving the assumptions, assumptions and assignments, and related Cure amounts with respect thereto, or rejections of the Executory Contracts or Unexpired Leases as set forth in this Plan or the Rejected Executory Contracts and Unexpired Leases Schedule or Schedule of Proposed Cure Amounts, pursuant to sections 365(a) and 1123 of the Bankruptcy Code. Except as otherwise specifically set forth herein, assumptions or rejections of Executory Contracts and Unexpired Leases pursuant to this Plan are effective as of the Effective Date. Each Executory Contract or Unexpired Lease assumed pursuant to this Plan or by Bankruptcy Court order but not assigned to a third party before the Effective Date shall re-vest in and be fully enforceable by the applicable contracting Reorganized Debtor in accordance with its terms, except as such terms may have been modified by the provisions of this Plan or any order of the Bankruptcy Court authorizing and providing for its assumption. Any motions to assume Executory Contracts or Unexpired Leases pending on the Effective Date shall be subject to approval by a Final Order on or after the Effective Date but may be withdrawn, settled, or otherwise prosecuted by the Reorganized Debtors.

Except as otherwise provided herein or agreed to by the Debtors and the applicable counterparty, each assumed Executory Contract or Unexpired Lease shall include all modifications, amendments, supplements, restatements, or other agreements related thereto, and all rights related thereto, if any, including all easements, licenses, permits, rights, privileges, immunities, options, rights of first refusal, and any other interests. Modifications, amendments, supplements, and restatements to prepetition Executory Contracts and Unexpired Leases that have been executed by the Debtors during the Chapter 11 Cases shall not be deemed to alter the prepetition nature of the Executory Contract or Unexpired Lease or the validity, priority, or amount of any Claims that may arise in connection therewith.

To the maximum extent permitted by law, to the extent any provision in any Executory Contract or Unexpired Lease assumed or assumed and assigned pursuant to this Plan restricts or prevents, or purports to restrict or prevent, or is breached or deemed breached by, the assumption or assumption and assignment of such Executory Contract or Unexpired Lease (including any “change of control” provision), then such provision shall be deemed modified such that the transactions contemplated by this Plan shall not entitle the non-Debtor party thereto to terminate such Executory Contract or Unexpired Lease or to exercise any other default-related rights with respect thereto. Notwithstanding anything to the contrary in this Plan, the Debtors or the Reorganized Debtors, as applicable, reserve the right to alter, amend, modify, or supplement the Rejected Executory Contracts and Unexpired Leases Schedule or Schedule of Proposed Cure Amounts, at any time up to forty-five (45) days after the Effective Date, subject to the applicable counterparty’s right to object and the consent of the Required Consenting Stakeholders.

To the extent any provision of the Bankruptcy Code or the Bankruptcy Rules requires the Debtors to assume or reject an Executory Contract or Unexpired Lease, such requirement shall be satisfied if the Debtors make an election to assume or reject such Executory Contract or Unexpired Lease prior to the deadline set forth by the Bankruptcy Code or the Bankruptcy Rules, as applicable, regardless of whether or not the Bankruptcy Court has actually ruled on such proposed assumption or rejection prior to such deadline.

If certain, but not all, of a contract counterparty's Executory Contracts or Unexpired Leases are assumed pursuant to this Plan, the Confirmation Order shall be a determination that such counterparty's Executory Contracts or Unexpired Leases that are being rejected pursuant to this Plan are severable agreements that are not integrated with those Executory Contracts and/or Unexpired Leases that are being assumed pursuant to this Plan. Parties seeking to contest this finding with respect to their Executory Contracts and/or Unexpired Leases must file a timely objection to this Plan on the grounds that their agreements are integrated and not severable, and any such dispute shall be resolved by the Bankruptcy Court at the Confirmation Hearing (to the extent not resolved by the parties prior to the Confirmation Hearing).

*B. Claims Based on Rejection of Executory Contracts or Unexpired Leases.*

Unless otherwise provided by a Final Order of the Bankruptcy Court, all Proofs of Claim with respect to Claims arising from the rejection of Executory Contracts or Unexpired Leases, including pursuant to this Plan or the Confirmation Order, must be Filed with the Bankruptcy Court within thirty (30) days after the later of (1) the date of entry of an order of the Bankruptcy Court (including the Confirmation Order) approving such rejection, (2) the effective date of such rejection, or (3) the Effective Date. **Any Claims arising from the rejection of an Executory Contract or Unexpired Lease not Filed with the Bankruptcy Court within such time will be automatically disallowed, forever barred from assertion, and shall not be enforceable against the Debtors or the Reorganized Debtors, the Estates, or their property without the need for any objection by the Reorganized Debtors or further notice to, or action, order, or approval of the Bankruptcy Court or any other Entity, and any Claim arising out of the rejection of the Executory Contract or Unexpired Lease shall be deemed fully satisfied, released, and discharged, notwithstanding anything in the Proof of Claim to the contrary.** All Allowed Claims arising from the rejection of the Debtors' Executory Contracts or Unexpired Leases shall be treated in accordance with Article III.B of this Plan and shall be subject to the Debtors' objection and dispute in accordance with the provisions of Article VII of the Plan and the applicable provisions of the Bankruptcy Code and the Bankruptcy Rules.

*C. Cure of Defaults for Assumed Executory Contracts and Unexpired Leases.*

On the Effective Date, the Debtors or the Reorganized Debtors, as applicable, shall, in accordance with the Schedule of Proposed Cure Amounts pay all Cure costs (if any) relating to Executory Contracts and Unexpired Leases that are being assumed under this Plan in the ordinary course of business. Unless otherwise agreed upon in writing by the parties to the applicable Executory Contract or Unexpired Lease, all requests for payment of Cure costs that differ from the amounts paid or proposed to be paid by the Debtors or the Reorganized Debtors to a counterparty must be Filed on or before fourteen (14) days after the Filing of the Schedule of Proposed Cure Amounts. Any such request that is not timely Filed shall be disallowed and forever barred, estopped, and enjoined from assertion, and shall not be enforceable against any Debtor or Reorganized Debtor, without the need for any objection by the Debtors or Reorganized Debtors or any other party in interest or any further notice to or action, order, or approval of the Bankruptcy Court. Any Cure costs shall be deemed fully satisfied, released, and discharged upon payment by the Debtors or the Reorganized Debtors of the applicable Cure costs; *provided, however,* that nothing herein shall prevent the Reorganized Debtors from paying any Cure costs despite the failure of the relevant counterparty to file such request for payment of such Cure costs. The Reorganized Debtors also may settle any Cure costs without any further notice to or action, order, or approval of the Bankruptcy Court. In addition, any objection to the assumption of an Executory Contract or Unexpired Lease under this Plan must be Filed with the Bankruptcy Court on or before the Confirmation Hearing. Any such objection will be scheduled to be heard by the Bankruptcy Court at the Confirmation Hearing or as otherwise scheduled for hearing by the Bankruptcy Court. Any counterparty to an Executory Contract or Unexpired Lease that fails to timely object to the proposed assumption of any Executory Contract or Unexpired Lease will be deemed to have consented to such assumption.

If there is any dispute regarding any Cure costs, the ability of the Reorganized Debtors or any assignee to provide "adequate assurance of future performance" within the meaning of section 365 of the Bankruptcy Code, or any other matter pertaining to assumption, then payment of any Cure costs shall occur as soon as reasonably practicable after entry of a Final Order resolving such dispute, approving such assumption (and, if applicable, assignment), or as may be agreed upon by the Debtors or the Reorganized Debtors, as applicable, and the counterparty to the Executory Contract or Unexpired Lease. The Debtors and Reorganized Debtors, as applicable, reserve the right at any time to move to reject any Executory Contract or Unexpired Lease based upon the existence of any such unresolved dispute. If the Bankruptcy Court determines that the Allowed Cure cost with respect to any Executory

Contract or Unexpired Lease is greater than the amount set forth in the Schedule of Proposed Cure Amounts, the Debtors shall have the right to add such Executory Contract or Unexpired Lease to the Rejected Executory Contracts and Unexpired Leases Schedule, in which case such Executory Contract or Unexpired Lease will be deemed rejected as of the Effective Date subject to the applicable counterparty's right to object to such rejection.

Assumption of any Executory Contract or Unexpired Lease pursuant to this Plan or otherwise shall result in the full release and satisfaction of any Cures, Claims, or defaults, whether monetary or nonmonetary, including defaults of provisions restricting the change in control or ownership interest composition or any bankruptcy-related defaults, arising at any time prior to the effective date of assumption. **Any and all Proofs of Claim based upon Executory Contracts or Unexpired Leases that have been assumed in the Chapter 11 Cases, including pursuant to the Confirmation Order, shall be deemed disallowed and expunged as of the later of (1) the date of entry of an order of the Bankruptcy Court (including the Confirmation Order) approving such assumption, (2) the effective date of such assumption, or (3) the Effective Date without the need for any objection thereto or any further notice to or action, order, or approval of the Bankruptcy Court.**

*D. Preexisting Obligations to the Debtors Under Executory Contracts and Unexpired Leases.*

Rejection of any Executory Contract or Unexpired Lease pursuant to this Plan or otherwise shall not constitute a termination of preexisting obligations owed to the Debtors or the Reorganized Debtors, as applicable, under such Executory Contracts or Unexpired Leases. In particular, notwithstanding any non-bankruptcy law to the contrary, the Reorganized Debtors expressly reserve and do not waive any right to receive, or any continuing obligation of a counterparty to provide, warranties or continued maintenance obligations with respect to goods previously purchased by the Debtors pursuant to rejected Executory Contracts or Unexpired Leases.

*E. Insurance Policies.*

Each of the Debtors' insurance policies and any agreements, documents, or instruments relating thereto, are treated as Executory Contracts under this Plan. Unless otherwise provided in this Plan, on the Effective Date, (1) the Debtors shall be deemed to have assumed all insurance policies and any agreements, documents, and instruments relating to coverage of all insured Claims and (2) such insurance policies and any agreements, documents, or instruments relating thereto shall vest in the Reorganized Debtors.

*F. Reservation of Rights.*

Nothing contained in this Plan or the Plan Supplement shall constitute an admission by the Debtors or any other party that any contract or lease is in fact an Executory Contract or Unexpired Lease or that any Reorganized Debtor has any liability thereunder. If there is a dispute regarding whether a contract or lease is or was executory or unexpired at the time of assumption or rejection, the Debtors or the Reorganized Debtors, as applicable, shall have forty-five (45) days following entry of a Final Order resolving such dispute to alter their treatment of such contract or lease.

*G. Nonoccurrence of Effective Date.*

In the event that the Effective Date does not occur, the Bankruptcy Court shall retain jurisdiction with respect to any request to extend the deadline for assuming or rejecting Unexpired Leases pursuant to section 365(d)(4) of the Bankruptcy Code.

*H. Employee Compensation and Benefits.*

1. Compensation and Benefits Programs.

Except as otherwise set forth herein or on the Rejected Executory Contracts and Unexpired Leases Schedule, on the Effective Date and subject to the provisions of this Plan, the Debtors shall (a) assume employment agreements or letters, severance agreements, or other agreements entered into with current and former officers and other employees or (b) to the extent agreed, enter into new agreements with such officers and other employees on terms and

conditions acceptable to (i) the Debtors, (ii) such officers and other employees, and (iii) with respect to such new agreements with the Debtors' executive officers or other insiders (as defined in section 101(31) of the Bankruptcy Code), the Required Consenting Stakeholders, as applicable. Notwithstanding the foregoing, pursuant to section 1129(a)(13) of the Bankruptcy Code, from and after the Effective Date, all retiree benefits (as such term is defined in section 1114 of the Bankruptcy Code), if any, shall continue to be paid in accordance with applicable law.

Subject to the provisions of this Plan, all Compensation and Benefits Programs shall be treated as Executory Contracts under this Plan and deemed assumed on the Effective Date pursuant to the provisions of sections 365 and 1123 of the Bankruptcy Code, except for:

- (a) all employee equity or equity-based incentive plans, and any provisions set forth in the Compensation and Benefits Programs that provide for rights to acquire Existing Interests in any of the Debtors;
- (b) Compensation and Benefits Programs that have been rejected pursuant to an order of a Bankruptcy Court; and
- (c) Compensation and Benefits Programs that, as of the entry of the Confirmation Order, have been specifically waived by the beneficiaries of any employee benefit plan or contract.

None of Confirmation of the Plan, Consummation of any of the Restructuring Transactions, or any assumption or assumption and assignment of compensation and benefits agreements, plans, programs, or arrangements pursuant to the terms herein shall be deemed to trigger any applicable change of control, sale of business, assignment, vesting, termination, constructive termination, acceleration, or similar provisions in any compensation and benefits agreements, plans, programs, or arrangements. No counterparty shall have rights under any compensation or benefits agreement, plan, program, or arrangement assumed or assumed and assigned pursuant to the Plan other than those applicable immediately prior to such assumption or assumption and assignment.

## 2. Workers' Compensation Programs.

As of the Effective Date, except as set forth in the Plan Supplement, the Debtors and the Reorganized Debtors shall continue to honor their obligations under: (a) all applicable workers' compensation laws in states in which the Reorganized Debtors operate; and (b) the Debtors' written contracts, agreements, agreements of indemnity, self-insured workers' compensation bonds, policies, programs, and plans for workers' compensation and workers' compensation insurance. All Proofs of Claims on account of workers' compensation shall be deemed withdrawn automatically and without any further notice to or action, order, or approval of the Bankruptcy Court; *provided* that nothing in this Plan shall limit, diminish, or otherwise alter the Debtors' or Reorganized Debtors' defenses, Causes of Action, or other rights under applicable non-bankruptcy law with respect to any such contracts, agreements, policies, programs, and plans; *provided further* that nothing herein shall be deemed to impose any obligations on the Debtors in addition to what is provided for under applicable state law.

### *I. Contracts and Leases Entered Into After the Petition Date.*

Contracts and leases entered into after the Petition Date by any Debtor, including any Executory Contracts and Unexpired Leases assumed by such Debtor, will be performed by the applicable Debtor or Reorganized Debtor in the ordinary course of its business. Accordingly, such contracts and leases (including any assumed Executory Contracts and Unexpired Leases) will survive and remain unaffected by entry of the Confirmation Order.

## **ARTICLE VI.** **PROVISIONS GOVERNING DISTRIBUTIONS**

### *A. Distributions on Account of Claims Allowed as of the Effective Date.*

Except as otherwise provided herein, in a Final Order, or as otherwise agreed to by the Debtors or the Reorganized Debtors, as the case may be, and the Holder of the applicable Allowed Claim on the first Distribution

Date, the Reorganized Debtors shall make initial distributions under this Plan on account of Claims Allowed on or as soon as reasonably practicable after the Effective Date, subject to the Reorganized Debtors' right to object to Claims. In the event that any payment or act under this Plan is required to be made or performed on a date that is not a Business Day, then the making of such payment or the performance of such act may be completed on the next succeeding Business Day but shall be deemed to have been completed as of the required date. Except as otherwise provided in this Plan, Holders of Allowed Claims shall not be entitled to interest, dividends, or accruals on the distributions provided for in this Plan, regardless of whether such distributions are delivered on or at any time after the Effective Date.

Notwithstanding the preceding paragraph, (1) Allowed Administrative Claims with respect to liabilities incurred by the Debtors in the ordinary course of business during the Chapter 11 Cases or assumed by the Debtors prior to the Effective Date shall be paid or performed in the ordinary course of business in accordance with the terms and conditions of any controlling agreements, course of dealing, course of business, or industry practice, (2) Allowed Priority Tax Claims shall be paid in accordance with Article II.C of this Plan, and (3) Allowed General Unsecured Claims shall be paid in accordance with Article III.B.4 of this Plan. To the extent any Allowed Priority Tax Claim is not due and owing on the Effective Date, such Claim shall be paid in full in Cash in accordance with the terms of any agreement between the Debtors and the Holder of such Claim or as may be due and payable under applicable non-bankruptcy law or in the ordinary course of business.

*B. Disbursing Agent.*

All distributions under this Plan shall be made by the Disbursing Agent. The Disbursing Agent shall not be required to give any bond or surety or other security for the performance of its duties unless otherwise ordered by the Bankruptcy Court. Additionally, in the event that the Disbursing Agent is so otherwise ordered, all costs and expenses of procuring any such bond or surety shall be borne by the Reorganized Debtors.

All Plan Distributions to any Disbursing Agent on behalf of the Holders of Claims listed on the Claims Register shall be deemed completed by the Debtors when received by such Disbursing Agent. This Plan Distributions shall be made to any such Holders at the direction of the applicable Disbursing Agent.

*C. Rights and Powers of Disbursing Agent.*

*1. Powers of the Disbursing Agent.*

The Disbursing Agent shall be empowered to: (a) effect all actions and execute all agreements, instruments, and other documents necessary to perform its duties under this Plan; (b) make all distributions contemplated hereby; (c) employ professionals to represent it with respect to its responsibilities; and (d) exercise such other powers as may be vested in the Disbursing Agent by order of the Bankruptcy Court, pursuant to this Plan, or as deemed by the Disbursing Agent to be necessary and proper to implement the provisions hereof.

*2. Expenses Incurred On or After the Effective Date.*

Except as otherwise ordered by the Bankruptcy Court, the amount of any reasonable fees and expenses incurred by the Disbursing Agent on or after the Effective Date (including taxes), and any reasonable compensation and expense reimbursement claims (including reasonable attorney fees and expenses), made by the Disbursing Agent shall be paid in Cash by the Reorganized Debtors.

*D. Delivery of Distributions and Undeliverable or Unclaimed Distributions.*

*1. Record Date for Distribution.*

On the Distribution Record Date, the Claims Register shall be closed and any party responsible for making distributions shall instead be authorized and entitled to recognize only those record Holders listed on the Claims Register as of the close of business on the Distribution Record Date. If a Claim is transferred twenty (20) or fewer days before the Distribution Record Date, the Disbursing Agent shall make distributions to the transferee only to the

extent practical and, in any event, only if the relevant transfer form contains an unconditional and explicit certification and waiver of any objection to the transfer by the transferor.

2. Delivery of Distributions in General.

Except as otherwise provided herein, distributions payable to Holders of Allowed Claims shall be made by the Disbursing Agent to each such Holder as of the Distribution Record Date at the address for each such Holder as indicated on the Debtors' records as of the date of any such distribution; *provided* that the manner of such distributions shall be determined at the discretion of the Reorganized Debtors.

3. Designation of Alternative Distribution Recipient.

A Holder of an Allowed Claim entitled to receive any distribution under this Plan may, at its sole election, irrevocably designate in writing one or more other Persons to receive, on such Holder's behalf, any distribution otherwise payable to such Holder under this Plan (such Holder, the "Designating Holder", and such recipient, a "Designated Recipient").

A Designating Holder must deliver to the Debtors and the Disbursing Agent a duly executed direction letter (a "Direction Letter") in form and substance reasonably acceptable to the Debtors and the Disbursing Agent, which shall (i) identify with particularity the Designating Holder, the Allowed Claim(s), and the Designated Recipient(s), (ii) provide complete payment instructions and delivery details, including any wire, check, or book-entry account information, and (iii) be received no later than six (6) Business Days prior to the Effective Date unless such deadline is extended by the Debtors or the Reorganized Debtors. The Disbursing Agent may rely conclusively upon any Direction Letter that it reasonably believes to be genuine and duly authorized without further duty of inquiry.

With respect to any distribution of New Equity or other Securities under this Plan, any Designated Recipient must be eligible to receive such Securities under the Plan and applicable securities laws and must execute, deliver, or be deemed to have accepted any agreements, instruments, or organizational documents required as a condition to receipt thereof, including, without limitation, the New Investor Agreement and any applicable New Organizational Documents and provide customary securities laws representations. No distribution of Securities shall be made to any Designated Recipient unless and until all such conditions are satisfied to the reasonable satisfaction of the Reorganized Debtors

A Direction Letter shall become effective only upon written acknowledgment by the Disbursing Agent, may be rejected if incomplete or untimely, and, once accepted, shall be irrevocable except with the consent of the Reorganized Debtors and the Disbursing Agent. The Reorganized Debtors and the Disbursing Agent shall have no obligation to accommodate partial, conditional, or inconsistent directions.

Recognition of a Designated Recipient is an administrative accommodation only and shall not expand, diminish, or otherwise modify any rights, defenses, or obligations under this Plan, including setoff, recoupment, compliance with tax requirements, the Claims reconciliation and objection process, or the treatment and satisfaction of Claims.

Any distribution made to a Designated Recipient on behalf of a Designating Holder pursuant to a Direction Letter shall be deemed to have been made to the Designating Holder in full and final satisfaction of such Designating Holder's applicable Allowed Claim.

4. Minimum Distributions.

No fractional shares of New Equity shall be distributed and no Cash shall be distributed in lieu of such fractional amounts. When any distribution pursuant to this Plan on account of an Allowed Claim would otherwise result in the issuance of a number of shares of New Equity that is not a whole number, the actual distribution of shares of New Equity shall be rounded as follows: (a) fractions of one-half ( $\frac{1}{2}$ ) or greater shall be rounded to the next higher whole number and (b) fractions of less than one-half ( $\frac{1}{2}$ ) shall be rounded to the next lower whole number with no

further payment therefor. The total number of authorized shares of New Equity to be distributed to Holders of Allowed Claims hereunder shall be adjusted as necessary to account for the foregoing rounding.

**5. Undeliverable Distributions and Unclaimed Property.**

In the event that any distribution to any Holder of Allowed Claims is returned as undeliverable, no distribution to such Holder shall be made unless and until the Disbursing Agent has determined the then-current address of such Holder, at which time such distribution shall be made to such Holder without interest; *provided* that such distributions shall be deemed unclaimed property under section 347(b) of the Bankruptcy Code at the expiration of six months from the Effective Date. After such date, all unclaimed property or interests in property shall revert to the Reorganized Debtors automatically and without need for a further order by the Bankruptcy Court (notwithstanding any applicable federal, provincial or state escheat, abandoned, or unclaimed property laws to the contrary) and, to the extent such Unclaimed Distribution is comprised of New Equity, such New Equity shall be canceled. Upon such revesting, the Claim of the Holder or its successors with respect to such property shall be canceled, discharged, and forever barred notwithstanding any applicable federal or state escheat, abandoned, or unclaimed property laws, or any provisions in any document governing the distribution that is an Unclaimed Distribution, to the contrary. The Disbursing Agent shall adjust the number of shares of New Equity outstanding as of the date of such cancellation to ensure that the distributions of New Equity contemplated under this Plan are given full force and effect.

**6. Surrender of Canceled Instruments or Securities.**

On the Effective Date or as soon as reasonably practicable thereafter, each holder of a certificate or instrument evidencing a Claim or an Interest that has been canceled in accordance with Article IV.G hereof shall be deemed to have surrendered such certificate or instrument to the Disbursing Agent. Such surrendered certificate or instrument shall be canceled solely with respect to the Debtors, and such cancellation shall not alter the obligations or rights of any non-Debtor third parties vis-à-vis one another with respect to such certificate or instrument, including with respect to any indenture or agreement that governs the rights of the Holder of a Claim or Interest, which shall continue in effect for purposes of allowing Holders to receive distributions under this Plan, charging liens, priority of payment, and indemnification rights. Notwithstanding anything to the contrary herein, this paragraph shall not apply to certificates or instruments evidencing Claims that are Unimpaired under this Plan.

**E. *Manner of Payment.***

1. Except as otherwise provided in this Plan or any agreement, instrument, or other document incorporated by this Plan or the Plan Supplement, all distributions of the New Equity to the Holders of the applicable Allowed Claims under this Plan shall be made by the Disbursing Agent on behalf of the Debtors or Reorganized Debtors, as applicable.

2. All distributions of Cash to the Holders of the applicable Allowed Claims under this Plan shall be made by the Disbursing Agent on behalf of the applicable Debtor or Reorganized Debtor.

3. At the option of the Disbursing Agent, any Cash payment to be made hereunder may be made by check or wire transfer or as otherwise required or provided in applicable agreements.

**F. *Indefeasible Distributions.***

Any and all distributions made under this Plan shall be indefeasible and not subject to clawback or turnover provisions.

**G. *Compliance with Tax Requirements.***

In connection with this Plan, to the extent applicable, the Debtors, Reorganized Debtors, Disbursing Agent, and any applicable withholding agent shall comply with all tax withholding and reporting requirements imposed on them by any Governmental Unit, and all distributions made pursuant to this Plan shall be subject to such withholding and reporting requirements. Notwithstanding any provision in this Plan to the contrary, such parties shall be authorized

to take all actions necessary or appropriate to comply with such withholding and reporting requirements, including liquidating a portion of the distribution to be made under this Plan to generate sufficient funds to pay applicable withholding taxes, withholding distributions pending receipt of information necessary to facilitate such distributions, or establishing any other mechanisms they believe are reasonable and appropriate. The Debtors and Reorganized Debtors reserve the right to allocate all distributions made under this Plan in compliance with all applicable wage garnishments, alimony, child support, and similar spousal awards, Liens, and encumbrances.

*H. Allocations.*

Distributions in respect of Allowed Claims shall be allocated first to the principal amount of such Claims (as determined for federal income tax purposes) and then, to the extent the consideration exceeds the principal amount of the Claims, to any portion of such Claims for accrued but unpaid interest.

*I. No Postpetition Interest on Claims.*

Unless otherwise specifically provided for in the DIP Orders, this Plan, or the Confirmation Order, or required by applicable bankruptcy and non-bankruptcy law, postpetition interest shall not accrue or be paid on any prepetition Claims, and no Holder of a Claim shall be entitled to interest accruing on or after the Petition Date on such Claim. Additionally, and without limiting the foregoing, interest shall not accrue or be paid on any Disputed Claim with respect to the period from the Effective Date to the date a final distribution is made on account of such Disputed Claim, if and when such Disputed Claim becomes an Allowed Claim.

*J. Foreign Currency Exchange Rate.*

Except as otherwise provided in a Bankruptcy Court order, as of the Effective Date, any Claim asserted in currency other than U.S. dollars shall be automatically deemed converted to the equivalent U.S. dollar value using the exchange rate for the applicable currency as published in *The Wall Street Journal (National Edition)*, on the Petition Date.

*K. Setoffs and Recoupment.*

Except as expressly provided in this Plan, each Reorganized Debtor may, pursuant to section 553 of the Bankruptcy Code, set off and/or recoup against any Plan Distributions to be made on account of any Allowed Claim, any and all Claims, rights, and Causes of Action that such Reorganized Debtor may hold against the Holder of such Allowed Claim to the extent such setoff or recoupment is either (1) agreed in amount among the relevant Reorganized Debtor(s) and the Holder of the Allowed Claim or (2) otherwise adjudicated by the Bankruptcy Court or another court of competent jurisdiction; *provided* that neither the failure to effectuate a setoff or recoupment nor the allowance of any Claim hereunder shall constitute a waiver or release by a Reorganized Debtor or its successor of any and all claims, rights, and Causes of Action that such Reorganized Debtor or its successor may possess against the applicable Holder. In no event shall any Holder of a Claim be entitled to recoup such Claim against any claim, right, or Cause of Action of the Debtors or the Reorganized Debtors, as applicable, unless such Holder actually has performed such recoupment and provided notice thereof in writing to the Debtors in accordance with Article XII.F hereof on or before the Effective Date, notwithstanding any indication in any Proof of Claim or otherwise that such Holder asserts, has, or intends to preserve any right of recoupment.

*L. Claims Paid or Payable by Third Parties.*

1. Claims Paid by Third Parties.

The Debtors or the Reorganized Debtors, as applicable, shall reduce in full a Claim, and such Claim shall be disallowed without a Claims objection having to be Filed and without any further notice to or action, order, or approval of the Bankruptcy Court, to the extent that the Holder of such Claim receives payment in full on account of such Claim from a party that is not a Debtor or a Reorganized Debtor. Subject to the last sentence of this paragraph, to the extent a Holder of a Claim receives a distribution on account of such Claim and receives payment from a party that is not a Debtor or a Reorganized Debtor on account of such Claim, such Holder shall, within fourteen (14) days of receipt

thereof, repay or return the distribution to the applicable Reorganized Debtor, to the extent the Holder's total recovery on account of such Claim from the third party and under this Plan exceeds the amount of such Claim as of the date of any such distribution under this Plan. The failure of such Holder to timely repay or return such distribution shall result in the Holder owing the applicable Reorganized Debtor annualized interest at the Federal Judgment Rate on such amount owed for each Business Day after the fourteen (14) day grace period specified above until the amount is repaid.

2. Claims Payable by Third Parties.

No distributions under this Plan shall be made on account of an Allowed Claim that is payable pursuant to one of the Debtors' insurance policies until the Holder of such Allowed Claim has exhausted all remedies with respect to such insurance policy. To the extent that one or more of the Debtors' insurers agrees to satisfy in full or in part a Claim (if and to the extent adjudicated by a court of competent jurisdiction), then immediately upon such insurers' agreement, the applicable portion of such Claim may be expunged without a Claims objection having to be Filed and without any further notice to or action, order, or approval of the Bankruptcy Court.

3. Applicability of Insurance Policies.

Except as otherwise provided in this Plan, distributions to Holders of Allowed Claims shall be in accordance with the provisions of any applicable insurance policy. Nothing contained in this Plan shall constitute or be deemed a waiver of any Cause of Action that the Debtors or any Entity may hold against any other Entity, including insurers under any policies of insurance, nor shall anything contained herein constitute or be deemed a waiver by such insurers of any defenses, including coverage defenses, held by such insurers.

**ARTICLE VII.**  
**PROCEDURES FOR RESOLVING CONTINGENT,**  
**UNLIQUIDATED, AND DISPUTED CLAIMS**

A. *Disputed Claims Process.*

There is no requirement to file a Proof of Claim (or move the Bankruptcy Court for allowance) to have a Claim Allowed for the purposes of this Plan, except as provided in Article V.B of this Plan. On and after the Effective Date, except as otherwise provided in this Plan, all Allowed Claims shall be satisfied in the ordinary course of business of the Reorganized Debtors. The Debtors and the Reorganized Debtors, as applicable, shall have the exclusive authority to (i) determine, without the need for notice to or action, order, or approval of the Bankruptcy Court, that a claim subject to any Proof of Claim that is Filed is Allowed and (ii) file, settle, compromise, withdraw, or litigate to judgment any objections to Claims as permitted under this Plan. If the Debtors or Reorganized Debtors dispute any Claim, such dispute shall be determined, resolved, or adjudicated, as the case may be, in the manner as if the Chapter 11 Cases had not been commenced and shall survive the Effective Date as if the Chapter 11 Cases had not been commenced; *provided* that the Debtors or Reorganized Debtors may elect, at their sole option, to object to any Claim (other than Claims expressly Allowed by this Plan) and to have the validity or amount of any Claim adjudicated by the Bankruptcy Court; *provided further* that Holders of Claims may elect to resolve the validity or amount of any Claim in the Bankruptcy Court. If a Holder makes such an election, the Bankruptcy Court shall apply the law that would have governed the dispute if the Chapter 11 Cases had not been filed. All Proofs of Claim Filed in the Chapter 11 Cases shall be considered objected to and Disputed without further action by the Debtors. **Except as otherwise provided herein, all Proofs of Claim Filed after the Effective Date shall be disallowed and forever barred, estopped, and enjoined from assertion, and shall not be enforceable against any Reorganized Debtor, without the need for any objection by the Reorganized Debtors or any further notice to or action, order, or approval of the Bankruptcy Court.**

B. *Allowance of Claims.*

After the Effective Date, except as otherwise expressly set forth herein, each of the Reorganized Debtors shall have and retain any and all rights and defenses such Debtor had with respect to any Claim or Interest immediately prior to the Effective Date. The Debtors may affirmatively determine to deem Unimpaired Claims Allowed to the same extent such Claims would be Allowed under applicable non-bankruptcy law.

*C. Claims Administration Responsibilities.*

Except as otherwise specifically provided in this Plan, after the Effective Date, the Reorganized Debtors shall have the sole authority: (1) to File, withdraw, or litigate to judgment, objections to Claims or Interests; (2) to settle or compromise any Disputed Claim without any further notice to or action, order, or approval by the Bankruptcy Court; and (3) to administer and adjust the Claims Register to reflect any such settlements or compromises without any further notice to or action, order, or approval by the Bankruptcy Court; *provided* that the U.S. Trustee shall also have the authority to object to Claims or Interests after the Effective Date. For the avoidance of doubt, except as otherwise provided herein, from and after the Effective Date, each Reorganized Debtor shall have and retain any and all rights and defenses such Debtor had immediately prior to the Effective Date with respect to any Disputed Claim or Interest, including the Causes of Action retained pursuant to Article IV.Q of this Plan.

Notwithstanding the foregoing, the Debtors and Reorganized Debtors shall be entitled to dispute and/or otherwise object to any General Unsecured Claim in accordance with applicable nonbankruptcy law. If the Debtors, or Reorganized Debtors dispute any General Unsecured Claim, such dispute may be determined, resolved, or adjudicated, as the case may be, in the manner as if the Chapter 11 Cases had not been commenced. In any action or proceeding to determine the existence, validity, or amount of any General Unsecured Claim, any and all claims or defenses that could have been asserted by the applicable Debtor(s) or the Entity holding such General Unsecured Claim are preserved as if the Chapter 11 Cases had not been commenced, provided that, for the avoidance of doubt, the Allowed amount of such Claims shall be subject to the limitations or maximum amounts permitted by the Bankruptcy Code, including sections 502 and 503 of the Bankruptcy Code to the extent applicable.

*D. Estimation of Claims and Interests*

Before or after the Effective Date, the Debtors or the Reorganized Debtors, as applicable, may (but are not required to) at any time request that the Bankruptcy Court estimate any Disputed Claim or Interest that is contingent or unliquidated pursuant to section 502(c) of the Bankruptcy Code for any reason, regardless of whether any party previously has objected to such Claim or Interest or whether the Bankruptcy Court has ruled on any such objection, and the Bankruptcy Court shall retain jurisdiction to estimate any such Claim or Interest, including during the litigation of any objection to any Claim or Interest or during the appeal relating to such objection. Notwithstanding any provision otherwise in this Plan, a Claim that has been expunged from the Claims Register, but that either is subject to appeal or has not been the subject of a Final Order, shall be deemed to be estimated at zero dollars, unless otherwise ordered by the Bankruptcy Court. In the event that the Bankruptcy Court estimates any contingent or unliquidated Claim or Interest, that estimated amount shall constitute a maximum limitation on such Claim or Interest for all purposes under this Plan (including for purposes of distributions), and the relevant Reorganized Debtor may elect to pursue any supplemental proceedings to object to any ultimate distribution on such Claim or Interest.

*E. Adjustment to Claims or Interests without Objection.*

Any duplicate Claim or Interest or any Claim or Interest that has been paid, satisfied, amended, or superseded may be adjusted or expunged on the Claims Register by the Reorganized Debtors without the Reorganized Debtors having to File an application, motion, complaint, objection, or any other legal proceeding seeking to object to such Claim or Interest and without any further notice to or action, order, or approval of the Bankruptcy Court.

*F. Disallowance of Claims or Interests.*

Except as otherwise expressly set forth herein, all Claims and Interests of any Entity from which property is sought by the Debtors under sections 542, 543, 550, or 553 of the Bankruptcy Code or that the Debtors or the Reorganized Debtors allege is a transferee of a transfer that is avoidable under sections 522(f), 522(h), 544, 545, 547, 548, 549, or 724(a) of the Bankruptcy Code shall be disallowed if: (a) the Entity, on the one hand, and the Debtors or the Reorganized Debtors, as applicable, on the other hand, agree or the Bankruptcy Court has determined by Final Order that such Entity or transferee is liable to turn over any property or monies under any of the aforementioned sections of the Bankruptcy Code; and (b) such Entity or transferee has failed to turn over such property by the date set forth in such agreement or Final Order.

*G. No Distributions Pending Allowance.*

Notwithstanding any other provision of this Plan, if any portion of a Claim or Interest is a Disputed Claim or Interest, as applicable, no payment or distribution provided hereunder shall be made on account of such Claim or Interest unless and until such Disputed Claim or Interest becomes an Allowed Claim or Interest; *provided* that if only the Allowed amount of an otherwise valid Claim or Interest is Disputed, such Claim or Interest shall be deemed Allowed in the amount not Disputed and payment or distribution shall be made on account of such undisputed amount.

*H. Distributions After Allowance.*

To the extent that a Disputed Claim or Interest ultimately becomes an Allowed Claim or Interest, distributions (if any) shall be made to the Holder of such Allowed Claim or Interest in accordance with the provisions of this Plan. On or as soon as reasonably practicable after the next Distribution Date after the date that the order or judgment of the Bankruptcy Court allowing any Disputed Claim or Interest becomes a Final Order, the Disbursing Agent shall provide to the Holder of such Claim or Interest the distribution (if any) to which such Holder is entitled under this Plan as of the Effective Date, without any interest to be paid on account of such Claim or Interest.

*I. Single Satisfaction of Claims.*

Holders of Allowed Claims may assert such Claims against the Debtor(s) obligated with respect to such Claims, and such Claims shall be entitled to share in the recovery provided for the applicable Class of Claims against the applicable Debtor(s) based upon the full Allowed amount of such Claims. Notwithstanding the foregoing, in no case shall the aggregate value of all property received or retained under the Plan on account of any Allowed Claim exceed 100 percent of the underlying Allowed Claim plus applicable interest, if any.

**ARTICLE VIII.**  
**SETTLEMENT, RELEASE, INJUNCTION, AND RELATED PROVISIONS**

*A. Discharge of Claims and Termination of Interests.*

Pursuant to section 1141(d) of the Bankruptcy Code, and except as otherwise specifically provided in the Definitive Documents, this Plan, or in any contract, instrument, or other agreement or document created or entered into pursuant to this Plan, the distributions, rights, and treatment that are provided in this Plan shall be in complete satisfaction, discharge, and release, effective as of the Effective Date, of Claims (including any Intercompany Claims resolved or compromised after the Effective Date by the Reorganized Debtors), Interests, and Causes of Action of any nature whatsoever, including any interest accrued on Claims or Interests from and after the Petition Date, whether known or unknown, against, liabilities of, Liens on, obligations of, rights against, and interests in, the Debtors or any of their assets or properties, regardless of whether any property shall have been distributed or retained pursuant to this Plan on account of such Claims and Interests, including demands, liabilities, and Causes of Action that arose before the Effective Date, any liability (including withdrawal liability) to the extent such Claims or Interests relate to services performed by employees of the Debtors prior to the Effective Date and that arise from a termination of employment, any contingent or non-contingent liability on account of representations or warranties issued on or before the Effective Date, and all debts of the kind specified in sections 502(g), 502(h), or 502(i) of the Bankruptcy Code, in each case whether or not: (1) a Proof of Claim based upon such debt or right is Filed or deemed Filed pursuant to section 501 of the Bankruptcy Code; (2) a Claim or Interest based upon such debt, right, or interest is Allowed pursuant to section 502 of the Bankruptcy Code; or (3) the Holder of such a Claim or Interest has accepted this Plan. The Confirmation Order shall be a judicial determination of the discharge of all Claims (other than the Reinstated Claims) and Interests (other than the Intercompany Interests that are Reinstated) subject to the occurrence of the Effective Date, except as otherwise specifically provided in this Plan or in any contract, instrument, or other agreement or document created or entered into pursuant to this Plan.

*B. Release of Liens.*

**Except as otherwise provided in the Exit Facility Documents, this Plan, the Confirmation Order, or in any contract, instrument, release, or other agreement or document created or entered into pursuant to this**

Plan, on the Effective Date and concurrently with the applicable distributions made pursuant to this Plan and, in the case of a Secured Claim, satisfaction in full of the portion of the Secured Claim that is Allowed as of the Effective Date, except for Other Secured Claims that the Debtors elect to Reinstate in accordance with this Plan, all mortgages, deeds of trust, Liens, pledges, or other security interests against any property of the Estates or any non-Debtor Affiliate shall be fully released and discharged, and all of the right, title, and interest of any Holder (and the applicable Agents of such Holder) of such mortgages, deeds of trust, Liens, pledges, or other security interests shall revert and, as applicable, be reassigned, surrendered, reconveyed, or retransferred to the Reorganized Debtors and their successors and assigns to the Reorganized Debtors and their successors and assigns. Any Holder of such Secured Claim (and the applicable Agents for such Holder) shall be authorized and directed, at the sole cost and expense of the Reorganized Debtors, to release any collateral or other property of any Debtor (including any cash collateral and possessory collateral) held by such Holder (or the applicable Agents for such Holder), and to take such actions as may be reasonably requested by the Reorganized Debtors to evidence the release of such Liens and/or security interests, including the execution, delivery, and filing or recording of such releases. The presentation or filing of the Confirmation Order to or with any federal, state, provincial, or local agency, records office, or department shall constitute good and sufficient evidence of, but shall not be required to effect, the termination of such Liens.

To the extent that any Holder of a Secured Claim that has been satisfied or discharged in full pursuant to this Plan, or any agent for such Holder, has filed or recorded publicly any Liens and/or security interests to secure such Holder's Secured Claim, then as soon as practicable on or after the Effective Date, such Holder (or the applicable Agents for such Holder) shall take any and all steps requested by the Debtors, the Reorganized Debtors, or the Exit Facility Agents that are necessary or desirable to record or effectuate the cancellation and/or extinguishment of such Liens and/or security interests, including the making of any applicable filings or recordings, and the Reorganized Debtors shall be entitled to make any such filings or recordings on such Holder's behalf.

*C. Releases by the Debtors.*

Except as expressly set forth herein, pursuant to section 1123(b) of the Bankruptcy Code, in exchange for good and valuable consideration, the adequacy of which is hereby confirmed, on and after the Effective Date, each Released Party is hereby conclusively, absolutely, unconditionally, irrevocably, and forever released, waived, and discharged by and on behalf of each and all of the Debtors, their Estates, and if applicable, the Reorganized Debtors, in each case on behalf of themselves and their respective successors, assigns, and representatives, and any and all other Entities who may purport to assert any Claim or Cause of Action, directly or derivatively, by, through, for, or because of the foregoing Entities, from any and all Claims and Causes of Action whatsoever (including any Avoidance Actions and any derivative claims, asserted or assertable on behalf of any of the Debtors, their Estates, or the Reorganized Debtors), whether liquidated or unliquidated, fixed or contingent, matured or unmatured, known or unknown, foreseen or unforeseen, asserted or unasserted, accrued or unaccrued, existing or herein-after arising, whether in Law or equity, whether sounding in tort or contract, whether arising under federal or state statutory or common Law, or any other applicable international, foreign, or domestic Law, rule, statute, regulation, treaty, right, duty, requirement, or otherwise, that such Holders or their Estates, Affiliates, heirs, executors, administrators, successors, assigns, managers, accountants, attorneys, representatives, consultants, agents, and any other Persons claiming under or through them would have been legally entitled to assert in their own right (whether individually or collectively) or on behalf of the Holder of any Claim against, or Interest in, the Debtors, the Reorganized Debtors, and their Estates, based on or relating to, or in any manner arising from, in whole or in part, the Debtors or their Estates (including the capital structure, management, ownership, or operation thereof), the solicitation and provision of Solicitation Materials to Holders of Claims prior to the Chapter 11 Cases, the Chapter 11 Cases, the Restructuring Transactions, the Reorganized Debtors (including the capital structure, management, ownership, or operation thereof), the purchase, sale, or rescission of any Security of the Debtors, their Estates, or the Reorganized Debtors, the subject matter of, or the transactions or events giving rise to, any Claim or Interest that is treated in this Plan, the business or contractual arrangements or interaction between or among any Debtor and any Released Party, the distribution of any Cash or other property of the Debtors to any Released Party, the assertion of enforcement of rights or remedies against the Debtors, the restructuring of any Claim or Interest before or during the Chapter 11 Cases, including all prior recapitalizations, restructurings, or refinancing efforts and transactions, any Securities issued by the Debtors and the ownership thereof, the

Debtors' in- or out-of-court restructuring efforts, the decision to file the Chapter 11 Cases, any intercompany transactions, Avoidance Actions, any related adversary proceedings, the formulation, documentation, preparation, dissemination, solicitation, negotiation, entry into, or filing of the Restructuring Support Agreement, the Definitive Documents, the Plan Supplement, or any Restructuring Transaction, contract, instrument, release, or other agreement or document created or entered into in connection with the Restructuring Support Agreement, the Definitive Documents, the Plan Supplement, the DIP Term Loan Facility, the DIP ABL Facility, the DIP Orders, the DIP Documents, the Exit Facilities, or the filing of the Chapter 11 Cases, the pursuit of Confirmation, the pursuit of Consummation, the administration and implementation of this Plan, including the issuance or distribution of Securities pursuant to this Plan, or the distribution of property under this Plan or any other related agreement, or upon any other act, or omission, transaction, agreement, event, or other occurrence taking place on or before, in respect of the foregoing clause the Effective Date.

Notwithstanding anything to the contrary herein, the Debtors do not, pursuant to the releases set forth above, release (i) any Causes of Action identified in the Schedule of Retained Causes of Action, (ii) any post-Effective Date obligations of any party or Entity under this Plan, the Confirmation Order, any Restructuring Transactions, the Exit Facility Documents, the Plan Supplement, or any document, instrument, or agreement (including those set forth in the Plan Supplement) executed to implement this Plan or the Restructuring Transactions, or (iii) any Claims or Causes of action arising from such Released Party's willful misconduct or actual fraud as determined by a final non-appealable order entered by a court of competent jurisdiction, *provided* that a party's compliance with, or execution, or implementation of the Restructuring Support Agreement or this Plan shall not be deemed actual fraud or willful misconduct.

Entry of the Confirmation Order shall constitute the Bankruptcy Court's approval, pursuant to Bankruptcy Rule 9019, of the Debtor Release, which includes by reference each of the related provisions and definitions contained in this Plan, and further, shall constitute the Bankruptcy Court's finding that the Debtor Release is: (i) given in exchange for the good and valuable consideration provided by the Released Parties, including, the Released Parties' contributions to facilitating the Restructuring Transactions and implementing this Plan; (ii) a good faith settlement and compromise of the Claims or Causes of Action released by the Debtor Release; (iii) in the best interests of the Debtors, their Estates, and all Holders of Claims and Interests; (iv) fair, equitable, and reasonable; (v) given and made after reasonable investigation by the Debtors and after due notice and opportunity for a hearing; and (vi) a bar to any of the Debtors, their Estates, or the Reorganized Debtors asserting any Claim or Cause of Action released pursuant to the Debtor Release against any of the Released Parties.

*D. Releases by the Releasing Parties.*

Except as expressly set forth herein, pursuant to section 1123(b) of the Bankruptcy Code, in exchange for good and valuable consideration, the adequacy of which is hereby confirmed, on and after the Effective Date, each Released Party is hereby conclusively, absolutely, unconditionally, irrevocably, and forever released, waived, and discharged by and on behalf of each and all of the Releasing Parties, in each case on behalf of themselves and their respective successors, assigns, and representatives, and any and all other Entities who may purport to assert any Claim or Cause of Action, directly or derivatively, by, through, for, or because of the foregoing Entities, from any and all Claims and Causes of Action whatsoever (including any derivative claims, asserted or assertable on behalf of any of the Debtors, the Reorganized Debtors, and their Estates), whether liquidated or unliquidated, fixed or contingent, matured or unmatured, known or unknown, foreseen or unforeseen, asserted or unasserted, accrued or unaccrued, existing or herein after arising, whether in Law or equity, whether sounding in tort or contract, whether arising under federal or state statutory or common Law, or any other applicable international, foreign, or domestic Law, rule, statute, regulation, treaty, right, duty, requirement, or otherwise, that such Holders or their Estates, Affiliates, heirs, executors, administrators, successors, assigns, managers, accountants, attorneys, representatives, consultants, agents, and any other Persons claiming under or through them would have been legally entitled to assert in their own right (whether individually or collectively) or on behalf of the Holder of any Claim against, or Interest in, the Debtors, the Reorganized Debtors, and their Estates, based on or relating to, or in any manner arising from, in whole or in part, the Debtors or their Estates (including the capital structure, management, ownership, or operation thereof), the solicitation and provision of Solicitation Materials to Holders of Claims prior to the Chapter 11

Cases, the Chapter 11 Cases, the Restructuring Transactions, the Reorganized Debtors (including the capital structure, management, ownership, or operation thereof), the purchase, sale, or rescission of any Security of the Debtors, their Estates, or the Reorganized Debtors, the subject matter of, or the transactions or events giving rise to, any Claim or Interest that is treated in this Plan, the business or contractual arrangements or interaction between or among any Debtor and any Released Party, the distribution of any Cash or other property of the Debtors to any Released Party, the assertion of enforcement of rights or remedies against the Debtors, the restructuring of any Claim or Interest before or during the Chapter 11 Cases including all prior recapitalizations, restructurings, or refinancing efforts and transactions, any Securities issued by the Debtors and the ownership thereof, the Debtors' in- or out-of-court restructuring efforts, the decision to file the Chapter 11 Cases, any intercompany transactions, any related adversary proceedings, the formulation, documentation, preparation, dissemination, solicitation, negotiation, entry into, or filing of the Restructuring Support Agreement, the Definitive Documents, the Plan Supplement, or any Restructuring Transaction, contract, instrument, release, or other agreement or document created or entered into in connection with the Restructuring Support Agreement, the Definitive Documents, the Plan Supplement, the DIP Term Loan Facility, the DIP ABL Facility, the DIP Orders, the DIP Documents, the Exit Facilities, or the filing of the Chapter 11 Cases, the pursuit of Confirmation, the pursuit of Consummation, the administration and implementation of this Plan, including the issuance or distribution of Securities pursuant to this Plan, or the distribution of property under this Plan or any other related agreement, or upon any other act, or omission, transaction, agreement, event, or other occurrence taking place on or before, in respect of the foregoing clause the Effective Date.

Notwithstanding anything to the contrary herein, the Releasing Parties do not, pursuant to the releases set forth above, release (i) any post-Effective Date obligations of any party or Entity under this Plan, the Confirmation Order, any Restructuring Transactions, the Exit Facility Documents, the Plan Supplement, or any document, instrument, or agreement (including those set forth in the Plan Supplement) executed to implement this Plan or the Restructuring Transactions, (ii) the rights of any Holder of Allowed Claims to receive distributions under this Plan, or (iii) any Claims or Causes of action arising from such Released Party's willful misconduct or actual fraud as determined by a final non-appealable order entered by a court of competent jurisdiction, *provided* that a party's compliance with, or execution, or implementation of the Restructuring Support Agreement or this Plan shall not be deemed actual fraud or willful misconduct.

Entry of the Confirmation Order shall constitute the Bankruptcy Court's approval, pursuant to Bankruptcy Rule 9019, of the Third-Party Release, which includes by reference each of the related provisions and definitions contained in this Plan, and further, shall constitute the Bankruptcy Court's finding that the Third-Party Release is: (i) consensual; (ii) essential to the Confirmation of this Plan; (iii) given in exchange for the good and valuable consideration provided by the Released Parties, including the Released Parties' contributions to facilitating the Restructuring Transactions and implementing this Plan; (iv) a good faith settlement and compromise of the Claims and Causes of Action released by the Third-Party Release; (v) in the best interests of the Debtors and their Estates; (vi) fair, equitable, and reasonable; (vii) given and made after due notice and opportunity for a hearing; and (viii) a bar to any of the Releasing Parties asserting any Claim or Cause of Action released pursuant to the Third-Party Release against any of the Released Parties.

**E. Exculpation.**

To the fullest extent permitted by applicable law, no Exculpated Party will have or incur, and each Exculpated Party will be released and exculpated from, any Claim or Cause of Action arising prior to the Effective Date in connection with or arising out of the administration of the Chapter 11 Cases, the negotiation and pursuit of the Restructuring Support Agreement, the Definitive Documents, the Plan Supplement, the DIP Term Loan Facility, the DIP ABL Facility, the DIP Orders, the DIP Documents, the Exit Facilities, or the filing of the Chapter 11 Cases, the solicitation of votes (before and after the Petition Date) for, or Confirmation of, this Plan, the funding of this Plan, the occurrence of the Effective Date, the administration of this Plan or the property to be distributed under this Plan, the issuance of Securities under or in connection with this Plan, the purchase, sale, or rescission of the purchase or sale of any Security of the Debtors or the Reorganized Debtors, if applicable, in connection with this Plan and the Restructuring Transactions, or the transactions in furtherance of any of the foregoing, other than Claims or Causes of Action in each case arising out of or related to any act or omission of an Exculpated Party that is determined by a Final Order to have constituted actual

fraud, willful misconduct, or gross negligence, but in all respects such Persons will be entitled to reasonably rely upon the advice of counsel with respect to their duties and responsibilities pursuant to this Plan. The Exculpated Parties have acted in compliance with the applicable provisions of the Bankruptcy Code with regard to the solicitation and distribution of Securities pursuant to this Plan and, therefore, are not, and on account of such distributions will not be, liable at any time for the violation of any applicable law, rule, or regulation governing the solicitation of acceptances or rejections of this Plan or such distributions made pursuant to this Plan, including the issuance of Securities thereunder. The exculpation will be in addition to, and not in limitation of, all other releases, indemnities, exculpations, and any other applicable Law or rules protecting such Exculpated Parties from liability.

The Exculpated Parties have, and upon Confirmation shall be deemed to have, participated in good faith and in compliance with the applicable Laws with regard to the solicitation of votes and distribution of consideration pursuant to this Plan and, therefore, are not, and on account of such distributions shall not be, liable at any time for the violation of any applicable Law, rule, or regulation governing the solicitation of acceptances or rejections of this Plan or such distributions made pursuant to this Plan.

*F. Injunction.*

Except as otherwise expressly provided in this Plan or the Confirmation Order or for obligations or distributions issued or required to be paid pursuant to this Plan or the Confirmation Order, all Entities who have held, hold, or may hold Claims, Interests, Causes of Action, or liabilities that have been released, discharged, or are subject to exculpation are permanently enjoined, from and after the Effective Date, from taking any of the following actions against, as applicable, the Debtors, the Reorganized Debtors, the Exculpated Parties, or the Released Parties: (1) commencing or continuing in any manner any action, suit, or other proceeding of any kind on account of or in connection with or with respect to any such Claims, Interests, Causes of Action, or liabilities; (2) enforcing, attaching, collecting, or recovering by any manner or means any judgment, award, decree, or order against such Entities on account of or in connection with or with respect to any such Claims, Interests, Causes of Action, or liabilities; (3) creating, perfecting, or enforcing any Lien or encumbrance of any kind against such Entities or the property or the Estates of such Entities on account of or in connection with or with respect to any such Claims, Interests, Causes of Action, or liabilities; (4) asserting any right of setoff, subrogation, or recoupment of any kind against any obligation due from such Entities or against the property of such Entities or the Estates on account of or in connection with or with respect to any such Claims, Interests, Causes of Action, or liabilities unless such Holder has Filed a motion requesting the right to perform such setoff on or before the Effective Date, and notwithstanding an indication of a Claim or Interest or otherwise that such Holder asserts, has, or intends to preserve any right of setoff pursuant to applicable Law or otherwise; and (5) commencing or continuing in any manner any action or other proceeding of any kind on account of or in connection with or with respect to any such Claims, Interests, Causes of Action, or liabilities released or settled pursuant to this Plan. Notwithstanding anything to the contrary in the foregoing, the injunction set forth above does not enjoin the enforcement of any post-Effective Date obligations of any Person or Entity under this Plan, any post-Effective Date transaction contemplated by the Restructuring Transactions (including under the Exit Facilities), or any document, instrument, or agreement (including those set forth in the Plan Supplement) executed to implement this Plan.

Upon entry of the Confirmation Order, all Holders of Claims and Interests and their respective current and former employees, agents, officers, directors, managers, principals, and direct and indirect Affiliates, in their capacities as such, shall be enjoined from taking any actions to interfere with the implementation or Consummation of this Plan. Each Holder of an Allowed Claim or Allowed Interest, as applicable, by accepting, or being eligible to accept, distributions under or Reinstatement of such Claim or Interest, as applicable, pursuant to this Plan, shall be deemed to have consented to the injunction provisions set forth in this Article VIII.F.

No party may commence, continue, amend, or otherwise pursue, join in, or otherwise support any other party commencing, continuing, amending, or pursuing, a Cause of Action of any kind against the Debtors, the Reorganized Debtors, the Exculpated Parties, or the Released Parties that relates to, or is reasonably likely to relate to any act or omission in connection with, relating to, or arising out of, a Cause of Action subject to Article VIII.C, Article VIII.D, and Article VIII.E without first (a) requesting a determination from the

**Bankruptcy Court, after notice and a hearing, that such Cause of Action represents a colorable claim against a Debtor, Reorganized Debtor, Exculpated Party, or Released Party and is not a Claim that the Debtors released under this Plan, which request must attach the complaint or petition proposed to be filed by the requesting party and (b) obtaining from the Bankruptcy Court specific authorization for such party to bring such Cause of Action against any such Debtor, Reorganized Debtor, Exculpated Party, or Released Party. For the avoidance of doubt, any party that obtains such determination and authorization and subsequently wishes to amend the authorized complaint or petition to add any Causes of Action not explicitly included in the authorized complaint or petition must obtain authorization from the Bankruptcy Court before filing any such amendment in the court where such complaint or petition is pending. The Bankruptcy Court will have sole and exclusive jurisdiction to determine whether a Cause of Action constitutes a direct or derivative claim, is colorable and, only to the extent legally permissible, will have jurisdiction to adjudicate the underlying colorable Cause of Action.**

*G. Protections Against Discriminatory Treatment.*

Consistent with section 525 of the Bankruptcy Code and the Supremacy Clause of the U.S. Constitution, all Entities, including Governmental Units, shall not discriminate against the Reorganized Debtors or deny, revoke, suspend, or refuse to renew a license, permit, charter, franchise, or other similar grant to, condition such a grant to, discriminate with respect to such a grant against, the Reorganized Debtors, or another Entity with whom the Reorganized Debtors have been associated, solely because each Debtor has been a debtor under chapter 11 of the Bankruptcy Code, has been insolvent before the commencement of the Chapter 11 Cases (or during the Chapter 11 Cases but before the Debtors are granted or denied a discharge), or has not paid a debt that is dischargeable in the Chapter 11 Cases.

*H. Document Retention.*

On and after the Effective Date, the Reorganized Debtors may maintain documents in accordance with their standard document retention policy, as may be altered, amended, modified, or supplemented by the Reorganized Debtors.

*I. Reimbursement or Contribution.*

If the Bankruptcy Court disallows a Claim for reimbursement or contribution of an Entity pursuant to section 502(e)(1)(B) of the Bankruptcy Code, then to the extent that such Claim is contingent as of the time of allowance or disallowance, such Claim shall be forever disallowed and expunged notwithstanding section 502(j) of the Bankruptcy Code, unless prior to the Confirmation Date (1) such Claim has been adjudicated as non-contingent or (2) the relevant Holder of a Claim has Filed a non-contingent Proof of Claim on account of such Claim and a Final Order has been entered prior to the Confirmation Date determining such Claim as no longer contingent.

#### **Section 7. *Additional Provisions Regarding Company Parties' Commitments.***

7.01. 7.02. Notwithstanding anything to the contrary in this Agreement (but subject to Section 7.01), each Company Party and their respective directors, officers, employees, investment bankers, attorneys, accountants, consultants, and other advisors or representatives shall have the right to: (a) consider, respond to, and facilitate Alternative Restructuring Proposals; (b) provide access to non-public information concerning any Company Party to any Entity or enter into Confidentiality Agreements or nondisclosure agreements with any Entity which would permit the sharing of proposals as required pursuant to the last sentence of this Section 7.02; (c) maintain or continue discussions or negotiations with respect to Alternative Restructuring Proposals; (d) otherwise cooperate with, assist, participate in, or facilitate any inquiries, proposals, discussions, or negotiation of Alternative Restructuring Proposals; and (e) enter into or continue discussions or negotiations with holders of Claims against or Equity Interests in a Company Party (including any Consenting Stakeholder), any other party in interest in the Chapter 11 Cases (including any official committee and the United States Trustee), or any other Entity regarding the Restructuring Transactions or Alternative Restructuring Proposals. 7.03. Nothing in this Agreement shall: (a) impair or waive the rights of any Company Party to assert or raise any objection permitted under this Agreement in connection with the Restructuring Transactions; or (b) prevent any Company Party from enforcing this Agreement or contesting whether any matter, fact, or thing is a breach of, or is inconsistent with, this Agreement.

## Section 8. *Transfer of Interests and Securities.*

8.01. During the Agreement Effective Period, no Consenting Stakeholder shall Transfer any ownership (including any beneficial ownership as defined in Rule 13d-3 under the Exchange Act) in any Company Claims/Interests (including First Lien Term Loans and Second Lien Term Loans) to any affiliated or unaffiliated party, including any party in which it may hold a direct or indirect beneficial interest, unless (a) in the case of the Company's Claims/Interests, the authorized transferee is either (1) a qualified institutional buyer as defined in Rule 144A of the Securities Act, (2) a non-U.S. Person in an offshore transaction as defined under Regulation S under the Securities Act, (3) an institutional accredited investor (as defined in the Rules), or (4) a Consenting Stakeholder; (b) either (i) the transferee executes and delivers to counsel to the Company Parties, at or before the time of the proposed Transfer, a Transfer Agreement or (ii) the transferee is a Consenting Stakeholder or an affiliate thereof bound by the terms of this Agreement and the transferee provides notice of such Transfer (including the amount and type of Company Claim/Interest Transferred) to counsel to the Company Parties by the close of business on the second Business Day following such Transfer, or (c) in the case of a Transfer by a Backstop Party, such transfer is made pursuant to the terms of the Backstop Commitment Letter.

8.02. Upon compliance with the requirements of Section 8.01, the transferee shall be deemed a Consenting Stakeholder, and the transferor shall be deemed to relinquish its rights (and be released from its obligations) under this Agreement to the extent of the rights and obligations in respect of such transferred Company Claims/Interests. Any Transfer in violation of this Section 8 shall be void *ab initio*.

8.03. This Agreement shall in no way be construed to preclude the Consenting Stakeholders from acquiring additional Company Claims/Interests; *provided, however*, that (a) such additional Company Claims/Interests shall automatically and immediately upon acquisition by a Consenting Stakeholder be deemed subject to the terms of this Agreement (regardless of when or whether notice of such acquisition is given to counsel to the Company Parties or counsel to the other Consenting Stakeholders) and (b) such Consenting Stakeholder must provide notice of such acquisition (including the amount and type of Company Claim/Interest acquired) to counsel to the Company Parties within five (5) Business Days of such acquisition.

8.04. This Section 8 shall not impose any obligation on any Company Party to issue any "cleansing letter" or otherwise publicly disclose information for the purpose of enabling a Consenting Stakeholder to Transfer any of its Company Claims/Interests. Notwithstanding anything to the contrary herein, to the extent a Company Party and another Party have entered into a Confidentiality Agreement, the terms of such Confidentiality Agreement shall continue to apply and remain in full force and effect according to its terms, and this Agreement does not supersede any rights or obligations otherwise arising under such Confidentiality Agreements, including any cleansing obligation thereunder.

8.05. Notwithstanding Section 8.01, a Qualified Marketmaker that acquires any Company Claims/Interests with the purpose and intent of acting as a Qualified Marketmaker for such Company Claims/Interests shall be permitted to be a transferee of Company Claims/Interests without being required to execute and deliver a Transfer Agreement in respect of such Company Claims/Interests if (i) such Qualified Marketmaker subsequently transfers such Company

Claims/Interests (by purchase, sale assignment, participation, or otherwise) within five (5) Business Days of its acquisition to a transferee that is an Entity that is not an affiliate, affiliated fund, or affiliated Entity with a common investment advisor; (ii) the transferee otherwise is a Permitted Transferee under Section 8.01; and (iii) the Transfer otherwise is a Permitted Transfer under Section 8.01. To the extent that a Consenting Stakeholder is acting in its capacity as a Qualified Marketmaker, it may Transfer (by purchase, sale, assignment, participation, or otherwise) any right, title, or interests in Company Claims/Interests that the Qualified Marketmaker acquires from a holder of the Company Claims/Interests who is not a Consenting Stakeholder without the requirement that the transferee be a Permitted Transferee. For the avoidance of doubt, if a Qualified Marketmaker acquires any Company Claims/Interests from a Consenting Stakeholder and is unable to transfer such Company Claims/Interests within the five (5) Business Day-period referred to above, the Qualified Marketmaker shall execute and deliver a Transfer Agreement in respect of such Company Claims/Interests.

8.06. Notwithstanding anything to the contrary in this Section 8, the restrictions on Transfer set forth in this Section 8 shall not apply to (i) the grant of any liens or encumbrances on any claims and interests in favor of a bank or broker-dealer holding custody of such claims and interests in the ordinary course of business and which lien or encumbrance is released upon the Transfer of such claims and interests or (ii) the grant of any liens or encumbrances in favor of any lender, noteholder, agent or trustee to secure obligations under indebtedness issued or held by a managed fund or account, including any collateralized loan obligation or collateralized debt obligation.

8.07. During the Agreement Effective Period, the Sponsor, on behalf of itself and each of its affiliates and their respective investment funds that are direct or indirect holders of existing Equity Interests (in respect of all such Company Claims/Interests presently owned and hereafter acquired) agrees to not, directly or indirectly, and shall cause the Company Parties not to, (i) make any tax classification election with respect to any Company Party (and any Company Party subsidiary); (ii) pledge, encumber, assign, sell or otherwise transfer, offer or contract to pledge, encumber, assign, sell or otherwise transfer, in whole or in part, directly or indirectly, any portion of its direct or indirect right, title, or interests in any shares, stock or other interests treated as stock for purposes of section 382 of the Internal Revenue Code of 1986, as amended (the “**Code**”) with respect to any Company Party (and any Company Party subsidiary), (iii) claim a worthlessness loss for U.S. federal income tax purposes with respect to any Equity Interests; or (iv) take any other action that would result in an “owner shift” within the meaning of section 382(g) of the Code with respect to the Company Parties; in each case, with respect to any taxable period (or portion thereof) ending on or before the Transaction Effective Date, in each case, except to the extent contemplated by the terms of this Agreement or any Definitive Document.

**Section 9. *Representations and Warranties of Consenting Stakeholders.*** Each Consenting Stakeholder severally, and not jointly, represents and warrants that, as of the date such Consenting Stakeholder executes and delivers this Agreement and as of the Transaction Effective Date:

(a) it is the beneficial or record owner of the face amount of the Company Claims/Interests or is the nominee, investment manager, or advisor for beneficial holders of the Company Claims/Interests reflected in such Consenting Stakeholder’s signature page to this

Agreement, a Joinder Agreement or a Transfer Agreement, as applicable (as may be updated pursuant to Section 8);

(b) it has the full power and authority to tender, act on behalf of, vote and consent to matters concerning, such Company Claims/Interests;

(c) such Company Claims/Interests are free and clear of any pledge, lien, security interest, charge, claim, equity, option, proxy, voting restriction, right of first refusal, or other limitation on disposition, transfer, or encumbrances of any kind, that would materially and adversely affect in any way such Consenting Stakeholder's ability to perform any of its obligations under this Agreement at the time such obligations are required to be performed;

(d) it has the full power to vote, tender, approve changes to, and transfer all of its Company Claims/Interests referable to it as contemplated by this Agreement subject to applicable Law; and

(a) it is validly existing and in good standing under the Laws of the state of its organization, and this Agreement is a legal, valid, and binding obligation of such Party, enforceable against it in accordance with its terms, except as enforcement may be limited by applicable Laws relating to or limiting creditors' rights generally or by equitable principles relating to enforceability;

(b) except as expressly provided in this Agreement, the Plan, and the Bankruptcy Code, if applicable, no consent or approval is required by any other person or Entity in order for it to effectuate the Restructuring Transactions contemplated by, and perform its respective obligations under, this Agreement;

(h) the entry of an order by the Bankruptcy Court (i) dismissing any of the Chapter 11 Cases, (ii) converting one or more of the Chapter 11 Cases of a Company Party to a case under chapter 7 of the Bankruptcy Code, (iii) appointing an examiner with expanded powers beyond those set forth in sections 1106(a)(3) and (4) of the Bankruptcy Code or a trustee in one or more of the Chapter 11 Cases of a Company Party, (iv) rejecting this Agreement, or (v) disapproving or failing to approve the DIP Orders, the New Money Investment, the Disclosure Statement, the Plan, or any of the other Definitive Documents that are subject to approval of the Bankruptcy Court and the applicable Consenting Stakeholders do not agree to modifications to address the Bankruptcy Court's objections; and

**12.05. Consenting Second Lien Lender Termination Event.** The Required Consenting Second Lien Lenders may terminate this Agreement as to all Second Lien Term Loan Claims held by the Consenting Second Lien Lenders upon prior written notice to all Parties in accordance with Section 14.10 hereof if (i) the treatment of Second Lien Term Loan Claims set forth in this Agreement (including the Restructuring Term Sheet) is modified adversely to the Consenting Second Lien Lenders, (ii) the Company Parties fail to timely pay the Second Lien Lender Consent Fee, (iii) if any of the Company Parties enter into, or announcement of their intention to enter into, a term sheet or definitive documentation relating to any Alternative Restructuring Proposal which

(y) to the extent that the Second Lien Lender Consent Fee has not been paid, does not contemplate payment of the Second Lien Lender Consent Fee and/or (z) contemplates treatment of Second Lien Term Loan Claims in a manner that is worse than the treatment of Second Lien Term Loan Claims set forth in this Agreement (including the Restructuring Term Sheet), or (iii) if any Definitive Document is inconsistent with such treatment in a manner that is adverse to the Consenting Second Lien Lenders.

**12.06. Mutual Termination.** This Agreement, and the obligations of all Parties hereunder, may be terminated by mutual written agreement among all of the following: (a) the Required Consenting Stakeholders; (b) the Sponsor; and (c) any Company Party.

**12.07. Automatic Termination.** This Agreement shall terminate automatically without any further required action or notice immediately after the Transaction Effective Date.

**12.08. Effect of Termination.**

(a) Upon the occurrence of a Termination Date as to a Party, this Agreement shall be of no further force and effect as to such Party and each Party subject to such termination shall be released from its commitments, undertakings, and agreements under or related to this Agreement and shall have the rights and remedies that it would have had, had it not entered into this Agreement, and shall be entitled to take all actions, whether with respect to the Restructuring Transactions or otherwise, that it would have been entitled to take had it not entered into this Agreement, including with respect to any and all Claims or causes of action, and no rights or remedies will be deemed waived pursuant to a claim of laches, estoppel or otherwise; *provided, however,* that in no event shall any such termination relieve any Party from liability for its breach or non-performance of its obligations under this Agreement which by their terms expressly survive termination of this Agreement. Upon the occurrence of a Termination Date prior to the Confirmation Order being entered by the Bankruptcy Court, any and all consents or ballots tendered by the Parties subject to such termination before a Termination Date shall be deemed, for all purposes, to be null and void from the first instance and shall not be considered or otherwise used in any manner by the Parties in connection with the Restructuring Transactions and this Agreement or otherwise; *provided, however,* any Consenting Stakeholder withdrawing or changing its vote pursuant to this Section 12.08 shall promptly provide written notice of such withdrawal or change to each other Party to this Agreement. Nothing in this Agreement shall be construed as prohibiting a Company Party or any of the Consenting Stakeholders from contesting whether any such termination is in accordance with its terms or to seek enforcement of any rights under this Agreement that arose or existed before a Termination Date. Except as expressly provided in this Agreement, nothing herein is intended to, or does, in any manner waive, limit, impair, or restrict any right of any Party or the ability of any Party to protect and reserve its rights (including rights under this Agreement), remedies, and interests, including its claims against any other Party. No purported termination of this Agreement shall be effective under this Section 12.08 or otherwise if the Party seeking to terminate this Agreement is in material breach of this Agreement or if such Party's failure to perform or comply with this Agreement, or such Party's actions, omissions, or delays that violated their obligations under this Agreement, directly or indirectly caused or resulted in the occurrence of one or more Termination Events. Nothing in this Section 12.08 shall restrict any Company Party's right to terminate this Agreement in accordance with Section 12.04(d). Upon termination of this Agreement, the Company Parties shall

promptly pay all Transaction Expenses through the date of such termination (and such obligation shall survive termination of this Agreement).

### **Section 13. *Amendments and Waivers.***

(a) This Agreement may not be modified, amended, or supplemented, and no condition or requirement of this Agreement may be waived, in any manner except in accordance with this Section 13.

(b) This Agreement may be modified, amended, or supplemented, or a condition or requirement of this Agreement may be waived, in a writing signed by: (i) each Company Party and (ii) the Required Consenting Stakeholders; *provided* that if the proposed modification, amendment, waiver or supplement materially and adversely affects the rights of the Sponsor, then the consent of the Sponsor shall be required to effectuate such amendment, waiver, or supplement; *provided, further*, that if the proposed modification, amendment, waiver, or supplement has a material, disproportionate, and adverse effect on any of the Claims held by a Consenting Creditor as compared to similarly situated Consenting Creditors, then the consent of each such affected Consenting Creditor shall also be required to effectuate such modification, amendment, waiver, or supplement; *provided, further*, that (w) any modification or amendment to (i) the treatment of the Second Lien Term Loan Claims under the Restructuring Term Sheet or the Plan, (ii) Section 6.01(m), or (iii) the definitions of “Second Lien Lender Consent Fee” and “Second Lien Lender Consent Fee Amount” shall require the consent of each Accepting Consenting Second Lien Lender; (x) any modification, amendment, or supplement to the definition of “Outside Date” that extends such date beyond the date that is 240 days after the Confirmation Date shall not be binding on any Consenting Creditor that has not provided its prior written consent to such amendment; (y) any modification or amendment to Section 12.05 shall require the prior written consent of each Consenting Second Lien Lender; and (z) any modification or amendment to this Section 12 shall require the consent of all Consenting Stakeholders.

(c) Any proposed modification, amendment, waiver or supplement that does not comply with this Section 13 shall be ineffective and void *ab initio*.

(d) The waiver by any Party of a breach of any provision of this Agreement shall not operate or be construed as a further or continuing waiver of such breach or as a waiver of any other or subsequent breach. No failure on the part of any Party to exercise, and no delay in exercising, any right, power or remedy under this Agreement shall operate as a waiver of any such right, power or remedy or any provision of this Agreement, nor shall any single or partial exercise of such right, power or remedy by such Party preclude any other or further exercise of such right, power or remedy or the exercise of any other right, power or remedy. All remedies under this Agreement are cumulative and are not exclusive of any other remedies provided by Law.

14.11. Independent Due Diligence and Decision Making. Each Consenting Stakeholder hereby confirms that its decision to execute this Agreement has been based upon its independent investigation of the operations, businesses, financial and other conditions, and prospects of the Company Parties.

14.12. Enforceability of Agreement. Each of the Parties to the extent enforceable waives any right to assert that the exercise of termination rights under this Agreement is subject to the automatic stay provisions of the Bankruptcy Code, and expressly stipulates and consents hereunder to the prospective modification of the automatic stay provisions of the Bankruptcy Code for purposes of exercising termination rights under this Agreement, to the extent the Bankruptcy Court determines that such relief is required.

14.13. Waiver. If the Restructuring Transactions are not consummated, or if this Agreement is terminated for any reason, the Parties fully reserve any and all of their rights. Pursuant to Federal Rule of Evidence 408 and any other applicable rules of evidence, this Agreement and all negotiations relating hereto shall not be admissible into evidence in any proceeding other than a proceeding to enforce its terms or the payment of damages to which a Party may be entitled under this Agreement.

14.14. Specific Performance. It is understood and agreed by the Parties that money damages would be an insufficient remedy for any breach of this Agreement by any Party, and each non-breaching Party shall be entitled to specific performance and injunctive or other equitable relief (without the posting of any bond and without proof of actual damages) as a remedy of any such breach, including an order of the Bankruptcy Court or other court of competent jurisdiction requiring any Party to comply promptly with any of its obligations hereunder.

14.15. Several, Not Joint, Claims. Except where otherwise specified, the agreements, representations, warranties, and obligations of the Parties under this Agreement are, in all respects, several and neither joint nor joint and several.

14.16. Severability and Construction. If any provision of this Agreement shall be held by a court of competent jurisdiction to be illegal, invalid, or unenforceable, the remaining provisions shall remain in full force and effect if essential terms and conditions of this Agreement for each Party remain valid, binding, and enforceable.

14.17. Remedies Cumulative. All rights, powers, and remedies provided under this Agreement or otherwise available in respect hereof at Law or in equity shall be cumulative and not alternative, and the exercise of any right, power, or remedy thereof by any Party shall not preclude the simultaneous or later exercise of any other such right, power, or remedy by such Party.

14.18. Capacities of Consenting Stakeholders. Subject to Section 12.05, each Consenting Stakeholder has entered into this agreement on account all Company Claims/Interests that it holds (directly or through discretionary accounts that it manages or advises) and shall take or refrain from taking all actions that it is obligated to take or refrain from taking under this Agreement with respect to all such Company Claims/Interests.

14.19. Survival. Notwithstanding (i) any Transfer of any Company Claims/Interests in accordance with this Agreement or (ii) the termination of this Agreement in accordance with its terms, the agreements and obligations of the Parties in Section 14 and the Confidentiality Agreements shall survive such Transfer and/or termination and shall continue in full force and effect for the benefit of the Parties in accordance with the terms hereof and thereof. For the avoidance of doubt, the Parties acknowledge and agree that if this Agreement is terminated pursuant to Section 12.07, Section 14 shall survive such termination.

14.20. Confidentiality and Publicity. Other than as may be required by applicable Law and regulation or by any governmental or regulatory authority, no Party or its advisors shall disclose to any person (including for the avoidance of doubt, any other Consenting Stakeholder), other than legal, accounting, financial and other advisors to the Company Parties (who are under obligations of confidentiality to the Company Parties with respect to such disclosure, and whose compliance with such obligations the Company Parties shall be responsible for), (i) the principal amount or percentage of the Company Claims/Interests held by any Consenting Stakeholder or any of its respective subsidiaries (including, for the avoidance of doubt, any Company Claims/Interests acquired pursuant to any Transfer), or (ii) the name of any Consenting Creditor; *provided, however,* that any Party shall be permitted to disclose at any time the aggregate principal amount of, and aggregate percentage of, any class of the Company Claims/Interests held by the Consenting Stakeholders collectively. Notwithstanding the foregoing, the Consenting Stakeholders hereby consent to the disclosure of the execution, terms and contents of this Agreement by the Company Parties in the Definitive Documents or as otherwise required by law or regulation; *provided, however,* that (i) if any of the Company Parties determines that they are required to attach a copy of this Agreement, any Joinder or Transfer Agreement to any Definitive Documents or any other filing or similar document relating to the transactions contemplated hereby, they will redact any reference to or concerning a specific Consenting Stakeholder's holdings of Company Claims/Interests (including before filing any pleading with the Bankruptcy Court) and (ii) if disclosure of additional identifying information of any Consenting Stakeholders is required by applicable Law, advance notice of the intent to disclose, if permitted by applicable Law, shall be given by the disclosing Party to each Consenting Stakeholder (who shall have the right to seek a protective order prior to disclosure). The Company Parties further agree that such

information shall be redacted from “closing sets” or other representations of the fully executed Agreement, any Joinder or Transfer Agreement. The Company Parties will submit to the Ad Hoc Group Advisors all press releases, public filings, public announcements or other communications with any news media, in each case, to be made by the Company Parties relating to this Agreement or the transactions contemplated hereby and any amendments thereof at least two (2) Business Days (it being understood that such period may be shortened to the extent there are exigent circumstances that require such public communication to be made to comply with applicable Law) in advance of release. Nothing contained herein shall be deemed to waive, amend or modify the terms of any Confidentiality Agreement.

14.21. Email Consents. Where a written consent, acceptance, approval, or waiver is required pursuant to or contemplated by this Agreement, pursuant to Section 3.02, Section 13 or otherwise, including a written approval by the Company Parties or the Required Consenting Stakeholders, as applicable, such written consent, acceptance, approval, or waiver shall be deemed to have occurred if, by agreement between counsel to the Parties submitting and receiving such consent, acceptance, approval, or waiver, it is conveyed in writing (including electronic mail) between each such counsel without representations or warranties of any kind on behalf of such counsel.

IN WITNESS WHEREOF, the Parties hereto have executed this Agreement on the day and year first above written.

<b>Affiliate Transactions:</b>	All transactions with affiliates of the Company (including portfolio companies of equity holders) will require approval of a majority of the disinterested Managers (subject to customary exceptions).
<b>Transfers:</b>	Subject to customary requirements and compliance with the tag-along below, equityholders may transfer any of their equity interests other than transfers to (i) competitors of the Company or any of its subsidiaries or (ii) partners that are on a disqualified lender list under the Company's then-existing credit facilities or any of their affiliates (each, a " <b>Disqualified Lender</b> ").
<b>Tag-Along Rights:</b>	Holders that were members of the Ad Hoc Group that hold 1% or more of the outstanding interests of the Company and other holders of at least 2% of the outstanding interests of the Company will have customary tag-along rights over any transfer by holders (or a group of holders) of at least 50% of the outstanding units of the Company to non-affiliated third parties.
<b>Drag-Along Rights:</b>	The equityholders will be subject to customary drag-along rights, triggered with the consent of equityholders holding a majority of the then issued and outstanding interests of the Company of a sale of the business, subject to customary minority protections (e.g., all dragged equityholders shall receive the same consideration (excluding the opportunity to participate in new money transactions with the purchaser/transferee or bona fide transaction fees earned by certain holders) and, excluding equityholders that are employees of the Company or its subsidiaries, execute the same agreement in connection with any such sale of the business).
<b>Minority Liquidity Right:</b>	For so long as (x) Clearlake (together with its affiliates and related funds) has acquired and continues to hold greater than sixty-six percent (66%) of the outstanding interests of the Company and (y) at least one (1) former member of the Ad Hoc Group (an " <b>AHG Triggering Holder</b> ") (together with its affiliates and related funds) holds at least fifty percent (50%) of the interests of the Company that it (together with its affiliates and related funds) held as of the Effective Date, then (x) at any time following the fifth

	<p>anniversary of the Effective Date, but not more than once and (y) at the election of a majority of the equityholders (including at least one AHG Triggering Holder) other than Clearlake and its affiliates (and without giving effect to any interests issued pursuant to any management incentive plan or any similar management equity issuances): the Company will establish a three-member special committee (the “<b>Special Committee</b>”), which shall include the Minority Manager, the AHG Manager (if any) and one (1) Clearlake Manager selected by Clearlake, to oversee a sale process for the Company (the “<b>Minority Liquidity Right</b>”). The Special Committee shall have the right to cause the Company to engage an investment bank or similar financial advisor reasonably acceptable to Clearlake and shall have the authority to cause the Company to agree to and effectuate a sale of the Company.</p> <p>In the event that the Minority Liquidity Right is exercised, prior to commencement of a sale process, the Company will provide written notice to Clearlake of such event and Clearlake will have the right to acquire all of the outstanding equity interests of the Company not then-held by Clearlake or its affiliates at a price per unit established by a third-party valuation of the Company prepared by an independent nationally-recognized valuation firm (without giving effect to any minority discount) (the “<b>Valuation Price</b>”). If Clearlake elects not to acquire all of the outstanding equity interests of the Company not then held by Clearlake or its affiliates at the Valuation Price, then the Special Committee will proceed with the sale process for the Company.</p>
<b>Preemptive Rights:</b>	<p>Equityholders that were members of the Ad Hoc Group that (together with their affiliates and related funds) hold more than 1% of the then outstanding interests of the Company and any other equityholders that (together with their affiliates and related funds) holds at least 2% of the outstanding interests of the Company (excluding any Disqualified Lender) shall have customary pro rata preemptive rights on equity issuances by the Company and its subsidiaries and debt issuances by the Company and its subsidiaries to any of the Company’s equityholders, in each case subject to customary exceptions.</p>
<b>Information Rights:</b>	<p>Consistent with the Reporting Obligations set forth in the Restructuring Term Sheet.</p> <p>In addition, the Company shall furnish to the equityholders, upon reasonable request, any information reasonably required by the equityholders in connection with their public reporting or tax reporting obligations, to the extent such information is reasonably available to the Company. In no event will any financial information required to be furnished be required to include any information required by, or to be prepared or approved in accordance with, or otherwise be subject to, any provision of Section 404 of the Sarbanes-Oxley Act of 2002 or any rules, regulations, or accounting guidance adopted pursuant to that section.</p>
<b>Registration Rights:</b>	<p>Following an initial public offering, one or more equityholders holding (together with their affiliates and related funds) at least 20% of the then outstanding interests will be entitled to customary demand rights and all equityholders holding (together with their affiliates and related funds) at least 5% of the then outstanding equity interests will be entitled to customary piggyback rights after an initial public offering, subject to customary lockups and underwriter cut-backs; <i>provided</i> that any</p>

	underwriter cut-backs in a demand registration shall be on a pro rata basis among the equityholders that elect to participate. Customary expenses and indemnification provisions will be included as part of the registration rights.
<b>Corporate Opportunities; Fiduciary Duties:</b>	To the fullest extent permitted by applicable law, the Company will waive the doctrine of corporate opportunities and any applicable fiduciary duties, in each case, other than such Managers that are employees or officers of the Company.
<b>Amendments:</b>	Amendments to the organizational documents of the Company (the “ <i>Equity Documents</i> ”) must be approved by the Board and by the equityholders holding a majority of the then outstanding interests, including Clearlake for so long as Clearlake (together with its affiliates and related funds) owns more than thirty percent (30%) of the outstanding interests; <i>provided</i> that amendments (i) to the provisions related to board rights, transfer restrictions, tag-along rights, drag-along rights, strategic review process, pre-emptive rights, information rights, affiliate transactions or the amendment provision (other than de minimis changes that affect all holders proportionately), or any waiver of any material provision related to any of the foregoing, shall require the affirmative consent of the holders of at least eighty percent (80%) of the then outstanding interests (including, with respect to the provisions related to the Minority Manager, affiliate transactions, free transferability of interests, tag-along rights, pre-emptive rights and information rights, the affirmative consent of each Holder that was a member of the Ad Hoc Group); (ii) that would have a materially disproportionate and adverse effect on a specific equityholder or group of equityholders as compared to other equityholders, shall require the approval of a majority of the interests held by such disproportionately impacted equityholders; (iii) that would alter the rights expressly granted to a equityholder in the Equity Documents, including the right to designate a Manager to the Board, shall require the approval of such equityholder or (iv) that would alter this amendment provision shall require the approval of each equityholder.

**Exhibit C**

**Liquidation Analysis**

## LIQUIDATION ANALYSIS<sup>1</sup>

### **I. INTRODUCTION**

The above-captioned debtors and debtors in possession (collectively, the “Debtors”) intend to file chapter 11 cases in the United States Bankruptcy Court for the District of New Jersey (“Bankruptcy Court”) and seek confirmation of a chapter 11 plan (the “Chapter 11 Plan”).

Section 1129(a)(7) of the Bankruptcy Code, often called the “best interests test,” requires that a bankruptcy court find, as a condition of confirmation, that the chapter 11 plan provides, with respect to each impaired class, that each holder of an allowed claim in that impaired class either (i) has accepted the chapter 11 plan, or (ii) will receive or retain under the plan property of a value, as of the effective date of the plan, that is not less than the value such non-accepting holders would so receive or retain if the debtors were liquidated under Chapter 7 of the Bankruptcy Code (“Chapter 7”).

Accordingly, to demonstrate that the proposed Chapter 11 Plan satisfies the “best interests test”, the Debtors, with assistance from FTI Consulting, Inc. (“FTI”), the Debtors’ restructuring advisors, prepared the following hypothetical liquidation analysis (“Liquidation Analysis”) of the Debtors and non-Debtor affiliates (together, the “Company”), in connection with the Chapter 11 Plan and the Disclosure Statement. While we understand that the assets of certain non-Debtor affiliates may not be available for distribution to the Debtors’ creditors if the Debtors were liquidated under Chapter 7, FTI has included all Affiliates in the Liquidation Analysis to comprehensively estimate any residual equity value the Debtors may have in non-Debtor Affiliates.

The Liquidation Analysis indicates the estimated recoveries that may be obtained by Classes of Claims or Interests assuming a hypothetical liquidation upon disposition of the Company’s assets as an alternative to the Plan under Chapter 7 or similar liquidation proceedings under the applicable jurisdictions (each, a “Liquidation Proceeding”). Accordingly, the values discussed in the Liquidation Analysis may be different from amounts referred to in the Plan. The Liquidation Analysis is based on certain assumptions in the Disclosure Statement and in the accompanying notes to the Liquidation Analysis.

### **II. STATEMENT OF LIMITATIONS**

The determination of the costs of, and proceeds from, the hypothetical liquidation of the Company’s assets in a Liquidation Proceeding is an uncertain process involving the extensive use of significant estimates and assumptions that, although considered reasonable by FTI and the Debtors based upon their business judgment and input from certain of their advisors, are inherently subject to significant business, economic, and competitive uncertainties and contingencies beyond the control of the Debtors, their management, and their advisors. Inevitably, some assumptions in the Liquidation Analysis would not materialize in, and unanticipated events and circumstances could materially affect the ultimate results of, an actual Liquidation Proceeding. The Liquidation Analysis was prepared for the sole purpose of generating a reasonable good-faith estimate of the proceeds that would be generated if the Company’s assets were liquidated in a Liquidation Proceeding. The Liquidation Analysis is not intended and should not be used for any other purpose. The underlying financial information in the Liquidation Analysis was not compiled or examined by independent accountants in accordance with standards promulgated by the American Institute of Certified Public Accountants.

---

<sup>1</sup> Capitalized terms used but not otherwise defined herein have the meanings ascribed to such terms in the *Disclosure Statement for the Joint Prepackaged Plan of Reorganization of Pretium Packaging, L.L.C. and its Debtor Affiliates* (as may be amended, supplemented, or otherwise modified from time to time, and including all exhibits and supplements thereto, the “Disclosure Statement”), to which this Liquidation Analysis is attached as Exhibit C, or the *Joint Prepackaged Plan of Reorganization of Pretium Packaging, L.L.C and its Debtor Affiliates* (as may be amended, supplemented, or otherwise modified from time to time, and including all exhibits and supplements thereto, the “Plan”), attached to the Disclosure Statement as Exhibit A.

NEITHER FTI, THE DEBTORS, NOR THEIR ADVISORS MAKE ANY REPRESENTATION OR WARRANTY THAT THE ACTUAL RESULTS WOULD OR WOULD NOT APPROXIMATE THE ESTIMATES AND ASSUMPTIONS REPRESENTED IN THE LIQUIDATION ANALYSIS. ACTUAL RESULTS COULD VARY MATERIALLY. NOTHING CONTAINED IN THIS LIQUIDATION ANALYSIS IS INTENDED TO BE, OR CONSTITUTES, A CONCESSION, ADMISSION, OR ALLOWANCE OF ANY CLAIM BY THE DEBTORS. THE ACTUAL AMOUNT OR PRIORITY OF ALLOWED CLAIMS IN THE CHAPTER 11 CASES COULD MATERIALLY DIFFER FROM THE ESTIMATED AMOUNTS SET FORTH AND USED IN THIS LIQUIDATION ANALYSIS. FTI AND THE DEBTORS RESERVE ALL RIGHTS TO SUPPLEMENT, MODIFY, OR AMEND THE ANALYSIS SET FORTH HEREIN.

### **III. OVERVIEW AND GENERAL ASSUMPTIONS**

Hypothetical recoveries set forth in this Liquidation Analysis were determined through multiple steps, as set forth below. This Liquidation Analysis has been prepared assuming that the Debtors convert their Chapter 11 Cases to cases under Chapter 7 on or about February 20, 2026 (the “Conversion Date”). Unless otherwise noted, the basis of the Liquidation Analysis is the Company’s estimated cash balance as of Conversion Date and non-cash assets as of November 30, 2025, in addition to the estimated net costs of the applicable Liquidation Proceedings. The Liquidation Analysis assumes that on or about the Conversion Date, the Debtors would commence a Chapter 7 liquidation under the supervision of a single court appointed Chapter 7 trustee. The selection of a separate Chapter 7 trustee for one or more of the Estates likely would result in substantially higher administrative expenses associated with the Chapter 7 cases from a large duplication of effort by each trustee and his or her professionals. In addition, the selection of separate Chapter 7 trustees likely would give rise to complicated, expensive, and time-consuming disputes regarding certain inter-Debtor issues. The Liquidation Analysis reflects the wind down and liquidation of substantially all the Company’s remaining assets and the distribution of available proceeds to holders of Allowed Claims during the period after the Conversion Date. In addition, the Liquidation Analysis does not include recoveries resulting from any potential preference, fraudulent transfer, or other litigation or avoidance actions.

#### Summary Notes to Liquidation Analysis

- 1. Dependence on Assumptions.** The Liquidation Analysis depends on a number of estimates and assumptions. Although developed and considered reasonable by FTI and management, the assumptions are inherently subject to significant economic, business, regulatory and competitive uncertainties, and contingencies beyond the control of the Debtors or their management. The Liquidation Analysis is also based on FTI’s best judgment of how numerous decisions in the liquidation process would be resolved. Accordingly, there can be no assurance that the values reflected in the Liquidation Analysis would be realized if the Company were, in fact, to undergo such a liquidation and actual results could vary materially and adversely from those contained herein.
- 2. Chapter 7 Funding.** The Chapter 7 cases are assumed to be funded by cash on hand and liquidation of assets.
- 3. Chapter 7 liquidation process.** The liquidation of the Company’s assets is assumed to be completed over a three-month period inside of a Chapter 7 case managed by the Chapter 7 trustee. The Chapter 7 trustee would manage the Estates to maximize recovery to creditors as expeditiously as possible and would appoint professionals (attorneys, investment bankers, financial advisors, liquidators, accountants, consultants, appraisers, experts, etc.) to assist in the liquidation and wind down of the Estates. The Chapter 7 trustee would oversee the liquidation of the Company’s inventory, the collection of outstanding accounts receivable, and the monetization of other assets owned by the Company. Shortly after the Conversion Date, all manufacturing and purchasing operations would cease, and an essential team of Company staff would be retained. As the sale progresses, personnel would decrease proportionately as the remaining volume of inventory decreases and operating facilities close. Furniture, fixtures, and equipment would also be sold during this period. During the remaining period, the Chapter 7 trustee would primarily focus on monetizing other assets such as real estate assets, ground leases, intellectual property, and other remaining personal property and equipment, as well as administrative activities such as claims reconciliation, distributions to Holders of Claims, and other activities necessary to wind down the Estates. At the end of this period, any remaining operating leases would be rejected and the premises turned over to the landlords.
- 4. Claims Estimates.** In preparing this Liquidation Analysis, the Debtors estimated unpaid principal for the various funded debt obligations on the balance sheet as of the Conversion Date. The Debtors also rely on their books and

records, where applicable, to estimate the amount of Administrative Claims, Priority Tax Claims, Other Priority Claims, and General Unsecured Claims for purposes of this Liquidation Analysis. No order or finding has been entered or made by the Bankruptcy Court estimating or otherwise fixing the amount of Claims at the estimated amounts of Allowed Claims set forth in this Liquidation Analysis. The estimate of the amount of Allowed Claims set forth in this Liquidation Analysis should not be relied upon for any other purpose, including, without limitation, any determination of the value of any distribution to be made on account of Allowed Claims under the Plan. The actual amount of Allowed Claims could be materially different from the amount of Claims estimated in this Liquidation Analysis.

#### IV. CONCLUSION

**THE DEBTORS HAVE DETERMINED, AS SUMMARIZED IN THE FOLLOWING ANALYSIS AND ARTICLE III OF THE DISCLOSURE STATEMENT, THAT CONFIRMATION OF THE PLAN WILL PROVIDE CREDITORS WITH A RECOVERY THAT IS NOT LESS THAN WHAT THEY WOULD OTHERWISE RECEIVE IN CONNECTION WITH A LIQUIDATION OF THE DEBTORS UNDER CHAPTER 7 OF THE BANKRUPTCY CODE OR SIMILAR LIQUIDATION PROCEEDINGS IN THE APPLICABLE JURISDICTIONS.**

### Specific Notes to the Liquidation Analysis

#### Monetization Proceeds

**A. Cash and Cash Equivalents:** Cash and Cash Equivalents consists of cash in the Debtors' bank accounts and highly liquid investment securities that have original maturities of three months or less. This Liquidation Analysis assumes that the Company would not generate additional cash from operation after the Conversion Date. The Debtors estimate that they will have approximately \$16.0 million of Cash and Cash Equivalents balance as of the Conversion Date, which will have an estimated recovery rate of 100%. This Liquidation Analysis further assumes that all cash on the balance sheet is available for distribution.

**B. Accounts Receivable:** Accounts receivable consists of all third-party trade accounts. This balance does not include any intercompany accounts receivable against other Debtors. The Debtors' accounts receivable against non-Debtor affiliates, and related estimated recoveries, are captured in a separate row (refer to Note G). Third-party accounts receivable balances have an estimated recovery rate of 70-80%.

**C. Inventories:** Inventory primarily consists of raw materials and finished goods with estimated recovery rates of 40-60% and 50-70%, respectively. These recovery rates are generally consistent with the orderly liquidation values utilized to calculate the Debtors' borrowing base under the ABL Credit Agreement, which are supported by inventory appraisals performed by third parties.

**D. Other Current Assets and Prepaids:** Other current assets generally consist of deposits and various prepaid obligations such as insurance, rent, and taxes. These assets have an estimated recovery rate of 5-15% due to potential rights of setoff and other claims the counterparty may have against the Debtors when the Debtors vacate locations and reject leases and executory contracts after the Conversion Date.

**E. Property, Plant & Equipment:** The Debtors' PP&E consist of machinery, equipment and tooling, leasehold improvements, furniture & fixtures, computer hardware/software, and construction in process. It also includes accounting entries in connection with certain leases for manufacturing facilities, warehouses and office space, including right-of-use (ROU) assets and corresponding liabilities associated with future payment obligations. Estimated recovery rates include:

- Right-of-Use Assets: No recovery assumed because all leases would be rejected in the Liquidation Proceedings
- Building & leasehold improvements and construction in process: No recovery due to counterparties' potential rights of setoff and other claims against the Debtors
- Machinery, Equipment and Tooling: 35-55% recovery rate
- Furniture & Fixtures (including IT assets): 10-20% recovery rate

**F. Intangible Assets:** The Debtors' intangible assets include intellectual property, including trademarks, and other intangible assets such as customer relationships, deferred financing fees, and goodwill recorded for past acquisitions where the purchase price exceeded the acquired company's book values. Estimated recovery rates include:

- Intellectual property (trademarks): 15-25% recovery rate
- Intangible assets other than IP:
  - Customer relationships: 10-20% recovery rate if the Chapter 7 trustee can generate a competitive environment to acquire OEM customer relationships and related trademarks
  - Acquisition goodwill and deferred financing fees: No recovery

**G. Claims Against Non-Debtor Affiliates:** Includes estimated recoveries on intercompany claims against non-Debtor affiliates if, after the Conversion Date, non-Debtor affiliates were liquidated using similar processes and timelines as the Debtors. The Debtors' unsecured Intercompany Claims against their non-Debtor affiliates are treated as *pari passu* with the Claims of other unsecured third-party creditors.

Intercompany Claims considered in the analysis include an intercompany note receivable with Mexico (\$57.5 million) and various net amounts owed from non-Debtor affiliates to Debtor affiliates (\$182.9 million) for normal course activity such as the sale or transfer of inventory, cash transfers, administrative services provided and other normal course activity supporting the non-Debtor affiliates.

This analysis excludes intercompany notes and balances among the other Debtors and de minimis shareholder loans with executives.

**H. Equity in Non-Debtor Affiliates:** No recovery assumed as the estimated claims pools for non-Debtor affiliates (including third-party Claims and the Intercompany Claims described above) exceed the estimated net monetization proceeds of the assets at each silo of non-Debtor affiliates.

## **Liquidation Costs**

### **I. Estimated Liquidation Costs**

**Wind-Down / Operating Expenses:** The Liquidation Analysis assumes the cessation of the Debtors' ordinary course operations as of the Conversion Date. The Debtors anticipate the Chapter 7 trustee incurring costs to wind-down the business in an orderly manner, including continuation of certain leases and service arrangements following the Conversion Date in order to secure books and records and allow for access to physical assets during the liquidation period. This Liquidation Analysis assumes that orderly liquidation of the Debtors' assets to last at least three months. During that period, the Company is assumed to continue paying certain employees, rent, utilities, and other direct operating expenses at certain sites in order to effect the wind-down. A blended cost as a percentage of gross liquidation proceeds is assumed to be 5.0% to 7.0%.

**Chapter 7 Trustee Fees:** Section 326(a) of the Bankruptcy Code provides for fees payable to the trustee of 25% of the first \$5,000 distributed, 10% over \$5,000 but less than \$50,000 distributed, 5% over \$50,000 but less than \$1 million distributed and 3.0% in excess of \$1 million distributed.

**Chapter 7 Legal Fees & Financial Advisors:** Professional fees include estimates for certain legal and financial advisory professionals engaged by the Chapter 7 trustee during the wind-down period. These professionals are assumed to be paid 2.0% to 4.0% of the gross liquidation proceeds, excluding cash.

## **Claims Recovery Analysis**

### **J. DIP Claims**

**DIP ABL Claims:** Expected recovery of 100%.

**DIP Term Loan Claims:** Expected recovery range of 31-49%.

### **K. Secured Funded Debt Claims**

**ABL Claims:** unimpaired; prepetition ABL Claims assumed to have been fully rolled into DIP ABL Claims as of the Conversion Date.

**First Lien Tranche A Claims:** unimpaired; prepetition First Lien Tranche A Claims assumed to be paid in full with proceeds from DIP Term Loans shortly after the entry of the Interim DIP Order.

**First Lien Tranche A-1 Claims:** Expected to have no recovery.

**Second Lien Claims:** Expected to have no recovery.

**L. Other Claims**

All other Claims, including Administrative Claims, Other Priority Claims, Priority Tax Claims, General Unsecured Claims, Existing Interests, or Section 510(b) Claims are expected to have no recovery. The estimated amount of Administrative Claims, Priority Tax Claims, Other Secured Claims, and General Unsecured Claims includes Claims that would have otherwise been satisfied in the ordinary course during the Chapter 11 Cases and Claims that would arise in a Liquidation Proceeding, such as damages from rejecting executory contracts and unexpired leases.

**Financial Projections**

## Financial Projections<sup>1</sup>

The financial projections for the Debtors are based on the Debtors' budget for the remainder of the fiscal year ended September 30, 2026, and for fiscal years 2027–2031 (the "Financial Projections"), as informed by the current and projected conditions in the Debtors' market and business.

The Financial Projections were prepared by the Debtors' management with the assistance of the Debtors' advisors and are based on assumptions developed by management with respect to the future performance of the Debtors' operations. Although management prepared the Financial Projections in good faith and believes the assumptions to be reasonable, there can be no assurances that such assumptions will be realized. As described in detail in the Disclosure Statement, a variety of risk factors could affect the Debtors' financial results and must be considered. Accordingly, the Financial Projections should be reviewed in conjunction with a review of the risk factors set forth in Article VIII of the Disclosure Statement and the assumptions described herein, including all relevant qualifications and footnotes.

The Debtors believe that the Plan meets the feasibility requirements set forth in section 1129(a)(11) of the Bankruptcy Code, as confirmation of the Plan is not likely to be followed by a liquidation or the need for further financial reorganization of the Debtors or any successor under the Plan. In connection with the planning and development of the Plan and for the purposes of determining whether the Plan would satisfy this feasibility standard, the Debtors analyzed their ability to satisfy their financial obligations while maintaining sufficient liquidity and capital resources.

The Financial Projections were not prepared with a view toward compliance with published guidelines of the United States Securities and Exchange Commission (the "SEC") or guidelines established by the American Institute of Certified Public Accountants for preparation and presentation of prospective financial information. An independent auditor has not examined, compiled, or performed any procedures with respect to the prospective financial information contained in these Financial Projections and, accordingly, it does not express an opinion or any other form of assurance on such information or its attainability.

The Debtors do not intend to and have no obligations to: (a) furnish updated Financial Projections to Holders of Claims or Interests prior to the Effective Date or to any other party after the Effective Date; (b) include any such updated information in any documents that may be required to be filed with the SEC; or (c) otherwise make such updated information publicly available.

---

<sup>1</sup> Capitalized terms used but not otherwise defined herein have the meanings ascribed to such terms in the *Joint Prepackaged Chapter 11 Plan of Reorganization of Pretium Packaging, L.L.C. and Its Debtor Affiliates* (the "Plan") or the *Disclosure Statement for the Joint Prepackaged Chapter 11 Plan of Reorganization of Pretium Packaging, L.L.C. and Its Debtor Affiliates* (the "Disclosure Statement"), as applicable.

## **Principal Assumptions for the Financial Projections**

Evercore Group L.L.C. (“Evercore”), the Debtors’ investment banker, relied on the Debtors’ representation and warranty that the Financial Projections provided by the Debtors to Evercore (a) have been prepared in good faith, (b) are based on fully disclosed assumptions that are reasonable in light of the circumstances under which they were made, (c) reflect the Debtors’ best currently available estimates, and (d) reflect the good faith judgments of the Debtors. Evercore does not offer an opinion as to the attainability of the Financial Projections.

The future financial performance of the Reorganized Debtors is contingent on various factors, many of which are beyond the control or knowledge of the Debtors, and consequently, are inherently difficult to predict. The Reorganized Debtors’ actual future results may differ materially from these Financial Projections. *See Section Article VIII of the Disclosure Statement entitled “Risk Factors”.* In addition, the assumptions underlying the Financial Projections do not take into account the uncertainty and disruption of the business that may accompany a restructuring pursuant to the Bankruptcy Code.

In deciding whether to vote to accept or reject the Plan, Holders of Claims entitled to vote must make their own determinations as to the reasonableness of such assumptions and the reliability of the Financial Projections. *See Article VIII of the Disclosure Statement entitled “Risk Factors”.*

The Financial Projections reflect the operational emergence from chapter 11, but not the impact of fresh-start accounting that may be required upon the Effective Date pursuant to FASB Accounting Standards Codification Topic 852, Reorganizations. Fresh-start accounting requires all assets, liabilities, and equity instruments to be valued at “fair value.” The Financial Projections account for the reorganization and related transactions pursuant to the Plan. While the Debtors may be required to implement fresh-start accounting upon emergence, they have not yet completed the work required to quantify the effect upon the Financial Projections, which could be material.

## **Safe Harbor Under the Private Securities Litigation Reform Act of 1995**

The Financial Projections contain statements that constitute “forward-looking statements” within the meaning of the Securities Act and the Securities Exchange Act. Forward-looking statements in the Financial Projections include the intent, belief, or current expectations of the Debtors and management with respect to the timing of, completion of, and scope of the current restructuring, the Plan, the Debtors’ business plan, market conditions and the Debtors’ future liquidity, as well as the assumptions upon which such statements are based.

While the Debtors believe that the expectations are based on reasonable assumptions within the bounds of their knowledge of their business and operations, parties-in-interest are cautioned that any such forward-looking statements are not guarantees of future performance, involve risks and uncertainties, and that actual results may differ materially from those contemplated by such forward-looking statements.

## Select Risk Factors Related to the Financial Projections

The Financial Projections are subject to inherent risks and uncertainties, most of which are difficult to predict and many of which are beyond the Debtors' management team's control. Many factors could cause actual results, performance, or achievements to differ materially from any future results, performance, or achievements expressed or implied by these forward-looking statements. A description of the risk factors associated with the Plan, the Disclosure Statement, and the Financial Projections is included in Article VIII of the Disclosure Statement.

## General Assumptions and Methodology

The Financial Projections are based on the Debtors' business plan. The Financial Projections were informed by current and projected conditions in the Debtors' markets and prepared on a holistic basis to reflect the combined results of their entire business, inclusive of Debtor and non-Debtor activity. The Financial Projections consist of the following non-GAAP unaudited pro forma financial statements: (a) projected income statement, (b) projected balance sheet, and (c) projected cash flow statement.

The Financial Projections have been prepared using accounting policies that are materially consistent with those applied in the Company's historical financial statements. The Financial Projections (a) are based upon current and projected market conditions in which the Company operates; (b) are forecasted by the Company's primary business segments; (c) assume emergence from the Chapter 11 Cases on the Effective Date under terms substantially similar to those set forth in the Plan; and (d) reflect capital expenditures related to normal course maintenance and other investments necessary to run the business during the Projection Period. Assumptions have not been made to depreciation and amortization to reflect fresh-start accounting.

The Financial Projections reflect numerous assumptions, including various assumptions regarding the anticipated future performance of the Debtors, industry performance, general business and economic conditions, and other matters. Therefore, although the Financial Projections are necessarily presented with numerical specificity, the actual results achieved during the Projection Period may vary from the projected results.

## Select Projected Consolidated Income Statement Assumptions

- **Revenue:** The Debtors' revenues are derived from the sale of plastic bottles, jars, closures, trays, and other containers to thousands of customers in the food and beverage, nutrition and wellness, household and commercial chemicals, healthcare, and personal care industries.
- **Cost of Goods Sold:** Cost of Goods Sold ("COGS") primarily includes raw materials (resin) and labor expenses. COGS also include costs associated with freight, M&R, supplies, utilities, other manufacturing overhead, and miscellaneous costs associated with the production of finished goods.
- **SG&A:** Consist of salaries and commissions, professional fees, office expenses, and other corporate administrative and technology costs not allocated to COGS.
- **Interest:** Based on the pro forma capital structure contemplated by the Plan on the Effective Date.

- **Taxes:** Consist of projected state and local cash taxes for the respective periods using a predetermined tax rate based on historical trends.
- **Adjusted EBITDA:** Adjusted EBITDA (a non-GAAP metric) is utilized by management to evaluate the performance of the business and excludes the impact of what management believes are non-recurring or one-time impacts to the Reorganized Debtors' financial statements.

### Select Projected Balance Sheet Assumptions

The projected consolidated pro forma balance sheet considers the pro forma capital structure based on cancellation of prepetition debt or other liabilities and the incurrence of Exit Facilities in accordance with the Plan. Actual balances may vary from those reflected in the opening balance sheet due to variances in projections and potential changes in cash needed to consummate the Plan. The actual terms of the Exit Facilities will be set forth in the Exit Facility Documents, the substantially final form of which will be included in the Plan Supplement.

The Debtors' post-emergence capital structure is assumed to consist of the following:

1. \$100 million Exit ABL Facility assumed to pay cash interest monthly at SOFR + 175.
2. \$496 million Exit First-Out Term Loans maturing in December 2030 assumed to pay cash interest quarterly at SOFR + 525.
3. \$499 million Exit Second-Out Term Loans maturing in December 2031 assumed to pay cash interest quarterly at SOFR + 480 with an additional 120 in interest, payable in kind.

The balance sheet does not reflect the impact of "fresh start" accounting, which could result in a change to the projected values of assets and liabilities.

### Select Projected Cash Flow Statement Assumptions

**Working Capital:** Changes in working capital primarily consist of changes in accounts receivable, inventory, prepaid expenses and other current assets, accounts payable, and accrued expenses.

**Capital Expenditures:** Based on the Debtor's capital plan necessary to maintain operations, as well as capital expenditures related to the growth in the business.

**Proceeds / (Repayment) on Debt:** Proceeds and repayments are projected based on the terms of the capital structure contemplated by the Plan.

## **VALUATION ANALYSIS**

**THE ANALYSIS SET FORTH HEREIN (THIS “VALUATION ANALYSIS”) REPRESENTS ESTIMATED DISTRIBUTABLE VALUE FOR THE DEBTORS AND DOES NOT NECESSARILY REFLECT VALUES THAT COULD BE ATTAINABLE IN THE PUBLIC OR PRIVATE MARKETS. THE ESTIMATED VALUE OF THE NEW EQUITY SET FORTH HEREIN DOES NOT PURPORT TO BE AN ESTIMATE OF THE POST-REORGANIZATION MARKET VALUE OF THE REORGANIZED DEBTORS. THIS VALUATION IS PRESENTED SOLELY FOR THE PURPOSE OF PROVIDING ADEQUATE INFORMATION AS REQUIRED BY SECTION 1125 OF THE BANKRUPTCY CODE TO ENABLE THE HOLDERS OF CLAIMS ENTITLED TO VOTE TO ACCEPT OR REJECT THE PLAN TO MAKE AN INFORMED JUDGMENT ABOUT THE PLAN AND SHOULD NOT BE USED OR RELIED UPON FOR ANY OTHER PURPOSE.**

### **I. INTRODUCTION**

In connection with developing the *Joint Prepackaged Chapter 11 Plan of Reorganization of Pretrium Packaging, L.L.C. and Its Debtor Affiliates* (the “Plan”),<sup>1</sup> the Debtors directed their investment banker, Evercore Group L.L.C. (“Evercore”), to prepare this Valuation Analysis estimating the going-concern value of the Reorganized Debtors. This Valuation Analysis has been prepared for the Debtors’ sole use and is based on information that the Debtors provided to Evercore. The analysis herein reflects the combined assets and operations of all Debtor and non-Debtor subsidiaries of the Company.

Based on the Financial Projections prepared by the Debtors—a copy of which are attached to the Disclosure Statement as Exhibit D—and subject to the disclaimers and the descriptions of Evercore’s methodology set forth herein, and solely for purposes of the Plan and the Disclosure Statement, Evercore estimates the total enterprise value of the Reorganized Debtors to be between approximately \$1,041 million and \$1,430 million, as of an assumed Effective Date of March 12, 2026. After deducting estimated pro forma projected funded net debt of \$894 million as of the assumed Effective Date, including restricted and trapped cash at the Debtors and non-Debtor subsidiaries, the range of total equity value is estimated to be between approximately \$147 million and \$536 million. The implied total enterprise value should be considered as a whole, and the underlying analyses should not be considered indicative of the values of any individual operation of the Reorganized Debtors.

In preparing the estimated total enterprise value range for the Reorganized Debtors, Evercore, among other things: (a) reviewed certain historical financial information of the Debtors for recent years and interim periods; (b) reviewed certain internal financial and operating data of the Debtors relating to the business, such as earnings, cash flow, assets, liabilities, and other prospects, including the Financial Projections, which were prepared and provided to Evercore by the Debtors; (c) met with certain members of the Debtors’ senior management to discuss the Debtors’ operations and future prospects; (d) reviewed publicly available financial data and considered the market values of public companies deemed generally comparable to the operating businesses of the Debtors; (e) considered certain economic and industry information relevant to the Debtors’ operating businesses; (f) prepared discounted cash flow analyses based on the Financial Projections for fiscal years 2026 through 2031 (the “Projection Period”), utilizing various discount rates and assumptions in the calculation of terminal values; and (g) conducted such other analyses as Evercore deemed appropriate.

---

<sup>1</sup> Capitalized terms used but not defined herein shall have the meanings set forth in the Plan or the *Disclosure Statement for the Joint Prepackaged Chapter 11 Plan of Reorganization of Pretrium Packaging, L.L.C. and Its Debtor Affiliates* (the “Disclosure Statement”), as applicable.

Although Evercore conducted a review and analysis of the Debtors' businesses, operating assets and liabilities, and business plans, Evercore relied on the accuracy and completeness of all financial and other information provided by the Debtors and other firms retained by the Debtors in addition to certain publicly available information as to which Evercore does not have independent knowledge.

Evercore has relied on the Debtors' representation and warranty that the Financial Projections (a) were prepared in good faith, (b) were based on fully disclosed assumptions that are reasonable in light of the circumstances under which they were made, (c) reflect the Debtors' best currently available estimates, and (d) reflect the good faith judgments of the Debtors. Evercore does not offer an opinion as to the attainability of the Financial Projections. The future results of the Reorganized Debtors are dependent upon various factors, many of which are beyond the control or knowledge of the Debtors, and consequently are inherently difficult to project. The Reorganized Debtors' actual future results may differ materially (positively or negatively) from the Financial Projections and, as a result, the actual total enterprise value of the Reorganized Debtors may be significantly higher or lower than the estimated range herein.

Evercore did not conduct an independent verification of the Financial Projections used in this valuation analysis and did not conduct an independent evaluation or appraisal of the Debtors' assets in connection with this valuation. Evercore also did not conduct an independent investigation into any of the legal, tax, pension, or accounting matters affecting the Debtors, and therefore makes no representations as to their impact on the Debtors' financial statements.

## II. VALUATION METHODOLOGIES

The following is a brief summary of certain financial analyses performed by Evercore to arrive at a range of estimated total enterprise values for the Reorganized Debtors. The following summary does not purport to be a complete description of all of the analyses undertaken to support Evercore's conclusions. The preparation of a valuation is a complex process involving various determinations as to the most appropriate analyses and factors to consider, and the application of those analyses and factors under the particular circumstances. As a result, the process involved in preparing a valuation is not readily summarized.

In performing this analysis, Evercore considered a variety of factors and applied the following valuation methodologies as applicable to the operations of the Debtors: (a) the discounted cash flow methodology and (b) the public company trading multiples methodology.

- (a) ***Discounted Cash Flow Methodology.*** Evercore used the discounted cash flow methodology to analyze costs associated with the Debtors' business required to support a going concern. Evercore's application of the discounted cash flow methodology involved deriving the unlevered free cash flows that the Debtors' operations would generate assuming their Financial Projections are realized. To determine the range of the total enterprise value, these cash flows and an estimated total enterprise value at the end of the Projection Period were discounted to derive their present value as of the assumed Effective Date, using the estimated weighted average cost of capital of the Reorganized Debtors.
- (b) ***Public Company Trading Multiples Methodology.*** Evercore's application of the public company trading multiples methodology involved identifying a group of publicly-traded companies whose businesses and operating characteristics are generally similar to the Reorganized Debtors' operations, although no selected company is either identical or directly comparable to the business of the Reorganized Debtors' operations. From a review of this group, Evercore then developed a range of valuation multiples to apply to the

Financial Projections to derive a range of implied enterprise values for the Reorganized Debtors' operations.

In conducting this analysis, Evercore did not consider any one analysis or factor to the exclusion of any other analyses or factors. Accordingly, Evercore believes that its analysis and views must be considered as a whole and that selecting portions of its analysis and factors could create a misleading or incomplete view of the processes underlying the preparation of the valuation. This analysis includes two valuation methodologies. Reliance on only one of the methodologies used or portions of the analysis performed could create a misleading or incomplete conclusion as to total enterprise value.

### III. VALUATION CONSIDERATIONS

This Valuation Analysis is based upon information available to, and analyses undertaken by, Evercore as of December 12, 2025, and reflects, among other factors discussed below, the current financial market conditions and the inherent uncertainty today as to the achievement of the Financial Projections. The value of an operating business is subject to uncertainties and contingencies that are difficult to predict and will fluctuate with changes in factors affecting the financial conditions and prospects of such a business. For purposes of this valuation, Evercore has assumed that no material changes that would affect value will occur between the date of this Disclosure Statement and the assumed Effective Date. Events and conditions subsequent to this date, including but not limited to updated projections, as well as other factors, could have a substantial impact upon the Reorganized Debtors' value. Neither Evercore nor the Debtors has any obligation to update, revise, or reaffirm this Valuation Analysis.

This Valuation Analysis also reflects a number of assumptions, including a successful reorganization of the Debtors' business and finances in a timely manner, achieving the forecasts reflected in the Financial Projections, the minimum amount of cash required to operate the Debtors' businesses, market conditions, and the Plan becoming effective in accordance with its terms on a basis consistent with the estimates and other assumptions discussed herein. Among other things, failure to consummate the Plan in a timely manner may have a materially negative impact on the enterprise value of the Reorganized Debtors.

Further, the valuation of the New Equity is subject to additional uncertainties and contingencies, all of which are difficult to predict. Actual market prices of such securities at issuance will depend upon, among other things: (a) prevailing interest rates and other conditions in the financial markets; (b) the anticipated initial securities holdings of prepetition creditors, some of whom may prefer to liquidate their investment rather than hold it on a long-term basis; and (c) other factors that generally influence the prices of securities. Actual market prices of such securities also may be affected by the Chapter 11 Cases or by other factors not possible to predict. Accordingly, the total enterprise value ascribed in the analysis does not purport to be an estimate of the post-reorganization market trading value of the Reorganized Debtors or their securities. Such trading value may be materially different from the total enterprise value ranges associated with this Valuation Analysis. As further described in the Disclosure Statement, the Reorganized Debtors are anticipated to be a private company that will not be obligated to file public reports or disclosures. There can be no assurance that any trading market will develop for the New Equity. The estimated values for the Reorganized Debtors do not necessarily reflect the values that may be attainable in public or private markets. Furthermore, in the event that the actual distributions in the Chapter 11 Cases differ from those the Debtors assumed in their recovery analysis, the actual recovery of Holders of Claims in Impaired Classes could be significantly higher or lower than estimated by the Debtors.

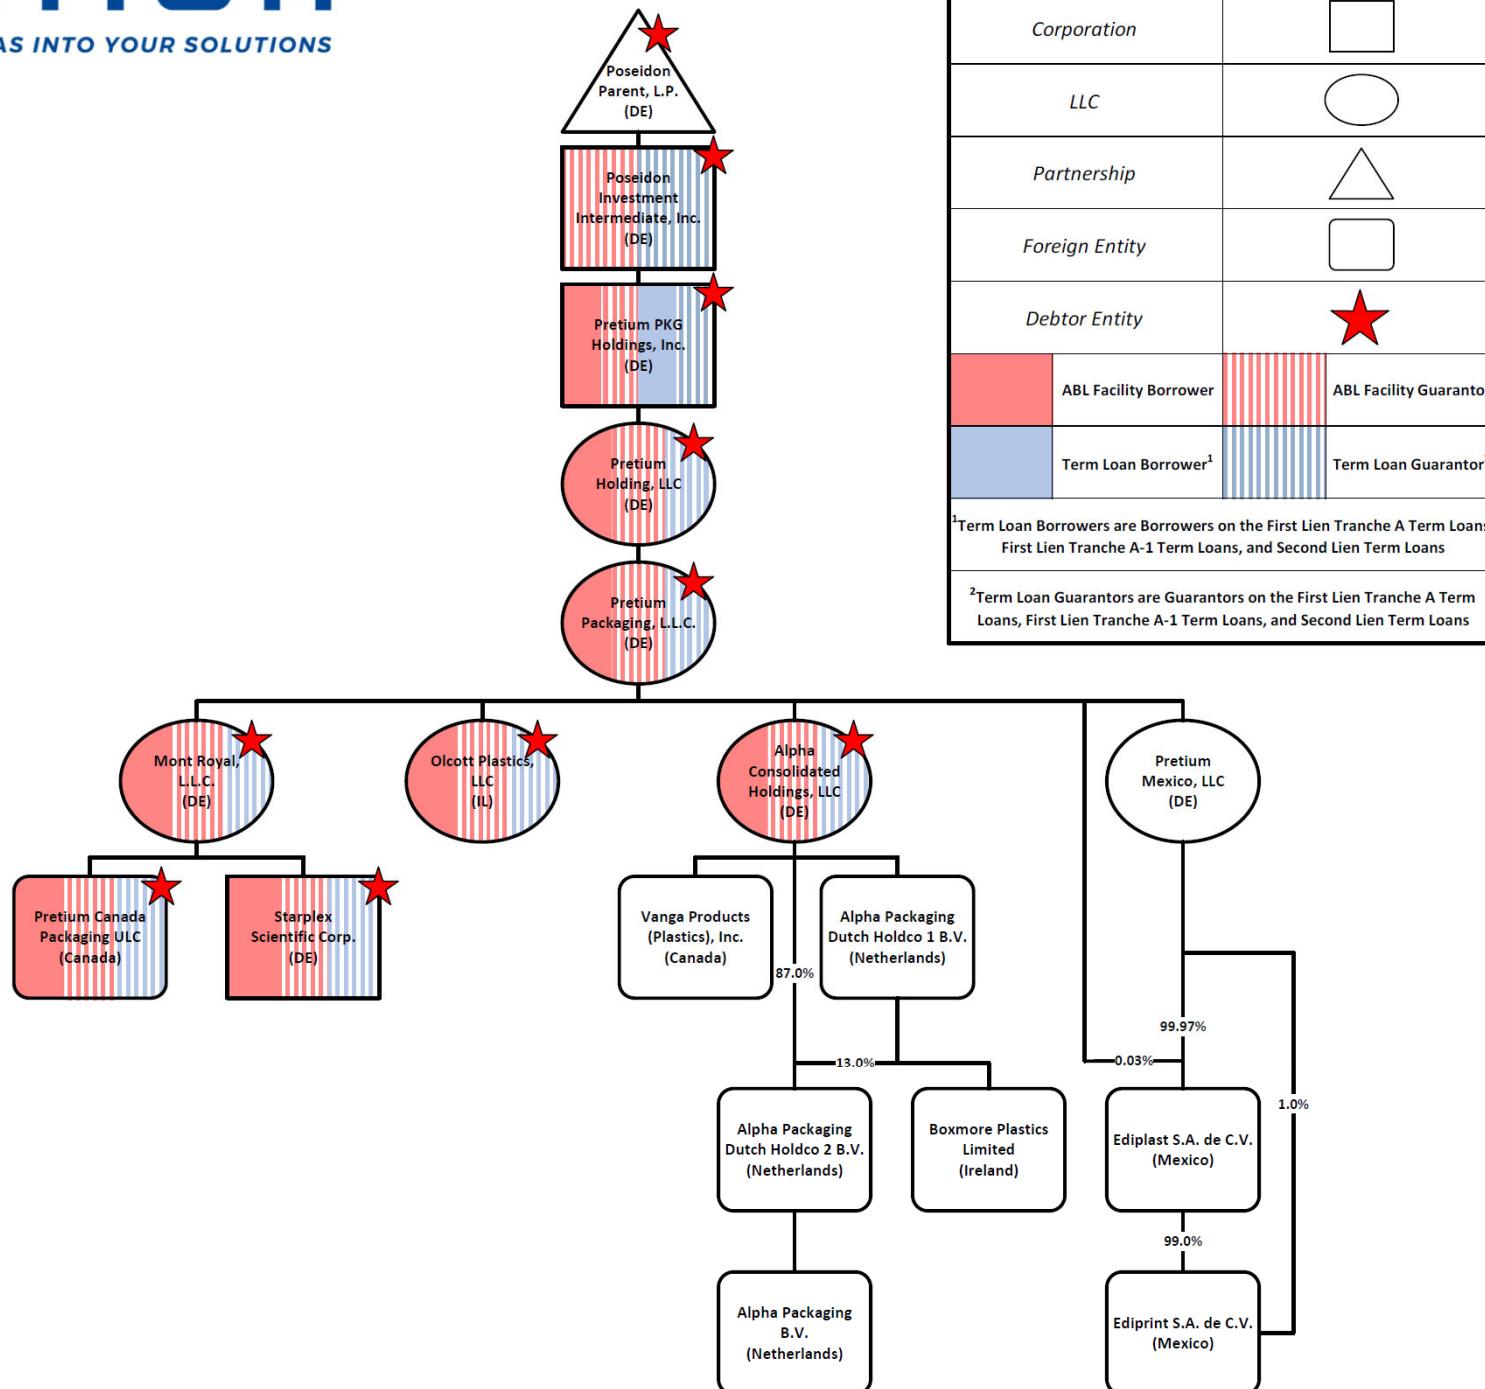

The estimate of total enterprise value set forth herein is not necessarily indicative of actual outcomes, which may be significantly more or less favorable than those set forth herein depending on the results of the Debtors' operations or changes in the financial markets. Additionally, these estimates of value

represent hypothetical enterprise and equity values of the Reorganized Debtors as the continuing operator of the Debtors' business and assets, and do not purport to reflect or constitute appraisals, liquidation values, or estimates of the actual market value that may be realized through a sale or liquidation of the Reorganized Debtors, their securities, or their assets, which may be significantly different than the amounts set forth herein. Such estimates were developed solely for purposes of formulation and negotiation of the Plan and analysis of implied relative recoveries to creditors thereunder. The value of an operating business such as the Debtors' and the Reorganized Debtors' business is subject to uncertainties and contingencies that are difficult to predict and will fluctuate with changes in factors affecting the financial condition and prospects of such business.

The estimated valuation range of the Reorganized Debtors does not constitute a recommendation to any Holder of Allowed Claims or Interests as to how such person should vote or otherwise act with respect to the Plan. The estimated value of the Reorganized Debtors set forth herein does not constitute an opinion as to the fairness from a financial point of view to any person of the consideration to be received by such person under the Plan or of the terms and provisions of the Plan. Because valuation estimates are inherently subject to uncertainties, none of the Debtors, Evercore or any other person assumes responsibility for their accuracy or any differences between the estimated valuation ranges herein and any actual outcome.

## ANNEX B

### SYNDICATION PROVISIONS

While Wells Fargo has provided a commitment for the entire amount of the Senior ABL Credit Facility, subject to the terms and conditions of this Commitment Letter and the Term Sheet, it is understood and agreed that prior to and/or after the execution of the definitive documentation for the Senior ABL Credit Facility, Wells Fargo may syndicate all or a portion of Wells Fargo's commitments with respect to the Senior ABL Credit Facility to other lenders (other than any Disqualified Institution) identified by Wells Fargo in consultation with you; provided, however, that any assignment made prior to the date of the consummation of the Senior ABL Credit Facility (such date, the "**Closing Date**") shall not relieve Wells Fargo of its commitments and obligations hereunder to the extent that an assignee breaches its obligation to fund its ratable share of the drawings under the Senior ABL Credit Facility on the Closing Date (provided that Wells Fargo shall not have any obligation with respect to any breach by an assignee that occurs after the Closing Date).

## ANNEX C

### INDEMNIFICATION PROVISIONS

Capitalized terms used herein shall have the meanings ascribed to them in the commitment letter, dated January 25, 2026 (the “**Commitment Letter**”) addressed to Pretium PKG Holdings, Inc., a Delaware corporation (the “**Indemnifying Party**”) from Wells Fargo Bank, National Association (“**Wells Fargo**”).

To the fullest extent permitted by applicable law, the Indemnifying Party agrees that it will indemnify, defend, and hold harmless each of the Indemnified Persons from and against (i) any and all losses, claims, damages, obligations, penalties, judgments, awards, liabilities, costs, expenses and disbursements, (ii) any and all actions, suits, proceedings and investigations in respect thereof, and (iii) any and all reasonable and documented legal or other costs, expenses or disbursements in giving testimony or furnishing documents in response to a subpoena or otherwise (including, without limitation, the costs, expenses and disbursements, as and when incurred, of investigating, preparing or defending any such action, proceeding or investigation (whether or not in connection with litigation in which any of the Indemnified Persons is a party) and including, without limitation, any and all losses, claims, damages, obligations, penalties, judgments, awards, liabilities, costs, expenses and disbursements, resulting from any act or omission of any of the Indemnified Persons) (limited, in the case of legal fees and expenses, to (x) the reasonable and documented fees and expenses of one firm of counsel to all Indemnified Persons, taken as a whole and, (y) to the extent reasonably necessary, to the reasonable and documented fees and expenses of one local counsel to all Indemnified Persons, taken as a whole (which may include a single special counsel acting in multiple jurisdictions); provided that in the case of an actual or perceived conflict of interest notified to the Indemnifying Party by any Indemnified Person, such indemnity for fees and expenses shall extend to one additional primary counsel and (to the extent reasonably necessary) one local counsel for such Indemnified Person taken as a whole (which may include a single special counsel acting in multiple jurisdictions), directly or indirectly, caused by, relating to, based upon, arising out of or in connection with (a) the Exit Transaction, (b) the Commitment Letter or the Senior ABL Credit Facility, or (c) any untrue statement or alleged untrue statement of a material fact contained in, or omissions or alleged omissions in, information furnished by Indemnifying Party or any other Loan Party, or any of their subsidiaries or affiliates, or any other person in connection with the Exit Transaction or the Commitment Letter, except in each case to the extent any such loss, claim, damage, obligation, penalty, judgment, award, liability, cost, expense and/or disbursement has been found by a final, non-appealable judgment of a court of competent jurisdiction to have resulted from (x) the gross negligence, bad faith, or the willful misconduct of such Indemnified Person or its related Indemnified Persons, (y) a material breach of the obligations of such Indemnified Person or its related Indemnified Persons under this Commitment Letter or (iii) claims between or among the Indemnified Persons and/or their related Indemnified Persons and not arising out of any act or omission of you, any of your subsidiaries or the Sponsor (as defined in the DIP ABL) (other than any proceeding against Wells Fargo solely in its capacity or in fulfilling its role as Administrative Agent, as Collateral Agent, or similar role under the Senior ABL Credit Facility); provided, however, such indemnity agreement shall not apply to any portion of any such loss, claim, damage, obligation, penalty, judgment, award, liability, cost, expense or disbursement of an Indemnified Person to the extent it is found in a final judgment by a court of competent jurisdiction (not subject to further appeal) to have resulted primarily and directly from the gross negligence or willful misconduct of such Indemnified Person.

These Indemnification Provisions shall be in addition to any liability which the Indemnifying Party may have to the Indemnified Persons.

If any action, suit, proceeding or investigation is commenced, as to which any of the Indemnified Persons proposes to demand indemnification, it shall notify the Indemnifying Party with reasonable promptness;

provided, however, that any failure by any of the Indemnified Persons to so notify the Indemnifying Party shall not relieve the Indemnifying Party from its obligations hereunder. Wells Fargo, on behalf of the Indemnified Persons, shall have the right to retain one counsel (and, to the extent reasonably necessary, one local counsel in each applicable jurisdiction (which may include a single special counsel acting in multiple jurisdictions), provided that in the case of an actual or perceived conflict of interest notified to the Indemnifying Party by such Indemnified Persons such indemnity shall extend to one additional primary counsel and (to the extent reasonably necessary) one local counsel for such Indemnified Persons taken as a whole (which may include a single special counsel acting in multiple jurisdictions) of its choice to represent the Indemnified Persons, and the Indemnifying Party shall pay the reasonable and documented fees, expenses, and disbursement of such counsel, and such counsel shall, to the extent consistent with its professional responsibilities, cooperate with the Indemnifying Party and any counsel designated by the Indemnifying Party. The Indemnifying Party shall be liable for any settlement of any claim against any of the Indemnified Persons made with its written consent, which consent shall not be unreasonably withheld. Without the prior written consent of Wells Fargo (not to be unreasonably withheld, conditioned or delayed), the Indemnifying Party shall not settle or compromise any claim, permit a default or consent to the entry of any judgment in respect thereof unless such settlement or compromise (a) includes an unconditional release of Wells Fargo or the applicable Indemnified Person from all liability or claims that are the subject matter of such proceeding, (b) does not include any statement as to any admission of fault or culpability and (c) includes customary confidentiality and non-disparagement agreements.

In order to provide for just and equitable contribution, if a claim for indemnification pursuant to these Indemnification Provisions is made but is found by a judgment of a court of competent jurisdiction (not subject to further appeal) that such indemnification may not be enforced in such case, even though the express provisions hereof provide for indemnification in such case, then the Indemnifying Party, on the one hand, and the Indemnified Persons, on the other hand, shall contribute to the losses, claims, damages, obligations, penalties, judgments, awards, liabilities, costs, expenses and disbursements to which the Indemnified Persons may be subject in accordance with the relative benefits received by the Indemnifying Party, on the one hand, and the Indemnified Persons, on the other hand, and also the relative fault of the Indemnifying Party, on the one hand, and the Indemnified Persons collectively and in the aggregate, on the other hand, in connection with the statements, acts or omissions which resulted in such losses, claims, damages, obligations, penalties, judgments, awards, liabilities, costs, expenses and disbursements and the relevant equitable considerations shall also be considered. No person found liable for a fraudulent misrepresentation shall be entitled to contribution from any other person who is not also found liable for such fraudulent misrepresentation. Notwithstanding the foregoing, none of the Indemnified Persons shall be obligated to contribute any amount hereunder that exceeds the amount of fees previously received by such Indemnified Person pursuant to the Commitment Letter.

Neither expiration nor termination of Wells Fargo's commitments under the Commitment Letter or funding or repayment of the loans under the Facility shall affect these Indemnification Provisions which shall remain operative and continue in full force and effect; provided that, these Indemnification Provisions shall terminate on the Closing Date and be superseded by the applicable indemnification provisions in the credit agreement governing the Senior ABL Credit Facility.

Capitalized terms used and not defined in this Commitment Letter will have the meaning given thereto in Annex A or, if not defined therein, in the Restructuring Support Agreement.

## 1. Commitments: Titles and Roles.

Each of the Backstop Parties is pleased to confirm its commitment to, and hereby commits to, severally but not jointly:

- (x) provide and fund to the Debtors, on the Closing Date and each Subsequent Closing Date (each as defined below), as applicable, DIP Term Loans (including in respect of any Liquidity Shortfall up to Liquidity Shortfall Funding Cap) in an amount equal to the DIP Term Loan Amount multiplied by the percentages (which shall be based on the principal amount of First Lien Tranche A-1 Term Loans each Backstop Party holds under the First Lien Credit Agreement relative to the aggregate outstanding principal amount of First Lien Tranche A-1 Term Loans) set forth opposite each such Backstop Commitment Party’s name on Schedule I hereto as “A-1 DIP Commitments” (the amount to be funded under this clause (x), the “**A-1 DIP Commitment Amount**”);
- (y) with respect to the portion of the DIP Term Loan Amount available to be funded by Electing Lenders in accordance with Section 2 below, provide and fund to the Debtors, on the Closing Date and the Subsequent Closing Date, as applicable, the portion of such DIP Term Loan Amount in an amount equal to the DIP Deficiency Amount (as defined below) multiplied by the percentages set forth opposite each such Backstop Party’s name on Schedule I hereto as “**Specified DIP Backstop Commitments**” (together with the A-1 DIP Commitments, the “**DIP Backstop Commitments**”). As used herein, “**DIP Deficiency Amount**” equals the DIP Term Loan Amount less both (a) the A-1 DIP Commitment Amount and (b) the amount of the DIP Term Loans actually funded to the Borrower by each Electing Lender in accordance with Section 2 below and the Restructuring Support Agreement; and
- (z) exchange or otherwise convert its holdings of DIP Term Loans on a cashless, dollar-for-dollar basis into New Term Loans pursuant to the procedures set forth in the DIP Term Loan Credit Agreement and the Plan (the “**New Money Conversion**”).

The aggregate DIP Backstop Commitments under this Commitment Letter are \$533.5 million in total.

## 2. Election Procedures

The parties hereto agree that each Tranche A-1 Lender that is not a Backstop Party (in such capacity, each an “***Electing Lender***”) may participate with the other Electing Lenders to provide its *pro rata* portion of the DIP Term Loan Facility (including, for the avoidance of doubt, any Liquidity Shortfall) by executing a joinder (each, an “***Election Joinder***”) to the Restructuring Support Agreement no later than the earlier of (i) four (4) Business Days after the commencement of such syndication of the DIP Term Loan Facility and (ii) the day on which the Bankruptcy Court holds a hearing with respect to the Debtors’ “first day” motions (as may be further extended by the Backstop holding a majority of the DIP Backstop Commitments (the “***Required Backstop Parties***”, and such deadline, the “***Election Deadline***”). Such participation shall be on a *pro rata* basis in accordance with the proportion of (1) the aggregate principal amount of such Consenting First Lien Tranche A-1 Term Lender’s First Lien Tranche A-1 Term Loan Claims under the First Lien Credit Agreement to (2) the aggregate principal amount of all First Lien Tranche A-1 Term Loan Claims held by all Tranche A-1 Term Lenders under the First Lien Credit Agreement on the Election Deadline.

On or promptly after the Election Deadline, as applicable, the DIP Term Loan Credit Agreement commitment schedules will be revised to reflect the commitments of the Electing Lenders under the DIP Term Loan Facility (including, without limitation, the commitments to roll such loans into the New Money Exit Loans in accordance with the DIP Term Loan Credit Agreement); provided that, no Backstop Party shall be released in respect of its DIP Backstop Commitments for any amounts not actually funded by the Electing Lenders to the Borrowers on the Closing Date.

## 3. Premium.

As consideration for the agreements and commitments under this Commitment Letter, the Debtors collectively agree to pay, (i) if the Plan becomes effective in accordance with the Restructuring Support Agreement, to the Backstop Parties a backstop premium in an amount equal to 11.5% of the aggregate amount of DIP Backstop Commitments, which Backstop Premium shall be paid in 26.9% of the New Equity Interests issued to the Backstop Parties (and allocated to the Backstop Parties in accordance with the percentages set forth in Schedule I hereof in the column labeled “Specified DIP Backstop Commitments”) on the Transaction Effective Date, which will be subject to dilution as set forth in the Restructuring Term Sheet, or (ii) in the event of a termination of this Backstop Commitment Letter as a result of the termination of the Restructuring Support Agreement pursuant to Sections 12.01(a) (with respect to a breach by the Company Parties), (c) (with respect to amendments, waivers, or modifications consented to by the Company Parties to which the Backstop Parties have not consented) (f), or (g); Section 12.02(a); or Section 12.04(d), a cash premium equal to \$16,005,000.00 which shall be paid within five (5) Business Days of such termination (either clause (i) or (ii), the “***Backstop Premium***”). The Backstop Premium shall be fully earned, nonrefundable and non-avoidable upon the date hereof and shall be paid free and clear of any withholding or deduction on account of taxes. For the avoidance of doubt, the Backstop Premium as set forth in this Section 3 shall constitute the entire “Backstop Premium” as defined in and set forth in the Restructuring Term Sheet.

The Backstop Parties and the Company intend that, for U.S. federal income tax purposes, the Backstop Premium and shall be treated as “put premium” paid to the Backstop Parties on account

of the DIP Backstop Commitments and not on account of services. Each party shall file all tax returns consistent with, and take no position inconsistent with, such treatment (whether in audits, tax returns or otherwise) unless required to do so pursuant to a “determination” within the meaning of Section 1313(a) of the Code.

#### 4. Conditions Precedent.

The Backstop Parties’ commitments and agreements hereunder in respect of (x) the DIP Term Loans are subject solely to the satisfaction or waiver of all conditions precedent set forth in Section 4.01 (in respect of the initial funding; the date of such satisfaction or waiver, the “**Closing Date**”) and Section 4.02 (in respect of any delayed draw funding; any date of such satisfaction or waiver, the “**Subsequent Closing Date**”) of the DIP Term Loan Credit Agreement, as applicable, and (y) the New Money Conversion are subject solely to the satisfaction or waiver of the conditions precedent set forth in the section of the Exit Term Sheet entitled “Conditions Precedent to Effectiveness on the Effective Date”.

Each party hereto agrees that this Commitment Letter is a binding and enforceable agreement with respect to the subject matter contained herein.

#### 5. Indemnification and Related Matters.
