Celsius Network Limited and Celsius KeyFi, LLC (together, “Celsius”) and Jason Stone and KeyFi Inc. (together the “Stone Parties” and with Celsius, the “Parties”) file this joint response to the Court’s July 8, 2024 *Order Requiring Supplemental Briefing on Redactions* [ECF No. 143] (the “July 8 Order”), and respectfully request that the Court authorize the redaction and filing under seal of certain confidential information (the “Sealing Issues”) set forth in the revised redacted version of the Stipulated Settlement Agreement and Order attached hereto as **Exhibit 1**. In further support of this Joint Response, the Parties respectfully submit as follows:

BACKGROUND

1. In response to the July 8 Order, the Parties have agreed to substantially limit the redactions to their June 28, 2024 settlement agreement (“Settlement Stipulation and Order”), and submit that the remaining proposed redactions are justified under applicable rules. However, regardless of how the Court rules on the Sealing Issues, the Parties jointly and respectfully ask the Court to consider so-ordering the Settlement Stipulation and Order, or entering other relief relating to the existing temporary restraining order (“TRO”), so that the Stone Parties will promptly make settlement transfers that Celsius contends already are overdue, and Celsius can thereafter make the payments due to the Stone Parties following receipt of the Stone Parties’ transfers.

2. In negotiations with the Stone Parties, Celsius bargained for the settlement agreement being framed as a court order, so that if the sworn representations of the Stone Parties contained in the agreement turn out to be false, the Stone Parties will be subject to the Court’s contempt powers, as well as other remedies. *See, e.g.*, Settlement Stipulation and Order ¶ 5(f) (identifying “contempt sanctions” as among the “Consequences for Breach of Sworn Representation or Warranty”). The Stone Parties agreed, but asked that certain of the Stone Parties’ representations relating to their financial condition and conduct be redacted from the public docket. *See* Settlement Stipulation and Order at 13 n.2 (Parties agreeing to “take reasonable steps to seek

to have certain portions of the Settlement Agreement redacted”). The Stone Parties and Celsius, respectively, also proposed redactions of certain other material they viewed as sensitive and confidential.

3. Accordingly, on July 3, 2024, Celsius, with the consent of the Stone Parties, filed a letter on the ECF system requesting the Court’s endorsement of the Settlement Stipulation and Order, along with a redacted version of that document. At the same time, Celsius submitted by email to the Court an unredacted copy of the Settlement Stipulation and Order. Counsel for the Parties followed up with an email and call to Chambers on July 8, 2024, and several hours later, the Court entered the July 8 Order, directing the Parties to submit a supplemental brief addressing the need for redactions, including the issues raised by this Court in *In re Oldco M Corp.*, 466 B.R. 234 (Bankr. S.D.N.Y. 2012).

4. Following the July 8 Order, the Parties worked diligently to substantially reduce the scope of the proposed redactions. The Parties now propose to redact only two narrow categories of information: (i) detailed representations regarding the Stone Parties’ financial information; and (ii) sensitive work product information with respect to Celsius’ strategy for pursuing potential litigation against third-party transferees. A copy of the Settlement Stipulation and Order reflecting these substantially narrowed proposed redactions (the “Redacted Settlement Agreement”) is attached as **Exhibit 1**. As discussed in the Basis for Sealing section below, the Parties believe both of these categories of information warrant redaction under applicable rules.

5. As noted, however, no matter the outcome on these Sealing Issues, the Parties respectfully ask the Court to consider endorsing the Settlement Stipulation and Order, or entering other relief concerning the existing TRO, so that the Stone Parties will immediately make certain transfers required by the Settlement Stipulation and Order. The Settlement Stipulation and Order

requires, among other things, that the Stone Parties’ cause their counsel, Freedman Normand Friedland (“FNF”), to transfer \$1.12 million that it is holding in its trust account on behalf of the Stone Parties to Celsius within three business days of the “Effective Date.” See Settlement Stipulation and Order ¶ 2(b) (“No later than three (3) business days following the Effective Date, the Stone Parties shall cause FNF to transfer to an account to be identified by Celsius \$1,120,000”). Once Celsius receives the Stone Parties’ transfers, the Settlement Stipulation and Order requires that Celsius transfer \$300,000 and the “Henri Matisse” NFT to the Stone Parties.

6. FNF has conveyed, however, that while it stands ready to make the transfers, it believes the Court’s TRO prohibits any such transfer. While Celsius disagrees with FNF’s reading of the TRO, to avoid further disputes, the parties hereby ask the Court to explicitly authorize FNF to make these transfers notwithstanding the TRO, either by so-ordering the settlement agreement, or by entering a minute order permitting the transfer or similar relief. FNF has represented that it will make the required transfer promptly after such relief is entered.²

7. Celsius hopes that the Court will consider entering the requested relief promptly. Indeed, Celsius fears that if the Settlement Stipulation and Order is not swiftly consummated, it may be vitiated by continuing disruptive disputes amongst the Parties. Needless to say, Celsius will promptly provide the Court, and file on the docket, a version of the Settlement Stipulation and Order that is consistent with any ruling the Court may enter concerning the Sealing Issues. The Parties are also available for a telephonic or in person conference at the Court’s convenience concerning this or any other matter.

² Celsius contends the Effective Date occurred on June 28, 2024, the Stone Parties contend otherwise. All Parties reserve their rights in that regard, except that the Stone Parties and FNF represent that they will not delay making the \$1,120,000 transfer on the grounds that the transfer is not yet due, but instead will transfer those funds promptly upon the Court so-ordering the Stipulated Settlement and Order, or entering other relief concerning the TRO as requested herein.

BASIS FOR SEALING

8. Bankruptcy Code section 107(b) provides that upon the request of a party in interest, the Court “shall . . . protect an entity with respect to a trade secret or confidential research, development, or commercial information.” 11 U.S.C. § 107(b)(1); *see also Video Software Dealers Ass’n v. Orion Pictures Corp (In re Orion Pictures Corp.)*, 21 F.3d 24, 27 (2d Cir. 1994) (pursuant to section 107(b), the court “is required to protect a requesting interested party and has no discretion to deny the application” for the protection of confidential information) (emphasis in original); 11 U.S.C. § 105(a) (authorizing the court to “issue any order, process, or judgment that is necessary or appropriate to carry out the provisions” of the Bankruptcy Code). Bankruptcy Rule 9018 accordingly authorizes the Court to “make any order which justice requires . . . to protect the estate or any entity in respect of a trade secret or other confidential research, development, or commercial information.” Fed. R. Bankr. P. 9018.

9. To qualify for protection under 107(b) and 9018, the information to be sealed need only be “confidential and commercial in nature.” *In re Orion Pictures Corp.*, 21 F.3d at 27 (quotation marks omitted). The “commercial information that is entitled to protection under Code section 107(b) and Bankruptcy Rule 9018 must be viewed from the practical perspective of damage to the estate or its creditors,” *see, e.g., In re Glob. Crossing Ltd.*, 295 B.R. 720, 725 (Bankr. S.D.N.Y. 2003) (“The whole point of [Rule 9018(1)] is to protect business entities from disclosure of information that could reasonably be expected to cause the entity commercial injury.”), and information need not rise to the level of a trade secret to be entitled to protection, *In re Orion Pictures Corp.*, 21 F.3d at 28. Nor is a showing of “good cause” required. *Id.*

10. In *In re Oldco M Corp.*, this Court explained that “when a trustee seeks to settle a claim on behalf of a bankruptcy estate, the public policy of open access to court records comes fully into play,” and “[s]ettlements are entitled to no greater protection than any other requests for

relief from bankruptcy courts.” 466 B.R. at 238. The Court recognized, however, that even where a settlement agreement is not entitled to be sealed in full, “there may be some information in the agreement that may properly be redacted.” *Id.* The case for allowing appropriate redaction of confidential commercial information in the Settlement Agreement is even stronger here where submission by Federal Rule of Bankruptcy Procedure 9019 is not required. *Id.* (discussing ordinary settlements of civil lawsuits, which are typically private arrangements between the parties).

11. The targeted information the Parties have proposed redacting in the Redacted Settlement Agreement here satisfies the requirements for protection from disclosure and is limited to the highly sensitive, confidential information necessary to protect the Parties’ commercial interest, as set forth below.

12. *First*, the Parties seek to redact detailed representations regarding the Stone Parties’ financial information as set forth in Paragraphs 5(b)(i)–(ii) of the Settlement Stipulation and Order. Courts routinely allow redaction of this type of intrusive personal financial information. *See, e.g., Robinson v. De Niro*, No. 19-CV-09156 (LJL), 2023 WL 3728350, at *3 (S.D.N.Y. May 26, 2023) (“Regarding the financial information that Defendants seek to redact, the Court grants Defendants’ request in full. While such information is entitled to a strong presumption of access, as this Court has previously noted, financial information implicates significant privacy interests that overcome the strong presumption of public access, particularly where the information had no relevance to the Court’s decision on the summary judgment motions.”) (cleaned up); *Sec. & Exch. Comm’n v. Ripple Labs, Inc.*, No. 20 CIV. 10832 (AT), 2023 WL 3477552, at *3 (S.D.N.Y. May 16, 2023) (“Personal and financial information implicate ‘significant privacy interests’ that overcome the strong presumption of public access, and this information has minimal relevance to the Court’s

decision on the summary judgment motions.” (quoting *City of Almaty, Kazakhstan v. Ablyazov*, No. 15 Civ. 5345, 2021 WL 1177737, at *2 (S.D.N.Y. Mar. 29, 2021)); *see also Joseph v. Joseph*, No. 1:16-CV-465, 2018 WL 11432993, at *2 (S.D. Ohio Sept. 26, 2018) (granting motion to redact defendants’ “personal and sensitive financial information, including information pertaining to personal assets, gross income and net worth”); *Sims v. BB&T Corp.*, No. 1:15-CV-732, 2018 WL 3466945, at *7 (M.D.N.C. July 18, 2018) (agreeing to seal a “class member’s name and the dollar figures (e.g., balances, contributions, withdrawals, earnings, and vested amount)”).

13. *Second*, the Parties have proposed redacting sensitive information and work product with respect to Celsius’ strategy for pursuing potential litigation against third-party transferees as set forth in Paragraph 4 of the Settlement Stipulation and Order. This information is both “confidential” and “commercial in nature,” and courts have repeatedly recognized that sealing is appropriate when dealing with information regarding litigation strategy. *See, e.g., In re Islet Scis., Inc.*, Case No. 19-13366-mkn (Bankr. D. Nev. Sept. 24, 2019) [ECF No. 136] at 2 (granting motion to seal funding agreement and finding the agreement “contains trade secrets, proprietary interests, litigation strategy, attorney work product, or otherwise protectable commercially sensitive information”); *In re Pasquinelli Homebuilding, LLC*, No. 11 B 14829, 2013 WL 594459, at *2 (Bankr. N.D. Ill. Feb. 14, 2013) (granting motion to file under seal trustee’s application to employ a litigation consultant and that consultant’s fee applications “to protect the Trustee’s litigation efforts and to level the playing field as the prospective defendants can protect from nondisclosure similar efforts to consult with experts who may be employed only for trial preparation”); *In re 4 Front Petroleum, Inc.*, No. 04-10979-R, 2007 WL 3005183, at *1 (Bankr. N.D. Okla. Oct. 11, 2007) (sealing trustee’s motion to authorize joint prosecution agreement between the trustee and creditor trust and to employ special counsel because the motion, “which

explains the proposed litigation strategy of the Trustee and the Creditor Trust, contains information that is privileged or constitutes work product, and which, if not sealed, could (1) constitute a waiver of the privilege and (2) undermine the value of estate assets (the claims) by disclosing the Trustee's evaluation of the merits and litigation strategy to the target defendants"); *In re 50-Off Stores, Inc.*, 213 B.R. 646, 655 (Bankr. W.D. Tex. 1997) (upholding seal for proceedings relating to debtor's retention of counsel to represent the estate in litigation against other parties because such proceedings might involve "probing questions that would, in ordinary non-bankruptcy litigation, be thought to invade the attorney-client privilege or require explication of the attorney's work product" and thus section 107(b) authorized sealing).

14. For these reasons, the proposed redactions in the Redacted Settlement Agreement are limited to those necessary to protect the Parties' personal and commercial interests and are consistent with this Court's reasoning in *Oldco*.

CONCLUSION

WHEREFORE, the Parties respectfully request that the Court authorize the redaction and sealing of the Redacted Settlement Agreement as set forth in **Exhibit 1**, so-order the Stipulated Settlement and Order, and grant such additional relief as the Court may deem just and proper.

On the Effective Date, the Stone Parties shall hereby be deemed irrevocably to grant, assign, transfer, convey, and deliver to Celsius and its successors, forever, all rights, title, and interest of any kind, including all Claims, causes of action, counterclaims, or any other interests or rights to relief of any kind or nature relating to or in connection with the recovery of Celsius Assets against any Subject Third Parties, including in connection with any Unslashed/Spartan Assets (as defined below) or any Stakehound/Fireblocks Assets (as defined below).
- iv. On the Effective Date, the Stone Parties hereby irrevocably grant, assign, transfer and deliver to Celsius and its successors, (i) all tokens, (ii) all interests in ETH, (iii) all smart contracts, (iv) all USF-related assets on the Enzyme protocol, (v) all rights to recovery, governance, nomination, delegation, or voting rights and (vi) all other interests of any kind whatsoever, in each case, in, to or against Unslashed, Spartan, or any protocol relating to either of Unslashed or Spartan, regardless of whether held in the name of a Stone Party, Celsius or any other person, and regardless of whether transferred to Unslashed or Spartan by a Stone Party or Celsius (all such assets and rights, collectively,

the “**Unslashed/Spartan Assets**”) . Further, each Stone Party hereby (i) grants to Celsius an irrevocable power of attorney, coupled with an interest, to exercise all rights and powers to vote and control any and all Unslashed/Spartan Assets and all related rights and powers, including, without limitation, rights and powers of governance, nomination, delegation, consent and waiver and (ii) acknowledges and agrees that Celsius may exercise such power of attorney itself or through one or more of its agents, representatives or other delegees.

- v. On the Effective Date, the Stone Parties hereby irrevocably grant, assign, transfer and deliver to Celsius and its successors, (i) all tokens, (ii) all interests in ETH, (iii) all smart contracts, (iv) all rights to recovery, governance, nomination, delegation, or voting rights and (v) all other interests of any kind whatsoever, in each case, in, to or against Stakehound, Fireblocks, or any protocol relating to either of Stakehound or Fireblocks, regardless of whether held in the name of a Stone Party, Celsius or any other person, and regardless of whether transferred to Stakehound or Fireblocks by a Stone Party or Celsius (all such assets and rights, collectively, the “**Stakehound/Fireblocks Assets**”). Further, each Stone Party hereby (i) grants to Celsius an irrevocable power of attorney, coupled with an interest, to exercise all rights and powers to vote and control any and all Stakehound/Fireblocks Assets and all related rights and powers, including, without limitation, rights and powers of governance, nomination, delegation, consent and waiver and (ii) acknowledges and agrees that Celsius may exercise such power of attorney itself or through one or more of its agents, representatives or other delegees.

- b. **FNF Transfers to Celsius.** No later than three (3) business days following the Effective Date, the Stone Parties shall cause FNF to transfer to an account to be identified by Celsius \$1,120,000 in respect of (i) the \$1,020,000 proceeds from the \$1,200,000 sale of the Mutant Ape Yacht Club NFT #4849, net of a 15% broker’s fee, currently held in escrow by FNF, and (ii) the \$100,000 transferred by Stone to FNF on or around January 10, 2023 (together, the “**Escrow Assets**”).

3. **Transfers to the Stone Parties**

- a. **Initial Payment.** No later than three (3) calendar days following the completion of all transfers to Celsius set forth in Paragraph 2 above, Celsius shall transfer (i) to an account to be identified by the Stone Parties \$300,000 (the “**Initial Payment**”) and (ii) to a wallet to be identified by the Stone Parties the MakersPlace “Henri Matisse” NFT, Token ID 19728, by Marco Santini, which is contained in the 0x718fcce4e82De60B85c45F70D3ff735fa1461Bc2 Wallet.

b. **Payment Following Liquidation of Wallet Assets**

- i. Following the completion of all transfers to Celsius set forth in Paragraph 2 above, Celsius agrees to liquidate the Wallet Assets (the “**Asset Liquidations**”), the timing, method, and amount of which shall be decided by Celsius in its sole and absolute discretion and/or dictated by market factors. To the extent Celsius

has not liquidated 95% of the Wallet Assets within 12 months of the Effective Date, Celsius will provide the Stone Parties with a reasonably detailed explanation regarding why Celsius deemed it prudent not to do so.

- ii. The Stone Parties agree to cooperate in and/or cause the Asset Liquidations in a commercially reasonable manner, solely if, as and to the extent Celsius requests.
- iii. Celsius agrees to pay the Stone Parties the lesser of (i) ten percent (10%) of the proceeds of any Asset Liquidations, net of any broker's fees or other costs or fees incurred by Celsius in connection with such Asset Liquidations (the "**Net Proceeds**") or (ii) \$500,000 (the "**Asset Liquidation Cap**") within thirty (30) days following the end of the quarter in which such Asset Liquidations occur (the "**Stone Parties' Share**"); provided, however, that to the extent the Stone Parties' Share is greater than \$250,000, the amount of the Stone Parties' Share in excess of \$250,000 shall be paid within thirty (30) days of the end of the quarter during which Celsius determines that at least 95% of the Wallet Assets have been liquidated as determined by Celsius in its reasonable discretion.
- iv. To the extent reasonably requested by Stone, Celsius agrees to provide Stone, in a commercially reasonable time and manner, with information necessary to confirm the amount of the Net Proceeds from the Asset Liquidations.
- v. For the avoidance of doubt, to the extent that any loss is suffered during the Asset Liquidations by Celsius, Celsius agrees that the Stone Parties will be in no way liable for that loss, except to the extent a loss is suffered due to any intentional, reckless, or negligent conduct or actions by the Stone Parties.

f. **Consequences for Breach of Sworn Representation or Warranty.** In addition to contempt sanctions and any other remedies that may be available, consequences for the breach by the Stone Parties of any Sworn Representation or Warranty shall include the following:

i. To the extent

- 1. the Stone Parties' Representations set forth in Paragraph 5(a) are not accurate;
- 2. the actual values of any of the Assets, individually or collectively, identified in Paragraph 5(b)(i)(1)(a)-(d) is at least 5% greater than the maximum value assigned or estimated for such Assets by Stone;
- 3. the type of any interests, or the acquisition price or value of such interests owned, identified in Paragraph 5(b)(i)(1)(e) is materially inaccurate, or Stone knows or reasonably should know based on information currently available to him that the aggregate current value of the interests identified in Paragraph 5(b)(i)(1)(e) exceeds \$1,100,000;
- 4. The Stone Parties' Representations set forth in Paragraph 5(b)(i)(2)(a)-(b) are inaccurate, or any of the Assets identified in Paragraph

5(b)(i)(2)(c) have a current value, individually or in the aggregate, greater than \$50,000;

5. The Stone Parties Representations set forth in Paragraph 5(b)(ii) are inaccurate, and the actual value of any KeyFi Inc. Assets (separately or in the aggregate) exceeds \$50,000;
6. the Stone Parties' Representation set forth in Paragraph 5(c) is not accurate, and (a) the Stone Parties have failed to disclose any asset(s) traceable to Celsius worth, either individually or in the aggregate, \$50,000 or more (or that represents a governance interest or right with respect to any asset greater than \$50,000) or (b) the actual value of the Assets in or associated with the Identified Wallets exceeds \$25,000; or
7. the Stone Parties Representations set forth in Paragraphs 5(d) or 5(e) prove inaccurate in any way,

Celsius shall have the right, effective immediately upon notice given to the Stone Parties, to rescind the release of the Stone Parties set forth in Paragraph 7(a) below, upon which notice, the release of the Stone Parties shall be deemed null and void *ab initio*, and Celsius shall be entitled, at its option, to pursue any and all available claims against the Stone Parties, and the Stone Parties shall be entitled to defend any and all such claims, notwithstanding the releases set forth in Paragraph 7(a) below.

- ii. To the extent the Stone Parties' Representations set forth in Paragraph 5(d) prove inaccurate in any way, the Stone Parties shall additionally indemnify, hold harmless, and defend Celsius, its Affiliates, and each of their officers, directors, members, administrators, employees, agents, attorneys, insurers, predecessors, successors, assigns, divisions, parent companies, and subsidiary companies from and against, and shall pay and reimburse each of them for, any and all claims, losses, liabilities, damages, deficiencies, actions, lawsuits, demands, judgments, settlements, interests, awards, penalties, fines, expenses, and costs of any kind, including attorneys' fees and the cost of enforcing any right to indemnification under this Settlement Agreement, arising from, in connection with, relating to, or based in whole or in part on the Stone Parties' breach of the representations and warranties set forth in Paragraph 5(d).
6. **Tolling.** All applicable statutes of limitations or other limitations periods under state and federal law, including but not limited to the limitation periods set forth in sections 546(a) and 549(d) of title 11 of the United States Code (the "**Bankruptcy Code**"), and any defenses relating to the passage of time, including but not limited to laches, shall be and are hereby tolled through and including the later of (a) July 13, 2026 or (b) such later date as the parties may agree or the Court may order (the "**Tolling Date**") with respect to any and all claims, actions, suits, proceedings, demands, third-party claims, cross-demands, cross-claims, or any other causes of action that constitute, arise from or relate to any and all claims, actions, suits, proceedings, demands, third-party claims, cross-demands, cross-claims, or any other causes of

action that Celsius may have or ever had against any Stone Parties under state or federal law, including but not limited to any claims or causes of action under chapter 5 of the Bankruptcy Code (e.g., sections 544, 545, 546, 547, 548, 549, 550, 551, and/or 553 of the Bankruptcy Code) and any claims and causes of any action for any liability of the Stone Parties for which insurance coverage is or was maintained.

7. **Releases**

- a. Upon the completion of all of the transfers to Celsius set forth in Paragraph 2 above, including for the avoidance of any doubt the FNF Transfers to Celsius set forth in Paragraph 2(b) (the “**Release Date**”), Celsius, for itself and for its employees, shareholders, officers, directors, successors, assigns, legal representatives, advisors, Affiliates, and other agents (the “**Celsius Entities**”), shall be deemed to completely release, acquit, and forever discharge the Stone Parties and all of their former, present, and future officers, directors, members, administrators, employees, agents, attorneys, insurers, predecessors, successors, assigns, divisions, parent companies, subsidiary companies, affiliates, and any person or entity affiliated with same (the “**Stone Party Entities**”) from any and all causes of actions, claims, counterclaims, controversies, liabilities, obligations, demands, damages, costs, and expenses, of every nature, character, and description, in law or equity, whether presently known or unknown, vested or contingent, suspected or unsuspected, which any of the Celsius Entities have or may have against any or all of the Stone Party Entities with respect to the facts and circumstances set forth in or relating to the Adversary Proceeding, the New York State Litigation, or the KeyFi POCs, the legal proceedings between the Parties related to the Adversary Proceeding, the New York State Litigation, or the KeyFi POCs, and any agreements between or among any of the Parties (other than this Settlement Agreement), for any reason whatsoever, occurring from the beginning of the world to the date hereof, and further agree that this Settlement Agreement may be pleaded and shall serve as a full defense to any action, suit or other proceeding covered by the terms of this Settlement Agreement which is or may be initiated, prosecuted or maintained; provided, however, that this release shall not apply to (v) the terms and enforcement of this Settlement Agreement; (w) claims, causes of action, or proceedings of any kind assigned, or deemed assigned by, the Stone Parties under Paragraph 2(a) hereof; (x) claims, causes of action, or proceedings of any kind against any Subject Third Party; (y) any claims, causes of action, or proceedings of any kind, the survival of which would be necessary for, or helpful to, pursuing any Claims against any Subject Third Parties, including Rari Capital, Unslashed, Spartan, Stakehound, and Fireblocks (a “**Predicate Claim**”), provided, however, that for as long as the release described in this paragraph remains effective, Celsius covenants not to seek recovery from any Stone Party Entity (for the avoidance of doubt, such covenant does not extend to claims against or efforts to recover from any Subject Third Party) in respect of any Predicate Claim, or (z) any right of Celsius to participate in any government recovery fund.
- b. Upon the Release Date, the Stone Party Entities hereby completely release, acquit, and forever discharge the Celsius Entities from any and all causes of actions, claims, counterclaims, controversies, liabilities, obligations, demands, damages, costs, and expenses, of every nature, character, and description, in law or equity, whether

presently known or unknown, vested or contingent, suspected or unsuspected, which any of the Stone Party Entities have or may have against any or all of the Celsius Entities with respect to the facts and circumstances set forth in or relating to the Adversary Proceeding, the New York State Litigation, or the KeyFi POCs, the legal proceedings between the Parties related to the Adversary Proceeding, the New York State Litigation, or the KeyFi POCs, and any agreements between or among any of the Parties (other than this Settlement Agreement), for any reason whatsoever, occurring from the beginning of the world to the date hereof, and further agree that this Settlement Agreement may be pleaded and shall serve as a full defense to any action, suit or other proceeding covered by the terms of this Settlement Agreement which is or may be initiated, prosecuted or maintained; provided, however, that this release shall not apply to the terms and enforcement of this Settlement Agreement.

8. **Miscellaneous**

a. **Additional Representations and Warranties of the Stone Parties.** The Stone Parties additionally represent and warrant to Celsius that:

- i. they have all requisite entity power and authority to execute and deliver this Settlement Agreement and to perform its obligations hereunder;
- ii. the execution, delivery and performance by the Stone Parties of this Settlement Agreement and each of the transactions contemplated hereby have been duly and validly authorized and no other act or proceeding on the part of the Stone Parties, their Affiliates, or their respective equity owners or any other person or entity is necessary to authorize the execution, delivery or performance by the Stone Parties of this Settlement Agreement; and
- iii. the execution, delivery and performance by the Stone Parties of this Settlement Agreement does not and will not (a) violate, conflict with, result in any breach of, constitute a default under, result in the termination or acceleration of, create in any party the right to accelerate, terminate, modify or cancel, or require any notice under KeyFi's certificate of incorporation or bylaws or any law or contract to which the Stone Parties are bound, or (b) require any authorization, consent, approval, exemption or other action by or notice to any governmental authority under the provisions of any law.

b. **Representations and Warranties of Celsius.** Celsius represents and warrants to the Stone Parties that:

- iv. it has all requisite entity power and authority to execute and deliver this Settlement Agreement and to perform its obligations hereunder;
- v. the execution, delivery and performance by Celsius of this Settlement Agreement and each of the transactions contemplated hereby have been duly and validly authorized and no other act or proceeding on the part of Celsius, its Affiliates, their respective equity owners or any other person or entity is

necessary to authorize the execution, delivery or performance by Celsius of this Settlement Agreement; and

- vi. the execution, delivery and performance by Celsius of this Settlement Agreement do not and will not (a) violate, conflict with, result in any breach of, constitute a default under, result in the termination or acceleration of, create in any party the right to accelerate, terminate, modify or cancel, or require any notice under Celsius' certificate of incorporation or bylaws or any law or contract to which Celsius is bound or (b) require any authorization, consent, approval, exemption or other action by or notice to any governmental authority under the provisions of any law.
- c. **Entire Agreement, etc.** This Settlement Agreement constitutes the entire agreement with respect to the subject matter addressed herein and supersedes any prior written and/or verbal agreement between the Parties, and shall be binding upon, and inure to the benefit of each and all of the Parties and their respective heirs, successors and assigns.
- d. **Amendments.** This Settlement Agreement or any provision hereof may not be orally modified or waived. This Settlement Agreement may only be modified in a writing signed by all of the Parties or waived in a writing signed by the Party granting the relevant waiver.
- e. **Assignment.** Neither this Settlement Agreement nor any of the rights, interests or obligations under this Settlement Agreement may be assigned or delegated, in whole or in part, by operation of law or otherwise by any of the Parties without the prior written consent of the other Parties, and any such assignment without such prior written consent shall be null and void. No assignment shall release the assigning Party of its obligations or liabilities under this Settlement Agreement. Subject to the preceding sentences, this Settlement Agreement shall be binding upon, inure to the benefit of, and be enforceable by, the Parties and their respective successors and permitted assigns.
- f. **Governing Law; Submission to Jurisdiction; Waiver of Jury Trial.** The Parties understand and agree that this Settlement Agreement shall be construed and interpreted in accordance with the laws of the State of New York excluding any law that would result in the application of the laws of any jurisdiction other than the State of New York. The Parties shall submit themselves to the exclusive jurisdiction of the Bankruptcy Court, and any appellate court thereof, for the purposes of any suit, action or other proceeding arising out of, or relating to, the Settlement Agreement, or any of the transactions contemplated thereby, and agree not to bring any suit, action or other proceeding arising out of, or relating to, the Settlement Agreement, or any of the transactions contemplated thereby in any other court. Each Party irrevocably waives, and agrees not to assert, by way of motion, as a defense, or otherwise, in any such suit, action or proceeding, any claim that it is not personally subject to the jurisdiction of the Bankruptcy Court, and any appellate court thereof, for any reason whatsoever, that such suit, action or proceeding is brought in an inconvenient forum, or that the venue of such suit, action or proceeding is improper, or that this Settlement Agreement or the subject

matter thereof may not be enforced in or by the Bankruptcy Court. EACH OF THE PARTIES HEREBY IRREVOCABLY WAIVES ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY SUIT, ACTION, OR OTHER PROCEEDING ARISING OUT OF, OR RELATING TO, THE SETTLEMENT AGREEMENT, OR ANY OF THE TRANSACTIONS CONTEMPLATED THEREBY.

- g. **Enforcement.** The Parties understand and agree that money damages would not be a sufficient remedy for any breach of this Settlement Agreement, and that, in the event of a breach of this Settlement Agreement, in addition to all other remedies under applicable law, the non-breaching Party shall be entitled to specific performance and to injunctive or other equitable relief as a remedy for any such breach. The Party in breach of the Settlement Agreement will not oppose the granting of such relief and will waive any requirement for the posting of any bond or other security in connection with this Settlement Agreement. In the event of litigation relating to this Settlement Agreement, if the Bankruptcy Court determines that a Party or any of its Representatives has breached the Settlement Agreement, the breaching Party will reimburse the non-breaching Party for its reasonable out-of-pocket costs and reasonable out-of-pocket expenses (including, without limitation, reasonable legal fees and reasonable out-of-pocket expenses) incurred in connection with such litigation.
- h. **Execution of Additional Documents.** The Stone Parties hereby agree to make, execute, acknowledge, and deliver any and all further documents and instruments and to cause to be done all such further reasonable acts as Celsius may request from time to time to evidence and in any manner perfect the transfer and assignment to Celsius of the Wallet Assets, the Unslashed/Spartan Assets and the Stakehound/Fireblocks Assets and otherwise effectuate the terms of this Settlement Agreement.
- i. **No Admission of Liability.** Nothing in this Settlement Agreement shall be deemed an admission of liability by any Party with respect to any of the claims, interests or causes of action released pursuant to this Settlement Agreement.
- j. **Waiver of California Civil Code Section 1542**
 - vii. The Parties hereby expressly waive and relinquish all rights and benefits afforded by California Civil Code section 1542 to the extent California Civil Code section 1542 is applicable and do so understanding and acknowledging the significance and consequences of such specific waiver of California Civil Code section 1542.
 - viii. The Parties acknowledge and understand that the Parties are being represented in this matter by counsel, and acknowledge that the Parties' respective counsel are familiar with the provisions of California Civil Code section 1542. California Civil Code section 1542 provides as follows (emphasis added):

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT
THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR
SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF

EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

- ix. Notwithstanding the provisions of section 1542, the Parties expressly acknowledge and agree that the releases set forth in Paragraphs 7(a) and 7(b) are intended to include and do include in their effect, without limitation, all such claims that the Parties do not know or suspect to exist at the time of the execution of this Settlement Agreement, and that this Settlement Agreement contemplates the extinguishment of those claims.
- k. **Captions; Counterparts.** The captions in this Settlement Agreement are for convenience only and shall not be considered a part of, or affect the construction or interpretation of, any provision of this Settlement Agreement. This Settlement Agreement may be executed in multiple counterparts (including by means of facsimile or other electronic transmission, including pdf, DocuSign or similar format), each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.
- l. **Nonwaiver.** Any failure by any of the Parties to insist upon the strict performance by any of the other Parties of any of the provisions of this Settlement Agreement shall not be deemed a waiver of any provision of this Settlement Agreement, and such Party, notwithstanding such failure, shall have the right thereafter to insist upon the specific performance of any and all of the provisions herein.
- m. **Reliance on Own Counsel.** In entering into this Settlement Agreement, each Party acknowledges that: (a) it has had the opportunity to seek and rely upon the advice of attorneys of its own choosing; (b) the determination of the terms of and the drafting of, this Settlement Agreement has been by mutual agreement after negotiation, with consideration by and participation of all Parties and their counsel; (c) it fully understands and voluntarily accepts the Settlement Agreement's terms based on the consideration set forth in the Settlement Agreement and not on any other promises or representations by the other Party or any attorney or other agent or representative of the other Party; and (d) in deciding to sign this Settlement Agreement, it did not rely and has not relied on any oral or written representation or statement except as otherwise explicitly stated herein by the other Party or any attorney, or other agent or representative of the other Party, including but not limited to any representation or statement about the subject matter, basis, or effect of this Settlement Agreement. Since this Settlement Agreement was drafted with the participation of all Parties and their counsel, the presumption that ambiguities shall be construed against the drafter does not apply.
