Mohsin Y. Meghji, in his capacity as Litigation Administrator (the "Litigation Administrator") of the above-captioned post-effective date debtors (prior to the Effective Date of the Plan, the "Debtors," and after the Effective Date, the "Post-Effective Date Debtors," as applicable), respectfully states as follows in support of this objection (the "Objection"): ²

Relief Requested

1. By this twenty-first omnibus Objection, the Litigation Administrator seeks entry of an order, substantially in the form attached hereto as Exhibit A (the "Proposed Order") modifying the claims identified on Schedule 1 to Exhibit A (collectively, the "Inaccurately Supported Claims") because the amount, quantity, and/or classification of such asserted claims are not reflected in the Debtors' schedules of assets and liabilities [Docket No. 974] (as amended from time to time, the "Schedules") or books and records (the "Books and Records"), and the supporting documentation provided with the corresponding Proofs of Claim (defined herein) fails to sufficiently validate the amount, quantity, and/or classification asserted by such claims as required

² Capitalized terms used but not defined in this Objection shall have the meanings given to such terms in the (a) *Order (I) Approving (A) Omnibus Claims Objection Procedures, (B) Omnibus Substantive Claims Objections and Form of Notice, and (C) Satisfaction Procedures and Form of Notice and (II) Modifying Bankruptcy Rule 3007(e)(6)* [Docket No. 2090] (the "Objection Procedures Order"); or (b) *Modified Joint Chapter 11 Plan of Reorganization of Celsius Network LLC and its Debtor Affiliates (Modified for MiningCo Transaction)* [Docket No. 4289] (as amended, supplemented, or modified from time to time, the "Plan"), as applicable.

by Title 11 of the United States Code, 11 U.S.C. §§ 101–1532 (the “Bankruptcy Code”) and the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”). Therefore, the Litigation Administrator seeks to modify the Inaccurately Supported Claims to match the amount, quantity, and/or classification that the relevant claimants are entitled to according to the Debtors’ Schedules and Books and Records. In support of this Objection, the Litigation Administrator submits the declaration of Kenneth Ehrler, a Managing Director at M3 Advisory Partners, LP (the “Ehrler Declaration”), attached hereto as **Exhibit B**.

Jurisdiction and Venue

2. The United States Bankruptcy Court for the Southern District of New York (the “Court”) has jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and 1334 and the *Amended Standing Order of Reference* from the United States District Court for the Southern District of New York, dated February 1, 2012. The Litigation Administrator confirms his consent, pursuant to Bankruptcy Rule 7008, to the entry of a final order or judgment by the Court in connection with this Objection to the extent that it is later determined that the Court, absent consent of the parties, cannot enter final orders or judgments in connection herewith consistent with Article III of the United States Constitution.

3. Venue is proper in this Court pursuant to 28 U.S.C. §§ 1408 and 1409.

4. The bases for the relief requested herein are Sections 105 and 502(b) of the Bankruptcy Code, Bankruptcy Rule 3007, and the Objection Procedures Order.

Claims Reconciliation Process

5. On October 5, 2022, all Debtors except for GK8 Ltd., GK8 UK, and GK8 USA LLC (collectively, the “GK8 Debtors”)³ filed their respective Schedules pursuant to Bankruptcy Rule 1007 and the orders extending time to file schedules of assets and liabilities [Docket Nos. 57 and 431].

6. On November 16, 2022, the Court entered an order [Docket No. 1368] (the “Bar Date Order”) establishing January 3, 2023, at 5:00 p.m., prevailing Eastern Time (the “Bar Date”), as the last date and time for most retail Account Holders to file proofs of claim based on prepetition claims (collectively, the “Proofs of Claim”) against any Debtor other than the GK8 Debtors, and January 10, 2023, at 5:00 p.m., prevailing Eastern Time (the “Governmental Bar Date”), as the last date and time for each governmental unit to file Proofs of Claim against any Debtor other than the GK8 Debtors. On January 10, 2023, the Court entered an order [Docket No. 1846] (the “Amended Bar Date Order”) extending both the Bar Date and the Governmental Bar Date to February 9, 2023, at 5:00 p.m., prevailing Eastern Time (the “Extended Bar Date”). To date, no bar date has been set as to claims against the GK8 Debtors.

7. Following entry of the *Memorandum Opinion Regarding Which Debtor Entities Have Liability for Customer Claims Under the Terms of Use* [Docket No. 2205] (the “Customer Claims Opinion”) on March 9, 2023, the Debtors extended the general claims bar date to April 28, 2023 for any claim affected by the amendment of the Schedules and Statements pursuant to the Customer Claims Opinion (the “Affected Account Holder Claims”). See Docket No. 2310. On April 18, 2023, the Court entered an order authorizing the Committee to file the Class Claim (as

³ The GK8 Debtors, who filed their respective voluntary petitions for protection under chapter 11 of the Bankruptcy Code on December 7, 2022, filed their respective schedules on January 20, 2023, in their respective cases.

defined below) and to seek certification of the class of all account holders under Bankruptcy Rule 7023. Docket No. 2496 (the “Class Claim Order”). The Class Claim Order provided that “the bar date for claims set forth in the *Notice of Amended Bar Date for Submission of Proofs of Claim* . . . is tolled pending an order of the Court with respect to the certification of the putative class under Bankruptcy Rule 7023.” On July 21, 2023, the Court entered an order establishing August 2, 2023 at 5:00 p.m., prevailing Eastern Time, as the final bar date for Affected Account Holder Claims. *See* Docket No. 3066.

8. In the ordinary course of business, the Debtors maintained Books and Records that reflect, among other things, the Debtors’ liabilities and amounts owed to their creditors.

9. The claims register for the Chapter 11 Cases (the “Claims Register”), prepared and maintained by Stretto, shows that, as of the filing of this Objection, approximately 33,445 Proofs of Claim have been filed against the Debtors, totaling approximately \$1,000,000,298,983,530,000,000.00. Due to the large number of claims in these Chapter 11 Cases, the Debtors sought and have been granted approval to file omnibus objections to certain claims in accordance with the procedures set forth in the Objection Procedures Order.

10. On February 19, 2023, the Debtors filed their first omnibus objection to certain Proofs of Claim, which was subsequently sustained by the Court. *See* Docket Nos. 2103, 2288.

11. On August 14, 2023, the Court entered the *Order (I) Approving the Settlement by and Among the Debtors and the Committee with Respect to the Committee Class Claim and (II) Granting Related Relief* [Docket No. 3288] (the “Class Claim Settlement”), which provided a comprehensive resolution of Proof of Claim No. 29046 (the “Class Claim”) filed by the Committee. The Class Claim asserted various non-contract claims against certain Debtor entities. The Class Claim Settlement resolved non-contractual claims for account holders that did not opt

out of the Class Claim Settlement, thus, resolving all or part of numerous Proofs of Claim related thereto.

12. On March 21, 2023, the Court entered the *Order (I) Approving (A) the Settlement by and Among the Debtors, the Committee, and the Custody Ad Hoc Group and (B) the Election Form and (II) Granting Related Relief* [Docket No. 2291] (the “Custody Settlement”), which resolved outstanding claims related to Custody accounts for account holders that opted in to the Custody Settlement, thus, resolving all or part of numerous Proofs of Claim related thereto.

13. On November 9, 2023, the Court entered the *Findings of Fact, Conclusions of Law, and Order Confirming the Modified Joint Chapter 11 Plan of Celsius Network LLC and its Debtor Affiliates* [Docket No. 3972] (the “Confirmation Order”), pursuant to which the Court approved and confirmed the Plan. The Confirmation Order provides, in relevant part:

The Litigation Administrator may take such actions as the Litigation Administrator may determine to be necessary or desirable to carry out the purposes of the Plan. The Litigation Administrator shall have the authority to prosecute, settle, or otherwise resolve, without limitation, all Disputed Claims remaining as of the Effective Date (including any related Causes of Action that are not released, waived, settled, or compromised pursuant to the Plan). . . The Litigation Administrator shall serve as a representative of the Estates under section 1123(b) of the Bankruptcy Code for the purpose of collecting Recovery Causes of Action and enforcing Causes of Action belonging to the Estates related to Disputed Claims or Disputed Interests that are not released, waived, settled, compromised, or transferred pursuant to the Plan (including, for the avoidance of doubt, the Recovery Causes of Action, objections to Claims, and any other Causes of Action agreed to by the Plan Administrator and the Litigation Administrator).

Confirmation Order, ¶ 298; *see* Plan, Art. IV.G.1 (containing language substantially similar to ¶ 298 of the Confirmation Order).

14. Furthermore, the Plan and the Confirmation Order make clear that, among other things, (a) the responsibilities of the Litigation Administrator include, without limitation, filing and prosecuting any objections to Claims or Interests or settling or otherwise compromising such

Claims and Interests in accordance with the Plan and any applicable orders of the Court [*see* Plan, Art. IV.G.2]; and (b) the Litigation Administrator, on behalf of the Post-Effective Date Debtors, specifically retains and reserves the right to assert any and all Causes of Action⁴ and related rights. *See* Confirmation Order, ¶ 296. In other words, the Litigation Administrator, pursuant to the Plan, the Confirmation Order, and the Litigation Administrator Agreement, steps in the shoes of the Post-Effective Date Debtors to serve as the duly-appointed representative of the Estates for certain limited purposes.

15. Accordingly, to further the claims reconciliation process, the Litigation Administrator seeks approval to modify the Inaccurately Supported Claims in accordance with the Plan, the Confirmation Order, and the Objection Procedures Order for the reasons set forth below.

Objection

16. Pursuant to section 502(a) of the Bankruptcy Code, a filed proof of claim is deemed allowed unless a party in interest objects thereto. *See* 11 U.S.C. § 502(a). Bankruptcy Rule 3007 provides certain grounds upon which “objections to more than one claim may be joined in an omnibus objection.” Bankruptcy Rule 3007(d). The Objection Procedures Order expands upon Bankruptcy Rule 3007(d) and permits the Debtors to file an omnibus objection on additional grounds.

17. When asserting a proof of claim against a bankruptcy estate, a claimant must allege facts that, if true, would support a finding that the debtor is legally liable to the claimant. *In re Avaya, Inc.*, 608 B.R. 366, 369-70 (Bankr. S.D.N.Y. 2019). Where the claimant alleges sufficient facts to support its claim, its claim is afforded *prima facie* validity. *See id.*

⁴ Under the Plan, “Causes of Action” encompass, among other things, “the right to object to or otherwise contest, recharacterize, reclassify, subordinate, or disallow Claims and Interests[.]” Plan, Art. I.A.34.

18. A party objecting to a proof of claim must only provide evidence sufficient to negate the *prima facie* validity of the claim by refuting one or more of the allegations in the filed claim. *See Waterman S.S. Corp. v. Aguiar (In re Waterman Steamship Corp.)*, 200 B.R. 770, 774-75, 777 (Bankr. S.D.N.Y. 1996) (reopening discovery into asbestos claims due to insufficient information upon which to determine the validity of claims); *see also In re Dreier, LLP*, 544 B.R. 760, 766, 772 (Bankr. S.D.N.Y. 2016) (disallowing certain enhanced claims when it was proven that claimants did not hold secured interests in property of the estate). Once this occurs, “the burden reverts to the claimant to prove the validity of the claim by a preponderance of the evidence.” *In re WorldCom, Inc.*, No. 02-13533 (AJG), 2005 Bankr. LEXIS 3272, at *10-11, *28 (Bankr. S.D.N.Y. Dec. 29, 2005) (citing Bankruptcy Rule 3001(f) and holding that claimant did not meet its burden to prove the validity of anticipatory breach and unjust enrichment claims, but that further evidence was needed to assess the merits of a lack of good faith claim) (quoting *In re Allegheny Int’l, Inc.*, 954 F.2d 167, 173-74 (3d Cir. 1992)); *see also In re St. Johnsbury Trucking Co.*, 206 B.R. 318, 323, 328 (Bankr. S.D.N.Y. 1997) (citing Bankruptcy Rule 3001(f) and allowing claim where debtor failed to refute any of the material facts in proof of claim).

19. The claimant must prove the claim, not sit back while the objector attempts to disprove it. *See In re Bennett*, 83 B.R. 248, 252 (Bankr. S.D.N.Y. 1988) (holding that debtor presented sufficient evidence to rebut the *prima facie* validity of claimant’s claim and that claimant failed to prove the claim by a preponderance of credible evidence).

20. Pursuant to Bankruptcy Rule 3007 and the Objection Procedures Order (as well as the powers granted to the Litigation Administrator under the Plan, the Confirmation Order, and the Litigation Administrator Agreement), the Litigation Administrator files this Objection to the
247 Inaccurately Supported Claims listed on **Schedule 1** to **Exhibit A** because the Litigation

Administrator analyzed the Inaccurately Supported Claims, along with the Books and Records, the Schedules, and the related supporting documentation provided by each claimant, if any, and has determined that (i) the amount, quantity, and/or classification of each Inaccurately Supported Claim is inconsistent with the Debtors' actual liability as reflected in the Debtors' Schedules and Books and Records, and (ii) the Proofs of Claim provide no basis or insufficient supporting documentation to support an amount, quantity, and/or classification other than what is listed in the Debtors' Schedules and Books and Records. Moreover, each Inaccurately Supported Claim is subject to the Class Claim Settlement, as the relevant claimant did not opt-out. The Litigation Administrator, therefore, seeks to modify the Inaccurately Supported Claims to match the Debtors' Schedules and Books and Records.⁵

21. The Inaccurately Supported Claims should be modified to reflect the amount, quantity, and/or classification listed under the heading labeled "Modified" in **Schedule 1**. Failure to modify the Inaccurately Supported Claims will result in the respective claimants receiving an improper or excessive recovery against the Estates, to the detriment of other creditors. Modification of these Inaccurately Supported Claims will provide for a Claims Register that accurately reflects the Debtors' actual liability. Accordingly, the Litigation Administrator (a) objects to the allowance of each of the Inaccurately Supported Claims, and (b) seeks entry of the Proposed Order modifying each Inaccurately Supported Claim in the amount, quantity, and/or classification listed under the heading labeled "Modified" as set forth in **Schedule 1**.

⁵ To the extent that any of the claimants provide additional documentation with respect to the Inaccurately Supported Claims in response to this Objection, the Litigation Administrator reserves all rights to contest that such additional documentation should be time-barred, and that the claimant failed to meet its burden in a timely manner. To the extent, however, that any of the additional documentation is provided and the claim is held to constitute a timely filed proof of claim that is *prima facie* valid, the Litigation Administrator reserves all rights to further object to the proof of claim on any grounds permitted under applicable law.

Compliance with the Objection Procedures Order and the Bankruptcy Rules

22. The Litigation Administrator respectfully submits that the content of this Objection is in full compliance with the Objection Procedures Order and the Bankruptcy Rules for the following reasons:

- (a) This Objection conspicuously states on the first page the following (emphasis original): **“YOU SHOULD LOCATE YOUR NAME AND YOUR CLAIM(S) ON THE SCHEDULE ATTACHED TO EXHIBIT A HERETO. PLEASE TAKE NOTICE THAT YOUR CLAIM(S) MAY BE DISALLOWED, EXPUNGED, RECLASSIFIED, REDUCED, MODIFIED, OR OTHERWISE AFFECTED AS A RESULT OF THIS OBJECTION. THEREFORE, PLEASE READ THIS NOTICE AND THE ACCOMPANYING OBJECTION VERY CAREFULLY AND DISCUSS THEM WITH YOUR ATTORNEY. IF YOU DO NOT HAVE AN ATTORNEY, YOU MAY WISH TO CONSULT ONE”**;⁶
- (b) This Objection states the title and identity of the objecting party (the Litigation Administrator) and states the grounds for the Objection;⁷
- (c) Pursuant to the Bankruptcy Rules and the Objection Procedures Order (and the powers granted to the Litigation Administrator under the Plan, the Confirmation Order, and the Litigation Administrator Agreement), the Litigation Administrator is authorized to file this Objection on the grounds that:
 - i. the claims are inconsistent with the Debtors’ Books and Records;⁸ and
 - ii. the claims fail to specify sufficiently the basis for or provide sufficient supporting documentation to justify recovery of any amount, quantity, and/or classification inconsistent with the Debtors’ Schedules and Books and Records.⁹

⁹ See Objection Procedures Order, Ex. 1, ¶ 1.d; Objection Procedures Order, Ex. 1, ¶ 1.e; Objection Procedures Order, Ex. 1, ¶ 1.f.

- (d) The schedule to **Exhibit A** includes only the claims to which there is a common basis for in the Objection;¹⁰
- (e) Such schedule states the grounds for objecting to each claim and provides a cross-reference to the pages in the Objection pertinent to the stated grounds;¹¹
- (f) Claimants subject to this Objection are listed in alphabetical order by claimant name;¹²
- (g) The Objection is numbered consecutively with other omnibus objections that will be filed by the Litigation Administrator;¹³ and
- (h) The Objection contains no more than 250 claims.¹⁴

23. The Litigation Administrator further submits that notice and service of this Objection will be in full compliance with the Bankruptcy Rules for the following reasons:

- (a) The Objection will be filed with the Court and served upon (i) the affected claimant party set forth on each Proof of Claim subject to this Objection or their respective attorney of record, (ii) the United States Trustee for the Southern District of New York (the “U.S. Trustee”), and (iii) parties that have filed a request for service of papers under Bankruptcy Rule 2002;¹⁵
- (b) With respect to service on claimants affected by this Objection, the Litigation Administrator will also serve each affected claimant with an objection notice to address the particular creditor, claim, and objection;¹⁶ and
- (c) A hearing on this Objection, if any, will be set at least 30 days after the filing of this Objection.¹⁷

Reservation of Rights

24. The Litigation Administrator expressly reserves the right to amend, modify, or supplement this Objection, and to file additional objections to any other claims that may be asserted against the Debtors and their Estates. Accordingly, it is without prejudice to the rights of the Litigation Administrator or any other party in interest to object to any of the claims listed on **Schedule 1** to **Exhibit A** on any grounds whatsoever, and the Litigation Administrator expressly reserves all further substantive or procedural objections he may have. The Litigation Administrator further reserves the right to seek an adjournment of any hearing on any response to this Objection, which adjournment will be noted on the notice of agenda for the hearing. The agenda will be served on the person designated by the claimant in its response.

25. Notwithstanding anything contained in this Objection, or the exhibits and schedules attached hereto, nothing herein will be construed as a waiver of any rights that the Litigation Administrator may have to enforce rights of setoff against the claimants.

Motion Practice

Since joining M3, I have provided restructuring advice to companies both in chapter 11 and on an out-of-court basis, in the crypto, financial services, healthcare, energy, retail, industrial, and hospitality industries. I have advised creditors and companies in several recent major chapter 11 cases including, among others, BlockFi Inc., Seadrill Partners LLC, Neiman Marcus Group LTD LLC, Tailored Brands, Inc., CraftWorks Holdings, and Sears Holding Corporation. Prior to joining M3, I was a Senior Manager at EY focused on business transformation and strategy consulting and held comparable financial and operational advisory roles at Citigroup, Credit Suisse, and Capgemini. I received my bachelor's degree in electrical and computer engineering from Cornell University and an MBA with honors from the Wharton School at the University of Pennsylvania. 7. Unless otherwise indicated, the statements set forth in this Declaration are based on: (a) my personal knowledge; (b) my review of relevant documents; (c) my view, based on my experience and knowledge of the Debtors and the Debtors' operations, Books and Records, and personnel; (d) information supplied to me by the Litigation Administrator, his advisors, and by

others at the Litigation Administrator's request; (e) as to matters involving United States bankruptcy law or rules or other applicable laws, my reliance on the advice of counsel or other advisors to the Litigation Administrator; or (f) my experience as a restructuring and financial professional. If called upon to testify, I could and would testify competently to the facts set forth herein.

8. To the best of my knowledge, information and belief, insofar as I have been able to ascertain after reasonable inquiry, considerable time and resources have been expended to ensure a high level of diligence in reviewing and reconciling the Proofs of Claim filed against the Debtors in these Chapter 11 Cases.

9. Upon a thorough review and analysis of the Proofs of Claim filed in these Chapter 11 Cases and the supporting documentation attached thereto, the Litigation Administrator has determined that the Inaccurately Supported Claims listed on **Schedule 1** to **Exhibit A** were filed (i) in incorrect amounts, quantities, and/or under classifications which differ from the amounts, quantities, and/or classifications reflected in the Debtors' Schedules and Books and Records, and (ii) without documentation sufficient to support an amount, quantity, and/or classification other than what is listed in the Debtors' Schedules and Books and Records. Moreover, each Inaccurately Supported Claim is subject to the Class Claim Settlement, as the relevant claimant did not opt-out. Accordingly, I believe that the Inaccurately Supported Claims should be modified to match the amount, quantity, and/or classification listed under the heading labeled "Modified" in **Schedule 1**.

10. Failure to modify the Inaccurately Supported Claims listed on **Schedule 1** to **Exhibit A** could result in the respective claimants receiving an improper or excessive recovery from the Debtors' estates, to the detriment of other creditors. Moreover, modification of these Inaccurately Supported Claims will provide for a Claims Register that accurately reflects the

Debtors' actual liability. Accordingly, I believe that the Court should grant the relief requested in the Objection.

Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge and belief.
