**Official Form 309F (For Corporations or Partnerships)**

**Notice of Chapter 11 Bankruptcy Cases**

02/20

For the debtors listed above, cases have been filed under chapter 11 of the Bankruptcy Code. An order for relief has been entered for each Debtor.

This notice has important information about the case for creditors, debtors, and trustees, including information about the meeting of creditors and deadlines. Read both pages carefully.

The filing of the cases imposed an automatic stay against most collection activities. This means that creditors generally may not take action to collect debts from the debtors or the debtors' property. For example, while the stay is in effect, creditors cannot sue, assert a deficiency, repossess property, or otherwise try to collect from the debtors. Creditors cannot demand repayment from the debtors by mail, phone, or otherwise. Creditors who violate the stay can be required to pay actual and punitive damages and attorney's fees.

Confirmation of a chapter 11 plan may result in a discharge of debt. A creditor who wants to have a particular debt excepted from discharge may be required to file a complaint in the bankruptcy clerk's office within the deadline specified in this notice. (See line 11 below for more information.)

To protect your rights, consult an attorney. All documents filed in the cases may be inspected on the website created by Claims and Noticing Agent Stretto, Inc. for these chapter 11 cases at <https://cases.stretto.com/TuesdayMorning>, the bankruptcy clerk's office at the address listed below or through PACER (Public Access to Court Electronic Records at [www.pacer.gov](http://www.pacer.gov)). Telephonic inquiries may be directed to 855.202.8673 (for U.S. calls) and 949.296.3557 (for calls originating outside of the U.S.).

**The staff of the bankruptcy clerk's office cannot give legal advice.**

**Do not file this notice with any proof of claim or other filing in the case.**

For example, a secured creditor who files a proof of claim may surrender important nonmonetary rights, including the right to a jury trial.</p>		
<p><b>8. Exception to discharge deadline</b>            The bankruptcy clerk's office must receive a complaint and any required filing fee by the following deadline</p>	<p>If § 523(c) applies to your claim and you seek to have it excepted from discharge, you must start a judicial proceeding by filing a complaint by the deadline stated below.</p> <p><b>Deadline for filing the complaint: N/A</b></p>	
<p><b>9. Creditors with a foreign address</b></p>	<p>If you are a creditor receiving notice mailed to a foreign address, you may file a motion asking the court to extend the deadlines in this notice. Consult an attorney familiar with United States bankruptcy law if you have any questions about your rights in this case.</p>	
<p><b>10. Filing a Chapter 11 bankruptcy case</b></p>	<p>Chapter 11 allows debtors to reorganize or liquidate according to a plan. A plan is not effective unless the court confirms it. You may receive a copy of the plan and a disclosure statement telling you about the plan, and you may have the opportunity to vote on the plan. You will receive notice of the date of the confirmation hearing, and you may object to confirmation of the plan and attend the confirmation hearing. Unless a trustee is serving, the debtor will remain in possession of the property and may continue to operate its business.</p>	
<p><b>11. Discharge of debts</b></p>	<p>Confirmation of a chapter 11 plan may result in a discharge of debts, which may include all or part of your debt. See 11 U.S.C. § 1141(d). A discharge means that creditors may never try to collect the debt from the debtor except as provided in the plan. If you want to have a particular debt owed to you excepted from the discharge and § 523(c) applies to your claim, you must start a judicial proceeding by filing a complaint and paying the filing fee in the bankruptcy clerk's office by the deadline.</p>

11 U.S.C. § 503.

**Claim:** A creditor's right to receive payment for a debt that the debtor owed on the date the debtor filed for bankruptcy.  
11 U.S.C. §101 (5). A claim may be secured or unsecured.

### How to fill out this form

- Fill in all of the information about the claim as of the date the case was filed.
- Fill in the caption at the top of the form.
- If the claim has been acquired from someone else, then state the identity of the last party who owned the claim or was the holder of the claim and who transferred it to you before the initial claim was filed.
- Attach any supporting documents to this form.  
Attach redacted copies of any documents that show that the debt exists, a lien secures the debt, or both. (See the definition of *redaction* on the next page.)  
Also attach redacted copies of any documents that show perfection of any security interest or any assignments or transfers of the debt. In addition to the documents, a summary may be added. Federal Rule of Bankruptcy Procedure (called "Bankruptcy Rule") 3001(c) and (d).
- Do not attach original documents because attachments may be destroyed after scanning.
- If the claim is based on delivering health care goods or services, do not disclose confidential health care information. Leave out or redact confidential information both in the claim and in the attached documents.

**Claim Pursuant to 11 U.S.C. §503(b)(9):** A claim arising from the value of any goods received by the Debtor within 20 days before the date of commencement of the above case, in which the goods have been sold to the Debtor in the ordinary course of the Debtor's business. Attach documentation supporting such claim.

**Creditor:** A person, corporation, or other entity to whom a debtor owes a debt that was incurred on or before the date the debtor filed for bankruptcy. 11 U.S.C. §101 (10).

**Debtor:** A person, corporation, or other entity who is in bankruptcy. Use the debtor's name and case number as shown in the bankruptcy notice you received. 11 U.S.C. § 101 (13).

**Evidence of perfection:** Evidence of perfection of a security interest may include documents showing that a security interest has been filed or recorded, such as a mortgage, lien, certificate of title, or financing statement.

**Information that is entitled to privacy:** A *Proof of Claim* form and any attached documents must show only the last 4 digits of any social security number, an individual's tax identification number, or a financial account number, only the initials of a minor's name, and only the year of any person's date of birth. If a claim is based on delivering health care goods or services, limit the disclosure of the goods or services to avoid embarrassment or disclosure of confidential health care information. You may later be required to give more information if the trustee or someone else in interest objects to the claim.

**Priority claim:** A claim within a category of unsecured claims that is entitled to priority under 11 U.S.C. §507(a). These claims are paid from the available money or property in a bankruptcy case before other unsecured claims are paid. Common priority unsecured claims include alimony, child support, taxes, and certain unpaid wages.

**Proof of claim:** A form that shows the amount of debt the debtor owed to a creditor on the date of the bankruptcy filing. The form must be filed in the district where the case is pending.

**Redaction of information:** Masking, editing out, or deleting certain information to protect privacy. Filers must redact or leave out information entitled to **privacy** on the *Proof of Claim* form and any attached documents.

**Secured claim under 11 U.S.C. §506(a):** A claim backed by a lien on particular property of the debtor. A claim is secured to the extent that a creditor has the right to be paid from the property before other creditors are paid. The amount of a secured claim usually cannot be more than the value of the particular property on which the creditor has a lien. Any amount owed to a creditor that is more than the value of the property normally may be an unsecured claim. But exceptions exist; for example, see 11 U.S.C. § 1322(b) and the final sentence of 1325(a).

Examples of liens on property include a mortgage on real estate or a security interest in a car. A lien may be voluntarily granted by a debtor or may be obtained through a court proceeding. In some states, a court judgment may be a lien.

**Setoff:** Occurs when a creditor pays itself with money belonging to the debtor that it is holding, or by canceling a debt it owes to the debtor.

**Uniform claim identifier:** An optional 24-character identifier that some creditors use to facilitate electronic payment.

**Unsecured claim:** A claim that does not meet the requirements of a secured claim. A claim may be unsecured in part to the extent that the amount of the claim is more than the value of the property on which a creditor has a lien.

## Offers to purchase a claim

Certain entities purchase claims for an amount that is less than the face value of the claims. These entities may contact creditors offering to purchase their claims. Some written communications from these entities may easily be confused with official court documentation or communications from the debtor. These entities do not represent the bankruptcy court, the bankruptcy trustee, or the debtor. A creditor has no obligation to sell its claim. However, if a creditor decides to sell its claim, any transfer of that claim is subject to Bankruptcy Rule 3001(e), any provisions of the Bankruptcy Code (11 U.S.C. § 101 et seq.) that apply, and any orders of the bankruptcy court that apply.
