41. The Monitor, counsel to the Monitor, and counsel to the Petitioners shall be entitled to the benefit of and are hereby granted a charge (the "**Administration Charge**") on the Property, which charge shall not exceed an aggregate amount of \$1,000,000, as security for their respective fees and disbursements incurred at their standard rates and charges, both before and after the making of this Order in respect of these proceedings. The Administration Charge shall have the priority set out in paragraphs 49 and 52 hereof.

To the extent that any Petitioner (an "**Intercompany Lender**") after the date of this Order makes any payment to or on behalf of, or incurs any obligation on behalf of, or discharges any obligation of, a Petitioner (other than itself) (the "**Debtor Petitioner**"), such Intercompany Lender is hereby granted a charge (each, an "**Intercompany Charge**") on all of the Property of such Debtor Petitioner in the amount of such payment, obligation or transfer. The Intercompany Charge shall have the priority set out in paragraphs 49 and 52 hereof.

INTERIM FINANCING

43. The Petitioner is hereby authorized and empowered to obtain and borrow under a credit facility from Drake and BasePoint (the "**Interim Lender**") in order to finance the continuation of the Business and preservation of the Property, provided that borrowings under such credit facility shall not exceed \$5.27 million unless permitted by further Order of this Court.

44. Such credit facility shall be on the terms and subject to the conditions set forth in the commitment letter between the Petitioner and the Interim Lender dated as of July 25, 2023 (the "**Commitment Letter**"), filed.

45. The Petitioner is hereby authorized and empowered to execute and deliver such credit agreements, mortgages, charges, hypothecs and security documents, guarantees and other definitive documents (collectively and together with the Commitment Letter, the "**Definitive**

Documents", which, for the avoidance of doubt, includes the DIP Budget), as are contemplated by the Commitment Letter or as may be reasonably required by the Interim Lender pursuant to the terms thereof, and the Petitioner is hereby authorized and directed to pay and perform all of its indebtedness, interest, fees, liabilities and obligations to the Interim Lender under and pursuant to the Commitment Letter and the Definitive Documents as and when the same become due and are to be performed, notwithstanding any other provision of this Order.

46. The Interim Lender shall be entitled to the benefit of and is hereby granted a charge (the **"Interim Lender's Charge"**) on the Property. The Interim Lender's Charge shall not secure an obligation that exists before this Order is made. The Interim Lender's Charge shall have the priority set out in paragraphs 49 and 52 hereof.

- (a) the Interim Lender may take such steps from time to time as it may deem necessary or appropriate to file, register, record or perfect the Interim Lender's Charge or any of the Definitive Documents;
- (b) upon the occurrence of an event of default under any of the Definitive Documents or the Interim Lender's Charge, the Interim Lender, upon 5 days' notice to the Petitioner and the Monitor, may exercise any and all of its rights and remedies against the Petitioner or the Property under or pursuant to the Commitment Letter, Definitive Documents and the Interim Lender's Charge, including without limitation, to cease making advances to the Petitioner and set off and/or consolidate any amounts owing by the Interim Lender to the Petitioner against the obligations of the Petitioner to the Interim Lender under the Commitment Letter, the Definitive Documents or the Interim Lender's Charge, to make demand, accelerate payment and give other notices, or to apply to this Court for the appointment of a receiver, receiver and manager or interim receiver, or for a bankruptcy order against the Petitioner or the Property under or pursuant to the Definitive Documents and the Interim Lender's Charge, including without limitation, for the appointment of a trustee in bankruptcy of the Petitioner; and
- (c) the foregoing rights and remedies of the Interim Lender shall be enforceable against any trustee in bankruptcy, interim receiver, receiver or receiver and manager of the Petitioner or the Property.

48. The Interim Lender, in such capacity, shall be treated as unaffected in any plan of arrangement or compromise filed by the Petitioner under the CCAA, or any proposal filed by the Petitioner under the *Bankruptcy and Insolvency Act* of Canada (the **"BIA"**), with respect to any advances made under the Definitive Documents.

Except as otherwise expressly provided herein, or as may be approved by this Court, the Petitioners shall not grant or suffer to exist any Encumbrances over any Property that rank in priority to, or *pari passu* with the Charges, unless the Petitioners obtain the prior written consent of the Monitor and the beneficiaries of the Charges.

53. The Charges shall not be rendered invalid or unenforceable and the rights and remedies of the chargees entitled to the benefit of the Charges (collectively, the "**Chargees**") shall not otherwise be limited or impaired in any way by (a) the pendency of these proceedings and the declarations of insolvency made herein; (b) any application(s) for bankruptcy order(s) issued pursuant to the BIA, or any bankruptcy order made pursuant to such applications; (c) the filing of any assignments for the general benefit of creditors made pursuant to the BIA; (d) the provisions of any federal or provincial statutes; or (e) any negative covenants, prohibitions or other similar provisions with respect to borrowings, incurring debt or the creation of Encumbrances, contained in any existing loan documents, lease, mortgage, security agreement, debenture, sublease, offer

- (b) none of the Chargees shall have any liability to any Person whatsoever as a result of any breach of any Agreement caused by or resulting from the creation of the Charges or the execution, delivery or performance of the Definitive Documents; and
- (c) the payments made by the Petitioners pursuant to this Order, the Commitment Letter or the other Definitive Documents, and the granting of the Charges, do not and will not constitute preferences, fraudulent conveyances, transfers at undervalue, oppressive conduct, or other challengeable or voidable transactions under any applicable law.
