C. Buyer and Seller wish to provide for the transfer of such right, title and interest in and to the Property and for other terms and conditions applicable to such transfer, all as hereinafter more particularly provided.

**NOW, THEREFORE**, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties agree as follows:

1. Transfer of Assets; Assumption of Lease. Subject to satisfaction of the conditions and upon and subject to the terms, disclaimers and acknowledgments hereinafter set forth (including, without limitation, those provisions set forth in Section 4 and the condition set forth in Section 5, below), and except for the obligations under the Lease, Seller hereby sells, assigns, transfers, conveys and delivers to Buyer the Property free and clear of any liens, claims, encumbrances, and other interests to the extent provided in or by virtue (in the case of deemed approval pursuant to the Procedures Order) the Transaction Authorization (as defined in Section 5 hereof). For its part, Buyer hereby assumes and agrees to fully perform all of the Seller’s obligations under the Lease arising on and after the date the closing of the transactions contemplated hereby (the “Closing”) occurs. To the extent any monetary defaults exist that are required to be cured pursuant to section 365(b)(1) of title 11 of the United States Code (the “Bankruptcy Code”) to effectuate the

Seller's assumption and assignment of the Lease, Buyer shall bear and pay such amounts (the "Cure Costs") in full at the Closing. For the avoidance of doubt, Buyer shall not assume and shall not pay any debts, obligations, commitments or other liabilities of Seller other than the Cure Costs.

2. Purchase Price; Deposit. The cash purchase price for the Property is \$220,000 (the "Purchase Price"), plus the amount of Cure Costs, which Buyer shall pay to Seller immediately following the satisfaction of the condition set forth in Section 5 below; provided that any Cure Costs in excess of \$6,753 shall be deducted from the Purchase Price. Concurrently with the execution and delivery of this Agreement, Buyer shall deposit an aggregate amount (inclusive of the \$9,000 heretofore deposited with Seller's counsel by Buyer) equal to \$22,000 in cash as "good faith deposit" (the "Deposit") by wire transfer of immediately available funds in the client trust account held by Pachulski Stang Ziehl & Jones LLP at City National Bank pursuant to wire instructions to be provided to Buyer, to be held in escrow. If the Closing does not occur for any reason by the Outside Date, or if this Agreement is otherwise terminated other than as a result of a breach by the Buyer, Sellers shall return the Deposit to Buyer immediately and, in any case, no later than two (2) business days after the earlier to occur of the Outside Date or such termination. For the avoidance of doubt, the Deposit shall not be considered property of the Sellers' estates under section 541 of the Bankruptcy Code and shall be held and disbursed pursuant to the terms of this Agreement. If the Closing shall occur, then the Deposit shall be credited against the Purchase Price. The Deposit shall be the sole and exclusive remedy of the Sellers against Buyer with respect to any breach of this Agreement.

3. Sales, Use and Other Taxes. If any amounts payable arise on account of sales, purchases, transfer, stamp, documentary stamp, use or similar taxes under the laws of the state(s) where the Property (or the applicable portion thereof, including, for the avoidance of doubt, the real property which is the subject of the real property lease included in the Property) is located, or any subdivision of any such state(s), which are or will be payable by reason of the sale of the Property, as and when the actual amounts payable on account of the taxes, items and charges described in this sentence can be finally determined, Seller be responsible for and bear all such taxes, items and charges.

4. Good Title; "AS IS" Transaction. Seller represents and warrants to Buyer that Seller has good title to the Property and that, subject to Buyer's timely performance of its obligations hereunder and to obtaining the Transaction Authority, Seller has the right and authority (a) to assume and assign the Lease, subject to obtaining any third party consents the need for which is not obviated by the Transaction Authority, and (b) to sell, transfer, and deliver the Personal Property (with such delivery to be made at the current locations of such Personal Property) and Intellectual Property to Buyer. Buyer hereby acknowledges and agrees that Seller neither makes nor has made any other representations or warranties whatsoever, express or implied, with respect to any matter relating to the Property (including, without limitation, income to be derived or expenses to be incurred in connection with the Property, the physical condition of the Personal Property or the real property and improvements to which the Lease relates, the value of the Property (or any portion thereof), what liens or encumbrances may exist and whether the same are valid or enforceable against the Property (or any portion thereof) any other matter relating to the real property to which the Lease relates, the merchantability or fitness of the Personal

Property or any other portion of the Personal Property for any particular purpose, or any other matter or thing relating to the Property or any portion thereof), except as expressly set forth herein. Without in any way limiting the foregoing, Seller hereby disclaims any warranty (express or implied) of merchantability or fitness for any particular purpose as to the Personal Property or any other portion of the Property to which such implied warranties might otherwise be applicable. Buyer hereby accepts the Property **"AS IS, "WHERE IS,"** and **"WITH ALL FAULTS."**

5. Bankruptcy Matters. Both Buyer's and Seller's obligations under this Agreement are subject to the Bankruptcy Court's approval (or deemed approval pursuant to the provisions of the Procedures Order) (such approval, "Transaction Authorization") on or before October 11, 2023 (the "Outside Date"). The Transaction Authorization shall occur upon the entry of an order of the Bankruptcy Court approving the transactions set forth herein (the "Approval Order"). Seller shall use commercially reasonable efforts timely to obtain entry of the Approval Order; provided, however, for the avoidance of doubt, Buyer's sole and exclusive remedy in the event that the Transaction Authorization is not timely obtained shall be to terminate this Agreement upon written notice to Seller. Without limiting the foregoing, if adequate assurance of future performance is required by the Bankruptcy Court as to the Lease, Buyer shall be solely responsible for satisfying the Bankruptcy Court that there is adequate assurance of future performance under Section 365(b) of the Bankruptcy Code in connection with the assumption and assignment of the Lease as contemplated herein. The obligation of Buyer to consummate the transaction contemplated herein for the Purchase Price is subject to Seller's assumption of the Lease and assignment of the Lease to Buyer; provided, that Buyer expressly acknowledges that Buyer's obligation to consummate the transaction contemplated herein for the Purchase Price shall be unaffected by the failure to assign the Lease to Buyer because of Buyer's failure to satisfy the Bankruptcy Court that adequate assurance of future performance exists in the event it is required by the Bankruptcy Court; rather, any Contract which is not so assigned to Buyer for such reason shall for all purposes hereof thereafter conclusively be deemed excluded from the transaction contemplated herein such that such non-assigned Lease no longer forms a part or portion of the Property. Upon receipt of the Transaction Authorization and the payment of the Purchase Price by the Buyer thereafter, the Closing shall be deemed, automatically and without any further action from any person or entity, to have occurred as of the date of the payment of the Purchase Price. The Buyer shall be deemed to be the owner of the Property on and after the date the Closing occurs. If the Transaction Authorization is not obtained on or before the Outside Date, this Agreement shall be terminable by any party hereto upon written notice of termination to the other party hereto given prior to Transaction Authorization being obtained.

6. Miscellaneous.

6.1 Risk of Loss. Notwithstanding anything to the contrary herein, the risk of loss or damage to the Personal Property shall shift to the Buyer immediately upon the assignment and transfer of the Property to Buyer pursuant hereto.

6.2 Attorneys' Fees. In the event that either party hereto brings an action or other proceeding to enforce or interpret the terms and provisions of this Agreement, the

prevailing party in that action or proceeding shall be entitled to have and recover from the non-prevailing party all such fees, costs and expenses (including, without limitation, all court costs and reasonable attorneys' fees) as the prevailing party may suffer or incur in the pursuit or defense of such action or proceeding.
