ARTICLE II

2.1 Creation and Name. The Mesh Trustee may transact the business and affairs of the Mesh Trust in the name of the Mesh Trust, and references herein to the Mesh Trust shall include the Mesh Trustee acting on behalf of the Mesh Trust.

2.2 Purpose. The purpose of the Mesh Trust is to exclusively handle all Mesh Claims held by claimants whose claims are channeled to the GUC Trust, to resolve and make distributions in respect of Allowed Eligible Mesh Claims in accordance with this Mesh Trust Agreement, use the Mesh Trust Assets (as defined herein) and income to meet its obligations, as well as to, among other things:

(a) collect the applicable distributions from the GUC Trust in accordance with the Plan, the GUC Trust Documents and this Mesh Trust Agreement;

(b) if determined to be necessary by the Mesh Trustee, direct the administration, processing, liquidation and payment of all Allowed Eligible Mesh Claims in accordance with the Plan, the GUC Trust Documents and this Mesh Trust Agreement;

(c) qualify at all times as a qualified settlement fund;

(d) preserve, hold, and manage the assets of the Mesh Trust for use in paying and satisfying Eligible Mesh Claims, in accordance with this Mesh Trust Agreement;

(f) use the Mesh Trust's assets and interest income to pay any and all fees, costs, expenses, taxes, disbursements, debts, or obligations of the Mesh Trust incurred from the operation and administration of the Mesh Trust and management of the Mesh Trust Assets in accordance with this Mesh Trust Agreement.

2.3 Transfer of Assets. Pursuant to and in accordance with the Plan and the GUC Trust Agreement, the Mesh Trust shall have received on, or as soon as reasonably practicable after the Effective Date, the Mesh Claims Trust Consideration from the GUC Trust, to the extent liquidated or consisting of cash, and shall receive as soon as reasonably practicable thereafter, its allocated payments from the GUC Trust consisting of its allocated share of the liquidated proceeds of those certain products liability insurance policies included in the GUC Trust Insurance Policies (as defined in the Plan) covering Mesh Claims, to the extent set forth and in accordance with the GUC Trust Agreement (together with any subsequent distributions and any proceeds from or interest thereon, the "**Mesh Trust Assets**") to fund the Mesh Trust and settle or discharge all Allowed Eligible Mesh Claims. In all events, the Mesh Trust Assets or any other assets to be transferred to the Mesh Trust under the Plan will be transferred from the GUC Trust to the Mesh Trust free and clear of all Claims, interests, Liens, and other encumbrances and liabilities of any kind by the Debtors, the Post-Emergence Entities, any creditor, or other entity except as otherwise provided in

the Plan or this Mesh Trust Agreement. The transfer of the Mesh Trust Assets from the GUC Trust to the Mesh Trust shall be irrevocable and not subject to avoidance.

2.4 Acceptance of Assets and Handling of Mesh Claims.

(a) In furtherance of the purposes of the Mesh Trust, the Mesh Trust hereby expressly accepts the transfer to the Mesh Trust of the Mesh Trust Assets and any other transfers contemplated by the Plan and GUC Trust Documents in the time and manner as, and subject to the terms, contemplated in the Plan and GUC Trust Documents.

(b) In furtherance of the purposes of the Mesh Trust, all Mesh Claims (excluding, for the avoidance of doubt, any EFBD Claims or any Future Mesh Claims, which are not and shall not be treated as Mesh Claims) shall be channeled to the GUC Trust, and shall be exclusively handled by the Mesh Trust. None of the Debtors nor any of the Post-Emergence Entities shall have any further financial or other responsibility therefor or in connection therewith, and except to the extent of the Mesh Claims Trust Consideration, the GUC Trust shall not have any further financial or other responsibility therefore or in connection therewith. Except as otherwise provided in the Plan or the GUC Trust Documents, the Mesh Trust shall have all defenses, cross-claims, offsets, and recoupments, as well as rights of indemnification, contribution, subrogation, and similar rights, regarding such claims that the Debtors have or would have had under applicable law, but solely to the extent consistent with the Mesh Trust Documents, the GUC Trust Documents and the Plan; provided, however, that no such claims, defenses or rights may be asserted against any GUC Released Party.

For the avoidance of doubt, holders of Claims that would be Eligible Mesh Claims, but for the holder thereof’s failure to timely deliver a Trust Submission Form as contemplated by this Mesh Trust Agreement are not Beneficial Owners.

ARTICLE III
POWERS AND TRUST ADMINISTRATION

3.1 Powers.

(a) The Mesh Trustee is and shall act as the fiduciary to the Mesh Trust in accordance with the provisions of the Mesh Trust Agreement and the Plan and any documents contemplated thereby. The Mesh Trustee shall, at all times, administer the Mesh Trust and the Mesh Trust Assets in accordance with the purposes set forth in Section 2.2 above. Subject to the limitations set forth in this Mesh Trust Agreement, the Mesh Trustee shall have the power to take any and all actions that, in the judgment of the Mesh Trustee, are necessary or proper to fulfill the purposes of the Mesh Trust, including, without limitation, each power expressly granted in this Section 3.1, any power

reasonably incidental thereto and not inconsistent with the requirements of Section 3.2, and any power now or hereafter permitted under the laws of the State of Delaware.

(b) Except as required by applicable law or otherwise specified herein, the Mesh Trustee need not obtain the order or approval of any court in the exercise of any power or discretion conferred hereunder.

(i) administer, resolve and satisfy all channeled Mesh Claims on behalf of the GUC Trust;

(ii) receive and hold the Mesh Trust Assets and exercise all rights with respect thereto;

(iii) pay liabilities and expenses of the Mesh Trust;

(viii) appoint, hire, or engage such officers, employees, advisors, counsel, consultants, independent contractors, representatives, and agents to provide such legal, financial, accounting, investment, auditing, forecasting, claims administration, and other services (“**Professionals**”) as the business of the Mesh Trust requires, and delegate to such Professionals such powers and authorities as the fiduciary duties of the Mesh Trustee permit and as the Mesh Trustee, in the Mesh Trustee’s discretion and in consultation with the Advisory Committee, deems advisable or necessary in order to carry out the terms of the Mesh Trust Agreement;

(ix) pay reasonable compensation to Professionals engaged by the Mesh Trust;

(x) as provided herein, use Mesh Trusts Assets to (a) compensate the Mesh Trustee, and the Delaware Trustee, (b) reimburse the Mesh Trustee, and the Delaware Trustee, for all reasonable out-of-pocket costs and expenses incurred by such persons in connection with the performance of their duties hereunder, and (c) pay the fees and expenses of the Advisory Committee as set forth herein;

(xi) execute and deliver such instruments as the Mesh Trustee considers proper in administering the Mesh Trust; and

(xii) in accordance with Section 6.5 below, defend, indemnify, and hold harmless (and, if practicable and reasonable, purchase insurance indemnifying) (A) the Mesh Trustee, and the Delaware Trustee, (B) the respective Professionals of the Mesh Trust (including the Claims Administrator (as defined herein) and its staff and agents), and (C) the members of the Advisory Committee (collectively the “**Indemnified Parties**” or “**Indemnified Party**” in the singular), to the fullest extent that a statutory trust organized under the laws of the State of Delaware is from time to time entitled to defend, indemnify, hold harmless, and insure its Mesh Trustees, Professionals and other parties. Notwithstanding anything to the contrary herein, no party shall be indemnified in any way for any liability, expense, claim, damage, or loss for which such party is liable under Section 6.4 below;

(d) The Mesh Trustee shall not have the power to guarantee any debt of other Persons.

(e) The Mesh Trustee agrees to take the actions of the Mesh Trust required hereunder.

3.2 General Administration; Tax.

(a) The Mesh Trustee shall act in accordance with this Mesh Trust Agreement, the Plan, the Confirmation Order and the GUC Trust Agreement, and any documents contemplated by any of the foregoing.

(b) The Mesh Trustee shall (i) timely file such income tax and other returns and statements required to be filed, and shall timely pay all taxes required to be paid by the Mesh Trust, (ii) comply with all applicable reporting and withholding obligations, including any reports determined to be necessary by the Trustee under the Corporate Transparency Act, H.R. 2513, 116th Cong. (2019); (iii) satisfy all requirements necessary to qualify and maintain qualification of the Mesh Trust as a qualified settlement fund within the meaning of the QSF Regulations, and (iv) take no action that could cause the Mesh Trust to fail to qualify as a qualified settlement fund within the meaning of the QSF Regulations. The Mesh Trustee shall make its own tax elections as to the treatment of the Mesh Trust, separate from any tax elections made for the GUC Trust by the GUC Trustee, and the Mesh Trust shall have its own tax identification number.

(c) The Mesh Trustee may withhold, and shall pay to the appropriate tax authority all amounts required by law to be withheld pursuant to the Tax Code or any provision of any applicable foreign, state, or local tax law with respect to any payment or distribution to the holders of Allowed Eligible Mesh Claims; *provided however* that no federal or state income tax shall be withheld from any distributions to the Holders of Allowed Eligible Mesh Claims in any jurisdiction where a Foreign Mesh Claimant is not required to file a federal or state tax return. All such amounts withheld and paid to the appropriate tax authority shall be treated as amounts distributed to such holders of Allowed Eligible Mesh Claims for all purposes of this Mesh Trust Agreement. The Mesh Trustee shall be authorized to collect tax information, which may include applicable IRS Form W-8 or IRS Form W-9, from the holders of Allowed Eligible Mesh Claims (including tax identification numbers)

as reasonably requested by the Mesh Trustee, readily available to the holders of the Allowed Eligible Mesh Claims and necessary to effectuate the Plan and this Mesh Trust Agreement. The Mesh Trustee may refuse to make some or all of a distribution to a holder of an Allowed Eligible Mesh Claim that fails to furnish such information in a timely fashion, and until such information is delivered may treat such holder's Allowed Eligible Mesh Claim, as disputed; provided, however, that, upon the delivery of such information by a holder of an Allowed Eligible Mesh Claim, the Mesh Trustee shall make such distribution to which such holder is entitled, without additional interest occasioned by such holder's delay in providing tax information. Notwithstanding the foregoing, if a holder of an Allowed Eligible Mesh Claim fails to furnish any tax information reasonably requested by the Mesh Trustee before the date that is six months after the request is made (subject to extension in the discretion of the Mesh Trustee if such holder demonstrates to the reasonable satisfaction of the Mesh Trustee that such holder's failure to provide such tax information is due to one or more taxing authorities' failure to furnish information necessary to respond to the Mesh Trustee's reasonable request to such holder despite such holder's request for such information), to the fullest extent permitted by law, the Mesh Trustee in his discretion, may determine that the amount of such distribution shall irrevocably revert to the Mesh Trust, and any Allowed Eligible Mesh Claim with respect to such distribution shall be discharged and forever barred from assertion against the Mesh Trust or its property. For the avoidance of doubt, in the event a holder's claim is discharged pursuant to this clause (c), the Trust Submission Form executed by such holder, including the release granted thereunder and the terms thereof, shall remain intact and unaffected by any such discharge. For the avoidance of doubt, the Mesh Trust shall not be responsible for paying any taxes on account of distributions to any beneficiaries of the Mesh Trust, and such beneficiaries shall be responsible for filing their own tax returns, including any 1099 forms, making any tax payments on their distributions, and consulting with their own tax advisors.

(d) The Mesh Trustee shall be responsible for all of the Mesh Trust's tax matters, including without limitation, tax audits, claims, defenses and proceedings. The Mesh Trustee shall file (or cause to be filed) any other statement, return, or disclosure relating to the Mesh Trust that is required by any governmental unit and be responsible for payment, out of the Mesh Trust Assets, of any taxes imposed on the Mesh Trust or its assets.

ARTICLE IV

CLAIMS ALLOWANCE AND DISTRIBUTIONS

4.1 Trust Submission Forms.

(a) In order to be Allowed and eligible to receive distributions from the Mesh Trust, a holder of an Eligible Mesh Claim must timely execute and deliver a Trust Submission Form to the GUC Trust. The GUC Trust will provide copies of all Trust Submission Forms for Eligible Mesh Claims to the Mesh Trust upon receipt, subject to the confidentiality obligations described herein. The GUC Trust will not pass on any fees or expenses on behalf of the Mesh Trust related to the distribution or receipt of Trust Submission Forms.

(b) The Trust Submission Form shall require a certification signed by the Mesh Claimant under penalty of perjury, and instructions for submitting the information and evidence required to establish an Allowed Eligible Mesh Claim, in a form substantially similar to the form attached hereto as **Exhibit 2**. Additionally, the Trust Submission Form shall include (i) a HIPAA

release form (“**HIPAA Release**”), substantially in the form attached hereto as **Exhibit 3**, and (ii) an heirship declaration(s) (“**Heirship Declaration**”), substantially in the form attached hereto as **Exhibit 4**, which must be provided by any person seeking a distribution from the Mesh Trust in the capacity of an heir when an Executor, Administrator, or Personal Representative of the Deceased Person’s Estate has not been appointed by a Court, or, if an Executor, Administrator, or Personal Representative has been appointed by a Court, then the Court Order appointing such person.

(c) The Trust Submission Form shall be distributed as soon as reasonably practicable following the Effective Date, and must be returned by the Trust Submission Form Deadline. Such distribution shall be made to holders of all other Pending Eligible Mesh Claims, to the address provided by such holders on their proof of claim forms submitted in the Chapter 11 Cases (or, if such Claim was listed on the Debtors’ schedules of claims filed with the Bankruptcy Court as neither contingent, disputed, or unliquidated and the holder of such Claim did not file a proof of claim, the address indicated on such schedules).

(d) No consideration will be distributed to a holder of an Eligible Mesh Claim unless a properly completed and duly executed Trust Submission Form has been received by the GUC Trust by the Trust Submission Form Deadline; provided, however, that the Mesh Trustee may determine in its sole and absolute discretion to recognize as being timely submitted a Trust Submission Form in respect of an Eligible Mesh Claim that has been returned after the Trust Submission Form Deadline in accordance with applicable law.

(e) In the event that the GUC Trust receives a deficient Trust Submission Form from a holder of a Pending Mesh Claim, the Mesh Trust shall provide notice of such deficiencies to such holder at the Mesh Trustee’s discretion. Unless such deficiencies are corrected within thirty (30) days of the Mesh Trust providing notice, such Claim shall be deemed to be Disallowed for all purposes of the Mesh Trust. The GUC Releases granted and the Covenant Not To Collect made by any holder of a Disallowed Mesh Claim shall not be impacted by the Disallowance of such Mesh Claim, and such GUC Releases and the Covenant Not To Collect shall remain in full force and effect.

(f) If the contact information included on a Trust Submission Form for an Eligible Mesh Claimant changes, it is the responsibility of the Eligible Mesh Claimant to provide updated contact information to the Mesh Trustee and the Claims and Noticing Agent. To the extent that an Eligible Mesh Claimant fails to provide an updated address, the provisions of Section 4.4(e) shall apply.

4.2 Claims Administration and Evidentiary Requirements.

(a) As set forth in the Trust Submission Form, all Eligible Mesh Claimants must demonstrate (i) that such Eligible Mesh Claimant was implanted with an Eligible Debtor Product (as defined in the Trust Submission Form and Mesh Claims Process); (ii) medical records sufficient to demonstrate an injury resulting from implantation of a Mesh product; and (iii) that the Eligible Mesh Claimant filed a Proof of Claim by the General Bar Date, provided, however, that the Mesh Trustee may, in their discretion and in consultation with the Advisory Committee, Allow Eligible Mesh Claims whose Proofs of Claim were filed after the Bar Date based on the facts and circumstances of the Eligible Mesh Claimant in accordance with applicable law.

(b) The Mesh Trustee shall determine the Allowed Claim Amount of each Eligible Mesh Claim pursuant to the Mesh Claims Process set forth in **Exhibit 1** hereto. For each Eligible Mesh Claim (or batches of Eligible Mesh Claims), the Mesh Trustee will provide the GUC Trustee with information sufficient for the GUC Trustee to understand the basis for her findings and a copy of any proposed award letter within a reasonable period of time after completing her determination, and information regarding any distributions made to the Claimant from the Mesh Trust Assets promptly after making such distribution.

(c) In order to receive a distribution from the Mesh Trust, all Eligible Mesh Claimants must agree (i) to produce any records and documents in their possession, custody or control related to the Mesh Claim reasonably requested by the Mesh Trustee, and (ii) that the Mesh Trustee and/or GUC Trustee, as applicable, may share any information with an insurer or other entity that may be responsible for payment of a Mesh Claim that the Mesh Trustee and/or GUC Trustee, in their sole discretion, determines to be necessary to preserve, secure, and/or obtain the benefit of the GUC Trust Insurance Rights, subject to the recipient agreeing to take all necessary and appropriate steps to protect from public disclosure or waiver any privileged material or other information.

(d) The resolution of a Mesh Claim under the liquidation procedures of this Mesh Trust Agreement shall be deemed to be a resolution of that Mesh Claim against any of the Debtors or related entities or any other GUC Released Party regarding the same injuries that are the subject of its Mesh Claim, as well as a resolution of that Mesh Claim against the Mesh Trust. Any Distribution from the Mesh Trust under this Mesh Trust Agreement in respect of such Mesh Claim, if any, shall be deemed to be a Distribution in satisfaction, release, discharge, and conclusive resolution of all of such holder's Mesh Claims against the GUC Released Parties (including the Debtors and the Post-Emergence Entities) and against the Mesh Trust. For clarity, such Distribution under this Mesh Trust Agreement does not waive or release any related claims a Mesh Claimant may have against other entities that are not a GUC Released Party.

(e) The Mesh Trust will use appropriate accounting internal controls, technology and strategies to prevent the payment of fraudulent or otherwise invalid claims, while making the claims-submission process as simple as possible. Reasonable steps will be taken to mitigate fraud so as to ensure a fair and secure claims review and payment process, while not falsely flagging legitimate Mesh Claims.

(f) The Mesh Trust may investigate any Mesh Claim and may request information from any Mesh Claimant to ensure compliance with the terms outlined in this Mesh Trust Agreement. The Mesh Trust may request a Mesh Claimant to execute a HIPAA Release to enable the Mesh Trust to directly obtain the Mesh Claimant's medical records for evaluation in accordance with this Mesh Trust Agreement.

(g) If, during the course of the Mesh Trustee's review of Eligible Mesh Claims, the Mesh Trustee determines that an asserted Eligible Mesh Claim is not a Mesh Claim, as defined under the Plan (a "**Non-Mesh Claim**"), the Mesh Trustee may, with the consent of the GUC Trustee, refer resolution of such Non-Mesh Claim to the GUC Trust (or any other Distribution Sub-Trust), and such Non-Mesh Claim shall not be considered an Eligible Mesh Claim for the purposes of this Mesh Trust Agreement, and shall not receive any distributions from the Mesh Trust. If a dispute arises between the GUC Trustee and/or any other Distribution Sub-Trustee and the Mesh Trustee regarding whether a Claim is a Non-Mesh Claim, the provisions of Section 7.14 shall apply.

(h) The Mesh Trustee shall cooperate with the GUC Trustee in preserving, securing, and/or obtaining the benefit of any GUC Trust Insurance Rights that may be applicable to Mesh Claims. The Mesh Trustee shall be responsible, on behalf of the GUC Trust, for fulfilling any notice or cooperation obligations under any GUC Trust Insurance Policies to the extent required by applicable law.

(i) The Mesh Trustee will cooperate with the trustee for the Future Mesh Trust and the trustee for the EFBD Trust (the “**Other Trustees**”) such that the Other Trustees have sufficient information to appropriately assign amounts to Future Mesh Claims and EFBD Claims that are Mesh Claims that are consistent with amounts assigned to Allowed Eligible Mesh Claims under this Mesh Trust Agreement.

4.3 Allocation of Mesh Trust Assets.

(a) The Mesh Claims Process shall set forth the process for determining the Allowed Claim Amount of each Eligible Mesh Claim. The Mesh Claims Process will value claims consistently with the Debtors’ pre-petition claims experience and practices and take into account, among other factors, the number of surgeries or revisions each Eligible Mesh Claimant has had, the asserted amount and merits of the Eligible Mesh Claims, the domicile of the applicable Mesh Claimant, the condition the Mesh product was implanted to treat, diseases contracted by the Eligible Mesh Claimant as a result of the Mesh implantation, whether the Eligible Mesh Claimant suffered from incontinence or infertility, and the impact on the Eligible Mesh Claimants’ quality of life.³

(b) The Mesh Claims Process will be incorporated into and shall become part of this Mesh Trust Agreement.

4.4 Distributions and Disputed Claims

(a) Each Eligible Mesh Claimant will receive their pro rata share of Mesh Trust Assets available for distribution, as determined based on the Allowed Claim Amount for each Eligible Mesh Claim, which may be on a periodic basis; provided, however, that the pro rata share for an Eligible Mesh Claimant who granted the GUC Releases will be 500% of the pro rata share for an Eligible Mesh Claimant with the same Allowed Claim Amount who did not grant the GUC Releases. No Eligible Mesh Claimant will receive greater than 100% of the Allowed Claim Amount for their Eligible Mesh Claim. The Mesh Trustee shall reserve the distribution allocable on account of the asserted Claim Amount for all Disputed Mesh Claims prior to making any distributions under this Mesh Trust Agreement. To the extent that any Disputed Mesh Claim is Allowed, the Mesh Trustee will distribute to the holder of such Allowed Eligible Mesh Claim their pro rata share of the Mesh Trust Assets. To the extent any Disputed Mesh Claim is Disallowed, the Mesh Trustee

³ The Mesh Trustee may determine, in reliance on the advice of its counsel, that the Mesh Claims Process shall not apply to Eligible Mesh Claims asserted in a particular non-U.S. jurisdiction, and instead to allocate a set portion of Mesh Assets for claimants in a particular non-U.S. jurisdiction (a “**Foreign Allocation**”). Notice of a Foreign Allocation will be filed on the Bankruptcy Court docket, will become effective if no objections are received within fourteen (14) days of filing. If objections are received to a Foreign Allocation, the Mesh Trustee will request a hearing date from the Bankruptcy Court, and the Bankruptcy Court will resolve the dispute. Representatives to Foreign Mesh Claimants may request that the class representatives for Foreign Mesh Claims in any foreign court proceedings develop a proposed distribution scheme for any applicable Foreign Allocation in accordance with orders of the applicable foreign court.

will distribute any resulting Mesh Trust Assets to holders of Allowed Eligible Mesh Claims on a pro rata basis.

(b) To the extent the Mesh Trust obtains additional Mesh Trust Assets resulting from its pursuit of the GUC Trust Insurance Rights or GUC Trust Litigation Consideration, the Mesh Trust will make additional pro rata distributions to holders of Eligible Mesh Claims until the full Allowed Claim Amount for each Eligible Mesh Claim has been paid.

(c) Notwithstanding Section 4.4(d) hereof, the Mesh Trust shall not be required to make any distribution of less than one hundred dollars (\$100) to any individual holder of an Allowed Eligible Mesh Claim.

(d) In the event that multiple Mesh Claimants are represented by a single attorney, the Mesh Trust may make a single distribution to such attorney on account of the Allowed Eligible Mesh Claims for such attorney to remit to the claimants it represents, subject to Section 4.2(c), above, with respect to any individual claimants represented by such attorney To receive such single distribution, the attorney must (i) provide consolidated tax information, and (ii) represent that it has the consent of its clients to release all claims against the Mesh Trust and the Mesh Trustee, and must sign a release on behalf of itself and each of its clients stating that distributions from the Mesh Trust made in this manner shall fully and finally satisfy all claims of the attorney and/or any Eligible Mesh Claimant against the Mesh Trust and Mesh Trustee with respect to such single distribution, and shall acknowledge, to the extent applicable, that the attorney's law firm will receive a single tax form from the Mesh Trust for the cumulative amount paid to the firm for each year and/or distribution, as applicable.

(e) In the event that a holder of an Allowed Eligible Mesh Claim has not cooperated, for more than six months, with the Mesh Trustee's efforts to make distributions on account of such Allowed Eligible Mesh Claim, and/or the Mesh Trustee is unable to effectuate distributions because it cannot locate certain Eligible Mesh Claimants despite all diligent and reasonable efforts, such distributions, if de minimis in the aggregate, shall be treated as Mesh Trust Assets, and if substantial, shall be used to increase distributions to holders of other Allowed Eligible Mesh Claims. The GUC Releases granted or deemed to have been granted under the Plan by any such Eligible Mesh Claimant shall be unaffected by the discharge or Disallowance of such Eligible Mesh Claimants' Mesh Claim, and shall remain in full force and effect.

(f) All distributions made by the Mesh Trust on account of any Allowed Eligible Mesh Claim shall be irrevocable and not subject to avoidance.

Compensation for the Mesh Trustee shall be payable solely from the Mesh Trust Assets. The Mesh Trustee will keep time records documenting her work for the Mesh Trust; to the extent that the Mesh Trustee performs any work on behalf of all Distribution Sub-Trusts, the fees and expenses of the Mesh Trustee will be allocated proportionately among the Distribution Sub-Trusts.

(b) To the extent that the Mesh Trustee consults with or seeks the consent of the Advisory Committee on any issue set forth in this Mesh Trust Agreement, any member of the Advisory Committee that may have an economic interest in the outcome of any action by the Advisory Committee or the Mesh Trustee shall recuse themselves from any such discussions or deliberations.

6.2 Term of Service.

(a) The initial Mesh Trustee shall serve from the Effective Date until the earliest of (i) such Mesh Trustee’s death, (ii) such Mesh Trustee’s resignation pursuant to Section 6.2(b) below, (iii) such Mesh Trustee’s removal pursuant to Section 6.2(c) below, and (iv) the termination of the Mesh Trust pursuant to Section 7.4 below.

(b) The Mesh Trustee may resign at any time by written notice to the GUC Trust and the Advisory Committee. Such notice shall specify a date when such resignation shall take effect, which shall not be less than ninety (90) days after the date such notice is given, where practicable.

(c) The Mesh Trustee may be removed at the unanimous recommendation of the Advisory Committee, in the event that the Mesh Trustee becomes unable to discharge the Mesh Trustee's duties hereunder due to any physical deterioration, mental incompetence, or for other good cause. Good cause shall be deemed to include:

- i. such person's conviction of a felony or any crime involving moral turpitude;
- ii. any act or failure to act by such person involving breach of fiduciary duty, actual dishonesty, gross negligence, willful misconduct, fraud, material misrepresentation, theft, or embezzlement;

(a) In the event of a vacancy in the Mesh Trustee position, whether by term expiration, death, retirement, resignation, or removal, the vacancy shall be filled by the Advisory Committee (subject to the unanimous consent thereof).

(b) Immediately upon the appointment of any successor Mesh Trustee, all rights, titles, duties, powers and authority of the predecessor Mesh Trustee hereunder shall be vested in, and undertaken by, the successor Mesh Trustee without any further act. No successor Mesh Trustee shall be liable personally for any act or omission of any predecessor Mesh Trustee. No successor Mesh Trustee shall have any duty to investigate the acts or omissions of any predecessor Mesh Trustee.

(c) Each successor Mesh Trustee shall serve until the earliest of (i) such successor Mesh Trustee's death, (ii) such successor Mesh Trustee's resignation pursuant to Section 6.2(b) above, (iii) such successor Mesh Trustee's removal pursuant to Section 6.2(c) above, and (iv) the termination of the Mesh Trust pursuant to Section 7.4 below.

6.4 Liability of Mesh Trustee.

(a) Notwithstanding anything herein or in the Plan or the Confirmation Order to the contrary, to the maximum extent provided for under the Trust Act, none of the Mesh Trustee, the Advisory Committee, the Delaware Trustee, the Creditors' Committee or its members, nor any of their respective principals, advisors, or professionals, each of the foregoing, in their capacity as

such, shall be liable to the Mesh Trust, to any individual holding an Eligible Mesh Claim, or to any other Person, except for any act or omission by such party that constitutes a bad faith violation of the implied contractual covenant of good faith and fair dealing within the meaning of Section 3806(e) of the Trust Act. Furthermore, none of the Mesh Trustee, the Advisory Committee, the Creditors' Committee or its members, the Delaware Trustee, nor any of their respective principals, agents, advisors, or professionals shall be liable to the Mesh Trust, or any holder of an Eligible Mesh Claim for any action taken in good faith reliance upon the advice of the professionals retained by the Mesh Trust to the maximum extent provided for under the Trust Act.

(b) Upon the appointment of a successor Mesh Trustee as provided in Section 6.3 hereof, or the appointment of a successor Delaware Trustee, the predecessor Mesh Trustee, or the predecessor Delaware Trustee, as the case may be, and each of their respective accountants, agents, assigns, attorneys, bankers, consultants, directors, employees, executors, financial advisors, investment bankers, real estate brokers, transfer agents, independent contractors, managers, members, officers, partners, predecessors, principals, professional persons, representatives, affiliates, employers, and successors shall have no further liability or responsibility with respect thereto. A successor Mesh Trustee or successor Delaware Trustee shall have no duty to examine or inquire into the acts or omissions of its immediate or remote predecessor, and no successor Mesh Trustee or successor Delaware Trustee shall be in any way liable for the acts or omissions of any predecessor Mesh Trustee or predecessor Delaware Trustee, unless such party expressly assumes such responsibility. A predecessor Mesh Trustee or predecessor Delaware Trustee shall have no liability for the acts or omissions of any immediate or subsequent successor Mesh Trustee or successor Delaware Trustee for any events or occurrences subsequent to the cessation of its role.

(c) None of the Mesh Trustee, the Advisory Committee, the Delaware Trustee, nor their respective principals, agents, advisors, or professionals, when acting in such capacities, shall be subject to any personal liability whatsoever, whether in tort, contract, or otherwise, to any Person, other than the Mesh Trust or the holders of Eligible Mesh Claims, in connection with the affairs of the Mesh Trust to the fullest extent provided under section 3803 of the Trust Act, and all Persons claiming against any of the Mesh Trustee, the Advisory Committee, the Delaware Trustee, or any of their respective principals, agents, advisors, or professionals, or otherwise asserting Claims of any nature in connection with affairs of the Mesh Trust, shall look solely to the Trust Assets for satisfaction of any such Claims.

6.5 Indemnification.

(a) The Mesh Trust shall indemnify and defend the Indemnified Parties in the performance of their respective duties hereunder to the fullest extent that a statutory trust organized under the laws of the State of Delaware as permitted by Section 3817 of the Trust Act (after the application of Section 7.13) is from time to time entitled to indemnify and defend such persons against any and all losses, claims, Taxes, damages, reasonable expenses, and liabilities (including liabilities under state or federal securities laws) of any kind and nature whatsoever incurred by them in the performance of their respective duties hereunder or in connection with activities undertaken by them prior to the Effective Date in connection with the formation, establishment, or funding of the Mesh Trust. Notwithstanding the foregoing, no individual shall be indemnified or defended in any way for any liability, expense, claim, damage, or loss for which such individual is ultimately liable under Section 6.4 above.

(b) Reasonable expenses, costs and fees (including attorneys' fees and costs) incurred by or on behalf of the Mesh Trustee, the Delaware Trustee, or any other Indemnified Party, including the Advisory Committee, in connection with any action, suit, or proceeding, whether civil, administrative, or arbitative, or investigation that is brought or threatened against such persons or entities regarding the implementation or administration of the Mesh Trust or the Mesh Trust Documents or the discharge of their respective duties hereunder or thereunder or in respect thereof in accordance with section 6.5(a), above, shall be paid by the Mesh Trust in advance of the final disposition thereof upon receipt of an undertaking, by or on behalf of the Mesh Trustee, the Delaware Trustee, or the Indemnified Party, to repay such amount until such time that it is determined ultimately by final order that the Mesh Trustee, the Delaware Trustee, or the other Indemnified Party is not entitled to be indemnified by the Mesh Trust.

(c) The Indemnified Parties shall be entitled to obtain advances from the Mesh Trust to cover their reasonable expenses of defending themselves in any action threatened or brought against them as a result of the acts or omissions, actual or alleged, of any such party in its capacity as such; provided, however, that the Indemnified Parties receiving such advances shall undertake to, and shall, repay the amounts so advanced to the Mesh Trust immediately upon the entry of a Final Order finding that such parties were not entitled to any indemnity under the provisions of this Section. The Mesh Trustee, in consultation with the Advisory Committee, may determine to establish a reserve in respect of such advances.

(d) The Mesh Trustee must, if practicable and reasonable, purchase and maintain reasonable amounts and types of insurance on behalf of an individual or group who is or was a Mesh Trustee, or any other Indemnified Party, including against liability asserted against or incurred by such individual in that capacity or arising from such individual's status as a Mesh Trustee, or as a Professional of the Mesh Trust. The Mesh Trustee may purchase insurance on behalf of all the Distribution Sub-Trusts, in the interest of efficiency, and the costs of any such insurance will be allocated between the Distribution Sub-Trusts based on the Mesh Trustee's reasonable assessment (in consultation with the Advisory Committee) of anticipated distributable assets of each Distribution Sub-Trust.

(e) None of the Debtors nor any Post-Emergence Entity shall have any liability or responsibility for any indemnification or reimbursement obligations under any of the Mesh Trust Documents, including this Trust Agreement.

6.6 Mesh Trustee's Independence. The Mesh Trustee shall not, during the term of the Mesh Trustee's service, hold a financial interest in, act as attorney or agent for, or serve as any other professional for any Debtor or the Post-Emergence Entities, or any member of the Advisory Committee in their capacity as such. The Mesh Trustee shall not act as an attorney or other advisor for any person who holds an Eligible Mesh Claim. For the avoidance of doubt, this section shall not be applicable to the Delaware Trustee.

6.7 Bond. The Mesh Trustee and the Delaware Trustee shall not be required to post any bond or other form of surety or security unless otherwise ordered by the Bankruptcy Court.

6.8 Delaware Trustee.

6.8.1 Appointment. The Delaware Trustee shall act solely for the purpose of complying with the requirement of section 3807 of the Trust Act, and its powers and obligations hereunder shall have become effective upon the Effective Date.

6.8.2 Power. Notwithstanding any provision hereof to the contrary, the duties and responsibilities of the Delaware Trustee shall be limited solely to (i) accepting legal process served on the Mesh Trust in the State of Delaware and (ii) the execution of any certificates required to be filed with the office of the Delaware Secretary of State that the Delaware Trustee is required to execute under section 3811 of the Trust Act (including without limitation the Certificate of Trust). Except as provided in the foregoing sentence, the Delaware Trustee shall have no management responsibilities or owe any fiduciary duties to the Mesh Trust, the Mesh Trustee, the Advisory Committee, the Beneficial Owners, or any other Person receiving a distribution from the Mesh Trust hereunder. The filing of the Certificate of Trust with the Secretary of State of the State of Delaware as provided under the Trust Act is hereby ratified.

6.8.3 By its execution hereof, the Delaware Trustee accepts the trusteeship of the Mesh Trust on the terms set forth herein. The Delaware Trustee shall not have any duty or liability with respect to the administration of the Mesh Trust (except as otherwise expressly set forth herein), the investment of the Mesh Trust Assets or the distribution of the Mesh Trust Assets to Eligible Mesh Claimants, and no such duties shall be implied. The Delaware Trustee shall not be liable for the acts or omissions of the Mesh Trust, the Mesh Trustee, or the Advisory Committee, nor shall the Delaware Trustee be liable for supervising or monitoring the performance of the duties and obligations of the Mesh Trust, the Mesh Trustee, the Advisory Committee, or any other Person (including, without limitation, any affiliate of the Delaware Trustee appointed to act as a custodian or otherwise hereunder) under this Mesh Trust Agreement. The Delaware Trustee shall not be obligated to give any bond or other security for the performance of any of its duties hereunder. The Delaware Trustee shall not be personally liable under any circumstances, except for its own gross negligence, bad faith, or willful misconduct in the performance of its express duties under this Mesh Trust Agreement. Without limiting the foregoing:

- (a) the Delaware Trustee shall not be personally liable for any error of judgment made in good faith, except to the extent such error of judgment constitutes willful misconduct, bad faith, or gross negligence in the performance of its express duties under this Mesh Trust Agreement;
- (b) the Delaware Trustee shall not have any duty or obligation to manage or deal with the Mesh Trust Assets, or to otherwise take or refrain from taking any action under this Trust Agreement except as expressly provided herein, and no implied trustee duties or obligations shall be deemed to be imposed on the Delaware Trustee;
- (c) no provision of this Mesh Trust Agreement shall require the Delaware Trustee to expend or risk its personal funds or otherwise incur any financial liability in the performance of its rights or powers hereunder if the Delaware Trustee has reasonable grounds to believe that the payment of such funds or adequate indemnity against such risk or liability is not reasonably assured or provided to it;
- (d) the Delaware Trustee shall not be personally liable for the validity or sufficiency of this Mesh Trust Agreement, the value or sufficiency of the

Mesh Trust Assets, or for the due execution hereof by the other Parties hereto;

- (e) the Delaware Trustee may accept a certified copy of a resolution of the board of directors or other governing body of any corporate party (including, for the avoidance of doubt, the Mesh Trustee or the Advisory Committee) as conclusive evidence that such resolution has been duly adopted by such body and that the same is in full force and effect;
- (f) the Delaware Trustee may request the Mesh Trustee to provide a certificate with regard to any fact or matter the manner of ascertainment of which is not specifically prescribed herein, and such certificate shall constitute full protection to the Delaware Trustee for any action taken or omitted to be taken by it in good faith in reliance thereon;
- (g) in the exercise of its duties hereunder, the Delaware Trustee (i) may act directly or through agents or attorneys pursuant to agreements entered into with any of them and shall not be liable for the acts or omissions of any agents or attorneys selected by it in good faith, and (ii) may consult with counsel selected by it in good faith and employed by it, and it shall not be liable for anything done, suffered, or omitted in good faith by it in accordance with the advice or opinion of any such counsel;
- (h) the Delaware Trustee acts solely as Delaware Trustee hereunder and not in its individual capacity, and all persons having any claim against the Delaware Trustee by reason of the transactions contemplated by this Mesh Trust Agreement shall look only to the Mesh Trust Assets for payment or satisfaction thereof;
- (i) the Delaware Trustee shall not be personally liable for any representation, warranty, covenant, agreement, or indebtedness of the Mesh Trust;
- (j) the Delaware Trustee shall not incur liability to anyone in acting upon any signature, instrument, notice, resolution, request, consent, order, certificate, report, opinion, bond, or other document or paper reasonably believed by it to be genuine and reasonably believed by it to be signed by the proper party or parties. As to any fact or matter the manner of ascertainment of which is not specifically prescribed herein, the Delaware Trustee may for all purposes hereof rely on a certificate, signed by an officer of the Mesh Trust, as to such fact or matter, and such certificate shall constitute full protection to the Delaware Trustee for any action taken or omitted to be taken by it in good faith in reliance thereon;
- (k) the Delaware Trustee shall not be liable for punitive, exemplary, consequential, special, or other damages for a breach of this Trust Agreement under any circumstances; and
- (l) the Delaware Trustee shall have no duty, obligation or responsibility for any regulatory or other filings, including under the U.S. Corporate Transparency Act, as amended required to be made by the Mesh Trust, if any.

6.8.4 Compensation. The Delaware Trustee's compensation shall be \$2,500 per annum, which amount cannot be amended without the consent of the Advisory Committee, and reimbursement of reasonable out-of-pocket costs and expenses. Compensation for the Delaware Trustee shall be payable solely from the Mesh Trust Assets; provided, however, that to the extent that the Delaware Trustee serves as Delaware Trustee for the other Distribution Sub-Trusts, payment of the Delaware Trustee's compensation will be allocated proportionally between the various Trusts.

6.8.5 Duration and Replacement. The Delaware Trustee shall serve for the duration of the Mesh Trust or until the earlier of (i) the effective date of the Delaware Trustee's resignation, or (ii) the effective date of the removal of the Delaware Trustee. The Delaware Trustee may resign at any time by giving thirty (30) days written notice to the Advisory Committee; provided, however, that such resignation shall not be effective until such time as a successor Delaware Trustee has accepted appointment. The Delaware Trustee may be removed by providing thirty (30) days written notice to the Delaware Trustee; provided, however, that such removal shall not be effective until such time as a successor Delaware Trustee has accepted appointment. Upon the resignation or removal of the Delaware Trustee, the Mesh Trustee shall appoint a successor Delaware Trustee. The Delaware Trustee may petition the Bankruptcy Court for the appointment of a successor Delaware Trustee. Any successor Delaware Trustee appointed pursuant to this Section shall be eligible to act in such capacity in accordance with this Trust Agreement and, following compliance with this Section, shall become fully vested with the rights, powers, duties, and obligations of its predecessor under this Trust Agreement, with like effect as if originally named as Delaware Trustee. Any such successor Delaware Trustee shall notify the Delaware Trustee of its appointment by providing written notice to the Delaware Trustee and upon receipt of such notice, the Delaware Trustee shall be discharged of its duties herein. Any such successor Delaware Trustee shall also file an amendment to the Certificate of Trust as required by the Trust Act.

6.9 Mesh Trustee's Employment of Professionals; Delaware Trustee's Employment of Counsel.

(a) The Mesh Trustee may, but shall not be required to, retain and consult with Professionals deemed by the Mesh Trustee to be qualified as experts on the matters submitted to them (the "**Trust Professionals**"), and in the absence of a bad faith violation of the implied contractual covenant of good faith and fair dealing, the written opinion of or information provided by any Trust Professional deemed by the Mesh Trustee to be an expert on the particular matter submitted to such Trust Professional shall be full and complete authorization and protection in respect of any action taken or not taken by the Mesh Trustee hereunder in good faith and in accordance with the written opinion of or information provided by any Trust Professionals.

(b) The Delaware Trustee shall be permitted to retain counsel only in such circumstances as required in the exercise of the Delaware Trustee's obligations hereunder and compliance with the advice of such counsel shall be full and complete authorization and protection for actions taken or not taken by the Delaware Trustee in good faith in compliance with such advice.

6.10 Mesh Trustee's Retention of Claims Administrator.

(a) To the extent necessary, the Mesh Trustee may retain a claims administrator (the “**Claims Administrator**”) to assist the Mesh Trustee in the Mesh Trustee’s duties as set forth in the Plan and the Mesh Trust Documents. The Claims Administrator may be the same individual as the Mesh Trustee. If the Claims Administrator is the Mesh Trustee, she will not be entitled to separate compensation. For the avoidance of doubt, the Mesh Trustee is not required to select the Claims and Noticing Agent as the Claims Administrator.

(b) Under the direction of the Mesh Trustee, the Claims Administrator shall be responsible for (i) supervising and overseeing the processing of and resolution of Eligible Mesh Claims that are payable from the Mesh Trust in accordance with the Mesh Trust Agreement, and (ii) performing periodic analyses and estimates regarding the costs and projected costs of processing and resolving Eligible Mesh Claims and any matter or contingency that could affect the efficient use of funds for the payment of Allowed Eligible Mesh Claims.

(c) The Claims Administrator, under the direction of the Mesh Trustee, shall determine, in accordance with this Mesh Trust Agreement and the Mesh Claims Process and to the extent set forth herein, the Allowance or Disallowance of, and the amount payable on, all Eligible Mesh Claims liquidated under this Mesh Trust Agreement.

(d) The Mesh Trustee shall exercise reasonable measures to oversee the Claims Administrator, and shall employ reasonable administrative, technical, and physical controls to protect the confidentiality of data concerning individual Eligible Mesh Claimants from unauthorized access, acquisition, disclosure, use, loss, or theft.

(e) In carrying out the Mesh Trustee’s duties under the Mesh Trust Documents, the Mesh Trustee (or the Trust Professionals under the direction of the Mesh Trustee) may investigate any Eligible Mesh Claims and request information from any Eligible Mesh Claimant to ensure compliance with the Mesh Trust Documents. For Eligible Mesh Claimants who are requested to execute the HIPAA Release, the Mesh Trustee (or the Trust Professionals under the direction of the Mesh Trustee) also has the power to directly obtain such Eligible Mesh Claimant’s medical records.

(f) The Mesh Trustee shall maintain (subject to the confidentiality provisions of this Mesh Trust Agreement) records of all individual payments, settlements, and resolutions concerning the Eligible Mesh Claims.

(g) The Claims Administrator shall serve for the duration of the Mesh Trust, subject to death, resignation, or removal. The Mesh Trustee may remove the Claims Administrator. In the event that the Claims Administrator resigns, is removed from office, or otherwise is unable to perform the functions of the Claims Administrator, the Mesh Trustee shall propose a successor Claims Administrator. However, in the event that, pursuant to Section 6.10(a), the Mesh Trustee also serves as the Claims Administrator, if the Mesh Trustee is removed, absent a court order to the contrary, the Claims Administrator shall also be removed from office, and the successor Mesh Trustee shall fill the vacancy by proposing a Claims Administrator subject to consent of the Advisory Committee.

(m) The Claims Administrator (or successor Claims Administrator) shall be (i) an entity or an individual over the age of 35 whose experience and background are appropriate for the responsibilities set forth herein and (ii) at the time of appointment and at all times during the term of service, independent. For purposes of this Section, a person is independent if such person:

(i) is not and was not at any time an Eligible Mesh Claimant or a representative of an Eligible Mesh Claimant;

(ii) has not had and does not have a relationship with an individual Eligible Mesh Claimant or with counsel for any Eligible Mesh Claimant, such that the person's impartiality in serving as a Claims Administrator could reasonably be questioned;

(iii) is not a holder of any interest (other than interests held indirectly through publicly traded mutual funds) in a Debtor or a Post-Emergence Entity or any related person with respect to a Debtor or Post-Emergence Entity;

(iv) is not and was not at any time an officer, director, employee, or agent of a Debtor or any related person with respect to a Debtor or related to any of the foregoing, or otherwise is or was an "insider," as defined in the Bankruptcy Code, with respect to a Debtor or any related person with respect to a Debtor; or

(v) is not an investment banker, financial advisor, accountant, or attorney, and is not related to any of the foregoing, for any Debtor or any related person with respect to a Debtor, or an officer, director, employee, or agent of any person or entity that provides investment banking, financial advice, accounting, or legal services to a Debtor or any related person with respect to a Debtor or related to any of the foregoing.

6.11 Advisory Committee.

(a) The Mesh Trust will have a trust advisory committee (the "**Advisory Committee**") consisting of three members, each of which shall be appointed by the Creditors' Committee to the Advisory Committee in their individual capacity. The initial members of the Advisory Committee shall be the persons named on **Exhibit 5** to this Mesh Trust Agreement. The Advisory Committee for the Mesh Trust shall also be the Advisory Committee for the other Distribution Sub-Trusts, and the Mesh Trustee may consult with the Advisory Committee in her capacity as Mesh Trustee as well as in her capacity as trustee for any other Distribution Sub-Trust. The Advisory Committee shall not be entitled to hire separate professionals to represent and advise the Advisory Committee, provided however, that the Advisory Committee may retain counsel pursuant to Section 6.5(b) herein, and any expenses of the Advisory Committee, except as explicitly set forth herein, shall be borne by the Advisory Committee.

(b) Where provided in this Mesh Trust Agreement, certain actions by the Mesh Trustee are subject to the consent of the Advisory Committee. Except for the duties and obligations expressed in this Mesh Trust Agreement, there shall be no other duties (including fiduciary duties) or obligations, express or implied, at law or in equity, of the Advisory Committee.

(c) Each member of the Advisory Committee shall serve until the earlier of (i) such member's resignation pursuant to Section 6.11(d) below, (ii) such member's removal pursuant to Section 6.11(e) below, and (iii) the termination of the Mesh Trust pursuant to Section 7.4 below.

(d) A member of the Advisory Committee may resign at any time by written notice to the other members of the Advisory Committee and the Trustee. Such notice shall specify a date when such resignation shall take effect, which shall be not less than ninety (90) days after the date such notice is given, where practicable.

(e) A member of the Advisory Committee may be removed in the event that such member becomes unable to discharge such member's duties hereunder due to physical deterioration, mental incompetence, or a consistent pattern of neglect and failure to perform or to participate in performing the duties of such member hereunder, such as repeated non-attendance at scheduled meetings, or for other good cause. Such removal shall be made at the recommendation of the remaining members of the Advisory Committee and with the approval of the Mesh Trustee.

(f) If, prior to the termination of service of a member of the Advisory Committee other than as a result of removal, such member has designated in writing an individual to succeed such member as a member of the Advisory Committee, such individual shall be such member's successor. If such member of the Advisory Committee did not designate an individual to succeed such member prior to the termination of such member's service as contemplated above, such member's successor shall be appointed by the mutual consent of the remaining Advisory Committee member and the Mesh Trustee.

(g) No successor Advisory Committee member shall be liable personally for any act or omission of any predecessor Advisory Committee member. No successor Advisory Committee member shall have any duty to investigate the acts or omissions of any predecessor Advisory Committee member. Advisory Committee member shall be required to post any bond or other form of surety or security unless otherwise ordered by the Bankruptcy Court.

(h) The members of the Advisory Committee shall be reimbursed promptly for all reasonable out-of-pocket costs and expenses incurred in connection with the performance of their duties hereunder, and will receive a fee of \$3,000 for attendance at each meeting of the Mesh Trust, all or a portion of which shall be payable from the Mesh Trust Assets in accordance with this paragraph. To the extent that a meeting of the Advisory Committee or expenses incurred by any member of the Advisory Committee concerns Distribution Sub-Trusts other than the Mesh Trust, the relevant expenses will be allocated between the Distribution Sub-Trusts by the Mesh Trust and the Distribution Sub-Trustees based on their proportional share of the assets distributable to the Distribution Sub-Trusts.

(i) The Mesh Trustee shall meet with the Advisory Committee not less often than quarterly. The Mesh Trustee shall meet in the interim with the Advisory Committee when so requested by the Trustee or any of the members of the Advisory Committee. Meetings may be held in person, by telephone, by Zoom or video conference call, or by any combination thereof.

(j) The Mesh Trustee, upon notice from the Advisory Committee, if practicable in view of pending business, shall at the Mesh Trustee's next meeting with the Advisory Committee

consider issues submitted by the Advisory Committee. The Trustee shall keep the Advisory Committee reasonably informed regarding all material aspects of the administration of the Mesh Trust.

ARTICLE VII **GENERAL PROVISIONS**

The GUC Trustee, Mesh Trustee, the Claims Administrator, and each successor of the foregoing (each a “**Recipient**”) shall, during the period that they serve in such capacity under this Mesh Trust Agreement and following either the termination of this Mesh Trust Agreement or such individual’s removal, incapacity, or resignation hereunder, hold strictly confidential any material, non-public information of or pertaining to any Person (“**Relevant Person**”) of which the Recipient has become aware in its herein indicated capacity under this Mesh Trust Agreement (the “**Confidential Information**”), except to the extent disclosure is (i) in connection with matters contemplated by the Plan, (ii) authorized by the applicable Relevant Person, in such Relevant Person’s discretion, (iii) authorized by the terms of the Plan or the terms of this Mesh Trust Agreement (disclosure in accordance with clauses (i)-(iii) of this Section, each a “**Permitted Purpose**”), or (iv) required by, or would facilitate any investigation or prosecution under, applicable law, order, regulation, or legal process. 7.2 Common Interest Privilege. The Mesh Trustee, the Advisory Committee, and the GUC Trustee have a “common legal interest” relating to the Eligible Mesh Claims, the Mesh Trust, the Plan, the GUC Trust Documents, and the Mesh Trust Agreement, including without limitation, (i) the formation of the Mesh Trust, (ii) the retention and direction of Professionals, (iii) the

administration of the Mesh Trust, (iv) making distributions in accordance with this Mesh Trust Agreement, and (v) disputing and resolving any Eligible Mesh Claims in accordance with this Mesh Trust Agreement, (the “**Common Legal Interest Matters**”). Any discussion, evaluation, or other communications and exchanges of information relating to the Common Legal Interest Matters shall at all times remain subject to all applicable privileges, immunities and protections from disclosure, including without limitation, the attorney-client privilege, work-product doctrine, and common legal interest privilege. It is the express intent of the Mesh Trustee, the Advisory Committee and the GUC Trustee to preserve intact to the fullest extent applicable, and not to waive, by virtue of this Mesh Trust Agreement or otherwise, in whole or in part, any and all privileges, protections, and immunities.

7.3 Irrevocability. To the fullest extent permitted by applicable law, the Mesh Trust is irrevocable.

7.4 Term; Termination.

(a) With thirty (30) days’ advance notice to the GUC Trust and in consultation with the Advisory Committee, the Mesh Trustee may select a date to dissolve the Mesh Trust (the “**Dissolution Date**”) after the occurrence of any of the following events: (i) all assets available to the Mesh Trust from the GUC Trust have been collected and liquidated except for a reasonable winding-up reserve; (ii) all Eligible Mesh Claims duly filed with the Mesh Trust have been liquidated and paid to the extent provided in the Mesh Trust Documents, or have been disallowed, or, if holders of Allowed Eligible Mesh Claims have failed to cooperate with the Mesh Trust to effectuate payment, six (6) months have elapsed since notice to the Eligible Mesh Claimant of the Allowed Claim; and (iii) the GUC Trust has been dissolved. In no event shall the Mesh Trust dissolve later than five (5) years from the Effective Date; provided, however, that if the dissolution date of the GUC Trust is extended past five (5) years after the Effective Date, the Dissolution Date of the Mesh Trust shall automatically extend to correspond with the dissolution date of the GUC Trust unless the Mesh Trustee elects otherwise.

(b) On the Dissolution Date (or as soon thereafter as is reasonably practicable), after the wind-up of the Mesh Trust’s affairs by the Mesh Trustee and payment of all the Mesh Trust’s liabilities have been provided for as herein and as required by applicable law including Section 3808 of the Trust Act, all monies remaining in the Mesh Trust estate if of de minimis value such that further pro rata payments to holders of Allowed Eligible Mesh Claims is impracticable, shall be given to such organization(s) exempt from federal income tax under section 501(c)(3) of the Tax Code, which tax-exempt organization(s) shall be selected by the Mesh Trustee using their reasonable discretion, and (ii) the tax-exempt organization(s) shall not bear any relationship to the Post-Emergence Entities within the meaning of section 468B(d)(3) of the Tax Code. Notwithstanding any contrary provision of the Plan and related documents, this Section 7.4(b) cannot be modified or amended.

(c) Following the dissolution and distribution of the assets of the Mesh Trust, the Mesh Trust shall terminate and the Mesh Trustee and the Delaware Trustee (acting solely at the written direction of the Mesh Trustee) shall execute and cause a Certificate of Cancellation of the Certificate of Trust of the Mesh Trust to be filed in accordance with the Trust Act. Notwithstanding

anything to the contrary contained in this Mesh Trust Agreement, the existence of the Mesh Trust as a separate legal entity shall continue until the filing of such Certificate of Cancellation.

7.5 Amendments. The Mesh Trustee, subject to the consent of the Advisory Committee, may modify or amend this Mesh Trust Agreement; provided further that no modification or amendment of this Mesh Trust Agreement shall (i) have a material and adverse effect on Eligible Mesh Claimants' entitlements to distributions or (ii) be inconsistent with any of the provisions of the Plan, the Confirmation Order or the GUC Trust Agreement. No changes or amendments to this Trust Agreement shall impair, modify, or otherwise affect the efficacy, enforceability, scope and/or terms of the GUC Releases or the Covenant Not To Collect pursuant to the Plan and the Confirmation Order. Any modification or amendment made pursuant to this Section 7.5 must be done in writing. Notwithstanding anything contained in this Mesh Trust Agreement to the contrary, neither this Mesh Trust Agreement, nor any document annexed to the foregoing shall be modified or amended in any way that could jeopardize, impair, modify or otherwise affect, without Debtor consent, not to be unreasonably withheld (i) the efficacy or enforceability of the provisions of the Plan channeling Eligible Mesh Claims to the GUC Trust, the Trust Submission Forms or the Mesh Trust's qualified settlement fund status under the QSF Regulations, or (ii) the scope and terms of the release provided to the Debtors and the GUC Released Parties as set forth in the Trust Submission Form and the Plan). Any amendment affecting the rights, duties, immunities or liabilities of the Delaware Trustee shall require the Delaware Trustee's written consent.

7.6 Meetings. The Delaware Trustee shall neither be required nor permitted to attend meetings relating to the Mesh Trust, including any meetings of the Advisory Committee.

7.7 Severability. Should any provision in the Mesh Trust Documents be finally determined by a court of competent jurisdiction to be invalid or unenforceable to any extent, such determination shall in no way limit or affect the enforceability and operative effect of any and all other provisions of this Mesh Trust Agreement.

7.8 Notices. Notices to Eligible Mesh Claimants shall be given by first class mail, postage prepaid, at the address of such person, or, where applicable, such person's legal representative, in each case as provided on such Eligible Mesh Claimant's claim form submitted to the Mesh Trust with respect to their Eligible Mesh Claim.

(a) Any notices or other communications required or permitted hereunder to the following parties shall be in writing and delivered at the addresses designated below, or sent by e-mail pursuant to the instructions listed below, or mailed by registered or certified mail, return receipt requested, postage prepaid, addressed as follows, or to such other address or addresses as may hereafter be furnished in writing to each of the other parties listed below in compliance with the terms hereof.

7.9 Successors and Assigns; Third-Party Beneficiaries. The provisions of this Mesh Trust Agreement shall be binding upon and inure to the benefit of the Mesh Trust, the Mesh Trustee, and the Post-Emergence Entities, and their respective successors and assigns, except that none of the Post-Emergence Entities, the Mesh Trust, nor the Mesh Trustee may assign or otherwise transfer any of its, or their, rights or obligations, if any, under this Mesh Trust Agreement except, in the case of the Mesh Trust and the Mesh Trustee, as contemplated by Section 6.2 above. The Post-Emergence Entities shall be third-party beneficiaries with rights of enforcement with respect to Section 7.5, but only to the extent the modifications impact the scope and terms of the release provided to the Debtors and the GUC Released Parties as set forth in the Trust Submission Form and the Plan. Notwithstanding anything to the contrary herein, the Excluded D&O Parties shall be deemed to be third-party beneficiaries of this Trust Agreement with respect to any provision relating to the Covenant Not To Collect.

7.10 Limitation on Claim Interests for Securities Laws Purposes. Eligible Mesh Claims, and any interests therein (a) shall not be assigned, conveyed, hypothecated, pledged, or otherwise transferred, voluntarily or involuntarily, directly or indirectly, except by will or under the laws of descent and distribution; (b) shall not be evidenced by a certificate or other instrument; (c) shall not possess any voting rights; and (d) shall not be entitled to receive any dividends or interest; provided, however, that clause (a) of this Section 7.10 shall not apply to the holder of a Claim that is subrogated to an Eligible Mesh Claim as a result of its satisfaction of such Eligible Mesh Claim.

7.11 Entire Agreement; No Waiver. The entire agreement of the parties relating to the subject matter of this Mesh Trust Agreement is contained herein and in the documents referred to herein, and this Mesh Trust Agreement and such documents supersede any prior oral or written agreements concerning the subject matter hereof. No failure to exercise or delay in exercising any right, power or privilege hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any right, power or privilege hereunder preclude any further exercise thereof or of any other right, power or privilege. The rights and remedies herein provided are cumulative and are not exclusive of rights under law or in equity.

7.12 Headings. The headings used in this Mesh Trust Agreement are inserted for convenience only and do not constitute a portion of this Mesh Trust Agreement, nor in any manner affect the construction of the provisions of this Mesh Trust Agreement.

7.13 Governing Law. The validity and construction of this Mesh Trust Agreement and all amendments hereto and thereto shall be governed by laws of the State of Delaware, and the rights of all parties hereto and the effect of every provision hereof shall be subject to and construed according to the laws of the State of Delaware without regard to the conflict of laws provisions thereof that would purport to apply the law of any other jurisdiction; provided, however, that the parties hereto intend that the provisions hereof shall control and there shall not be applicable to the Mesh Trust, the Mesh Trustee, the Delaware Trustee, or this Mesh Trust Agreement, any provision of the laws (statutory or common) of the State of Delaware pertaining to trusts that relate to or regulate in a manner inconsistent with the terms hereof: (a) the filing with any court or governmental body or agency of Mesh Trustee accounts or schedules of Mesh Trustee fees and charges; (b) affirmative requirements to post bonds for Mesh Trustees, officers, agents, or employees of a trust; (c) the necessity for obtaining court or other governmental approval concerning the acquisition, holding, or disposition of real or personal property; (d) fees or other sums payable to Mesh Trustees, officers, agents, or employees of a trust; (e) the allocation of receipts and expenditures to income or principal; (f) restrictions or limitations on the permissible nature, amount, or concentration of trust investments or requirements relating to the titling, storage, or other manner of holding of trust assets; (g) the existence of rights or interests (beneficial or otherwise) in trust assets; (h) the ability of beneficial owners or other Persons to terminate or dissolve a trust; or (i) the establishment of fiduciary or other standards or responsibilities or limitations on the acts or powers of Mesh Trustees or beneficial owners that are inconsistent with the limitations on liability or authorities and powers of the Mesh Trustee or the Delaware Trustee, set forth or referenced in this Mesh Trust Agreement. Administration of the Mesh Trust shall be governed by, and construed in accordance with, the laws of the State of Delaware without giving effect to any choice or conflict of laws provision or rule (whether of the State of Delaware or any other jurisdiction) that would cause the application of the laws of any other jurisdiction.

7.14 Dispute Resolution. Any disputes that arise under this Mesh Trust Agreement among the parties hereto (other than the Delaware Trustee and, for the avoidance of doubt, the Debtors and the other GUC Released Parties) shall first be subject to mediation. Failing that they shall be resolved by submission of the matter to binding arbitration (the “**ADR Process**”); provided, however, that if one party objects to binding arbitration, or if the Delaware Trustee, any of the Debtors or any of the other GUC Released Parties is a party to any applicable dispute, the matter shall be submitted to the Bankruptcy Court for a judicial determination; further provided, however, that any dispute involving the Mesh Claims Process shall be resolved in the first instance by the ADR Process. Should any party to the ADR Process be dissatisfied with the recommendation of the arbitrator(s), that party may apply to a court of competent jurisdiction for a judicial determination of the matter. Any review conducted by the court of competent jurisdiction shall be *de novo*. Should the unresolved dispute not be resolved by the ADR Process within thirty (30) days after submission, the parties are relieved of the requirement to pursue ADR Process prior to application to a court of competent jurisdiction. If the Mesh Trustee determines that the matter in dispute is exigent and cannot await the completion of the ADR Process, the Mesh Trustee shall have the discretion to elect out of the ADR Process altogether or at any stage of the process and seek resolution of the dispute in the Bankruptcy Court or any court of competent jurisdiction. The costs of any dispute raised by an Eligible Mesh Claimant regarding the Mesh Claims Process or the Allowed Amount of such claimants’ Eligible Mesh Claim shall be deducted from the pro rata amount distributable to such Eligible Mesh Claimant.

7.15 Enforcement and Administration. The provisions of this Mesh Trust Agreement shall be enforced by the Bankruptcy Court or a court of competent jurisdiction pursuant to the Plan. The parties hereto hereby further acknowledge and agree that the Bankruptcy Court shall have exclusive jurisdiction over the settlement of the accounts of the Mesh Trustee and over any disputes hereunder not resolved by the ADR Process in accordance with Section 7.14 above. The Bankruptcy Court and the courts of the State of Delaware shall have the exclusive jurisdiction with respect to any action relating to or arising from the Mesh Trust.

7.16 Effectiveness. This Mesh Trust Agreement shall not become effective until it has been executed and delivered by all the parties hereto.

7.17 Rules of Interpretation. For purposes of this Mesh Trust Agreement, unless otherwise provided herein: (a) whenever from the context it is appropriate, each term, whether stated in the singular or the plural, will include both the singular and the plural; (b) the words “herein,” “hereof,” “hereto,” “hereunder” and other words of similar import refer to this Mesh Trust Agreement as a whole and not to any particular section, subsection or clause contained in this Mesh Trust Agreement; (c) the rules of construction set forth in section 102 of the Bankruptcy Code will apply; and (d) the term “including” shall be construed to mean “including, but not limited to,” “including, without limitation,” or words of similar import. In this Mesh Trust Agreement the words “must,” “will,” and “shall” are intended to have the same mandatory force and effect, while the word “may” is intended to be permissive rather than mandatory.

7.18 Counterpart Signatures. This Mesh Trust Agreement may be executed in any number of counterparts and by different Parties on separate counterparts (including by facsimile or portable document format (pdf)), and each such counterpart shall be deemed to be an original, but all such counterparts shall together constitute one and the same instrument.

IN WITNESS WHEREOF, the parties have executed this Mesh Trust Agreement as of the date set forth above.

Mesh Claims Process

SCHEDULED CLAIMS PROCESS FOR MESH CLAIMS

This scheduled claims process for Eligible Mesh Claims (“**Mesh Claims Process**”) provides the means for evaluating and resolving Eligible Mesh Claims as contemplated by the *Fourth Amended Joint Chapter 11 Plan of Reorganization of Endo International plc and its Affiliated Debtors* [Docket No. 3849] (as amended and supplemented, and as confirmed by the Bankruptcy Court, the “**Plan**”), and the *Findings of Fact, Conclusions of Law, and Order (I) Confirming the Fourth Amended Joint Chapter 11 Plan of Reorganization of Endo International plc and its Affiliated Debtors and (II) Approving the Disclosure Statement with Respect Thereto* [Docket No. 3960] confirming the Plan pursuant to the Bankruptcy Code (the “**Confirmation Order**”), and as provided in the Mesh Claims Trust Agreement (the “**Mesh Trust Agreement**”) to which this Mesh Claims Process is attached. All capitalized terms used but not defined herein shall have the meanings ascribed to them in the Mesh Trust Agreement, the Plan, or the Confirmation Order, as applicable. The Mesh Trustee shall implement and administer the Eligible Mesh Claims in accordance with the Mesh Trust Agreement, the Plan, the Confirmation Order, and this Mesh Claims Process.

ARTICLE 1

INTRODUCTION

1.1 Purpose of the Mesh Claims Process. The goal of the Mesh Trust is to treat all Eligible Mesh Claims equitably (in accordance with Article 4) and in accordance with the requirements of the Plan, the Confirmation Order, the Mesh Claims Trust Documents and the

Bankruptcy Code. This Mesh Claims Process furthers that goal by setting forth objective, efficient, and fair procedures for evaluating, processing and paying Eligible Mesh Claims.

1.2 Interpretation. Except as may otherwise be provided below, nothing in this Mesh Claims Process shall be deemed to create a substantive right for any Eligible Mesh Claimant. The rights and benefits provided herein, if any, to holders of Eligible Mesh Claims shall vest in such holders as of the Effective Date.

ARTICLE 2

MESH CLAIMS PROCESS ADMINISTRATION

2.1 Mesh Claims Liquidation Procedures

(a) Determination of Compensability. The Mesh Trust will receive, process, and resolve Eligible Mesh Claims in accordance with this Mesh Claims Process and determine whether they are Allowed and therefore eligible to receive payment from the Mesh Trust, or Disallowed and therefore not eligible for payment from the Mesh Trust. Allowed and Disallowed shall have the meanings ascribed to them in the Mesh Trust Agreement, provided that, for the avoidance of doubt, an Allowed Eligible Mesh Claim is an Eligible Mesh Claim that provides credible evidence that satisfies (as determined by the Mesh Trustee) the evidentiary criteria set forth below, including the delivery of a Trust Submission Form and all exhibits thereto, and is otherwise eligible for an offer of payment in accordance with this Mesh Claims Process.

(b) The Mesh Trust will use appropriate accounting internal controls, technology and strategies to prevent the payment of fraudulent or otherwise invalid claims, while making the claims-submission process as simple as possible. Reasonable steps will be taken to mitigate fraud so as to ensure a fair and secure claims review and payment process, while not falsely flagging legitimate Mesh Claims.

(c) Treatment of Disallowed Claims. The Mesh Trust will not make distributions to Disallowed Eligible Mesh Claims and such claims shall be discharged and released in full.

(i) Because the Mesh Trust will have limited funds, economic damages are not compensable, and Mesh Claims asserting economic damages only will be Disallowed. Disallowed Mesh Claims shall be discharged and released in full, including those asserting both economic and non-economic or general damages.

(ii) As set forth in the Mesh Trust Agreement, in order for an Eligible Mesh Claim to be Allowed and the holder thereof eligible to receive distributions from the Mesh Trust, such holder of an Eligible Mesh Claim must timely execute and deliver a Trust Submission Form to the GUC Trust. The GUC Trustee will provide copies of all Trust Submission Forms for Eligible Mesh Claims to the Mesh Trustee upon receipt, subject to the confidentiality obligations described herein.

ARTICLE 3

PROCESSING AND RESOLUTION OF MESH CLAIMS

3.1 Processing of Mesh Claims.

(a) As soon as possible after the establishment of the Mesh Trust, the Mesh Trustee shall proceed to have the Mesh Trust receive, review, and liquidate all Eligible Mesh Claims.

(b) To process Eligible Mesh Claims under this Mesh Claims Process, the Mesh Trustee has the discretion to request additional documentation beyond that required by this Mesh Claims Process believed to be in the possession of the Eligible Mesh Claimant or their authorized agent or lawyer.

(c) The Mesh Trustee may investigate any Mesh Claim and may request information from any Mesh Claimant to ensure compliance with the terms outlined in this Mesh Claims Process.

(d) The Mesh Trustee has the sole discretion to determine if a Mesh Claim is Disallowed or to reduce or eliminate the Allowed Claim Amount for an Eligible Mesh Claim being liquidated hereunder where the Mesh Trustee concludes that there has been a pattern or practice to circumvent full or truthful disclosure of information requested under this Mesh Claims Process or otherwise by the Mesh Trustee. For the avoidance of doubt, as set forth in the Mesh Trust Agreement, a Mesh Claim submitted to the Mesh Trust with respect to which the holder thereof did not execute and deliver a Trust Submission Form shall be Disallowed. Notwithstanding anything to the contrary herein or otherwise, the GUC Releases granted or deemed to have been granted, and the Covenant Not To Collect made, by the holder of a Disallowed Mesh Claim, shall be unaffected by the Disallowance of such Mesh Claim and such GUC Releases and the Covenant Not To Collect shall remain in full force and effect.

(e) While the Mesh Trust may enter into a lien resolution program, each Eligible Mesh Claimant remains responsible for satisfying any liens that third parties may claim against an award to such Eligible Mesh Claimant.

3.2 General Criteria for Allowed Mesh Claims. To establish an Allowed Mesh Claim in accordance with this Mesh Claims Process, an Eligible Mesh Claimant must satisfy all of the following criteria:

- 3.2.1 Meet the criteria set forth in Section 4.1;
- 3.2.2 Complete, sign and submit the Trust Submission Form;
- 3.2.3 Complete, sign and submit the HIPAA Release, if applicable; and

3.2.4 If the Eligible Mesh Claim concerns the injuries of a decedent, execute and submit the Heirship Declaration.

3.3 Review Process. Mesh Claimants who meet the Medical/Exposure Criteria set forth in Section 4.1 below shall be subject to the applicable Scheduled Values as set forth in Section 4.1 below unless, at the sole discretion of the Mesh Trustee, and upon request by the Eligible Mesh Claimant, such Mesh Claimant is selected for the Extraordinary Review Process (the “**ER Process**”).

3.4 Extraordinary Review Process. The Mesh Trustee may, in her discretion, award additional compensation to Eligible Mesh Claimants who present proof of injury or loss of a type or severity not otherwise captured by the Mesh Claims Process through the Review Process. Such additional compensation will in no event exceed the Maximum Amount. To be considered for additional compensation, an Eligible Mesh Claimant must specifically request consideration for the ER Process and submit supporting information pursuant to the instructions on the Trust Submission Form.

3.5 Maximum Amount. The Maximum Amount shall be \$6.1 Million.

3.6 Pro Rata Payment. The amounts that Eligible Mesh Claimants will ultimately be paid on account of their Allowed Eligible Mesh Claims will depend on, among other things, the GUC Trust’s ability to liquidate and recover the proceeds of the GUC Trust Litigation Consideration. The amounts paid pursuant to this Mesh Claims Process and/or the Mesh Trust Agreement are not the equivalent of (i) any Eligible Mesh Claimant’s Allowed Claim or (ii) any right to payment that the holder of an Allowed Eligible Mesh Claim has.

ARTICLE 4

**VALUATION OF AND EVIDENTIARY
REQUIREMENTS FOR ALLOWED CLAIMS**

4.1 Scheduled Value and Medical/Exposure Criteria. The Scheduled Values and Medical/Exposure Criteria set forth below shall apply to all Eligible Mesh Claims.

Attribution of a condition or symptom to a complication from implantation of mesh and/or the treatment thereof may be established by a temporal relationship between the implantation of mesh and the condition, symptom and/or treatment. a. Neuropathic pain medications for treatment of pelvic pain commencing at least 90 days after implantation of Eligible Debtor Product and with continuous use for a period of at least two months; b. Physical therapy of pelvic floor or vaginal area commencing at least 90 days after implantation of Eligible Debtor Product, and involving at least 4 sessions over a 60-day period; c. For clarification, where the operative records reflect that another cause of the condition or symptom (<i>e.g.</i>, ovarian cysts, endometriosis) was determined as a cause during surgery, <i>and in addition</i> reflect a concomitant finding that an Eligible Debtor Product was also a cause of the condition or symptom, such surgical procedure does constitute a Qualifying Surgery. 4.2 For the avoidance of doubt, the ER Process set forth in section 4.5 may result in Allowed Claim Amounts in excess of Scheduled Values.

4.3 Eligible Debtor Product. An “Eligible Debtor Product” means those pelvic repair system product(s) manufactured, marketed, sold and distributed by the Debtors and/or their affiliates listed below, as well as any variations, past or present:

- i BioArc® SP System with InteXen® LP
- ii BioArc® TO System with InteXen® LP

4.4 Additional Factors for Review. The Mesh Trustee may also consider the domicile of an Eligible Mesh Claimant and may reduce the Scheduled Value of an Eligible Mesh Claim by a multiplier intended to reflect the amount that an Eligible Mesh Claimant might receive in their local tort system (based on prepetition litigation and/or settlements in the Eligible Mesh Claimant’s local tort system).

4.5 Extraordinary Review Criteria. Subject to the provisions set forth below, a claimant that meets the relevant Medical/Exposure Criteria set forth in Section 4.1 and believes

they would be entitled to greater than the applicable Scheduled Value were their claim resolved in the tort system, shall be eligible to seek the ER Process to determine the value of their claim. Such request for the ER Process shall be granted or denied at the sole discretion of the Mesh Trustee. Because the detailed examination and valuation process pursuant to the ER Process requires substantial time and effort, claimants electing to undergo the ER Process may be paid on the basis of the liquidated value of their Eligible Mesh Claim later than would have been the case had the claimant elected the Review Process. To the extent that the liquidated values of Eligible Mesh Claims that undergo the ER Process in accordance with the factors set forth in Section 4.5.1 below are determined to be less than the Scheduled Value for the applicable Claim Type, the Eligible Mesh Claim shall be Allowed at the Scheduled Value for the applicable Claim Type.

4.5.1 Valuation Factors to Be Considered in the Extraordinary Review Process. The Mesh Trust shall liquidate the value of each Eligible Mesh Claim that undergoes the ER Process based on the historic liquidated values of other similarly situated Mesh Claims in the applicable tort system as such values exist on the Effective Date for similar claims in the tort system. Accordingly, the Mesh Trust shall take into consideration all of the factors that affect the amount of damages and values in the relevant tort system, including, but not limited to, credible evidence of (i) the degree to which the characteristics of a Mesh Claim differ from the Medical/Exposure Criteria including additional Qualifying Surgeries or unaccounted for complications including but not limited to physical deformity or disability, reproductive issues; (ii) other major surgeries including but not limited to reconstructive surgeries; (iii) factors such as the claimant's age at the time of implant, employment status, disruption of household, family or recreational activities, relationship impairment, and dependencies; and (iv) settlement and verdict histories in the Eligible Mesh Claimant's jurisdiction for similarly situated or analogous claims.

With respect to Eligible Mesh Claimant's jurisdiction, if the Mesh Claim was not filed against any of the Debtors in the tort system prior to the Petition Date, such Eligible Mesh Claimant may elect as the Eligible Mesh Claimant's jurisdiction: (a) the jurisdiction in which such Eligible Mesh Claimant resides or resided at the time of diagnosis or when the Eligible Mesh Claim was submitted; or (b) any other jurisdiction in which such Eligible Mesh Claimant could have brought suit prior to the Petition Date.

4.6 Evidentiary Requirements for Mesh Product Identification.

4.6.1 Acceptable Evidence for Establishing a Mesh Claim. All Eligible Mesh Claimants must demonstrate implantation of an Eligible Debtor Product prior to the Petition Date by submitting medical records or reports identifying the implanted product, applicable surgical and diagnostic records and additional medical records or other records to demonstrate the criteria necessary for establishing an Allowed Eligible Mesh Claim. Any determination regarding whether an Eligible Mesh Claimant has satisfied the evidentiary requirements for establishing an Allowed Eligible Mesh Claim shall be subject to the discretion of the Mesh Trustee.

4.7 Claims Audit Program.

4.7.1 In General. The Trustee shall develop methods for auditing the reliability of the evidence and statements made in claims submitted to the Mesh Trust and approved for an offer of payment (a claims audit program), which may be implemented by the Claims Administrator or an independent third party. In the event that the Mesh Trust reasonably determines that any individual or entity has engaged in a pattern or practice of providing unreliable evidence to the Mesh Trust, it may decline to accept additional evidence from such individual or entity in the future.

4.7.2 Assessment of Additional Information. To the extent that the Mesh Trust or the entity overseeing the claims audit program believe that it is relevant, nothing herein shall preclude

the Mesh Trust or the entity overseeing the claims audit program, in the Mesh Trust's sole discretion, from reviewing or taking into consideration other claims filed in state or federal court complaints or against other trusts. Any Eligible Mesh Claimant subject to the claims audit program shall cooperate with the Mesh Trust or the entity overseeing the claims audit program to obtain medical and other records to verify the claim.

4.7.3 Actions Based on Audit Results. In the event that an audit reveals that knowingly fraudulent information has been provided to the Mesh Trust, the Mesh Trust may penalize any Eligible Mesh Claimant by rejecting the Eligible Mesh Claim or by other means including, but not limited to, requiring the source of the fraudulent information to pay the costs associated with the audit and any future audit or audits, raising the level of scrutiny of additional information submitted from the same source or sources, refusing to accept additional evidence from the same source or sources, seeking the prosecution of the claimant or claimant's attorney for presenting a fraudulent claim in violation of 18 U.S.C. § 152, and seeking sanctions from the Bankruptcy Court. If the Mesh Trust determines that an Eligible Mesh Claimant's attorney willfully and knowingly participated in providing such fraudulent information, the Mesh Trust may seek appropriate sanctions as are available in the Bankruptcy Court or refer the matter to the appropriate prosecutor's office for consideration.

4.8 Suits in the Tort System.

4.8.1 An Eligible Mesh Claimant who disagrees with the ruling of the Mesh Trust may file a lawsuit in a state or federal court in the United States, that would otherwise have jurisdiction over such a Mesh Claim, against the Mesh Trust. For the avoidance of doubt, as a result of filing a Mesh Claim against the Debtors, such Mesh Claimant is subject to the jurisdiction of the Southern District of New York. Any such lawsuit must be filed by the Eligible Mesh Claimant in

her or her own right and name, and not as a member or representative of a class, and no such lawsuit may be consolidated with any other lawsuit, and may only name the Mesh Trust as a defendant. All defenses (including, with respect to the Mesh Trust, all defenses that could have been asserted by the Debtors or the Post-Emergence Entities, as applicable, provided that such defenses may not be asserted against any GUC Released Party) shall be available to both sides at trial; however, the Mesh Trust may waive any defense and/or concede any issue of fact or law. If the Eligible Mesh Claimant was alive at the time the Trust Submission Form was filed with the Mesh Trust, the case shall be treated as a personal injury case with all personal injury damages to be considered even if the Eligible Mesh Claimant has died during the pendency of the applicable proceedings.

4.8.2 If an Eligible Mesh Claimant obtains a judgment on their Mesh Claim in the tort system and such judgment becomes a final order (each, a “**Final Judgment**”), such Final Judgment shall be deemed an Allowed Eligible Mesh Claim. Thereafter, the Eligible Mesh Claimant shall be paid from the Mesh Trust in accordance with the Mesh Trust Agreement and this Mesh Claims Process including the pro rata payment provisions. Payments to Eligible Mesh Claimants who obtain a Final Judgment shall not exceed the Maximum Amount notwithstanding the amount of the Final Judgment until all other holders of Allowed Eligible Mesh Claims have been paid 100% of the amounts allocable to such other holders, at which time such Eligible Mesh Claimant(s) shall be eligible for distribution of any amounts in excess of the Maximum Amount on a pro rata basis to the extent such excess funds are available. For Eligible Mesh Claimants who obtain a Final Judgment including punitive damages (“**Punitive Damages**”), the Trust shall not distribute any payment on account of any Punitive Damages until all other holders of Allowed Eligible Mesh

Claims have been paid in full, at which time such eligible Mesh Claimant(s) shall be eligible for distribution of any amounts allocable to Punitive Damages.

4.9 Costs Considered. Notwithstanding any provision of this Mesh Claims Process to the contrary, the Mesh Trustee shall give appropriate consideration to the cost of investigating and uncovering invalid Mesh Claims so that the payment of Allowed Eligible Mesh Claims is not further impaired by such processes with respect to issues related to the validity of the evidence supporting a claim. The Mesh Trustee shall have the latitude to make judgments regarding the amount of costs to be expended by the Mesh Trust so that Allowed Eligible Mesh Claims are not unduly further impaired by the costs of additional investigation. Nothing herein shall prevent the Mesh Trustee, in appropriate circumstances, from contesting the validity of any claim against the Mesh Trust whatever the costs, or declining to accept medical evidence from sources that the Mesh Trustee has determined to be unreliable pursuant to the claims audit program described herein or otherwise.
