Case No. 24-11378 (JTD)

**GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY  
AND DISCLAIMER REGARDING THE DEBTORS' SCHEDULES OF  
ASSETS AND LIABILITIES AND STATEMENTS OF FINANCIAL AFFAIRS**

DermTech, Inc. and DermTech Operations, Inc. (each, a “Debtor,” and collectively, the “Debtors”), as debtors and debtors in possession in the above-captioned chapter 11 cases, are filing their respective Schedules of Assets and Liabilities (collectively, the “Schedules”) and Statements of Financial Affairs (collectively, the “Statements,” and together with the Schedules, collectively, the “Schedules and Statements”) in the United States Bankruptcy Court for the District of Delaware (the “Court”). The Debtors, with the assistance of their professional advisors, prepared the Schedules and Statements in accordance with section 521 of title 11 of the United States Code, as amended (the “Bankruptcy Code”), and rule 1007 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”).

These *Global Notes and Statement of Limitations, Methodology and Disclaimer regarding the Debtors’ Schedules of Assets and Liabilities and Statements of Financial Affairs* (collectively, the “Global Notes”) pertain to, are incorporated by reference in, and compose an integral part of, all of the Schedules and Statements. These Global Notes should be referred to as part of, and reviewed in connection with, the Schedules and Statements.

The Schedules and Statements have been prepared based on information provided by the Debtors’ management personnel and their professional advisors, and are unaudited and subject to potential adjustment. In preparing the Schedules and Statements, the Debtors relied on financial data derived from their books and records that was available at the time of preparation. The Debtors have used commercially reasonable efforts to ensure the accuracy and completeness of such information and data; however, subsequent information, data, or discovery may result in material changes to the Schedules and Statements and inadvertent errors, omissions, or inaccuracies may exist. The Debtors reserve all rights to amend or supplement the Schedules and Statements as may be necessary and appropriate.

---

<sup>1</sup> The Debtors in these chapter 11 cases, along with the last four digits of each Debtor’s federal tax identification number are: DermTech, Inc. (0849) and DermTech Operations, Inc. (8997). The Debtors’ service address is 12340 El Camino Real, San Diego, California 92130.

In reviewing and signing the Schedules and Statement, Bret Christensen, the Debtors' President and Chief Executive Officer, has necessarily relied upon the efforts, statements, and representations of the Debtors' employees, personnel, and professionals. Mr. Christensen has not (and could not have) personally verified the accuracy of each such statement and representation that collectively provide the information presented in the Schedules and Statements, including, but not limited to, statements and representations concerning amounts owed to creditors and their addresses.

The Debtors and their past or present directors, officers, employees, attorneys, professionals and agents (including, but not limited to, Mr. Christensen), do not guarantee or warrant the accuracy or completeness of the data that is provided herein and shall not be liable for any loss or injury arising out of or caused in whole or in part by the acts, errors, or omissions whether negligent or otherwise, in procuring, compiling, collecting, interpreting, reporting, communicating or delivering the information contained herein. The Debtors and their past or present officers, employees, attorneys, professionals and agents (including, but not limited to, Mr. Christensen) expressly do not undertake any obligation to update, modify, revise or re-categorize the information provided herein or to notify any third party should the information be updated, modified, revised or recategorized. While commercially reasonable efforts have been made to provide accurate and complete information herein, inadvertent errors or omissions may exist. In no event shall the Debtors or their past or present directors, officers, employees, attorneys, professionals and/or agents (including, but not limited to, Mr. Christensen) be liable to any third party for any direct, indirect, incidental, consequential, or special damages (including, but not limited to, damages arising from the disallowance of any potential claim against the Debtors or damages to business reputation, lost business, or lost profits), whether foreseeable or not and however caused arising from or related to any information provided herein or omitted herein.

**Reservation of Rights.** Nothing contained in the Schedules and Statements or these Global Notes shall constitute a waiver of any rights of the Debtors and their estates or an admission with respect to the Debtors' chapter 11 cases, including, but not limited to, any issues involving objections to claims, setoff or recoupment, equitable subordination or recharacterization of debt, defenses, characterization or re-characterization of contracts, leases and claims, assumption or rejection of contracts and leases and/or causes of action arising under the Bankruptcy Code or any other applicable laws.

**Description of the Cases and "As of" Information Date.** On June 18, 2024 (the "Petition Date"), each of the Debtors filed a voluntary petition for relief with the Court under chapter 11 of the Bankruptcy Code. Unless otherwise indicated herein or in the Schedules and Statements, all financial information for the Debtors included in the Schedules and Statements and these Global Notes is provided as of the Petition Date or as close thereto as reasonably practicable under the circumstances. On July 1, 2024, the Office of the United States Trustee for the District of Delaware appointed the Official Committee of Unsecured Creditors. *See* Docket No. 55. Additional information about these chapter 11 cases, court filings, and claims information is available on the Debtors' restructuring website: <https://cases.stretto.com/DermTech/>.

The information contained in (i) Schedules A/B represents data of the Debtors as of May 31, 2024, except with respect to Part 1, Question 3, which such data represents data of the Debtors as

of the Petition Date and with respect to Part 11, Question 72, which represents data as of December 31, 2023 because the Debtors have historically calculated net operating loss carryforwards on an annual basis, and (ii) Schedules D, E, F, G, and H which also represent data of the Debtors as of the Petition Date.

**Basis of Presentation.** The Debtors prepare consolidated financial statements, which are audited annually. The Schedules and Statements do not purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles (“GAAP”), nor are they intended to fully reconcile to any financial statements prepared by the Debtors. Information contained in the Schedules and Statements has been derived from the Debtors’ books and records. Unlike the consolidated financial statements, these Schedules and Statements reflect the assets and liabilities of each separate Debtor, except where otherwise indicated. Therefore, combining the assets and liabilities set forth in the Schedules and Statements could result in amounts that could be substantially different from any financial information regarding the Debtors prepared on a consolidated basis under GAAP. As of the Petition Date, the Debtors did not conduct their normal accounting close process, therefore the normal procedures for reconciling accounts recording and/or adjusting entries, and preparing financial statements (for the period ending as of the Petition Date) was not completed. As such, the Debtors developed the information presented in the Schedules and Statements as of the Petition Date based on currently available and accessible information, and in certain instances, amounts may reflect estimates. The subsequent receipt of additional data and information, including but not limited to vendor invoices, could be material. Moreover, because the Debtors’ accounting systems, policies, and practices were developed for consolidated reporting purposes, rather than reporting by legal entity, it is possible that not all assets, liabilities or amounts of cash disbursements have been recorded with the correct legal entity on the Schedules and Statements. Accordingly, the Debtors reserve all rights to supplement and/or amend the Schedules and Statements in this regard. Given, among other things, the uncertainty surrounding the collection and ownership of certain assets and the valuation and nature of certain liabilities, to the extent a Debtor shows more assets than liabilities, it is not an admission that the Debtor was solvent as of the Petition Date or at any time prior thereto. Likewise, to the extent a Debtor shows more liabilities than assets, it is not an admission that the Debtor was insolvent at the Petition Date or any time prior thereto.

**Recharacterization.** Notwithstanding the Debtors’ commercially reasonable efforts to properly characterize, classify, categorize, or designate certain claims, assets, executory contracts, unexpired leases, and other items reported in the Schedules and Statements, the Debtors may nevertheless seek to recharacterize, reclassify, recategorize, redesignate, add, or delete items included in the Schedules and Statements, and the Debtors and their estates reserve all rights in this regard.

**Intellectual Property Rights and Other Intangibles.** Exclusion of certain intellectual property from the Schedules and Statements should not be construed as an admission that such intellectual property rights have been abandoned, have been terminated or otherwise expired by their terms, or have been assigned or otherwise transferred pursuant to a sale, acquisition or other transaction. Conversely, inclusion of certain intellectual property rights in the Schedules and Statements should not be construed as an admission that such intellectual property rights have not been abandoned, have not been terminated or otherwise expired by their terms, or have not been assigned or otherwise transferred pursuant to a sale, acquisition, or other transaction. The value of the Debtors’

intellectual property and license agreements are contingent and unliquidated. The Debtors' other intangibles and Intellectual property are listed on Schedule A/B 64. These assets have not been appraised by a professional within a year prior to the Petition Date. Therefore, the current values are listed as "Undetermined."

**Insiders.** For purposes of the Schedules and Statements, the Debtors define "insiders" pursuant to section 101(31) of the Bankruptcy Code as: (a) current or former directors, officers, or persons in control of the Debtors; (b) relatives of current or former directors, officers, or persons in control of the Debtors; (c) a partnership in which any of the Debtors is a general partner; or (d) an affiliate of the Debtors. Except as otherwise disclosed herein or in the Statements, payments to insiders listed in (a) through (d) above are set forth on Statement 4. Persons listed as "insiders" have been included for informational purposes only, and such listing is not intended to be, nor should it be construed as, a legal characterization of such person as an insider, nor does it serve as an admission of any fact, claim, right, or defense, and all such claims, rights, and defenses with respect thereto are hereby expressly reserved. Further, the Debtors and their estates do not take any position with respect to: (a) any such person's influence over the control of the Debtors; (b) the management responsibilities or functions of any such individual; (c) the decision-making or corporate authority of any such individual; or (d) whether any such individual could successfully argue that he or she is not an "insider" under applicable law, including, without limitation, the federal securities laws, or with respect to any theories of liability or for any other purpose.

**Summary of Significant Reporting Policies.** The following is a summary of certain significant reporting policies:

a. **Current Market Value – Net Book Value.** It would be prohibitively expensive, unduly burdensome, and an inefficient use of resources for the Debtors to obtain current market valuations for all of the assets of their estates. Accordingly, unless otherwise indicated herein or in the Schedules and Statements, the Schedules and Statements reflect the net book values, rather than current market values, of the Debtors' assets as of the Petition Date (unless another date is indicated herein or in the Schedules and Statements), and may not reflect the net realizable value of such assets.

b. **Setoffs.** To the extent the Debtors have incurred or effectuated any ordinary course setoffs with third parties (including, without limitation, customers and vendors) prior to the Petition Date, or are subject to the occurrence of, or maintain the right to effectuate, ordinary course setoffs on account of activities occurring prior to the Petition Date, such setoffs are excluded from the Schedules and Statements. The Debtors and their estates reserve all rights with respect to any such setoffs.

c. **Credits and Adjustments.** Claims of creditors and/or prepayments from clients are listed in the amounts entered on the Debtors' books and records, and may not reflect certain credits, allowances or other adjustments due from such creditors to the Debtors. The Debtors and their estates reserve all rights with regard to any such credits, allowances, and other adjustments, including, without limitation, the right to assert claims, objections, setoffs, and recoupments with respect to the same.

d. **Leases.** Prior to the Petition Date, the Debtors leased certain equipment from certain third-party lessors for use in the maintenance of their business. Nothing in the Schedules and Statements is, or shall be construed as, an admission as to the determination of the legal status of any lease (including, without limitation, whether any lease is a true lease or a financing arrangement, and whether such lease is unexpired), and the Debtors and their estates reserve all rights with respect to such issues.

e. **Executory Contracts and Unexpired Leases.** The Debtors have not set forth executory contracts and unexpired leases as assets in the Schedules and Statements, even though these contracts and leases may have some value to the Debtors' estates. Rather, executory contracts and unexpired leases have been set forth solely on Schedule G. While every effort has been made to ensure the accuracy of Schedule G, inadvertent errors or omissions may have occurred. The Debtors hereby reserve all of their rights to (i) dispute the validity, status or enforceability of any contracts, agreements or leases set forth in Schedule G and (ii) amend or supplement such Schedule as necessary. Furthermore, the Debtors reserve all of their rights, claims, and causes of action with respect to the contracts and agreements listed on the Schedules, including the right to dispute or challenge the characterization or the structure of any transaction, document, or instrument.

**Unknown or Undetermined Amounts.** Where a description of an amount is left blank or listed as "unknown" or "undetermined," such response is not intended to reflect upon the materiality of such amount.

**Unliquidated Claim Amounts.** Claim amounts that could not be readily quantified by the Debtors are scheduled as "unliquidated."

**Liabilities.** The Debtors have sought to allocate liabilities between the prepetition and post-petition periods based on the information available at the time of filing the Schedules and Statements. If additional information becomes available or further research is conducted, the allocation of liabilities between the prepetition and post-petition periods may change. Accordingly, the Debtors and their estates reserve all rights to amend, supplement, or otherwise modify the Schedules and Statements as is necessary or appropriate.

**Estimates.** The Debtors were required to make certain estimates and assumptions that affect the reported amounts of assets and liabilities and reported revenue and expenses. The Debtors and their estates reserve all rights to amend the reported amounts of assets, liabilities, revenue, and expenses to reflect changes in those estimates and assumptions.

**Classifications.** Listing a claim (a) on Schedule D as "secured," (b) on Schedule E/F as "unsecured priority," or "unsecured nonpriority," or (c) listing a contract or lease on Schedule G as "executory" or "expired," does not constitute an admission by the Debtors and their estates of the legal rights of any claimant, or a waiver of the rights of the Debtors and their estates to amend these Schedules and Statements to recharacterize or reclassify any claim or contract.

**Claims Description.** The Debtors and their estates reserve all rights to dispute, and to assert any offsets or defenses to, any claim reflected on the applicable Schedule on any grounds, including,

without limitation, amount, liability, validity, priority, or classification, and to subsequently designate any claim as “disputed,” “contingent,” or “unliquidated.”

**Guaranties and Other Secondary Liability Claims.** Guaranties and other secondary liability claims (collectively, the “Guaranties”) with respect to the Debtors’ contracts and leases may not be included on Schedule H. Therefore, the Debtors and their estates reserve all rights to amend the Schedules to the extent additional Guaranties are identified.

**Court Orders.** Pursuant to certain final “first day” orders entered by the Bankruptcy Court (the “First Day Orders”), the Debtors were authorized (but not directed) to pay or satisfy, among other things, certain prepetition obligations owing to employees, independent contractors, employment vendors, taxing authorities, banks and credit card providers, and customers. *See* Docket Nos. 87-89; 91 and 100. Accordingly, these liabilities may have been or may be satisfied in accordance with such orders and therefore generally are not listed in the Schedules and Statements. Regardless of whether such claims are listed in the Schedules and Statements, to the extent such claims are satisfied pursuant to an order of the Bankruptcy Court (including the First Day Orders), the Debtors reserve all rights to amend or supplement their Schedules and Statements as is necessary or appropriate.

**Personally Identifiable Information.** In accordance with the relief granted in the *Order (I) Authorizing the Debtors to (A) File a Consolidated (1) Creditor Matrix and (2) Top 30 Creditors List, and (B) Redact Certain Personal Information in the Creditor Matrix and Certain Other Documents; (II) Modifying the Requirement to File a List of Equity Security Holders and Modifying Notice Requirements Thereto; and (III) Granting Related Relief* [Docket No. 23] and due to the need to protect confidential information and individual privacy, the home addresses of individuals have been redacted from the Schedules and Statements.

**Contingent Assets.** The Debtors believe that they may possess certain claims and causes of action against various parties. The Debtors may also possess contingent claims in the form of various avoidance actions they could commence under the provisions of chapter 5 of the Bankruptcy Code and other relevant non-bankruptcy laws. The Debtors, despite reasonable efforts, may not have set forth all of their causes of action against third parties as assets in their Schedules and Statements. The Debtors reserve all of their rights with respect to any claims, causes of action, or avoidance actions they may have and nothing contained in these Global Notes or the Schedules and Statements shall be deemed a waiver of any such claims, avoidance actions, or causes of action or in any way prejudice or impair the assertion of such claims.

**Interest in Subsidiaries and Affiliates.** Debtor DermTech, Inc. owns 100% of the equity interests in Debtor DermTech Operations, Inc. Each Debtor’s Schedule A/B Part 4, Question 15.1 or Statement Part 13, Question 25 schedules its ownership interests, if any, in its subsidiaries and affiliates. Assets such as investments in subsidiaries are listed as undetermined amounts as of the Petition Date because the book values may materially differ from fair market values.

**Payments.** The financial affairs and businesses of the Debtors are complex. Prior to the Petition Date, the Debtors maintained a cash management and disbursement system in the ordinary course of their businesses (the “Cash Management System”) (as described in greater detail in the *Debtors’*

*Motion for Entry of Interim and Final Orders (I) Authorizing Debtors to (A) Continue to Operate Their Cash Management System, (B) Honor Certain Prepetition Obligations Related Thereto, (C) Maintain Existing Business Forms, and (D) Continue Certain Intercompany Transactions; (II) Extending the Time to Comply with Section 345(b) of the Bankruptcy Code; and (III) Granting Related Relief* (the “Cash Management Motion”) [Docket No. 8]. Although efforts have been made to attribute open payable amounts to the correct legal entity, the Debtors reserve the right to modify or amend their Schedules and Statements to attribute such payment to a different legal entity, as is necessary or appropriate. Payments made are listed by the legal entity making such payment notwithstanding that many such payments may have been made on behalf of another legal entity.

### **NOTES FOR SCHEDULES**

**Schedule A/B – Assets – Real and Personal Property.** The information in response to this Schedule lists closing bank account balance as of the Petition Date. See *Interest in Subsidiaries and Affiliates* discussion in the Schedules section of these Global Notes.

**SOAL A/B Question 7:** Information in this Schedule is presented as of May 31, 2024 because the Debtors did not complete a mid-month close before the Petition Date and information through June 30, 2024 was not available as of the filing of these Schedules and Statements. The Debtors were required to make deposits from time to time with various vendors, landlords, and service providers in the ordinary course of business. The Debtors have exercised reasonable efforts to report the current value of any deposits. The Debtors may have inadvertently omitted deposits and conversely may have reported deposits that are no longer outstanding. The Debtors reserve their rights, but are not required, to amend the Schedules and Statements if deposits are incorrectly identified. The deposits shown are estimates as of the Petition Date.

**SOAL A/B Question 8:** The Debtors were required to make prepayments from time to time with various vendors, landlords, and service providers as part of the ordinary course of business. The Debtors have exercised reasonable efforts to identify any prepayments. Some of these prepayments include insurance policies with annual premiums paid in a single lump sum upfront and amortized over the policy period. The Debtors may have inadvertently omitted certain prepayments and conversely may have reported prepayments for which services have already been provided. The Debtors reserve their rights, but are not required, to amend the Schedules and Statements if prepayments are incorrectly identified. Moreover, the retainer amounts paid by the Debtors to their bankruptcy counsel, Wilson Sonsini Goodrich & Rosati, P.C., their financial advisor, AlixPartners LLC, their investment banker, TD Cowen, and their administrative advisor, Stretto, Inc., on an earned upon receipt basis, do not constitute an interest of the Debtors in property and thus are not listed. These amounts paid are listed in response to Statement 11.

The Debtors maintain their books and records on an accrual basis. Accordingly, certain terms listed in Schedule A/B, Part 2, are listed in the Debtors’ books and records as prepayments or deposits, but are, in fact, payments made for certain future expenses or invoices.

**SOAL A/B, Part 5, Question 25 – Inventory - Excluding Agriculture Assets.** At the time of filing these Schedules and Statements, the Debtors have not been able to determine with certainty what property, if any, was received in the twenty (20) days prior to the Petition Date.

**SOAL A/B, Part 7, Question 39 and Question 41 – Office Furniture and Equipment.** The Debtors' office equipment, furnishings, and supplies are capitalized based on their accounting policies and procedures. The asset values are listed at estimated net book value.

**SOAL A/B, Part 8, Item 50 – Other Machinery and Equipment.** Net book value amounts listed in this Schedule are reflected on a book basis as recorded on the fixed asset register for each applicable Debtor.

**SOAL A/B, Part 10, Items 60 and 61 – Patents, Copyrights, Trademarks, Trade Secrets, Internet Domain Names and Websites.** The Debtors' ownership interests in their intellectual property are shown as undetermined. The Debtors do not list such assets on their books and records and have not performed a valuation analysis regarding such assets.

**SOAL A/B, Part 10, Item 63 – Customer Lists, Mailing Lists, or Other Compilations.** In the ordinary course of their business, the Debtors collect and retain personally identifiable information about the patients who use their products, including names, addresses, phone numbers, medical records, and other information. Pursuant to the *Order (I) Authorizing Debtors to Implement Certain Procedures to Maintain the Confidentiality of Patient Information as Required by Applicable Privacy Rules; and (II) Granting Related Relief* [Docket No. 28], the Debtors have not provided a list of patients. The Debtors do not sell such information for commercial purposes or list such lists on their books and records and the Debtors have not performed a valuation analysis regarding such information.

**Schedule A/B, Part 11, Item 72 – Tax Refunds and Unused Net Operating Losses (NOLs).** The Debtors' tax advisors and the nature and quantity of available NOLs are presented as of December 31, 2023, as shown in the Debtors' FY 2023 10-K. Additionally, as demonstrated, the Debtors possess federal and state R&D credits. As of the filing of these Schedules and Statements, the Debtors have requested but not yet received information related to the tax years applicable to such R&D Credits from their tax advisors. As a result, the R&D Credits are presented from various tax years.

**SOAL A/B Question 72:** All tax values related to 2023 in Scheduled A/B, question 72, are estimates unless otherwise stated.

**SOAL A/B Question 73:** The Debtors do not attribute any cash value to the listed insurance policies.

**SOAL A/B Question 74:** Despite their commercially reasonable efforts to identify all known assets, the Debtors may not have listed all of their respective causes of action or potential causes of action against third parties as assets in Schedule A/B, Part 11, Item 74, including, but not limited to, causes of action arising under the Bankruptcy Code or any other applicable laws. The Debtors and their estates reserve all rights with respect to any claims and causes of action that they may have, and neither these Global Notes nor the Schedules and Statements shall be deemed a waiver

of any such claims and causes of actions, or in any way waive, prejudice, impair, or otherwise affect the assertion of such claims and causes of action.

**Schedule D – Creditors Who Have Claims Secured by Property.** Except as otherwise agreed pursuant to a stipulation, agreed order, or general order entered by the Court that is or becomes final, the Debtors and their estates reserve all rights to dispute or challenge the validity, perfection, or immunity from avoidance of any lien purported to be granted or perfected in any specific asset to a creditor listed on Schedule D of any of the Debtors. Moreover, although the Debtors may have scheduled claims of various creditors as secured claims for informational purposes, no current valuation of the Debtors' assets in which such creditors may have a lien has been undertaken. Except as otherwise agreed pursuant to a stipulation, agreed order, or general order entered by the Court that is or becomes final, the Debtors and their estates reserve all rights to dispute or challenge the secured nature of any such claim or the characterization of the structure of any transaction, document, or instrument related to any such claim. The descriptions provided in Schedule D are intended only to be a summary. Reference to the applicable loan agreements and related documents is necessary for a complete description of the collateral and the nature, extent, and priority of any liens. Nothing in these Global Notes or the Schedules and Statements shall be deemed a modification or interpretation of the terms of such agreements.

In certain instances, a Debtor may be a co-obligor with respect to scheduled claims of other Debtors. No claim set forth on the Schedule D of any Debtor is intended to acknowledge claims of creditors that are or may be otherwise satisfied or discharged.

The Debtors have not included on Schedule D all parties that may believe their claims are secured through setoff rights, deposits posted by, or on behalf of, the Debtors, inchoate statutory lien rights, or real property lessors, utility companies, and other parties that may hold security deposits.

Certain of the amounts listed for parties on Schedule D may not be reflective of any accrued and unpaid interest, prepayment premiums, and other similar fees or expenses that such parties may be entitled to.

**Schedule E/F – Creditors Who Have Unsecured Claims.**

**Part 1.** The Debtors reserve all rights to dispute the amount and/or the priority status of any claim on Schedule E/F on any basis at any time. Claims owing to various taxing authorities to which the Debtors potentially may be liable are included on the Debtors' Schedule E/F. Certain of such claims, however, may be subject to ongoing audits and/or the Debtors otherwise are unable to determine with certainty the amount of the remaining claims listed on Schedule E/F. Therefore, the Debtors have listed all such claims as unknown in amount, pending final resolution of ongoing audits or other outstanding issues.

**Part 2.** Certain creditors listed on Part 2 of Schedule E/F may owe amounts to the Debtors; accordingly, the Debtors and their estates may have valid setoff and recoupment rights with respect to such amounts. Also, the amounts listed on Part 2 of Schedule E/F reflect known prepetition claims as of the Petition Date. Such amounts do not reflect any rights of setoff or recoupment that may be asserted by any creditors listed on Part 2 of Schedule E/F, and the Debtors and their estates reserve all rights to challenge any setoff and recoupment rights that may be asserted against them.

The Debtors and their estates reserve all rights to dispute or challenge the validity, perfection, or immunity from avoidance of any lien purported to be perfected by a creditor listed on Part 2 of Schedule E/F.

The Debtors have used commercially reasonable efforts to include all creditors on Part 2 of Schedule E/F. The amounts listed for liabilities on Schedule E/F may be exclusive of certain contingent and unliquidated amounts.

Third parties should not anticipate that the relationship of aggregate asset values and aggregate liabilities set forth in the Schedules will reflect their ultimate recoveries in these chapter 11 cases. Actual assets and liabilities may deviate from the amounts shown in the Schedules due to various events that occur throughout the duration of these chapter 11 cases.

Schedule E/F contains information regarding potential and pending litigation involving the Debtors. In certain instances, the Debtor that is the subject of the litigation is unclear or undetermined. To the extent that litigation involving a particular Debtor has been identified, however, such information is contained in the Schedule for that Debtor (even though the litigation may actually impact another Debtor or non-Debtor affiliate).

**Schedule G – Executory Contracts and Unexpired Leases.** Although commercially reasonable efforts have been made to ensure the accuracy of Schedule G regarding executory contracts and unexpired leases, inadvertent errors, omissions, or over-inclusion may have occurred in preparing Schedule G. Omission of a contract, lease, or other agreement from Schedule G does not constitute an admission that such omitted contract, lease, or other agreement is not an executory contract or unexpired lease. Schedule G may be amended at any time to add any omitted executory contracts, unexpired leases, and other agreements to which the Debtors are a party, including, without limitation, to add any that the Debtors did not list on Schedule G at this time. Likewise, the listing of an agreement on Schedule G does not constitute an admission that such agreement is an executory contract or unexpired lease, or that such agreement was in effect or unexpired on the Petition Date, or is valid or enforceable. The agreements listed on Schedule G may have expired, or may have been modified, amended, or supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letters and other documents, instruments, and agreements that may not be listed on Schedule G.

Certain confidentiality, non-disclosure, and non-compete agreements may not be listed on Schedule G. Certain of the contracts and agreements listed on Schedule G may consist of several parts, including purchase orders, amendments, restatements, waivers, letters and other documents that may not be listed on Schedule G or that may be listed as a single entry.

Certain of the leases and contracts listed on Schedule G may contain renewal options, guarantees of payment, indemnifications, options to purchase, rights of first refusal or other miscellaneous rights. Such rights, powers, duties, and obligations are not set forth separately on Schedule G or Schedule F.

The Debtors may also have entered into various other types of agreements in the ordinary course of their business, such as subordination, non-disturbance and attornment agreements, supplemental agreements, settlement agreements, amendments/letter agreements, title agreements, non-

disclosure agreements and confidentiality agreements. Such documents may not be set forth on Schedule G. Certain of the executory agreements may not have been memorialized and may be subject to dispute. Executory agreements that are oral in nature, if any, have not been included on Schedule G.

Additionally, the Debtors maintain certain insurance programs. The Debtors and their estates reserve all rights in connection with such insurance programs.

The listing of any contract on Schedule G does not constitute an admission by the Debtors as to the validity of any such contract. All rights, claims, and causes of action of the Debtors and their estates with respect to the agreements listed on Schedule G are hereby reserved and preserved. The Debtors and their estates hereby reserve all rights to: (a) dispute the validity, status, or enforceability of any agreements set forth on Schedule G; (b) dispute or challenge the characterization of the structure of any transaction, document, or instrument related to a creditor's claim, including, but not limited to, the agreements listed on Schedule G; and (c) amend or supplement Schedule G, as necessary.

**Schedule H – Codebtors.** As set forth in greater detail in the *Declaration of Bret Christensen, President and Chief Executive Officer of the Debtors, in Support of the Debtors' Chapter 11 Petitions and First Day Motions* (the "First Day Declaration") [Docket No. 12], Debtor DermTech, Inc., was initially formed as a British Virgin Islands Corporation known as Constellation Alpha Capital Corp., which domesticated in Delaware in 2019. Debtor DermTech Operations, Inc. (f/k/a DermTech, Inc.), was initially incorporated in California in 1995 and reincorporated in Delaware in 2014. Both entities became known by their current names in August 2019 in connection the Business Combination (defined below). As a result of this corporate history and the interrelationship of the Debtors' names, particularly with respect to the Debtors' long-term contractual relationship it is difficult to determine what contracts are joint obligations of which Debtors. The Debtors are not co-debtors or co-obligors with respect to any debt obligations or their secured obligations. As a result, no contracts are listed on Schedule H.

### **NOTES FOR STATEMENTS**

**Statements 1.** The information provided in response to this Statement reflects Gross Revenue by the Debtors in fiscal year 2022, fiscal year 2023 and year-to-date for fiscal year 2024 as of May 31, 2024.

**Statement 3.** Statement 3 includes any disbursement or other transfer made by the Debtors within 90 days prior to filing, except for those made to insiders or in connection with the bankruptcy, which are reflected on Statements 4 and 11, respectively. Stock vesting described herein reflects the stock's value based on the share price at the time of vesting. To avoid unnecessary duplication, payments made to the Debtors' professionals are not listed in this Statement 3, but are instead only reflected in Statement 11.

**Statement 4.** Statement 4 has been presented on a gross payment basis. Actual amounts received by the parties listed on Statement 4 may differ based upon withholding and other tax obligations.

**Statement 7.** The Debtors and their estates reserve all rights, claims, and defenses with respect to all listed lawsuits and administrative proceedings (or potential lawsuits and administrative proceedings). The listing of any such lawsuits and proceedings shall not constitute an admission by the Debtors and their estates of any liabilities.

**Statement 11.** All payments made to any entities that provided services in the one year-period prior to the Petition Date to the Debtors related to, consultation concerning debt counseling or restructuring services, relief under the Bankruptcy Code, or preparation of a petition in bankruptcy are listed on that Debtor's response to this Statement. Additional information regarding the Debtors' retention of professional service firms is more fully described in individual retention applications and related orders.

**Statement 13.** As set forth in greater detail in the Cash Management Motion, given the interconnected nature of the Debtors' business, Debtor DermTech Operations, Inc. occasionally made certain payments to or for the benefit of Debtor DermTech, Inc. These transactions are trackable but given that they occurred from time to time in the ordinary course of business, the Debtors did not list all instances of such transactions in these Schedules and Statements.

**Statement 26d.** The Debtors provided financial statements in the ordinary course of their businesses to certain parties within years immediately before the Petition Date, including with respect to the Debtors' prior restructuring and financing efforts. Considering the possibility that such information may have been shared with parties without the Debtors' knowledge or consent or subject to confidentiality agreements, the Debtors may not have disclosed all parties that may have received such financial statements for the purposes of Statement 26d. Certain of the Debtors are registrants with the Securities and Exchange Commission and file with such agency periodic financial reports on a consolidated basis. These reports also contain information about those Debtors' finances, and are publicly available through the Debtor DermTech, Inc. website: investors.dermtech.com.

Additionally, from time to time, the Debtors provided financial statements in the ordinary course of business to certain parties for business, statutory, credit, financing, and other reasons. Recipients have included regulatory agencies, financial institutions, investment banks, vendors and landlords and their legal and financial advisors. The Debtors do not maintain complete lists or other records tracking such disclosures. Therefore, the Debtors have not provided full lists of these parties in part 13, Question 26 of the Statements.

**Statement 31.** As described in greater detail in the First Day Declaration, on May 29, 2019, Debtor DermTech, Inc., Debtor DermTech Operations, Inc., and DT Merger Sub, Inc., a then wholly owned subsidiary of Debtor DermTech, Inc. ("Merger Sub"), entered into an *Agreement and Plan of Merger* (as amended, the "Merger Agreement"). Pursuant to the terms of the Merger Agreement, on August 29, 2019, Merger Sub merged with and into DermTech Operations, Inc., with DermTech Operations, Inc. surviving as a wholly owned subsidiary of DermTech, Inc. (the "Business Combination"). As a result of the Business Combination, the Debtors have been considered a consolidated group for tax filing purposes since 2019.

Disclosure of information in one Schedule, one Statement, or an exhibit or attachment to a Schedule or Statement, even if incorrectly placed, shall be deemed to be disclosed in the correct Schedule, Statement, exhibit, or attachment.**
