On November 21, 2024 (the “Petition Date”), Northvolt AB (“Northvolt”) and certain of its affiliates (the “Debtors”) filed voluntary petitions for relief under title 11 of the United States Code, 11 U.S.C. §§ 101–1532 (the “Bankruptcy Code”), in the United States Bankruptcy Court for the Southern District of Texas (the “Bankruptcy Court,” and collectively, the “Chapter 11 Cases”). You are receiving this letter because you have been identified as a party that may have a claim against or interest in the Debtors in the Chapter 11 Cases based on the Debtors’ books and records. As part of their Chapter 11 Cases, the Debtors are required to notify potential creditors of the deadline to file a “Proof of Claim.” A Proof of Claim is the form that a creditor may file to assert a claim in the Chapter 11 Cases, which details the type of claim and amount a creditor asserts it is owed.

The Bar Date Order to which this letter is attached establishes the below bar dates for filing Proofs of Claim in the Chapter 11 Cases (collectively, the “Bar Dates”). A copy of the official notice (the “Official Notice”) of the Bar Dates is also attached to this letter, which the Debtors encourage you to read in its entirety before deciding whether to file a Proof of Claim. Subject to the exceptions specified in the Bar Date Order for claimants not required to file Proofs of Claim, the following Bar Dates apply to all other holders of claims against the Debtors.

- a. **General Claims Bar Date.*** Except as described in clauses (b) – (d) below, all entities holding claims against the Debtors are **required** to file Proofs of Claim by **April 1, 2025, at 5:00 p.m. (prevailing Central Time)**.
- b. **Governmental Bar Date.*** All governmental units holding claims against the Debtors are **required** to file Proofs of Claim by **May 20, 2025, at 5:00 p.m. (prevailing Central Time)**.
- c. **Rejection Damages Bar Date.*** All entities holding claims against the Debtors arising from the Debtors’ rejection of executory contracts and unexpired leases under section 365 of the Bankruptcy Code are **required** to file Proofs of Claim by the date that is the later of (i) the General Claims Bar Date or the Governmental Bar Date, as applicable, and (ii) 5:00 p.m. (prevailing Central Time) on the date that is thirty (30) days following entry of the order approving the rejection of the applicable executory contract or unexpired lease of the Debtors.
- d. **Amended Schedules Bar Date.*** All entities holding claims against the Debtors affected by an amendment to the Debtors’ schedules of assets and liabilities filed in the Chapter 11 Cases (the “Schedules”) are **required** to file Proofs of Claim by the date that is the later of (i) the General Claims Bar Date or the Governmental Bar Date, as applicable, and (ii) 5:00 p.m. (prevailing Central Time) on the date that is thirty (30) days from the date on which the Debtors mail notice of the amendment to the Schedules to the holders of claims affected thereby).

If you choose to file a Proof of Claim, you must do so on or prior to the applicable Bar Date. You can find instructions on how to file a Proof of Claim electronically or by mail, as well as links to the necessary forms, at the following website: <https://cases.stretto.com/northvolt/file-a-claim/>.

For any questions or further information on the claims filing process, please contact Stretto at +1 (714) 479–2596. Please note that Stretto cannot advise you as to whether you have a claim against Northvolt. Claim: A creditor's right to receive payment for a debt that the debtor owed on the date the debtor filed for bankruptcy. 11 U.S.C. §101 (5). A claim may be secured or unsecured.

Claim Pursuant to 11 U.S.C. §503(b)(9): A claim arising from the value of any goods received by the Debtor within 20 days before the date of commencement of the above case, in which the goods have been sold to the Debtor in the ordinary course of the Debtor's business. Evidence of perfection: Evidence of perfection of a security interest may include documents showing that a security interest has been filed or recorded, such as a mortgage, lien, certificate of title, or financing statement.

Information that is entitled to privacy: A *Proof of Claim* form and any attached documents must show only the last 4 digits of any social security number, an individual's tax identification number, or a financial account number, only the initials of a minor's name, and only the year of any person's date of birth. If a claim is based on delivering health care goods or services, limit the disclosure of the goods or services to avoid embarrassment or disclosure of confidential health care information. You may later be required to give more information if the trustee or someone else in interest objects to the claim.

Priority claim: A claim within a category of unsecured claims that is entitled to priority under 11 U.S.C. §507(a). These claims are paid from the available money or property in a bankruptcy case before other unsecured claims are paid. Common priority unsecured claims include alimony, child support, taxes, and certain unpaid wages.

Proof of claim: A form that shows the amount of debt the debtor owed to a creditor on the date of the bankruptcy filing. The form must be filed in the district where the case is pending.

Redaction of information: Masking, editing out, or deleting certain information to protect privacy. Filers must redact or leave out information entitled to **privacy** on the *Proof of Claim* form and any attached documents.

Do not file these instructions with your form.

Secured claim under 11 U.S.C. §506(a): A claim backed by a lien on particular property of the debtor. A claim is secured to the extent that a creditor has the right to be paid from the property before other creditors are paid. The amount of a secured claim usually cannot be more than the value of the particular property on which the creditor has a lien. Any amount owed to a creditor that is more than the value of the property normally may be an unsecured claim. But exceptions exist; for example, see 11 U.S.C. § 1322(b) and the final sentence of 1325(a).

Examples of liens on property include a mortgage on real estate or a security interest in a car. A lien may be voluntarily granted by a debtor or may be obtained through a court proceeding. In some states, a court judgment may be a lien.

Setoff: Occurs when a creditor pays itself with money belonging to the debtor that it is holding, or by canceling a debt it owes to the debtor.

Uniform claim identifier: An optional 24-character identifier that some creditors use to facilitate electronic payment.

Unsecured claim: A claim that does not meet the requirements of a secured claim. A claim may be unsecured in part to the extent that the amount of the claim is more than the value of the property on which a creditor has a lien.

Offers to purchase a claim

Certain entities purchase claims for an amount that is less than the face value of the claims. These entities may contact creditors offering to purchase their claims. Some written communications from these entities may easily be confused with official court documentation or communications from the debtor. These entities do not represent the bankruptcy court, the bankruptcy trustee, or the debtor. A creditor has no obligation to sell its claim. However, if a creditor decides to sell its claim, any transfer of that claim is subject to Bankruptcy Rule 3001(e), any provisions of the Bankruptcy Code (11 U.S.C. § 101 et seq.) that apply, and any orders of the bankruptcy court that apply.
