Chapter 11

Case No. 25-16984 (MBK)

(Jointly Administered)

**AMENDED SECOND SUPPLEMENTAL DECLARATION OF JAMIE BAIRD
IN SUPPORT OF THE DEBTORS' RETENTION AND EMPLOYMENT
OF PJT PARTNERS LP AS INVESTMENT BANKER TO THE
DEBTORS AND DEBTORS IN POSSESSION**

I, James H. Baird, III, hereby declare as follows:

1. I am a Partner in the Restructuring and Special Situations Group at PJT Partners LP (“**PJT**”). PJT is the proposed investment banker for the debtors and debtors-in-possession (collectively, the “**Debtors**”) in the above-captioned chapter 11 cases (the “**Chapter 11 Cases**”).

2. I am duly authorized to make this declaration (this “**Supplemental Declaration**”) on behalf of PJT.

¹ The last four digits of Debtor Del Monte Foods Corporation II Inc.’s tax identification number are 1894. A complete list of the Debtors in these Chapter 11 Cases and their respective tax identification numbers may be obtained on the website of the Debtors’ claims and noticing agent, at <https://cases.stretto.com/DelMonteFoods>. The location of the Debtor Del Monte Foods Corporation II Inc.’s principal place of business and the Debtors’ service address is 205 North Wiget Lane, Walnut Creek, California 94598.

3. On July 31, 2025, the Debtor filed the *Debtors' Application for Entry of an Order (I) Authorizing the Retention and Employment of PJT Partners LP as Investment Banker to the Debtors and Debtors in Possession Effective as of the Petition Date, (II) Waiving Certain Timekeeping Requirements, and (III) Granting Related Relief* [Docket No. 276] (the "**Application**").²

4. In connection with the Application, I submitted my initial declaration (the "**Initial Declaration**") describing PJT's connections to the Debtors and other potential parties in interest (the "**PII**"). The Initial Declaration was appended to the Application as Exhibit B.

5. On August 21, 2025, I submitted my *First Supplemental Declaration of Jamie Baird in Support of the Debtors' Application for Entry of an Order (I) Authorizing the Retention and Employment of PJT Partners LP as Investment Banker to the Debtors and Debtors in Possession Effective as of the Petition Date, (II) Waiving Certain Timekeeping Requirements, and (III) Granting Related Relief* [Docket No. 431].

6. As stated in the Initial Declaration, due to time constraints and available manpower and in light of the fact that the number of vendors that may have potential claims against or relationships with any of the individual Debtors is approximately 2,600, PJT's initial review of the PII was limited to vendors that PJT understands, according to the Debtors' books and records, comprise the top 80% of all current accounts payable or the top 82% of the Debtors' spend over the last twelve months. Following the filing of the Application and in response to the request of the Office of the United States Trustee for the District of New Jersey, PJT's legal and compliance personnel conducted a review of the remaining vendors that are PIIs.

² Capitalized terms used and not otherwise defined herein shall have the meanings ascribed to them in the Application or the Initial Declaration, as applicable.

7. I hereby submit this Supplemental Declaration to describe the below additional connections of PJT to the PII. The list of PII searched by PJT, including all vendors, is attached hereto as Schedule 1.
