Omnicare, LLC (“**Omnicare**”) and certain of its affiliates, as debtors-in-possession (collectively, the “**Debtors**”), respectfully represent as follows in support of this application (the “**Application**”):

**Relief Requested**

1. By this Application, the Debtors request entry of an order, substantially in the form attached hereto as **Exhibit A** (the “**Proposed Order**”), authorizing the Debtors to retain and employ Quarles & Brady LLP (“**Quarles**”) as special pharmacy and regulatory counsel, effective as of February 6, 2026 (the “**Retention Date**”).

2. In support of this Application, the Debtors submit the *Declaration of Anne O’Brien in Support of the Debtors’ Application for Entry of Order Authorizing the Employment and Retention of Quarles & Brady LLP as Special Pharmacy and Regulatory Counsel, Effective as of the Retention Date* (the “**O’Brien Declaration**”), attached hereto as **Exhibit B**, and the *Declaration of Matthew Frank in Support of Debtors’ Application for Entry of Order*

*Authorizing the Employment and Retention of Quarles & Brady LLP as Special Pharmacy and Regulatory Counsel, Effective as of the Retention Date* (the “**Frank Declaration**”), attached hereto as **Exhibit C**.

3. The Debtors also request that all time periods set forth in an order granting the relief requested be calculated in accordance with Bankruptcy Rule 9006(a).

#### **Jurisdiction and Statutory Bases for Relief**

4. The United States Bankruptcy Court for the Northern District of Texas (the “**Court**”) has jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and 1334. This matter is a core proceeding within the meaning of 28 U.S.C. § 157(b)(2). The Debtors confirm their consent, pursuant to Rule 7008 of the Federal Rules of Bankruptcy Procedure (the “**Bankruptcy Rules**”), to the entry of a final order by the Court in connection with this motion to the extent that it is later determined that the Court, absent consent of the parties, cannot enter final orders or judgments in connection herewith consistent with Article III of the United States Constitution.

5. Venue is proper pursuant to 28 U.S.C. §§ 1408 and 1409.

6. The bases for the relief requested herein are sections 327(e) of title 11 of the United States Code (the “**Bankruptcy Code**”), Rules 2014(a) and 2016 of the Bankruptcy Rules, Rules 2014-1 and 2016-1 of the *Local Bankruptcy Rules of the United States Bankruptcy Court for the Northern District of Texas (Revised as of February 6, 2023)* (the “**Local Bankruptcy Rules**”), and Section F of the *Procedures for Complex Cases in the Northern District of Texas* (the “**Complex Case Procedures**”).

### **Background**

7. On September 22, 2025, (the “**Petition Date**”), the Debtors commenced these cases (these “**Chapter 11 Cases**”) by each filing a voluntary petition for relief under chapter 11 of the Bankruptcy Code.

8. The Debtors continue to operate their businesses and manage their properties as debtors-in-possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. No committee, trustee, or examiner has been appointed in these Chapter 11 Cases.

9. The Debtors operate pharmacies throughout the United States that provide on-site medication and pharmaceutical services to patients residing in more than 4,000 long-term care facilities (“**LTCFs**”) including skilled nursing facilities, assisted-living communities, independent-living communities and institutional facilities. The Debtors’ industry leading footprint includes 101 pharmacies (the “**Pharmacies**”) operating in 44 states and servicing LTCFs in 46 states. Through the Pharmacies, the Debtors dispense approximately 40 million prescriptions to over 800,000 patients each year. The majority of these patients reside in LTCFs, which offer a range of services tailored to varying medical needs. The Debtors work closely with their health care facility clients to provide customized, comprehensive, cost-effective medication management. In addition to dispensing prescriptions, the Debtors provide clinical consulting, infusion therapy, compounding services, automated prepackaging, and proprietary decision-support software to enhance safety and compliance.

10. Additional information about the Debtors, including their business operations, corporate and capital structure, and the events leading to the filing of the Chapter 11 Cases is detailed in the *Declaration of Matthew Frank in Support of Chapter 11 Petitions and First Day Motions* [Docket No. 23], the *Supplemental Declaration of Matthew Frank in Support of*

*Chapter 11 Petitions and First Day Motions* [Docket No. 152], and the *Second Supplemental Declaration of Matthew Frank in Support of Chapter 11 Petitions and First Day Motions* [Docket No. 161].

### **Quarles' Qualifications**

11. The Debtors seek authority to retain Quarles as special pharmacy and regulatory counsel, both in connection with the prospective sale of their businesses during these Chapter 11 Cases (the “**Sale**”) and in connection with other pharmacy regulatory matters that may arise during these Chapter 11 Cases. Quarles has been performing such services at the Debtors’ request as an ordinary-course professional, pursuant to the Court’s *Order Authorizing Employment and Payment of Professionals Utilized in the Ordinary Course of Business* [Docket No. 259] (the “**OCP Order**”). However, the Debtors and Quarles anticipate that Quarles’ work in connection with the Sale, in particular, will be extensive enough to require this Application.

12. Quarles has a nationally recognized pharmacy law practice group, whose attorneys collectively have decades of experience and two of whom are licensed pharmacists. Quarles’ clients include pharmacies of all kinds, and it has represented clients before the boards of pharmacy in all 50 U.S. states. Quarles regularly assists pharmacy clients in a wide variety of matters, including state and federal regulatory matters and in connection with mergers and acquisitions of pharmacies and pharmacy assets, including in connection with the transfer of licenses and permits necessary to allow purchasers to operate.

13. As described in more detail in the O’Brien Declaration, Quarles currently represents or has previously represented CVS Pharmacy, Inc, CVS Corporation, CVS/Caremark Corporation, and CVS Health Corporation (collectively, “**CVS**”) in similar matters; Quarles

represented Omnicare, LLC's predecessor, Omnicare, Inc., in non-pharmacy matters prior to its acquisition by CVS Pharmacy, Inc.

14. The Debtors therefore believe that Quarles has the resources, experience, and familiarity with the Debtors necessary to assist the Debtors and deal effectively with the pharmacy and regulatory issues that may arise in these Chapter 11 Cases, including in connection with the Sale. Accordingly, the Debtors submit that Quarles is well-qualified to represent them in these Chapter 11 Cases in a cost-effective, efficient, and timely manner.

#### **Services to Be Provided**

15. In accordance with that certain engagement letter (the "**Engagement Letter**") dated December 30, 2025, a copy of which is attached hereto as **Exhibit D**, the Debtors request the retention and employment of Quarles as special pharmacy and regulatory counsel to the Debtors as of the Retention Date during these Chapter 11 Cases. The services Quarles will provide in that capacity (the "**Services**") will include:

- (a) evaluating notice and application requirements for the state and federal licenses, registrations, and enrollments held by Omnicare, LLC and/or its subsidiaries ("**subsidiaries**"), their pharmacies and repackaging facilities ("**facilities**") for a change of ownership of the facilities or change of officers or directors for the subsidiaries;
- (b) supporting preparation and submission of required notices and applications;
- (c) appearing before and otherwise communicating with regulators of the subsidiaries and facilities;
- (d) providing advice regarding the regulatory requirements for operational and clinical activities;
- (e) providing any services ancillary or related to any of the above, as requested by the Debtors, and
- (f) advising and assisting with other pharmacy law and regulatory matters for the Debtors, as may be requested by the Debtors.

16. Quarles will coordinate with the Debtors' other chapter 11 professionals in these Chapter 11 Cases to avoid any duplication of services.

### **Professional Compensation**

17. Subject to the Court's approval and as set forth in the Engagement Letter, the Debtors and Quarles have agreed to pay for Quarles' services in one-tenth-of-an-hour increments and reimburse Quarles for reasonable expenses incurred in the course of the representation.

18. Quarles' current hourly rates for attorneys related to the Services range from \$470 to \$835 for associates and from \$770 to \$1,705 for partners and counsel. Hourly rates for paraprofessionals range from \$375 to \$450.

19. Quarles' hourly rates are set at a level designed to compensate Quarles fairly for the work of its attorneys and paraprofessionals and to cover fixed and routine expenses. The hourly rates set forth above are subject to periodic adjustments (generally on January 1 of each year) to reflect economic and other conditions.<sup>2</sup>

20. The hourly rates set forth above are consistent with the rates that Quarles charges other comparable clients for similar services, whether in or outside of chapter 11, regardless of the location of the client or the court in which a matter is pending. The hourly rates listed above are appropriate and not significantly different from (i) the rates that Quarles charges for other similar types of representations and (ii) the rates that other counsel of similar expertise and experience would charge to do work similar to the work Quarles will perform during these Chapter 11 Cases.

---

<sup>2</sup> As set forth in the Proposed Order, Quarles has agreed to provide at least ten business days' notice to the Debtors and the U.S. Trustee before implementing any periodic increases and has agreed to file such notice with the Court. Customary annual adjustments include (i) step increases historically awarded in the ordinary course on the basis of advancing seniority and promotion and (ii) periodic increases within each attorney's and paraprofessional's current level of seniority. The step increases do not constitute "rate increases" (as the term is used in the U.S. Trustee Guidelines (as defined below)).

21. It is Quarles' policy to charge its clients for all expenses incurred in connection with the client's case. The expenses charged to clients include, among other things, photocopying, outgoing faxes, mail and express mail charges, special or hand delivery charges, travel expenses, expenses for working meals, and transcription costs. Quarles will charge the Debtors for these expenses in a manner consistent with applicable guidelines contained in the U.S. Trustee's *Guidelines for Reviewing Applications for Compensation and Reimbursement of Expenses Filed under 11 U.S.C. § 330 by Attorneys in Larger Chapter 11 Cases Effective as of November 1, 2013* ("U.S. Trustee Guidelines").

22. In accordance with Bankruptcy Rule 2016(b), Quarles states that it has neither shared nor agreed to share any compensation it has received or may receive with another party or person, other than with partners, counsel, associates, and other attorneys associated with Quarles as permitted by Section 504 of the Bankruptcy Code.

23. Quarles has not received any retainer in connection with this engagement.

24. The Debtors do not owe Quarles any amounts for prepetition services. Quarles has invoiced or will invoice the Debtors for postpetition services for January 2026 in the amount of \$11,576.50 pursuant to the OCP Order.

25. The Debtors have agreed to pay Quarles for the legal services rendered or to be rendered by their attorneys and other personnel in connection with the Services. The Debtors have also agreed to reimburse Quarles for the actual and necessary expenses incurred in connection with its work. The Debtors will review prospective budgets and staffing plans to be submitted by Quarles, as such may be requested by the Debtors during these Chapter 11 Cases, and will have a full opportunity to review all of Quarles' fees and expenses as set forth in the monthly fee statements and interim fee applications to be submitted by Quarles to the Court.

26. Quarles will submit applications for compensation and reimbursement of expenses to this Court for approval pursuant to section 330 and 331 of the Bankruptcy Code and the applicable Bankruptcy Rules and the Local Rules and applicable orders of this Court. Quarles also intends to seek interim compensation and reimbursement of expenses pursuant to this Court's *Order (I) Establishing Procedures for Interim Compensation and Reimbursement of Expenses for Case Professionals and (II) Granting Related Relief* [Docket No. 176].

#### **Quarles' Disinterestedness**

27. As detailed in the O'Brien Declaration, Quarles has conducted a search of its conflict database and has made other internal inquiries about connections with the Debtors and the entities and individuals listed in Schedule 1 to the O'Brien Declaration. The O'Brien Declaration sets forth the scope of the search and those inquiries and their results.

28. To the best of the Debtors' knowledge, and as detailed in the O'Brien Declaration, (i) Quarles is a "disinterested person" within the meaning of section 101(14) of the Bankruptcy Code, (ii) Quarles does not represent any person or entity having an interest adverse to the Debtors with respect to the Services, (iii) Quarles does not hold or represent an interest adverse to the Debtors' estates with respect to the Services, and (iv) Quarles has no connection to the Debtors, their creditors, or any other party-in-interest with respect to the Services except as disclosed herein and in the O'Brien Declaration.

29. Quarles will review its files periodically to account for any additional creditor and party-in-interest information received from the Debtors during the pendency of these Chapter 11 Cases pursuant to the procedures described in the O'Brien Declaration. To the extent any new relevant facts or relationships are discovered or arise in the course of such review, Quarles will promptly file a supplemental declaration, as required by Bankruptcy Rule 2014(a).

### **Basis for Relief**

30. Pursuant to section 327(e) of the Bankruptcy Code, a debtor is authorized to employ, “for a specified special purpose, other than to represent the trustee in conducting the case, an attorney that has represented the debtor, if in the best interest of the estate.” 11 U.S.C. § 327(e). To determine whether the appointment of counsel is appropriate under section 327(e), courts generally consider whether “(1) the representation is in the best interest of the estate, (2) the attorney represented the debtor in the past, (3) the attorney is for a specific purpose approved by the court, other than to represent the debtor in conducting the case, [and] (4) the attorney does not represent or hold an interest adverse to the debtor or the debtor’s estate.” *In re Johnson*, 43 B.R. 626, 635 (Bankr. S.D. Tex. 2010). Moreover, section 1107(b) of the Bankruptcy Code provides that a person is not disqualified for employment under section 327 of the Bankruptcy Code solely because of such person’s employment by or representation of the debtor before the commencement of the case. 11 U.S.C. § 1107(b).

31. Bankruptcy Rule 2014(a) requires that an application for retention include:

[S]pecific facts showing the necessity for the employment, the name of the [firm] to be employed, the reasons for the selection, the professional services to be rendered, any proposed arrangement for compensation, and, to the best of the applicant’s knowledge, all of the [firm’s] connections with the debtor, creditors, any other party in interest, their respective attorneys and accountants, the United States trustee, or any person employed in the office of the United States trustee.

Fed. R. Bankr. P. 2014(a).

32. Based on the facts and reasons stated herein and in the O’Brien Declaration, the retention of Quarles as special pharmacy and regulatory counsel to the Debtors pursuant to this Application is reasonable, necessary, and appropriate and satisfies the requirements of section

327 of the Bankruptcy Code and Bankruptcy Rule 2014(a).<sup>3</sup> Moreover, as stated in the O'Brien Declaration, Quarles is a "disinterested person" within the meaning of section 101(14) of the Bankruptcy Code, and does not hold or represent an interest adverse to the Debtors' estates and has no connection to the Debtors, their creditors, or other parties in interest, except as may be disclosed in the O'Brien Declaration. Because Quarles has extensive experience in handling pharmacy law matters, including related regulatory matters, the Debtors respectfully submit that the relief requested in this Application is in the best interests of the Debtors, their estates, and their stakeholders, and should be approved by the Court.

#### **Notice**

33. Notice of this Application has been provided by e-mail or first-class mail to the Complex Service List (as defined in the *Order (I) Authorizing the Debtors to File a Consolidated List of Top 30 Unsecured Creditors and Consolidated List of Creditors; (II) Authorizing the Debtors to Redact Certain Personal Identification Information of Individual Creditors and Current and Former Employees; (III) Establishing a Complex Service List; (IV) Approving the Form and Manner of Notice of Commencement; and (V) Granting Related Relief* [Docket No. 59]). The Debtors submit that, in light of the nature of the relief requested, no other or further notice need be provided.

#### **No Prior Request**

34. No previous request for the relief sought herein has been made to this or any other court.

---

<sup>3</sup> While Quarles is applying for retention under section 327(e) of the Bankruptcy Code, Quarles also meets the heightened requirements under section 327(a) of the Bankruptcy Code.

WHEREFORE, for the reasons set forth herein, the Debtors respectfully request that the Court (a) enter the Proposed Order, substantially in the form attached hereto as **Exhibit A**, and (b) grant such other and further relief as is just and proper.

contained in this Declaration relates to matters not within my personal knowledge but rather within the knowledge of other attorneys and employees at Quarles and are based on information provided to me by them.

3. I submit this Declaration on behalf of Quarles in connection with the *Debtors' Application for Entry of Order Authorizing the Retention and Employment of Quarles & Brady LLP as Special Pharmacy and Regulatory Counsel to the Debtors, Effective as of the Retention Date*, filed contemporaneously herewith.

4. To the extent that any information disclosed herein requires subsequent amendment or modification upon Quarles' completion of further analysis or as additional information regarding creditors and other parties in interest becomes available, one or more supplemental declarations will be submitted to the Court reflecting the same.

#### **Quarles' Qualifications**

5. Quarles has a nationally recognized pharmacy law practice group, whose attorneys collectively have decades of experience and two of whom are licensed pharmacists themselves. Quarles' clients include pharmacies of all kinds, and it has represented clients before the boards of pharmacy in all 50 U.S. states.

6. Quarles regularly assists pharmacy clients in a wide variety of matters, including state and federal regulatory matters and in connection with mergers and acquisitions of pharmacies and pharmacy assets, including in connection with the transfer of licenses and permits necessary to allow purchasers to operate. Quarles currently represents or has previously represented CVS Pharmacy, Inc, CVS Corporation, CVS/Caremark Corporation, and CVS Health Corporation (collectively, "CVS") in similar matters. Quarles represented Omnicare, LLC's predecessor, Omnicare, Inc., in non-pharmacy matters prior to its acquisition by CVS Pharmacy, Inc.

7. I believe that Quarles has the resources, experience, and familiarity with the Debtors necessary to assist the Debtors and deal effectively with the pharmacy and regulatory issues that may arise in the Chapter 11 Cases, including in connection with any proposed sale of the Debtors' pharmacy subsidiaries and assets.

8. Accordingly, I believe that Quarles is well-qualified to represent the Debtors as special counsel in these Chapter 11 Cases in a cost-effective, efficient, and timely manner.

### **Services to Be Provided**

9. In accordance with the Engagement Letter, the Debtors have requested that Quarles represent them as special counsel for pharmacy and regulatory matters, to provide services that include the following:

(a) evaluating notice and application requirements for the state and federal licenses, registrations, and enrollments held by Debtor Omnicare, LLC and/or its subsidiaries ("**subsidiaries**"), their pharmacies and repackaging facilities ("**facilities**") for a change of ownership of the facilities or change of officers or directors for the subsidiaries;

(b) supporting preparation and submission of required notices and applications;

(c) appearing before and otherwise communicating with regulators of the subsidiaries and facilities;

(d) providing advice regarding the regulatory requirements for operational and clinical activities;

(e) providing any services ancillary or related to any of the above, as requested by the Debtors, and

(f) advising and assisting with other pharmacy law and regulatory matters for the Debtors, as may be requested by the Debtors.

10. The Debtors have previously filed applications to retain Jenner & Block LLP as general bankruptcy counsel [Docket No. 131], Haynes and Boone LLP as bankruptcy co-counsel [Docket No. 132], Williams & Connolly LLP as special litigation counsel [Docket No. 201], and Dechert LLP as special antitrust counsel [Docket No. 454]. I believe that the services to be

performed by Quarles will be complementary to, rather than duplicative of, the services to be performed by those firms. Quarles will coordinate with the Debtors' other professionals in these Chapter 11 Cases to avoid any duplication of services.

### **Quarles' Disinterestedness and Connections**

11. In connection with its proposed retention, Quarles submitted to its computerized conflict check database (the "**Conflicts System**") the names of parties in interest in these Chapter 11 Cases (the "**Parties in Interest**") provided to Quarles by Debtors' general bankruptcy counsel; a copy of that list of names is attached to this Declaration as **Schedule 1**. The names on Schedule 1 are segregated into the following categories:

- Debtors, Current and Former Affiliates and Other Names Used by Debtors
- Current and Former Directors and Officers and Known Affiliations
- Significant Equity Holders
- Bankruptcy Professionals
- Banks/Lenders/UCC Lien Parties/Agents
- Surety and Letter of Credit Counterparties and Issuers
- Insurance Providers
- Significant Vendors
- Customer Facilities
- Landlords
- Government, Taxing Authorities, and Regulatory Agencies
- Utility Providers
- Other Contract Counterparties
- Significant Competitors
- Litigation Counterparties
- U.S. Trustee Office Personnel
- Bankruptcy Judges and Their Staff
- Top 30 Unsecured Creditors

12. For each of the Parties in Interest listed on Schedule 1, Quarles researched, through internet searches, S&P Capital IQ, and/or Dunn & Bradstreet, the identities of the ultimate corporate parent of such Party in Interest. Quarles then researched through the Conflicts System each Party in Interest and the entities revealed through internet searches, S&P Capital IQ and/or Dunn & Bradstreet. That research revealed the following matters:

(a) Quarles currently represents the entities listed on **Schedule 2** to this Declaration in matters wholly unrelated to the Debtors and to the Services that Quarles is to be retained to provide as special counsel.<sup>3</sup>

(b) Quarles has represented in the past the entities listed on **Schedule 3** to this Declaration in matters that were wholly unrelated to the Debtors and to the Services Quarles is to be retained to provide as special counsel.

(c) The disclosures contained in Schedules 2 and 3 include situations in which (i) a name of a Party in Interest was an exact match to a current or former client entity identified in the Conflicts System and (ii) an entity identified as an affiliate or ultimate corporate parent of a Party in Interest was identified as a current or former client entity in the Conflicts System.

(d) Quarles was unable to determine if certain entities identified on Schedule 1 require disclosure based on the information provided and will continue to investigate and supplement this Declaration as necessary.

(e) Quarles has represented CVS for decades. That representation has been unrelated to the Debtors or these Chapter 11 Cases, except that Quarles represented the predecessor-in-interest to Omnicare, LLC – Omnicare, Inc. – in certain employment law matters before it was acquired by CVS Pharmacy, Inc. During Quarles’ fiscal year 2025 (October 1, 2024 through September 30, 2025), Quarles’ work for CVS included the following:

---

<sup>3</sup> Schedule 2 contains Schedule 2 includes clients to whom Quarles has not billed services for several months or years, but whom Quarles does not consider former clients.

- (i) representing CVS pharmacies and personnel in matters before the Boards of Pharmacy in Arizona, Minnesota, and Nevada;
- (ii) advising regarding the regulatory requirements for staffing and storing medications at ambulatory infusion suites;
- (iii) advising concerning a Pennsylvania executive order regarding pharmacy services in the wake of the closures of RiteAid pharmacies;
- (iv) advising regarding Kentucky state pharmacy regulations, and
- (v) advising CVS on models for delivering services nationwide.

Quarles did not and does not represent CVS or the Debtors in any respect with regard to the False Claims Act litigation before the United States District Court for the Southern District of New York. In Quarles' fiscal year 2025, Quarles' revenue derived from fees paid by CVS amounted to less than 0.1% of Quarles' overall revenue. Quarles does not and will not represent CVS in any matters adverse to Omnicare. To the extent any such adversity arises, Quarles will promptly notify the Debtors and the Office of the United States Trustee.

13. Quarles' practice encompasses the representation of many investors, financial institutions and other entities, some of which may be or may become creditors or parties in interest. Furthermore, as part of its practice, Quarles appears in cases, proceedings, and transactions involving numerous attorneys, accountants, and financial advisors, both in adverse and non-adverse roles, some of which may represent the Debtors, their creditors, or parties in interest, or themselves be creditors or parties in interest in these Chapter 11 Cases, or employ persons with whom Quarles attorneys have personal or familial relationships. I believe that none of these representations or relationships would prevent Quarles from being a disinterested person,

would involve the holding or representation of an interest adverse to the Debtors or their estates with respect to the Services or would create a conflict of interest with respect to this employment. Quarles has not and will not represent any of these creditors, investors, potential acquirers, parties in interest, attorneys, financial advisors, accountants or any other entity in or in connection with these Chapter 11 Cases.

14. Based on the foregoing, I believe that neither I, nor Quarles, nor any of its attorneys holds or represents any interest adverse to the Debtors or their estates with respect to the Services. Accordingly, I submit that Quarles is qualified for employment by the Debtors under section 327 of the Bankruptcy Code.

15. In addition, to the best of my knowledge, information and belief, neither I, nor Quarles, nor any of its attorneys is a relative of, or has been so connected to, any judge of the United States Bankruptcy Court for the Northern District of Texas, the United States Trustee for Region 6, or any employee of the United States Trustee for Region 6, so as to make the approval of Quarles' employment improper. Accordingly, I submit that Bankruptcy Rule 5002 would not prohibit the employment of Quarles as special counsel during these Chapter 11 Cases.

#### **Compensation**

16. Quarles will charge for the Services on an hourly basis in accordance with its ordinary and customary hourly rates in effect as of January 1, 2026. Quarles' current hourly rates for attorneys related to the Services range from \$470 to \$835 for associates and from \$770 to \$1,705 for partners and counsel. Hourly rates for paraprofessionals range from \$375 to \$450.

17. Quarles' hourly rates are set at a level designed to compensate Quarles fairly for the work of its attorneys and paraprofessionals and to cover fixed and routine expenses. The hourly

rates set forth above are subject to periodic adjustments (generally on January 1 of each year) to reflect economic and other conditions.<sup>4</sup>

18. The hourly rates set forth above are consistent with the rates that Quarles charges other comparable clients for similar services, whether in or outside of chapter 11, regardless of the location of the client or the court in which a matter is pending. The hourly rates listed above are appropriate and not significantly different from (i) the rates that Quarles charges for other similar types of representations and (ii) the rates that other counsel of similar expertise and experience would charge to do work similar to the work Quarles will perform during these Chapter 11 Cases.

19. It is Quarles' policy to seek reimbursement from its clients for all expenses incurred in connection with the client's case. Such expenses include, among other things, photocopying, outgoing faxes, mail and express mail charges, special or hand delivery charges, travel expenses, expenses for working meals, and transcription costs. Quarles will seek reimbursement from the Debtors for these expenses in a manner consistent with applicable guidelines contained in the U.S. Trustee's *Guidelines for Reviewing Applications for Compensation and Reimbursement of Expenses Filed under 11 U.S.C. § 330 by Attorneys in Larger Chapter 11 Cases Effective as of November 1, 2013* ("U.S. Trustee Guidelines").

20. Quarles states that it has neither shared nor agreed to share any compensation it has received or may receive with another party or person, other than with partners, counsel, associates, and other attorneys associated with Quarles as permitted by Section 504 of the Bankruptcy Code.

21. Quarles has not received any retainer in connection with this engagement.

---

<sup>4</sup> As set forth in the Proposed Order, Quarles has agreed to provide at least ten business days' notice to the Debtors and the U.S. Trustee before implementing any periodic increases and has agreed to file such notice with the Court. Customary annual adjustments include (i) step increases historically awarded in the ordinary course on the basis of advancing seniority and promotion and (ii) periodic increases within each attorney's and paraprofessional's current level of seniority. The step increases do not constitute "rate increases" (as the term is used in the U.S. Trustee Guidelines).

22. The Debtors do not owe Quarles any amounts for prepetition services. Quarles has invoiced or will invoice the Debtors for postpetition services for January 2026 in the amount of \$ 11,576.50 pursuant to the OCP Order.

23. Quarles will submit applications for compensation and reimbursement of expenses to this Court for approval pursuant to section 330 and 331 of the Bankruptcy Code and the applicable Bankruptcy Rules and the Local Rules and applicable orders of this Court. Quarles also intends to seek interim compensation and reimbursement of expenses pursuant to this Court's *Order (I) Establishing Procedures for Interim Compensation and Reimbursement of Expenses for Case Professionals and (II) Granting Related Relief* [Docket No. 176].

#### **Responses to U.S. Trustee Guidelines Questions**

24. The following statements respond to the questions in Section D.1 of the U.S. Trustee Guidelines:

- (a) **Question:** Did Quarles agree to any variations from, or alternatives to, Quarles' standard billing arrangements for this engagement?

**Answer:** Quarles did not agree to any variations from, or alternatives to, its standard or customary billing arrangements for this engagement.

- (b) **Question:** Do any of the Quarles professionals in this engagement vary their rate based on the geographic location of these Chapter 11 Cases?

**Answer:** None of the professionals included in this engagement vary their respective rates based on the geographic location of the bankruptcy case.

- (c) **Question:** If Quarles has represented the Debtors in the twelve (12) months prepetition, disclose Quarles' billing rates and material financial terms for the pre-petition engagement, including any adjustments during the twelve (12) months prepetition. If Quarles' billing rates and material financial terms have changed post-petition, explain the difference and the reasons for the difference.

**Answer:** This question is not applicable, because Quarles' representation of Omnicare, Inc. – the predecessor-in-interest to Debtor Omnicare, LLC – terminated more than 12 months prepetition.

d) **Question:** Have the Debtors approved Quarles' budget and staffing plan, and, if so, for what budget period?

**Answer:** Quarles will submit a budget and staffing plan for the Debtors' approval as the Debtors may request.

25. To the extent that, during or at the conclusion of Quarles' employment in these Chapter 11 Cases, it discovers any new or additional facts bearing on matters described in this Declaration, Quarles will supplement the information contained in this Declaration.

I declare under penalty of perjury as provided in 28 U.S.C. § 1746 that the foregoing is true and correct according to the best of my knowledge, information, and belief.

IN SUPPORT OF THE DEBTORS’ APPLICATION FOR ENTRY OF  
AN ORDER AUTHORIZING THE EMPLOYMENT AND RETENTION OF  
QUARLES & BRADY LLP AS SPECIAL REGULATORY COUNSEL  
EFFECTIVE AS OF THE RETENTION DATE**

Pursuant to 28 U.S.C. § 1746, I, Matthew Frank, the Co-Chief Restructuring Officer Omnicare, LLC (“**Omnicare**”), on behalf of Omnicare and the other debtors in possession (collectively, the “**Debtors**”) in the above-captioned chapter 11 cases (the “**Chapter 11 Cases**”), state the following under penalty of perjury:

1. I am the Co-Chief Restructuring Officer of Omnicare. I submit this declaration in support of the *Debtors’ Application for Entry of an Order Authorizing the Retention and Employment of Quarles & Brady LLP as Special Regulatory Counsel Effective as of the Retention Date* (the “**Application**”).<sup>2</sup> This Declaration is provided pursuant to Appendix B, Paragraph D.2 of the *U.S. Trustee Guidelines for Reviewing Applications for Compensation and*

---

<sup>1</sup> The last four digits of Omnicare, LLC’s federal tax identification number are 1351. There are 111 Debtors in these chapter 11 cases, which are being jointly administered for procedural purposes only. A complete list of the Debtors and the last four digits of their federal tax identification numbers may be obtained on the website of the Debtors’ claims and noticing agent at <https://cases.stretto.com/Omnicare>. The location of Omnicare, LLC’s corporate headquarters and the Debtors’ service address is One CVS Drive, Mail Code 1160, Woonsocket, RI 02895.

<sup>2</sup> Capitalized terms used but not defined herein will have the meaning ascribed to such terms in the Application.

*Reimbursement of Expenses Filed under 11 U.S.C. § 330 by Attorneys in Larger Chapter 11 Cases*, effective November 1, 2013. Except as otherwise noted, I have personal knowledge of the matters set forth herein.

### **THE DEBTORS' SELECTION OF COUNSEL**

2. The Debtors recognize that a comprehensive process is necessary when selecting and managing chapter 11 counsel to ensure that bankruptcy professionals are subject to the same client-driven market scrutiny and accountability as professionals in non-bankruptcy engagements.

3. To that end, the review process utilized by the Debtors here assessed potential counsel based on their expertise in handling regulatory issues in the section 363 sale context. The Debtors selected Quarles due to the firm's extensive experience in this area. Quarles previously provided counseling to CVS and Omnicare prior to the Petition Date, so Quarles is already familiar with the Debtors' businesses and operations.

4. I believe that Quarles is both well qualified and uniquely able to represent the Debtors during these Chapter 11 Cases in an efficient and expert manner.

### **RATE STRUCTURE**

5. In my capacity as Co-Chief Restructuring Officer, I will supervise Quarles' engagement during these Chapter 11 Cases. Quarles has informed Debtors that its rates are consistent with the rates that Quarles charges other comparable clients.

6. Moreover, Quarles has confirmed that its rate structure is not significantly different from the rates that Quarles charges for other non-bankruptcy representations. Quarles has informed the Debtors that its rates may be subject to periodic increases, as qualified by the disclosures in the Application and the O'Brien Declaration. I understand that is consistent with

the Debtors' prepetition practice of managing its legal costs, as well as the Debtors' management of its legal costs from other law firms. Given the size of the Debtors' operations, I believe this provides a sufficient means to ensure counsel is working efficiently and effectively.

7. I understand that Quarles' fees and expenses will be subject to periodic review during the pendency of these Chapter 11 Cases, by, among other parties, the U.S. Trustee and the Debtors, in accordance with the terms of the Bankruptcy Code, the Bankruptcy Rules, the Local Rules, and any orders of the Court governing the procedures for approval of interim compensation of professionals retained in chapter 11 cases.

#### **COST SUPERVISION**

8. The Debtors and Quarles expect to develop a budget and staffing plan, recognizing that during the pendency of large Chapter 11 Cases such as these that there may be unforeseen fees and expenses that will need to be addressed by the Debtors and Quarles. The Debtors further recognize that it is their responsibility to monitor closely the billing practices of their counsel to ensure the fees and expenses paid by the estates remain consistent with the Debtors' expectations and the exigencies of these Chapter 11 Cases. The Debtors will continue to review the invoices that Quarles regularly submits and, together with Quarles, amend the budget and staffing plan periodically as needed as the case develops. As they did prepetition, the Debtors will continue to bring discipline, predictability, client involvement, and accountability to the counsel fees and expenses reimbursement process. Although every chapter 11 case is different, these budgets will provide guidance on the periods of time involved, the level of attorneys and professionals that will work on various matters, and projections of average hourly rates for the attorneys and professionals for various matters.

I declare under penalty of perjury as provided in 28 U.S.C. § 1746 that the foregoing is

true and correct according to the best of my knowledge, information, and belief.

Attn: Matthew Lerner

**RE: Legal Representation**

Dear Mr. Lerner:

We are very pleased that Omnicare, LLC (“Company”) has selected Quarles & Brady LLP (the “Firm”) for legal representation. We thank you for your expression of confidence in us. This letter confirms the engagement of our Firm to provide legal services to the Company and describes the scope of our representation, the basis on which fees and expenses will be billed, and other important aspects of our representation.

1. *Client; Scope of Representation.* Subject to and conditioned on an order appointing the Firm as counsel for the Company being entered in the chapter 11 bankruptcy cases pending before the United States Bankruptcy Court for the Northern District of Texas, Dallas Division (the “Court”), captioned *In re Omnicare, LLC, et al.*, and jointly administered under Case Number 25-80486 (SGJ) (the “Bankruptcy”), the Company will be our client in the matters discussed in this letter. Our work will include evaluating notice and application requirements for the state and federal licenses, registrations, and enrollments held by the Company’s subsidiaries (“subsidiaries”), their pharmacies and repackaging facilities (“facilities”) for a change of ownership of the facilities or change of officers or directors or officers for the subsidiaries; supporting preparation and submission of required notices and applications; appearing before and otherwise communicating with regulators of the subsidiaries and facilities; and providing advice regarding the regulatory requirements for operational and clinical activities. You may limit or expand the scope of our representation from time to time, provided that we agree to any substantial expansion in writing and if necessary subject to approval by the Court in the Bankruptcy.

The Firm does not represent the Company in any matters other than those identified above, and the Firm's acceptance of this engagement does not mean that the Firm will represent the Company in any matters other than those identified above. The Firm does not represent the Company's members, managers, employees or agents in their personal capacity. Further, the Firm has not been engaged to provide the Company with any advice regarding bankruptcy law or to represent the Company in the Bankruptcy. Any expansion of the Firm's representation of the Company will be subject to and conditioned on the Firm's agreement to represent the Company in the new matter(s) in a separate engagement letter signed by the Firm, and an order entered in the Bankruptcy appointing the Firm as counsel in the new matter(s). After the Firm's representation of the Company is completed, changes may occur in the applicable laws or regulations that could have an impact on the Company's rights or liabilities. The Firm has no obligation to update the Company on such changes.

2. *Term of Engagement.* Either the Company or the Firm may terminate the engagement at any time for any reason by written notice, subject on the Firm's part to applicable rules of professional conduct and any required approvals from the Court in the Bankruptcy. In the event that the Firm terminates the engagement, it will take reasonably practicable steps to protect the Company's interests in the above matter. If the Company terminates the Firm's services, it will promptly pay the Firm for all fees, charges and expenses incurred prior to the date of the Firm's receipt of the termination and for any work required to effect a transition to new counsel, subject to the terms of orders entered in the Bankruptcy and subject to the Court's approval in the Bankruptcy. Unless previously terminated, the Firm's representation will terminate upon sending the Company the Firm's final bill for services rendered and subject to any approvals required in the Bankruptcy. If requested, the Firm will return the Company's original papers and property to the Company. The Firm may retain copies of the documents and will keep a copy of the file consistent with the records retention terms in this letter, subject to any Court orders affecting such retention.

3. *Client Responsibilities.* The Firm will provide legal counsel and assistance to the Company in accordance with this letter and will rely on information and guidance the Company (including the Company's other professionals) provides to the Firm. Subject to the approval by the Court in the Bankruptcy, the Company agrees to pay the Firm for its services and expenses as set forth in this letter. Further, in order to enable the Firm to provide the services stated in this letter, the Company will disclose fully and accurately all facts and keep the Firm apprised of all developments relating to the matters identified above. The Company will also cooperate fully with the Firm and be available to attend meetings, conferences, hearings, and other proceedings on reasonable notice, and stay fully informed on all developments relating to the above matters.

4. *Staffing.* I will be the attorney primarily responsible for the representation. Other attorneys, paralegals, and staff at the Firm will also work on the above matters.

Matthew Lerner  
December 30, 2025  
Page 3

5. *Fees and Expenses.* The Firm's fees are based primarily upon the billing rate for each attorney and paralegal devoting time to this matter. Each lawyer and paralegal has an hourly billing rate based generally on his or her experience and special expertise. I will review your bills. The hourly rate multiplied by the time spent on your behalf, measured generally in tenths of an hour, is the primary basis for determining our fee. My billing rate for the above matters is \$770 an hour. Our billing rates for attorneys in the Health Law Group range from \$470 to \$1705. Rates for paralegals range from \$375 to \$450. The Firm adjusts these billing rates from time to time to reflect changes in levels of experience and economic factors affecting our Firm. When the Firm's rates change it will notify the Company in writing and the bills you receive from us after the effective date of the rate change will reflect the rate adjustment.

The Firm will provide monthly bills to the Company. The Firm will apply to the Court for payment of the Firm's bills pursuant to the applicable provisions of the United States Bankruptcy Code, applicable federal and local rules of bankruptcy procedure, and applicable orders entered by the Court in the Bankruptcy. Payment will be due in accordance with orders of the Court in the Bankruptcy. The Firm's bills will include charges for legal services, and separate charges for expenses, costs, and services such as photocopying, messenger and delivery service, travel, and filing fees. These charges may be adjusted, and the Company agrees to pay such adjustments. The Firm is not obligated to advance or pay for expenses and costs incurred in the representation of the Company, and the Firm reserves the right in its sole and absolute discretion to not advance or pay for such expenses and costs. The Firm further reserves the right to withdraw from representing the Company if the Firm's bills are not paid, subject to any required approval of the Court in the Bankruptcy.

6. *Limited Liability Partnership.* Our Firm is a limited liability partnership ("LLP"). Because we are an LLP, no partner of the Firm has personal liability for any debts or liabilities of the Firm except as otherwise required by law, and except that each partner can be personally liable for his or her own malpractice and for the malpractice of persons acting under his or her actual supervision and control. Please call me if you have any questions about our status as a limited liability partnership.

7. *Adverse Representations or Conflicts of Interest; Waiver of Conflicts.* The Firm represents and in the future will represent other companies and individuals besides the Company. Some may be competitors of the Company or otherwise have business interests that are contrary to the Company's interests. It is possible that during the time the Firm is representing the Company, an existing or future client of the Firm will seek to engage the Firm in connection with actual or potential transactions, or pending or potential litigation or other dispute resolution proceeding, in which such client's interests are or potentially may become adverse to the Company's or the Company's affiliates' interests. The Company agree that the Firm may continue to represent or may undertake in the future to represent existing or new clients in any matter that is not substantially related to the Firm's work for the Company, even if the interests of such clients in those other matters are directly adverse to the Company, as long as that other

Matthew Lerner

matter is not substantially related to the Firm's representation of the Company. The Company waives any conflict of interest that exists or might be asserted to exist and any other basis that might be asserted to preclude, challenge, or otherwise disqualify the Firm in any representation of any other client with respect to any such matter. The Firm agrees, however, that the Company's prospective consent to conflicting representation contained in this paragraph shall not apply where, as a result of the Firm's representation of the Company, the Firm has obtained proprietary or other confidential information, that, if known to the other client, could be used by that other client to the Company's material disadvantage. The Firm will not disclose to the other client(s) any confidential information received during the course of our representation of the Company.

We suggest that the Company consult with separate counsel with respect to this provision and its waiver.

8. *Electronic Communications.* The Firm communicates from time to time with our clients via facsimile, mobile telephone and e-mail. These forms of communication are not completely secure against unauthorized access. There is some risk of disclosure and loss of attorney-client privilege in using these forms of communication because they do not ensure the confidentiality of their contents. If the Company objects to the Firm using any one or more of these forms of communication, please let me know immediately.

9. *Records Retention.* The Firm's policy with respect to retention of client records is to retain such records for a period of six (6) years from the date a matter is closed. For various reasons, including the minimization of unnecessary storage expenses, the Firm reserves the right to destroy or otherwise dispose of any such records retained by the Firm at the end of the Firm's retention period, without further notice.
